

## Hidden 1991

### Chapter 1991: You Guys Are Too Cruel!

The loud bang woke the three people upstairs up. They quickly rushed out of their bedrooms and went to the living room.

As Xiao Zhan was thrown out, he did not give up, he kicked the wall with his feet and then aimed the dagger at Han Xiao's heart again.

In that brief moment of time, Han Xiao flicked his finger and hit Xiao Zhan's right hand.

Xiao Zhan screamed in agony as the dagger flew somewhere far away.

"Xiao Zhan, you were naughty the last time. See if I'll still let you live today!" Han Xiao grinned. It was an evil grin.

He then grabbed Xiao Zhan's neck.

At this urgent second, Han Xiao turned over to peer at the three people on the stairs. "How should I deal with him?"

"Grandfather, beat him to death!" Tang Lang yelled.

Ning Xi blinked. "Mmm, I don't see an issue with that."

Lu Tingxiao went along. "Agreed."

Han Xiao was taken aback and stared at them in shock. "You guys... How're you guys so cruel? Talking about killing people so casually! Could you kill me one day too?"

Suddenly, there was a crack.

Xiao Zhan's neck had been crushed by Han Xiao.

Han Xiao was shocked, he looked at the dead Xiao Zhan, and then looked back at the three people upstairs, "What happened? Did you guys kill him?"

Upstairs .

Tang Lang's mouth twitched. "Grandfather, you killed him..."

"I killed him? Are you sure?" asked Han Xiao.

Tang Lang was annoyed. "If I didn't see wrongly, Grandfather, you killed him..."

"I'm sure you killed him. His neck's been crushed. It's really cruel... I didn't know you'd be this way. Master. I was wrong about you!" Ning Xi said.

"It should be you who killed him," Lu Tingxiao said.

"Hmm... I think my hand slipped. I didn't do it on purpose!" Han Xiao said as he looked at Xiao Zhan who was dead by now.

Ning Xi rolled her eyes at Han Xiao. She had seen a lot of shameless people, but not one of them were as shameless as Han Xiao.

It was obvious that he wanted to take revenge for what had happened the last time, so he crushed that skinny man on purpose and acted innocent.

Not only that, Han Xiao wanted to blame them even though he killed the person.

They were all on the stairs, how could they kill, with psychic powers?!

"I think Master Han Xiao is really shameless. What do you guys think?" Ning Xi smiled and looked at Tang Lang and Lu Tingxiao.

"Don't be rude, Third Junior Sister. Don't talk about my grandfather like that or I'll get angry! While he's a little shameless, shameless people are invincible... My grandfather is the best. What he's saying makes sense!"

"It's alright," Lu Tingxiao said.

"I want to eat watermelon!" Han Xiao ignored them and plopped down onto the sofa.

"I'll get it, Grandfather!"

Tang Lang went into the living room swiftly and took out the ice cold watermelon for Han Xiao. He then dragged Xiao Zhan's body outside.

Ning Xi went downstairs and sliced up the watermelon, then she handed it to Han Xiao with glittering eyes.

"Master, you let Yorick and the doctor leave on purpose, didn't you? You did so to lure this man out!" Ning Xi exclaimed.

"Yorick..." Han Xiao stared at Ning Xi. "Who's that?"

Ning Xi was speechless.

### **Chapter 1992: Have Supper Before You Go?**

Han Xiao yawned, then he snapped his fingers loudly towards a room. The white tiger swayed out from the room and strolled to Han Xiao's side.

"We're leaving." Han Xiao walked out as he waved to the three of them.

Ning Xi was suddenly stunned. "Ah! Master, are you leaving?"

"Didn't you say that if no other assassin dares to come, I can leave?" Han Xiao said with an expression that seemed to say, "Are you trying to trick me again?"

Tang Lang nodded repeatedly on the side. "Grandfather is right. Xiao Zhan is already the ultimate!"

Even Xiao Zhan had died here. Unless someone was crazy, no one would take on the mission to throw away their lives.

Suddenly having to part after being together for the past few days, Ning Xi felt quite sad and at a loss. "It's already so late... How about having supper before you go, Master?"

Han Xiao did not hesitate to turn around and say, "Okay!"

Ning Xi was speechless.

Ning Xi's parting sorrow had instantly vanished.

-

Late at night.

"Darling, would your end have any problems?" Ning Xi laid in bed, unable to sleep.

"Are you not confident in me?" The man's low and raspy voice rang above her head.

Ning Xi pounced on him with a kiss. "Of course I'm confident!"

Lu Tingxiao kissed the top of the girl's head. "You focus on doing your thing well. Take care of your health."

What remained was his battle...

-

After Han Xiao left, no one other assassin came to Deer Town. Everything returned to calm as if nothing had happened.

However, several days after that, an additional pure white tiger cub that was extremely cute had appeared in Deer Town.

As for the outside world...

When the other party knew that this move of sending assassins did not work, in a short amount of time, the entire Asian economy and underground powers started to see ups and downs. Lu Tingxiao became incredibly busy while Ning Xi's career returned to its pinnacle, back to her heydays!

-

"YLD — turn back time, fixate on the most beautiful version of you!"

On the screen of Imperial's Central Plaza where there was the busiest human traffic, Ning Xi lay in the midst of flowers akin to the Garden of Eden. Each inch of her skin that was not covered in cosmetics appeared delicate.

The dreamy scene made all the passersby pause in their steps.

"Whoa! Ning Xi's skin is just amazing! I heard that when she shot this commercial, she didn't put on any makeup at all!"

"I've seen Ning Xi up close in real life. She's definitely even more amazing than how the commercials show it! The word 'turn back time' is really fitting!"

“They actually got Ning Xi to be their spokesperson. I feel like YLD is becoming classier and classier!”

“Previously, I’ve always used the SS brand, but when I get my salary, I’ll go buy a set of YLD to try!”

...

At YLD’s company building.

“You’ve done well this time.” In the video conference, the American CEO was in a jovial mood and had complimented her.

This time, YLD’s product did not only surpass SS in the Chinese market; even America’s sales had followed suit and had increased quite significantly.

Parker reviewed the latest season’s sales figure and heard his boss’s praise. Naturally, he was as pleased as punch.

After being suppressed by SS for so many years, they had finally avenged their past shame!

At the start, when they switched Liu Xiaorou out and had chosen Ning Xi instead, the decision was wise!

Who would have thought that Ning Xi’s momentum would be so quick and strong after her comeback? She had surpassed Han Zixuan to the point that they could not retaliate, instantly pulling up YLD’s class.

To sign on an artiste in their rising phase was much more profitable than just signing on an artiste that was currently famous.

After Parker finished his video conference meeting with the upper management, he instantly called Xu Tao to make friendly contact, at the same inviting Ning Xi to join YLD’s fashion banquet.

## **Chapter 1993: Poach**

At Starlight Entertainment.

Wang Haojun stared at all sorts of complicated data on the computer screen and felt a terrible headache coming on.

Glory World Entertainment’s market share was catching up to surpass Starlight’s at a terrifying speed. Their stock price had been rising too while Han Zixuan and Starlight’s end were already powerless in reversing the situation.

First, she had joined the cast of “The World”, then the event was crashed by Ning Xi. At the Night of Starlight, she had straight up slain the ranks. When she finally got the opportunity of acting in a Hollywood blockbuster, yet she became a prop to Ning Xi. Even her ambassadorship for SS skincare products commercial had been crushed by the YLD brand that Ning Xi was a spokesperson for.

“Cheng Yibin! Liu Xiaorou! What are you two doing? If I remember correctly, shouldn’t YLD’s spokesperson be Xiaorou? How did it become Ning Xi in the end?”

There were so many concerns in the company. He could not possibly be watching every single one of them. By the time he found out, it was already too late.

Not only did they lose an A-list ambassadorship, but they had even let Han Zixuan be crushed once again.

Liu Xiaorou was mad, but she did not dare to express it. She could only grit her teeth silently.

Cheng Yibin wiped the sweat on his forehead away, his expression flattering as he said, “CEO Wang, you really can’t blame me for this! Initially, we were already going over to sign the contract that day, but who’d have thought that midway, Xu Tao would bring Ning Xi over to snatch it away from us!? I couldn’t do anything either!

“Xu Tao was probably taking revenge on Xiaorou jumping ships. This is all the fault of the conflict between the two of them privately. It really has nothing to do with me at all!”

Liu Xiaorou looked in disbelief at the manager beside her. She almost cried out in anger, “This ambassadorship had been settled on before I joined the company. How was it that I was fine before I joined the company, yet I fell through once I entered!? How could this be my fault?”

Cheng Yibin’s expression suddenly turned dark. “Xiaorou, what are you implying? Are you saying that we ruined your spokesperson gig?”

These days, she had endured a lot in Starlight and had watched helplessly as Qin Shuang, who had formerly been ridiculed by her, start to steadily rise up. It was a stark difference from before. Liu Xiaorou could not stand it anymore, so she cried and yelled on the spot.

“Cheng Yibin! Don’t go too far with the bullying! You know well enough how you’ve been treating me ever since I joined Starlight! You don’t let me fight for opportunities. You only know how to make me drink with people all day! For a crappy B-list ambassadorship, you made me sleep with an old fart!”

“What’s wrong with sleeping with them? Who in this line of work doesn’t do that? Are you the only noble one? I let you sleep with him to fight for your opportunities!”

“You...”

“Enough! The two of you, shut up! Look at how you’re behaving!”

After he chased Cheng Yibin and Liu Xiaorou who were quarreling endlessly out, Wang Haojun’s head hurt even more now.

Now, he could only put all of his hope onto Su Yan.

He waited until the evening when Su Yan finally arrived slowly.

Wang Haojun quickly greeted the person at the door. “CEO Su, you’re here! Come in!”

Su Yan nodded slightly, then he sat down on the sofa. “What’s wrong?”

Wang Haojun looked troubled. “I’m sure you know about how the company has been doing recently. Ning Xi’s comeback is increasingly affecting our company. I’ve asked you to come because I wanted to discuss if you have any solutions, CEO Su!”

When Su Yan heard this, the light in his eyes sparkled. “Since you can’t crush her, why don’t you offer a symbol of peace?”

Wang Haojun was stunned when he heard his boss. “CEO Su, are you saying that we should just poach her?”

“Why not?” Su Yan asked in return.

Wang Haojun looked troubled by this. “Um, CEO Su, you’re clear about Ning Xi’s dispute with your wife previously. Back then, Ning Xi had been forced away by us. How could she be willing to come back to us now? Even if she was, I’m afraid it’ll be hard to explain to Xueluo too...”

#### **Chapter 1994: I’ll Definitely Be Responsible**

“Don’t worry about Xueluo. As for Ning Xi, I’ll talk to her personally,” said Su Yan, his voice tightening in a way that was not easily discerned.

When Wang Haojun heard him, his eyes instantly lit up. “If you make that move, then that would be awesome, CEO Su! As long as Ning Xi is willing to come over, we can promise to give her all the best resources the company has. We can even establish a standalone studio for her. Her manager can come over too!”

Even though Glory World had progressed very quickly recently, they still could not compare to Starlight, plus if Su Yan personally talked to her, their odds of success were still quite high.

...

The next day, Xu Tao rushed into Liang Feixing’s office very angrily. “Wang Haojun, f\*ck you!”

Liang Feixing raised his brows. “I didn’t know you had such a unique taste.”

“I’m not kidding! Bloody hell! I just got insider news that that bastard Wang Haojun is trying to poach my Ning Xi!”

“Ah, poach Ning Xi?” When Liang Feixing heard this, he revealed a rather subtle reaction.

“Bloody hell! Now, what do we do? What if... What if the queen really gets poached?! Then, I don’t want to live either!” Xu Tao looked like he would kill himself if Ning Xi left.

Liang Feixing’s mouth twitched. “Can you calm down? Do you think Ning Xi is someone like that?”

“Of course she isn’t! The main point is that Wang Haojun’s team has too many underhanded tricks. Bloody hell, they poached so many of the seedlings that I raised one after another. I’m traumatized now!” Xu Tao was about to fall apart.

Liang Feixing said in a relaxed tone, “Don’t worry, anyone can be poached, but in no way will it be Ning Xi.”

“How can you be so certain?” Xu Tao’s eyes were gleaming with tears.

This guy now viewed Ning Xi as being even more important than his own life, plus with the betrayal by so many of the artistes under him, he probably had been traumatized.

Liang Feixing speechlessly rolled his eyes when he saw his aggrieved manner as if afraid of being abandoned again.

Of course, he was certain about the fact that Ning Xi was not only Glory World's artiste, but she was also Glory World's Lady Boss.

Have you ever heard of someone poaching someone else's Lady Boss?

"Whatever it is, just trust me. Rest assured and go do your thing. Don't let your imagination run wild," advised Liang Feixing.

Xu Tao still looked upset. "Then, if the queen abandons me, will you be responsible?"

"I will, I'll be responsible! If you get abandoned, I'll definitely be responsible, ok? Get lost! I still have things to do!"

Liang Feixing spoke until his mouth was about to fall off. Finally, he managed to send away the vociferous Xu Tao.

...

At the YLD fashion banquet.

Ning Xi was present by invitation. Mid-way, she was taking a breather in the garden when she unexpectedly bumped into Su Yan whom she had not seen for many days.

The last time after meeting her once at the Imperial University, Su Yan did not look for her again. This was actually within Ning Xi's prediction.

Su Yan could not beat Ning Xueluo.

She recently heard that Starlight had been taken over by Su Yan, which was the reason Ning Xueluo was so under the weather.

She knew Ning Xueluo very well. There was nothing that would make her hand over her power.

Unless...

It was a cool night. Ning Xi wore a long, silver-white gown, and her jet-black hair was twisted in a loose bun on the back of her head. She looked contented holding a glass of red wine and sitting on the swing.

The scene before him was so beautiful that it was surreal.

Su Yan's heart beat crazily. "Xiao Xi..."

As if worried that the person before him would avoid him once again, he quickly said, "Xiao Xi, this time I'm looking for you for an official matter."

"An official matter?" Ning Xi tilted her head slightly. There was a hint of insobriety in her misty eyes. She was clearly so innocent, yet she could seduce him like an alluring spirit in the dark of the night.

**Chapter 1995: You Only Care About Your Darling**

Su Yan felt his throat run dry. He took a deep breath to calm himself down, then he said, "Xiao Xi, come over to Starlight!"

Ning Xi raised her eyebrows when she heard Su Yan. She did not expect him to be there to recruit her.

Su Yan's gaze was gentle. "Xiao Xi, you've been struggling on your own for so many years. Even though you're doing well now, no matter how much Glory World prioritizes you, it's still a monetary relationship between you and them. If you're in Starlight, at least, I can take care of you.

"Or if you're tired, you can always take a break and you won't need to push yourself..."

"Haha!" Ning Xi laughed. "CEO Su, do you mean that you want me to be your mistress?"

Su Yan's expression changed and he quickly replied, "I didn't mean that, Xiao Xi! I just want to take care of you!"

"CEO Su, please take care of your wife and son. You don't have to worry about me."

Su Yan's face turned pale when he heard Ning Xi. "You know about it..."

Su Yan looked at the girl in front of him and tried to explain. "I didn't lie to you, Xiao Xi. I went back and already had the lawyers draft the divorce papers. I asked Xueluo out to talk to her, but that night, Xueluo suddenly fainted and was admitted into the hospital. Then, the results came out. She's pregnant..."

"I really couldn't bring myself to tell her under those circumstances. I know I let you down again, Xiao Xi. Wait for me. Give me more time, okay?"

Su Yan then gazed at the girl nervously, but she closed her eyes as she rested her head on the rope of the swing. She seemed to be asleep.

This scene...

As if Su Yan was under a spell, he walked over to the girl uncontrollably.

Just moments before his hand touched the girl, someone suddenly dashed out and blocked Su Yan's hand as he stood in front of Ning Xi.

Jiang Muye's eyes were icy cold. "CEO Su, as someone else's husband, I'm afraid this isn't appropriate."

The word "husband" made Su Yan seem unwell. "Xiao Xi is drunk. Please ask her assistant to come over to take care of her."

Jiang Muye scoffed, "It's none of your damned business!"

He then stared at Ning Xi who was sleeping peacefully at the moment, then he helped her get up.

Stupid girl! Please be more aware of your surroundings!

Ning Xi opened her eyes. "Blondie..."

"Didn't I ask you to control your drinking?! Why did you drink so much?!" Jiang Muye roared at her.

Ning Xi pinched the space between her eyes. "I only drank a glass..."

After waking up from her coma, her body had mostly recovered, but of course, there were some residual effects. She found out that her tolerance to liquor had become much lower.

Jiang Muye quickly left the little garden with her angrily. "That Su bastard almost had you just now, do you know?"

"Thanks."

"Of course, you should thank me! You must have done something really good in your past life to have me as your ex-boyfriend! I'm going to be so pissed off with you if you compare me to that trash again!"

"Of course not! You're my nephew!"

"Say it again, who am I? Do you think I won't just leave you here?"

"Bro! Bro... About what happened today, please don't tell my darling..."

"You only care about your darling!"

### **Chapter 1996: You'll Never Abandon Me, Will You?**

Ning Xi noticed that something had not been right with Xu Tao recently.

He lingered around by her side and made a lot of little gestures such as greeting her more frequently and serving her drinks more often.

While Xu Tao had been sweet to her before, it was especially obvious these few days. He also had several moments where he looked like he was about to say something but stopped himself.

Ning Xi could not help but ask him, "What's wrong, Bro Tao? Be straightforward with me!"

It took Xu Tao some time before he mumbled, "My queen, you'll never abandon me, will you?"

"What do you mean?" Ning Xi was confused.

"It's all because of that bastard, Wang Haojun! He's trying to get something he's unworthy of. He wants you to go over to Starlight!" Xu Tao raged.

Ning Xi laughed. "Well, you already said that he's unworthy, so why would I go to him?"

"But I'm insecure..."

Suddenly, Liang Feixing came in and dragged Xu Tao aside. "Why are you doing acting like a child? I've got goosebumps! Didn't I ask you to not bother Ning Xi? Get to work!"

He then turned to Ning Xi. "Don't mind him, Ning Xi. He's on his period and is having some emotional distress."

Ning Xi was helpless. "Don't worry, Bro Tao. Su Yan did look for me last night, but I've rejected him."

"Damn! That shameless bastard! He even used Su Yan!" Xu Tao scowled in frustration.

However, Xu Tao was finally able to be at ease after he heard that his queen had rejected the offer, so he went back to work happily. “Then, my queen, I’ll head over to fetch you to the Imperial TV Station Annual anniversary!”

“I’m not sure when the event in the evening will end. My program is near the end anyway. Bro Tao, you should go over with Qin Shuang first. I’ll go over there myself after the event,” said Ning Xi.

“Alright!” Xu Tao answered, totally revived.

The goddess was just so kind and considerate!

...

At night, Xu Tao brought Qin Shuang backstage.

They went into their designated dressing rooms.

They soon realized that someone was already inside. Xu Tao then noticed that he had gone into the wrong room.

Inside the room were Yin Youyou and her manager, two assistants, a makeup artist, two bodyguards, and practically a village was helping Yin Youyou with her makeup.

Ever since she had gone to Starlight, Yin Youyou was really focused on her image as if she was afraid people did not know how well she was doing after she switched companies.

A sharp-chinned assistant of Yin Youyou’s saw someone come into the room. She yelled angrily at Xu Tao and Qin Shuang, “Who allowed the two of you to come in? This is Youyou’s exclusive dressing room!”

Xu Tao was about to leave with Qin Shuang when he noticed he had entered the wrong room. However, having met an old enemy, he snorted at the sharp-chinned assistant. “Huh, exclusive dressing room? Is your name on there?”

The assistant looked at Xu Tao with a mocking attitude. “Xu Tao, you were a top manager back then. Although you almost became homeless, you shouldn’t really act like a hobo, should you?”

This assistant was the one who had slapped Xu Tao and humiliated him in public. Consequently, Xu Tao became the joke of the industry after this incident was published in the papers.

A former top manager had been slapped by a minor assistant in public...

### **Chapter 1997: Small-Time Extra**

Afterward, it was exactly because of this that she was regarded highly by Yin Youyou who was satisfied with her performance.

With such a great opportunity, the assistant would never let it slip away.

“Haha, the one who’s really homeless is someone else, isn’t it?” Xu Tao glanced over at Yin Youyou.

Yin Youyou's back suddenly straightened and her expression changed as well.

Xu Tao was mocking her!

A year ago, when she was at her absolute worst, she really had slept on the streets. Xu Tao had found her and cultivated her to become a big star in Glory World.

The assistant had heard about Yin Youyou's past before and she knew Yin Youyou must be really upset. She went up to the two of them. "I've already said this is Yin Youyou's exclusive dressing room. Do you dogs not know how to listen to the human language?"

At this moment, some staff of the TV Station came over when they heard the fuss.

"May I know what's happening?"

A bearded middle-aged man and a young woman entered.

The sharp-chinned assistant quickly complained, "Director Chen, well, you know this is Youyou's exclusive dressing room. Every time Youyou comes, she always uses this. The other rooms are too small! But these two people insisted on staying here unreasonably and want to take Youyou's dressing room!"

"Well..." The director looked at Yin Youyou who was doing her makeup, then glanced at Qin Shuang and Xu Tao.

The industry would usually pick on the weaker ones, and Yin Youyou was infamous for being a bully.

On the other hand, there was Qin Shuang. While she became popular overnight, she was not at a level that could be compared to Yin Youyou.

It was really unnecessary to offend Yin Youyou because of Qin Shuang.

After a short moment of consideration, the director already had his answer. He turned to Xu Tao and Qin Shuang. "This dressing room is Ms. Yin's exclusive dressing room. Why don't the two of you follow me somewhere else?"

The assistant looked really cheeky when she heard that the director was on her side. "Did you hear that?"

Qin Shuang did not want to give Xu Tao any trouble, so she whispered to him, "It's alright, Bro Tao. Let's go somewhere else!"

Xu Tao did not say anything, his expression seemed eerie instead.

The assistant became impatient when the two of them did not move. "Youyou's program is starting soon. Are you going to be responsible if it's delayed?"

It was not really a big deal, but this assistant just wanted to make them look bad.

Director Chen glanced at the time. Because he was rushing, he used a harsher tone. "Please leave and don't bother the other artistes who're going on stage."

The assistant gave a signal to the two bodyguards, then she taunted with her shrill voice, "Get lost! Just how shameless are you to take our dressing room, bringing a small-time extra with you?!"

As she spoke, the two bodyguards were on their way to chase them out.

At the same time, there was a voice behind Xu Tao and Qin Shuang. "So... I'm a small-time extra?"

### **Chapter 1998: Ning Xi's Exclusive**

When the familiar voice rang out, not only did the bodyguards froze in their movements, the assistants, Yin Youyou, Director Chen, and the other staff all looked towards the entrance.

They then saw Ning Xi in an evening gown. She seemed to have just come over from an event.

The arrogant sharp-chinned assistant had fear flitting across her face. "I meant Qin Shuang, not you, Ms. Ning!"

"What's wrong?" Ning Xi did not look at the assistant, but glanced at Qin Shuang and asked.

Qin Shuang explained, "It's nothing, Bro Xi. We just went into the wrong room, so they want us to leave."

The assistant felt righteous and interrupted. "Went into the wrong room? The two of them are here to take the dressing room by force! Why don't you look in the mirror and see how you look like?! You've just been popular for several days and you've already forgotten your place!"

Ning Xi did not have any expression when she heard the assistant. Instead, she walked slowly towards Yin Youyou's direction.

Yin Youyou unconsciously stood up as Ning Xi appeared.

Ning Xi stretched her hand, then she dragged the chair behind Yin Youyou out and sat down, her long legs crossed beneath the high-slit skirt. She put her arms on the back of the chair and tilted her head as she scanned everyone in the room. She said slowly, "I want this dressing room."

Yin Youyou's expression darkened and she stared at Ning Xi coldly.

The assistant was anxious. "But, Ms. Ning, this is Youyou's dressing room!"

Ning Xi raised her eyebrow. "Oh? Her dressing room? Is her name on it?"

The assistant did not expect Ning Xi to say the same thing as Xu Tao, and she looked troubled.

She could scold Xu Tao however much she liked, but she dared not use the same attitude towards Ning Xi. In defense, she took on the victim's role. "This is really Youyou's dressing room. You can ask Director Chen if you don't believe me."

"Sure, I'll do that." Ning Xi then turned towards Director Chen and asked, "Director Chen, I'd like to know... whose dressing room is this?"

Director Chen wiped the sweat off his forehead. After a short silence, he replied, "This... This, of course, is Ms. Ning Xi's exclusive dressing room. It's yours!"

He then signaled the female assistant beside her.

“What?”

The assistant could not believe it. Just as she was about to retort something, she noticed that the female assistant beside Director Chen had gone out.

She came back soon, and she had a white placard with her.

Several big words were written on it: Ning Xi’s Exclusive Dressing Room!

“Did you see that?” Ning Xi’s expression did not change at all except for her eyes that were turning colder and colder.

“You... you guys...” The assistant looked at this scene in front of her and the director’s attitude. Apparently, she was frustrated.

Yin Youyou was so angry that her body started trembling. She almost died on the spot out of fury.

### **Chapter 1999: Payback**

That was not all. Director Chen turned to Yin Youyou’s team and said, “Ms. Yin, I think you guys have made a mistake. Please change to another dressing room now!”

What!? A mistake!?

Had it now become their mistake?

They had been here much earlier!

Youyou had been using the dressing room here!

However, it was obvious that Director Chen did not want to offend Ning Xi and was doing it on purpose.

“Please!” Director Chen urged them.

The assistant did not dare say anything else. She might still be able to run her mouth if Ning Xi had not meddled. However, it was apparent Ning Xi wanted to help Qin Shuang. What could she say as just a mere assistant?

Yin Youyou had never been humiliated to this extent before. Her nails dug deep into her palms and she almost lost her composure then and there.

She used up all her self-control to calm down. “Let’s go.”

Yin Youyou’s group quickly packed up their things inside the room.

As they went to the entrance and passed by Xu Tao and Qin Shuang, the sharp-chinned assistant was still frustrated. She growled in a mean tone, “Do you think you’ve won? You guys are just using Ning Xi!”

The assistant was not being soft, so of course, Ning Xi heard it. Ning Xi’s expression turned cold as Xu Tao and Qin Shuang’s faces soured.

Suddenly, Ning Xi stood up and went towards Qin Shuang and Xu Tao. “Bro Tao, Shuang Shuang, follow me to the dressing room upstairs.”

Ning Xi’s dressing room had originally been arranged to be upstairs.

Yin Youyou’s dressing room was impressive, but the most extravagant room that was made for people of high international standards was the one upstairs.

Qin Shuang nodded obediently.

Yin Youyou’s expression turned even worse when she heard that they were going upstairs.

At this moment, a TV station staff came over panting, “Ms. Yin, your programme is about to start! Please get into position!”

“What?” The assistant’s expression changed. “But Youyou’s makeup is just halfway done!”

The assistant was scatter-brained as she panicked. “Since Ms. Ning Xi is going to another dressing room and isn’t using this room, then let us use it!”

She then rushed in.

Ning Xi grinned, then she glanced at the card that said “Ning Xi’s Exclusive Dressing Room”.

“Did I allow you to use the room?”

Not only did she want it, even if she was not using it, she would not allow them to.

Director Chen was skilled at observing others, so of course, he noticed Ning Xi’s intentions. He then said, “I’m afraid not. This is Ms. Ning’s exclusive dressing room. No one can enter without her permission. Please go somewhere else. The public dressing area is just opposite here.”

“What!? You want Youyou to go there!? And why can’t we use it even when it’s empty?” The assistant could not believe it.

Director Chen said emotionlessly, “We reserved this room for Ms. Ning. It was your mistake from the start. We can’t do anything about it. If you guys can’t make it, then I’ll get the other programs to go on.”

What a bully!

The assistant was frustrated.

However, they could not do anything about it. If they delayed any further, their program would be scrapped.

In the end, Yin Youyou’s team went into the public dressing area and finished the rest of the makeup under the odd gazes of the other artistes.

## **Chapter 2000: Not The Same Level**

Yin Youyou was not herself as she rushed on-stage with unstable emotions. Her singing went horribly, and she could not reach several of the high-pitched notes.

Yin Youyou went back stage with a darkened expression. Just then, she heard people gossiping.

“Gosh! Who gave Yin Youyou the courage to pick up singing?”

“Haha, there are so many news about artistes faking their singing recently. At least, she proved that she isn’t faking it!”

“Huh? You can do that too?”

“Hey, that’s not the main point, alright? Do you know what situation Yin Youyou is in now? Why did she use the public dressing area with us just now? Doesn’t she have her own exclusive dressing room?”

“Haha, I know! I heard that Xu Tao and Qin Shuang went to the wrong room. Yin Youyou picked on them and accused them of trying to take the dressing room by force. She even had people chase them out!”

“And then, and then? How did it become Yin Youyou getting chased out instead?”

The female artiste who claimed to know all about it then continued, “Then, Goddess Ning Xi arrived! What happened afterwards? You don’t need me to spell it out, do you?”

“Ning Xi is really sweet. I heard she’s very protective of artistes from the same company as her! Aside from Qin Shuang, I heard there are several others as well!”

“Yin Youyou always acts arrogantly just because she’s slightly more popular. It’s karma! She always bullies the weak. She should go and fight Ning Xi then!”

...

Yin Youyou was frustrated when she heard them. “Are you guys done?”

They were all shocked and quickly acted being busy as if nothing had happened. They were afraid of this emerging typhoon.

The group convened together again after Yin Youyou stormed off angrily.

“What do you think Yin Youyou will do? People who’ve offended Yin Youyou before faced tragic consequences!” Someone asked.

“Are you kidding? It’s Ning Xi! Ning Xi is on a whole different level than Yin Youyou! Look at how the TV station treats her!”

“Don’t forget that there’s Han Zixuan above Yin Youyou too! Aren’t they good friends? Even though Han Zixuan is usually selfish and self-centered, she takes special care of Yin Youyou!”

Someone rolled their eyes. “Han Zixuan’s being suppressed herself. She can’t even hold up for her own!”

“I think it’s a little too early to make a conclusion. Given Glory World’s capability and Han Zixuan’s popularity, I think there’s still a chance!”

...

At night, at a luxury superclub.

Han Zixuan and Ning Xueluo were sitting opposite each other at a table beside a small pond.

Han Zixuan looked frustrated and helpless. Han Zixuan asked her the most important question, "Vice President Ning, you've been taking care of me and helping me out, but ever since you left, I really feel like I can't stay in the company anymore. When are you coming back?"

Ever since Su Yan had taken over the company, she was being suppressed more and more. She could not just sit around and do nothing, which was why she had asked to meet Ning Xueluo tonight.

Opposite her, Ning Xueluo listened to her pleas and shrugged helplessly. She sounded like she was having some unspeakable issues. "I'm sorry, Zixuan, I don't have any power now. I'm afraid I can't help you..."

Han Zixuan's expression changed. "Vice President Ning, I don't understand. Why did you suddenly leave the company?"
