

## Hidden Billionaire Chapter 213 - Azure Dragon Danger -

C213 Azure Dragon Danger

Just like this, Wu Tian did not waste much effort and easily knocked out the two bodyguards.

Geng Yunguang, who was on the side, was shocked.

He originally thought that Wu Tian was just a weak brat, but he didn't expect brat to be so strong that he could easily beat up his two bodyguards.

It seems like he had underestimated this brat's strength.

"Boss Geng, it's your turn now." Wu Tian crooked his fingers and smiled evilly as he approached Geng Yunguang.

"I... I won't fight you." Geng Yunguang swallowed his saliva and retreated in fright.

If he knew that this brat was so strong, he would have brought a few more bodyguards with him to protect himself.

"It's not that you want to fight, it's that I want to hit you." After Wu Tian said this, he swung his fist and punched.

"Ah ..."

The fist landed on Geng Yunguang's face, causing him to scream in pain. Half of his face turned green.

After taking a punch, he endured the pain on his face and shouted at Wu Tian, "Brat, you actually dared to hit me!"

Before he could finish, he was punched in the face again, and his screams became even more shrill than before.

"Old man, I didn't want to argue with you. Since you insist on fighting, don't blame me for being rude." After Wu Tian said this, he punched two more times.

"Kid, just you wait. I'll kill you sooner or later." Geng Yunguang escaped into the distance while enduring the pain and cursing. The killing intent in his eyes was even more painful than before.

"Geng, I'll wait and see what else you can do." Wu Tian's mouth twitched as he turned around and left.

This time, playing with Geng Yunguang made him feel better.

However, he understood that the old thing would not give up so easily. He would definitely think of another way to take revenge.

He wasn't afraid, but he was a bit worried. After all, this old fellow was rich and powerful, so his power and strength were not to be underestimated.

After that, Wu Tian didn't go anywhere else. He just stayed at home and read in his study.

He studied late at night, and just as he finished his shower and was about to go to bed, his cell phone rang on his desk.

After he answered the phone, he heard Azure Dragon's anxious voice: "Young Master, my sister was kidnapped."

"What? How did your sister get kidnapped?" When he heard that Azure Dragon's sister was kidnapped, Wu Tian immediately became nervous.

"Just now, I was taking my sister for a walk in the park. I went to buy water, but then I saw that my sister was picked up by a few people, so I took a taxi to follow them." Azure Dragon briefly told them what happened.

However, his tone was somewhat flustered.

"How many of them are there?" Wu Tian asked anxiously into his phone.

"There are many of them, so I'm not sure about the specifics."

"Where are you?"

"I saw those people bring my sister into the chemical factory at the east side of the city. Young master, let's do this first. I'm going to save my sister."

"Azure Dragon, you must ..." Before Wu Tian finished talking, Azure Dragon had already hung up.

Wu Tian was stunned for three seconds, then he quickly put on his clothes and ran out.

He was worried about letting Azure Dragon break into the tiger's den alone. He planned to help Azure Dragon now so that he could take care of him.

After catching a taxi, it took him more than half an hour to get to the chemical factory in the east of the city.

This place was previously the largest chemical factory in Luzhou City, but later the city expanded to the east, and the chemical factory was eliminated as a backward production capacity.

The chemical factory was in the process of being demolished and renovated, but there was no progress in the demolition process. The place had always been empty.

When he reached the chemical plant, he found it in a state of chaos, lit by searchlights.

At this moment, more than twenty hoodlums were lying all over the chemical factory. They were all severely injured and wailing nonstop on the ground.

Not only were the dozens of hoodlums heavily injured, Azure Dragon was also heavily injured. His entire body was full of bruises and he was holding his chest as he leaned against the wall.

In front of him were five hoodlums eyeing him covetously, as if they were afraid of Azure Dragon.

Clearly, a fierce battle had just occurred here.

Up until now, the two sides had yet to determine the victor. However, the situation on both sides was very bad. It could be said that both sides had suffered heavy losses.

"Azure Dragon, are you alright?" Wu Tian rushed over to support Azure Dragon's body, his face full of concern.

"I'm fine." Azure Dragon clenched his teeth and forcefully spat out two words.

The battle just now had consumed too much of his strength. Now, he felt extremely exhausted, and even his speech was very weak.

"Take a rest. I'll deal with these hoodlums." After Wu Tian said this, he rushed towards the five hoodlums as fast as he could.

After a tough battle, he only beat one of the hoodlums, and was then beaten back by the four hoodlums.

"Let me help you!" Azure Dragon threw himself at them with all of his strength and got into a fight with those hoodlums.

If it was in normal times, with Azure Dragon's skill, defeating these hoodlums would not have taken much effort.

It was just that today, he was heavily injured and his strength was depleted. Facing these four hoodlums, it was difficult.

Fortunately, with Wu Tian's help, and with the cooperation of the two, it took a lot of effort to completely defeat the four hoodlums.

"Plop!"

After beating all the hoodlums, Azure Dragon felt weak and collapsed on the ground, raising a cloud of dust.

"Azure Dragon, are you alright?" Wu Tian hurriedly helped Azure Dragon up from the ground.

"I'm fine." Azure Dragon waved his hand and said weakly, "Don't worry about me. I'll rest for a while. Go and save my sister."

"Where's your sister?"

"He was tied up in the back room."

"Alright, I'll go save her." Wu Tian hurriedly ran towards the small room at the back of the factory after saying that.

The room at the back was completely dark. Wu Tian had to rely on the light from his phone to see Azure Dragon's sister.

The girl had already fainted and was lying unconscious on the ground.

Wu Tian held the girl up from the ground, walked out of the room and said to Azure Dragon, "Your sister is fine, she just fainted."

"Let me see." Azure Dragon got up and rushed over. Seeing that his sister was safe and sound, he was relieved. He sat on the ground and said without strength, "My sister has just recovered from a serious illness. She is still very weak. She will faint if she gets frightened."

"I didn't expect your sister to be so pretty." Wu Tian couldn't help but laugh as he stared at the unconscious girl.

This girl didn't look like Azure Dragon at all. Azure Dragon was a big guy with a rough and ferocious appearance, just like an orangutan.

The girl in front of him was petite and cute. Although she had reached adulthood, she looked as young and tender as a child.

These two were not siblings, but rather, father and daughter.

"Many people say that we siblings are not like each other." Azure Dragon smiled bitterly, looked at the ceiling and said, "Ever since my sister got sick, her body's growth has been very slow. She's completely different from normal people."

"Your sister is quite pitiful, but fortunately she has a good brother like you." Wu Tian stroked the hair on the girl's face as he sighed with emotion from the bottom of his heart.

"No."

Azure Dragon shook his head and retorted, "Rather than saying that I'm a good brother, it's more accurate to say that I met a good boss like you. Otherwise, my sister would have died long ago."

"I helped your sister because of you."

### **C214 Conquer a Beauty**

After resting for a few minutes, Azure Dragon gradually recovered his physical strength. He got up from the ground and said, "Thank you for coming to save us siblings in time."

"You've always been protecting me, so it's only right for me to help you." Wu Tian acted like it was a matter of course.

"That's different." Azure Dragon shook his head and retorted, "As your subordinate, it's my duty to protect you, but as my boss, it's not your duty to save me."

Although he was a crude person, he was still able to differentiate these principles clearly.

"In my heart, I've always treated you as a brother." Wu Tian pursed his lips and smiled, then said something that could dig out one's heart.

"Thank you!"

Azure Dragon bowed deeply and said with gratitude, "The greatest fortune in my life is following you."

"Alright, let's stop being pretentious here. We should quickly send your sister to the hospital for her to be examined."

"Right." Azure Dragon nodded in agreement and took his sister from Wu Tian's arms, "Let's go to the hospital now."

"Oh right, who are these people? Why did they kidnap your sister?" Wu Tian lowered his head and looked at the hoodlums on the ground. These hoodlums were still wailing in pain. It was evident how vicious Azure Dragon had been.

"I don't know. They just kidnapped Feng for no reason. I don't know who they are, nor do I know why they kidnapped Feng." Azure Dragon also looked confused.

"Forget it, let's not worry about that for now and send your sister to the hospital." Wu Tian had probably guessed who these people were.

However, now was not the time to think about this. They first sent Azure Dragon's sister to the hospital and confirmed that she was fine before they could be at ease.

As soon as the two walked out of the chemical factory, they were surrounded by a group of police officers.

"No one move, raise your hands." The policewoman in the lead, Su Ruyun, shouted at the top of her lungs.

She had just received a call from the crowd saying that there was a fight at the East Chemical Plant, so she had brought police officers with her in a hurry.

Maybe it was too dark inside, but when she got close enough to see Wu Tian's face, her face immediately sank: "Rascal, why is it you again?"

"Police Officer Su, my name is Wu Tian, not a rogue." Wu Tian pointed out with a smirk.

"I've discovered that you're really causing trouble everywhere."

"It's not that I'm creating trouble, it's that they're provoking me."

"What nonsense is this?" Su Ruyun glared at him and said impatiently, "Come with me to return to the Police Station first."

"Wait!"

Seeing that the policemen were about to make a move, Wu Tian quickly stopped them, "Police Officer Su, someone here fainted. We'll send the injured person to the hospital first."

"Faint?"

Only then did Su Ruyun notice that a girl was unconscious. She turned to the two policemen behind her and said, "Send the girl to the hospital first."

"Yes."

After the two policemen received the order, they stepped forward and gestured for Azure Dragon to go ahead.

Azure Dragon turned around and glanced at Wu Tian before carrying his sister into the police car.

After Azure Dragon and his sister were sent away by the police, Su Ruyun ordered the remaining police officers: "Bring all these hoodlums back to Police Station, I want to handle them myself."

"Yes."

When the policeman received the order, he cuffed the injured hoodlums and stuffed them into the police car before bringing them back to the station.

"What are you standing there in a daze for? You want me to do it?" Su Ruyun shook her handcuffs, and a sinister smile appeared on her face.

"Police Officer Su, I'm a good citizen."

"Don't tell me you didn't participate in the fight."

"Yes."

"Then what are you still saying." Su Ruyun's eyes turned cold, and impatiently shouted: "Since you're participating, then follow me back to the Police Station."

"I'm in self-defense."

"It's not up to you to decide, follow me back to the Police Station first."

"Ok, I'll go with you."

"Here, put this on." Su Ruyun brought the handcuffs over and ordered coldly, "Give me your hand."

"And handcuffs?"

"If you beat me, I won't let you wear it." After Su Ruyun said this, she suddenly swung her fist and mercilessly punched towards Wu Tian's face.

She had fought with Wu Tian before, and she was too careless at that time, so she lost to this kid. This time, she wanted to wash away her shame.

She had recently gone to the police academy to train a few moves specifically to deal with this brat. She wanted to take this opportunity to teach this scoundrel, Wu Tian, a lesson.

"As a police officer, you actually dared to sneak attack me. Truly despicable."

Wu Tian complained and quickly reached out to stop her, but he was pushed back a few steps by the woman.

With much difficulty, he managed to stabilize his body. He stuck out his thumb towards the woman and praised, "Police Officer Su, not bad. We haven't seen each other for a few days. My kung fu seems to have improved a little."

"Today, I'll let you know how powerful I am." Having said so, Su Ruyun once again struck out with her fist.

Wu Tian smiled slightly. Seeing that the fist was closing in, he quickly sidestepped and easily dodged the attack.

Su Ruyun was unwilling to give up. After missing her first blow, she threw out several punches in succession, all of which missed.

This made her anxious. She raised her leg and kicked fiercely again, but Wu Tian still dodged it.

"Rascal, what's with your ability to hide and hide?" Su Ruyun shouted angrily, "If you have the ability, then don't hide!"

"Alright, I won't hide. Let's continue." Wu Tian hooked his fingers and provoked her with a cheeky smile.

"Humph!"

Su Ruyun snorted coldly and threw a punch at him.

This time, Wu Tian did not dodge. Seeing Police Officer Su's fist closing in on him, his right hand quickly turned and easily grabbed the fist that Su Mei smashed towards him.

With her right hand restrained, Su Ruyun refused to admit defeat. She hastily swung her left fist and smashed it forward. In the end, Wu Tian once again grabbed her.

Just like that, both of her fists were tightly grasped by Wu Tian.

"Police Officer Su, you lost." Wu Tian held the two flexible arms and teased with a smile.

"Bastard, let go." Su Ruyun struggled a few times. It was a pity that he held her too tightly. This kind of struggle was completely useless.

"You sneaked an attack on me just now and wanted me to let you go. You didn't even have a chance." Wu Tian used his left hand to control both her hands, while his right hand slowly reached towards her waist.

Seeing his actions, Su Ruyun's expression turned grim. "You hooligan, stop it. What are you trying to do?"

"Guess."

"Shameless bastard, if you dare touch me ..." Before Su Ruyun could finish her sentence, she saw Wu Tian's right hand grabbing towards her waist.

In that instant, her body tensed into a ball.

She thought Wu Tian was trying to take the opportunity to take advantage of her.

She quickly found out that she was wrong. Wu Tian didn't take advantage of her, but took the handcuffs from her waist.

Su Ruyun then let out a sigh of relief and rolled her eyes, "Bastard, I thought you wanted to be a hooligan."

"I didn't touch your body. Did it disappoint you?" Wu Tian stared at Su Mei's body with an evil smile.

"Scram!"

Su Ruyun rolled her eyes and said with a puzzled expression, "What are you doing with my handcuffs? Hurry up and give it back to me."

"OK, I'll give it to you now." After saying that, Wu Tian cuffed the handcuffs onto Su Ruyun's hands.

Seeing the pair of cold handcuffs on her hands, Su Ruyun was dumbfounded. "Bastard, you actually cuffed me?!"

Being handcuffed as a policeman was a great shame to her.

## **Hidden Billionaire Chapter 215 - The Shyness of the Woman Police Flower -**

## C215 The Shyness of the Woman Police Flower

"You handcuffed people every day. Today, I'll let you have a taste of handcuffs." Wu Tian put his hands in his pockets and looked at the woman in front of him playfully.

For some reason, teasing this violent policewoman made his mood exceptionally good.

"Bastard, hurry up and release me." Su Ruyun stretched out her arm and yelled angrily.

"You want me to release the handcuffs?"

"Hurry up."

"You've cuffed my hands, how do I remove them?"

"That's your problem."

"You're a f \* cking scoundrel." Su Ruyun stomped her foot in anger. At this moment, she wished she could kill Wu Tian with one bite.

"Thank you for your praise. I am deeply honored."

"You ..." Su Ruyun almost died from anger. She was truly afraid of such a man.

After gnashing her teeth for a long time, she finally suppressed the anger in her heart and asked, "What do you want from me before you're willing to release my handcuffs?"

"If you call me husband, I'll untie it for you."

"Scram!" Upon hearing such shameless demand, Su Ruyun instantly flew into a rage and cursed loudly.

"Then you think of a way yourself." After Wu Tian said this, he turned around and prepared to leave.

"Don't go."

Seeing that Wu Tian was about to leave, Su Ruyun anxiously stopped him, "What will I do if you leave?"

She was currently wearing a police uniform, and her hands were handcuffed. If someone saw her, they would definitely post her on the internet. If that happened, she would lose a lot of face.

"That's your problem, it has nothing to do with me." Wu Tian touched his thick-skinned face, the smile on his face couldn't be described as brilliant.

Seeing the violent female police officer tortured to such a state by him made his heart sour.

"Wu Tian, you abused the police. This is against the law, so I'll give you one last chance. Hey, stop right there." Before Su Ruyun could finish her sentence, she saw Wu Tian continue walking forward. She hurriedly stopped him.

Wu Tian stopped and turned to Lili. He said, "Police Officer Su, if you're going to tell me any more of this crap, I'm really going."

"You, you, you, what do you want to do?"

"I already said, as long as you call me husband, I'll let you go."

"Impossible." Su Ruyun firmly refused. If he asked her to call him husband, he might as well just kill her.

After a moment of hesitation, she hurriedly suggested, "You can change the conditions."

"Alright then, learn to bark like a dog."

"You bastard."

"Don't be angry, I'll change the request." Wu Tian thought for a moment and put forward a realistic condition. "Then, if you act like a spoiled child, I'll help you undo your handcuffs."

"Acting like a spoiled child?"

"Right."

"I ..." Su Ruyun wanted to refuse, but after some thought, she felt that she could reluctantly accept this request.

She cleared her throat, brewed for a long time, then said coquettishly: "Stinky Wu Tian, dead Wu Tian, you're so annoying."

"Pfft!"

Hearing this woman act coquettishly, Wu Tian immediately laughed.

That smile actually made Su Ruyun feel embarrassed. She asked, "What are you laughing at?"

"How are you acting coquettishly? You're clearly acting coquettishly, hahaha ..." After Wu Tian said this, he raised his head and continued to laugh heartily.

"Scram!"

Su Ruyun rolled her eyes and impatiently urged, "Stop laughing, hurry up and release my handcuffs."

"Ok!"

Wu Tian nodded, put away his smile and said, "Oh right, Police Officer Su, where's the key?"

"It's on my waist."

"Then I'll look." Wu Tian quickly reached out his hand.

As soon as he touched the woman's body, he was met with a violent protest: "You rogue, what are you fumbling about for, it's on the right."

"Ugh!" Wu Tian nodded and touched her right waist. Soon, he found the handcuff key and helped her open it.

After she gained her freedom, Su Ruyun swung her handcuffs at Wu Tian.

She had suppressed her anger and resentment for so long that she wanted to teach this fellow a lesson. No matter what, she couldn't hold it in.

"F \* ck, you really are a tigress." After Wu Tian said this, he was so scared that he turned around and ran.

"Stop right there!"

"I'm not stupid. If I stand still, won't I be beaten to death by you?"

"I won't hit you." Su Ruyun suppressed her anger and kept the handcuffs. "Come, let's go back to the station and record your statement."

"You're really not going to sneak attack me?"

"I won't."

"Ok, I'll believe you this once." Wu Tian went back to Su Ruyun, but remained alert.

Su Ruyun walked over and opened the door of the police car. She urged, "Get in the car quickly. Follow me back to the station."

"Alright." Wu Tian gradually let his guard down and went into the police car.

As a result, his butt was kicked by Su Ruyun from behind, causing excruciating pain to spread throughout his body.

"F \* ck!"

Wu Tian was instantly angered. He turned around and glared fiercely at Su Ruyun, "Bastard, you took the chance to sneak an attack on me."

"This is what happens when you mess with me." Su Ruyun smiled complacently, closed the door and got into the driver's seat. She started the car and drove away, feeling rather happy.

The car sped along, and soon they were back at the police station in the east part of the city.

Su Ruyun handed Wu Tian to the two policemen and went to interrogate the 20 odd thugs.

The policeman was rather polite. He served Wu Tian tea and even brought some fruits, showing that he was being very polite.

This surprised Wu Tian a little. He frowned and asked: "Why are you taking care of me like that?"

"Superintendent Liang said to take special care of you. If Captain Su makes things difficult for you, let us inform him in time." The two policemen laughed and explained.

He had heard Superintendent Liang talk about Wu Tian and knew that Wu Tian's background was related to the city police.

They naturally had to think of all sorts of ways to curry favor with this kind of person, so they didn't dare to offend him.

"Thank Superintendent Liang for me." Wu Jingchong said to the two policemen.

Just as he said that, he saw Liang Tianhua walk in with a hearty smile: "Mr Wu, don't be polite. This is just something I should do."

"Superintendent Liang, I've troubled you again." Wu Tian stood up from his chair to show his respect.

Although he didn't know what kind of person Superintendent Liang was, but the director had treated him pretty well.

"Of course, we did not protect Mr Wu well." Liang Tianhua accompanied with a smile and said, "We know what's going on very well. It was those hoodlums who kidnapped your friends, you and your friends were acting in self-defense."

"Superintendent Liang is wise indeed."

"Not at all."

"Oh right, who are those hoodlums?"

"According to the investigation, they were sent by Geng Yunguang."

"Geng Yunguang?"

"Right."

"It's that old fogey again." Wu Tian had long guessed that Geng Yunguang was behind all this.

"Oh yeah, Mr Wu, you had a grudge with Geng Yunguang?"

"I have a little disagreement with him, but the old fellow insisted on hurting me." Wu Tian gave a simple explanation, then asked: "Why did Geng Yunguang send people to kidnap Azure Dragon's sister?"

"The kidnapping of Azure Dragon's sister is naturally to threaten Azure Dragon. He knew that Azure Dragon is your subordinate, so he wanted to force Azure Dragon to make a move on you."

"That old thing is really sinister." Wu Tian couldn't help but curse silently. He never thought that Geng Yunguang would come up with such a despicable plan.

## **Hidden Billionaire Chapter 216 - Close Protection -**

### **C216 Close Protection**

"Geng Yunguang is an old fox, you must be careful." Liang Tianhua reminded him sincerely.

As if he was still worried about this, he suggested with a smile, "I think it's better this way. I'll send Captain Su to protect you 24 hours a day."

"Thank you, Superintendent Liang." Wu Tian wanted to refuse, but when he heard Su Ruyun was responsible for protecting him, he changed his mind.

He had just been kicked by Police Officer Su just now, and it just so happened that he had left this woman by his side to properly train her.

"Protecting citizens is our duty." After Liang Tianhua said this, he ordered the policemen behind him: "Hurry, go call Captain Su over."

"Yes sir!" The policeman answered and quickly went out.

Not long after, Su Ruyun ran in and asked Liang Tianhua, "Superintendent Liang, I heard you were looking for me."

"Right."

Liang Tianhua threw his hands behind him and said, "Right now, I have an important task for you."

"What mission?"

"Mr Wu's life is in danger. I'll put you in charge of protecting Mr Wu for twenty-four hours a day."

"What? You want me to protect that scoundrel?" Upon hearing about the mission, Su Ruyun instantly went insane.

To be honest, she couldn't wait to tear this brat into eight pieces.

She didn't expect Superintendent Liang to ask her to protect that brat.

"This is a difficult and honorable mission. I hope Captain Su can fulfill this mission well." Liang Tianhua acted as if he was encouraging her.

"Superintendent Liang, you know that brat and I have a grudge, I'm afraid that I might castrate him."

"How dare you!"

Liang Tianhua's face darkened as he shouted in anger, "How can you say something like that as a police officer?"

"I ..."

Su Ruyun gritted her teeth and pleaded in a low voice, "Superintendent Liang, I might not be able to complete this mission. You should switch to someone else."

"Where do I go to find someone?"

"We have so many officers in the station, you can just send any one of them."

"But you are the only one who truly knows kung fu. No one is more suitable than you."  
Liang Tianhua immediately made a decision: "You will complete this mission."

"I ..."

Su Ruyun wanted to object, but was interrupted by Liang Tianhua before she could finish, "There's no room for negotiation on this matter. If you don't want to do it, you can apply for a long vacation."

"Yes, I'll do it."

Seeing how determined Superintendent Liang was, Su Ruyun knew she had to accept.

"Remember!"

Liang Tianhua leaned his head over and warned in a low voice, "I told you to protect Mr Wu, if you cause any trouble for me, don't blame me for being rude to you."

"Yes sir!"

Although Su Ruyun said this, she was not convinced in her heart.

Asking her, a dignified captain of the Criminal Police squad, to protect such a rogue was a great humiliation to her.

"Mr Wu."

Liang Tianhua turned his head towards Wu Tian and instantly put on a kind smile, "During this period of time, I will let Police Officer Su be in charge of protecting your safety. If there are any problems, Mr Wu can call me anytime."

After saying this, he hurriedly wrote down a number and handed it over.

"Superintendent Liang is really considerate." Wu Tian looked at the number and smiled, "If there's nothing else, I'll be leaving first."

"Please!" Liang Tianhua walked over to open the door, extended his hand and made a "please" gesture.

"Goodbye, Superintendent Liang." After saying goodbye, Wu Tian turned around and left. When he reached the door, he turned around and reminded Su Ruyun, "Let's go. You are now my personal guardian."

"Bastard!"

Su Ruyun spat out two words through her teeth before she reluctantly followed him.

"Good girl!"

Wu Tian smiled with satisfaction and led Su Ruyun outside. After taking a few steps, he felt that it was a little inappropriate and tried asking, "Police Officer Su, do you want to change into casual clothes?"

"I'm on a mission. Of course I'm wearing police uniform."

"But if you follow me in your uniform, people will think I'm a prisoner." After Wu Tian said this, his gaze fell on Liang Tianhua again, "Superintendent Liang, what do you think?"

"Right, what Mr Wu said makes sense."

Liang Tianhua nodded in agreement and instructed Su Ruyun, "What are you waiting for, quickly go change into casual clothes."

"Yes sir!"

Su Ruyun gritted her teeth in frustration and turned around to enter the locker room.

It took her more than ten minutes to get dressed and come out.

She had changed into the usual body training dress, and the wrapped curves of her body were exquisite and sexy, giving her a very feminine appearance.

"Not bad, you look really beautiful like this." Wu Tian nodded with satisfaction and glanced over Su Ruyun's body a few times before walking outside while shaking his head.

"Rogue!"

Su Ruyun cursed silently and followed with a displeased look on her face.

When the two of them left the Police Station Building, Su Ruyun's expression immediately changed. "I'm warning you, don't look at me with that lustful look. Be careful that I don't dig out your eyeballs."

"I'm going to look at you like this." Wu Tian deliberately widened his eyes as he scanned Su Mei's body from top to bottom.

After looking around, his gaze finally landed on her collar.

As if he had found something delicious to eat, he kept gulping down saliva.

"You ..."

Su Ruyun clenched her fists tightly. She was so angry that her body started to convulse, but there was nothing she could do about it.

She was truly afraid of encountering this sort of scoundrel. She couldn't beat him, so she scolded him. However, Superintendent Liang still stood behind him.

"Drive."

Wu Tian got into the police car and ordered Su Ruyun, "Take me home."

"I'm here to protect you, not your servant." Su Ruyun replied with her arms crossed in front of her chest.

Although she couldn't beat this scoundrel, she wouldn't be at his mercy either.

"Stinking woman, you're really not obedient." Wu Tian jumped out of the car and approached Su Ruyun step by step.

He scared Su Ruyun so much that her body shrank. She kept backing up and asked with a trembling voice, "What ... what are you trying to do?"

For some reason, she suddenly felt a little afraid of this kid.

Perhaps it was because she had just seen Wu Tian's despicable methods at the chemical factory that she couldn't help but feel fear towards him.

"Guess!" The corner of Wu Tian's mouth lifted into a sinister smile.

"Don't be reckless."

Su Ruyun swallowed her saliva, and coldly warned: "This is the Police Station, if you dare come here, I'll let you take the consequences."

"Do you believe that if I really do something to you, Superintendent Liang and your colleagues will pretend that they didn't see it?" At this point, Wu Tian slowly stretched out his hands.

"You ..."

Su Ruyun gritted her teeth and could only concede, "Bastard, you're ruthless. I'll go drive."

With that, she obediently jumped into the driver's seat.

However, she secretly swore that when she found the chance, she would definitely let this scoundrel have a taste of being abused.

"Wouldn't you have been so obedient earlier?" Wu Tian smiled in satisfaction and wiped his hair.

He then slowly got into the car and ordered like a rich man, "Let's go home, Sea Heaven Garden."
