

## Hidden 1631

### Chapter 1631 Unless He Said It Himself

The fan who used to like him was now being poached by Yuan Haoyang?

Naturally, Guo Xintao would not allow such a thing to happen. From the moment he debuted, he and Yuan Haoyang had been mortal enemies. From album sales to stage effects, the fans made them compete in everything.

They didn't know how the hatred was built, so they didn't know how to eliminate it.

For a woman like Lin Wenyu, regardless if she stood beside him as his woman or as his fan, he would be able to use her to rub salt in Yuan Haoyang's wounds.

"Have some of the hot drink," Guo Xintao said considerately.

Lin Wenyu didn't drink it. She didn't even touch the hot coffee in front of her. She said to him, "I've just made a big estimate. I hit one of the doors of your car, and the scratches are a little serious. Since your car needs to be fixed in a special shop overseas and the wait is very long, I'll compensate you with a total of 100,000 yuan."

Guo Xintao smiled and said, "I told you, I won't let you compensate. Besides, you already agreed to come out for a drink with me, right?"

"I came out with you to talk about compensating you," Lin Wenyu insisted.

Guo Xintao could tell that the woman in front of him must come from a good family. She knew about cars very well.

He took out his WeChat. "Add me."

"Just give me the QR code so I can pay you. There's no need to add me on WeChat."

Guo Xintao was interested. As a big star, he had already taken the initiative to do this. If it were any other woman, they would have been overjoyed. Was this person in front of him playing hard to get because he had already seen Yuan Haoyang just now?

He didn't object and clicked on the payment code.

Lin Wenyu immediately paid him 100,000 yuan and an extra 800 yuan.

"Doctor Lin, are you tipping me?"

Lin Wenyu picked up her coffee and said, "I'm paying for my drink."

She took it to the front counter, got it to go, and left without looking back.

"Interesting." Guo Xintao looked at her back with interest. He had completely forgotten that he had personally given her the name 'Troublemaker'.

He took out the business card Lin Wenyu had left behind and took a photo of it with his phone.

...

Yuan Haoyang returned to his residence.

Ah Guo and the others were trembling with fear, not knowing what had just happened.

“Brother Haoyang?”

“Brother Haoyang?”

Yuan Haoyang lowered his head and did not even look at them.

“Brother Haoyang, we’re sorry. We were wrong.” A group of people knelt on the ground behind him, trying to appease him.

Yuan Haoyang went upstairs without looking back and put himself on the big bed.

“Brother Haoyang, Sister-in-law rushed over in such a hurry because she was afraid that something would happen to you. Doesn’t this mean that she has feelings for you?” At the door, Ah Guo probed.

“Get lost!” Yuan Haoyang replied concisely.

...

The next day, Lin Wenyu came out for coffee with dark circles under her eyes.

She was partly responsible for them, while the other major reason was Qin Zufang’s nagging. Naturally, it was because she had not gone to meet her blind date.

She was bored at home, so she came out for a walk.

“Sister-in-law!” A wild man blocked her way.

The wild man had a messy beard, red eyes, and messy clothes.

Lin Wenyu looked carefully and recognized him as Ah Guo.

“What’s wrong?” Lin Wenyu looked at him strangely.

“What else can it be? Last night, the big shot at home lost his temper. As the culprit, I apologized and ended up like this. I came specially to look for you.”

Lin Wenyu naturally knew who he was referring to. She said without much concern, “Why are you looking for me? I only know how to treat illnesses. I don’t know how to treat people who pretend to be crazy.”

“Sister-in-law, please save me. Otherwise, I’ll definitely be hacked to death by that big shot.

“What happened yesterday was my idea. I saw that you were going on a blind date and really didn’t want you to miss out on the opportunity with Yuan Haoyang. That’s why I came up with that stupid idea to let you meet up with him. I thought that he would definitely confess to you, but I don’t know how he messed things up. He vented all his anger on me last night!

“He’s usually quite talkative, but at the critical moment, I don’t know what he said to you to make you so angry! If I had known that he was unprepared, I would’ve written him a script! That big shot is too

much. He has never been in a relationship before and has no experience. Sister-in-law, please bear with him.”

Lin Wenyu’s mind was buzzing. “What are you talking about?”

“I’m not talking nonsense. If the big shot said something wrong yesterday and offended you, I’ll apologize to you. Give him another chance!”

“I mean, how could Yuan Haoyang like me?” Lin Wen said, “And yesterday...”

She recalled how she had impulsively gone over to hug him yesterday. She was so embarrassed that she wished there was a hole in the ground she could crawl into.

“Why wouldn’t he like you? He likes you so much that he’s about to go crazy, okay? When he knew that you were going on a blind date, he was depressed for a few days. He didn’t say anything and ignored anyone. He just kept dancing and working out. I asked him to look for you, but he didn’t. I had no choice but to lie to you and say that he fainted.”

Lin Wenyu bit her lip. “Don’t lie to me. I don’t believe you.”

“Sister-in-law, oh my sister-in-law! No, my savior! What can I do to make you believe me?”

“Why didn’t he tell me himself?” Lin Wenyu sneered.

“Don’t you like Guo Xintao? The person our big shot hates the most is Guo Xintao. He’s also a hypocrite and a refined scumbag...” After Ah Guo finished speaking, he seemed to realize that he had offended Lin Wenyu. He hurriedly covered his mouth and slapped himself twice before continuing, “He can’t become Guo Xintao himself, so he naturally doesn’t dare to confess to you.”

Lin Wenyu’s heart beat faster, but she refused to believe it.

“Actually, our big shot has a bad temper and speaks a little rashly, but compared to Guo Xintao, he’s not bad at all. Sister-in-law, can you give us a chance and see what a good man our big shot is?”

“I can’t afford to be with him.” Lin Wenyu snorted. “Also, if he likes me, he should tell me himself. Why did he get others to tell me? Do you think I’ll believe what you say?”

Ah Guo quickly swore, “I’m telling the truth!”

Lin Wenyu had already walked away. Ah Guo sat on the ground in defeat. “I can’t care less anymore! If I’m beaten to death, so be it!”

Lin Wenyu pursed her lips and finally smiled. However, she quickly got herself together again.

Anyway, it was not Yuan Haoyang who said it. She would not believe it!

Not unless he said it himself!

However, she had forgotten that she did not give Yuan Haoyang a chance to speak at all yesterday. She even left with Guo Xintao.

She had rubbed salt into Yuan Haoyang’s wound.

## Chapter 1632 I Just Want Her To Be Happy

That person was his competitor. Besides, how could he have known that the woman really liked him?

...

In the past few days, there were rumors in the hospital that Lin Wenyu had a boyfriend.

The hearts of the unmarried male doctors shattered.

!!

They all knew that although Lin Wenyu looked lively and cheerful on the surface, she was the hardest to pursue. On the surface, she seemed easy to approach, but in reality, she always had her guard up.

They didn't know who had opened her heart.

"I don't know who it is. I only know that flowers are sent here every day, usually roses and lilies. She receives all kinds of gifts every day."

"That's right. Although I don't know who it is, he must be very good at romance and understands women the best."

"Sigh, I envy Doctor Lin! She has such a good boyfriend!"

"In my opinion, it's Doctor Lin's boyfriend we should envy. Doctor Lin has been talented in medicine since she was young, and her results are super impressive. She entered the junior class of university at the age of 14 and graduated with a doctorate in her early 20s. She's the youngest doctor in the hospital and has never failed in surgery. She looks like a little girl, but she's actually a big shot in the industry! Anyone who marries her is blessed!"

"That's true. Ordinary people are really not worthy of Doctor Lin!"

Lin Wenyu had a headache over the flowers and gifts she had received.

Because these things were all sent by Guo Xintao.

She had refused to add him on WeChat last time, but she forgot that she had left him her name card. Thus, Guo Xintao sent the gifts right to her office.

He called her every day to ask about her well-being.

Why did he have so much time?

She had just asked the nurse to throw the flowers away when Guo Xintao called again. "Doctor Lin, do you like the soup I sent over today? I heard that you receive a lot of patients every day. You have to take good care of yourself."

"Please don't send anything else. I really don't need them."

"They're just a token of my appreciation," Guo Xintao said gently.

"Mr. Guo, do you want your fans to know what you're doing now?"

Guo Xintao was fearless. He believed that Lin Wenyu would not be so bold as to publicize these things and be scolded by his fans. Besides, he had not done anything out of line.

“Doctor Lin, do you want to accept me publicly?”

Lin Wenyu: “...”

Was she really a fan of his previously? She had truly wasted her time.

“Mr. Guo, aren’t you worried that your fans will leave you?” Lin Wenyu asked.

“I’m getting on in years, and my manager is helping me think about changing my career path. If you’re willing to help, I’d be grateful.”

Guo Xintao’s words were half-truths. He was a few years older than Yuan Haoyang, so he was more eager to change his career path.

If he announced that his girlfriend was a genius doctor and a former fan of his, the previous misunderstandings would be forgotten. It would definitely bring him endless benefits in the future.

No matter what, it was worth it.

It was also because he met Lin Wenyu at the right time. If it were a few years earlier, he would not have dared to flirt with her.

Lin Wenyu hung up.

However, he kept calling. It really made her angry.

Guo Xintao was in a hurry to change his career path and had taken on a TV show.

Then, he posted some half-truths on Weibo: [I’ll always protect you in the future.]

[The setting sun is beautiful today, but it’s not as beautiful as you.]

There were rumors that he might be in love.

Although the fans did not believe it and tried to explain that they were lines from his new show, they gradually began to accept it in their hearts.

No matter how innocent a fan was, they would not believe that a 32-year-old male artiste was really pure.

As for who the other party was, how the relationship would be accepted by the public in the future, and how the fans would react, these were all predicted by Guo Xintao’s team.

Ah Guo sat on the sofa while the people around him discussed in low voices. “Is Guo Xintao really going to make it public?”

“Everyone in the circle is saying that she’s a doctor... A genius doctor. She’s also very beautiful...”

“Isn’t that...”

Everyone looked at each other blankly, not knowing what to say.

Ah Guo was about to cry.

However, Yuan Haoyang was still practicing his dance as if nothing had happened.

His new album was about to be released. After falling out with Butterfly Music, his career suffered a huge setback. If he could not maintain his position in the entertainment industry, everything would be for nothing.

Everyone could understand his feelings. Besides, this concerned all their careers.

“Get to work!” The guitarist stood up, and the others quickly followed.

Only in the dead of night would Yuan Haoyang hold his phone and repeatedly press the phone number that he knew by heart. Then, he would delete the digits one by one.

She had liked Guo Xintao for so many years. Now that her wish had been fulfilled, how could he bear to ruin it?

Her love was in her eyes, in the photos she had edited, and in the cartoons she had drawn for Guo Xintao.

Yuan Haoyang raised his wrist and covered his eyes. Perhaps the stupidest thing he had ever done in his life was to take her to the hotel to see Guo Xintao and give her tickets to see Guo Xintao.

Now, he was about to let her leave with Guo Xintao right in front of him.

He just wanted her to be happy.

However, her happiness meant he would be left in endless loneliness.

He could only constantly work and numb himself with work.

...

Butterfly Music had not stopped suppressing and exploiting Yuan Haoyang. In fact, it had become even more intense.

Wei He used the songs Yuan Haoyang had originally prepared for his new album.

All tracks on his new album needed to be rewritten and produced.

Cao Kexiu also used all kinds of methods to snatch some of the performances that they had originally discussed and gave them to Wei He.

“Didn’t we agree to give it to Brother Haoyang? The one with the most qualification to go on stage this time is Brother Haoyang!” Ah Guo was arguing.

“But Wei He’s new song is very good...”

Yuan Haoyang walked over with his guitar. “Have you heard my new song?”

Under the other party’s surprised gaze, he played and sang. The other party gradually became stunned and said, “I’ll give you more stage time!”

Yuan Haoyang's new song swept through the entire music industry.

In comparison, Wei He's new song was nothing to shout about!

Among the songs of the same genre, Yuan Haoyang crushed the others with sweeping momentum.

Even among singers of different genres, no one could resist giving him the limelight.

Chapter 1633 In A Mess Just For You

Lin Wenyu looked at the glowing man on the stage and couldn't help but lower her head and smile. He was a man who was born to belong to everyone and was born to enjoy everyone's worship.

Previously, she really believed what Ah Guo said about him liking her.

How was that possible, though? A person like him was born to be praised by others and liked by tens of thousands of people. He was not meant to be by someone else's side.

It was just as well.

!!

Lin Wenyu typed on WeChat again and again but ended up deleting each word.

"You're 27 years old. You're not young anymore. Look, Da Bao and Gun Gun have gotten one year older now," Qin Zufang said earnestly.

"Mom." Lin Wenyu wheedled. "Stop talking. I'll always be 18."

"Silly child. It's your birthday tomorrow. Do you want to spend it with your parents or friends?"

Lin Wenyu smiled. "I'll still have dinner with you guys at night before going out with my friends. This is a gift for you, Mom!"

"Why are you giving me a gift?"

"My birthday falls on Mother's Day. Thank you, Mom. It's my happiness and honor to be your daughter."

Qin Zufang hugged her daughter and smiled. How could she bear to let such a good daughter get married?

However, she needed to have her own life sooner or later.

...

On the night of Lin Wenyu's birthday, she was brought outside by a friend after having dinner with her parents. This time, apart from some other close friends, there were also Su Bei, Lu Heting, He Xuyan, Xu Zhiqin, and others. Everyone drank and sang together while waiting for dawn to arrive. They also cut the cake together.

That night, Yuan Haoyang's new album was released. He was interviewed by reporters at the press conference.

He had also dropped a bombshell.

“The copyright of all the songs used by Wei He belongs to our studio. From today onward, I hereby declare that he’s not allowed to use the copyright of any of these songs for commercial purposes. Otherwise, I’ll see him and his team in court!”

Cao Kexiu was so angry that her face was twisted. She did not expect Yuan Haoyang to have such a trick up his sleeve.

However, if a tiger did not show its might, did that mean others could think it was just a harmless kitten?

Ah Guo and the team were overjoyed. “That’s great! We should have given Wei He a good lesson long ago! Cao Kexiu is the same. Just because she’s the cousin of Brother Haoyang’s vicious stepmother, she’s been suppressing Brother Yang for so many years! It’s time for her to suffer!”

Yuan Haoyang quickly got off the stage. The violinist was still muttering, “I wonder if that fan of yours will edit your photos tonight? After seeing her photos, the photos others edited are simply not pleasing to the eye.”

Yuan Haoyang didn’t take it to heart. He only said to Ah Guo, “If the studio uses someone else’s photos, the remuneration should be good too.”

“I know that you won’t take advantage of your fans, Brother Haoyang. When have we not given out rewards?” Ah Guo said. “But she refused to accept it.”

Yuan Haoyang’s thoughts were already elsewhere. He was in a daze as he changed his clothes.

“By the way, Brother Haoyang,” Ah Guo said carefully, “We heard that Doctor Lin’s birthday is tonight.”

Yuan Haoyang’s body trembled.

Would she celebrate her birthday with Guo Xintao?

Had her wish been fulfilled?

Would Guo Xintao love her?

“Is Guo Xintao doing anything tonight?” he asked coldly.

“I heard that he has a small-scale meet-and-greet. It was booked long ago. I heard that it’s specially prepared for the children of the higher-ups in the circle. The tickets are very difficult to get.”

“So... Is she with him?”

He knew that he would be hurt, but he still wanted to know her whereabouts.

Ah Guo thought for a while before understanding that he was referring to Lin Wenyu. He quickly said, “No, I’ve asked around. Doctor Lin celebrated her birthday with her friends in a private club not far from the hospital.”

Yuan Haoyang said to Ah Guo, “Get me a ticket to Guo Xintao’s meet-and-greet.”

“Where are you going, Brother Haoyang? We have an exclusive interview later! Hey, big shot!”

Yuan Haoyang’s car drove toward the private clubhouse.

He didn't want her to have any regrets on her birthday.

In the private clubhouse, it was already time. Everyone cut Lin Wenyu's birthday cake and cheered for her.

She smiled happily, and she did not show any regret.

Everyone thought that she was still that carefree little girl.

After playing for a little while, everyone was drinking again.

Lin Wenyu walked out and stood on the huge balcony on the top floor, facing the wind.

Su Bei walked out with a piece of cake and placed it in her hand. "You haven't eaten cake tonight."

"I'm already full." Lin Wenyu smiled.

"Who are you thinking about?" Su Bei could tell she had someone on her mind.

Lin Wenyu was stunned by the question. "I'm thinking of someone who won't be coming."

Su Bei thought for a moment and said, "Whether that person will come or not, you have to be happy."

"I will." Lin Wenyu smiled. "Go back. If Mr. Lu can't find you later, he'll be jealous of me."

Su Bei knew that she wanted to stay for a while, so she reached out and took a candle for her. She stuck it on the slice of cake and said, "I'll give you another wish. I'll share my birthday with you this year."

"But you won't be able to make a wish on your birthday this year."

"I have two birthdays. Have you forgotten? I had a different birthday when I was in the Su family before. After I came back, I found out my real birthday. But I've always celebrated both of them, so I'll give you one."

Lin Wenyu smiled happily. "Thank you."

After Su Bei left, Lin Wenyu lit the candle that was swaying in the wind.

She knew that she was waiting for someone who would not come.

But it didn't matter. She had always been used to it. As long as she liked him and could occasionally see him, it was fine. As long as he was fine, she didn't need him to be by her side.

She closed her eyes and silently made a wish.

When Yuan Haoyang's car arrived at the private clubhouse, more than ten minutes had passed since midnight.

He rushed in in a sorry state and spent some time trying to find Lin Wenyu's private room.

He could go from the garden to get to where she was. It would save him a lot of time.

When he rushed to the top floor, the woman in front of him was making a wish over a small slice of cake. He stopped in his tracks and slowly walked over to stand in front of her.

Lin Wenyu opened her eyes. Before she could blow out the candle, she saw the person in front of her. His handsome face was covered in sweat as he stood in front of her.

Had her wish really come true?

The person she thought would not come was here!

“Yuan Haoyang?”

“It’s me.” His voice was jerky. He was worried that he had ruined her wish and that she would be disappointed to see him.

Chapter 1634 I Only Want To Light Up Next To You

Lin Wenyu smiled. “It’s you?”

“It’s me.” His voice was even drier as if it had been rubbed hard by gravel. It was bitter and painful. “Happy birthday.”

Lin Wenyu smiled and felt like crying. A second later, tears fell.

Yuan Haoyang panicked. “I’m sorry for ruining your birthday wish. Don’t cry, don’t cry.”

He didn’t know how to wipe her tears away. He was afraid that she would resist, and he was also afraid that it would be rude of him.

He was afraid that she would be angry and refuse to see him again.

His fingers opened and retracted in midair before clenching into a fist by his legs.

“I got someone to prepare a ticket for Guo Xintao’s meet-and-greet. I’ll bring you to him now. Don’t cry. I’ll bring you there immediately.” Yuan Haoyang’s lazy voice became serious. “No matter what your wish is, I’ll fulfill it for you!”

Lin Wenyu cried and smiled. She suddenly understood something. “Idiot!”

Yuan Haoyang was stunned for a moment.

“Idiot! My birthday wish has already been fulfilled!” Lin Wenyu said angrily.

In his mind, the fire was slowly lit.

The tiny flame gradually became brighter and clearer. Then, fireworks filled and bloomed in his mind.

Yuan Haoyang carefully raised his long fingers and placed them below her eyes. He wiped her tears and saw the reflection of the candlelight in her eyes.

He said in a low voice, “Lin Wenyu, I like you. Do you know that?”

The candle flickered, burned the last of its light, and went out.

There was no light in the dark sky.

On the balcony, only the light from the roadside remained.

They couldn't see each other's faces clearly, but they could clearly hear each other's breathing.

Yuan Haoyang reached out and pulled her into his arms. "Lin Wenyu, I like you! Do you want to try being with me?"

"You're a big star, while I'm just—" Lin Wenyu's voice was clear.

"I just want to like you. I know that I'll be happy if I like you," he interrupted and hugged her tightly.

"Even if the sky is full of stars around me, I only want to light up next to you."

...

The team from Yuan Haoyang's studio was in a particularly good mood today.

The release of the new album was successful, and it became a hit for tens of millions of people. Everyone's efforts were recognized and rewarded.

What was even rarer was that the big shot, who had been gloomy for a long time, was also in a very high mood. He got up early in the morning to change his clothes and dry his hair, looking like he was going out to pick up his girlfriend.

However, this person had been working hard for the past few months. How could he have a girlfriend?

"Brother Haoyang is in such a good mood because of the success of his new album!"

"That's why you need to have a career, especially men. Their careers are their backbone! If their career is taken away, they won't be able to go through life!"

"Yes, yes, yes. That makes sense! Look at our Brother Haoyang. Isn't he just fine now?"

Yuan Haoyang walked downstairs in high spirits. Even his footsteps were exceptionally strong.

"Brother Haoyang, where are you going?"

"I'm going out for a while. Ah Guo, help me postpone all my work for the next few days," Yuan Haoyang instructed.

Ah Guo jogged over. "Big shot, you rejected the interview yesterday, and you're postponing all your work in the next few days. How can I handle it? You should at least give me some notice! Otherwise, I'll really go bald from pulling my hair. I won't be able to deal with so many people hounding me for answers! No matter how important the matter is, you have to slow down and stabilize your career first! I beg you!"

Yuan Haoyang stopped in his tracks and bent his finger at him.

Ah Guo leaned over.

He said, "Do you think it's more important to bring your sister-in-law back or to promote the album?"

"Of course, it's more important to bring Sister-in-law back!" Ah Guo and the others who were listening shouted in unison.

"Doesn't that explain it?" Yuan Haoyang said and walked out.

Everyone was stunned for a moment before they were overjoyed. “Brother Haoyang is going to bring Sister-in-law back for us? Hahahaha, congratulations are in order!”

“Yes, we have to congratulate Brother Haoyang!”

“Wait, who is Brother Haoyang bringing back? Could it be that he’s too sad and has decided to randomly pick someone to be our sister-in-law?”

“Ahh! If that’s the case, it’s better not to bring a woman back, Brother Haoyang! Brother Haoyang, come back!”

These cries could not stop a certain someone’s high-spirited footsteps. He stepped on the accelerator and the car left with a whoosh.

...

Guo Xintao spent a lot of effort but still couldn’t win over Lin Wenyu.

Not only did she reject all the flowers and gifts he gave her, but she also blocked his number.

She looked like she didn’t take him seriously at all.

Previously, he thought that she was playing hard to get. Now, Guo Xintao could not sit still anymore.

“Was she really my fan in the past?” Guo Xintao asked.

Brother Cai immediately nodded. “It’s confirmed! It’s true! Didn’t you see that the quality of her previous photos is super high? It’s not something that non-fans can do.”

“Then why is she treating me this way?”

“Maybe it’s because she was expelled from the fan club and it hurt her feelings?” Brother Cai said. “But Tao Tao, are you really serious about her? There’s no need for us to keep her around as a fan. Can’t we find someone in the industry to exchange resources?”

“Do you think that Lin Wenyu has any flaws?”

Brother Cai thought about it seriously. She was a fair, rich, and beautiful woman. She was a genius doctor, and her being a fan meant it would be easier to control her. It was just that he was too arbitrary and hurt her in the past, causing the current situation to be so awkward.

If he could really deal with this woman, it would definitely be beneficial to Guo Xintao. Moreover, the people in the circle were indeed a little more chaotic. Those women who had no problems all had stable lives now and wouldn’t have waited until now to get together with someone.

Lin Wenyu was still the best.

“Can the photos on Lin Wenyu’s old Weibo account still be restored?”

Brother Cai immediately understood. “We can recover them with money. I’ll go do it now to show my sincerity.”

...

Ah Guo was instigated by everyone to follow Yuan Haoyang and see who their sister-in-law was.

All these years, no one had seen a woman appear beside Yuan Haoyang, nor had they seen anyone who could control Yuan Haoyang's bad temper.

The only one was Lin Wenyu!

If it was a new sister-in-law, she would only be tortured by his bad temper with everyone else. Everyone would be depressed!

If this big shot was just fooling around, everyone had to hold him down tightly and not let him make another mistake!

The sister-in-law that everyone had their eyes on was about to be snatched away. If Yuan Haoyang continued to play tricks, there would really be nothing left to salvage.

Everyone was worried sick!

Ah Guo complained as he followed Yuan Haoyang's car. Afraid that he would be caught and beaten to death, he secretly followed behind.

Then, his eyes lit up when he saw Lin Wenyu get into Yuan Haoyang's car in a beautiful dress and high heels.

Chapter 1635 Editing A Wild Man's Photos

The usually lackadaisical big shot got out of the car and welcomed her into the car. He fastened her seatbelt and smiled so widely that his eyes were about to melt.

Ah Guo hurriedly reported in the group chat: [Latest news: Brother Haoyang has picked up our sister-in-law!]

[Sister-in-law? Who is it?]

Ah Guo said excitedly: [It's Doctor Lin!]

[Really?! Brother Haoyang is awesome!]

[Brother Haoyang is awesome! Ah Guo, go greet our sister-in-law!]

[That's not right, Ah Guo. What if Brother Haoyang is only fetching Doctor Lin to the hospital while going for his check-up? Hurry up and follow him to see what's going on. Report if there's any news!]

Ah Guo thought about it and agreed. He resigned himself to his fate and continued to follow the couple.

Then, his message rang in the group chat. [Brother Haoyang bought cotton candy for Doctor Lin!]

[Brother Haoyang is holding Sister-in-law's hand. They're really holding hands! Oh my, Sister-in-law didn't object or resist! Their fingers are interlocked!]

[Oh my God, Brother Haoyang is so impressive. He's about to kiss Sister-in-law... Oh, he didn't kiss her. He just leaned closer to talk to her. But Sister-in-law is blushing.]

The guitarist said angrily: [What are you talking about?! Where are the photos? Where are the videos?]

Ah Guo said unhappily: [I have to drive! If I'm skilled enough to take videos in these circumstances, I might as well stop being an assistant and become a paparazzi!]"

The others chimed in: [What are you talking about?! Where are the photos? Where are the videos?]

[What are you talking about?! Where are the photos? Where are the videos?]

[What are you talking about?! Where are the photos? Where are the videos?]

After being provoked, Ah Guo stopped the car and started a live broadcast.

Ah Guo said: [Look, do you see that? Is she our sister-in-law? Do you see Brother Haoyang? He's so considerate. He's even helping Sister-in-law carry her bag!]

[Ah Guo, adjust the angle so that we can take a better look. It's rare to see our sister-in-law wearing a dress. She looks even better now.]

[That's right. Sister-in-law is really the most beautiful doctor and the most capable among beautiful women.]

[No, even if she's not a doctor, she's still the most beautiful!]

[Ah Guo, have you noticed that Brother Haoyang and Sister-in-law's figures have become bigger in your camera?]

[Ah Guo, Brother Haoyang is walking toward you!]

The others were so frightened that they clicked to leave.

Ah Guo was a step too late. Yuan Haoyang's face was already right in front of his camera.

"Are you seeking death?" His lazy voice sounded.

Ah Guo was so frightened that his phone fell to the ground. "Big shot, I just... Sigh, the weather today is really good. I wanted to take some photos of the scenery! Sister-in-law, hello!"

Lin Wenyu's face turned red. Yuan Haoyang pressed Ah Guo's head into the driver's seat and said gently to Lin Wenyu, "Ignore them. They like kicking up a fuss!"

His voice was unbelievably gentle. It was completely different from when he usually spoke to them!

He had double standards!

Differential treatment!

He was biased!

"Sister-in-law, save me! Sister-in-law, save me!" Ah Guo shouted.

Yuan Haoyang let go of him and held Lin Wenyu's hand. "Let's go over there. Let's ignore him."

"Did he really just call me that?" Lin Wenyu asked.

"Yes, that's what they've been calling you. If you don't like it, I'll get them to change it."

“Change it to what?”

“Sis-in-law?”

Lin Wenyu punched him. “Yuan Haoyang!!!”

...

Lin Wenyu’s previous account had been restored by Brother Cai. However, she did not post any new photos, so her feed looked a little empty.

However, as Brother Cai started following this account, many fans discovered that this particular fan’s account was back.

Someone asked Brother Cai: [Why are you still paying attention to this fan?]

[The matter between this fan and Yuan Haoyang was a misunderstanding, which means that it was also a misunderstanding with our Tao Tao. Now that we know, everyone must reconcile.] Brother Cai actually took the initiative to respond to the fan.

This caused some discussion, but because Guo Xintao and Lin Wenyu didn’t respond, the popularity of the matter wasn’t too high.

That night, Yuan Haoyang was overflowing with jealousy.

Although he knew that Lin Wenyu wasn’t with Guo Xintao, the atmosphere around him was still terrifyingly low when he saw the restored photos.

“You’ve been practicing for so long, but you’re still not familiar with it? Practice ten more times!” Yuan Haoyang practiced with everyone that night. His temper was terrifying.

When everyone was practicing the tune together, they secretly complained. They did not know what was wrong with this big shot.

During the break.

The guitarist hit the nail on the head. “Don’t you know? Sister-in-law’s fan account for Guo Xintao has been restored. Many of Guo Xintao’s fans are clamoring for her edited photos.”

“So it’s understandable that Brother Haoyang is in a bad mood,” the violinist added.

“But isn’t Brother Haoyang already with Sister-in-law? Why does he still care about those photos?” The cellist was puzzled.

Ah Guo shook his head and said, “I didn’t expect such a situation to happen. Sigh, Sister-in-law has indeed liked Guo Xintao for several years.”

“Are we going to practice all night tonight?” The violinist cried.

Ah Guo stood up and said, “Hold on.”

He pointed at the phone.

When everyone saw Lin Wenyu’s caller ID, they nodded knowingly and waited for him.

The call went through, and Ah Guo called out affectionately, "Sister-in-law."

"Hmm?"

"Sister-in-law, what are you doing now? Are you busy?"

"I'm editing photos," Lin Wenyu replied as she kept moving her hands.

She didn't like the photos of Yuan Haoyang that were posted. When she was free, she would help him edit a few of them.

Now, the more she looked at this person, the more pleasing she found him to the eye. She was wondering if she should draw a set of cartoons for him.

How handsome!

Everyone was crying on the other end of the line, but she was still editing photos for Guo Xintao?

Her real boyfriend was here, yet she was still in the mood to edit photos for a wild man?

'Sister-in-law, you have to be more careful!'

"Uh, Sister-in-law..." Ah Guo said carefully.

"What?" Lin Wenyu was engrossed in her work and didn't want to be disturbed at all.

"Sister-in-law, has it been a long time since you checked Brother Haoyang's body? Doesn't he still have to undergo a follow-up examination?"

"I just did a follow-up a few days ago. He's fine," Lin Wenyu said casually.

Ah Guo deliberated over his words. "But he's going to have a concert soon. He's been practicing until ten o'clock tonight, but he still hasn't stopped. We're worried that his body won't be able to take it. After all, he's been practicing the entire day. He slept late last night as he was composing the score at one or two o'clock."

"Tell him to wait!" Lin Wenyu couldn't stand this. "I'll deal with him!"

Ah Guo was overjoyed. "Okay, Sister-in-law!"

After hanging up, everyone rubbed their hands and waited excitedly.

Chapter 1636 I'm A Serious Doctor

Yuan Haoyang practiced the dance a few more times than the others. When they were resting, he did not stay idle.

He came out to drink water and was drenched in sweat. Seeing that they were all sitting there, he raised his eyebrows. "What are you doing?"

"N-Nothing, Brother Haoyang."

"Why aren't you guys practicing, then?" Yuan Haoyang snorted.

!!

“Alright, alright. We’ll be right there!” Everyone dawdled over.

After practicing a few more times, everyone stopped playing their instruments and looked outside. They heard the sound of a car honking.

“What are you looking at? Aren’t you going to practice?” Yuan Haoyang snapped.

The guitarist was the first to stand up and say, “Is Sister-in-law here?”

Yuan Haoyang’s tense expression immediately relaxed. He forced himself to remain calm and did not look outside. “What nonsense are you talking about? Look at the time. Why would she be here?”

“Ah, it’s really Sister-in-law!” The violinist jumped up.

Yuan Haoyang couldn’t hold it in anymore. He strode out of the training room.

The others rushed out faster than him. “Sister-in-law!”

“Hello, Sister-in-law!”

Lin Wenyu handed over the containers of food in her hand. “These are for you.”

“Thank you, Sister-in-law!”

“Wow, spicy crayfish! Sister-in-law is so nice!”

Yuan Haoyang looked calm and peaceful. “Why are you here so late?”

“I’m here to see who exactly is it that’s not cherishing their body and planning to stay up all night.” Lin Wenyu walked over step by step. Her facial features were exquisite and distinct without a mask.

Yuan Haoyang glared at these people, and everyone hurriedly went to look at the crayfish. “The crayfish tonight isn’t bad, and the moonlight is pretty too.”

“Let’s go and enjoy the moon while eating.”

Everyone dispersed.

Lin Wenyu walked toward Yuan Haoyang. “I’m here to check on you.”

“Let’s go upstairs.” Yuan Haoyang extended his hands to her with a smile. “I won’t let you down, Doctor Lin.”

They went upstairs to his room.

Lin Wenyu was here the last time, but she didn’t take a closer look. Now, she could see clearly that the decorations inside had a literary aura. They weren’t as flamboyant.

“Take it off.” Lin Wenyu reached into her bag to take out her gloves. She really looked like she wanted to give him a check-up.

“Really?” Yuan Haoyang raised his eyebrows and approached her. “Huh?”

Lin Wenyu punched him. “What do you think I’m doing? Aren’t you going to have a concert soon? You’ll be exerting a lot more strength than usual. How can I be at ease if I don’t take a look at you?”

Yuan Haoyang smiled. "I didn't know you cared so much about me, Doctor Lin. It would be impolite of me to refuse."

The people eavesdropping at the door clicked their tongues. They were so jealous that they wished they could tear down the villa. It was so exciting that they thought spring had arrived.

"Lie down." When Lin Wenyu stood up, she transformed into a serious doctor. She had a strong prestige that could not be questioned.

Yuan Haoyang lay down obediently. He blinked his beautiful eyes and looked at her. He said slowly, "Doctor, can you be gentler? I'm afraid of pain."

Lin Wenyu's outstretched hand stopped in midair after she heard his tone.

Her face flushed quickly, and Yuan Haoyang's intention to tease her was even more obvious. He reached out and held her hand. He rubbed her fingers through the gloves. His eyes were smiling and filled with charm. He pressed her hand to his chest and said in a low voice, "This will do."

His eight-pack was well-defined. It wasn't that she hadn't checked his body before, but now, Lin Wenyu seemed to be a student who was being taught for the first time. She was at a loss.

She wanted to retract her hand to calm her breathing, but Yuan Haoyang thought that she was going to escape. He pulled her forward, and Lin Wenyu's weak body fell onto his chest.

The two of them were facing each other, inches apart. Their facial features were magnified in front of their eyes, and the tip of their noses was about to touch. Their breaths intertwined.

The temperature in the room rose rapidly, and the atmosphere became ambiguous.

With a bang, the door was slammed open and a few people rolled in unsteadily. Lin Wenyu was so shocked that she wanted to sit up. Yuan Haoyang was worried that she would fall and pulled her over. Now, they were even closer to each other than before.

Yuan Haoyang did not have the time to appreciate the woman's fragrance. He pulled her into his arms to cover her. He stood up and kicked the things that had flipped over in the corner.

"Brother Haoyang, please spare us. We'll leave now!" The few of them scrambled out, not forgetting to close the door behind them.

Yuan Haoyang went forward and locked the door. Only then did he panic and lower his head to look at the woman, afraid that she would be angry. "Wenyu, I'll beat them up later. Don't hold a grudge against those dogs!"

Lin Wenyu was so embarrassed that her eyes turned a little red, but she smiled openly. "Why are you acting like a spoiled child? I'm a proper doctor!"

"But I don't want to be a patient." Yuan Haoyang held her face. He had just seen her face, but he missed it so much. He was jealous, but he was all right now that he could see her.

He approached and kissed her carefully as if she were a fragile treasure.

His Adam's apple moved gently, and his body was a little stiff. He pressed his lips against hers, but he didn't dare to let go of himself as that would be too profane. Even so, he couldn't resist the temptation and continued to kiss her gently.

Lin Wenyu closed her eyes. Her long eyelashes fluttered as she accepted his gentle kiss.

Fireworks exploded in their minds, shocking them.

...

When Yuan Haoyang sent Lin Wenyu downstairs, Lin Wenyu's face was extremely red, and her footsteps were weak.

The group of people downstairs all lowered their heads. They wanted to look at the couple but didn't dare to.

Yuan Haoyang let her get into the car. He originally wanted to send her home, but Lin Wenyu refused to let him. It was already late, so he was worried that she would not be able to drive steadily. At the same time, she was also worried that it would take too much time for him to drive back and forth.

In the end, the two sides compromised and called for a designated driver.

"Rest early when you get home," Yuan Haoyang said to Lin Wenyu as he leaned against the passenger door.

"I was gonna tell you the same thing."

Yuan Haoyang smiled. "I'm very obedient. I'll sleep when I get back."

Lin Wenyu didn't believe him. "If you really do sleep when you get back, my surname won't be 'Lin' anymore."

"But I'll really listen to you," Yuan Haoyang said obediently. "It's just that I can't sleep at ease until you tell me good night when you get home."

Lin Wenyu knew it!

She was about to say something angrily when Yuan Haoyang stuck his head in and sealed her lips.

The woman's lips were so soft and sweet. He hadn't kissed her enough just now.

Unfortunately, no matter how reluctant he was, he couldn't let her stay here for the night. Besides... this was their first kiss. They hadn't reached that stage yet.

Chapter 1637 Don't Think I Can't Hold A Knife

Yuan Haoyang kissed her again and again. He could not bear to let go.

"Ahem, can I drive now?" The designated driver couldn't stand it anymore.

Only then did Lin Wenyu realize that the designated driver had already arrived. She was so embarrassed that her eyes turned red again. Tears welled up in her eyes as she forced herself to sit up straight as if nothing had happened.

“Okay, please drive slowly.” Yuan Haoyang coughed lightly and said to Lin Wenyu, “Call me when you arrive.”

!!

He watched Lin Wenyu’s car leave and knew he wouldn’t be able to sleep tonight.

Now that he couldn’t kiss her, he would dream of doing other things to her. He just didn’t dare to be rude. Now that he had taken a step forward, wouldn’t such dreams tire him out?

After he went back, everyone cheered. “Brother Haoyang, it’s your first kiss!”

“Brother Haoyang, treat us to a drink!”

“Brother Haoyang, aren’t you a little slow? It took you so long to get your first kiss!”

Yuan Haoyang raised his eyebrows proudly. “My first kiss was long gone.”

His first kiss was given away when he received first aid from Lin Wenyu.

Tonight could only be considered the second time.

“Oh, Brother Haoyang, not bad!”

“Brother Haoyang, you’re amazing!”

Yuan Haoyang suddenly remembered that these people had barged into his room just now. He was so angry that he raised his leg and kicked them. “Are you tired of living? Ah Guo, arrange a few house viewings for me!”

“Brother Haoyang, are you moving?”

“If Brother Haoyang wants to spend time alone with his woman, he’ll definitely move!”

“Brother Haoyang is abandoning us!”

Yuan Haoyang could not be bothered with them anymore. He walked up to the second floor and locked himself in his room.

As soon as he left, everyone asked Ah Guo, “Ah Guo, didn’t you say that Brother Haoyang has never been in a relationship before? When did he lose his first kiss?”

“How would I know? But I’ve been with Brother Haoyang for more than ten years. I’ve never seen him be intimate with anyone of the opposite sex. He’s never filmed a kissing scene with anyone either.” Ah Guo rubbed his head. “This is really confusing.”

...

In the blink of an eye, Guo Xintao’s concert and Yuan Haoyang’s concert were held in the same city on the same day.

The two of them were enemies. They had to compare themselves to each other in everything that they did. It was the same for this concert and the number of people who came.

It was only natural for them to compete in this too.

Yuan Haoyang always had a slight advantage during concerts. After all, it was easy to ignite the venue with vigorous singing and dancing performances, so the ticketing rate had always been very high.

This time, it was no surprise. In less than half a minute, all the tickets were sold out.

Guo Xintao's tickets were sold out a little later.

Downstairs, Ah Guo was leading a group of people, waiting for an opportunity to snatch the tickets. He ordered, "Start snatching!"

Everyone started tapping on their phones!

"Sigh, I didn't get it."

"I got it! I got it!"

"I got it too!"

"Hurry up and pay!"

When Yuan Haoyang walked downstairs, he saw a group of people fighting for tickets.

"Are you guys crazy?" He raised his eyebrows lazily. "Even when I first debuted, I wasn't afraid of anyone. It's unnecessary for you guys to help me in this way, alright?"

Ah Guo said, "We're not doing this to get your tickets. We're trying to get Guo Xintao's tickets."

As soon as he said this, Yuan Haoyang's expression darkened as he understood the meaning behind his words.

Knowing how much Lin Wenyu supported Guo Xintao, she would definitely attend his concert.

If she went to Guo Xintao's concert, she would not be able to go to his.

Therefore, Ah Guo and the others wanted to snatch all of Guo Xintao's tickets. If all of them here bought tickets, Lin Wenyu's chances of getting one for herself would be smaller.

"It's unnecessary!" Yuan Haoyang snorted indifferently.

However, he secretly exerted some strength in his hand that was holding the mineral water, causing the bottle to deform.

He thought for a moment and said to Ah Guo, "Give me two."

"What?" Ah Guo was puzzled.

"I want two of Guo Xintao's tickets," Yuan Haoyang said.

"Oh, I'll give them to you when I get them," Ah Guo said.

Yuan Haoyang lowered his eyes. He didn't mind Lin Wenyu chasing celebrities, but the person she was chasing was someone he could see in person. It was completely different from the usual pursuit of celebrities.

However, he knew that he could not deprive her of her happiness. He would do his best to do whatever she wanted.

Even though what he wanted was for her to attend his concert and watch him shine for her.

...

Yuan Haoyang called her.

"Are you very busy? Why are you working overtime again?" He frowned slightly, feeling sorry for her.

"I'm not working overtime. I just took over a shift," Lin Wenyu said. "I have to make time for something."

Yuan Haoyang gripped his phone tightly. "But you can't work too hard."

It turned out that she really wanted to make time to go to Guo Xintao's concert.

"Yes, I'll be careful. You too. If I find out that you're staying up late every day... you'll be in trouble!"

The woman's threatening words were not forceful. Instead, they made Yuan Haoyang want to laugh.

He chuckled. "Alright then. You can hit, scold, kill, or torture me."

"Don't think I can't hold a knife!" Lin Wenyu pretended to be serious.

"Do you want me to get you tickets?" Yuan Haoyang asked.

"No need. Wait, how did you know I was going to the concert?" Lin Wenyu asked.

Yuan Haoyang smiled bitterly. "I just guessed."

"Hmph!" Lin Wenyu was unhappy. The surprise was gone. She was about to say something when the nurse beside her called out to her. "I won't talk to you anymore. There's an emergency. Bye!"

Yuan Haoyang put down his phone.

After that, he did not mention this topic to her again.

However, when he went to the hospital with a mask on, he heard the nurses whispering, "I heard that Doctor Lin is still looking for tickets to the concert. She hasn't gotten one yet."

"Really? Didn't she make ample preparations to get the tickets?"

"Sigh, it's not that easy to get tickets to a concert! I wonder if Doctor Lin will manage to get one."

"She seems to have friends in this industry, right? I hope she can get a ticket!"

Yuan Haoyang leaned against the wall of the corridor and laughed silently.

The day of the concert was getting closer.

Yuan Haoyang's preparations were also very abundant, so he had no time to care about this matter.

A few days before the concert, he suddenly thought of something and went to the practice room. He shouted, "Where are the tickets for Guo Xintao's concert that I asked you to keep?"

Everyone immediately stood up and lined up in front of him.

"Why are you lining up so neatly? I'm asking you about the tickets." Yuan Haoyang raised his eyebrows.

Ah Guo squeezed the guitarist, the guitarist squeezed the violinist, the violinist looked at the cellist, the cellist glanced at the bassist, and the bassist turned to squeeze Ah Guo again.

"Cut the crap. Give me the tickets. If you don't have two, one is fine too."

Ah Guo finally couldn't hold it in anymore and said, "Brother Haoyang, we've sold all the tickets."

"You!" Yuan Haoyang was so angry that he wanted to kick him. "Are you ignoring my words?"

Chapter 1638 Although There Are Ten Million People, I'm Only Willing To See One

s

"Brother Haoyang, why bother? Can't you just give out two of your own tickets and invite Sister-in-law to the venue? Is your concert more important than Guo Xintao's? You've already kissed and hugged her. Could it be that her real boyfriend can't compare to Guo Xintao? What's wrong with you wanting her to support you?!" Ah Guo shouted.

"You don't understand at all!"

Ah Guo was unconvinced. "Why wouldn't I understand? Chasing celebrities is different from reality. Although she likes Guo Xintao, can't she think of you before thinking of her idol at critical moments? Besides, you're an idol too, right?"

Yuan Haoyang didn't want to talk anymore. He picked up his car keys and turned to leave.

"Brother Haoyang!" Ah Guo shouted.

!!

Everyone felt sorry for Yuan Haoyang, but it was all because their sister-in-law was a fan of Guo Xintao.

Yuan Haoyang stepped on the accelerator and headed straight for Nirvana Entertainment.

In Su Bei's office.

"You mean, you want me to help you get two tickets to Guo Xintao's concert?" Su Bei asked in surprise. Didn't this person know that Lin Wenyu had long stopped being a fan?

"Yes, President Su. Do me a favor." Yuan Haoyang had already contacted the people around him.

Everyone knew that he and Guo Xintao were enemies, so who would keep Guo Xintao's tickets? They were all stunned by his question.

He had no choice but to look for Su Bei.

Su Bei laughed. Did this person really not know that Lin Wenyu only liked him now?

During this period of time, Lin Wenyu chatted with Su Bei the most. She reported both the sweet joy of their relationship as well as the uneasiness. Su Bei could feel the woman's worries through the phone.

Last night, she even asked her to help her reserve tickets for Yuan Haoyang's concert. She said that she could not find any tickets anywhere.

Su Bei did not expose the couple's secret and said, "Alright, I'll ask around for them and send them to you if I manage to get them."

"You don't have to give them to me. Just give them to Wenyu," Yuan Haoyang said.

"Okay, I'll give them to her."

"No." Yuan Haoyang changed his mind again. "You can ask any assistant of yours to send it over. I don't want to trouble you."

Su Bei smiled. "Are you afraid that I'll poach you?"

Yuan Haoyang was not angry that he was seen through. He smiled and said, "President Su, you're capable. If you really poach me, I'm really a little worried that I won't be able to handle it. I'd better not cause trouble for myself."

There was still a huge problem ahead. It would be annoying if there were wolves in front and tigers behind.

...

After Su Bei received the tickets, she specially went to look for Lin Wenyu.

"Have you gotten Yuan Haoyang's tickets?" Lin Wenyu came forward happily.

"Yes. I'm just curious why you didn't ask him for them?"

Lin Wenyu smiled. "How could I ask him for a ticket directly? Besides, I want to give him a surprise. Won't he know if I ask him for the tickets?"

Su Bei handed her the envelope. "He wants to surprise you too."

Puzzled, Lin Wenyu opened the envelope and found two tickets for Guo Xintao's concert. "This..."

"He asked me to give the tickets to you," Su Bei said with a smile. "So you haven't told me that you're no longer a fan?"

"I thought he knew!" Lin Wenyu scolded. "This fool!"

Her tone was angry, but her eyes were misty. She lowered her head and rubbed the concert tickets.

Su Bei held back her laughter and said, "Eldest Miss, Guo Xintao's tickets were bought with a favor. If you don't want them, give them to me. I'll use them to do someone a favor."

"I'll return them to you." Lin Wenyu really didn't want them. She reminded her nervously, "But don't tell Yuan Haoyang. I'll go to his concert when the time comes!"

“Got it. If I can’t even understand such a small matter, I would’ve sold you out when he came looking for me earlier.”

Lin Wenyu smiled happily. “Su Bei, you’re the best!”

...

The day of the concert was approaching.

Yuan Haoyang was very attentive during the rehearsal, but he was not in a good mood.

Everyone was careful not to say anything as they practiced with Yuan Haoyang.

The outside world was also comparing him to Guo Xintao. They were all waiting to watch their performance.

No one wanted to be inferior.

The two of them were also holding their breaths.

However, the outside world was more optimistic about Guo Xintao. After all, he had become more and more popular recently.

On the other hand, Yuan Haoyang had experienced a series of events—getting injured, taking a break to recover, the termination of his contract, and the establishing of his own studio. He had exhausted a lot of energy.

These losses were visible to the naked eye. His resources would definitely be greatly reduced compared to before.

It was precisely because of this that the entire team was unwilling to admit defeat.

Yuan Haoyang also perked up. The entire team had sacrificed so much for him.

No matter how difficult it was, he had to face all joys and difficulties with everyone.

This was his responsibility as the lead singer and the person in charge of the studio.

“Let’s give it our best shot, everyone!” He extended his hand, and everyone followed suit.

“Hooray!”

Below the stage, fans were shouting, “Haoyang, you can do it! As long as you’re still singing, I’ll definitely be here supporting you!”

The voices of millions of people were deafening.

At this moment, Yuan Haoyang was in a daze. Even if there were tens of millions of people, he only wanted to see one person.

He quickly dismissed the idea and focused on the stage with his teammates.

The scene was ignited by his passionate singing and dancing. The voices below the stage were extremely crazy.

This was Lin Wenyu's first time attending such a concert. Her ears were filled with the roars of the fans, making her stand up involuntarily. She waved her hands at the stage. She was holding up a huge bright sign.

Her sign was specially customized and stood out. It attracted the attention of the lighting technicians on the stage, and a beam of light swept toward her.

Yuan Haoyang, who was on the stage, also saw the familiar face below the stage. For a moment, he could not believe his eyes.

Perhaps it was just a fan who looked similar...

However, when the spotlight was on Lin Wenyu for the second and third time, he finally realized that it was really Lin Wenyu.

In the eyes of the fans, the usually cold-faced idol on stage suddenly curled his lips into a smile. It was as if he wanted to hide it but couldn't. His smile widened until he laughed.

It was unknown what he was thinking about, but such a smile caused the fans to scream non-stop. It had been a long time since they had seen their idol smile like this.

His smile was super infectious, but later on, he smiled less and less.

It had been a long time since he last smiled.

Lin Wenyu also smiled. The fans beside her grabbed her arm and screamed, "His smile is so charming!"

She screamed along with them, fully invested.

Ah Guo heaved a sigh of relief. Finally, the big shot realized that his woman was below the stage.

When Ah Guo was coordinating with the cameramen backstage, his sharp eyes noticed Lin Wenyu's figure in the nearest VIP area.

Chapter 1639 It's As If Your Love Is Breathing

Ah Guo was so excited that his hands were trembling, but he could not contact Yuan Haoyang and tell him that Lin Wenyu was here.

He could only contact the lighting technician and ask him to put the spotlight on Lin Wenyu so that Yuan Haoyang could see her.

When he saw Yuan Haoyang's smile on the big screen, he was finally satisfied. That big shot had spotted Lin Wenyu.

Yuan Haoyang's performance was getting better and better. It was even more outstanding than any of his past performances.

It was as if he was glowing.

The screams below the stage rose and fell.

Lin Wenyu's voice was hoarse.

After the concert ended, the fans were still shouting, “Encore! Encore!”

Lin Wenyu didn't want him to be tired. She frowned and didn't shout for an encore with the others.

However, Yuan Haoyang would always do an encore as a fan benefit.

Tonight, after he returned on stage, he sang the song that made him famous again this time around. It was the title track from his new album. It was a vigorous song with intense choreography that consumed a lot of energy.

He sang two songs for the encore.

The fans were still habitually shouting, “Encore!”

But they knew that he probably wouldn't return.

However, a spotlight shone on stage, and Yuan Haoyang returned!

“Haoyang, you can do it! As long as you're still singing, I'll definitely be here to support you!”

“Haoyang, you can do it! As long as you're still singing, I'll definitely be here to support you!”

Everyone shouted in unison.

Yuan Haoyang picked up the guitar and started singing softly.

“It's as if your love is breathing.

“I like you and those smiling eyes of yours.”

The fans were surprised and pleasantly surprised.

He had always been arrogant and handsome, so he rarely sang slow songs, especially romantic slow songs. They almost never appeared in his song list. This also formed the biggest difference between him and Guo Xintao.

Others said that he didn't sing slow songs just to make up for his lack of singing ability.

However, in fact, everyone in the industry had a consensus that his voice was very good and especially suitable for singing slow songs. It was just that he was unwilling to.

And tonight, he actually started singing a slow song just like that!

His voice echoed in the venue. Everyone fell silent and focused on his singing.

“I like you, even the sunset looks like a lipstick mark.

“I like being with you like this.

“Take me wherever you want.

“Your face slowly inches closer.

“Tomorrow will slowly become clear.

"I like that you cherish my heart.

"Touching each of my fingers,

"I know,

"It speaks of your word of promise."

Lin Wenyu raised her head and listened to his voice. He sang softly, and his eyebrows were drooping. He was a handsome man.

Tears welled up in Lin Wenyu's eyes, and her ears were filled with his voice.

...

After the concert ended, Ah Guo hurriedly came to pick Lin Wenyu up and brought her backstage.

Yuan Haoyang almost ran backstage. The staff members praised him for being a good singer. He could still run even after finishing a concert.

He rushed into his private lounge. The woman was already waiting there, her eyes bright.

The two of them walked closer to each other, and his voice seemed to ring in their ears. "I like being with you like this. You can take me wherever you want. Your face slowly inches closer, and tomorrow will slowly become clear..."

Yuan Haoyang stretched out his long arm and pulled her into his arms. He kissed her lips without caring about anything else.

...

He was especially energetic tonight. A few hours on stage did not deplete his stamina. After accepting a simple interview, he still insisted on sending Lin Wenyu home. He refused to listen to her objections no matter what.

He was like a shining star that was full of power. He would not stop until he was exhausted.

"Big shot, drive slowly," Ah Guo reminded him and sent the two of them into a low-key car.

"I know." Yuan Haoyang drove Lin Wenyu out tirelessly.

His eyes were filled with joy.

The wind blew past them, cool and comforting to the touch.

"What should I do? I don't want you to go home." He held her hand, and his other hand was on the steering wheel.

Lin Wenyu didn't want to go back either, but the Lin family didn't allow her to stay outside. Besides, she was staying with her family.

She pursed her lips. "Let's have breakfast together tomorrow morning."

“Alright.” Yuan Haoyang nodded helplessly and indulgently. Even if it was only a few hours until tomorrow morning, it still felt too far away.

The car finally stopped in front of the Lin family’s house.

Yuan Haoyang then asked slowly, “Will you regret not going to the other concert tonight?”

He didn’t want her constantly making compromises and sacrificing her happiness just to be with him.

“Are you talking about Guo Xintao?” Lin Wenyu asked with a smile. Her eyes were gentle, and the smile on her lips became even more delicate.

It was as if the mention of that name made her unable to help but smile like a blooming flower.

Yuan Haoyang pressed his tongue against the tip of his teeth. “Yeah.”

“I stopped being a fan long ago. Didn’t you know that?” Lin Wenyu smiled even more gently.

He could not react. After being stunned for a moment, he understood what she meant. “When did this happen? Why didn’t I know?”

“I told you that night that I was heartbroken.” Lin Wenyu smiled and approached him. “Silly, at that time, I told you that I didn’t want to like someone unworthy and that I found someone more worthy of my feelings.”

Yuan Haoyang thought of her tears that night. If that was the case, then she had left the fandom much earlier than he had imagined!

The fool couldn’t help but giggle. “So you just stopped being a fan? You don’t have an ex-boyfriend?”

Lin Wenyu pursed her lips and smiled. This person was really a fool. He looked so smart, but he made her speechless.

“Are you laughing at me?” Yuan Haoyang reacted. He grabbed the back of her head and pulled her closer to him. “Even if I’m a fool, you’re a fool’s wife. You can’t escape!”

“I didn’t want to run away. I just wanted to cling to you...”

Before Lin Wenyu could finish speaking, he pulled her closer. Her lips were plundered, and passion and sweetness bloomed at the same time.

She couldn’t breathe, so he let go of her slightly. After letting her take a breath of fresh air, he immediately took it away again.

Tears welled up in her eyes, and her voice became even more charming. Yuan Haoyang grabbed her waist, wanting to turn the scene in his dream into reality. He wanted to make her cry helplessly and beg for mercy...

However, he still let go of her in the end. The more he thought of that scene, the more he could not bear to hurt her like that.

“I’m going home.” Lin Wenyu lowered her voice.

“Mhm, I’ll pick you up tomorrow morning,” Yuan Haoyang said in a low voice. He leaned against her forehead and said in a low and hoarse voice.

When he spoke, his Adam’s apple trembled, and the smell of hormones exploded at the tip of her nose.

Lin Wenyu pursed her lips. “Good night, then.”

“Good night.” Yuan Haoyang gave her a small peck and watched with satisfaction as her pink face turned red again.

Lin Wenyu reluctantly got out of the car. When she saw the person standing in front of her, she was shocked. “Mom!”

Chapter 1640 Better And Better?

There was no expression on Qin Zufang’s face, but it made Lin Wenyu especially worried. She did not know what her mother had seen just now. Thinking of this, she felt even more ashamed.

Yuan Haoyang also noticed this situation. He immediately got out of the car, not wanting Lin Wenyu to be criticized alone.

“Hello, Aunt. My name is Yuan Haoyang.” He strode over and stood in front of Lin Wenyu. He felt that the aura of the elder in front of him was too strong. It was normal for two adults to be in a relationship, but he was still shocked by the appearance of this elder.

Qin Zufang also realized that she had overreacted. Her daughter was already at such an age. Su Bei even had Da Bao and Gun Gun, while this man was just her daughter’s first love. There was really no need for her to do this.

However, as a mother, she had to.

“You’re already at the door. Let’s go in and have a drink.”

Yuan Haoyang heard Qin Zufang’s tone soften. He glanced at Lin Wenyu, who nodded at him nervously.

He said, “Thank you, Aunt.”

Lin Wenyu was a little afraid of her parents, but she was not too worried. She was just dating, not doing anything shameful.

She was frightened just now and did not know how much her mother had seen. She was shyer than she was afraid.

Yuan Haoyang followed them into the Lin family’s house. The Lin family’s house was indeed shockingly big in this city where every inch of land was worth gold.

Even Yuan Haoyang, who came from an outstanding family, could not help but be a little surprised. He originally thought that Lin Wenyu was just a woman from an ordinary family...

Qin Zufang was also observing Yuan Haoyang’s expression. His expression was calm as he looked at Lin Wenyu with concern. When he entered the house, his eyes were filled with surprise.

She concluded that this man was outstanding, capable, and discerning. However, he probably never thought that the Lin family was such a family.

It seemed that from the start of their relationship, he had not targeted her for the Lin family.

This was what Qin Zufang was most worried about. She was most afraid that her daughter would be deceived.

“Have a seat.” She pointed to the sofa with her chin.

Yuan Haoyang sat down respectfully. Even if it wasn't because of this elder's powerful aura, just the fact that she was Lin Wenyu's mother alone was enough for him to treat her with caution and respect.

Qin Zufang interrogated him on a bunch of topics. She was calm and composed, and the topics were casual. However, they touched on his family background, education, work, love history, and values.

“Mom!” Lin Wenyu also sensed her mother's intentions. She felt that Yuan Haoyang was like an object of interrogation. “It's late and I'm tired. Why don't you let Haoyang go back and rest too?”

“Go upstairs and sleep if you're tired. Haoyang and I are having a good chat, right?” Qin Zufang smiled.

Naturally, Yuan Haoyang would not disobey his future mother-in-law. He smiled and said, “I'm indeed not tired yet. Wenyu, why don't you go upstairs and rest first?”

How would Lin Wenyu dare?

She was afraid that something would happen, so she could only hold on.

After Qin Zufang's interrogation, she was somewhat satisfied with Yuan Haoyang. The only thing she was dissatisfied with was that she had already found a candidate for her daughter and he was from an aristocratic family. He was a talent that was one in a million. She was satisfied with all aspects of him and knew everything about him.

Yuan Haoyang was indeed at a disadvantage in this aspect.

However, when she saw that her daughter's heart was all on him, she couldn't help but sigh in her heart. It was really impossible for parents to keep their daughter by their side once she was all grown up.

“Since you're not tired yet, have some soup before leaving.” Qin Zufang asked the servant to get the soup.

When Lin Wenyu heard that, her head hurt. “Mom, can I not drink it?”

“Look at how thin you've become. Why won't you drink it?” Qin Zufang rebuked.

Soon, the soup was served. Yuan Haoyang could not hide his smile. This soup was exactly the same as the one Lin Wenyu had given him previously.

It turned out that she had really brought it over from home. Didn't that mean that he had enjoyed the benefits of being a future son-in-law since then?

Lin Wenyu held a bowl and stirred the soup with a spoon to kill time. Yuan Haoyang drank a lot and enjoyed it.

This action slightly pleased his mother-in-law-to-be.

The mother-in-law-to-be said, "I brewed it myself. It replenishes blood and energy."

"Aunt, your cooking skills are getting better and better!" Yuan Haoyang immediately voiced his support.

Qin Zufang's smile froze on her face. "Better and better?"

This sudden silence was the most terrifying.

Yuan Haoyang's hand froze for a moment as he realized that he had said something wrong.

Lin Wenyu stood up in shock. "It's getting late. You should go back and rest!"

Yuan Haoyang knew that he had made a mistake and stood up obediently.

She quickly sent Yuan Haoyang off and turned around. Qin Zufang was looking at her and asked faintly, "Did you let this brat drink all the soup from before?"

"Mom..." Lin Wenyu's tone immediately became timid.

"Seriously! Don't you know that when you're in a relationship, you have to be reserved? You can't rush things! When you're in a relationship, the initial stages will determine what your relationship will be like in the future. If you spoil him like this now, he'll definitely dominate you in the future. He'll think that your world revolves around him and that he can control you at will!" Qin Zufang nagged angrily.

When Lin Wenyu saw her mother's expression just now, she thought that she was going to use the family rules on her.

Hearing her words, she quickly said, "It's not what you think."

"You gave him the soup, didn't you? You pursued him, right?"

"No, he's the one who liked me first! He pursued me! I gave him my leftovers!" Lin Wenyu said righteously.

Qin Zufang finally relaxed. "That's more like it. But he's a singer. How are you going to explain it to your father?"

Lin Wenyu bit her lip. "So what if he's a singer? A singer makes a living by singing. He doesn't steal or rob. Dad has no reason to look down on him, right?"

"It's fine to be a singer, but there are more than ten million people who like him. If you're with him, you'll suffer in the future. Your father and I can't bear to see you suffer." Qin Zufang sighed.

She held Qin Zufang's hand pitifully. "Mom, when the time comes, can you help me put in a good word with Dad? Okay?"

"Okay, okay. Sigh, my daughter has grown up."

"I knew Mommy was the best!"

...

The next day, before Qin Zufang opened her eyes, she heard Lin Wenyu running downstairs.

She recalled that when she was young, she was also like this when she was in a relationship. She couldn't help but shake her head and laugh. She took out her phone and sent her a WeChat message.

[No matter what you do outside, you have to protect yourself. Do you understand?]

[Got it!]

...

This time, the reviews for Yuan Haoyang's concert were far better than the reviews for Guo Xintao's concert.
