C178 Double the Debt of Gratitude to Others for Saving My Life

Wu Tian was stunned for a few seconds, and couldn't help but ask: "Who exactly did your Huang Family offend?"

"Our Huang Family has offended three organizations, namely one of the two great forces of Luzhou City and one of the organizations of Jiangnan Province." Huang Ze looked straight ahead and explained in a serious tone: "Two of the big powers have already died, so the only one left now is that organization Jiang Nan."

"What kind of organization?"

"Dragon Tiger Hall."

"You mean to say, tonight these criminals were sent by Dragon Tiger Hall?"

"There is such a possibility."

"Let's return to your Huang Family first." Wu Tian didn't say much and decided to return to Huang Family to check the situation first.

When the two of them returned to the Huang Family Residence, they discovered that the aftermath had already been settled and the injured people had already been sent to the hospital.

The rest of the Huang Family were all anxious. Even though the matter had passed, it still left a shadow in everyone's heart.

As soon as Wu Tie walked into the Huang Family Main House, Huang Old Master brought someone over to welcome him and said gratefully: "Wu, many thanks to you for helping Huang Family out this time. On behalf of everyone in Huang Family, I thank you from top to bottom."

Having said this, he bowed deeply towards Wu Tian in thanks.

The people from the Huang Family all bowed to express their agreement.

If it was said that they were afraid of Wu Tian's identity before, then now, they were truly grateful to Wu Tian for helping them.

If Wu Tian didn't act to subdue those criminals previously, the people from Huang Family would inevitably be severely beaten. It was unknown whether they were alive or dead.

"Old mister, you're too polite." Wu Tian hurried forward to help Old Master up.

This was, after all, Huang Lan's grandfather. Even though Elder Sister Lan had given him face, he still had to show some respect.

"From today onwards, you are an important person to us at Huang Family. We, the people at the top and bottom of the Huang Family, will be forever grateful to you." After saying this, Huang Old Master suggested in a gentle tone: "Tonight is too late, why don't you stay at our Huang Family for a night's rest."

"Alright then!" Wu Tian nodded. He mainly considered Elder Sister Lan's safety and decided to stay the night.

"Lan, quick, bring Mr Wu to your room to rest." Huang Liwei quickly instructed Huang Lan.

"Alright, grandfather." Huang Lan answered and said to Wu Tian, "Let's go. I'll take you there."

"Alright!" Wu Tian nodded and followed Huang Lan towards the house. Azure Dragon followed closely behind.

As the three of them entered the room, Huang Lan could not help but say with gratitude, "Thank you for saving me and my family. I don't even know how to thank you."

"Elder Sister Lan, there's no need to be so polite between us."

"You saved our family, and now, you are a meritorious general of our Huang Family. Everyone in our Huang Family is very grateful to you."

"Elder Sister Lan, I acted on your behalf."

"Thank you!" After Huang Lan thanked him, she said in a low voice, a little embarrassed, "Grandpa came to find me just now. I wanted to ask you ..."

"He asked me to be his grandson-in-law?"

Huang Lan unhappily rolled her eyes, and said in a low voice: "My grandfather wants you to help us deal with those criminals with Huang Family."

"No problem." Wu Tian agreed decisively.

With those criminals eyeing Elder Sister Lan covetously, he wasn't at ease in his heart. He needed to think of a way to deal with them, and that would be the only way to get rid of them once and for all.

"Are you really willing?"

"Of course."

"My grandpa is afraid that you won't be willing!"

"The main thing is that I don't want you to be in danger."

"You treat me so well, I don't know how to repay you." Huang Lan bit her lips, her eyes filled with gratitude.

"Mutual help. You've helped me a lot before."

"I'm really glad to know you." Huang Lan took a deep breath and reminded him worriedly, "I heard that those criminals are from Dragon Tiger Hall, and they are especially vicious. You must be careful of them."

"Don't worry." After Wu Tian said this, he raised his head and instructed Azure Dragon: "You don't have to worry about me. Go and check the background of Dragon Tiger Hall, and give me an answer as soon as possible."

"Alright, I'll go now." After Azure Dragon answered, he turned around and left the room.

After Azure Dragon left, the room quieted down. There was a bit of awkwardness to the anger.

In order to resolve the awkwardness, Huang Lan suggested with a smile, "Brat, you should go take a bath first. After taking a shower, go to bed early."

"Alright." Wu Tian nodded and went into the bathroom.

He finished his shower very quickly and came out to wipe his hair with a towel. He smiled and said, "Elder Sister Lan, the towel in your house smells really good."

"You, you, you ..."

Huang Lan blushed when she saw the pink towel in Wu Tian's hand. "Why are you wiping your hair with the towel in my bath?"

"Then why didn't you say so earlier?" Wu Tian was so scared that he quickly threw away the towel.

Seeing Wu Tian like this, Huang Lan could not help but burst out laughing. She walked over, picked up a towel and scolded, "Smelly brat, you're still looking down on me."

Wu Tian scratched his head in embarrassment. He also realized that his action just now was too straightforward. He explained apologetically, "It's not that I dislike Elder Sister Lan, it's just that the taste is too strong. I'm afraid I can't control it."

Huang Lan scolded angrily and ran into the bathroom with a towel in her arms and a blush on her face.

Wu Tian shook his head with a bitter smile, turned around and went back to his room to sleep.

The next day, he was awakened by a rapid knocking sound on the door. He had originally thought that it was Elder Sister Lan who was knocking on the door.

He was so scared that he quickly put on his clothes and pants. When he was done, he opened the door and found Azure Dragon standing outside.

"Did you find out about the situation with Dragon Tiger Hall?" Seeing Azure Dragon's expression, Wu Tian knew that things were going smoothly.

"Right."

Azure Dragon nodded his head and said expressionlessly: "After many inquiries, we have already investigated the details of Dragon Tiger Hall."

"Tell me about it."

"Dragon Tiger Hall was originally a large corporation in Jiangnan. However, because of their poor management, they took the black road and relied on their grey business to expand ..."

"Get to the point."

"Huang Family was originally a small branch under Dragon Tiger Hall, but after a conflict with Dragon Tiger Hall, they betrayed the organization and ran over to Luzhou to develop it on their own. This time, Dragon Tiger Hall surprise attack was also for revenge." Azure Dragon finished recounting the enmity between Dragon Tiger Hall and them in one breath.

"Drink some water first." Wu Tian poured a cup of water and handed it over.

Azure Dragon continued to ask only after he finished his water: "Then, have you found out the true strength of Dragon Tiger Hall?"

"Dragon Tiger Hall is very powerful, they have many criminal records, and are very famous in Jiangnan."

"Can we think of a way to eliminate Dragon Tiger Hall?"

"This ..." Azure Dragon hesitated for a few seconds, and said with a deep voice: "With our current strength, opposing Dragon Tiger Hall is no different than striking a stone with an egg."

"Are their Dragon Tiger Hall that powerful?"

"Yes!"

"I understand. Go back to your work!" Wu Tian nodded as he had a rough understanding of Dragon Tiger Hall.

The strength of his Dragon Tiger Hall was extremely strong, and a small clan like the Huang Family was not his match at all. With his current personal strength, he was simply unable to compete with his Dragon Tiger Hall.

This was also the reason why Huang Liwei asked Elder Sister Lan to plead for help. It was obvious that he wanted Elder Sister Lan to use his family's power.

After some thought, he took out his phone and dialed Loong Yun's number. He asked her, "Secretary Loong, have you eaten?"

C179 Longhu Hall

On the other end, Loong Yun paused for a few seconds. She couldn't help but ask, "Why is Young Master so concerned about me having something as trivial as a meal?"

"Can't I take care of you?" Wu Tian's tone suddenly turned cold and harsh. He felt that he had been overly concerned about Secretary Loong recently.

Ever since he had accidentally looked at Loong Yun's body, he felt guilty and concerned about her from time to time.

"Sure!" Loong Yun said in a stiff tone.

"Then did you eat?"

"Nope."

"Remember to go eat breakfast later. Don't make your head go crazy from hunger."

"Alright."

"Right." After finishing his sentence, Wu Tian went straight to the point: "Secretary Loong, have you heard of Dragon Tiger Hall?"

"I've heard of it."

"You've heard of this before?" Wu Tian was a bit surprised. Loong Yun was a woman after all, so she rarely cared about these things.

"Right."

On the other end, Loong Yun patiently explained: "Dragon Tiger Hall was originally a small organization, and there were some small conflicts with the businesses under the Wu Family family. Old mister had me investigate the Dragon Tiger Hall before."

"There's a conflict with our Wu Family?"

"Right."

"The Dragon Tiger Hall is so powerful that they even dare to provoke us?"

"Young Master, maybe I didn't make it clear." Loong Yun thought in her heart for a few seconds, and explained in a serious tone: "Dragon Tiger Hall and our Wu Family do not directly conflict, but only have conflicts with the small companies under our jurisdiction, Wu Family is currently considering to eliminate Dragon Tiger Hall."

"So that's how it is." Wu Tian nodded in understanding, and tried asking: "When does grandpa plan to eliminate Dragon Tiger Hall?"

"There's no need for Old Master to show his face to deal with this kind of small organization. As for when we'll eliminate the Dragon Tiger Hall, I don't know either." After Loong Yun finished speaking, she could not help but ask, "Young Master, why are you suddenly concerned about the matter of Dragon Tiger Hall?"

"Nothing, I'm just casually asking. I'll hang up first." Wu Tian hung up after saying that.

Since the Dragon Tiger Hall had enmity with the Wu Family, he did not need to open his mouth to believe that this kind of organization would be annihilated by the Wu Family before long.

Just as he finished his call, Huang Lan walked over with a smile. "Grandpa asked me to call you to come down for breakfast."

"Alright, let's go!" Wu Tian nodded and followed Elder Sister Lan out of the residence, arriving at the main residence that was not far away.

A sumptuous breakfast had already been prepared in the dining hall. There was all kinds of food, and all kinds of different foods were available. It was simply a feast for the eyes.

"Wu, please take a seat." Huang Old Master pointed to the guest of honor beside him and said with a warm smile.

"There's no need to be so polite. Everyone, take a seat." Wu Tian smiled indifferently, walked over and sat down with Old Master.

Elder Sister Lan sat down beside him, and the other Huang Family people also sat down.

"Wu, did you sleep well last night?"

"Not bad."

"That's good. Eat quickly." Huang Old Master became especially amiable as he took the initiative to give Wu Tian food.

This made Wu Tian a bit embarrassed.

Halfway through his meal, Huang Old Master put down his chopsticks and said with a smile, "I have a presumptuous request, I don't know whether I should say it or not."

"Old mister, if you have something to say, just say it."

"Alright then." Huang Old Master sat upright, and said in a serious tone: "Our Huang Family was attacked by the criminals last night. Luckily, you took action, and saved our family from harm, but I'm worried that those criminals will come again, so I want to ask you to help our Huang Family to deal with those criminals."

"I've already promised Elder Sister Lan that I'll help you deal with those criminals."

"Thank you so much." Huang Old Master raised his wine cup and said gratefully, "Then I'll thank you on behalf of all the people in Huang Family. With you acting against me, I'll definitely make those criminals die a violent death."

"You flatter me!"

Wu Tian picked up his wine cup and sipped the wine, then asked: "I heard that your Huang Family offended the Dragon Tiger Hall?"

"Yes!"

Huang Old Master put down his wine cup, his expression heavy as he explained: "Because of history, we have a deep grudge with Dragon Tiger Hall. Last night, those criminals were sent by Dragon Tiger Hall."

"What deep grievances do you have with Dragon Tiger Hall?"

"This is a long story, and the main reason is because of the conflict of interests." Huang Old Master did not want to go into details, he only skimmed through the details and promised: "As long as Mr Wu can help us get rid of our Dragon Tiger Hall, we will definitely repay Mr Wu."

"That's not necessary, I only acted because of Elder Sister Lan."

"Lan'er, to be able to find such an outstanding boyfriend, it's really ..."

Before Huang Old Master could finish his sentence, he was interrupted by an old butler who hastily barged in.

Before the old steward had even entered the room, he was already shouting at the top of his lungs, "Lord, it's bad, something has happened ..."

"Don't shout, I'm receiving a guest." Huang Old Master turned around and scolded the butler.

"Master ..."

The steward didn't care that much as he ran over and explained in a hurry, "Something big happened, those criminals came again last night ..."

"What?" Hearing that, Old Master stood up from his chair and his old face immediately turned dark.

The people from the Huang Family were also frightened by these words, their entire expressions became nervous, as if a great catastrophe was about to befall them.

For a moment, the entire restaurant became tense.

It was Huang Old Master who reacted first, he ordered his children, "Don't just stand there, hurry... "Hurry and call the police."

When everyone heard this, they all took out their phones and got ready to call the police.

Before he could make a phone call, he heard a sound. The restaurant's door was slammed open and a dozen gangsters rushed in like wolves and tigers.

The people from the Huang Family were so frightened that their bodies shrank and they retreated continuously. They could not help but hide in the back, afraid of being beaten to death by the criminals.

The leader was a tattooed man in his fifties, he barged into the dining hall and swept his eyes over the Huang Family people like a ferocious wolf.

"Zhao Longhu?" Huang Old Master recognized the tattooed man at a glance. It was Dragon Tiger Hall Boss Zhao Longhu.

All those years ago, it was because Old Master and Zhao Longhu's benefits were unevenly distributed that resulted in them parting ways, leading to a hostile relationship from a partner.

It was just that he did not expect that Dragon Tiger Hall would develop so quickly.

"Old man, you might not even dream of such a day." Zhao Longhu shook the flesh on his face, and said fiercely: "Back then, you abandoned Dragon Tiger Hall, so this time, I am going to clean up the mess and destroy your Huang Family."

"Zhao Longhu, if it wasn't for you ..."

Huang Liwei still wanted to refute him, but before he could finish, he was interrupted by Zhao Longhu in a low voice, "I don't want to bring up what happened back then anymore. Anyways, today, I must eliminate your Huang Family."

After saying this, he slowly raised his hand and waved. Two words came out from between his teeth, "Do it."

Receiving the order, more than ten bandits surrounded him with a murderous look on their faces.

Seeing so many assassins closing in, the people from the Huang Family were scared to the point that their hearts jumped as they retreated in fear.

Yesterday, they had already seen how fierce these criminals were, even those bodyguards from Huang Family were not their match. These powerless people from the Huang Family could only wait for death.

C180 The Fighting of the Dragons and the Fighting of the Tigers

"Wait!"

At that critical moment, Wu Tian stood up from his chair, smiled and asked Zhao Longhu: "You are Dragon Tiger Hall Boss?"

"Right." Zhao Longhu nodded, narrowed his eyes and sized up Wu Tian, "Who are you, kid?"

"My surname is Wu, my name is Wu Tian." Wu Tian stood up and slowly walked towards Zhao Longhu. He smiled and said, "Why don't we make a deal?"

"What kind of deal?"

"If you let go of Huang Family, how about I let go of your Dragon Tiger Hall?"

Hearing that, Zhao Longhu raised his head and laughed loudly, as if he had just heard a huge joke.

After laughing for a long time, Zhao Longhu couldn't help but mock him: "Brat, you really boast shamelessly, daring to use such a tone to speak to me."

"You think I'm trying to scare you?"

"I feel like you really don't know your place." Zhao Longhu shook his arms and arrogantly shouted: "Do you know how big of a power our Dragon Tiger Hall is right now?"

"As far as I know, you're just a small organization on the side of security. You don't have much power." Wu Tian said mercilessly.

He had already investigated the Dragon Tiger Hall thoroughly before. Although this organization was a little famous in Jiangnan and was a hundred times stronger than the Huang Family, if compared to the Wu Family, they were still far off.

If Wu Family used his power and wanted to eradicate his Dragon Tiger Hall, it would be easier than stepping on ants to death.

"You're really a frog in the well." Zhao Longhu curled his lips into a smile, raised his head and said loudly: "There are more than a hundred people in our Dragon Tiger Hall, and their branches are all over the entire Jiangnan Province. As long as I stamp my foot, I can make the Jiangnan Province tremble."

"As long as I make a phone call, you will all perish in Jiangnan." Wu Tian did not show any weakness as he retorted.

"Brat, you're truly arrogant." Zhao Longhu shook his sleeves, and shouted: "If you have the guts, then make a call and extinguish our Dragon Tiger Hall, I want to see how capable you are!"

"I don't want to do that. It's not good for me either."

"I'd like to see how capable you are, but you're going to call and kill us all!" Zhao Longhu stretched out his neck and shouted, just like a combative rooster.

He didn't believe that the kid in front of him had any abilities.

Even if he was any more capable, it would be impossible for him to extinguish Dragon Tiger Hall with a single phone call.

In his opinion, this kid simply did not know the depth of heaven and earth, and simply did not know how strong the Dragon Tiger Hall was.

"In that case, don't blame me for being impolite." Wu Tian had said what he needed to say, and there was no need to waste any more words. He took out his phone and dialed Loong Yun's number.

He only instructed Secretary Loong to use the power of her family to eliminate the small organization called Dragon Tiger Hall in a short amount of time.

Compared to Wu Family, Dragon Tiger Hall was indeed a small organization, not to mention that this organization had also offended Wu Family. As long as one used a little of their power, their Dragon Tiger Hall would completely disappear from Jiangnan.

After making the call, Wu Tian sat back in his seat and said with a smile: "Your Dragon Tiger Hall will definitely be destroyed within an hour."

"Alright, then I'll wait for you for an hour. I really want to see how you'll end up with that boast." Zhao Longhu took a chair and sat on the opposite side while glaring at Wu Tian.

Just like that, both sides fell into a state of cold war. The atmosphere in the dining hall was stifling.

Less than half an hour later, the phone rang in the dining room.

The follower behind Zhao Longhu quickly took out his cellphone from his bag and handed it over to Zhao Longhu while reminding him: "Head, your phone rang."

"What nonsense are you talking about? Answer it." Zhao Longhu waved his hand impatiently, then signaled his subordinate to pick up the phone for him.

"Alright!" The attendant answered the call.

He only spoke a few sentences before his face turned ashen. With a trembling voice, he said, "Hall Master Zhao, something has happened. Something big has happened ..."

"What is it?"

"All twelve branches of the Dragon Tiger Hall have been destroyed, and the Dragon Tiger Hall have been completely destroyed ..."

After hearing this, Zhao Longhu's body shook like an electric current and he fell off his chair, collapsing onto the ground like a pile of mud.

He struggled to get up from the ground, and looked at his subordinate with a deathly pale face, "Say it again, what happened to Dragon Tiger Hall?"

"Just now, the Vice Hall Master called and said that the branch under Dragon Tiger Hall was instantly ... The entire army has been annihilated. "

"How could this be?" Zhao Longhu pounced over like a madman, he extended his hand and grabbed his subordinate's collar, and roared: "Our Dragon Tiger Hall is fine, how could we suddenly perish?"

"Just ten minutes ago, many mysterious powers suddenly infiltrated Dragon Tiger Hall, causing the Dragon Tiger Hall to be in chaos. After that, the police captured all of the Dragon Tiger Hall brothers, and found all the evidence. The Vice Hall Master took advantage of this chaos to escape ..."

Zhao Longhu hugged his head and roared like a madman: "Who? Who was it? Who exactly is this mysterious power? "

"The mysterious power is too mysterious. The vice pavilion master doesn't know the background of the other party and only knows that their surname is Wu."

"Wu?"

Zhao Longhu suddenly raised his head and looked at the young man sitting opposite him. His lips trembled for a long time before he asked: "It's you?"

"Yes, it's me." Wu Tian's gaze was as calm as a lake, without any ripples.

He had long since expected that, with the power of Wu Family, they would very soon be able to destroy the Dragon Tiger Hall, but he just did not expect it to be so quick.

The people from the Huang Family were also shocked, they looked at Wu Tian as if they were looking at a monster. They never thought that this brat could destroy their Dragon Tiger Hall with just a single phone call.

Everyone had seen the strength of Dragon Tiger Hall. To be able to destroy this organization in such a short time, it was clear how powerful the forces behind Wu Tian were. Just thinking about it made people afraid.

"I didn't expect it to be you." Zhao Longhu didn't want to accept this fact, but he couldn't not accept it either.

Never in his dreams did he expect that the power behind the kid in front of them would be so shocking, relying on just a single conversation to completely destroy their Dragon Tiger Hall.

He had thought that this fellow was joking and bragging.

Only now did he realize that this kid was hiding his strength.

"I told you a long time ago that I could eliminate your Dragon Tiger Hall. Now do you believe me?" Wu Tian snorted coldly without a shred of sympathy in his heart.

"You ..."

Zhao Longhu had nothing to say since he didn't expect the Dragon Tiger Hall that he spent more than ten years to establish to be destroyed by a brat like him.

He felt indignant, but there was nothing he could do.

If he had known that this fellow was so strong, he would have reconciled with him instead. He shouldn't have ended up in such a miserable state.

However, it was too late for him to regret it now.

The Dragon Tiger Hall had already been destroyed, and right now, there was only him and the dozen or so brothers behind him left with no way out.

They said that rabbits bite when they are anxious, their Dragon Tiger Hall was already forced into desperate straits, and they had nowhere to retreat to.

"Brat, no matter who you are, since you've extinguished your Dragon Tiger Hall, I'll let you accompany them in death." After saying that, Zhao Longhu waved his hand and ordered his subordinates: "Go up together, kill Wu Tian and the people from Huang Family."
