

Hidden Billionaire Chapter 161 - A Crushing Defeat -

C161 A Crushing Defeat

After making the first call, Jiang Dahua took out his cell phone to make the second and third calls, calling his tax and business friends one after another.

All he had done was make sure that the trail was not obstructed and that he could return without success.

This was not the end, Jiang Dahua's fourth call was to the Public Security Bureau and the Ji Dynasty to work together so that the Huafeng Group could not find any way out.

Then he made his fifth call.

This time, he was calling the company's PR manager, asking him to arrange all the major news outlets so that the matter regarding Huafeng Group could be exposed.

This time, he used all the connections he had, because he wanted the Huafeng Group to completely collapse and drop Zhao Changfeng's position in the Luzhou.

"Director Jiang is indeed an expert. You are indeed shrewd and ruthless." After Jiang Dahua finished his call, Wu Tian couldn't help but praise him.

"Actually, I wanted to destroy Zhao Changfeng a long time ago, but I just couldn't find a loophole." Jiang Dahua laughed sinisterly, and said complacently: "It's all thanks to you discovering the loophole in his Huafeng Group."

"If nothing unexpected happens, a great danger will befall Huafeng Group, and even Zhao Changfeng will be investigated." The smile on Wu Tian's face became even wider.

"Let's go, little brother. Come with me to Huafeng Group to watch a show." Jiang Dahua took the lead and walked out of the office after saying that.

Wu Tian followed closely behind.

When the two of them arrived at Huafeng Group, they discovered that the entrance to the company was already surrounded by procurators and tax officials.

In addition, there were also many media reporters who were taking photos and reporting like crazy, and the passersby were all pointing at them.

Soon, they saw Zhao Changfeng being led out of the company by two uniformed procurators. A lot of reporters went up to him and wanted to interview him.

Under the obstruction of the law enforcement officers, Zhao Changfeng was led towards the official car.

Jiang Dahua walked over to greet the law enforcement officer: "Director Huang, what's the situation?"

He was asking even though he already knew the answer. He was the one behind all of this, and he even purposely asked so to fool others.

"We received a report from the masses saying that Huafeng Group has evaded taxes. We will bring the company's legal person, Zhao Changfeng, to investigate according to the law." Chairman Huang explained with a serious tone.

"So that's how it is." Zhao Changfeng nodded in understanding and tried asking, "Can I have a few words with Boss Zhao?"

"Sorry, don't affect our law enforcement." Although Chairman Huang said that, he gave a look to the security personnel.

The two staff members immediately understood. They pushed Zhao Changfeng in front of Jiang Dahua and turned their heads to the side.

"Boss Zhao, are you alright?" Jiang Dahua pretended to care about Ye Zichen with a pained expression, but he still had a gloating smile on his face.

He was enemies with Zhao Changfeng, and they fought to the death in the business world. This was the first time he talked to Zhao Changfeng in such a relaxed tone.

"You're behind all this." Zhao Changfeng clenched his teeth and asked in a low voice. He looked like he was about to eat someone.

Jiang Dahua feigned an innocent expression: "Boss Zhao, do not wrongly accuse a good person."

"How did you find out?" Zhao Changfeng leaned his head over and yelled in a hushed voice.

The company's accounts had always been kept secret, and he had done his homework in that area. There could be no problem.

However, never in his dreams did he expect that Jiang Dahua would discover the flaw.

He still didn't understand, how did Jiang Dahua discover the financial flaw of the company?

"I have to thank a friend for this." Saying this, Jiang Dahua pushed Wu Tian, who was at the back, over, "It was this friend who helped me provide important information."

"Wu Tian?"

Zhao Changfeng was shocked. Never in his wildest dreams had he thought that it was Wu Tian who discovered the financial flaw of the company.

However, he still couldn't understand and couldn't help but ask in a low voice, "Kid, how did you find out?"

"Boss Zhao, you should have heard of the term 'a tooth for a tooth'." Wu Tian smiled and said softly, "Since you used hackers to attack our company's new system, then I'll use hackers to attack your company's financial system. Our company is filled with talents, so using technology to open the back door is not difficult."

"You brat, you're really despicable." Zhao Changfeng was so angry that the corner of his mouth was trembling, and his old face was distorted.

"This despicable method was taught to me by you." Wu Tian sighed and said helplessly: "I sincerely wanted to reconcile with you previously, but you were unwilling. There was no other way, I could only use this method to protect myself."

"You, you, you ..."

Wu Tie was so angry that he looked ferocious. After a long while, he finally asked, "Did you find Jiang Dahua to deal with me?"

"That's right." Wu Tian nodded and explained with a smile: "With my personal strength, I'm not your match. Even if I knew you had a financial loophole, I still wouldn't be able to beat you, so I asked Director Jiang for help."

"You're shameless!" Zhao Changfeng cursed angrily.

He had never seen a shameless guy like Wu Tian, actually joining hands with his enemies to deal with him.

Just a small character like Wu Tian, even if there were ten more, he wouldn't care.

However, with Jiang Dahua, the head of the business community, acting against him, the situation immediately turned extremely bad.

He was afraid that this time, he would be doomed forever.

"Boss Zhao, we could have become friends, or even partners, and you want me to do things that violate my conscience. There's no choice, I can only choose to let you die." Wu Tie slightly raised his head, his entire body emitting a shocking aura.

Zhao Changfeng suddenly raised his head and let out a burst of mad laughter. After laughing, he mocked himself in a daze, "I, Zhao Changfeng, am so wise and wise, but I actually lost to a brat like you. I can't accept this. I can't accept this!"

He had never treated Wu Tian as an opponent before, and in his opinion, Wu Tian was not even worth mentioning.

After all, this brat was only the little boss of Technology Company, and his strength and influence were far inferior to his.

However, he didn't expect that this brat's brain was really good, and that he would find out about the financial loopholes of his company through other means.

What was even more unexpected was that this brat could think of another way to use his powerful enemy to deal with him.

He had to combine the two to make it impossible for him.

"You didn't lose to me, you lost to your own conscience." Wu Tian let out a light breath and warned, "Remember this: evil cannot be righteous."

Zhao Changfeng didn't say anything else. He just stared at Wu Tian with his deep and long eyes. At this moment, he looked so weak and weak.

Only now did he understand that just because his opponent seemed weak, he shouldn't underestimate his opponent's strength.

The opponent will find your fatal weakness and strike you so hard that you won't have a chance to turn the tables.

At this time, the Public Prosecutor's Office's Director Huang instructed his subordinates, "Bring Zhao Changfeng back for further investigation."

"Alright!" After receiving the order, the two staff members walked towards the car while holding Zhao Changfeng's arm from the left and right.

Zhao Changfeng's gaze never left Wu Tian. From the beginning to the end, he didn't seem to have any hope, as if someone pushed him onto the guillotine.

Actually, he still felt indignant in his heart.

If he lost to Jiang Dahua, who was as strong as him, he would be convinced.

However, he was defeated by a brat in the end. This was something he found hard to accept.

Hidden Billionaire Chapter 162 - Strong Union! -

C162 Strong Union!

After Zhao Changfeng was taken away, the scene gradually quieted down.

Jiang Dahua stood in front of the Huafeng Building, unwilling to leave.

After a long while, he turned to Wu Tian and asked with a faint smile, "What do you think will happen to that old guy surnamed Zhao?"

"In my opinion, Zhao Changfeng is not as simple as simply evading taxes. Along with other crimes, and with the suppression from all sorts of powers, I'm afraid that Zhao Changfeng will not be able to escape punishment."

"I didn't expect that at such a young age, you would have such a profound insight into the problem." Jiang Dahua nodded in approval and said with a face full of confidence: "I'm afraid the old guy is in jail this time."

"That depends on what you're going to do next."

"Let's go, get in the car first." Jiang Dahua turned around and got into the BMW. After getting into the BMW, he turned around and asked Wu Tian, "What do you think I will do next?"

"In my opinion, Director Jiang will certainly suppress Zhao Changfeng's forces with all his strength. He will obstruct Zhao Changfeng from all sides and won't give him another chance to make a comeback." Wu Tian smiled as he looked into the distance.

"That's right." Zhao Changfeng nodded in appreciation. He was liking this young man more and more now.

Then, he took out his phone and made a call. He instructed the phone, "Use whatever price you have to to stop the Huafeng Group, and put them in great danger. Let them have no power to deal with Zhao Changfeng."

After making this call, he couldn't help but say to Wu Tian: "I believe that Zhao Changfeng's imprisonment news will soon appear on the streets."

"As far as I know, other than the power of the company, Zhao Changfeng also has quite a bit of power within his family."

"You mean his brother?"

"Of course."

"You were right, it seems like you understand Zhao Changfeng's situation very well." After Jiang Dahua said this, he dialed again and arranged for people to cause trouble for Brother Zhao Changfeng.

From then on, the forces surrounding Zhao Changfeng were all tied down. Under such circumstances, no one would help Zhao Changfeng.

"At this point, I think I should leave." Wu Tian was about to push open the door and get off the car.

In the end, he was grabbed by the arm by Jiang Dahua, and stopped him, "It's been a pleasure working with you, why don't we eat together and share in the success of our work?"

"Sure." Wu Tian nodded.

Knowing a tycoon like Jiang Dahua wasn't bad for him, it would help to broaden his connections.

"There's a small restaurant opposite here. It's quite tasty. Let's go there to eat." After Jiang Dahua said this, he got off the car and walked to the other side of the street.

Wu Tian followed closely behind.

The two of them walked up the stairs to the second floor and entered a very distinctive snack restaurant. They found a table next to the window and sat down.

These were all special snacks of Luzhou, so the few of them casually ordered a few dishes and ordered two bottles of fruit wine.

"I didn't expect that a big boss like Director Jiang would come to such a small place to eat." Wu Tian poured two glasses of fruit wine and pushed one of them over.

"I like this special snack. Here, cheers." Jiang Dahua raised his glass and showed a kind smile: "Celebrate how perfect our cooperation is."

"Cheers!" Wu Tian raised his glass and touched it.

The two of them had been at loggerheads from the beginning, but now, they had become so harmonious. Only a little more than an hour had passed.

"Young man, I really admire you. You are truly different from the masses." Jiang Dahua praised him from the bottom of his heart.

At the beginning, he looked down on Wu Tian from the bottom of his heart.

He shared the same thoughts as Zhao Changfeng, thinking that Wu Tian was just the small boss of Technology Company and had a status that was far inferior to him.

However, after interacting with him for a while, he realized that the young man in front of him was different from the others. He had an extraordinary bearing and temperament. Furthermore, he was extremely intelligent and had quick reactions.

"You flatter me, Director Jiang." Wu Tian was secretly gratified that he got such an evaluation.

"You could say that without you, I wouldn't have been able to pull Zhao Changfeng down." Jiang Dahua raised his glass again, "Here, let me toast you with this."

"Thank you, Director Jiang." After thanking him, Wu Tian finished the fruit wine in his cup in one gulp.

This was his first time drinking fruit wine, and instead of the ferocity of the wine and the purity of the drink, it seemed a little out of place.

"Pah!"

Jiang Dahua put down his wine cup and tried to ask, "Now that Zhao Changfeng has collapsed, if it was you, what would you do next?"

"Huafeng Group is a piece of fat meat. If it was me, I would definitely think of a way to eat it." Wu Tian did not hide his ambition at all as he said with a smile.

"Huafeng Group is a giant, a skinny camel is bigger than a horse, eating it is easier said than done."

"If a person were to eat a big piece of fat like Huafeng, he would definitely be bloated to death. You can think of a way to slice it into zero pieces and cut it into small pieces."

"Makes sense."

"I have to advise Director Jiang. For a piece of fat like this, you only need to eat the most delicious piece of meat. Do not be greedy."

"Well said." Jiang Dahua slapped his thigh and said happily, "With your brain and wisdom, you will definitely become a big shot in the future."

"You flatter me!" Wu Tian smiled.

From the looks of it, after this cooperation, he had completely won Jiang Dahua's favor and trust.

The two of them chatted as they ate. This meal lasted for several hours.

Jiang Dahua left in a hurry after answering the phone at 5 pm. Before he left, he even left a number for Wu Tian.

Wu Tian sat alone on the second floor of the restaurant. He leaned his body against the chair and stared at the Huafeng Building across from him in a daze.

Who would have thought that such a colossal company would end up in history just like this.

The one destroying Huafeng was not Wu Tian, nor was it Jiang Dahua, but Zhao Changfeng himself.

As the saying goes, self-inflicted harm cannot be endured.

When Wu left the restaurant, he found that the newspapers and the media were reporting the latest news about Zhao Changfeng.

According to the newspaper news, the legal person Zhao Changfeng has been handed over to the judicial department for further investigation and evidence, including the suspicion of tax evasion, embezzlement of public funds, and the granting of bribes.

Such a big company would have serious problems, with its shares falling rapidly and hundreds of millions of dollars evaporated in a single day.

The Huafeng Group, business and public relations crises appeared one after another from the headquarters to the major companies.

It was already very bad, coupled with the fact that Jiang Dahua was controlling it from behind, it caused the entire Huafeng Group to fall into a semi-paralyzed state.

If nothing unexpected happened, Huafeng Group would fall just like that.

Just as he was staring at the newspaper and lost in thought, he received a call from Lee Mu, who excitedly told him about the Huafeng Group and Zhao Changfeng.

When Lee Mu found out that Wu Tian was the leader behind all this, he was practically full of admiration for Wu Tian.

A little Technology Company boss, he could actually beat the big boss of a Luzhou business? How shocking was that.

After he finished his call with Lee Mu, Wu Tian brought the newspaper back to his living quarters.

The moment he entered, he saw Loong Yun sitting on the sofa in the hall, reading a newspaper earnestly.

When she saw Wu Tian, Loong Yun put down the newspaper and exclaimed, "I just found out that Huafeng Group is in danger, Zhao Changfeng is also being sent to the judiciary to be investigated."

"What should come will eventually come." Wu Tian walked to the seat opposite Loong Yun and sat down, then he put the newspaper on the tea table.

Hidden Billionaire Chapter 163 - Borrowing Force to Strike Force -

C163 Borrowing Force to Strike Force

"It's you?" Loong Yun frowned slightly as she said incredulously, "All of this was planned by Young Master behind the scenes?"

"Something like that!" Wu Tian nodded.

Although Jiang Dahua was the key figure in setting down the Huafeng Group, it was impossible for this to happen without him trying to deal with the situation from the shadows.

"I was surprised by the result." A gratified smile appeared on Loong Yun's face, but it quickly returned to indifference. She sighed with emotion: "I didn't think that Young Master would actually rely on your own strength to defeat Zhao Changfeng and Huafeng Group, and complete the feat of eating the elephant."

She previously thought that it was impossible for the Young Master to crush the Huafeng Group.

Because the fight between the two was no different from an egg hitting a rock.

She was even worried that the fight between the two sides would bring danger to her young master.

But the result surprised her. Young Master had relied on his own strength to deal with the Huafeng Group and put Zhao Changfeng in danger.

The young master being able to kill Zhao Changfeng in such a short time was indeed very powerful.

"Facts have proven that even without the strength of my clan, I can still think of a way to eliminate my opponent." Wu Tian said with a smug smile.

"Young Master, I'm very curious, how did you do it?"

"I just borrowed Jiang Dahua's power to destroy Zhao Changfeng." Wu Tian explained simply.

"That works too?"

"Of course."

"Young master, you really ..." Loong Yun had a strange expression on her face. For a moment, she didn't know how to describe her young master.

This young master of hers was truly intelligent. To be able to come up with such a brilliant plan, it would not only harm his interests, but also easily eliminate his opponent.

She had to admit that the Young Master did have many good points.

"No matter how strong an opponent is, they all have weaknesses. Finding the opponent's fatal weakness and attacking it would allow them to achieve twice the result with half the effort." Wu Tian spoke as if he was talking to himself.

"I'll tell the news to Old Master now." Loong Yun stood up and went back to her room after she finished speaking.

Wu Tian wanted to go over and eavesdrop on the conversation between Secretary Loong and his grandpa, but he gave up.

This time, he had relied on his own strength to deal with Zhao Changfeng and Huafeng Group, so his grandfather would definitely be very pleased.

He sat in the living room and thought for a while. Then, he got up and went to the bathroom. After taking a bath, he went to his study to read and study.

Recently, he had been quite active in reading books, but his practice of martial arts was a bit out of practice. He was called out by Azure Dragon the next day at five o'clock for practice.

After being idle for a week, he had clearly regressed a little. It seemed that he would have to persevere in this matter of cultivation for a long time. He could not afford to be idle even for a day.

He did not go to the bathroom until eight o'clock.

As soon as he put on his clothes, he received a call from Huang Lan.

"Elder Sister Lan, what can I do for you?" Wu Tian asked his phone after picking up the call.

Every time he received a call from Elder Sister Lan, his first thought was to eat. This woman always wanted to eat with him.

"I've ordered a dress for you. Come over and try it." On the other end of the phone, Huang Lan's tone was gentle and amiable, as if she was the big sister next door.

"What dress?"

"Didn't I tell you before? I told you to wear a formal dress when you came to my house."

Wu Tian suddenly remembered that he promised Elder Sister Lan to accompany her to the Huang Family when he had time.

He had been so busy these past few days that he had forgotten about it.

Huang Lan's unhappy voice came from the phone, "Bad kid, you promised to accompany me back to the Huang Family. You couldn't have forgotten about this, right?"

"I really forgot." Wu Tian smiled awkwardly.

"You only know how to pick up girls all day, you don't care about me." Huang Lan complained, and then instructed a little forcefully: "I don't care, today you will have to accompany me back to the Huang Family."

"Alright, I'll accompany you."

"Hurry to my place. You have to test the dress."

"OK, I'll be right over." After Wu Tian hung up the phone, he got Uncle Fugui to drive him to the Heaven City.

Knowing that Elder Sister Lan lived in room two on the tenth floor, he took the elevator to the tenth floor.

When he arrived at room 2, he realized that the door was unlocked. Elder Sister Lan must have left the door open for him on purpose.

Since he couldn't be bothered to knock on the door, he pushed the door open and walked in.

This was the first time he came to Elder Sister Lan's residence, and the moment he walked through the door, he could smell a fragrance mixed with the scent of a virgin. It was mesmerizing.

The room was tightly-knit and spotless. It was clear that it had been specially prepared just a moment ago.

At the moment, Huang Lan was in the kitchen, wearing a rather grand nightgown as she brewed coffee.

"Come, sit down." Huang Lan brought out two cups of brewed coffee from the kitchen and handed one cup to Wu Tian. "Here, try the coffee I made."

"How fragrant." Wu Tian couldn't help but praise him after taking a sip of his coffee.

In fact, he had no interest in coffee. His habitual praise was just to please Elder Sister Lan.

"Then do you think it's coffee or sister?" Huang Lan deliberately wiggled her body as she lured him like a water snake.

Wearing pajamas was originally very sexy. Coupled with this seductive posture, it was enough to make one's blood boil.

"The coffee smells good. Elder Sister Lan smells even better." Wu Tian tried to curry favor with Ye Zichen, but that was also what he meant.

He didn't really feel the aroma of the coffee, but the smell of Elder Sister Lan's body was mesmerizing.

Elder Sister Lanji was charming, graceful, and noble. She fully displayed the charm of this little girl.

"Kid, you've learnt to be glib." Huang Lan put away her flirtatious face and began to taste her coffee.

"I'm not lying. Elder Sister Lanxiang is spicy, even more fragrant than red-braised pork."

"Pfft!"

When Huang Lan heard this, she spat out the coffee in her mouth. She quickly wiped her mouth with a piece of paper and complained, "Brat, do you want to praise me or hurt me?"

"Of course I'm praising you."

"Do you think I'm as fat as braised pork?"

"No."

"Do you think I'm fat?"

"You're not fat. I said you're very attractive." Wu Tian explained with a silly smile.

"More like that." Huang Lan rolled her eyes. She quickly put away her smile and said seriously, "I got someone to order a set of formal clothes for you. Go inside and try it on."

She led the way to the bedroom.

More accurately, this was her fitting room. It's filled with a lot of different kinds of clothes, and there's a lot of them

The moment she entered the room, Wu Tian's gaze fell on a set of sexy small clothes. The clothes were made up of a few pieces of rope.

He couldn't help but wonder how she could wear such a thin piece of clothing. Is it uncomfortable wearing it?

"What are you looking at?" Huang Lan's face turned red as she hurriedly moved her body to cover her small clothes. She felt a little awkward as she complained.

At the very least, being stared at by a boy's private clothes would make her feel embarrassed or even blush and feel like her heart was beating fast.

At the very least, if a boy were to see her private clothes, she would feel embarrassed, even blushing. It felt like her heart was beating faster.

"I just didn't expect Elder Sister Lan to wear this." Wu Tian scratched his head and realized that his gaze was too focused.

Because he had never seen this before, it was just out of instinctive curiosity.

"I don't like it. It's terrible to wear it." With that said, Huang Lan hid the set of clothes.

"If you don't like it, why did you buy it?"

Hidden Billionaire Chapter 164 - Custom Dress -

C164 Custom Dress

"I didn't buy it. It was a gift from a friend." Huang Lan's expression was also a bit embarrassed when discussing this issue with the boy.

"It's from your boyfriend." Wu Tian nodded in understanding.

To be able to give away such a private thing, it must be a boyfriend. Normal friends definitely wouldn't give it away.

"What are you thinking!" Huang Lan rolled her eyes and quickly explained, "This was given to me by a female friend on my birthday. I've only worn it once and it's been hanging here ever since."

"A female friend is giving this to you?"

"Right."

"Your female friend is a bit of a pervert!"

"Alright, stop talking about this." In order to resolve the awkwardness, Huang Lan took the initiative to change the subject. "This is a dress that has been customized for you. Hurry up and try it!"

When she had finished, he took the dress off the hanger.

"Alright, I'll try." Wu Tian didn't think too much and directly took off the clothes he was wearing.

Huang Lan's eyes flashed slightly as she stared at Wu Tian's strong and sturdy muscles in surprise. She never thought that Wu Tian would have such a strong and strong body despite his thin appearance.

However, what she didn't know was that Wu Tian used to be very thin and weak. It was only because of his recent training that he had become so strong and domineering.

Wu Tian felt a little embarrassed by Elder Sister Lan's gaze and quickly used his hands to protect his body. "Elder Sister Lan, can you step aside for a moment?"

Huang Lan was initially just surprised by Wu Tian's figure. When he said this, she blushed in embarrassment.

However, she didn't avoid him and pretended to be carefree. "It's not like I've never seen anything like this before, quickly change your present."

Wu Tian also realized that his actions were too petty. Elder Sister Lan wasn't even afraid, what was a man like him afraid of?

He casually took the gown and put it on.

"Cool!"

Huang Lan scrutinized Wu Tian from top to bottom and could not help but praise him, "Everyone says that clothes can support a person and make them beautiful. I'm not lying at all."

Wu Tian, who had changed into a formal attire, looked extremely handsome and his temperament was a hundred times more perfect.

"Elder Sister Lan, can you be more reserved? You look like you haven't seen a man in eight hundred years." Wu Tian couldn't help but tease him.

He was getting more and more familiar with Elder Sister Lan, so it wasn't a big deal for him to joke around.

"I'm talking about being handsome, I'm looking at clothes, not you." Huang Lan replied generously in order to dissolve the current awkward situation.

"Thank you, Elder Sister Lan, for making me such a perfect dress."

"Here, put on your pants too."

"Alright!" Wu Tian was about to change into his pants when he suddenly thought of something. He reminded Elder Sister Lan with good intentions, "Elder Sister Lan, do you want to leave for a bit?"

"What's there to avoid? Hurry up and switch."

"You really don't want to run away?"

"Right."

"Then I'll be changing." Wu Tian didn't care. He was a man and he wouldn't suffer any losses.

Just as he was about to change his pants, Huang Lan's face turned red. "I'll go out for a while. You can change your pants slowly."

With that, she quickly escaped from the small room.

Although she said that it didn't matter, she still felt a bit embarrassed. She didn't want to see the filthy things that could make a person blush and have their heart palpitate.

Wu Tian shook his head with a bitter smile and closed the door. Then, he put on his pants leisurely.

This set was indeed not bad. It was as if it was custom-made for him, perfect to the point that it was flawless.

Although the dress fit perfectly. The price wasn't low either, it looked like the craftsmanship was at least a hundred thousand yuan.

After changing into her formal attire, he walked out of the room and saw that Elder Sister Lan had changed as well. She was wearing a black dress, which made her look much simpler.

"Let's go, let's accompany me back to the Huang Family." Huang Lan pulled up her hair and took the lead to walk outside.

Wu Tian quickly followed and tried asking, "Should I buy some presents for your family?"

"No need."

"It's not appropriate for me to be empty-handed like this!"

"There's nothing wrong with that. Let's go." Huang Lan said in a noncommittal tone and strode into the elevator.

Wu Tian was slightly surprised for a moment, then quickly followed inside.

To be honest, he had a feeling that Elder Sister Lan's relationship with her family wasn't that harmonious. There seemed to be a barrier between them.

He tried a few times to ask, but gave up.

After the two of them went downstairs, they took a bus to the Huang Family Courtyard located in the eastern part of the city.

This courtyard house was different from a modern villa. It was an ancient garden type building, and when combined with the modern decorations, it looked somewhat out of place.

After getting off the car, Huang Lan stood outside the gate of the guest courtyard, looking at the thick and heavy city walls, feeling especially depressed.

After staring blankly for more than ten seconds, she finally walked into the courtyard. Her steps were slow and heavy, giving off the feeling that she didn't want to return home.

If it were anyone else, they would have gone home happily like sparrows. Only Elder Sister Lan had such a heavy heart.

The courtyard was also a garden structure, just like a big garden, flowers, trees, pavilions, rock gardens and lakes.

The building in the middle of the forest garden was grand and imposing, like an eagle spreading its wings, standing in the center. It should be the main Huang Family Residence.

The two of them walked along the stone path and soon arrived at the main hall.

The hall decorates the gold and jade resplendence, on the contrary, destroys the mountain and river garden overall aesthetic feeling.

Walking into the hall, he saw a girl in a short skirt playing with a bird cage.

Wu Tian's expression tensed up when he saw the girl.

Wasn't this Huang Shanshan who had collided with him on the street and was then thrown into the trash bin like trash?

A headstrong and willful princess, why was this girl in Huang Family, could she be from Huang Lan's family?

Wu Tian followed behind Elder Sister Lan quietly, dodging slightly as he was afraid that this girl would recognize him.

After all, he had thrown this girl into a trash can on the streets. This girl would definitely hold a grudge.

Huang Shanshan was just playing with the birds when she saw Huang Lan walk into the hall. She mocked, "Who is this? You even know to go home!"

"Where's grandpa? I want to see him." Huang Lan pretended not to hear the ridicule.

"Who do you think you are? You can see him whenever you want to?"

"You ..." The corner of Huang Lan's mouth twitched. She suppressed her anger and said, "I don't want to argue with you. I'm going to find grandpa."

After saying that, she prepared to head to the second floor.

"Stop!"

Huang Shanshan threw the birdcage onto the table and cursed viciously, "You bastard, what qualifications do you have to go up to the second floor?"

"Huang Shanshan, please keep your mouth shut." Huang Lan clenched her fists tightly as an unprecedented rage burst forth from her entire body.

"You're a bastard to begin with, and a bitch to begin with. So what if I say it?" Huang Shanshan crossed her arms and shouted even louder.

"You ..." Huang Lan was so angry that her body was trembling. Her fists were clenched so tightly that creaking sounds could be heard.

She couldn't stand it any longer, but she still didn't flare up.

Huang Lan could barely endure it, but Wu Tian, who was standing behind her, could not stand it any longer. He took a step forward and glared at Huang Shanshan, warning her, "Stupid girl, if you say one more word, I'll tear your mouth to pieces."

Honestly speaking, every time he met such a darned girl, his hands would feel itchy and he would be tempted to teach her a lesson.

Hidden Billionaire Chapter 165 - First Time in the Huang Family -

C165 First Time in the Huang Family

"What!"

Huang Shanshan cried out in fear, her eyes were completely round. She pointed at Wu Tian's nose and said, "You are the guy that threw me into the trash can."

"Yes, that's me." Since things had come to this, there was no need for Wu Tian to hide anything.

As a seven foot man, he was afraid of this little girl.

"I was looking for you everywhere, I didn't expect you to come." Huang Shanshan was like an angry little bird as she opened her big round eyes and scolded: "You bastard, last time you threw me in the trash can, this time you still dare to come to my house."

"What a coincidence." Wu Tian pursed his lips and smiled.

He had heard that this girl was the daughter of the Huang Family, but he didn't think that this girl was family with Huang Lan.

After all, it was not only Huang Lan's family that had the surname Huang in Luzhou, there were also quite a few Huang Family Clans who were very rich.

Huang Lan, who was standing on the side, was confused. She tugged on Wu Tian's arm and asked with a puzzled expression, "How do you know Shan Shan?"

"I bumped into Huang Shanshan on the street a few days ago. That girl called me blind and I threw her into the trash can." Wu Tian's tone was calm without a single ripple.

"You threw her in the trash?" Huang Lan had a strange expression on her face.

She didn't expect Wu Tian to be so ruthless. He threw Shan Shan into the trash can. No wonder Huang Shanshan was so angry.

"Who is that girl to you?" Wu Tian couldn't help but ask.

"She's my cousin."

"How could this little sister call Big Sis a scumbag?" Wu Tian clenched his fists, he really wanted to slap this girl a few times.

"Sigh!" Huang Lan couldn't help but sigh. There were too many hardships in her heart, and she didn't know where to start.

At this moment, Huang Shanshan cursed at Wu Tian once again, "Bastard, you threw me into the trash bin last time. See how I'll deal with you today."

"With just you?" Wu Tian looked at Huang Shanshan with a scrutinized gaze and walked towards her.

"Don't forget that this is Huang Family, you won't be arrogant today." Huang Shanshan then shouted towards the door, "Men, quick, men!"

Following her shout, more than a dozen bodyguards rushed into the hall.

Huang Shanshan placed her hands on her hips. She was like a tigress as she ordered her bodyguards, "All of you attack together. Help me teach this brat a lesson. Beat him to death."

"Yes sir!"

More than ten bodyguards, after receiving the order, charged towards Wu Tian.

"Stop!"

At the critical moment, Huang Lan stood in front of the bodyguards and stopped them, "With me around, I want to see who dares to touch him."

"Huang Lan, our Huang Family doesn't have any part in your speech. Hurry and get out of the way." Huang Shanshan glared impatiently at Huang Lan as she yelled in anger.

"Shan Shan ..."

Huang Lan softened her tone and said softly, "Wu Tian is my friend. For my sake, don't hurt him."

"He's your boyfriend?"

"Right." In order to protect Wu Tian, Huang Lan could only nod and admit it.

"There's something wrong with your eyes, how can you fancy this kind of trash? You are simply embarrassing our Huang Family." Huang Shanshan said disdainfully.

All this time, she had never treated Huang Lan as an older sister. Every time she spoke, she would be this merciless.

"Shan Shan, actually, Wu Tian is quite a nice person ..."

"You're lying." Before Huang Lan could finish her sentence, she was interrupted by Huang Shanshan. "This guy threw me into the trash can. He even took advantage of me. How do you think we'll settle this account?"

"What?"

Huang Lan turned her head and rolled her eyes at Wu Tian. She didn't expect this guy to be so extravagant and take advantage of Shan Shan.

After a moment of surprise, she smiled and said, "I apologize to you on behalf of Wu Tian, so let's just forget about this matter!"

"No, if you want to apologize, then ask this brat to apologize." Huang Shanshan looked at Wu Tian once again, "If you want me to spare you, then apologize to me right away."

"It's impossible for me to apologize to you." Wu Tian refused decisively.

He could apologize if he was wrong, but he didn't. How could he apologize to this girl?

Right now, he couldn't wait to teach this girl a lesson before venting his anger.

"Since you're unwilling to apologize, then don't blame me for being impolite." After Huang Shanshan said that, she waved her hand at the bodyguard and ordered, "Go together, teach this brat a lesson for me."

After receiving the order, more than ten bodyguards charged towards Wu Tian like a swarm of bees, regardless of Huang Lan's obstruction.

In the Huang Family, Huang Lan's words weren't very effective. In comparison, everyone actually listened to Huang Shanshan's every word.

After all, Huang Shanshan was doted upon by the boss.

"I forbid you to hit him ..." Huang Lan wanted to stop them, but she was restrained by the two bodyguards. The other bodyguards continued to move closer to Wu Tian.

Wu Tian's expression was calm, but he was secretly worried.

He really regretted not bringing Azure Dragon here before. If he and Azure Dragon worked together, he might be able to defeat these bodyguards.

At the moment, he was alone, and even if he were to put his life on the line, he would still not be a match for more than ten bodyguards.

No, I have to find a way out.

Flee?

No, Wu Tian rejected that idea very quickly. If he were to escape now, wouldn't he be a laughing stock?

"Stop!"

At that moment, a growl came from outside the hall.

Everyone turned around and saw Eldest Young Master Huang Ze walking towards them.

Huang Shanshan walked up to him quickly, hugged his arm and said coquettishly, "Bro, Wu Tian bullied me before and took advantage of me. He even threw me into the trash can. He came today and I was just going to let my bodyguards teach him a lesson!"

"Since Wu Tian is here, he's our Huang Family's guest. No one is allowed to touch him." Huang Ze immediately put down his words, "Whoever dares to touch him will become my enemy."

When those words were said, more than ten bodyguards were so scared that they stood still and didn't dare to move at all.

Amongst the few young masters and mistresses, Huang Ze's ability was the strongest and deeply favored by Old Master. There was no need to mention his authority in the Huang Family.

Huang Lan, who was standing at the side, was flabbergasted by his words.

She remembered that the two of them had a grudge. The last time they met at the auction, Huang Ze looked like he was going to kill Wu Tian.

Why did Huang Ze's personality change so drastically all of a sudden? He actually defended Wu Tian in public and did not allow his bodyguards to attack Wu Tian.

This...

What was going on?

Huang Shanshan was also taken aback. Puzzled, she asked, "Brother, I'm your little sister. I've been bullied by that kid. You're not standing up for me, but for him. What's going on with you?"

"Shan Shan, we can't afford to mess with that brat. If you hit him now, it will bring big trouble to our Huang Family." Huang Ze lowered his voice to persuade her.

Last time when he fought with Wu Tian, it almost caused his company to close down, and almost caused his entire Huang Family to sink into a crisis.

From this, it could be seen how powerful Wu Tian's backers were. At least, it was something that their Huang Family did not dare to offend.

If he angered Wu Tian again, his Huang Family would probably be on the verge of destruction.

What's more, Wu Tian let him go last time, leaving the company a way out. In terms of emotion and logic, he couldn't repay kindness with hatred.

"Why can't we mess with that brat?" Huang Shanshan didn't mind. She felt that the kid in front of her was just an ordinary person.
