C209 Stratagem

Loong Yun stared at Wu Tian's leg for a long time before asking, "Young master's leg is still fine, why are you smearing medicine on it? Why are you wrapped in gauze? "

"You really have a lot to say. Hurry up and help." Wu Tian urged anxiously. Naturally, he couldn't explain it to Loong Yun clearly.

"Alright!"

Loong Yun couldn't be bothered to ask. She opened the medicine box and took out the ointment, carefully smearing it on Wu Tian's leg.

Then she wrapped the gauze carefully around his legs.

"That's right." Wu Tian was very satisfied with the professional way Secretary Loong was bandaging him. He complimented her, "Secretary Loong is so clever."

"This is the common sense of life. It's nothing." Loong Yun's expression looked cold as she listened to her young master's praise, but she was actually quite happy about it.

"Alright, there's nothing for you to do at home. I'll give you a break. Go out and play. Don't come back until it's dark."

"This ..." Loong Yun frowned as she was dumbfounded. She did not expect the young master to be so weird today.

She walked out with a face full of doubt. When she reached the door, she suddenly turned around and asked, "Young Master, are you pretending to be like this to deceive girls?"

"It's a white lie." After being seen through by Secretary Loong, Wu Tian felt a little awkward.

He, a dignified Wu Family young master, actually disguised himself as an injured person to deceive a girl.

"As expected, men don't have any good things." Loong Yun coldly disdained him as she turned around and left.

"Hey, I ..."

Wu Tian wanted to explain but found that Loong Yun had already slammed the door and walked out.

It seemed that he was completely misunderstood by Secretary Loong this time. Secretary Loong probably thought of him as the kind of pervert that would trick girls.

"Bang, bang, bang!"

Right at that moment, there was a hurried knock on the door. It was most likely Teacher Mu.

He looked at his leg, which was wrapped in gauze, and felt relieved. He walked over and opened the door.

He saw Mu Ran standing outside the door with a small bag slung over her shoulder. She was still holding a bag of fruits in her hands, but before she even entered the door, she asked with concern, "Wu Tian, are your legs alright?"

"Nothing major." Wu Tian shook his right leg and said with a smile, "It's only a slight fracture. The doctor said he will recover after a few days of rest."

"Don't stand, I'll help you lie down on the bed." Mu Ran placed the fruit on the ground and hurried forward to support Wu Tian's arm.

Right now, she looked extremely gentle, without any of the airs of a teacher. She was like a young girl that would pity others.

"Teacher Mu, I'm fine. I can do it myself." Seeing Teacher Mu like this, Wu Tian felt a little guilty instead.

It was indeed a bit too much for him to lie to Teacher Mu in such a way. His conscience was already beginning to feel uneasy.

At this point, he had no other choice but to continue acting.

"Don't use too much strength on your legs. It's okay, I'll hold you." Mu Ran didn't think too much about it. She supported Wu Tian into the bedroom carefully.

When she put Wu Tian down, she tripped and her whole body fell onto Wu Tian.

For a moment, she was flustered. It took her a long time to stand up, but her face was already flushed red.

Seeing Teacher Mu's expression, Wu Tian couldn't help but tease her, "Teacher Mu, why did you take advantage of me!"

"Wu Tian, stop bullshitting." After being teased by her own student, Mu Ran's expression turned even more unsightly.

"It's just a joke. Teacher Mu, don't be angry."

"Don't joke with me in the future." Mu Ran reprimanded him, then took the initiative to change the subject. "I bought some fruits, I'll peel them for you."

After she finished speaking, she ran out and carried the fruit into the bedroom. She then picked up the fruit knife and carefully began to peel the fruit. However, she felt a bit uneasy.

She quickly handed the peeled fruit over, "Eat, if you are injured you must eat more fruits."

"Thank you, Teacher Mu." Wu Tian took the apple and took a bite. He opened his mouth and said, "Teacher Mu is such a nice woman. Whoever marries you will be very lucky."

"You're injured to this extent, you're still in the mood to joke!" Mu Ran glared at Wu Tian and said seriously, "Quickly tell teacher, how did you get injured?"

"I was beaten by a few hoodlums yesterday."

"You fight with someone?"

"No." Wu Tian shook his head and explained: "Yesterday, I offended a business mogul, so he got a few hoodlums to stop me ..."

He recounted what had happened outside the hotel in the middle of the lake the night before. Except that he was not injured, everything else was real.

"These people are really arrogant." After listening to what had happened, Mu Ran felt especially angry. "Then did you call the police?"

"Nope."

"Why didn't you call the police when you met such a thug?"

"I don't think so."

"Forget it, you should first recuperate properly and wait for your injuries to heal first." Mu Ran didn't mention anything about the hoodlums again and asked with concern, "Are you hungry? Do you want Teacher to buy you something to eat?"

"No need, I just ate it." Wu Tian was a bit flattered. He had never seen Teacher Mu as gentle as she was today.

If Teacher Mu were to be so gentle and gentle every day, then he would truly be blessed.

"Bang!" Bang! "Bam!"

At that moment, another knock on the door could be heard.

Wu Tian's brows tightened when he heard the knock on the door. Could it be that Secretary Loong came back so soon?

No, it was impossible for Secretary Loong to return home so quickly. Furthermore, she had the key in her hand, so even if she returned, she wouldn't knock on the door.

Who else could it be other than Secretary Loong?

"A guest has arrived at your house?" Hearing the knock on the door, Mu Ran felt an inexplicable sense of nervousness in her heart.

"I don't know either. I'll have to trouble Teacher Mu to help me open the door."

"Alright." Mu Ran straightened her dress and walked over to open the door.

When the door opened, it was Liu Yueyao standing outside, carrying two bags of imported fresh fruit.

"Mengyao?"

"Teacher Mu?"

The two of them exclaimed at the same time. They were both surprised to see each other in Wu Tian's house.

"I heard that Wu Tian was injured, so I specially came to see him." After a short pause, Liu Yueyao explained.

"Come on in, Wu Tian is resting in the bedroom." Mu Ran snapped out of her daze and quickly stepped aside to let Liu Yueyao into the room.

"Teacher Mu, is Wu Tian alright?"

"There shouldn't be any big problems."

"Then I'll go and see him." Liu Yueyao put down the fruit and rushed into the room.

When she saw Wu Tian's right leg covered in white gauze, Liu Yueyao's heart ached. She asked in concern, "Oh my god, how did you get so injured?"

"It's nothing, it's just a slight fracture." Wu Tian explained with a smile.

"Why are you wrapped in so much gauze?" Liu Yueyao frowned slightly in doubt.

"The intern did it for me." Wu Tian explained. Afraid that the girl would see through it, he quickly changed the topic: "How did you know I was injured?"

"I heard from my dad that you were injured by a few hoodlums. He told me to come over and visit you."

"Ugh." Wu Tian nodded in understanding.

He purposely told yellow-hair and the hoodlums to let out the news that he was injured, but he didn't expect Uncle Liu to know about it so quickly.

Hidden Billionaire Chapter 210 - Misconception -

C210 Misconception

Liu Yueyao gritted her teeth and angrily said, "Geng Yunguang is going too far. He actually attacked you."

"How did you know it was Geng Yunguang?"

"My dad guessed it was Geng Yunguang the moment he heard you were hurt." Liu Yueyao sniffed with her nose and said with a pained heart, "If I knew it would be like this, we would have just sent you home last night."

"Don't worry, I'm really fine."

"My dad told me to stay here and take care of you today."

"That's not convenient, is it?"

"What's the big deal?" Liu Yueyao turned her head to look in the direction of the living room, leaned over and whispered, "When did Teacher Mu arrive?"

"Just arrived."

"It seems like Teacher Mu really cares about you!"

"Of course, I study so hard, there's no teacher who doesn't like students like me." Wu Tian praised himself shamelessly.

Liu Yueyao poked Wu Tian in the chest, rolled her eyes and said, "You are such a narcissistic person."

"I'm warning you, from now on don't poke my chest with your hand."

"I'll just poke, what can you do?" Liu Yueyao poked again with her hand.

"Then don't blame me for being impolite. If you poke me, I'll poke you too." Wu Tian quickly poked her.

"You hoodlum!" Liu Yueyao's face instantly turned red. She hurriedly kept her distance from Wu Tian, afraid that that bad hand would do something to her again.

This scene was seen by Mu Ran, who was walking to the door.

She didn't know why, but seeing the two of them flirting in the room made her feel slightly sad.

She envied the two young people enough to express their love at their best age. At her age, she felt that love was out of reach.

She was a normal woman and desired to be pursued by men. She wanted to be cared for and doted upon by men.

However, none of the men beside her were able to make her feel anything.

"Teacher Mu ..."

It was only then that Liu Yueyao noticed Teacher Mu standing at the door. She was so frightened that she retreated a few steps, her face full of embarrassment and uneasiness.

She was embarrassed to death. Teacher Mu definitely saw the scene where Wu Tian stabbed her. She felt ashamed just thinking about it.

"I hope I didn't disturb you?" Mu Ran stroked her hair and quickly returned to her normal attitude of a teacher.

"Teacher Mu, don't misunderstand. Just now, I ..."

"It's good for young people to be together. It's nothing."

"Cough, cough!" Liu Yueyao coughed dryly, as if Teacher Mu had really misunderstood her. "I'm going to the bathroom."

She found a random excuse and hurriedly left the bedroom, disappearing into the washroom like a wisp of smoke.

"Wu, you sure are lucky to be able to find such a good girl like Yueyao." Mu Ran walked over and sat down in front of the bed.

For some reason, she suddenly felt depressed.

"Teacher Mu, don't misunderstand. Yueyao and I are just ordinary friends." Wu Tian scratched his head awkwardly.

"Ordinary friend?"

"Right."

"Then why did you take advantage of her?"

"I ..."

"Don't tell me you're just taking advantage of her and don't want to be responsible for her."

"I was just joking with her, am I supposed to be responsible for this?"

"Of course."

"Then, when I touched Teacher Mu before, did you want me to be responsible as well?" Wu Tian boldly replied.

"Don't talk nonsense." Upon hearing this, Mu Ran got up from the sofa and scolded with a flushed face, "If you keep spouting nonsense like that, teacher will get angry."

"I'm just making an analogy."

"Do you really have to use this as an example?" Mu Ran glared angrily at Wu Tian and said, "Take good care of yourself, I'll be leaving first."

Having said so, she grabbed her bag and walked outside.

"Hey, Teacher Mu ..."

Wu Tian shouted, but there was no response.

It seemed that Teacher Mu was really angry this time.

After a moment of contemplation, he flipped over and fell off the bed. Of course, he did that on purpose to get Teacher Mu to stay with him.

"Hey, are you okay?" Mu Ran's heart softened, and she hurriedly ran back to ask with concern.

"It's nothing, just my legs hurt a little."

"Why are you so careless? You're injured like this, why did you get off the bed?" When Mu Ran became anxious, she immediately showed a docile attitude.

"I saw that Teacher Mu was angry and wanted to apologize." Wu Tian explained and asked while the iron was still hot, "Is Teacher Mu still angry?"

"I'm not angry anymore." Mu Ran forced a smile.

Ever since she saw Wu Tian fall to the ground, the anger in her heart had vanished, replaced by worry.

"It's good that you're not angry. To be honest, I'm most afraid that Teacher Mu will be angry."

"Why?"

"Teacher Mu, when you're angry, you're like a tigress, and then you get angry for some inexplicable reason."

"Stinking brat, you can't judge a teacher like that." Mu Ran criticized him harshly and said softly, "Alright, let me help you up first."

With that, she reached out and grabbed Wu Tian's arm to help him up.

When he got up, his face was very close to hers, and they could almost touch each other's breath.

In a split-second, the atmosphere was extremely ambiguous. Mu Ran's entire face turned red from embarrassment. Never had she come into such close contact with a boy's face before. Her heart couldn't help but pound wildly.

She originally wanted to push Wu Tian away, but when she thought of the injury on his leg, she could only resist the ambiguous atmosphere.

Liu Yueyao, who had just walked in, saw this scene. She felt a sharp pain in her nose and a mix of feelings arose in her heart.

Seeing that Wu Tian was so close to other women, she didn't feel good about it at all.

"Yueyao, don't misunderstand." Mu Ran quickly put Wu Tian on the bed and explained like a child who had done something wrong, "Wu Tian fell down accidentally just now and I helped him up from the ground."

"Teacher Mu, you're Wu Tian's teacher. How could I misunderstand you?" Liu Yueyao quickly returned to her normal state and said with a smile.

Although she was jealous, she would never doubt the relationship between Teacher Mu and Wu Tian.

If Mu Ran wasn't a teacher, she would definitely have suspected something, but not now.

"Yueyao is so sensible." Mu Ran smiled knowingly.

"Wu, you sure are lucky." Liu Yueyao walked over and pushed Wu Tian's head, "You're injured and have us two beauties to take care of you."

Wu Tian touched his cheek and said, "There's nothing I can do about it. Who asked me to be so handsome!"

"Narcissist."

After saying this, the two women covered their mouths and laughed.

After chatting for a while, Liu Yueyao said with a serious expression, "Are you hungry? What do you want to eat? I'll go out and buy it for you."

"The food outside is too greasy. There's food in the kitchen, why don't you cook something for us?" Wu Tian deliberately made things difficult for him.

He ate out a lot of the time, but Uncle Fugui's wife would occasionally come over to make him food.

As for Secretary Loong, she had never been to the kitchen and had only ordered takeout most of the time.

"That... I don't know how to cook." Liu Yueyao rubbed her arm in embarrassment.

Hidden Billionaire Chapter 211 - Three Women for a Play

-

C211 Three Women for a Play

"That's true. For a young miss like you, it would be rare if you could cook." Wu Tian couldn't help but mock her.

Just because he said that, he didn't really expect this woman to help him cook.

On the other hand, Mu Ran couldn't help but interject, "How about this, I know how to cook, I'll make it for you."

"Teacher Mu can cook?"

"Yeah, I cook my own food at home."

"I didn't expect Teacher Mu to be so amazing. Not only can you cook, you can also help entertain customers." Wu Tian didn't have a good grasp of the situation when he was joking. Seeing that Teacher Mu was about to lose her temper, he hurriedly changed his words out of fright.

Liu Yueyao nudged Wu Tian's chest with her arm, leaned her head over and whispered in disdain, "You're really too much, even daring to tease Teacher Mu."

"I didn't control myself just now."

"Shameless."

Wu Tian chuckled dryly and said seriously to Teacher Mu, "How can I let you cook at my house? I'll order some takeout later."

"You're recovering right now, so eating takeaway food doesn't have much nutrition. I'll make it for you." Mu Ran glared at Wu Tian, then turned around and walked out of the bedroom towards the kitchen.

"Teacher Mu, I'm going to help you." After saying this, Liu Yueyao quickly followed.

The two women worked in the kitchen for more than half an hour and cooked four dishes and a soup.

"It's an honor to have food cooked by Teacher Mu." After Wu Tian said this, he impatiently grabbed a piece of meat and stuffed it into his mouth. He praised, "Teacher Mu, your dishes are so delicious."

*

Seeing Wu Tian eating like a child, Mu Ran covered her mouth and burst into laughter.

*

Liu Yueyao patted his hand and said disdainfully, "It's filthy, eat with chopsticks."

"Ok!"

Wu Tian grabbed his chopsticks and wolfed down his food.

These dishes were indeed very delicious. Although they were not as delicious as what Shen Xue cooked, the taste was also very unique.

It was indeed not easy for a home-cooked dish to have such an alluring fragrance.

"Teacher Mu, your cooking skills are quite good. It's really delicious." Liu Yueyao couldn't help but praise along.

"You guys eat slowly, don't choke." Seeing the two students eating so happily, Mu Ran felt delighted as well.

Halfway through their meal, they heard another knock on the door.

Hearing the knock on the door, the three of them were slightly stunned. Mu Ran put down her chopsticks and walked over to open the door.

This time, it was Huang Lan who appeared outside the door, holding a bunch of fresh flowers in her hands. When she saw Mu Ran, her brows slightly tightened, "May I ask who you are?"

She never thought that there would be such a beautiful woman in Wu Tian's room, which made her feel very upset.

"I'm Wu Tian's teacher, Mu Ran." Mu Ran introduced.

"So you're a teacher." Upon hearing that this woman was Wu Tian's teacher, Huang Lan instantly beamed with joy. She introduced herself, "My name is Huang Lan, I'm Wu Tian's friend."

"You're that singer?"

"Right."

"I really didn't expect it." Mu Ran was a little surprised, she didn't expect Wu Tian to know such a celebrity.

After a slight pause, she made an inviting gesture with her hand, "Wu Tian is eating right now, come on in!"

"Alright!"

Huang Lan walked into the room with a bouquet of flowers. When she saw another woman in the room, her expression darkened again.

She stared at the woman for a few seconds, then asked Wu Tian with concern, "I heard that you were injured, are you alright?"

"It's just that my right leg was slightly injured." Wu Tian explained bitterly.

He was indeed surprised. He didn't expect that Elder Sister Lan would come running over.

He had never thought that these three women would gather at his house under such circumstances.

"Why don't you go to the hospital if you're hurt?" Huang Lan put down the flowers in her hands and walked over with concern. "Let me see your wounds."

"It's just a fracture. There's no wound." Wu Tian was so scared that he quickly hid his right leg, afraid that Elder Sister Lan would find out that his injury was fake.

Elder Sister Lan was a shrewd woman. If she found out the truth, then things would not be good.

"When I heard that you were hurt, I became extremely anxious." Huang Lan stroked her hair and said dejectedly, "I called you but you didn't answer. I just ran over."

"My phone is out of battery." Only then did Wu Tian realize that his phone was out of battery and that it had already been turned off.

No wonder Liu Yueyao had not called before and had barged in.

After charging his phone, he couldn't help but ask Huang Lan, "Elder Sister Lan, how did you know I was injured?"

"It was Sunn Sheng who called me just now. He also heard from the grapevine that you were injured, so he called me to confirm whether this is true or false. I don't know the situation, so he came over to take a look." Huang Lan explained.

"Truly, good things never leave one's home, while bad things spread far and wide." Wu Tian shook his head with a bitter smile.

Wu Tian didn't think that the yellow haired man and those hoodlums would have such a good spreading ability. In just half a day, they already spread the news of him being injured.

"Who is she?" Huang Lan turned her head and looked at Liu Yueyao, her eyes filled with hostility.

"She is ..."

Before Wu Tian could explain, Liu Yueyao blurted out, "Wu Tian and I are classmates and friends."

When she said this, her tone was much more domineering than usual.

"I'm Wu Tian's most important friend and partner." As soon as Liu Yueyao finished speaking, Huang Lan introduced herself as if she was swearing her sovereignty.

The two of them looked at each other with hostility, as if they were angry over the competition for a toy.

The atmosphere in the room was a bit awkward. The three women had their own ulterior motives and thoughts.

Especially for Liu Yueyao and Huang Lan, the two of them were already at loggerheads, and the enmity between them was getting deeper and deeper.

Both of them guessed that the other had a close relationship with Wu Tian, as for the extent of it, no one knew.

This situation lasted for five minutes. Finally, Mu Ran broke the awkward silence and said to Wu Tian, "Let me help you to your bedroom. There are some things I want to tell you."

"Alright!"

To be honest, Wu Tian had long wanted to find an excuse to slip away, so he took this opportunity to follow Teacher Mu into the bedroom.

He had never encountered such a situation before, and he didn't know how to deal with these three women.

As soon as they entered the bedroom, Mu Ran asked with a straight face, "Who is this woman?"

"Ordinary friend."

"Although I've never been in a relationship before, I can tell that you have a close relationship with that woman called Huang Lan with a single glance."

"I ..." Wu Tian wanted to cry, but no tears came out. He really didn't know how to explain this sort of thing.

"Which one of the two do you like?"

"I like both of them." Wu Tian blurted out the answer without thinking. After answering, he realized he said the wrong thing and quickly corrected himself. "I mean ..."

"I didn't expect you to be so unfaithful, it really disappoints me." Mu Ran's face was gloomy. She angrily scolded Wu Tian, "Because you have money, so you became a playboy. You're really going too far."

"Teacher Mu, it's actually not what you think."

"I want you to make a choice as soon as possible. Don't continue to be a playboy, it will only make me feel disgusted." Mu Ran fiercely disdained him, then angrily walked out with her bag.

She didn't know why, but she felt especially angry when she saw that Wu Tian was involved with two women at the same time.

Hidden Billionaire Chapter 212 - Feigning Leg Injury -

C212 Feigning Leg Injury

Looking at Teacher Mu's back, Wu Tian was a little dazed for a moment. He never thought that Teacher Mu would care so much about his private life. It seemed that she was especially angry.

After Teacher Mu had left, Huang Lan and Liu Yueyao were still in the living room, looking at each other with hostility.

It wasn't until the phone rang in Liu Yueyao's bag that the cold war ended.

After receiving the call, Liu Yueyao walked into the bedroom quickly, "Wu Tian, my uncle has something to talk to me about. I'll be going over first."

"It's nothing, you go and busy yourself first!" Wu Tian couldn't wait for these two women to leave, otherwise, they might start fighting later.

"Then I'll come and see you later." Liu Yueyao walked a few steps before suddenly stopping. "Be careful and don't get tricked by some women."

"Ugh ..."

Wu Tian was speechless. He didn't expect Yueyao to be so hostile towards Elder Sister Lan.

Was there really that much hatred between them when they met for the first time?

"I'm leaving. Bye bye." Liu Yueyao grabbed her bag and walked out. When she arrived at the door, she glared fiercely at Huang Lan.

Huang Lan smiled bitterly. She walked into the bedroom and asked Wu Tian, "That girl was very pretty just now. Is she your girlfriend?"

"No, we are just ordinary friends." Wu Tian explained.

"An ordinary friend?"

"Right."

"That girl must have liked you." Huang Lan sniffed with her nose and said in a sour tone, "You little rascal, your luck with women is quite good. Previously, the chef called Shen Xue liked you, but now another one has appeared, and they are all top tier beauties."

"I think Elder Sister Lan is still the most beautiful." Wu Tian praised her and took the opportunity to change the subject, "Elder Sister Lan, do you know where you are the most beautiful?"

"Where?"

"Your entire body is beautiful without any flaws."

"Such flowery words." Huang Lan pursed her lips into a smile and sat down beside the bed. She asked with concern, "How's the injury on your leg? Is it serious?"

"Just a small injury. It's no big deal."

"When I heard you were injured, I was scared witless ..."

"I didn't expect Elder Sister Lan to care so much about me."

"Sister only has a friend like you. If your leg is broken, then who will be my meal partner in the future?" Huang Lan said half-jokingly.

"My legs are broken, and my mouth isn't. I can still eat."

"You stinking brat." Huang Lan poked Wu Tian with her finger and looked at the time, "I will cancel the commercial show this afternoon and stay behind to take care of you."

Having said so, she took out her phone and prepared to make a call.

"Don't."

Wu Tian snatched the phone and said, "Elder Sister Lan, don't hold up your work because of me. It will make me feel especially guilty."

"But now you need someone to take care of you ..."

"My leg is only slightly injured. It's no big deal. If you don't believe me, just look." Wu Tian got off the bed and limped.

"Is that okay with you?"

"Alright."

"But I'm still worried."

"Alright, Elder Sister Lan, hurry up and get back to work. I'm resting by myself at home and I don't want to go out. There's nothing to worry about." Wu Tian pushed Elder Sister Lan out.

"Alright!"

Huang Lan rubbed her arm and instructed with a smile, "Recover well and be careful. Call me if you need anything."

"Ok!"

Wu Tian gestured and pushed Elder Sister Lan out, closing the door at the same time.

If he was really hurt, it would be a good thing to have someone to take care of him.

However, he was only pretending right now, it would be inconvenient for him to leave a woman at home, it would be meaningless if he was seen through.

After sending Elder Sister Lan off, Wu Tian lay on the sofa exhausted. He never expected to be in such a sorry state after pretending to be injured.

He looked at the unfinished meal on the table. Wu Tian subconsciously licked his lips. To be honest, Teacher Mu's cooking skills were pretty good.

Thinking about how angry Teacher Mu was when she left, he took out his phone and dialed Teacher Mu's number. The phone rang for a long time, but no one answered.

Could it be that Teacher Mu was still angry?

Wu Tian hung up the phone. He felt bored staying at home, so he went downstairs to take a walk around the district.

However, he didn't pull the gauze on his legs. He went downstairs just like that, mainly because he was worried that those women would come back.

He wandered around the district a few times, then left the district, preparing to buy a pack of cigarettes at the supermarket diagonally opposite.

When he arrived at the supermarket entrance, a luxurious car brushed past him and stopped. Geng Yunguang got off first, and two bodyguards also got off with him.

"Kid, why are you lame?" Geng Yunguang asked despite knowing the answer. At this moment, he looked like he was gloating.

After hearing that the person he sent last night had broken Wu Tian's right leg, he specially came over to watch a joke.

"Those hoodlums that hit me last night, did you send them?" Wu Tian stood up straight and asked in a cold voice.

"You're really smart."

At this moment, Geng Yunguang didn't need to continue pretending, "That's right, I was the one who sent someone to teach you a lesson last night."

"Geng, you are so despicable."

"This is what happens when you go against me." Geng Yunguang shook his sleeves and laughed gloatingly.

"Do you really think you can do anything to me just by sending a few hoodlums?"

"Your legs were broken, and you still dare to act so arrogant."

"I was just joking with you, and you took it seriously?" Wu Tian took off the gauze on his legs and said with a smile, "Actually, my legs are fine at all."

"You're not hurt?" Geng Yunguang's eyes darkened.

He saw that Wu Tian's right leg was perfectly fine, and his old face turned livid.

Last night, he sent so many people to teach Wu Tian a lesson, and those hoodlums later said that they broke Wu Tian's legs. But how could he be perfectly fine now?

"You're so stupid." Wu Tian threw away the gauze in his hand and explained with a smile, "Actually, those hoodlums knew me before. I made them act with me on purpose just to tease an old guy like you."

"You ..." Geng Yunguang was so angry that his face twitched, and anger burst out from his entire body.

He had been in the mall for dozens of years and had done a lot of amazing people. He never thought that he would be tricked by brat.

"Boss Geng, I heard that you're very rich?"

"Of course."

"Your brain isn't working, it's useless even if you have money." After Wu Tian said this, he laughed and mocked, "I suggest you spend more money to cure your brain. After all, brain is a good thing."

"You little bastard." How could Geng Yunguang endure such humiliation? He turned around and ordered the two bodyguards behind him: "Break this brat's legs for me, let's see if he still dares to be arrogant."

"Yes."

Upon receiving the order, the two bodyguards charged forward.

They seemed to be in a hurry to show off in front of Geng Yunguang, so their speed was very fast, their posture was cool and their strength was shocking.

Wu Tian could see that the two bodyguards were not weak. He was not the slightest bit careless and shrunk his body to dodge the attack.

After dodging the attack, he suddenly kicked the back of one of the bodyguards.

"Ah!"

His sudden attack rendered the bodyguard defenseless. After being kicked to the ground, he screamed miserably.

The other bodyguard reacted and quickly waved his hand.

As a result, he was also knocked over by Wu Tian with a sweep of his leg. He punched towards the bodyguard's waist and abdomen.
