C193 Fawn on Others

"Don't worry, let me introduce him to everyone." Seeing the attitude of his friends towards Wu Tian, Liu Jun also felt uncomfortable. He pointed at Wu Tian and solemnly introduced him, "His name is Wu Tian, he is the owner of Fortune Restaurant and Huiyue Restaurant."

"I didn't realize that you opened two big restaurants at such a young age." Hearing this, the few bosses changed their attitude towards Wu Tian.

"I'm not done yet."

Liu Jun interrupted the bosses, pointed at Wu Tian and continued to introduce: "He is also the Seafood TV Master, and at the same time, he is also the Tianmu Technology Master. The Warlord and weekly Mobile Game were developed by Wu Tian."

"He's so powerful." When the several directors heard this, they couldn't help but exclaim in surprise.

They were also small property owners, so they couldn't help but be surprised when they heard that Wu Tian owned so many companies.

Those so-called bosses couldn't bear to laugh at Wu Tian anymore, and their expressions showed some awkwardness.

He originally thought that this brat was just a poor loser, but he didn't expect that he would have a bit of development in the food and technology circles.

The few bosses changed their attitude and took the initiative to shake hands with Wu Tian. They all took out their business cards to show their goodwill.

Wu Tian took the business card and exchanged a few words with the boss before following Liu Jun to the opposite sofa to take a seat.

"Uncle Liu, why did you bring me to participate in this banquet?" Although Wu Tian didn't say it out loud, he actually felt somewhat disgusted with this kind of banquet.

Liu Jun shook his sleeves and said with a smile, "I just want you to know a few more big shots in the industry."

"Thank you, Uncle Liu, for your good intentions."

"It was just a small accident, don't mind it."

"I'm fine."

"Come, drink." Liu Jun took down two glasses of wine and handed one to Wu Tian. "Let me toast you."

"I don't dare to say that. I should be the one respecting Uncle Liu."

After the two of them clinked glasses, they each drank together.

After drinking, Liu Jun changed to a serious expression, "Tian, the plan you came up with previously is too perfect. The value of our Emerald Garden and the surrounding land have increased several times."

"You've bought all the land around the Emerald Garden?"

"Yes, everything is settled and the money spent is very little. Right now, we are in the middle of negotiations for the purchase of the factory."

"Well done." Wu Tian raised his glass again and clinked it with Liu Jun's glass. The two of them continued to drink and chat.

Liu Jun explained the recent situation of the Emerald Garden to Wu Tian in detail and discussed how to develop the Emerald Garden. The two of them exchanged views.

After chatting for a bit, Wu Tian went to the toilet.

When he passed by the elevator, he saw a familiar figure. It was Professor Tao, a well-known professor of finance and economics in Jiangnan.

At this moment, Professor Tao walked towards the elevator and prepared to ride the elevator upstairs.

"Hello, Professor Tao!" Wu Tian hurriedly greeted him with a bow, showing great respect.

He had always admired Professor Tao. Previously, when he was at Luzhou University, he had seen Professor Tao deliver a lecture. To him, it was a great benefit.

"You are ..."

Professor Tao turned around and looked at Wu Tian. He was stunned for three seconds and then his eyes suddenly lit up. "You are Wu Tian?"

"Professor Tao, why do you still remember me?" Wu Tian was extremely surprised, did not expect Professor Tao to be able to call out his name.

"Before, when I was giving a lecture at Lu University, you gave a speech on stage. At that time, that speech was really too brilliant, I had a very deep impression of you." Seeing Wu Tian, Professor Tao was quite excited. He grabbed Wu Tian's arm and said, "I've been looking for an opportunity to talk to you for a while, I didn't expect to meet you here today."

"Thank you, Professor Tao, for your love. I'm so flattered."

"Come, come with me to my residence. I want to have a good chat with you." Professor Tao pulled Wu Tian's arm into the elevator without saying anything further.

Wu Tian naturally wished to have a chance to talk to Professor Tao alone. He followed Professor Tao upstairs.

Arriving at a luxurious suite on the third floor, he discovered that there was an old man in his sixties sitting in that suite.

The old man was like a statue as he held his walking stick and sat in front of the sofa, exuding an astonishing domineering aura.

"Come, let me introduce you." Professor Tao pulled Wu Tian to the front of the old man, pointed at the old man and introduced: "This is my friend Sunn Tianshou."

"Oh, it's Old mister Sun. I've long heard of you." Wu Tian walked over and slightly bowed to show his respect.

Sunn Tianshou was a famous tycoon in Luzhou Business. He had developed many landmark buildings.

Elder Sun was not only a real estate agent, he was also a famous philanthropist with Luzhou. He had also contributed greatly to the charity of Luzhou.

"Old Sun, let me introduce you." Professor Tao pointed to Wu Tian and introduced to Sunn Tianshou, "This young brother's name is Wu Tian, and he has a deep understanding of finance and management, and his speaking skills are first-rate."

"To be able to obtain the acknowledgement of you, Professor Tao, is surely an incredible feat." After Sunn Tianshou said this, he pointed at the seat across from him and said, "Little brother, come and sit."

"Thank you, Professor Tao. Thank you, Mr. Sun." After Wu Tian thanked him, he sat down on the opposite side of the table.

"Little brother, do you know how to play chess?"

"A little."

"Then, let's kill two games." After Sunn Tianshou said this, he took out the chessboard from his bedroom.

Professor Tao, who was at the side, was very unhappy and said, "I'm looking for Wu to discuss financial knowledge. What are you joining in for?"

"Let's play chess first. We'll talk after chess." Sunn Tianshou didn't care about all that, he had already set up a chess game.

"Fine."

Professor Tao didn't have much to say, so he could only say to Wu Tian: "Wu, just accompany Old Sun to fight a few rounds."

"Alright!"

Wu Tian smiled, walked to the chessboard and sat down. He politely said, "Mr. Sun, please enter first."

"Then I won't be polite." Sunn Tianshou was the first to act.

After taking one step, Wu Tian followed suit.

The two of them fought back and forth, at first they were very tight, but now they each had their own merits.

In the middle and late stages of the game, Sunn Tianshou obviously slowed down by half a beat, and from time to time, he would have to think for half a minute before playing.

Wu Tian always played very smoothly, as if he had already thought of the way to play.

"I've lost!"

In the end, Sunn Tianshou could only admit defeat. He couldn't help but give Wu Tian a thumbs up, "You are really amazing. Your chess skills are superb. I admire you."

"You let me." Wu Tian said politely.

Comparatively speaking, Sunn Tianshou's chess style was quite old-fashioned and had many flaws that were easy to be broken through.

"Young people are truly extraordinary." Professor Tao watched with relish on the side and could not help but suggest: "Wu, I can compete with you."

Seeing how skilled this young man was, as a chess lover, he couldn't help but feel itchy in his palms.

"Professor Tao, please advise me." Wu Tian extended his hand and made a 'please' gesture. In front of these two seniors, he had to be modest and prudent.

"Come, this time, you go first." Professor Tao pointed to the game with the bearing of an experienced player.

"Then I won't be polite." Wu Tian did not refuse. Since Professor Tao had already spoken, he would be the first to act.

Professor Tao did not show any sign of weakness and followed after him.

The two of them were very fast, as if they had already thought of how to play the game.

Hidden Billionaire Chapter 194 - You Are Worse than a Dog -

C194 You Are Worse than a Dog

The atmosphere in the room was extremely tense. The speed at which the two of them landed was also getting faster and faster. The further they landed, the more exciting it became.

Sunn Tianshou didn't even blink as he watched. The two's chess match was too exciting. As an outsider, he felt extremely nervous.

Wu Tian put down the last chess piece, raised his head and looked at Professor Tao with a smile: "We are even."

"Good boy, you really are an expert." Only then did Professor Tao secretly feel relieved. He had used all of his skills, but he didn't expect that he would be tied with this brat in the end.

It could be seen that in between the two matches, this kid had deliberately given in, or else he would have lost long ago.

"I don't dare." Wu Tian scratched his head in embarrassment. Being praised by the two bosses made him feel flattered.

"You have nothing to be afraid of." Sunn Tianshou, who was at the side, couldn't help but say, "In chess, you are indeed stronger than the two of us."

Since his words had come to this point, Wu Tian was too lazy to be modest. If he continued to be modest, it would appear to be hypocritical.

"Good boy, this friend of yours is mine." Sunn Tianshou opened a bottle of red wine and poured three glasses. He said to Wu Tian, "Good boy, let's have a drink."

"Seniors, I offer this respect to you." Wu Tian quickly raised his glass with both hands and toasted the two elders.

It was a joyous thing that he could drink with these two bosses.

After drinking, Sunn Tianshou smiled and said, "Good boy, you can play chess with us two old guys another day."

"As long as the two elders don't mind, of course I'm willing."

"There's no need to be so courteous when talking to us in the future."

"Alright."

Alright, I still have a banquet to attend to. Didn't you guys want to exchange knowledge on finance and management? After Sunn Tianshou said this, he stood up and left with a smile.

Wu Tian was preparing to ask Professor Tao about the financial side of the business, but the phone in his pocket rang.

He took it out and saw that it was Liu Jun calling.

Ye Zichen had forgotten about Uncle Liu, who was waiting downstairs, while he was busy playing chess with the two elders.

Professor Tao seemed to see through the bitterness in Wu Tian's heart. He suggested with a smile, "Wu, you go back to your work first. We'll talk another day."

"Professor Tao, actually, I ..."

Wu Tian didn't want to miss such a good opportunity. But before he could finish, he was interrupted by Professor Tao: "This is my name card. Take it first. Let's have an exchange sometime in the future."

"Alright, then I won't disturb you any further." Wu Tian had no choice but to put away his name card and leave.

"Let's go, I'll send you off." Professor Tao stood up to send him off.

"I don't dare to accept it. Please go back quickly."

"I'm fine." Professor Tao accompanied Wu Tian to the door, held his arm and said earnestly, "Wu, you are really a good youth. You are outstanding in all aspects. Work hard, and your future is limitless."

"Professor Tao, thank you for your teachings. I will work hard."

"That's good."

"Goodbye, Professor Tao." After saying goodbye, Wu Tian turned around and left.

Today, he felt like he was in a dream. He didn't expect to meet Professor Tao here, and even got to know the real estate mogul, Sunn Tianshou.

He hadn't even thought of playing chess with the two tycoons.

When he returned to the hall on the first floor, he found that more and more guests were gathering in the hall. It was very lively right now.

Wu Tian quickly found Liu Jun in the hall and quickly walked over. "Uncle Liu, are you looking for me?"

"Smelly brat, where did you run off to? Why didn't you pick up the phone?" Liu Jun pretended to be angry and scolded, "Did you run to pick up girls behind my back?"

"No, I ..."

"Alright, a land manager is coming over soon. This is a good opportunity to meet him, so don't run around." Liu Jun looked down at the time and instructed Wu Tian.

"I know."

"The real estate mogul's name is Sunn Tianshou, a famous philanthropist in Luzhou Business."

"Uncle Liu, I actually ..." Wu Tian originally wanted to tell Uncle Liu that he had played chess with Sunn Tianshou in the suite upstairs.

However, before he could finish, he was interrupted by a middle-aged man who walked over, "Old Liu, I didn't expect you to be here too."

The middle-aged man's tone was frivolous, and behind him were a few young men and women.

"Tan Yiming?" Upon seeing this middle-aged man, a faint trace of hostility and wariness appeared in Liu Jun's eyes.

Anyone with a discerning eye could tell that Liu Jun had a terrible relationship with that man called Tan Yiming. The two of them looked at each other with hostility.

"This is your follower!" Tan Yiming's gaze fell on Wu Tian and intentionally mocked him, "Old Liu, you are getting worse and worse now. Even your friends around you are this kind of trash."

"Who are you talking about?" Liu Jun stared at Tan Yiming anxiously.

If not for the fact that he had lost his identity in such a situation, he would have long since slapped him and taught him a ruthless lesson.

"Isn't this brat beside you just a coward? I don't know how he sneaked in." Tan Yiming pointed at Wu Tian's chest, then pointed at the people behind him, "Look at the friends around me, they're either executives or bosses. At the very least, they're civil servants, and they're many times better than the guy beside you."

As he said this, the people behind him also began to heckle.

"You ..."

Liu Jun was so angry that he couldn't say a word for a long time.

"Let me breathe in!"

Next to him, Wu Tian sniffed and then slapped his nose a few times, complaining, "Who is it that's spitting feces all over the place? It's so smelly and smelly."

"Brat, who are you talking about?" Hearing that, Tan Yiming immediately got angry and his eyes became round.

"I'm not scolding you, I'm scolding a dog that only knows how to bark."

"You dare to call me a dog?"

"Boss Tan, please don't misunderstand. I didn't call you a dog."

"That's more like it." Tan Yiming shook his collar.

Before his anger could dissipate, Wu Tian added: "Boss Tan is not a dog. I think Boss Tan is worse than a dog."

When he said that, the people behind Tan Yiming laughed.

Of course, Liu Jun was the happiest one. Seeing Tan Yiming's defeated look, he felt relieved in his heart.

He couldn't help but admire Wu Tian. He didn't expect this brat to be so good at insulting people.

"What are you laughing at!" Tan Yiming turned his head and glared at the men and women behind him. He shouted impatiently, "Have you guys had enough of laughing?"

It was one thing to be mocked by his opponents, but to think that his so-called friends would follow suit and mock him as well. How preposterous!

After he shouted, the others were so scared that they couldn't hold back their laughter.

Tan Yiming slowly approached Wu Tian. With a face full of anger, he shouted, "Brat, you dare to scold me like that?"

"Could it be that Boss Tan is stronger than a dog?" Wu Tian asked instead of answering.

"Nonsense. Of course I'm stronger than dogs. I ..."

Before Tan Yiming could finish his sentence, the people behind him burst out into laughter again.

Only then did Tan Yiming react. He pointed at Wu Tian's nose and cursed, "Little bastard, you dare to plot against me."

Hidden Billionaire Chapter 195 - Real Estate Mogul -

C195 Real Estate Mogul

"You stupid pig, you want to fight me? Pui!" Wu Tian spat on the ground. His eyes were filled with disgust and disdain.

"You ..."

Tan Yiming was so angry that his body was trembling, and the corners of his mouth were twitching.

After gnashing his teeth for a long time, he finally uttered a vicious sentence, "Silly boy, do you know who I am?"

"I don't know who you are. I only know that you are stronger than a dog." After Wu Tian said this, he raised his head and laughed out loud.

The onlookers stopped smiling, but when Wu Tian laughed like this, they couldn't help laughing out loud.

"I'm the chairman of the Yiming Group, I tell you." Tan Yiming raised his head and threatened coldly.

"What does it have to do with me?"

"What I want to tell you is that after offending me, killing you is easier than stepping on an ant."

"I'm not scared."

"You ..." Tan Yiming was speechless.

He was no match for this kid. In terms of quarreling. He could only point his spearhead at Liu Jun, "Look at the people around you, they are all rascals."

"Better than you, bringing a bunch of mad dogs to bite people." Liu Jun retorted.

"You ..." Tan Yiming wanted to curse back, but he changed his mind. He suppressed the anger in his heart and sneered: "Humph, what's the point of talking."

"What is it? You still want to fight me? "

"It's vulgar of people with status like us to fight." Tan Yiming shook his suit, changing it to a gentleman's face, "Do you think you're very good? Why don't we make a bet at this banquet tonight?"

"What do you want to bet?"

"Tonight, the main character of this banquet is senior Sunn Tianshou. I heard that he has a project in his hands that allows him to create a new world. If anyone of us gets this project tonight, we will win."

"Alright, I'll bet with you." Liu Jun did not back down and agreed to this bet.

He had prepared for half a month for the New World Project. Tonight, he was confident enough that he would be able to obtain it.

"That's good." Tan Yiming smiled and secretly said proudly: "Tonight, I'll let you know how powerful I am."

He had come prepared for the new world's project.

Before attending the banquet, he had spent a lot of effort to arrange the relationship and was only waiting for Old Mr. Sun to announce the result.

"Don't be too happy yet. Let's see who will be the last to laugh." Liu Jun tugged on the button on his collar as if he couldn't wait to show off.

"Since it's a gamble, we should increase the stakes." Tan Yiming smiled coldly and suggested, "Whoever loses will bark like a dog three times and then quit the New World project forever. Do you dare?"

"Of course!" Liu Jun naturally wouldn't back down.

To be honest, he had already disliked Tan Yiming.

This old fellow was always at odds with him, always wanting to destroy him. He had already had enough of this old man.

It just so happened that Tan Yiming was going to take advantage of this gamble to teach this old guy a lesson and kill him off.

"This time you will lose." Tan Yiming smiled confidently, his expression was extremely disgusting.

The crowd also looked as if they were waiting for a good show. This time, it didn't matter who won or lost, it would be a great show.

Everyone silently watched and waited to see who among these two property owners would be the one to bark like a dog in public.

At this moment, the hall erupted with noise and excitement.

Everyone looked towards the entrance of the banquet hall and saw an old man in his sixties walking inside with a cane in his hand.

This was the main character of tonight's banquet, Sunn Tianshou.

Even though he was over sixty years old, his body was very sturdy. He was old, and very domineering. Even when he raised his cane, he was only pretending.

The moment he appeared, the entire hall became extremely lively. All the guests surrounded him and wanted to take the opportunity to please Sunn Tianshou.

Sunn Tianshou was not only the head of Luzhou and real estate, he was also a famous philanthropist, and he held a very high position in everyone's hearts.

However, Old Mr. Sun had a strange personality. He rarely attended business gatherings like these, so it could be said that he was just on a whim.

Therefore, everyone wanted to take advantage of this opportunity to fawn on Old mister. If they missed this opportunity, it would not be so easy to see Old mister Sun again in the future.

Upon seeing Sunn Tianshou, Liu Jun hurriedly squeezed into the crowd and seized the initiative. He greeted the old man with a smile and bowed, "Mr. Sun, I have heard a lot about you. It is my pleasure to meet you."

"En!"

Sunn Tianshou nodded slightly, showing a slightly cold and arrogant expression.

Perhaps because they had been in the business world for too long, too many people had fawned on them, so much so that everyone was calm when they saw them.

"I'm Liu Jun from the Liu Group." Liu Jun stretched out his right hand and said with a smile, "Previously, I had an agreement with your company on the project of a new world, I think ..."

"We'll talk about this later." Sunn Tianshou waved his hand impatiently and continued to walk forward, ignoring Liu Jun.

Liu Jun stood on the spot like a retard. He didn't think that he would be ignored by the old man just like that.

In any case, he was still considered a figure in the real estate world. He didn't expect that the old mister wouldn't even give him a chance to speak and would just leave him by the side. He felt extremely awkward.

Tan Yiming walked over and couldn't help but mock him, "Old Liu, to think that you are such a character. I didn't expect you to not even be a fart in Mr. Sun's eyes."

"You ..." Wu Tie was so angry that his body was trembling, but he couldn't do anything to Tan Yiming.

Facing such mockery, he didn't even know how to respond.

Honestly speaking, even he did not expect to be ignored by Mr. Sun like it was thin air.

"You are simply too weak like this. Let me show you my strength." After Tan Yiming said this, he quickly chased after Sunn Tianshou.

Soon, they squeezed through the crowd and caught up with Sunn Tianshou. He bowed at 90 degrees and said respectfully, "Mr. Sun, I am from the Yiming Group..."

"Get out of the way." However, before he could finish, Sunn Tianshou pushed him away impatiently.

Tan Yiming froze on the spot. He didn't expect the old man to have the same attitude towards him.

That's not right, he had already sent someone to Mr. Sun's company before, so this shouldn't happen.

After a slight pause, Tan Yiming braced himself and went up to greet them. He introduced them: "Sir, my name is Tan Yiming ..."

"No matter who you are, get out of my way." Sunn Tianshou's face darkened as he snapped impatiently.

"That's right, old mister." Tan Yiming had an idea. He took out the expensive Ling Long Yan from his pocket, "This is a token of my gratitude to you. Please accept it."

"Don't play along with me, hurry up and put away this thing of yours, don't embarrass yourself again here." Sunn Tianshou swung his sleeves and walked towards the opposite in anger.

"I ..."

Tan Yiming stood on the spot like a retard.

He did not expect Sunn Tianshou to not only refuse to give him face, but also embarrass him in front of everyone, causing him to lose all face.

He originally wanted to please Mr. Sun and easily get cooperation from the new world, but he didn't expect the development of the matter to be out of his expectations.

It was just like the legends said, Old Mr. Sun was indeed a strange person. It was simply impossible to curry favor with him using ordinary methods.

Just when he was feeling disappointed, Wu Tian walked over and couldn't help but mock him: "Aren't you amazing? How did you become a coward so quickly?"

Hidden Billionaire Chapter 196 - Two-way Betting -

C196 Two-way Betting

"I ..."

Wu Tie was so angry that he didn't know how to respond. He held it in for a long time before he couldn't help but provoke: "You, brat, what right do you have to mock me?"

"Although I'm younger than you, my strength isn't necessarily inferior to yours." Wu Tian's tone was calm, but it was filled with a faint sense of confidence and dominance.

"Stop bullshitting with me. If you have the ability, go and chat with Old Mr. Sun for a bit."

"Old Mr. Sun will definitely be happy to chat with me."

Tan Yiming spat on the ground and said with disdain, "You brat, you really don't know how high the sky is and how deep the earth is. I guess Mr. Sun won't even look at you."

"Then take a good look." After Wu Tian said that, he quickly walked towards Sunn Tianshou.

"I want to see how you make a fool of yourself." Tan Yiming cursed, as if he was waiting to see a good show.

A brat like Wu Tian doesn't have status or status, Mr. Sun definitely won't even look at him.

"Hey, Tian ..."

Liu Jun didn't want to embarrass Wu Tian.

He originally wanted to stop Wu Tian, but he was a step too late. He could only watch as Wu Tian squeezed into the crowd.

Under everyone's gaze, Wu Tian directly squeezed into the crowd and quickly walked over to greet Sunn Tianshou, "Mr. Sun, we meet again."

"It's you, kid." Sunn Tianshou changed his attitude and took the initiative to take Wu Tian's arm, saying cordially, "I didn't expect you to be here to attend the banquet, our fate is really fated!"

Seeing this scene, the guests were all dumbfounded.

They didn't expect that this young boy in front of them would actually have such a good relationship with Old Mr. Sun. It was simply embarrassing.

The guests at the scene could not help but open their mouths to discuss. They were all guessing what Wu Tian's identity was, how could they let Sunn Tianshou lower his head and greet him with a smile!

Even Liu Jun couldn't help but be shocked.

Seeing Wu Tian chatting happily with Sunn Tianshou, he was completely dumbfounded.

It was indeed very surprising. They never thought that Wu Tian would know such a famous real estate agent, nor did they expect the two to have such a close relationship.

They didn't realize before that Wu Tian was a good communicator, he could even get along with such a big boss.

At the same time, he could not help but be secretly happy. For Tian to be able to become such an unscrupulous real estate mogul was extremely good news for him.

Through Tian, we can get to know Mr. Sun, and can take on all kinds of big projects in the future. This is very beneficial for the company.

The one who was most shocked was none other than Tan Yiming.

He probably never would have thought that the silly kid called Wu Tian was actually related to Sunn Tianshou.

Furthermore, from the looks of it, the relationship between the two was not ordinary.

He really couldn't understand, how could such an ordinary kid, who dressed in shabby clothes, befriend a big boss like Sunn Tianshou.

He and Liu Jun, the two real estate owners, were both ignored by Mr. Sun, but in the end, a nobody like Wu Tian actually had a good relationship with Mr. Sun.

This result left him feeling extremely unbalanced.

However, the truth was right in front of him, and he had no choice but to accept it.

Under the crowd's gaze, Wu Tian started to chat with Sunn Tianshou in public.

The conversation was about chess.

After chatting for a while, Sunn Tianshou couldn't help but ask, "Wu, why do you want to join this property world's banquet?"

"I came with a friend." Only then did Wu Tian think of Uncle Liu, and he quickly walked over to push Liu Jun back in front of the old man, "Liu Jun, my friend is also a real estate worker."

"Hello, Boss Liu."

Upon hearing that it was Wu Tian's friend, Sunn Tianshou immediately became enthusiastic and took the initiative to greet him.

Liu Jun was flattered as he held Sunn Tianshou's arm, smiled and said, "It's my honor to know Mr. Sun."

"Since you're a friend of Wu Tian's, you're a friend of mine. You're welcome." Sunn Tianshou waved his hand and said with a smile.

"Thank you, Mr. Sun." Liu Jun thanked him repeatedly.

This time, it was all thanks to Wu Tian's help that he was able to get close to Old Mr. Sun. This was a huge fortune.

"If there's anything I can do for you, just let me know." Sunn Tianshou pinched the walking stick in his hand and said with a smile.

"It just so happens that I have a request."

"Speak."

"Our company wants to take over your company's new world outsourcing project ..."

"Sure." Sunn Tianshou waved his hand, then instructed the subordinate behind him, "Go and get a copy of your contract, now hand over the New World project to Boss Liu."

"Thank you, Mr. Sun." Liu Jun was overjoyed and bowed to express his thanks.

He also did not expect the old man to agree to the contract with the new world so easily.

Of course, all of this was thanks to Wu Tian. It was obvious that Mr. Sun was giving Tian face.

"Anything else?" Sunn Tianshou asked with a smile.

"There's nothing else."

"If you need anything, you can tell Wu to come find me." After Sunn Tianshou said this, he turned his head and looked at Wu Tian, "Brat, try to fight a few rounds with me when you have time. I'll go to the back to meet some guests first. You accompany your friends for fun."

"Slow down, old mister!" Wu Tian was about to reach out to support Sunn Tianshou, but he was rejected, "Go and play. Don't worry about me. We'll find you another day."

He raised his crutch and left.

It was only when Sunn Tianshou left that Liu Jun couldn't hold back the excitement in his heart, "Good boy, you're really good. You even know this kind of real estate boss."

"It was an accident." Wu Tian had never thought of getting to know Mr. Sun, but somehow, they just became friends.

"Tian, tell me, how did you meet Mr. Sun?"

"That's quite a coincidence. I know Mr. Sun through Professor Tao." Wu Tian briefly recounted the situation.

After listening to the story, Liu Jun became even more shocked, "Good boy, I didn't expect you to even know Professor Tao."

"I've heard Professor Tao lecture before. Maybe it's because of my good performance that Professor Tao has a deep impression of me."

"That's right." Liu Jun stretched out his thumb and couldn't help but praise: "Your social skills are too good now, they are even better than me."

"Uncle Liu, you flatter me. How could I possibly compare to you? After all, you are an old fox."

"Are you insulting me or praising me?"

"Of course I'm praising you."

"You stinking brat." Liu Jun shook his head with a bitter smile and coincidentally saw Sunn Tianshou's secretary walk over with the contract.

Liu Jun hurriedly took the contract and found that it was a project contract for the New World. Mr. Sun had already signed it.

After getting the contract, Liu Jun looked exceptionally happy. After all, this was a huge project worth hundreds of millions of dollars.

More importantly, obtaining this contract was equivalent to winning Tan Yiming's bet.

"You lost, Boss Tan." Liu Jun brought the contract closer to Tan Yiming and said with a smile, "If you lost, you lost. What else do you have to say?"

"I have nothing to say." As matters stood, Tan Yiming had nothing to say and could only admit defeat.

Originally, he thought Wu Tian was a useless coward, but it turned out to be the opposite. In the end, he actually helped Liu Jun get a huge project worth hundreds of millions.

"According to our agreement, you should start barking like a dog now?" Liu Jun reminded Tan Yiming with a victorious attitude.
