

## Hidden 1460

### Chapter 1460: This Personality Doesn't Remember You At All

Someone reminded him, "Hey, Lu Bei and Su Bei are the same person."

It just so happened that everyone could get something to eat. Some bold ones ran forward and delivered snacks to Feng Ze. "Hi there, this candy is for you."

"Thank you." Feng Ze took it.

At the side, a group of girls' hearts exploded. "Wow, his voice is super nice too! I love it!"

"This young man is so gentle too. When he said 'thank you', it sounded like a breeze!"

"Yeah, how can there be such a divine guy like him?"

Seeing that Feng Ze had accepted the first person's gift, the others did not hesitate anymore. They went forward and offered food to him with both hands. "Hey, you can have some of this drink. It's good for your throat."

"This drink is sugar-free, but it tastes very refreshing. You can try it."

"This is for you..."

"Please accept this!"

Feng Ze's expression did not change as he reached out to take the gifts one by one.

Su Bei and Xiao Bai were also distributing food. There was still a lot left. Seeing that there were many people here, they decisively came over to distribute the food to them.

Seeing that Su Bei was giving out food, everyone was excited again. "Wow, the goddess is giving out food! Will my skin become as good as Su Bei's after eating this?"

Su Bei smiled brightly. "Well, you can try it first."

"Sure, sure. I'll have one more then!"

Su Bei reached out and gave her two more, making the girl scream.

"This is for you." Su Bei handed it to the man in front of her.

She didn't notice who was standing in front of her.

The man didn't take it. Su Bei found it strange and looked up. When she saw Feng Ze standing in front of her, she felt embarrassed and afraid. She wanted to step back, but she knew that this would hurt him too much!

She managed to give a smile. "What a coincidence. What are you doing here?"

Seeing Su Bei greet Feng Ze, everyone looked over. They saw the two standing together, and they were both extremely good-looking. It was a pleasing sight to the eyes!

“I’ll treat you to this.” Since Su Bei was treating everyone to food, there was no reason she should not give it to Feng Ze too.

She thought about it for a moment and realized why Feng Ze was here.

Someone had personally written a difficult script like Split. Other than Feng Ze, who else could have written it?

In fact, she had already guessed it when she read the script.

Therefore, it was not strange for Feng Ze to appear here today.

“Su Bei gave the handsome guy something to eat. Ahhh, the scene is so cute.”

“And the guy is so gentle. He definitely won’t reject Su Bei.”

The food Su Bei wanted to give Feng Ze was raised in front of him. Feng Ze’s gaze landed on Su Bei’s face. A trace of confusion flashed across his eyes before it was replaced by coldness. He lowered his eyes to look at the food she wanted to give him and said, “No thank you.”

The crowd around them: “...”

Everyone was confused.

What was going on?

“You’re so gentle, but you only rejected Su Bei?”

“Maybe it’s because Su Bei is in men’s clothes now and he doesn’t like men!”

“That’s great! Finally, a guy who doesn’t like other guys!”

Su Bei was shocked. What was going on with Feng Ze?

He walked past Su Bei without looking at her.

Although Su Bei knew that he was indeed regretful that she couldn’t have anything to do with him in terms of a romantic relationship, did this mean that he wasn’t even prepared to be her friend?

Zhao Sixiu took the food Su Bei was holding. “I’m hungry. Give it to me.”

“Thank you.” She understood that he was trying to help her out.

Xiao Bai also hurriedly said, “I’m hungry too. Su Bei, give me some.”

Su Bei gave everything to Xiao Bai and frowned.

After Feng Ze came over, he went straight to talk to Director Jiang Yaowen.

It was then that everyone realized that he was the screenwriter for the movie and the biggest investor behind it.

This attracted another long round of sighs. “Sigh, he’s so talented and rich. He’s a real immortal!”

In the evening, Feng Ze treated everyone to dinner.

He did not smile, but his aura did not make him difficult to approach. To everyone, he was like a warm spring breeze.

However, his attitude toward Su Bei was arrogant and filled with disgust and alienation.

Su Bei: "..."

Well, fine. If they couldn't be a couple, it was best not to be friends either, in case they both got upset.

During the meal, she sat at the edge of the table so that she could be the farthest away from Feng Ze. They each occupied the farthest corner of the long table. Even Director Jiang's attempt to smooth things over and get the two to be closer to each other failed.

Director Jiang gave up. There was no point in trying.

Xiao Bai felt wronged for Su Bei. "So what if he's a screenwriter? Su Bei, you have good acting skills. You relied on yourself to enter the production team and didn't ruin the characters he wrote at all. Why is he so cold to you?"

"Cut it out, Xiao Bai." She stopped her. "It doesn't matter how he treats me. Forget it."

Xiao Bai pouted and looked at Feng Ze coldly.

Zhao Sixiu said, "Why don't you arrange to meet up for tea after the meal so you can have a good chat with him? If there are any misunderstandings, you can resolve them."

"No, it's okay." She smiled back at him. "I'll take care of it myself."

Seeing her like this, Zhao Sixiu and Xiao Bai could not say anything else.

However, the entire crew knew that Feng Ze did not like Su Bei and was not satisfied with her performance.

That was true. After all, Su Bei was a woman playing a male character. Even if she looked exquisite when dressed as a man, she wasn't a real man.

There was indeed a justifiable reason why Feng Ze hated her.

Only Su Bei knew that the real reason was probably not that simple.

While everyone went to toast Feng Ze, Su Bei walked out and called Gu Xifeng.

"Little Third Brother."

"Ahem, I told you not to call me that." Gu Xifeng coughed lightly and said in an indulgent tone, "Why are you calling me?"

"What happened to Feng Ze?"

"Ahem..." Gu Xifeng really coughed this time. "He's already there? I was going to tell you tomorrow, but he acted so quickly."

Su Bei couldn't wait anymore. "Hurry up and tell me what's going on! Why does he look at me as if I'm his enemy? I have to at least understand the situation. Otherwise, how am I going to stay on the crew in the future?"

"Boss doesn't remember you at all!" Gu Xifeng said bluntly.
