

## Hidden 1458

### Chapter 1458: The Little Guy's Aura Was 2.8 Meters Tall

"Alright, alright. Why did you come to look for me?"

Huo Zhong revealed his true identity. "I'm Quick-Handed Trash. I was tortured badly by you last time, so I plan to spar with you this time."

Su Bei looked him up and down. "So it's you?"

"It's me, it's me. Come on, let's spar." Huo Zhong took out his phone and eagerly opened the game.

The last time he was tortured by Baby, he trained hard after that so that he could exchange blows with his idol at this moment.

"No, I have to go home for dinner. My husband will nag at me if I'm late," she gave an excuse.

Last time, it was Da Bao who accepted the challenge. If it were her, she wouldn't have the hand speed to beat Huo Zhong!

Only then did Huo Zhong remember that Su Bei had announced her relationship with Lu Heting a few days ago. He heard that the two of them were married.

He was immediately unhappy. "Is Lu Heting worthy of being your husband? I won't hide this piece of news from you. I know the Lu family's family situation quite well. Lu Heting already has a son. Baby, your gaming skills are so good and you're so capable. Won't it be good for you to find someone who likes to play games? Why do you have to be like those bitter women and become a stepmother in a rich family?"

"Moreover, a child like that will surely be difficult to discipline. You're not a weak and delicate woman with no skills. You don't have to rely on your husband for a living, and it's not like you have no choice but to take someone else's child as your own. With your ability, skills, and hand speed, do you have to worry about not being able to make a living? Take it as though I'm asking you to quickly break up with Lu Heting!"

"How about this? I'll introduce you to a team in the United States. It's not that I want to say this, but with your hand speed, you can beat them up like they're nothing! I'm begging you, give up on your husband and that son who'll only be your burden!"

Lu Heting was walking home after fetching Da Bao.

Before he got close, he heard someone urging Su Bei to leave him.

1

An extremely cold and aloof expression appeared on his originally calm face, and deep emotions surged in his eyes.

Da Bao glanced at Lu Heting, and a similar emotion and coldness appeared on his face.

Feeling a chill behind him, Huo Zhong subconsciously turned around and saw the two figures.

Suddenly, his gaze met their icy gazes. How cold!

Horrifying!

"You, you..." Huo Zhong was from the Huo family, after all. He knew what Lu Heting looked like.

As for the child from the Lu family, he had always known about Gun Gun's existence, but he did not know about Da Bao.

Seeing Da Bao in front of him, he thought that this was the child who had grown up with Lu Heting. He looked a little embarrassed. After all, no one could face the people they had just secretly ridiculed.

Su Bei walked toward Da Bao with a smile. "You're back from your tutoring lessons?"

"Hmm." Da Bao raised his chin. "Who's this guy?"

"He's no one." Su Bei smiled brightly, not caring about Huo Zhong's ugly expression.

'What do you mean by calling me a nobody? I'm obviously Baby's number one loyal fan!'

He strode over. "I'm a very important person to Baby! Why are you so arrogant, child? Baby belongs to all of us, not just you! Who allowed you to order her around?"

Su Bei turned around and glared at him. "Who allowed you to order me around?"

Huo Zhong waved his hand. "Aren't I helping you?"

"You encouraged Xiao Bei to leave me?" Da Bao raised his chin and looked at Huo Zhong.

He was clearly just a little guy, but his aura made him appear 2.8 meters tall!

Huo Zhong was originally a little afraid of Lu Heting, but when he saw Su Bei being wronged, he refused to give in. "I can't possibly watch Gaming Goddess Su Bei make soup for you and your father, right? She should belong to all of us and the entire game battlefield. She's all-powerful!"

Gaming Goddess Su Bei?

Lu Heting glanced at Da Bao, and Da Bao glanced at Lu Heting. In the future, they wouldn't come up with usernames as such.

1

"I'm here today to persuade Baby to leave. What's wrong with that?" Huo Zhong raised his head without fear.

Da Bao looked at him expressionlessly, and Huo Zhong felt even more depressed. "Is this how you usually treat our Baby? This is really intolerable. I'm going to make our Baby leave today!"

Da Bao let go of Su Bei's hand and stood up. "Beat me first!"

Huo Zhong looked at his fist and waved it. It was several times bigger than Da Bao's. "How many punches can you take from me? Don't force me to hit a child! I still have this bit of integrity!"

Da Bao slowly took out his phone and pointed at one of the games. "This!"

"Tsk~" Huo Zhong sneered. "Are you sure? Let me tell you, you were still in your mother's belly when I started playing this game. Alright, let me accompany you today and let you know what a true expert is."

“Keep your word,” Da Bao said simply.

Huo Zhong understood what he meant. “Alright, if you lose, give Baby to me. If you win... Considering that you don’t have any chance of winning at all, if you win, I’ll agree to any conditions you say. I’ll call you Dad!”

“Deal.” Da Bao calmly opened the game.

Su Bei glanced at Lu Heting and took his arm. “Your son just used me as a bet.”

1

“Because he definitely won’t lose, so it doesn’t count.” Lu Heting and Su Bei had the best VIP seats.

When Huo Zhong heard Lu Heting’s words, he snorted coldly. Today, he would let them call him ‘Dad’!

A moment later, Huo Zhong’s expression began to tense.

Then, his hands and feet began to go cold.

When things got heated up, sweat broke out on his forehead.

‘Who the hell is my opponent?!

‘No, which genius is this?’

Huo Zhong had previously studied many of Da Bao’s fighting styles and felt that his own abilities had already improved greatly. He could definitely fight Da Bao now.

But now, he couldn’t even handle this little guy opposite him?!

It would be fine if Huo Zhong were an ordinary person, but he was clearly one of the top gamers in this world!

Yet he was brutally beaten by a young fellow?

When he put down the phone, the expression on Huo Zhong’s face kept changing.

Da Bao calmly pocketed his phone.

Huo Zhong looked like he had seen a ghost...

“Let’s go home, Xiao Bei,” Da Bao said to Su Bei with a wave.

“Dad!” Just as the three of them were about to leave, Huo Zhong’s voice came from behind!
