Chapter 1641 She Said She Cares For The World?

Previously, the two of them had their own strengths and weaknesses. However, this was the first time there was such a big gap between the two.

It was no wonder. Yuan Haoyang's performance that night was the best and almost perfect. The slow song at the end made the outside world realize that his singing skills were far underestimated.

With such a result, everything that happened after was a matter of course.

That night, the quality and quantity of his fan-taken photos far exceeded Guo Xintao's.

In the evening, the team's celebration party was held in a private room of a clubhouse.

The people who appeared at the celebration banquet were all from the studio.

Lin Wenyu was also picked up early in the morning and brought here to join them.

"Hello, Sister-in-law!"

"This time, we really have to toast Sister-in-law!"

"Yes, that's for sure. It's all thanks to Sister-in-law that Brother Haoyang was able to perform so perfectly this time."

"Brother Haoyang and Sister-in-law both deserve credit!"

Yuan Haoyang stopped them. "Don't make a fuss. Ah Guo, order juice for your sister-in-law."

"Okay!" Ah Guo hurriedly went to get the juice.

With Yuan Haoyang's words, everyone naturally did not dare to cause trouble for Lin Wenyu anymore.

Yuan Haoyang pointed at the guitarist and said, "Johnny, put out your cigarette!"

Johnny put out the cigarette he had just lit aggrievedly.

"Brother Haoyang, the juice is here!" The violinist, Tang Feng, eagerly filled Lin Wenyu's glass.

"Mhm." Yuan Haoyang nodded. "Little Fatty, open the window for ventilation."

Little Fatty was actually very thin and was a bassist. Hearing his nickname and seeing his figure, Lin Wenyu smiled.

Yuan Haoyang explained, "He was fat in the past, but he finally succeeded in working out."

Since they couldn't smoke and Yuan Haoyang felt that the smell of alcohol was too strong, everyone stopped drinking and started focusing on the dishes on the table.

Although everyone felt aggrieved, when they saw Lin Wenyu's smile, they felt that it was all worth it. They all raised their glasses of fruit juice to give a toast to Lin Wenyu.

Lin Wenyu quickly drank a stomach full of drinks.

Yuan Haoyang started to stop them again. "Don't toast. Drink on your own."

Ah Guo said from the side, "By the way, Brother Haoyang, the concert this time was especially successful. A company wants to publish your concert. It's just that we haven't been able to find a particularly suitable photo. I think the photos that one of your fans edited are quite good. I'll contact her and use her photos, okay? The publisher also acknowledges her work!"

"Yes, give her a reasonable reward." Yuan Haoyang still said the same thing. If it weren't for the fact that the previous photos weren't suitable, he wouldn't want to get further involved with his fan for this.

"Alright, I'll contact her now." With that, Ah Guo immediately took out his phone.

Lin Wenyu did not know that the person they were talking about was her. She lowered her head and ate as she thought to herself, 'There's someone else who's better at editing photos than me? I wonder who it is? I have to ask for guidance when the time comes.'

Ding! Lin Wenyu's Weibo account received a private message.

She casually picked it up and glanced at it. It was from Ah Guo. He asked if he could buy her photos and the studio would pay her a reasonable fee.

Lin Wenyu pursed her lips and smiled. She tilted her head to look at the man beside her. When he lowered his eyes, the edge of his chin was especially distinct. He seemed to see her looking at him. He raised his eyes slightly and looked as gentle as the spring breeze.

Lin Wenyu typed: [Sure, you can use my photos. I'm willing to give you any photo I have!]

Unexpectedly, Ah Guo read it out loud. "Brother Yang, your fan agreed. She even said that she's willing to give us any photo we want! F*ck!"

Yuan Haoyang knocked on the table. "Can't you stop cursing?"

Ah Guo covered his mouth.

He tilted his head and said softly to Lin Wenyu, "Don't listen to Ah Guo's nonsense. Fans like to talk like that, but I never contact my fans in private."

"Oh, really?" Lin Wenyu smiled faintly. Could it be that the person who contacted her was an impersonator?

"I can give you my phone for inspection at any time!" Yuan Haoyang took out his phone. He was just short of saying that not only had he given her his first kiss, but he was also keeping her for his first night.

He quickly told her the password and took her finger to save her fingerprint.

In the future, his phone would be hers. She could look at it anytime.

Lin Wenyu naturally wouldn't check his phone, but the onlookers were shoved with PDA.

[Thank you.] Ah Guo replied in a private message on Weibo. [But Brother Haoyang said that you have to be paid for commercial things, so you'd better give me your account number.]

Lin Wenyu replied: [There's really no need. It's my honor to work for you.]

Ah Guo looked at Yuan Haoyang. "Brother Haoyang, what if your fan really doesn't want remuneration?"

Tang Feng said, "This fan edits photos quickly and does a good job. She's such a good person too. It's really unreasonable if we don't pay her. It just so happens that our studio lacks such a talent. Why don't you ask Ah Guo and see if she's willing to work in our studio? Brother Haoyang, what do you think?"

Yuan Haoyang frowned. He didn't want to involve his fans. "Forget it. Let's not use fans as staff."

However, Ah Guo had already sent the message. With a crying face, he looked at Yuan Haoyang. "I'm sorry, Brother Haoyang. I've already asked her."

Yuan Haoyang wanted to throw his chopsticks at him. "Recall it immediately! Also, you'll have to explain it yourself when the time comes."

"Brother Haoyang, I can't do that. Besides, she has already replied!"

Everyone was curious. "What did she reply?"

Yuan Haoyang shouted angrily, "Don't read it! Wenyu, let's go!"

Ah Guo said, "She replied, 'I care about the world, so no thanks!'"

Everyone roared with laughter.

Johnny picked up his chopsticks and pretended to smoke. "This fan is not bad. She even rejected Brother Haoyang's invitation!"

"Brother Haoyang, this fan has really slapped you in the face!"

Hearing that his fan was unwilling to join his studio, Yuan Haoyang instinctively heaved a sigh of relief. Not to mention that he only wanted to protect Lin Wenyu now. But even without Lin Wenyu, he did not want to be so close to his fans. It would only cause more trouble.

However, a second later, his expression changed. "She said she cares about the world?"

Seeing his expression change drastically, everyone thought that he was going to be angry after being slapped in the face. They quickly gave Lin Wenyu a look. "Sister-in-law, save us! Sister-in-law, stop him!"

Yuan Haoyang's expression changed slightly. He reached out to hold Lin Wenyu's hand and whispered, "Come out with me!"

Everyone was surprised. "What's going on? Could it be that Brother Haoyang is really angry? Ah Guo, it's all your fault. Why did you have to contact a fan when Sister-in-law was around?!"

"I just wanted to do some work as soon as possible." Ah Guo felt wronged.

"Are you saying that you have no selfish motives?" Jonny mocked.

Chapter 1642 I Told You To Be Obedient, But You Didn't Listen!

“I have my own selfish motives. We’re all single people here. Why can’t we find a girl to work with? Haven’t you heard that men and women don’t get tired of working together?” Ah Guo snorted. “Besides, there’s a chance I can get myself a girlfriend.”

Tang Feng sneered. “What the hell? Even if the girl joins, she’ll be here for Brother Haoyang. Do you think she’ll come for you?”

Ah Guo continued to snort. “That’s hard to say. Although we can’t compare to Brother Haoyang, we’re better compared to ordinary people!”

“Hahahahaha, Ah Guo, you’re really awesome. Are you really planning to find a girlfriend among his fans?”

...

Yuan Haoyang suppressed his wildly beating heart and brought Lin Wenyu out to an empty balcony.

“Care for the world, huh?” He propped one hand on the wall and wrapped Lin Wenyu in his arm.

With that line, he quickly realized Lin Wenyu was the fan on Weibo.

He was wondering why the quality of the photos released by the fans had been so high recently. It turned out that the fan who edited those photos had been beside him.

Lin Wenyu looked up at him. “You never contact your fans, huh?”

Yuan Haoyang smiled. “Can you be considered a fan?”

“Of course.” Lin Wenyu raised her wrist. “I took and edited so many photos of you. If it’s not for fame or profit, what else can it be?”

Yuan Haoyang’s smile widened as he leaned closer to her. He felt that he did not know how to love her. He leaned closer to the tip of her nose and said, “My man, huh?”

“Huh?” Lin Wenyu blushed.

“Call me that.”

Lin Wenyu could easily call him ‘my man’ on Weibo, but now that she had to call him that in front of him, she was completely embarrassed.

A trace of embarrassment appeared on her face, and she could not speak.

The tip of Yuan Haoyang’s nose brushed across her face. The desire in his voice made her ears tingle. “Come on.”

He was like the apple that tempted Eve, slowly taking away her rationality. “My man.”

Yuan Haoyang held the back of her head and pressed her against him, sealing her overly charming lips.

She had poured her soul into the photos she edited for him, and now, he wanted to pour his soul into her.

...

When Yuan Haoyang returned to the private room with Lin Wenyu, everyone was still eagerly discussing.

Tang Feng was the first to complain to Yuan Haoyang. "Brother Haoyang, Ah Guo plans to make a move on your fans!"

"What do you mean?" Yuan Haoyang glanced at Ah Guo.

Ah Guo said guiltily, "That's not what I meant, Brother Haoyang. I just think that if that girl comes to work with us, she'll definitely be favored by the team. Since you already have a girlfriend, that means we can woo the girl if she joins our team, right?"

Yuan Haoyang's face darkened.

Ah Guo was frightened and quickly waved his hand. "I know you've always told us not to do anything to your fans, but this is different. I heard that the fan is already an adult. If she comes to work with us, she won't be considered a fan but a colleague. Besides, I'll just be pursuing her. It's a gentleman's pursuit! Sister-in-law, don't you think so?"

Lin Wenyu pursed her lips. She wanted to laugh but was too embarrassed to. Her lipstick had been smudged by Yuan Haoyang, and she had yet to fix it.

Yuan Haoyang held Lin Wenyu's hand and raised his voice. "Let me introduce you to the girl who edited the photos."

"F*ck! Brother Haoyang, you really brought her back? Didn't she say that she only cares about the world?" Johnny was shocked.

"That's right, Brother Haoyang. What does the girl look like? Will she..." Little Fatty looked at Lin Wenyu and was worried that the fangirl would affect the relationship between Brother Haoyang and his sister-in-law. However, it was not appropriate to say this directly. Besides, who was the one who swore just now that he would not contact his fans in private?

Tang Feng jeered, "Where is she? Please introduce her to us!"

Ah Guo snorted. "Who criticized me just now? Now, I think you're a group of hungry wolves!"

Yuan Haoyang's lazy voice sounded. "Come, Wenyu, meet them."

Wenyu?

Lin Wenyu?

Sister-in-law?

Their sister-in-law?

Their sister-in-law was the girl who edited the photos?

Everyone reacted and shouted, "Brother Haoyang!!! So it's our sister-in-law! You're really unkind. You're only saying it now!"

Tang Feng looked at Lin Wenyu with admiration. "Sister-in-law, the photos you edited are really beautiful. Can you help me edit some photos next time?"

Little Fatty squeezed over. "Sister-in-law, help me edit my photos too!"

Ah Guo: "..."

He felt like he had fallen out of love! No, if the other party was Lin Wenyu, he wouldn't dare to fall in love with her!

Johnny nodded. "So Sister-in-law is 'I told you to be obedient but you didn't listen'."

Yuan Haoyang: "!!!"

'I told you to be obedient but you didn't listen?'

He tilted his head to look at Lin Wenyu. The tip of his tongue pressed against his cheek with a faint smile. Lin Wenyu shrank her neck in fear. Then, she acted like a doctor and looked at him righteously!

She was just short of putting her hands on her hips!

Yuan Haoyang decisively took out his phone and changed his Weibo username to 'listen'.

Everyone said, "Brother Haoyang, can you be more principled?"

"There's too much PDA here. Can you stop it?"

...

Yuan Haoyang changing his Weibo username naturally attracted a lot of fans' discussion. They did not know why he suddenly changed his username.

However, no matter how much they discussed, they could not come to a conclusion. Moreover, as a singer, he changed his username to 'listen'. Perhaps he wanted everyone to listen to his songs. There should be no further meaning to it.

In the end, the public came to a unified understanding. Yuan Haoyang wanted everyone to pay more attention to his music and not interfere in his personal matters.

[My man, no matter what music you make, we'll support you!]

[My man, you can do it! We're all waiting to hear your songs!]

[My man is so handsome. I'll listen to him for the rest of my life!]

Everyone in the studio said, "Damn, these people are really too good at imagining things! They're simply literary scholars at this point!"

...

Qin Zufang called Lin Wenyu into her room and said, "Daughter, let me give you a gift."

"What kind of gift is it?" Lin Wenyu asked curiously.

"Here, take it and you'll know." Qin Zufang handed her a small box.

Lin Wenyu immediately opened it. When she saw the condoms inside, her face turned red. "Mom! What are you doing?"

Qin Zufang's expression did not change. "What's wrong? I'm giving you this because I hope you can protect yourself outside."

"I haven't..." Lin Wenyu was simply embarrassed. What was her mother thinking?

Chapter 1643 My Last Gentleness To You

"You're 27 years old, not 17. It's normal for something to happen," Qin Zufang said earnestly. "I'm not an old-fashioned person. I just hope that you won't forget to protect yourself when you're in love. This is what I'm most worried about."

Lin Wenyu's eyes were wet. "Mom."

"Alright, you're an adult now. Don't cry. I can't bear to let my good daughter, whom I've raised for so many years, leave me bit by bit. But you've grown up and have your own life. In the future, you'll be farther and farther away from me. No matter what happens to you, my only wish is to see you healthy and safe. Don't ever be hurt."

Lin Wenyu nodded heavily.

!!

She stuffed the item her mother gave her into her bag. She was too embarrassed to tell anyone.

She naturally didn't need it now. She was enjoying intimate contact with Yuan Haoyang, but it wasn't to that extent.

Yuan Haoyang was going to an event, and she planned to go to the venue to take photos.

His schedule was tight, so she had been coming to his place more often in the past few days.

After parking the car, she hung the camera around her neck, picked up her bag, and got out.

"Doctor Lin."

A familiar warm voice sounded.

Lin Wenyu saw Guo Xintao standing not far away.

He had given her a few gifts, but Lin Wenyu ignored him, so he stopped.

Lin Wenyu thought that he would retreat, but she didn't expect him to approach her again.

Lin Wenyu looked at him coldly. "I'm not here for you."

"I know you're looking for Yuan Haoyang," Guo Xintao said calmly with a hint of displeasure.

His concert was inferior to Yuan Haoyang's, and the woman he was pursuing was also throwing herself at Yuan Haoyang.

This was intolerable.

In particular, this woman was just a fan. He was supposed to have her wrapped around his finger, and he could do whatever he wanted with a flick of his finger. Who could've expected that she was so arrogant that she turned a blind eye to him?

"Since you know, please move aside." Lin Wenyu was dissatisfied that he was blocking her way.

Guo Xintao raised his hand and propped it on the pillar in the underground parking lot. With this move, he half-trapped her.

He clearly did the same things as Yuan Haoyang, but he looked extremely greasy. He was not as carefree as Yuan Haoyang at all.

Lin Wenyu's dissatisfaction was about to overflow.

Guo Xintao said in a low voice, "You've liked me for many years. I've seen all the photos you've edited for me. They're very exquisite. I also like the cartoons you drew. Now, I'll give you a chance to really like me. Are you really willing to give this chance up?"

This face really deserved a beating. He thought that he was extraordinarily charming, but he only made Lin Wenyu's eyes hurt.

She reached out to grab his tie and said fiercely, "Guo Xintao, leaving your fan club and not trampling on you is the last bit of tenderness I have for you! Please stay away from me. Otherwise, I don't mind dishing the dirt on you!"

Guo Xintao frowned slightly before smiling. "It's up to you, then."

He believed that it was impossible for Lin Wenyu to know anything bad about him, but it was hard to say if Yuan Haoyang did. If Yuan Haoyang really used Lin Wenyu to suppress him, it would indeed be a little difficult.

Lin Wenyu let go of him and sneered.

Guo Xintao dusted off his clothes. He turned sideways and let her pass.

Lin Wenyu left.

After she walked away, Guo Xintao asked, "Did you take a photo?"

Brother Cai, who was hiding at the side, ran out. "I captured it! It's clear, especially when she grabbed your tie. Her performance was even more exciting than we had hoped! If this video is released, Lin Wenyu will be scolded to death!"

"It doesn't matter if she's scolded or not. I just want to see how Yuan Haoyang is going to be with her!"

Brother Cai smiled and said, "That's for sure. If the video is released, Yuan Haoyang will either break up with her or admit that he picked up what you dumped! No matter what, Yuan Haoyang's losses will be huge! Hahaha, this drastic measure is enough to deal a blow to Yuan Haoyang for a period of time. It's enough for us to take back his market!"

[A woman seduced Guo Xintao late at night and resorted to force!]

[A fan stalked and molested Guo Xintao. Is she a real fan?]

[Guo Xintao was harassed in the parking lot. The woman is the perpetrator!]

[Explosive! Explosive! A woman forced herself on Guo Xintao late at night, but he successfully dodged!]

Various marketing accounts posted the same video at the same time. The video was muted, and one could only watch what was happening.

A woman stopped Guo Xintao in the underground parking lot and grabbed his tie. It seemed that she wanted to do something to Guo Xintao!

She tugged it, entangling herself with him. Her movements were bold and wild, shocking everyone!

Moreover, some of the headlines were very ambiguous. It was unknown if the woman had succeeded in forcing herself on Guo Xintao or if Guo Xintao had succeeded in dodging.

How could Guo Xintao's fans tolerate their idol being seduced by such a woman? They immediately criticized her!

[Who is this? She's so shameless! How could she do such a thing to Tao Tao?]

[Is she crazy? What exactly is she doing? She actually followed him to the underground parking lot of his residence!]

[Shameless people are really invincible. Is this considered sexual harassment? Can we sue this woman?]

[Tao Tao, don't be afraid. All of us will protect you!]

[This woman looks a little familiar?]

[Isn't she Lin Wenyu, the one who was involved in the scandal with Yuan Haoyang and Guo Xintao last time? I remember that Lin Wenyu is Tao Tao's fan. She's been editing his photos for several years. After what happened with Yuan Haoyang, she stopped editing photos. As a doctor, it's fine for Lin Wenyu to like Tao Tao, but it's not appropriate to follow Tao Tao like this and harass him, right?]

[This kind of fan is so scary! Who knows what she's thinking? I can only scold her to let her know that her behavior isn't okay!]

Of course, the video was shot from a particular angle, so it didn't seem like Guo Xintao was the one who went to look for Lin Wenyu. Instead, it seemed like it was Lin Wenyu's wishful thinking to cling to Guo Xintao.

Lin Wenyu could not defend herself.

Everyone in the studio was also dumbfounded. They looked at Lin Wenyu and Yuan Haoyang in shock. They didn't dare to ask or say a word.

They had no idea what was the truth of the matter.

Lin Wenyu bit her lip slightly. She did not expect the scene of her meeting with Guo Xintao to be publicized in a distorted manner.

She looked up at Yuan Haoyang. She had never seen such a serious expression on his face before. He no longer looked as lazy and carefree as usual. His face was frighteningly dark.

Chapter 1644 She Gave Me A Second Life

"I..." She wanted to explain, but seeing his expression, she couldn't bring herself to.

Everyone was afraid that Yuan Haoyang would fly into a rage and kick Lin Wenyu. That would be really troublesome!

Ah Guo came forward, prepared to stop Yuan Haoyang as soon as he showed signs of getting violent.

The others thought that if he showed any signs, they would quickly go over and protect their sister-in-law. It was fine if they were kicked, but if a delicate woman like their sister-in-law was kicked, they would really be doomed!

Yuan Haoyang reached out to Lin Wenyu.

Ah Guo hugged him around the waist. The others quickly surrounded Lin Wenyu. "Brother Haoyang, don't be like this!"

"Brother Haoyang, let's talk things out!"

"It's obvious that the angle of the video was deliberate. Guo Xintao must be framing her! Brother Haoyang, think twice!"

Yuan Haoyang: "..."

Lin Wenyu walked past everyone. "Don't stop him. Let Yuan Haoyang say whatever he wants."

"Sister-in-law, you can't do that! You won't be able to handle Brother Haoyang's kick."

Ah Guo still held Yuan Haoyang tightly. "Sister-in-law, I'll stop him. Protect yourself first!"

Yuan Haoyang looked at these people speechlessly and said solemnly, "Lin Wenyu, are you willing to be with me forever?"

Lin Wenyu was stunned for a moment. "Yes."

"If you're with me, you might be gossiped about and you might suffer a lot. Are you still willing to be with me?"

"Yes!" Lin Wenyu's tone became firm.

"Then... let's make it public." Yuan Haoyang looked at her seriously.

Everyone: "..."

'Who am I? Where am I? What am I doing?'

Everyone then reacted. "It's good to make it public. It's wonderful to make it public! How could Brother Haoyang's real girlfriend harass Guo Xintao? Let's publicize it! Let's publicly slap his face! We'll slap his face to the ground!"

...

While Lin Wenyu was being criticized and scolded by everyone, Yuan Haoyang posted on Weibo: [Hello, everyone. This is Yuan Haoyang. Half a year ago, I met Lin Wenyu and was saved by her. Under her treatment, I recovered from my injuries. My parents gave me life, and she gave me my second life. During the process of interacting with her, I gradually became attracted to her and fell in love with her smile. Finally, my efforts paid off. After all sorts of efforts, I obtained her approval and she became my girlfriend. It's my honor to fall in love with her. @I told you to be obedient but you didn't listen, I'm listening now!]

As soon as Yuan Haoyang's Weibo post was released, it exploded!

He was already a popular national idol with hundreds of millions of fans. He was also the most popular singer in the singing and dancing world. Recently, his new album and concert had made him even more popular!

No matter who his relationship was with, it would cause an uproar.

Moreover, the person he announced was Lin Wenyu, who had just 'harassed' Guo Xintao!

After the staff rushed to fix Weibo's server, the fans could finally log in again.

Some people expressed strong dissatisfaction. [Why? I can accept whoever my man likes, but why does it have to be Lin Wenyu? Don't you know that she's Guo Xintao's fan? She must be a hater. She must be deliberately messing with you!]

[Please don't date her. If you're with her, I'll stop being a fan!]

[Lin Wenyu must have poisoned you, wake up!]

[Haoyang, only us fans are the ones who truly love you. Please don't go astray!]

However, there were also some who didn't care. [Haoyang is about to turn 30. Do you really want him to remain single? If you like him, don't you want to see him happy and fulfilled?]

[Lin Wenyu is actually quite talented. She entered the junior class at the age of 14 and graduated with a Ph.D. in her early 20s. She's already a famous doctor. She knows how to edit photos and draw. Who else is more suitable for Haoyang than her? When Haoyang's illness flares up, will you be the ones treating him? I still think that the person who's best suited to be beside Haoyang is a doctor. There's nothing better than this!]

[Besides, this is really a slap in Guo Xintao's face. Lin Wenyu is already dating Haoyang, so why would she still pursue Guo Xintao? Is she too free?]

[No wonder Haoyang changed his Weibo username to 'listen'. It turns out that it's because Lin Wenyu's Weibo username is 'I told you to be obedient but you didn't listen'. I'm so impressed! What kind of peerless PDA is this?!]

The people who objected couldn't help but shout: [But look, Lin Wenyu is Guo Xintao's fan! Aren't you worried that such a person is Haoyang's girlfriend?]

[That's right. This woman is really too much. She's with Haoyang but harasses Guo Xintao. Won't Haoyang's life be in chaos in the future?]

[Qiuqiu Studio, take care of it. @GuitarJohnny, @ViolinTangFeng, @LittleFatty, @AssistantAhGuo!]

[Let's do some work @AssistantAhGuo!]

Ah Guo was really panicking now. His Weibo account was about to explode from the fans!

He could only contact the rational fans to control the situation while replying: [Brother Haoyang has been the best version of himself during this period of time. His choice is without regrets, so we should also show him our unwavering support!]

The fans made a scene.

Of course, it was fruitless.

Moreover, Yuan Haoyang, who had broken away from Butterfly Music, was no longer just an idol.

His ability to play instruments and sing gradually gained him recognition in the more mainstream market.

He had arranged more than half of the lyrics for the new album.

He was walking the path of a qualified artiste now. If his fans were really irrational, they would not sacrifice his efforts thus far.

However, it would take time to get over this hurdle.

Yuan Haoyang was mentally prepared for all of this.

He took his phone from Lin Wenyu's hand and said in a low voice, "Let's not worry about this for now, okay?"

"Alright." Lin Wenyu didn't expect him to make it public.

As a fan of celebrities, she had seen all sorts of things happen. She had also seen many people lose their popularity because of this. They could no longer stand at the same height as before.

Now that she came to her senses, she regretted the huge trouble she had caused him.

Downstairs, everyone in the studio was still dealing with the pressure from all aspects.

Especially Ah Guo. Although he had three assistants now, he was still busy dealing with these things.

Ah Guo rushed upstairs and said, "Hey, big shot, don't post anything on Weibo again. Let me deal with the aftermath first. Be steady!"

"Got it." Yuan Haoyang revealed his usual lazy smile as if he did not care about what had happened today.

Lin Wenyu really regretted it and said, "If I had known this would happen, I wouldn't have let you make it public."

Chapter 1645 My Good Girl

“Huh?” Yuan Haoyang lowered his head unhappily. “Do you regret it?”

“The pressure you’re under is too great.”

“Since you’re willing to bear it with me, why should I be afraid of the pressure?” Yuan Haoyang asked.

“But they...” Lin Wenyu felt very apologetic when she saw so many people paying for her mistake.

Yuan Haoyang approached her and said with a smile, “Then do you know that I’ve asked them to practice for a long time for this battlefield?”

Lin Wenyu: “?”

“I’ve long wanted to make it public with you. I was just waiting for the right time. They’ve always been preparing for it. It’s just that this happened earlier than I imagined.”

Lin Wenyu choked. “Yuan Haoyang!”

“I’m listening.” His thin lips curved into a smile.

Lin Wenyu threw herself into his arms.

It was already a little late. Because everyone was busy, they did not have time to send Lin Wenyu home.

She had already informed her mother of this.

Yuan Haoyang said in a low voice, “Go and sleep for a while. Leave the rest to me, okay?”

“Okay.” Lin Wenyu pursed her lips.

Yuan Haoyang led her to the bathroom and found a shirt for her to wear as pajamas.

After Lin Wenyu washed up, she changed into his shirt. When she smelled his familiar scent, she felt at ease and blushed.

The wide shirt reached her legs, making it look like she was wearing a dress. Her slender and beautiful legs were exposed.

Yuan Haoyang lowered his eyes to hide his embarrassment from the heat. “Then... you should rest first.”

“Yes, I’ll go to bed after applying my skincare products.” Lin Wenyu took her bag and took out the skincare products she carried with her.

She was wearing Yuan Haoyang’s clothes and was a little nervous and embarrassed. She accidentally took out more than she intended.

The box fell to the floor.

Yuan Haoyang picked it up with his long fingers. Then, he was slightly stunned. His Adam’s apple bobbed. “This is...”

“Ah! That!” Lin Wenyu hurriedly reached out to snatch it back.

Yuan Haoyang did not move. "What is it?"

There was a hint of desire and doubt in his eyes.

"My mother gave it to me. She said that women have to protect themselves when they're outside. I just stuffed it into my bag." It was not a big deal, but her face turned red as she spoke. She felt terrible. If she had known, she wouldn't have kept it in her bag.

"Does that mean that Mom is satisfied with me as her son-in-law?" Yuan Haoyang approached her and let out a breath from his hoarse throat.

Lin Wenyu didn't even notice that he had changed how he called Qin Zufang. It went from 'Aunt' to 'Mom'.

He picked out a packet from the box with his long fingers. This small gift undoubtedly stirred up the undercurrent he had been hiding.

He kissed her lips carefully, and she was pressed onto the soft bed.

She was evasive, warm, and shy. She was forced into a tangle of emotions.

Yuan Haoyang let go of her and placed his strong arms beside her shoulders. His voice was low and hoarse. "Can I, Wenyu?"

Lin Wenyu closed her eyes and blinked, acquiescing to his actions.

"My good girl." He kissed her face tenderly.

A sudden ringtone broke the warmth of the moment.

Lin Wenyu was so frightened that she shivered. Yuan Haoyang kissed her. "Don't worry about it, okay?"

Chapter 1646 Good Night, My Man

"It's my father calling," Lin Wenyu said, biting her lip. Her father had always been strict. When she heard the customized ringtone, her legs went weak from fear.

Yuan Haoyang was forced to stand up.

Lin Wenyu quickly picked up the phone.

Lin Hancheng said something on the other end of the line. Lin Wenyu bit her red lip. "Dad, I didn't..."

"Come home immediately!" Lin Hancheng's last sentence was so loud that Yuan Haoyang heard it too.

She put down the phone and said, "My father saw the news tonight. I haven't told him about us yet."

"Then I'll personally apologize to him tomorrow," Yuan Haoyang said sincerely.

"He wants you to come to my house tomorrow, but I have to go back now."

Lin Wenyu glanced at the scene in the room and felt a little guilty. "I'm sorry."

"I won't take it to heart if you call me your man one more time." Yuan Haoyang patted her head.

“In your dreams.” Lin Wenyu didn’t let him succeed.

“Then let me send you back.” Yuan Haoyang quickly put on his clothes.

Lin Wenyu shook her head. “My father might have personally come to fetch me.”

Yuan Haoyang: “...”

He immediately tensed up. It seemed that his father-in-law was much harder to deal with than his mother-in-law.

However, no matter how difficult it was to deal with him, he was still his father-in-law. Besides, the trouble tonight was also because of him.

He sent Lin Wenyu outside the villa. There were several cars parked outside in a row. They looked grand and solemn.

Yuan Haoyang tensed up again. He held Lin Wenyu’s hand tightly, afraid that if he let go, he would be abandoned.

“Come early tomorrow,” Lin Wenyu said.

Yuan Haoyang heaved a sigh of relief. He remembered that his father-in-law still wanted to see him tomorrow.

“I’m leaving now.” Lin Wenyu let go of his hand.

Yuan Haoyang could not bear to part with her, but he could only wave at her coolly, indicating for her to go back quickly.

Lin Wenyu took a few steps and ran back. She stood on her tiptoes and whispered in his ear, “Good night, my man.”

Yuan Haoyang grinned from ear to ear. His heart skipped a beat when he heard those words. When he regained consciousness, the woman had already gotten into the car and left.

Before he returned to the studio, everyone was asking worriedly, “So, Sister-in-law’s father is still not satisfied with Brother Haoyang?”

“After the news was released tonight, Sister-in-law was scolded badly. What if you were her father?” Johnny asked.

Tang Feng thought for a moment and said, “I’ll definitely marry my daughter to Brother Haoyang as soon as possible!”

“Get lost!” everyone shouted at him.

When Yuan Haoyang appeared, everyone fell silent. Ah Guo leaned forward and said, “Brother Haoyang, the situation is temporarily under control. Now...”

“Now, help me look for a suitable suit. I want to look gentlemanly, and I want to leave a good impression on the elderly,” Yuan Haoyang said. “Also, prepare the gifts for my future parents-in-law.”

“So you’re officially meeting her parents tomorrow?” Everyone cheered in unison and began to take out their phones to check. After all, they were also single. Deciding what gifts to get was a real headache!

...

In the villa.

Early in the morning, everyone got busy.

“Isn’t Brother Haoyang just changing his clothes? Why is he taking so long?”

“I don’t know. It’s been two hours!”

“Take this set to him too. Hurry up!”

Yuan Haoyang didn’t sleep at all, but he was in high spirits and didn’t look tired.

He tried on one set of clothes after another. He rarely wore formal clothes. Even when he attended various activities, he wore what he wanted. He usually wore fashionable brands.

The formal clothes in his wardrobe were sent by various brands. He spent several hours trying them on, but he could never decide on one. It was either because the color was not right or because the style was not good enough.

“Big shot, these are all top brands in France and Italy. You have such a good figure. If you wear these clothes, everyone will come begging you to be their brand’s ambassador. Why do I feel that every suit looks good on you?” Ah Guo waited on her from the side. Seeing that there was only one suit left to try, his eyes were about to turn red.

In the end, Yuan Haoyang chose a dark blue suit and a dark red tie with dark gold stripes. He looked calm and low-key.

“My Brother Haoyang is so handsome!”

“Brother Haoyang, this will definitely work!”

“I’ll give you a thumbs-up!”

Yuan Haoyang carried the gifts and got into the car. Coincidentally, Guo Xintao and Brother Cai also came by.

When Guo Xintao saw him, he raised his eyebrows and stepped forward with a smile. “Yuan Haoyang? I really didn’t expect that you’d treat a fan whom I don’t even want like she’s some treasure. She’s such a cheap woman. Hahahaha, do you know how many fans you lost last night? Speaking of which, I’m really impressed by you!”

Yuan Haoyang rushed forward and punched him hard.

Guo Xintao was no match for Yuan Haoyang at all.

Brother Cai stopped him. “Yuan Haoyang, it’s your own matter who you decide to date. Why? Are we not allowed to say anything about your choice?”

Yuan Haoyang retracted his fist. If not for the fact that he was about to meet Lin Wenyu's father, he would have beaten Guo Xintao up!

"Guo Xintao, don't let me see you again!" Yuan Haoyang got into the car and drove away.

Guo Xintao was furious. "F*ck!"

"Tao Tao, don't be angry. He wants to make his relationship public, right? I'll just look for a few marketing accounts to exert some pressure on him!"

Guo Xintao tidied his clothes. "Go ahead. I want to see how he'll clear his name in the future!"

Immediately, the marketing accounts started to stir up trouble. The gist of the content they released was that Yuan Haoyang had picked up Guo Xintao's trash. Even if Yuan Haoyang's performance was better than Guo Xintao's, he would be mocked for this matter for the rest of his life.

At the same time, the marketing accounts also said that Yuan Haoyang's woman was having an affair with Guo Xintao.

When the people in the studio saw this, they were anxious and angry. However, they did not dare to tell Yuan Haoyang about it now. They could only work together to control the situation.

Although Yuan Haoyang did not know about these things, he had a premonition.

Guo Xintao was petty and jealous. He liked to step on others. He had seen it in his early years.

Lin Wenyu's involvement this time was a golden opportunity for him to strike at Yuan Haoyang. Guo Xintao would definitely make use of her to get back at Yuan Haoyang.

However, Yuan Haoyang was still most worried about the elders of the Lin family.

He was the one who caused trouble for Lin Wenyu. Guo Xintao's target was ultimately him. Lin Wenyu had only suffered on his behalf.

He should give Mr. and Mrs. Lin an explanation for letting her bear all this.

In the Lin family's living room.

Qin Zufang had already found an excuse to send the old madam to the temple early in the morning. She was afraid that she wouldn't be able to stand hearing about the entertainment industry and would be agitated.

Chapter 1647 I Only Want To Ask

Lin Hancheng sat on the sofa with a square face. He pointed at the news in the newspaper and knocked his knuckles hard. "Is this the relationship you're in? Have you ever thought about your father's reputation? In the past, I told you to stop chasing celebrities, but look at what you're doing now."

Lin Wenyu lowered her head and did not speak. Qin Zufang advised, "Hubby, the person Wenyu is dating is different from those celebrities."

"What's different about him? I think it's just a nest of snakes and rats!" Lin Hancheng said angrily.

“You’re wrong. What about Su Bei and Xuyan? They’re both good children!” Qin Zufang said.

Lin Hancheng’s face froze. He was speechless and angry.

Seeing that his attitude had softened, Qin Zufang said, “Can you listen to what the child has to say? Your daughter is 27 years old, not 17!”

“Even if she’s 37 or 47, she’s still my daughter! Our Lin family can afford to raise her!”

“Is this a matter of raising her or not?” Qin Zufang was speechless. She knew that her husband couldn’t bear to let their daughter leave home, so he was taking this opportunity to throw a tantrum.

She knew her husband’s thoughts all too well. She was the same. She wanted her daughter to get married, but she could not bear for her daughter to leave. She was worried that her daughter would suffer. Her heart was filled with conflict.

Lin Wenyu sat at the side and didn’t say anything. Lin Hancheng glanced at her and got angry again. “It’s only been a few days since I last saw you, yet you were staying out all night! Didn’t you see how those people on the internet are scolding you? You’re making your father unable to go out and see anyone!”

Lin Wenyu said aggrievedly, “Dad, those people are spouting nonsense. Do you think I’m that kind of person too? It was only last night that I didn’t come home but you just so happened to catch me. Who knew you’d be so scary?”

Lin Hancheng: “...”

When his daughter felt wronged, he could not say anything.

The butler took the opportunity to walk over and say, “Sir, Madam, there’s a young man with the surname Yuan outside. He wants to see you.”

“Let that little brat in!” Lin Hancheng shouted sternly.

The butler trembled and mourned for the young man.

When Yuan Haoyang stepped in, he was very polite, but it did not make Lin Hancheng’s expression improve.

Lin Wenyu waved at him from the side, but she didn’t dare to approach him. What she did last night made her feel guilty in front of her father. She could only pretend to be obedient now.

“Haoyang, have a seat,” Qin Zufang said.

Yuan Haoyang thanked her and sat down.

Lin Hancheng’s voice was like a loud bell. “If I hadn’t asked you to come, you wouldn’t have come, right?”

“Dad, I’m the one who arranged for things to be this way. I didn’t plan to have you two meet for the time being...” Lin Wenyu was the first to speak.

“I didn’t ask you to speak!” Lin Hancheng was even more unhappy when he saw his daughter defending Yuan Haoyang.

Qin Zufang comforted her, saying, "Daughter, your father is angry right now. Don't say too much."

Yuan Haoyang took the initiative to admit his mistake. "Uncle, my relationship with Wenyu has stabilized, but I didn't think to ask for your and Aunt's opinion first. It's my fault. If I make any mistakes in the future, please forgive me. Secondly, I hope you can sincerely guide me."

He was usually an unruly person, but now, he was extremely serious. Every word he said came from the bottom of his heart and was extremely sincere.

Lin Hancheng snorted. "If you don't do a good job, I won't marry my daughter to you! Go and see what the internet is saying about my daughter now. My daughter hasn't suffered any grievances in the Lin family for more than 20 years. She's only been with you for a short period of time, but she's already been scolded to this extent. You want me to hand my daughter to you without worry? What can you use as a guarantee?"

"It's true that I didn't think things through this time. I'll think of a way to resolve this matter as soon as possible. Uncle, with my profession, it's indeed inevitable for me to make such mistakes occasionally. However, I'll definitely do my best to protect Wenyu in the future and reduce her chances of being scrutinized by the public."

"You want me to believe you? Do you think you can convince me?" Lin Hancheng said angrily.

Lin Wenyu wanted to speak a few times, but Qin Zufang stopped her.

Yuan Haoyang stood up and said calmly, "Uncle, why don't you believe me this once? After all, our goals and interests are the same."

Lin Hancheng narrowed his eyes.

"We just want to take good care of Wenyu. We want her to be happy and see her safe and sound," Yuan Haoyang said word by word in a soft but firm voice.

Lin Hancheng's sharp and penetrating eyes stared at him.

Yuan Haoyang met his gaze. "It's very offensive to say this, but Uncle, you're from the previous generation, after all. You have your life, while Wenyu has hers. Her life and her future require someone to be by her side. You can choose not to believe me, but I'm also the only one you can believe in."

"Don't be too arrogant!" Lin Hancheng was furious. "The Lin family has other options besides you."

"Pardon me for my arrogance." Yuan Haoyang's eyes flickered. "I just want Wenyu."

Lin Wenyu broke free from Qin Zufang and went to Yuan Haoyang's side. She stood beside him. "Dad, if you want me to marry someone, I'll only marry him. I won't marry anyone else."

Lin Hancheng was angry, but looking at his daughter, he couldn't flare up at all.

Qin Zufang tried to smooth things over. "Alright, alright. You've said what you needed to say. If you have anything else to talk about, just talk calmly. Don't scare the children."

She then instructed Yuan Haoyang to pour tea for Lin Hancheng.

Yuan Haoyang did as he was told and served tea respectfully.

Lin Hancheng snorted and did not refuse. After drinking a cup of tea, he slowly recalled Yuan Haoyang's words and felt that they made sense.

He had already gotten someone to investigate Yuan Haoyang. Although his family's situation was a little complicated, he had never been in a relationship or done anything rash in the years he had been in the entertainment industry. All he did was practice dancing and work out.

He was not involved in any of the messy things in the entertainment industry. This indeed made Lin Hancheng unable to form an argument.

If it weren't for the results of this investigation, Yuan Haoyang wouldn't even have been able to make it through the front door!

"Then what has your family said about your marriage?" Lin Hancheng asked.

Yuan Haoyang deliberated over his words. "My mother has already passed away. My father and stepmother live together. I can make my own decisions."

"What if they make things difficult for Wenyu?"

"I won't give them a chance." Yuan Haoyang said without hesitation, "If you can't bear to part with her and if Wenyu is willing to stay in the Lin family to accompany you in the future, I'll respect her opinion."

He didn't have much familial love to begin with. In the future, he would naturally live wherever Lin Wenyu wanted to live.

Lin Hancheng's brows finally relaxed. He snorted. "You want to marry my daughter so soon? Dream on! At least let me observe you for a few more years."

Chapter 1648 You Have To Be A Little Green

Seeing that he was relaxed, Yuan Haoyang raised his eyebrows slightly. "It's all up to you, Uncle."

After Liu Yuanhao Yang had lunch, Qin Zufang asked Lin Wenyu to send him off while she talked to Lin Hancheng.

"This child could even withstand an investigation by you. It means that he's a good person," Qin Zufang said with a smile. "Besides, there's nothing bad about this industry. Look at Su Bei and Xuyan. Aren't they also happy?"

Lin Hancheng sighed and said, "My daughter should marry a man who'll protect the country! I don't like the kind of debauchery in the industry that brat is in!"

"Children have their own lives to lead!" Qin Zufang said. "It doesn't matter as long as they're good people."

Lin Wenyu accompanied Yuan Haoyang out and apologized, "I'm sorry. My father is just a little impatient. He didn't mean to make things difficult for you."

"I know. If Uncle was really making things difficult for me, he wouldn't have let me come." Yuan Haoyang looked carefree.

"That's true. With my father's temper, he won't even say a word if he really dislikes someone, let alone let them come to his house," Lin Wenyu said with relief.

She then glanced at him and said, "My father might have gotten someone to investigate you. If you mind, I'll talk to him about it."

"It's not that I don't mind, but I've already thought about it. If I had a daughter, I might fly into a rage if any brat wants to marry her. I'd even be tempted to break his legs!" Yuan Haoyang said. He looked at her little face and said, "Especially if my daughter looks exactly like the person I love the most."

Lin Wenyu punched him. "Nonsense!"

The two of them calmed down. Although Lin Hancheng's attitude was still stiff, it seemed that they had barely passed this round of tests.

"I'll go back and settle the matters on the internet first," Yuan Haoyang said. Thinking of Guo Xintao, he still had a pile of debts to settle with him. "Go back first. Don't let Uncle worry."

Lin Wenyu pulled him back. "Wait a minute. When I went home last night, I realized that when I was stopped by Guo Xintao, my camera was accidentally turned on. I recorded the scene of me meeting him!"

"Did you capture everything?" Yuan Haoyang asked.

"Yes. I've already made a copy of it. I'll send it to you now. You can decide how to post it." Lin Wenyu immediately turned on her phone and sent it to Yuan Haoyang.

Yuan Haoyang knew that Guo Xintao was doomed this time!

...

[Yuan Haoyang is really too much. He picked up Guo Xintao's trash and treated it as a treasure. Does this mean that he can't beat Guo Xintao with his own achievements and can only rely on such things to make his presence known?]

[Sigh, I really don't understand. Yuan Haoyang's talent isn't bad either. Why would he do such a thing?]

[If you want to live a good life, you have to be a little green. Yuan Haoyang knows the essence of life very well.]

The mockery on the internet reached its peak during the day.

At this moment, another video of Guo Xintao and Lin Wenyu's encounter was released. It was taken from another angle.

Then, it quickly became a trending topic.

The words in the video were clearly heard. Those actions and the words said had a completely different meaning.

Lin Wenyu said, "I'm not here for you."

Guo Xintao responded, "I know you're looking for Yuan Haoyang."

"Since you know, please move aside."

"You've liked me for many years. I've seen all the photos you've edited for me. They're very exquisite. I also like the cartoons you drew. Now, I'll give you a chance to really like me. Are you really willing to give this chance up?"

"Guo Xintao, leaving your fan club and not trampling on you is the last bit of tenderness I have for you! Please stay away from me. Otherwise, I don't mind dishing the dirt on you!"

"It's up to you, then."

Although the video was not very clear and stable, it captured the situation.

The truth could be heard very clearly.

Guo Xintao's fans shouted: [It's fake! It must be dubbing!]

[That's right. Why would Tao Tao ever like Lin Wenyu? It's simply the biggest joke in the world!]

[I think she deliberately dubbed the video to defame Tao Tao!]

Yuan Haoyang's fans finally heaved a sigh of relief. Since yesterday, Yuan Haoyang had been ridiculed by the crowd and suppressed by Guo Xintao's fans. Now, he could stand proud again.

[Who said that Lin Wenyu took the initiative to look for Guo Xintao? Hasn't it been made clear in the video? Guo Xintao was in heat and thought too highly of himself by looking for Lin Wenyu!]

[Besides, listen to Lin Wenyu's tone. She's too cold! She doesn't like Guo Xintao at all. Lin Wenyu was there to look for Yuan Haoyang. Guo Xintao shouldn't flatter himself, okay?]

[I actually think that Lin Wenyu's action of grabbing Guo Xintao's tie was a little cool. She even said 'leaving your fan club and not trampling on you is the last bit of tenderness I have for you!' Listen, only such a person is worthy of our Haoyang!]

[It turns out that Guo Xintao didn't cheat on Yuan Haoyang at all. It's just that Guo Xintao wanted to snatch Yuan Haoyang's woman but didn't succeed at all! How embarrassing! The woman was already so cold to him, but he was still shameless enough to show off!]

[Lin Wenyu is actually quite domineering. Her words are very powerful!]

Public opinion immediately flipped. After all, the video had been analyzed by various professionals. There was no deliberate editing, let alone dubbing.

[His voice is exactly the same as Guo Xintao's. Guo Xintao's fans must be stupid. They can't even recognize their idol's voice.]

[Dubbing? How can the voices sound so identical? The words even match the shape of their mouths. Could this be an international blockbuster?]

Compared to the fans stepping on each other, the netizens were more concerned about what Lin Wenyu had said: "Please stay away from me. Otherwise, I don't mind dishing the dirt on you." They all posted: [I sincerely ask, what sort of scandals did Guo Xintao commit? Not only did it make Lin Wenyu stop being a fan, but it also made her so disgusted with Guo Xintao.]

[I want to know too! Doctor Lin, please tell me!]

[Doctor Lin, please satisfy our curiosity. Save us!]

[Could it be that Guo Xintao has been deceiving his fans?]

[Or did Guo Xintao do something worse?]

Overnight, the scales of the battle between Yuan Haoyang and Guo Xintao began to tilt completely. No one said anything about Yuan Haoyang and Lin Wenyu anymore. Instead, they started to study Guo Xintao's scandal.

In the early years, he had some scandals that included being kept by a big shot, having undergone plastic surgery, and so on. They were all very popular topics and could not be suppressed.

Guo Xintao did not expect to encounter such a situation once more.

Chapter 1649 I'll Take You Down With Me

"Didn't I tell you to take away the surveillance cameras in the parking lot? Why is this happening now?"

Brother Cai immediately said, "I took them away. I took them all. I wonder how Lin Wenyu managed to get it. Damn it! I was tricked by this woman!"

"Let's suppress the negative news first! Also, what scandals does Lin Wenyu have?"

Guo Xintao was very afraid. He and Yuan Haoyang had both won and lost over the years, but neither of them had ever lost miserably like this.

!!

Strictly speaking, he had some dirt on him, but they would not really cause him to be embroiled in a scandal. However, Lin Wenyu was so confident that he was really a little afraid.

After all, he was not as clean as Yuan Haoyang, who could afford to be investigated thoroughly!

Brother Cai didn't know either. Not knowing was the most terrifying!

Lin Wenyu was Guo Xintao's fan for so long previously. If she really brought out any dirt, she might trample him to death.

"I'll go suppress Lin Wenyu!"

...

Lin Wenyu had made an appointment to have dinner with Yuan Haoyang, but she received an emergency call at the last minute.

"I have to go for a consultation first," Lin Wenyu said. "I don't know if we can eat together tonight."

"It's okay. You go ahead with your work." Yuan Haoyang hung up the phone and went to her favorite restaurant. He got takeaway and brought the food to the hospital.

The patient's stomach was hurting, but Lin Wenyu couldn't find any problems for the time being. The patient's husband became more and more irritable. "What's going on? What's wrong with my wife? What kind of doctor are you? Can you treat illnesses or not? If you can't treat, why are you a doctor?"

"Can you be quiet? I still need to do another check-up. If you keep talking, it'll affect my work," Lin Wenyu said.

The man took out a fruit knife. "If you can't treat my wife, I'll die with you!"

"Ah!" The nurse screamed in fear when she saw the fruit knife.

Lin Wenyu calmly stepped forward and grabbed his wrist, knocking the fruit knife to the ground.

Seeing that the person was about to charge at the nurse again, Lin Wenyu quickly went to save the nurse. At that moment, the person kicked Lin Wenyu!

Just as he was about to kick Lin Wenyu's abdomen, the 'female patient' beside him picked up the fruit knife and stabbed at Lin Wenyu!

The situation was very critical!

The 'female patient' did not look sick at all. At this moment, her actions were straightforward!

At the critical moment, Yuan Haoyang arrived in time to stop that person. He kicked the man and 'female patient' out.

He reached out to support Lin Wenyu and asked anxiously, "Are you okay?"

"It's okay. Those two people are going to run away!" Lin Wenyu saw the female patient who had complained about her stomachache standing up to run away.

Yuan Haoyang rushed over and knocked down the two people who were escaping.

Seeing that they could not escape, the two of them simply lay on the ground and acted shamelessly. "The doctor hit someone! The doctor failed to treat her patient, so she tried to kill them! What kind of world is this?! The doctor hit someone!"

The security guards rushed over and arrested the two of them.

Although the two of them kept acting helpless, the surveillance cameras in the hospital explained everything.

The police rushed over and took the two of them away. The two of them confessed that someone wanted them to deliberately cause a medical dispute.

It was best for them to take the opportunity to injure Lin Wenyu before pretending to be sick and deliberately smearing her reputation.

Moreover, the other party had given them 300,000 yuan!

Yuan Haoyang frowned. "Ordinary fans and even anti-fans won't be able to spend that much money to defame others. Only Guo Xintao can do this."

"Is he worried that I'll expose the dirt I have on him?" Lin Wenyu laughed. "The dirt I have on him is nothing. But since he forced me, I don't mind saying it."

Later on, the hospital released the news that two people had tried to hurt Lin Wenyu in the hospital.

The video was shocking.

The two of them had obviously come prepared. One pretended to be sick while the other attacked with a knife. The one pretending to be sick picked up the fruit knife that fell to the floor and was about to attack. Fortunately, Yuan Haoyang arrived in time!

Medical disputes were a problem that the entire society hated. The medical staff did their job well, but they still had to be bullied by these people. The public had long hated these people.

This time, Lin Wenyu was almost stabbed, causing many people to discuss the matter.

[I've seen Doctor Lin before and was fortunate enough to be treated by her. Her temper isn't the gentlest, but she's definitely very professional. Previously, I went to many hospitals for treatment, but I didn't recover. It was because she tirelessly formulated many medical plans for me that my life was saved!]

[Yes, Doctor Lin's medical skills are really good. She did her best for my mother before. I can't imagine that someone would do such a thing to her! These people obviously came prepared. I hope the police will investigate it!]

[If this continues, who will dare to be a doctor? Not only will they be deliberately harmed, but they'll also be deliberately slandered. With all due respect, there'll only be fewer and fewer medical staff in the future. If we ever fall sick, we can only wait for death!]

[We have to punish such people severely!]

[The police reported that they got paid 300,000 yuan to deliberately cause trouble for Doctor Lin!]

[Could it be Guo Xintao? Doctor Lin doesn't have any enemies, right? Only Guo Xintao would do such a thing, right?]

Although Guo Xintao's fans tried their best to deny and refute the rumors, as long as one person said such words, countless voices would immediately gather.

Lin Hancheng was furious and ordered a thorough investigation.

In the end, the matter was traced to one of Brother Cai's relatives, then the clues were cut off.

This could not convict Guo Xintao and Brother Cai, but in the eyes of the outside world, this matter was definitely related to Guo Xintao.

"Fortunately, Haoyang arrived in time and saved our daughter," Qin Zufang said with lingering fear. "At that critical moment, anyone who rushed forward could have been injured, but Haoyang did it."

Lin Hancheng had also seen the surveillance video. He was afraid that Yuan Haoyang had deliberately set up a trap to save the damsel in distress. However, after watching the video, he knew that it was definitely not a trap.

He was also satisfied with Yuan Haoyang.

Lin Wenyu was not injured, but the hospital still gave her a long leave to rest.

In the villa.

The people from the studio surrounded her and asked, "Sister-in-law, fortunately, you're fine. Otherwise, Brother Haoyang would definitely be anxious."

"That's right, that's right. When he came back that day, he was trembling. He wasn't scared of what could've happened to him. He was afraid that something would've happened to you. After all, he's been in a lot of fights before. But I've never seen him tremble like that."

Chapter 1650 Just Take It As Though I've Wasted My Time

"Sister-in-law, what do you want to eat? We'll buy it for you. Just ask!"

Lin Wenyu couldn't bear to reject their kindness, so she casually named a few things that she wanted to eat.

She went upstairs. Yuan Haoyang had just changed his clothes and came down. When he saw her, he smiled. "I'll take you out to eat."

"It's alright. Ah Guo and the others have already gone out to buy some food. I want to do something more important now."

"What is it?"

Lin Wenyu said, "I'll explain to everyone why I'm no longer a fan of Guo Xintao. Perhaps this is just a very small matter, but since he's indeed such a person, there's no need to be afraid of everyone knowing."

She took out her phone and made a post on Weibo.

[I know everyone is curious as to why I'm no longer a fan of Guo Xintao. In the past, I didn't think it was necessary to expose the reason and trample on Guo Xintao. But now, I think he's not worthy of me following this etiquette. Previously in a hotel, I heard him call the fans waiting for him outside 'ugly things.' He said he was so disgusted by them that he was about to vomit. I don't have evidence for this, so you can do whatever you want with this information. It's up to you whether you believe him or not.

[Later on, I realized that he had collected his fans' notebooks, saying that he would sign them and return them afterward. However, after he brought them to the room, he asked his manager and assistant to sign them. That's all I know. I was a fan for five years and couldn't accept all of this, so I announced that I would quit being a fan that day.]

The reason Lin Wenyu gave was indeed a very small matter. In front of many big scandals, it was not worth mentioning at all.

Some fans even continued to support Guo Xintao after the medical incident.

Hence, Lin Wenyu did not expect the fans to sober up after reading her post.

However, the development of the matter was unexpected.

After she posted this, many people left the fandom.

[Actually, I've long realized that Guo Xintao's signature changes each time. Although the general appearance hasn't changed, the details can't withstand scrutiny at all. In the past, I comforted myself by saying that perhaps his handwriting changed over time. Now, I know that he just doesn't take us seriously!]

[I've learned to analyze one's handwriting before, and I can confirm that Guo Xintao's signature and handwriting are indeed different every time. Lin Wenyu is right. I can only say that there are some people I can't afford to be fans of. I won't be supporting him again in the future.]

[I've been a fan of him for so long. Now, my heart has collapsed.]

[Goodbye, my youth.]

[Let's not talk about it anymore. I'll just take it as though I've wasted my time.]

[Lin Wenyu, I'll join you too. I'm not a fan anymore.]

[Hehe, ugly thing? I gave him three years of my life just for him to call me an ugly thing? I won't be ugly anymore!]

The speed at which the fans left the fandom was faster than anyone had imagined.

Guo Xintao's reputation collapsed overnight.

His company, Four Seas Records, naturally wanted to find trouble with Lin Wenyu. However, Yuan Haoyang had already stood in front of them and said that if they wanted to find trouble with Lin Wenyu, they would have to step over him first.

With Yuan Haoyang's current status in the industry, Four Seas Records did not dare to go against Yuan Haoyang.

Guo Xintao could only accept the current outcome.

Tang Feng bought a lot of Lin Wenyu's favorite foods.

Everyone gathered for dinner.

Tang Feng asked, "Brother Haoyang, Guo Xintao's fans couldn't bear to leave the fandom after the medical incident and they even tried their best to defend him, but they left the fandom after being called ugly things and learning that they've been receiving fake signature. Why is that?"

Lin Wenyu also looked at Yuan Haoyang.

Yuan Haoyang smiled and said in a lazy voice, "The medical incident will, at most, hurt Wenyu and me. It has nothing to do with them. Guo Xintao calling them ugly things and giving them fake signatures have

completely exposed their humble mentality. It has also directly stabbed the weakest and most fragile relationship which they have with Guo Xintao. Only when something hurts them will the stakes be called stakes.”

Fans, idols, netizens, and the entertainment industry probably had the same relationship.

When it had nothing to do with them, everyone was just an onlooker.

Only when it concerned their personal interests would it hurt.

“Brother Haoyang is the best. He hit the nail on the head!” Everyone gave him a thumbs-up!

...

After Guo Xintao’s image collapsed, it did not seem to have much of an impact on the surface. After all, there was no direct evidence to prove that he was involved in the medical dispute. The matter of the autograph was not a big deal to outsiders either.

However, the gap between him and Yuan Haoyang was fiercely widened because of this, forming a chasm that could not be crossed.

It was all a small matter, but his career was still severely affected.

Yuan Haoyang’s popularity was stable. In everyone’s eyes, he was no longer just an idol. Instead, he was a real singer who looked like an idol.

Guo Xintao’s career as an idol had come to an end. He was trying to change his career path. Fortunately, he had previously filmed a TV drama in which he was the male lead. He placed all his hopes on this drama.

Therefore, when the investor’s daughter, Ma Xiaohui, invited him to dinner, he did not refuse.

What reason did he have to refuse? He was already in his 30s. He was old enough to date.

The investor was rich and powerful. Ma Xiaohui was a fair, rich, and beautiful woman. Other people could not even lick her boots. Her intentions were very obvious.

Brother Cai warned him, “Tao Tao, you have to be more careful. You made a big mistake spending your time on Lin Wenyu. Now, you have to seize the opportunity. Your path is wider than Yuan Haoyang’s. The next time you see that couple, you might even be able to slap their faces!”

Guo Xintao’s expression was stern. He had been sincere to Lin Wenyu... That woman was too beautiful, exquisite, and attractive.

However, just as Brother Cai had said, it was a mistake.

In the future, he would make Lin Wenyu regret it!

After Guo Xintao and Ma Xiaohui went on a few dates, they confirmed their relationship. They did not hide it from the reporters. After being photographed by the reporters, they quickly admitted it.

Ma Xiaohui’s identity as a rich and beautiful woman was quickly exposed.

Guo Xintao's remaining fans were happier than when they got into a relationship themselves. In the past, they compared Guo Xintao's performance with the performance of other artistes.

Now, they could use their idols' partners as a point for comparison.

[Speaking of Lin Wenyu, although she's a doctor, her family background is average. She's really far inferior to Ma Xiaohui! Let's see how Yuan Haoyang can compare to Guo Xintao this time!]
