C189 Dog Food

"Gu Xiaoman?"

The beautiful girl who walked over was none other than the vice president of Industry University Martial Arts Club, Gu Xiaoman.

Under the gaze of the three people, Gu Xiaoman walked over slowly and waved her hand with a smile. "Proprietor Wu, what a coincidence."

"What a coincidence." Wu Tian pursed his lips and smiled as a form of greeting.

He thought those two animals were looking at someone, but after a while, they were looking at Gu Xiaoman.

However, Xiaoman was indeed beautiful. Her figure and face were of the first class. Coupled with the short skirt they wore tonight, she was indeed attractive.

"What? You two know each other?" As soon as Jiang Wan saw Beauty walking over to greet Wu Tian, he was especially disappointed.

It wasn't easy for him to see a pretty girl walk over, but he didn't expect to know Wu Tian. Wu Tian was the target of pretty girls.

"Let me introduce them to you." Wu Tian stood up, pointed at Xiaoman and introduced them, "Gu Xiaoman, Industry University Martial Arts Club Vice President."

"So you're the vice president of Martial Arts Club." Jiang Wan stood up from the chair and introduced himself with his right hand, "My name is Jiang Wan, I'm Wu Tian's classmate and roommate."

"Hello!"

Gu Xiaoman smiled graciously and shook hands with her right hand.

In the end, Jiang Wan didn't let go of Gu Xiaoman's hand and continued to giggle.

Wu Tian raised his leg and lightly kicked Jiang Wan, reminding him: "If you squeeze again, her hand will break."

"I'm sorry." Jiang Wan came back to his senses and quickly retracted his hand.

Gu Xiaoman didn't say anything, but her expression was one of extreme awkwardness.

"Don't bother with this brat, he just likes beauties. He's like this every time he sees a pretty girl." Wu Liang pointed to Sunn Xiaohao and introduced, "My roommate, Sunn Xiaohao."

"Hello!" Gu Xiaoman simply said hello and hid her hands behind her back in fright.

She was afraid of meeting Jiang Wan again, so she didn't let go of her hand. That would truly be annoying.

"Xiaoman, let's sit down and eat together." Wu Tian moved a chair next to him.

Gu Xiaoman bit her lips and asked, "Is that alright?"

"Alright." Jiang Wan nodded again and again. At the same time, he ran over to get a bowl and chopsticks as well as a cup.

"Thank you!" After Gu Xiaoman thanked him, she sat down next to Wu Tian and asked softly: "Why haven't you gone to the Martial Arts Club recently?"

"I've been really busy lately."

"I was going to call you!"

"Is there anything going on with the Martial Arts Club?"

"No, I just ..." Gu Xiaoman swallowed her words and blushed.

"It's good that you're fine. Come and eat the skewers." Wu Tian picked up the skewers and wiped the skewers clean with a tissue. Then he peeled the meat into Gu Xiaoman's bowl. His actions were very careful.

"You eat too."

Gu Xiaoman put a few slices of lettuce into Wu Tian's bowl, "Don't just drink wine, eat some lettuce and nourish your stomach."

The two of them completely treated Sunn Xiaohao and Jiang Wan, who were standing opposite of each other, as if they were air, and began to take care of each other.

Sun and Jiang looked at the couple dumbly. Their hearts were filled with envy.

They really couldn't understand how Tian had such good luck with women. No matter where she went, there would always be beautiful women surrounding her.

This world was too unfair. They didn't even have a single girl by their side, yet Wu Tian had countless beauties by his side.

"I won't eat anymore." Jiang Wan threw his chopsticks on the table angrily.

Originally, he had some thoughts about Gu Xiaoman, but after seeing the duo's intimate actions, the illusion in his heart was completely shattered.

"Why aren't you eating?" Wu Tian raised his head and looked at Jiang Wan and Sunn Xiaohao with a puzzled expression.

"You two look so sweet here. How do you want us to eat?"

"Don't misunderstand. Actually, Xiaoman and I ..."

"You guys can slowly show us your love. We're leaving." After saying this, Jiang Wan Sheng expressionlessly got up and left.

Sunn Xiaohao shrugged helplessly and followed him.

Wu Tian wanted to persuade them to stay, but he didn't say anything.

If they forced the two of them to stay, it would only make things more awkward. They might as well let them go back first.

Seeing this scene, Gu Xiaoman couldn't help but burst out laughing.

After laughing for a long time, she finally blushed and whispered, "It seems like your two roommates misunderstood us."

"Ignore them, let's eat." Wu Tian pretended not to care and was already used to his two roommates.

Gu Xiaoman pursed her lips into a smile as she laid her head on the table and happily ate her food. She was inexplicably excited in her heart.

Just as the two of them were talking and laughing, a young man in a suit and leather shoes walked over with two bodyguards.

This man looked like a rich man. He was dressed in famous clothing and the watch in his hand was worth over a hundred thousand yuan.

"Sun Hao, why have you come again?" Seeing this man walk over, Gu Xiaoman's face suddenly darkened. Her mood instantly turned sour.

"Xiaoman, I came specially to look for you." The man called Sun Hao walked over, pointed at the food on the table and said, "Why are you eating at these roadside stalls? It's too dirty."

"It's none of your business what I'm going to eat. Hurry up and go." Gu Xiaoman waved her hands in annoyance. She just wanted to drive this fuerdai away quickly.

It wasn't easy for her to get a chance to be alone with Wu Tian, she didn't want this annoying fuerdai to ruin her mood.

"Xiaoman, let's go. I'll take you to a five-star hotel to eat." Saying this, Sun Hao was about to reach out and grab Gu Xiaoman's arm.

Gu Xiaoman was so scared that her body shrunk. She quickly went closer to Wu Tian and warned, "Don't touch me, I have a boyfriend."

"You have a boyfriend?" Sun Hao's face darkened. His expression immediately became very ugly.

At that moment, Wu Tian put his arm around Gu Xiaoman's waist and said to the fuerdai, "I'm Xiaoman's boyfriend."

This kind of situation was nothing out of the ordinary. Since this fuerdai wanted to pester Gu Xiaoman, he naturally had to use him as a shield.

Gu Xiaoman didn't say anything. At the moment she was hugged by Wu Tian, her body trembled slightly. Her heart was beating fast.

"What? You're Xiaoman's boyfriend?" Sun Hao widened his eyes in disbelief.

"Yes, he's my boyfriend." Gu Xiaoman raised her head with a serious expression. Her eyes were filled with a hint of happiness.

"He, he, he ..." Sun Hao was speechless.

He had originally thought of a lot of things to say to move Gu Xiaoman, but now such a boyfriend popped up out of the blue, disrupting all of his plans.

"Young Master Sun, do you have any other matters?" Gu Xiaoman continued, "If there's nothing else, don't disturb my date with my boyfriend."

When she said that, she hugged Wu Tian even more tightly.

"My ..." Sun Hao thought for a long time, then finally said: "I want to join your Martial Arts Club."

"I don't agree." Before Gu Xiaoman said anything, Wu Tian directly gave her an ice-cold answer.

"What does me joining Martial Arts Club have to do with you?"

"I am the president of Martial Arts Club, I will decide everything in Martial Arts Club."

"What did you say?" Sun Hao was instantly struck dumb. He didn't think that this brat in front of him was actually the president of Martial Arts Club.

## **Hidden Billionaire Chapter 190 - Second Generation of Violent Rich -**

C190 Second Generation of Violent Rich

"Alright, you can scam now." Wu Tian looked at the rich second generation and impatiently sent them away.

"I ..."

Sun Hao was unwilling to just leave like this. He clenched his teeth and said with a ferocious look on his face, "Brat, you want to steal my woman? Do you know who I am?"

"I don't know."

"Then let me tell you, I'm the young master of the Wai Corporation." Sun Hao took out a bank card from his pocket and threw it on the table. "The bank card has fifty thousand yuan. If you know what's good for you, then give Gu Xiaoman to me."

"You want to use this 50,000 yuan to buy Gu Xiaoman?"

"Right."

"You think too cheap of Xiaoman."

"Then how much do you want?"

"In my heart, Xiaoman is a priceless treasure." Wu Tian hugged Xiaoman even more tightly as a hint of deep emotion appeared in his eyes.

She had to admit, Wu Tian's acting skills had already reached perfection, and he played the role of Xiaoman's boyfriend very well.

Even Gu Xiaoman almost believed this to be true, as she was completely immersed in this sweet and blissful feeling.

"Brat, I think you're looking for a beating." Sun Hao moved his head closer and coldly threatened, "I'm giving you one last chance. If you know what's good for you, then leave from Xiaoman's side right now."

"In this world, no one can separate me from Xiaoman. Wu Tian said stubbornly.

Gu Xiaoman's nose twitched and tears were flowing freely down her cheeks.

It was a pity that they were acting. If all of this was real, how great would that be?

"Brat, you're really courting death." Sun Hao had already lost his patience. He waved his hand and ordered the two bodyguards behind him: "Go together, teach this brat a lesson for me."

"Alright!"

Upon receiving the order, the two bodyguards charged forward like wolves and tigers.

The moment the bodyguard got close, he came out from behind the table like a snake. He then grabbed the bottle of wine and threw it at one of the bodyguards.

His movements still didn't stop. He quickly rotated his body and fiercely kicked the second bodyguard. At the same time, his fist also smashed towards the bodyguard's chest.

Accompanied by two miserable shrieks, the two bodyguards laid paralyzed on the ground, their bodies constantly wailing in pain.

Seeing this scene, Sun Hao's eyes widened in shock, and his entire face turned a deep purple black.

He didn't expect the kid in front of him to be so strong that he could effortlessly take down his two bodyguards.

It was no wonder that the brat in front of them was able to become the president of Martial Arts Club. So it turned out that he was a ruthless person.

At this moment, he was no longer as arrogant and domineering as before. He was so scared that his body was trembling. He backed up as he prepared to flee.

"Stop!"

Wu Tian straightened his body and blocked Sun Hao's escape, "Silly boy, you want to leave so easily."

"You ... What else do you want?" Sun Hao was so scared that his legs were trembling, cold sweat beaded on his forehead.

"I want you to know how powerful I am." After Wu Tian said this, he swung his fist and punched.

How could Sun Hao endure such a brutal beating? With a miserable shriek, he collapsed onto the ground like a pile of mud.

Wu Tian waved his hand and punched again. He asked coldly, "Do you still dare to harass Xiaoman again?"

"No, I don't dare ..." Sun Hao sounded like he was about to cry. He was so scared that he hurriedly begged for mercy, "I'm wrong, I'm not going to approach Xiaoman anymore."

Wu Tian waved his hand and punched again, lecturing: "Who are you calling Xiaoman? Was it you who called Xiaoman?"

"I was wrong, I called her Miss Gu."

"Scram! In the future, if I see you again, I will skin you alive!" Wu Tian viciously kicked Sun Hao's butt before retracting his punches and kicks.

Sun Hao spent a long time before finally being able to stand up from the ground in pain.

When they saw their master running away, the two bodyguards also ran away.

"You really are trash." Wu Tian cursed. At this moment, he realized that there were a lot of passersby surrounding him. Everyone picked up their phones and took photos.

Wu Tian ignored her and went back to sit next to Gu Xiaoman. "Xiaoman, you were scared just now."

"I'm fine." Gu Xiaoman stroked her hair as she said gratefully, "Thank you for helping me out once again."

"There's no need to be courteous about something as easy as lifting a finger."

"Every time I'm with you, I feel really safe." Gu Xiaoman raised her head and glanced at Wu Tian. She lowered her head and muttered, "It would be great if there was someone who could protect me for the rest of my life."

"What did you say?" Since Xiaoman spoke so softly that it sounded like the buzzing of flies, Wu Tian didn't hear her clearly.

"Nothing." Gu Xiaoman's ears reddened slightly. She was too embarrassed to repeat the words she had just said.

"Alright, let's eat!" Wu Tian didn't pursue the topic and accompanied Gu Xiaoman to continue eating the kebabs.

After eating the kebabs, the two went shopping.

Wu Tian bought a lot of snacks for Gu Xiaoman, which made the girl very embarrassed. She joked, "You have to take responsibility for me. If you make me fat and unable to get married."

"Don't worry, I will be responsible."

"Then how are you going to take responsibility?"

"I'll find you a good husband and let him raise you."

"I don't want it." Gu Xiaoman snappily replied. She was slightly disappointed with the answer.

"Come, let's go back to school."

Afterward, the two of them returned to the school. They parted ways at the east gate, and Wu Tian returned to his dorm.

When he entered the dorm, he noticed that something was wrong. Jiang Wan and Sunn Xiaohao both looked at him with hostility.

"Jiang Wan, Xiaohao, why are you looking at me like I have a grudge against you?" Wu Tian was a bit confused.

To be honest, he still didn't know how he managed to offend his two roommates.

"Tian, I really want to strangle you." Jiang Wan got off the bed and looked at Wu Tian with resentment, "Gu Xiaoman is my favorite type."

"If you like it, then go after it. It's not like I'm stopping you."

Jiang Wan kicked the cabinet fiercely and said in pain: "That girl doesn't have any interest in me at all. The one she likes is you, how am I supposed to chase after her?"

"Don't talk nonsense."

"I'm not talking nonsense. Gu Xiaoman just likes you. She looks at you with tender eyes. If you don't believe her, ask Xiaohao." Jiang Wan turned to Sunn Xiaohao.

"Yes!"

Sunn Xiaohao nodded in agreement, "I feel that Jiang Wan is right this time. Gu Xiaoman must have feelings for you."

"Is that so?"

Wu Tian scratched his head, not sure if he should be happy or sad.

"Tell me honestly, how many girls like you?"

"How would I know?"

"How could I have a roommate like you?" Jiang Wan gritted his teeth in frustration as he disdainfully said, "You're just a scum."

"I think you're jealous!" Wu Tian exposed Jiang Wan's true thoughts on the spot.

"Me!"

Jiang Wan sighed. He raised his head and looked out the window, pretending to be sad and sighed, "I only want to find a girlfriend, why is it so difficult?"

"You squeeze others' hands the moment you meet them. A diaosi like you is destined to be a bachelor for your entire life." Wu Tian said mercilessly.

Sunn Xiaohao couldn't help but laugh.

## **Hidden Billionaire Chapter 191 - Network Attacks -**

### **C191 Network Attacks**

The three of them chatted in the dorm until it was very late.

Although today's birthday party was simple, it made Wu Tian happy and at ease. In the end, he had to thank his two roommates.

The next day, Wu Tian was awakened by Jiang Wan and Sunn Xiaohao.

"Tian, something has happened." Sunn Xiaohao shouted in surprise, as if something big happened.

Wu Tian opened his sleepy eyes and frowned, "Xiaohao, Jiang Wan, what happened?"

"Quick, look at the school forums." Jiang Wan quickly took out his phone, opened the campus net, and opened one of the videos.

He saw that the video was showing a violent scene. The main character on the screen was Wu Tian. At this moment, he was punching another man.

This was the scene of Wu Tian lecturing Sun Hao at the roadside stall last night. Why was this scene being recorded and uploaded to the school website?

Furthermore, it was clear that the video did not capture the entire scene. The video was purposely shot in the latter half of the incident, making it easy for people to come to a misunderstanding.

"Who put this on the school website?" After watching the video, Wu Tian suddenly got angry.

"That's not important. Look at the comments." Sunn Xiaohao reminded him.

"Comments?" Wu Tian continued to scroll down and found that many people in the comments were attacking him again.

One of the comments at the top was the most excessive. The comment made him scold him harshly, and the comments were extremely vicious.

He didn't expect that he would become a popular person on the school website overnight, but it was all negative news.

"In the past, there were many videos of fights in our school, but none of them were as bad as this. I suspect that someone was purposely making things difficult for you." Jiang Wan couldn't help but analyze.

"Yes!"

Sunn Xiaohao nodded in agreement and added, "Look at the posts that are scolding you so fiercely, they are all new numbers. They were only registered yesterday, so obviously they were registered to scold you."

"Makes sense."

After being reminded by the two of them, Wu Tian noticed that something was not right. He muttered to himself: "Who is behind this?"

"To be able to attack you on the school website, he must be a student of our school." Sunn Xiaohao analyzed again.

"Who could it be?"

"Don't worry, I'll soon find out the truth." After Wu Tian said this, he took out his phone and called Lee Mu. He told Lee Mu to go to the company and find two employees to help investigate this matter.

Tianmu Corporation had a plethora of talented people, and they were all professionals in the online field. It didn't take much effort to investigate these matters.

In less than ten minutes, Wu Tian was able to get the results. Those people's IP addresses came from the Yimeng Internet Cafe outside the school.

After obtaining this clue, Wu Tian hurriedly brought Sunn Xiaohao and Jiang Wan to the Yimeng Internet Cafe.

"Internet Cafe manager, last night at around 9 PM, who came to your Internet Cafe?" The moment they entered the Internet Cafe, Wu Tian ran to the front desk and asked the manager.

It was because the date and time of the posts that scolded him were shown yesterday at 9 o'clock. Presumably, those people had come to the Internet Cafe at this time of the day.

"I don't know." The employee said lazily.

\*

Wu Tian took out 200 yuan and placed it on the front desk. Then, he looked up at the employee, "Do you know now?"

"I know, I'll check for you now." The employee immediately became enthusiastic. After collecting the 200 yuan, he immediately busied himself with checking the backstage records.

In just a few minutes, the results were revealed: "Yesterday, between 9 and 10, there were a total of 12 people who came to our Internet Cafe."

"Who are they?"

"It's Wang Qiang and Zhao Yang ..."

"Got it." Without waiting for the employee to finish speaking, Wu Tian turned around and walked out of the Internet Cafe. At the same time, he said to Sunn Xiaohao and Jiang Wan, "It must be Zhao Yang who hurt me behind my back."

"Yes, it must be him." Jiang Wan and Sunn Xiaohao nodded at the same time, agreeing with Wu Tian's words.

Right now, the one who hated Wu Tian the most was none other than Zhao Yang. Previously, this brat was slapped in public by Wu Tian, and he was then bullied by Wu Tian.

"Let's find him and confront him first." Wu Tian brought the two to the classroom in a hurry.

They found that Zhao Yang was also in the classroom, spreading the brutal video of Wu Tian beating others last night and calling on the students to boycott Wu Tian.

"Zhao Yang!"

The moment Wu Tian walked into the classroom, he quickly approached Zhao Yang and asked coldly, "Last night, you had someone take that video and purposely set me up, right?"

"I didn't." Zhao Yang took a few steps back guiltily, afraid that Wu Tian would attack him again.

He had previously witnessed the capabilities of this fellow. To use such brutal means against others was truly terrifying.

"You still won't admit it." Wu Tian's face turned cold, and mercilessly exposed his lies: "You used a few computers with some people at Yimeng Internet Cafe at 9 o'clock last night, and you used your newly registered account to deliberately discredit me. Did I say anything wrong?"

"This ..."

Zhao Yang was shocked.

He probably didn't expect Wu Tian to investigate the matter so clearly so quickly. This was somewhat unexpected.

After a moment of hesitation, he changed the subject and asked, "Then tell me, did you hit anyone last night?"

"It was that person who made the first move. I was defending myself." Wu Tian refuted loudly.

"That's not important. In any case, the video of you hitting someone has already spread. I'm afraid that right now, you have already become a street rat that everyone wants to beat up."

"Do you really think this little trick will work on me?"

"Of course." Zhao Yang raised his head proudly and gloated, "I'm afraid it won't be long before you become a mouse's feces in our university."

"You're really underestimating me." After Wu Tian said this, he took out his phone and gave Lee Mu a call.

Not long after finishing the call, the video of Wu Tian hitting someone disappeared from the school net, and all the insulting comments also disappeared.

Replacing it was the video of Wu Tian using his identity as the president of Martial Arts Club to beat the president of Physical Culture Institute that appeared on the front page of the school net, replacing the video from before. The comments section was filled with praise.

Seeing such a huge change on the internet, Zhao Yang was stunned. He never thought that the video from before would suddenly disappear for no reason.

Zhao Yang quickly understood what was going on. He slowly raised his head and looked at Wu Tian, "Brat, are you behind this?"

"I told you long ago that your little trick wouldn't be able to hurt me." Wu Tian smiled complacently, he did not put Zhao Yang's childish trick in his eyes at all.

"I'd like to see what abilities you have." Zhao Yang did not believe him and quickly used his trumpet to send the video of him hitting someone again.

Not even three seconds had passed since the video was sent out, but the video had once again mysteriously disappeared.

Zhao Yang posted a few videos, and they all disappeared in less than three seconds.

"Damn."

Seeing such a weird scene, Zhao Yang was also shocked. He slowly raised his head to look at Wu Tian and questioned, "How did you do that?"

"I have my own ways." Wu Tian smiled mysteriously and slowly moved his head closer, "The most exciting part is still to come. Let's wait and see a good show!"

"I don't believe it ..."

Before Zhao Yang could finish his words, he noticed a new post on the forum.

The content of the post was as follows: I, Zhao Yang, have been having sex with my sister-in-law and neighbor A-Hua since I was 15 years old. I got ten women pregnant, and I even tried to have sex with a female dog ...

The key point was that this post was sent by Zhao Yang.

## Hidden Billionaire Chapter 192 - Tooth for Tooth -

C192 Tooth for Tooth

After reading this post, Zhao Yang was completely dumbfounded.

He didn't think that someone would use his main account to post such a disgusting and vulgar post. It was so despicable that he couldn't even be compared to a male dog.

He quickly reacted and stared at Wu Tian, "Brat, did you do this?"

"This is called returning a tooth for a tooth." Wu Tian smiled, the smile on his face was so bright.

"Wu Tian, you're so despicable."

"To deal with a shameless person like you, I can only use some despicable methods."

"You, you, you ..." Zhao Yang was so angry that he couldn't say a word for a long time.

Originally, he wanted to use this method to demean Wu Tian and make him a laughingstock in the Industrial University campus.

But in the end, this brat used some sort of method to use his main account to post a post, humiliating him from head to toe.

It was infuriating just by thinking about how he had belittled this fellow and made him a laughingstock.

"Look, everyone is scolding you quite fiercely!" Wu Tian quickly moved his phone and looked at the comments section.

There were all sorts of insults in the comments section.

Some people called Zhao Yang a beast scum, some people called Zhao Yang worse than a beast, and some people even called Zhao Yang a pervert, and they didn't even let the female dog go.

After reading these comments, Zhao Yang was so angry that he was bleeding from his seven orifices.

He quickly logged into his main account and prepared to delete the post, but found that he was unable to delete it no matter what.

Zhao Yang felt like crying but had no tears to shed. He looked up at Wu Tian and asked, "What did you do to my account?"

"You wouldn't understand even if I told you. It's better for you to accept everyone's insults." After Wu Tian said this, he couldn't help but laugh.

Sunn Xiaohao and Jiang Wan were also amused by this. They couldn't help but give Wu Tian a thumbs up, praising Wu Tian's ability to easily turn the tables.

Originally, he was just cursing Zhao Yang on the forum, but that didn't seem to be a good way to vent his anger. Very soon, someone started to verbally attack Zhao Yang.

All of a sudden, Zhao Yang became the scum in everyone's eyes, being rejected and despised by the whole class.

This time, Zhao Yang's reputation was ruined and he lost all his face.

This incident had a negative impact on the school, ruining the school website's atmosphere and finally alerting the teachers.

The teacher harshly criticized Zhao Yang's education, and even made Zhao Yang self-reflect in front of the whole class.

Zhao Yang wanted to explain, but he didn't know how.

The account in the forum belonged to him. The account had not been stolen, but it had been sent out with unsightly, vulgar content.

He clearly knew that Wu Tian was behind all of this, but he didn't have any evidence. No matter what, he couldn't explain it clearly, so he could only blame his own bad luck.

Zhao Yang could only silently swallow his anger. However, he secretly made up his mind that he would teach Wu Tian a lesson one day.

With the passage of time, the post incident was slowly forgotten by everyone, and the school forum quickly returned to its former tranquility.

In this period of time, Wu Tian didn't go anywhere. He stayed in the school and earnestly attended classes. If he had nothing to do, he would drink and chat with Sunn Xiaohao and Jiang Wan.

Teacher Mu was very satisfied with Wu Tian's performance during this period of time. She praised him from time to time and even encouraged her classmates to learn from him.

That afternoon, Wu Tian received a call from Liu Jun.

"Uncle Liu, long time no see. How are you?" After the call was connected, Wu Tian asked with a concerned smile.

"Very good." On the other side of the phone, Liu Jun laughed heartily and complained angrily, "I know it's been a while, but you didn't even give me a call."

"I'm afraid that Uncle Liu would be too busy to bother Uncle Liu."

"Your mouth is getting sweeter and sweeter, brat."

"Not at all." Wu Tian smiled and suggested, "Why don't we have a drink tonight?"

"No, I'm going to the party tonight."

"Alright!"

"Why don't you come with me?" Liu Jun made a sudden decision on a whim: "Good, I'll bring you to meet some friends in the mall, it's convenient for your future development."

"This ..."

Wu Tian wanted to find an excuse to refuse, but before he could finish, he was interrupted by Liu Jun: "Alright, I'm waiting for you at Famous City. Come over quickly."

After he said that, his phone was hung up.

Wu Tian shook his head with a bitter smile. He put away his phone and looked around to make sure that Teacher Mu was not around before sneaking out of the classroom.

The moment he walked out of the classroom, he saw Mu Ran standing outside the classroom with a case in her arms, staring coldly at him with a pair of beautiful eyes.

Teacher Mu had caught him sneaking out of the classroom last time, but she didn't expect it to be such a coincidence this time.

"Teacher Mu ..."

Wu Tian scratched his head in embarrassment and quickly rolled his eyes, thinking of an excuse to get away with it.

"Don't tell me you're going to the toilet." Mu Ran took two steps forward and said with an expressionless face.

"I'm not going to the toilet. I'm going to the party." Since he couldn't fool Teacher Mu, Wu Tian told her the truth.

"Then go!" He didn't expect Teacher Mu to change her attitude and allow Wu Tian to attend the banquet.

"What?"

Wu Tian opened his mouth in surprise. He didn't expect Teacher Mu to be so easy to talk to today.

Still feeling uneasy, he tried asking, "Teacher Mu really agreed to let me go to the banquet?"

"Seeing your good performance recently, I'll give you half a day off, hurry up and come back."

"Thank you, Teacher Mu." Wu Tian thanked her and quickly left. After walking a few steps, he suddenly turned around and said, "Teacher Mu, you are so beautiful today."

Throwing these words down, he trotted out of the school building.

Mu Ran was frozen on the spot. Hearing Classmate Wu's praise, she blushed and felt a sweet sensation in her heart.

She rubbed her face and stepped into the classroom.

Wu Tian arrived at the famous Washington.

This was a well-known apartment hotel in the Eastern District, where rich people usually hosted banquets or business parties.

From the outside, it looked no different from an ordinary villa. However, the interior was decorated in a very unique way. The floors and walls were all made up of biomimetic murals.

There weren't many guests in the lobby at the moment. It might be because it was still early, and the guests at the party might still be on their way.

Wu Tian looked around and soon found Liu Jun in the hall. He was chatting with a few friends.

"Uncle Liu."

Wu Tian walked over and greeted Liu Jun very politely.

"Tian, you're here. Let me introduce you." Liu Jun grinned, pointed at his friends and introduced them, "This is Director Zhou, this is the Dazhou Group's Director Yang, this is CEO Hou ..."

"Hello, Director Zhou, Boss Yang ..."

Wu Tian quickly bowed and greeted the several bosses.

Although he did not know the background of the other party, since they were Uncle Liu's friends, he naturally could not be negligent.

The few bosses all raised their heads arrogantly, acting like they didn't care. They clearly looked down on this silly kid, Wu Tian.

This was especially true for the Great Light Corporation's CEO Yang, who said mockingly, "Boss Liu, why did you bring this kind of brat here? Isn't this embarrassing for you?"
