Chapter 1629 Execute The Plan

"I've already asked the director to postpone your operation and replace you with another doctor. You're not the only one in the hospital who can do it. Seriously, why are you shouldering all the responsibilities alone? You should leave the hospital as soon as possible. The date is at eight o'clock."

Lin Wenyu hung up speechlessly. She was too tired and wanted to rest for a while.

She definitely wouldn't attend the blind date.

She took out her phone and sent a message to the man, telling him that she already had someone she liked. She didn't want to waste his time, and she didn't want to put their parents in a difficult position either. Hence, it was better to solve the problem without seeing each other.

The other party replied quickly: [Alright. Let's meet again when our family meets up in the future.]

Lin Wenyu replied: [Alright.]

She rested on the small bed in the office for a while.

When it was time to get off work, she went to the mall.

Since her mother had already postponed her surgery, she could take this opportunity to go shopping.

Her mother would be very unhappy about this. She had to buy some small gifts for her mother to comfort her.

When Ah Guo and the others saw Lin Wenyu enter the mall, their hearts turned cold. "It's over, it's over. Doctor Lin is going shopping and preparing to meet her blind date! It seems that Doctor Lin really doesn't have that kind of feelings for Brother Yang!"

"Ah Guo, quickly think of a way!"

Ah Guo stomped his feet and said, "We'll follow the plan!"

"Won't Doctor Lin be angry?"

"I don't care! Would you rather she be angry now, or would you rather Brother Haoyang be angry every day?"

Everyone thought that if Brother Haoyang, who already had a bad temper, flared up every day, they would not be able to live.

Thinking of this, everyone unanimously decided to carry out the plan!

"Who's going to make the call?"

"You do it!"

"You should do it!"

Seeing that Lin Wenyu had already bought something, Ah Guo said righteously, "Let me do it!"

...

Lin Wenyu bought a beautiful necklace for her mother. After carrying it, she planned to go to Yu He Ji to buy her favorite roast goose. At this moment, her phone rang.

She picked it up.

“Doctor Lin, bad news. Brother Haoyang has fainted!”

Lin Wenyu’s hand froze. “Split up immediately. Some of you will take care of him while others will call the ambulance. Remember to wait for the ambulance at the entrance.

“Those who’ll be staying by his side, listen up!”

Her voice trembled, and her fingers tightened around the phone. “Lay him flat and observe if he’s breathing on his own. If not, tilt his head and check if he’s vomiting. If so, make sure you clear the vomit in time to prevent him from suffocating. Then start first aid. Do you remember what I taught you?”

“Yes, yes. Are you coming over?” Ah Guo asked.

“I’ll be right there.” Lin Wenyu was too anxious to notice the anticipation in Ah Guo’s tone.

“That’s good,” said Ah Guo.

“How is he?” Lin Wenyu ran to the parking lot and started the car. “How’s his breathing now?”

Fortunately, Ah Guo had learned some first aid skills, so he could still answer smoothly and scare Lin Wenyu without arousing her suspicion.

“Doctor Lin, drive safe. I see that Brother Haoyang is breathing on his own. You can focus on driving first!”

Lin Wenyu nodded and explained some other things to take note of. Then, she focused and drove toward Yuan Haoyang’s residence.

When she arrived at his place, she bumped into someone’s car. After she got out of the car, she didn’t care about putting her name card on the other party’s windshield. She simply ran in the direction of Yuan Haoyang.

“Ah Guo, will this really work?”

“Of course!”

“Doctor Lin should be arriving soon!”

“Quick, let’s go over!”

“I hope they won’t fight!”

A group of people hurried over.

When Lin Wenyu rushed into Yuan Haoyang’s residence, it was silent. There was no sound of an ambulance or a group of people.

“Yuan Haoyang?” Lin Wenyu shouted. “Yuan Haoyang? Ah Guo?”

No one answered her.

She rushed upstairs and looked at the rooms. There were sounds coming from only one room.

Without any time to think, Lin Wenyu rushed into the bathroom.

Yuan Haoyang had just finished his exercise and was taking a shower. Knowing that Lin Wenyu might go on a blind date tonight, he was not in a good mood. The cold water was turned to the maximum and was hitting him hard, but he let it happen without feeling anything.

When Lin Wenyu kicked open the door, he opened his eyes and saw the woman in front of him.

“You...” He was extremely surprised.

Lin Wenyu rushed forward and hugged him. “Yuan Haoyang!”

She knew that she was terrified. When she was driving here, her mind was filled with the worst possible outcome.

The moment she saw him, she had long forgotten her previous concerns. She knew that she liked this person in front of her! It was the kind of love that disregarded everything!

It had nothing to do with who he was or whether he was a superstar that others liked!

She liked him only because he was Yuan Haoyang!

Yuan Haoyang’s back stiffened. The cold water on his back was still washing over him, but the blood in his body was so hot that it was about to explode.

He was naked at the moment, but the woman in front of him threw herself into his arms and hugged him.

He didn’t dare move or speak, afraid that this was a dream.

Feeling her trembling and crying, he raised his stiff arm. He slowly and carefully placed it on her shoulder.

As if sensing his actions, Lin Wenyu came back to her senses and looked up at him. “Are you okay?”

“I...” Yuan Haoyang did not understand.

Lin Wenyu’s rationality gradually returned. “Where were you just now?”

She suddenly let go of him as if she was scalded. Her eyes widened in shock at his naked state!

“I was working out just now.” Yuan Haoyang was also a little embarrassed. He grabbed a towel and wrapped it around himself before turning off the cold water.

“You!” Lin Wenyu reacted. She was ashamed and angry. She slapped him in the face and turned to leave.

She bit her lip hard. Did he find it fun to trick her like this?

She should have known that there was nothing wrong with him as she had seen his physical evaluation. How could he have a relapse?

Yuan Haoyang was shocked and hurriedly chased after her.

Then, he realized that his current attire was completely inappropriate. He had no choice but to turn around, pick up a handful of clothes, and chase after her again.

Ah Guo and the others were waiting downstairs, not daring to go up to see what was going on.

“Do you think Brother Haoyang and Doctor Lin will really get along?”

“Anyway, this is an opportunity. If Brother Haoyang doesn't seize it well, it'll be a hopeless situation!”
