

## Hidden 1931

### Chapter 1931: Tired Of Me?

Before Wang Haojun could say anything, Qin Zhen quickly went away with the excuse of being busy.

“Producer Qin, Producer Qin... Wait... Damn it!”

Wang Haojun did not expect this.

Qin Zhen had already been rattled just now, yet after a phone call, his attitude changed and he was determined to follow the rules.

Wang Haojun kicked the wall in anger.

Damn it! What happened?

Glory World had already fallen, so what else could have affected Qin Zhen’s decision? Or maybe his higher-ups predicted something and had warned Qin Zhen beforehand?

Objectively speaking, the matter this time was really troublesome.

Wang Haojun glanced over at the ranking behind him and his pupils shrunk.

Ning Xi had already reached the top three for the three male artiste categories!

The fans were all asking people to vote for Ning Xi on the streaming sites.

The votes came in from places they could not see, including the huge number of fans and audience in front of the television, even people by the roadside.

The event was about to finish, yet the programme rating was still very high up. It only showed how many people were watching it right now!

No one expected that there would be such a huge upset in just a short four hours. Nothing could be done now.

...

Off-stage.

Jiang Muye was looking at Ning Xi’s name speeding through the rankings at a crazy speed, and she was closing in on his top spot. Needless to say, he was stunned.

He even started to doubt his life!

He wished he could grab her shoulders and shake the world out of her right now. “What the heck!? Ning Xiao Xi! I said we’d slay the rankings together, not for you open your unlimited kill mode!”

“Uhh...” To be honest, Ning Xi did not expect this to happen as well. She had forgotten that some categories in “Entertainment’s Light” was open to both genders. She also did not expect the fans to vote for her in the male artiste category.

Jiang Muye had really wronged her this time.

As they were talking, the ranking as of now was...

Most Popular Male Artiste No. 3: Ning Xi!

National Husband No. 3: Ning Xi!

Most Desired Male Artiste To Sleep With No.1: Ning Xi!

When Jiang Muye saw that he had been taken over, he lost it. “Damn! This is not logical at all! Ever since the start of this poll, I’ve always been at the top! Not only did I lose it this time, but I lost it to a woman?!”

While the first two were more important, the third one was a matter of a man’s pride!

Ning Xi raised her eyebrows when she saw that she had taken the first place in the “Most Desired Male Artiste To Sleep With” category, she tried to console him. “Well... At least you don’t have to post a naked photo now!”

“I’d rather post a fully nude photo! Fully nude!” Jiang Muye was about to cry.

The enraged Jiang Muye logged into the streaming site with his main account.

Jiang Muye had special privileges, so everyone received a colorful notification when he entered.

Jiang Muye: “Why does no one want to sleep with me anymore!? Why!? Do you people really still love me!?”

Jiang Muye: “Are you people tired of me now?”

Jiang Muye: “You bunch of heartless elves!”

The fans laughed when they saw Jiang Muye’s messages.

“Look at you and Bro Xi. It’s the same whoever gets first!”

“Hahaha, Muye, be good and get down this time!”

“Well, Muye, you do seem like the bottom anyway!”

### **Chapter 1932: Choose Lover Over Friends**

Even more savage was that a lot of the troublemaking fans were collectively commenting.

“Please, husband, dress as the other gender!”

“Please, husband, wear a female outfit, oh, oh, oh!”

“As long as you wear a female outfit, my dear, we’ll guarantee to let you slay the female rankings!”

“Oh, I agree!”

...

Jiang Muye read the comments until his face was as dark as the bottom of a pot.

Hey! Bottom, my ass! Female outfit, my ass!

Who wants to wear a female outfit now?! You perverts!

What did he need the female rankings for?! His legendary reputation was ruined!

He would not dress like that even if it killed him!

After Jiang Muye pathetically finished lurking the live stream websites for a while, he noticed something even more hopelessly.

“National Husband” ranking’s number two had unexpectedly been surpassed by Ning Xi too.

Now, Ning Xi was actually right below Lu Tingxiao in the poll!

Ning Xi obviously saw where she was on the ranks too. After she looked at it for a long time, she suddenly thought of something and her eyes flashed.

Jiang Muye looked at Ning Xi’s unusual gaze and suddenly had a bad feeling. “What... What are you thinking of doing now?”

Ning Xi looked at Jiang Muye and sighed, “I’m sorry.”

“What do mean you’re sorry?! What are you trying to do?!” Jiang Muye was about to break down.

Sorry...

For her darling...

In order to be at the highest position with her darling...

She had to choose her lover over her friends for once.

Pulling out the big guns...

At the same time, on stage, everyone else’s performances had come to an end, and they had reached the final segment of getting votes.

The host almost could not wait to invite all of the guests on stage!

Now only the final fight was left!

The artistes walked up to give their speech to ask for voters to support them according to the number they had picked.

“Thank you, everyone, for voting for me. Even though I’m not in the top spot, I’m already very happy. Thank you for everyone’s support! Thank you to all the fans that like me!”

“Thank you, everyone. Next year, I’ll definitely work even harder!”

“As a newcomer, I’m really very emotional that there would be so many of you who like me. I hope that everyone can continue to vote for me. I definitely won’t let you all down!”

...

One by one, all of them gave their speeches.

Finally, it was Han Zixuan’s turn.

Earlier, she had been backstage for so long. Han Zixuan must have discussed their final plan as they did not know what dirty trick she would pull this time.

When they thought about this, Xu Tao, Jiang Muye, and everyone else suddenly held their breaths.

At this moment, Han Zixuan’s expression was already devoid of the panic and loss of control from earlier.

She had returned to her goddess look and stood calmly on the stage.

She did not ask for votes right away like the others had. Instead, she said in a calm and composed manner, “I’d like to borrow today’s occasion to share a good news with everyone.

“After ‘The World’, I’ve just received Hollywood’s famous producer, Jace’s invite to join their new film. This also means that my career will take on a new journey! Of course, everything that I have right now wouldn’t have happened without your support! Thank you very much, everyone! Without you, there would not be Han Zixuan today!”

Once Han Zixuan finished, all of the fans were shocked by her dropping the name of the huge Hollywood producer, Jace.

He was no. 1 on the Hollywood producers list and had shot many famous classic works. In fact, he did not work with Chinese people much. Besides, this was a personal invite which meant that Han Zixuan had actually received Jace’s invite.

There was no one in the entertainment industry with such an esteemed honor!

Even though Han Zixuan did not outrightly ask for votes, her votes had rapidly increased because of this shocking news.

In the end, the people still subconsciously worshipped the strong ones!

At this moment, Han Zixuan and Zheng Anru, who were backstage, let out a slight sigh of relief as they happily watched the votes rapidly increase.

Even if they could not join the male rankings, they had to at least surpass Ning Xi in the female categories. Even if it was the worst case scenario, they had to at least win one of them!

Very soon, it was Jiang Muye's turn.

Jiang Muye's declaration for votes was very simple and crude. "Number one for three categories, and I'll promise you anything!"

Bloody hell, I'm going all out!

With the sounds of shrieks, Jiang Muye's votes indeed started to rise like mad. He had even started to make a comeback to surpass Ning Xi on the "Most Desired Male Artiste To Sleep With" list.

"Ah, ah, ah! I want to kiss, to hug, and to everything you, Jiang Muye!"

"Can I bang you?"

"There are so many of us... Our dear would die from excessive ejaculation, wouldn't he?"

...

When Jiang Muye saw that, he did not even care that he would be extracted dry. He looked gleefully at Ning Xi beside him.

Huh, little guy, still want to fight with me!?

I am your senior and I have more experience than you!

No matter what, he had to protect his ranking and dignity first!

Ning Xi's speech for votes came right after Jiang Muye's.

Suddenly, everyone held their breaths to watch the person in the middle of the stage who turned everyone's hearts upside down.

At the same time, Han Zixuan and Starlight Entertainment had gone all out. Han Zixuan's votes were trying to make a comeback. Obviously, Starlight was prepared to first protect their top spot for the "Most Popular Female Artiste". The margin between Han Zixuan and Ning Xi's votes were closing in.

On the other hand, in the male rankings, the margin between the first, second, and third spot was minimal. Everyone was chasing one after another and the competition was intense too.

"Next up, we'll invite our Bro Xi to give her speech! I wonder what Bro Xi has to say to our audience and fans!" When the hostess looked at the person beside her up close, her heart was beating very fast.

Everyone thought to themselves, 'What would Ning Xi do? What would Ning Xi say?'

One must know that Han Zixuan had really given it her all this time, even unexpectedly announcing such a shocking news at that moment.

Ning Xi was still in her lavish medieval English costume. However, because it was too hot earlier, she had undone two buttons. Her hair that was drenched in sweat was slightly messy too, giving her an aura of nonchalance and apathy.

At this moment, under everyone's nervous and anticipating gaze with their bated breaths, Ning Xi's fingers clenched her collar and buttoned up the two buttons that were undone until she reached the first buttonhole on her collar that only revealed half of her fair and slender neck.

It was just an extremely minute detail. With only a slight profoundness in her eyes, her entire aura instantly changed as if she had changed into a completely different persona from the reckless Phantom she played earlier. It was as if she were a king in an ancient castle who had suppressed their desire for thousands of years waiting for their beloved.

Then, she bent over slightly and made a noble yet elegant gentleman bow, saying to everyone softly, "Thank you!"

After an odd three-second silence, the place exploded into deafening shrieks!

"A life where I can't sleep with Bro Xi is no different from being salted fish!"

"Hubby, I don't want to kiss or hug or mwah mwah. I don't even want to bang as long as you take a look at me amidst this crowd!"

"Ah, ah, ah, just votes right? I'll give them to you! All of them! My heart, my love, my soul, my virginity, I'll give them all to you!"

...

There was no provoking speech, no shocking news. It was just a tiny action and a "thank you".

The huge screen flashed.

Most Popular Male Artiste No. 1: Ning Xi!

National Male Idol No. 1: Ning Xi!

Most Desired Male Artiste To Sleep With No. 1: Ning Xi!

Most Popular Female Artiste No. 1: Ning xi!

National Goddess No. 1: Ning Xi!

...

### **Chapter 1934: This Affection Is Poisonous!**

Translator:EndlessFantasy Translation

"This... This is impossible!" Off-stage, Zheng Anru immediately stood up.

Han Zixuan looked even paler.

Damn it!

Why!? Why was it that she had done everything to this extent and still she could not compare to this outdated female star who only knew how to pull tricks and be a sensationalist!?

At this moment, as he looked at the ranks on the huge screen, Jiang Muye felt like he had been crapped on.

Bloody hell! He did not even spare selling his body, yet he could not even compare to her just buttoning up two buttons?

Where was the logic?

What kind of fraudulent species was he competing with?

What Jiang Muye would never have thought was that there was something even more heartbreaking after that...

As the time passed and it got closer to dawn, very soon, the results of all the six main categories were out.

The results for "National Husband" that included the entire China was —

No. 1: Lu Tingxiao!

No. 2: Ning Xi!

There were 12 rankings altogether for Entertainment Light's poll, while the top six categories were topped by:

Ning Xi! Ning Xi! Ning Xi! Ning Xi! Ning Xi! Lu Tingxiao!

When Jiang Muye saw those two names standing side by side, as he watched this husband and wife occupy half the country, he threw up blood on the spot!

This was definitely the most tragic incident of publicly displayed affection by the two of them since the beginning of history...

This affection was poisonous!

...

At the same time, in Deer Town.

Lu Jingli and Lu Tingxiao were sitting in front of the television and watching the live stream. Because Little Treasure had to go to school, he reluctantly went to sleep.

Lu Tingxiao leaned his head on his hand and stared at the screen with a focused expression.

While Lu Jingli held popcorn and a bunch of other junk food, from time to time he wailed and howled with the fans. "Oh! It's over, over, I'm bent! Our Sis-in-law is so handsome! My dear brother, if I didn't know your sexual orientation, I would really suspect that you were actually gay!

"Oh, oh, oh my God! I can't believe that our baby Little Treasure is a combination of both of your genes. What do we do when he grows up!?"

Lu Jingli kept chattering on in an anxious manner.

Finally, after the ten-second countdown, the results of the polls were going to be officially announced.

Lu Jingli clutched the chips in his hand and watched while holding his breath.

When he saw the final results of the polls...

His expression stiffened. He instantly threw away the chips in his hand and wept disconsolately!

"There's no way I can live anymore! Sis-in-law is too savage! She was intentional. She must be!"

Why was he even tortured by their affection by watching an award ceremony!?

Where was the humanity!?

While Lu Tingxiao watched the huge screen on the television and saw the names, he watched the girl bow and thank the fans. That expression on his face was as tender as water!

His girl... She could always pleasantly surprise and move him.

...

While watching the results, the most excited group was probably Ning Xi's fans. They cheered excitedly in the live stream channels, including a lot of passersby who were infected by the whole atmosphere too.

"Ah, ah, ah! Hubby is mighty and domineering!"

"Bro Xi dominated the polls with thirty million in her harem!"

"May I see my king lead the world in my lifetime!"

...

Off-stage, Qin Zhen saw the shocking results of the rankings, and as he watched the audience and fans react, he let out a sigh of relief on the inside. He could not help but rejoice on the inside.

Thankfully, he was not possessed to be swayed by Wang Haojun's bit of money. His career had long been in a rut, but after these polls, his reputation would definitely go with the flow. Would he be worried about not being able to earn big money in the future? Not differentiating the gender of candidates list for the polls had been his idea back then!

### **Chapter 1935: Being On The Same Ranking As The Devil**

"Gosh! The results are really shocking! We've never had anything like this before since the beginning of these polls..."

The host was riled up with excitement.

The winners were invited up on stage to receive their prizes, starting with the males first.

Ning Xi alone received three of them. Yes, the three that Jiang Muye was determined to get! Jiang Muye, who did not even win a single title, was starting to doubt his life.

"What the heck? I want to quit the entertainment industry!"

He had no place here anymore!

Lei Ming coughed lightly and started comforting him, "Well, being second is okay too. Good job!"

“What’s so good about being under that bastard?! Look at these little bastards in the streaming sites! Am I on the receiving end? How am I on the receiving end?” Jiang Muye roared.

Xu Tao was overjoyed tonight, he looked just like a hardcore fan, “Hahaha my queen is the best! The time for Xu Tao is finally here!”

She was just the best artiste for him!

“Ning Xi, congratulations on beating all the guys and reaching the top of the three big male categories! You’ve even grabbed the second place in the ‘National Husband’ category. How do you feel being on the same ranking as Mr. Lu?” The host asked out of curiosity.

While Lu Tingxiao would never be there to take this award, the host would never let up the chance to talk about it.

Ning Xi raised her eyebrows.

Hmm, being on the same ranking as Lu Tingxiao...

It was an indescribable feeling after all.

Mysterious...

She also felt like slapping herself since she had told Lu Tingxiao she had way too many romance rivals not too long ago.

Ning Xi phrased her words carefully and replied, “It’s my pleasure to have my name up there together with Mr. Lu.”

What she did not say out loud was: “In the years to come, our name will be forever together!”

While Xu Tao and Lei Ming had no idea about Ning Xi’s relationship with Lu Tingxiao, Liang Feixing and Jiang Muye were fed up with Ning Xi’s public display of affection.

Soon, it was time to give out prizes for the female categories.

Suddenly, Xu Tao and the bunch noticed some upset comments from the streaming sites.

“What is this?! What’s Entertainment’s Light doing? They let a woman win the male categories! Nonsense!”

“Not just that, it’s unfair for the females too! The Most Popular and National Goddess titles should be Zixuan’s!”

“That’s right! Zixuan is the real goddess! Are these people blind? What’s so good about that half-guy, half-girl Ning Xi?”

...

It was obvious that Starlight was pulling the strings behind this uproar.

While Jiang Muye had complained about Ning Xi earlier, he changed sides when he saw these comments. “Foolish humans!”

He did not look worried at all. He was just waiting for these people to eat their own words.

“We’ve given out the Best Newcomer award! Now, we’re presenting the award for Most Popular Female Artiste and National Goddess! Because Ning Xi has won both awards, we’re giving it together. Once again, let’s have Ning Xi up on stage!”

A person came out slowly as the host invited Ning Xi up.

A white figure came out into the view of the audience from the blurry backlight and soon, everyone could clearly see the person.

No one made a sound.

At that moment, that high and mighty king had taken off his male outfit, and returned to her true self...

### **Chapter 1936: Slaying The Novice Village**

Ning Xi was not wearing the sack of a dress from before. She was donning —

One of the key highlight pieces of Spirit, “Luoshen”!

Jiang Muye was still a straight guy after all. His expression changed when he saw Ning Xi in her usual female outfit. In his flush of hormones, his ears were a little red and his eyes looked at her differently.

Still, this prideful guy was still trying to hide it, so he mumbled quietly, “That’s no fun at all! She’s just using a fully upgraded weapon to slay a novice village!”

Exhibiting true strength was always the best way to shut people up.

All the dissatisfied voices disappeared after Ning Xi appeared. The majority of the supporters flushed out the tiny amount of criticisms.

“Ah! My goddess is so beautiful! What should I do? I’m not sure if I like guys or girls anymore!”

“May I know what brand is my goddess wearing? I’ve never seen it before! It looks so much better than Han Zixuan’s outfit! While what she wore looks good, but she gives a vibe of being a newly rich person!”

“I know, I know! It’s Spirit! Goddess has always been a loyal fan of Spirit! Don’t you know? She wore Spirit’s key highlight piece, ‘Beings’ at Glory World Entertainment’s anniversary. At the Golden Film Awards she wore the renowned work of Spirit’s lead designer, ‘Nirvana Reincarnated’, and now this is the second key highlight piece of Spirit, ‘Luoshen’. It’s a collaboration between Spirit’s lead designer and Master Song Qin!”

“Also! The white qipao Bro Xi wore when she just reappeared is a new series called ‘Back To The Origins’ from Spirit. I’ve never seen the one she wore in the beginning before. I guess it’s a new series that’s not been announced yet!”

“I see! It’s Spirit! It was quite popular back then!”

“A lot of their recent releases look really impressive!”

...

Several fans brought up the Spirit outfits Ning Xi wore in the past, and suddenly Spirit was back in the public eye again. It was free promotion and a stellar marketing strategy.

Finally, the Night of Starlight finally ended.

Starlight lost all their chances to turn the tables.

At midnight, in a hospital.

Ning Xueluo already received the news from the company and she flopped on the sofa, irritated. "What a useless bunch!"

They had invested so many resources and could not even win over an outdated artiste, losing to Glory World that had nearly closed down.

However, she had no time to solve Starlight's issue now. She had much more important things to do.

Ning Xueluo looked at her phone impatiently while waiting for the doctor's diagnosis.

After a while, a female doctor around fifty years old came in.

The doctor looked at Ning Xueluo with a less-than-positive expression. "Mrs. Su, your report is out..."

Ning Xueluo's expression darkened when she saw the doctor's body language. "I still don't have a baby?"

The doctor nodded. "Yes..."

She then comforted, "Don't worry, Mrs. Su. You're still young. It's only been a year since you've been married. Be patient and there'll be many more chances in the future."

Ning Xueluo soured and was laughing coldly on the inside.

Be patient?

If she kept on being patient, she would surely lose her position as Mrs. Su!

### **Chapter 1937: Seen All Kinds of Beautiful Girls**

The Night of Starlight had ended, and Glory World had won the war this time.

Of course, a lot of people did not think that way.

In the dressing room, backstage.

"You monster! You're not human! Ning Xiao Xi, our friendship ends here!" Jiang Muye was fuming.

This witch had done it on purpose! Just to show her affection, she had sold him out!

Ning Xi was sitting in front of the dressing table. She glanced back at Jiang Muye as she took her earrings off. "I said I'm letting you take the female category, but, no, you didn't want to!"

She then started studying a certain blondie.

Jiang Muye's facial features were rather pretty. If he put on makeup and a female outfit...

Hmm...

Jiang Muye could not stand Ning Xi's staring anymore. "Screw you! Ning Xiao Xi, I'm going to kill you if you think about that again!"

Ning Xi sighed out of regret.

Suddenly, someone knocked on the door.

"Come in." Ning Xi looked at the door.

She was surprised to see who it was.

The person was wearing a full black tuxedo with a special-looking flower in his hands.

The flowers were light pink in color and looked like a ruffled collar from the mid-European era. It seemed like a special rare flower from a botanical garden in Japan.

"Congratulations." Li Muyan handed the flowers over like a gentleman.

Ning Xi quickly stood up and took the flowers. "Thank you, Mr. Li..."

"I was nearby tonight with the diplomat from Japan. I saw the live stream and found out that you had an important event tonight. I hope my uninvited visit isn't troubling you," Li Muyan explained his intention of being there briefly.

Ning Xi smiled politely. "Of course not, you're welcome here! I really like the flowers. Thank you!"

This flower had a special scent and it smelled a little like pears with the gentleness of summer.

"These are magnolias from Japan. Because I only found out about this at the last minute, I just stole them from the Japan Embassy," said Li Muyan unabashedly.

Of course, Ning Xi knew Li Muyan was kidding, but she was still surprised. Then again, considering his career, it might be pretty normal for him to say something like this.

When Jiang Muye saw the strange man, he turned from the usual blondie into a lion. He was on high alert.

"Right, this is my senior, Jiang Muye," Ning Xi introduced them.

"Li Muyan," Li Muyan introduced himself and extended his hand for a handshake, then he said, "I've heard about you, Mr. Jiang. You're very famous after all, and my cousin is a big fan of yours."

That was one sweet tongue...

Jiang Muye reached out for his hand half-heartedly. After a sloppy shake, he said, "Thank you."

Li Muyan did not stay for long and left after a short conversation.

Jiang Muye quickly asked Ning Xi the moment the man left, "Who's that?"

“The son of my aunt’s close friend. He’s a diplomat officer. What’s wrong?” Ning Xi asked back.

Jiang Muye mumbled, “Nothing, I just feel something’s odd... Does he like you?”

“I don’t think so! He’s been all over the world and seen all kinds of beautiful girls, so it couldn’t be...”  
Ning Xi was happily sending messages to Lu Tingxiao as she replied him.

### **Chapter 1938: Have A Date Tonight**

Jiang Muye still felt like something was out of place.

This person spoke eloquently and he gazed at Ning Xi very normally too, but perhaps because it was too normal, he felt something amiss.

Jiang Muye was initially prepared to continue asking further, yet he saw the text Ning Xi had sent Lu Tingxiao from the corner of his eye: [Darling, in this lifetime, our names will always, always be together!]

Hey, hey, hey! Forget it, what was he worried about?! He was already tortured by this display of affection, yet he was still being worried!

This bastard only had her darling in her heart and eyes. Even if another species’ eyes fell on her, she probably would not realize it!

...

In Deer Town.

Lu Tingxiao read the text on his phone and his eyes filled with tenderness.

Moments later, the man got up and went upstairs.

When Lu Tingxiao returned downstairs again, the orange juice in Lu Jingli’s head had tilted to one side and spilled on his pants. His eyes almost popped out.

Oh! So handsome, so handsome, so handsome!

His brother was wearing the tuxedo that Ning Xi had bought him. The design was unique and it was in a rather bright color.

Ning Xi’s aesthetics had always been flashier. His brother just had to put it on and he immediately looked attractive as if he was a totally different person.

“Dang! Bro! It’s late at night. Where are you going dressed like that?” Lu Jingli instantly asked excitedly.

Lu Tingxiao raised a hand to fix his collar. “Help me watch Little Treasure. I’ll be back tomorrow morning.”

Tears instantly welled up in his eyes as Lu Jingli bit his fingers. “Are you going on a date with Sis-in-law? Sob!”

“Mmm.” Lu Tingxiao admitted right away.

Lu Jingli was shocked and speechless.

The pathetic life that he had imagined had indeed begun!

Lu Jingli clasped his pierced heart like Xishi . “Where are you going? How long for? When will you be back, and when you come back, will you still love me?”

Lu Tingxiao shot a side look at his brother who loved acting. “There’re sweet and sour ribs in the fridge.”

His ribs!

His wife-protecting devil brother’s cooking was getting better and better. In fact, he was about to surpass sister-in-law!

Oh! His brother did still love him!

The little koi who was successfully consoled by the plate of sweet and sour ribs instantly corrected himself happily, “Oh! Got it. I’ll watch the child at home obediently. Go ahead! Have fun! It’s fine if you come back later!”

In fact, he thought that with his brother’s capabilities, they definitely would not be back tomorrow morning.

He was too selfless!

Where could anyone find a brother like him!?

...

Backstage of the event.

Ning Xi had changed into a pastel pink and adorable dress. “My nephew, you go ahead and leave by yourself! Your Auntie has a date tonight!”

Jiang Muye was so jealous that he scoffed, “Who wants to leave with you? I have a date too!”

“Oh, then have fun! Bye bye!”

As he watched the figure walk further away from him, Jiang Muye’s angry expression suddenly faded away like the tide. His head sank like a large, dejected dog.

I am so handsome...

Can you not even see a bit of that?

Love has never been fair.

...

“Oh! Darling, you’re so handsome!”

Once Ning Xi got into the car and saw Lu Tingxiao in the driver’s seat, she threw herself at him.

The man, who was attacked by this gentleness, kissed the girl on her forehead. His eyes were filled with warmth. "It might be a little far. You should sleep for a while on the way. I'll wake you up when we reach."

Ning Xi looked excited. "Where are you bringing me?"

Lu Tingxiao did not answer. Instead, he cleared his throat and did not seem himself.

It was really rare to see Lu Tingxiao like this. Ning Xi kept pondering and suddenly her curiosity was stoked.

### **Chapter 1939: Try Here?**

Mmm, the devil's surprise... What could it be?

Ning Xi initially wanted to accompany Lu Tingxiao, but because she had been busy for the whole night, she still fell asleep in a daze.

When she woke up, the car was already slowly coming to a stop.

"Mmm, have we reached?" Ning Xi rubbed her eyes.

She was about to open her eyes when suddenly, a pair of warm and wide hands covered them. "Close your eyes first."

Ning Xi was instantly jolted awake. She nodded obediently and her heart started to beat faster.

The car door opened.

She was held by the palm and carefully led as they walked step by step forward.

The ground felt very soft beneath her feet; she was probably stepping on mud.

The air was mixed with the fragrance of plants as the night breeze slightly chilled her. There were swooshes by her ear that sounded somewhat familiar.

Even though her eyes were shut and it was dark before her, but because of the familiar air and temperature around her, she was completely trusting, contentedly feeling everything around her.

It was not sure how long they had walked for when the sensation beneath her feet seemed to change from mud to planks that were put together piece by piece. She also felt like she was being suspended mid air; it was probably a wooden bridge.

"You can open your eyes now," came the man's low voice.

Ning Xi paused her footsteps and slowly opened her eyes, then her dull eyes instantly enlarged.

What she unexpectedly saw was a vast area of lush bamboo forest. Earlier, the swooshing she heard was the sound of the wind rustling against the bamboo forest.

There were fireflies fluttering amidst the bamboo forest, creating a dream-like setting.

Underneath their feet, the river surface mirrored the millions of stars and the reflection of them snuggling up against each other.

In the depths of that bamboo forest, there was a simple courtyard that was currently lit up with a gentle and warm light.

What made her even more shocked was...

This was Chang Chun City. To be exact, it was the bamboo forest in Chang Chun City's Spring Breeze Town!

That night, when she had been drugged and he was talking to her, she had mentioned this bamboo forest.

She said that if she could roll around in bed with her loved one here in the bamboo forest, how romantic it would be.

There had never been any buildings here. That little courtyard was definitely not here before this. Although the fireflies in the bamboo forest had been there, there were very little of them and definitely had not been as many as there were right now.

When had he started to prepare this?

Ning Xi could not describe her current feelings at all.

This man who was always serious, old-fashioned and dull, had because of her, done something he was not comfortable with at all.

"Do you like it?" The man clearly sounded a little nervous.

The instant he said that, lips as gentle as newly bloomed petals covered his thin and cool lips.

Lu Tingxiao's back instantly straightened and his hand that held the girl's waist suddenly tightened. At the same time, he returned the kiss hard.

"When did you begin to prepare this?" Ning Xi asked.

"I can't remember. Some time when you were in the coma," answered Lu Tingxiao.

Ning Xi's heart was mixed with sour and sweet emotions. "Thank you, I really like it... I really do..."

Lu Tingxiao cleared his throat. "Initially, I was prepared to..."

Even though Lu Tingxiao did not finish, Ning Xi instantly understood.

Her darling would not be willing to wrong her even an inch. He had probably prepared for them to share their first time here after being newly married, yet because of her uniform and her toppling him over when they did in the office first...

Ning Xi laughed lightly. "As long as it's with you, it's the same anywhere actually! We have a lifetime together. We can try many, many places in the future..."

The man pulled her into his embrace. "Mmm."

Ning Xi looked up and blinked with sparkles in her eyes. "Darling, are we going to try it here today?"

#### **Chapter 1940: Not As Handsome As Me**

The man's voice tightened as he said in a lowered voice, "Next time. It's too late tonight and you should rest properly."

Ning Xi suddenly did not know what to say. Had he actually brought her all the way here in the middle of the night and just purely just to give her a surprise?

Ning Xi thought about something and tugged on Lu Tingxiao's hand before making her way towards the courtyard in the bamboo forest. "Mmm, okay! Let's rest! Let's rest together! You must be tired from driving for so long!"

Hehe, wait till I get him into bed. Will I get to kiss him?

Uhh...

Why did she suddenly realize that this was the pattern of seducing a pure little bunny?

When the two of them entered the house, Ning Xi was once again astonished.

The roof above them in the master bedroom was made entirely of glass. They could see the bright, starry sky by lying down in the bed. Outside their window, they could hear the wind caressing the bamboo forest. The bed was made into the shape of a bird's nest and the pure white mattress was as soft as the clouds.

Yet, all of this beauty was nothing compared to the person beside her.

Lu Tingxiao stood in front of the bed and was undoing his buttons one by one.

Ning Xi held her chin and watched without blinking.

Indeed, there will be no damage without comparison!

Was she nothing?

If those people saw the way the devil undid his buttons, would they not go crazy?

Also, if they knew that their "National Husbands" No. 1 and No. 2 were actually already off the market...

Lu Tingxiao had just taken off his exterior clothing and changed when he saw that Ning Xi was already lying on the bed, waiting for him.

When she saw him turn around, she even patted the spot beside her as if she was saying that they could both obediently sleep together.

However, the shine in her eyes had already given her away...

The corner of Lu Tingxiao's lips curled up and there was a smile in his eyes. His fingers gently caressed the girl's chin. "Not tired?"

Ning Xi shook her head like a rattle-drum. "Please! Seeing you teasing me like this, even if I'm tired as a dog I could be resurrected!"

When Lu Tingxiao heard her, he did not know whether to laugh or cry. Did he tease her?

The man caressed the girl's soft hair. "I'm older than you are. There will be a day when I'm no longer attractive to you."

Wow! The devil unexpectedly had such insecure moments too!

Ning Xi instantly raised her brows. "So what!? There are many handsome guys and pretty boys in the entertainment industry! But can I eat their handsomeness? Whatever it is, even if they're handsome, they aren't as handsome as I am!"

She was the officially acknowledged No. 1!

Lu Tingxiao was speechless.

This reasoning...

Usually, girls would comfort the guy and say, "There will be a day when I turn old too." Only Ning Xi would say that as handsome as others were, they would not be as handsome as her. It was really hard to refute anything she said.

Nevertheless, Lu Tingxiao loved her arrogant little demeanor so much.

"Mmm, my wife makes so much sense."

The man laughed lightly as his long fingers held onto the girl's collar.

The way Ning Xi's outfit was designed was that there was a row of ten buttons at the collar. In fact, every button was small and delicate, and it was very hard to undo them.

Lu Tingxiao then started to kiss her forehead, her nose, her lips, collarbone, and every inch of her skin as he unhurriedly unbuttoned every single one patiently. Occasionally, his fingers would brush her skin with an electrifying numbness...

He was torturously slow.

The first time, he had caused her too much damage. The second time had been too rushed. This time, he wanted to give her the best experience.

Even if it was something that he was not good at, as long as he was willing to, this man could be the best.

Tonight was one such example.
