

Hidden 2151

Chapter 2151: It's A Massacre

The reaction from the Lu family was even more exaggerated than Lu Tingxiao's. Even Little Treasure was involved.

"Mommy!" Little Treasure dashed over when he saw a familiar figure by the entrance.

The little guy would usually pounce onto Ning Xi for a hug. However, he stopped several steps away from her out of consideration for the baby in his mother. He stared at Ning Xi's stomach earnestly.

"Mommy, is there... really a sister inside?"

Ning Xi chuckled. "We still don't know if it's a sister or a brother."

"I'll like it as long as it's Mommy's child!"

After a while, Yan Ruyi, Lu Chongshan, and the other elders such as Jiang Muye's mother all came out.

"Xiao Xi's back! Come in, be careful..."

Moments after Ning Xi went into the house, a military Jeep swiftly parked outside the entrance of the Lu residence.

"I don't think the Lu family is very reliable. There was no prior preparation for Xiao Xi's pregnancy. Just how dangerous was the situation today? If Xiao Xi got injured..." As Meng Linlang was complaining, she then noticed that everything around the Lu family's home was padded with soft mats. Even the chairs and tables were covered with a layer of leather.

Zhuang Liaoyuan coughed lightly. "Xiao Xi only received her results today. The news was probably leaked before she could tell anyone."

"Stop talking so much. I want to see how Xiao Xi is now!" Zhuang Zongren urged.

The two families gathered in the living room.

"Do you feel terribly unwell?" Meng Linlang was worried when she saw Ning Xi looking rather pale.

"I'm alright. I'm feeling much better now. The nausea comes in short waves!" Ning Xi had a headache when she saw so many people in the house. She was just pregnant. Everyone was simply too tensed!

Ning Xi looked over to Lu Tingxiao for help. However, it was obvious that Lu Tingxiao was on their side.

"Xiao Xi is even having her second child now, so when is the Lu family arranging the wedding?" Zhuang Zongren grumbled.

Yan Ruyi quickly said, "Don't worry. We've been preparing for it since a year ago. Everything is already done and can be arranged anytime. Xiao Xi doesn't have to worry about anything. As long as her work is alright, we can have the wedding anytime she says so."

Zhuang Zongren's expression softened when he heard Yan Ruyi's words. "What do you think, Xiao Xi? Your wedding can't be delayed any further! If anyone dares to say anything about it, I'll have a word with them myself!"

Ning Xi quickly said, "It's okay, Grandfather. My company will deal with it. Actually, I've been preparing to announce it to the public. It's just that a little accident happened today, but it's fine. Why don't we make it next month?"

Meng Linlang thought about it. "Next month is fine. Have your wedding before the new year. If it's delayed further, your pregnant belly will make you more uncomfortable."

Yan Ruyi was immensely glad. "I've checked the calendar. The eighth of the next month is a good day! What do you both think?"

"As long as Xiao Xi is fine with it," Lu Tingxiao said.

"Sure, I don't have a problem with it," replied Ning Xi.

"Alright, it's decided then!"

At the same time, in the backyard of the Lu residence.

A little koi fish was squatting on the stone staircase. He slung his arm over a certain blondie who was beside him. "This isn't just torture anymore. It's a massacre! I want to run away from home. Do you want to join me?"

"It's okay, Second Uncle," replied Jiang Muye.

"Are you sure?" Lu Jingli was surprised.

"I've already booked my flight ticket."

Lu Jingli was speechless.

Chapter 2152: They Told The Whole World About It

Ning Xi and Lu Tingxiao's wedding was decided very quickly.

The next day, the relationship between Lu Tingxiao and Ning Xi was publicized on the headlines of all printed media and the Internet. They were splashed across not just the entertainment section, but also the business section.

As the Zhuang family insisted on it, Ning Xi's true identity was highlighted as well. The business papers discussed the strong combination of the Lu Corporation with the Zhuang family.

It was not exaggerating to say that everyone was talking about it.

People started to recall details that they neglected after their relationship was revealed.

"Oh my God! My friends and I are so shocked! Ning Xi is actually Lu Tingxiao's wife and their kid is already so big!"

“That’s really surprising! However, there’ve been some hints here and there! Do you guys remember Ning Xi’s entrance during the Golden Film Award? Lu Tingxiao walked in with Ning Xi. We’ve always thought that the other star, who was supposed to attend with her, decided to pull out at the last minute and she got lucky. On hindsight, it wasn’t a coincidence, was it?”

This fan’s words sparked the interest of many others. Suddenly, everyone became Sherlock Holmes and tried to look for more clues.

“Also, there was Ning Xi’s ending speech. In her last sentence, she said she wouldn’t forget about her original aspiration and would keep going on for her dream, for the person she loved! Damn, a lot of people suspected that it was a confession to a certain someone! She was just confessing to Lu Tingxiao on the spot, wasn’t she?”

“You’re right! Because there was no other reason that the low-profile Lu Tingxiao would suddenly participate in a film awards ceremony. It was because his wife was receiving an award!”

“Oh, and during Glory World Entertainment’s anniversary, coincidentally, Lu Tingxiao’s first dance was with Ning Xi, and it was decided by drawing lots. Su Yimo was still at the top of Glory World Entertainment back then and she even called herself the future lady boss. She would’ve definitely tried to rig it to suit herself, wouldn’t she? Yet, under those circumstances, Ning Xi still got it...”

“Lu Tingxiao even said on that day he didn’t know her at all! He was trying to prove his loyalty in front of his girlfriend!”

“Damn! Stop talking about it. My heart is being tortured right now!”

Suddenly, people felt so tortured that they almost cried.

They were so aggressive at showing affection to each other! And people still thought that Lu Tingxiao was low-profile!

The two of them had already announced it to the world; everyone just did not realize it!

...

At Glory World Entertainment.

All the artistes were really excited.

“Oh gosh! The idiots from Starlight Entertainment are really funny. They tried to scout Bro Xi! They actually tried to scout our Lady Boss!”

“Bro Xi is really low-profile! Ning Xueluo’s just a fake daughter, yet she always tries to create an image of her being a winner at life. The boss didn’t even know about Su Yimo but she always assumed she was the Lady Boss. Han Zixuan’s much worse. She’s just a downgraded imitation of Bro Xi! Look at our Bro Xi, a true descendant of a prestigious family, the biological mother of the little prince, and our real Lady Boss! The truth has only come to light now!”

Chapter 2153: I Can Take Their Affection Anytime

“Bro Xi’s the real deal anyway. She only needs herself and doesn’t need to rely on anyone else!”

“That’s right!”

As the bunch was happily gossiping, someone suddenly yelled in the direction of the entrance, “Bro Xi!”

“Oh! Goddess!”

“Lady Boss!”

Someone called Ning Xi “Lady Boss”, then everyone else followed after that.

Ning Xi felt funny about how hyped up they were. She smiled and greeted everyone, then she went upstairs to meet Xu Tao.

As she was about to walk up, there were sounds of hurried footsteps behind her.

“Oh my God, it’s Big Boss!”

“A real living Boss!”

Suddenly, all the working staff stared behind her and screamed. Ning Xi turned around and saw that it was Lu Tingxiao.

“Uhh, what’s up?” Ning Xi looked at him.

“Scarf.” Lu Tingxiao had a lamb-wool scarf in his hand. He gently wrapped it around her neck.

Ning Xi touched the warm scarf. “It’s alright. There’s air conditioning in the office.”

Lu Tingxiao then took a carefully-packaged meal box from Cheng Feng.

Ning Xi quickly accepted it. “Oh, I forgot about this! I’ve been quite sleepy recently. My brain power is running low!”

Lu Tingxiao frowned. “Do you still remember how to take medicine and nutritional supplements?”

Ning Xi scratched her head. “I think so.”

“I’ll tell you one more time...” As Lu Tingxiao was about to tell her, he stopped and pinched between his eyebrows. “Forget about it.”

He looked at Cheng Feng and instructed, “Delay the meeting today.”

“Huh? But, Boss, it’s been delayed once already...” Cheng Feng’s eyes met with the sharp eyes of his boss, then he changed his tone. “I got it! I’ll let them know now!”

There was nothing more important than the Lady Boss now. Even if the company was going down, the Boss probably would not even bat an eyelid.

Ning Xi was worried when she heard Lu Tingxiao delaying his meeting. “You can go back to work. I’ll be fine on my own, really!”

“Change the date for the observation this afternoon too.”

“Got it, Boss!”

Ning Xi was speechless.

In the end, Lu Tingxiao postponed all the work he had that day and followed Ning Xi upstairs.

At this moment, all the working staff at Glory World Entertainment gushed.

“I’m so done!”

“I can take their affection anytime!”

“The Boss is really crazy when protecting his wife! I want to rant on Weibo! Where’s the Protection Society for Single People!?”

...

“Hmm, darling, I think Bro Tao would be scared if you follow me!” Ning Xi mumbled before entering Xu Tao’s office.

As Ning Xi expected, after they pushed the door open and when Xu Tao saw the Big Boss, he almost wet himself.

He felt guilty after all! He had said so many bad things about the Boss yesterday!

“B-boss!”

Ning Xi made Lu Tingxiao sit down on the sofa nearby while she sat in front of Xu Tao’s table. “Bro Tao, just ignore him. We’ll talk about the leftover work.”

Before her wedding, she had to finish some jobs.

At this moment, Xu Tao was on the verge of crying!

The Boss had such a looming presence that it was impossible to ignore him.

Xu Tao eased up slightly when Lu Tingxiao was not noticing him and just talked to the assistant. He started arranging some of the leftover work for Ning Xi at this stage.

Chapter 2154: Unavoidable

“There isn’t really much work left. The only one that requires traveling overseas is the new product launch for LG in America...”

The Boss then spoke up, “Tell them to come to China.”

Xu Tao gulped, “Uhh, I don’t think that’s possible?”

“Cheng Feng,” called Lu Tingxiao.

Cheng Feng replied, “No problem. I’ll contact them. After all, LG is a partner of the Lu Corporation.”

“Any more problems?” Lu Tingxiao asked.

Xu Tao shook his head. "Nope!"

As expected of the Boss!

Xu Tao flipped through the schedule. "Next up is the premiere event for 'Assassin'. We have to go. Although there might be a lot of people on that day, the security will surely be tight!"

"Clear my schedule on that day," Lu Tingxiao told Cheng Feng.

"Yes!" Cheng Feng quickly noted it down in his notebook.

Xu Tao was speechless.

Boss, if you were to go on that day, the situation would only become worse!

Moving on, Xu Tao reported all of Ning Xi's upcoming work, and Lu Tingxiao cleared his schedule accordingly.

Ning Xi wanted to say something at first, but in the end, she gave up.

Ning Xi felt a little sleepy after a long discussion, she yawned.

Lu Tingxiao halted the discussion. "Sleepy? Go and take a nap."

Ning Xi rubbed her eyes. "But I still have a meeting to attend to later."

Xu Tao nodded. "Boss, there is indeed a meeting later."

Lu Tingxiao went up to Ning Xi. "Go to sleep. I'll attend the meeting for you."

Ning Xi laughed. "How are you going to attend the meeting for me?"

"Is there any rule that family can't represent you in a meeting?" Lu Tingxiao asked.

"Well, not really..." Xu Tao replied.

Even if there were such a rule, you are the Boss. Would there be anyone to tell you off?

Xu Tao felt exhausted. Just as he was about to complain about it on the company group chat, he realized that everyone had their fair share.

Lu Tingxiao really represented Ning Xi at the meeting.

Lu Jingli and Jiang Muye were speechless when they saw the group chat.

Again!

In the end, Lu Jingli's plan to run away from home failed. To add salt to the wound, his mother made him decorate the wedding venue.

As for a certain blondie, he could avoid the preparation at first, but he could never avoid the real deal after all.

He still needed to be back and attend the wedding.

To avoid any external disturbances, Ning Xi and Lu Tingxiao organized their wedding on a small island that he owned.

There was a fantasy-like church on the island which was designed by Lu Tingxiao. Built two years ago, the whole island was shrouded with the aura of love.

Anyone could see that the island was made just for their wedding.

"Is everything ready? Wait! Not this earring. This is for the toast. Where's the pearl one?"

"It's here! I'm busy at the moment!"

Zhuang Keer and Ning Tianxin had been busy helping Ning Xi since 5 a.m. in the morning. While most matters were prepared beforehand, things still went a little out of hand on the day itself.

In addition to Ning Xi being pregnant now, they needed to take extra precaution.

Lu Tingxiao came in through the door in his wedding suit. He wore a classic groom's breastpin on his chest and he looked very eye-catching.

Chapter 2155: Wedding 1

The man frowned at his exhausted wife the moment he stepped in. "Are you alright? Should we postpone the wedding to another day?"

What was he saying now? A whole island full of guests were outside and he wanted to delay the wedding?

Ning Xi sighed, "Darling, can you please calm down?"

Lu Tingxiao leaned over to his beautiful wife in her wedding dress. "I can't. When I think about how you're having my baby, about how we're going to be together forever..."

Ning Xi giggled. "Kiss me."

Lu Tingxiao would never reject such request. He kissed the girl's forehead tenderly.

Ning Xi smiled. "I'm all fine now. I'm not tired anymore!"

Lu Jingli saw this exact moment when he came in and his manly tears fell. "Bro, are you done now? All the guests are waiting!"

"Are First Senior Brother and Third Senior Sister here already?" Ning Xi asked.

Lu Jingli shook his head. "I didn't really see them."

"Oh." Ning Xi seemed disappointed.

She had contacted Tang Ye and Feng Xiaoxiao. Tang Ye's bunch was wandering somewhere as their schedule was always unstable, while Feng Xiaoxiao was probably carrying out a mission at the moment and was most likely not able to come.

“Don’t worry. They’ll be here.” Lu Tingxiao patted the girl’s head.

At that very moment, there was the sound of a loud chopper outside the window as a helicopter slowly descended from the sky. A person jumped straight out of it, not waiting for the helicopter to land. The figure came into the room through the window.

With a sexy body, long, wavy hair, and a cool style, the person greeted, “Baby!”

“Third Senior Sister!” Ning Xi was surprised.

Feng Xiaoxiao started complaining the moment she saw Ning Xi. “Damn, Little Junior Sister! Your husband is really something. He sent someone to take out my target and abducted me on a helicopter. I was dumbfounded and thought I got betrayed! But they told me that I was invited to your wedding! How exciting!”

Ning Xi glanced over at Lu Tingxiao. “Uhh...” She thought that Lu Tingxiao was just comforting her when he said that they would be there.

Feng Xiaoxiao went over and gave Ning Xi a big hug. “Happy marriage! You look really beautiful today!”

“Thank you!” Ning Xi felt a warmth spark in her heart.

She did not have many friends, but each and every one of them was extremely important.

After resting for a short while, Ning Xi and Lu Tingxiao went outside to greet the guests.

“Congratulations!”

“Congratulations to the both of you!”

The friends and families of both parties, Xu Tao, Liang Feixing, Qin Shuang, Qin Mufeng, Jiang Muye, and Mo Lingtian arrived one after another.

“Xiao Xi, where’s your brooch?” Ning Tianxin looked at Ning Xi’s chest and asked.

Ning Xi looked down. “Uhh... It was still here just now!”

“Maybe you dropped it somewhere, but it’s alright. There are some spares in the house. I’ll go and look for one.”

Ning Tianxin quickly went back to get another brooch. In her haste, She accidentally bumped into a person with a strong tobacco smell.

Ning Tianxin quickly apologized, “I’m sorry...”

The person she bumped into did not say a thing.

Ning Tianxin looked up and was stunned.

Mo Lingtian’s cigarette fell to the floor as he looked at the girl in front of him. “Tianxin...”

Chapter 2156: Wedding 2

"Xiao Xi's lost her brooch. I'm helping her to get a spare one. Why... are you here alone? Everyone's at the front," Ning Tianxin said.

Mo Lingtian came back to his senses. "I... I hung around with them a little too late last night and didn't really get a good night's sleep, so I'm looking for a place to rest."

"There are some guest rooms upstairs."

"Mmm."

He had nothing else to say.

"I'll get on with my errand." Ning Tianxin nodded and passed him.

Mo Lingtian still remained stationary after the girl left. He tried to recall the girl's face, her voice, and her expression as she spoke to him just now.

She had really moved on...

That was great...

As the wedding was about to start soon, Ning Xi was making some final preparations in the dressing room when Tang Lang barged right in.

"Little Junior Sister, look who's here!"

Ning Xi doubtfully turned around and her eyes brightened in the next moment. "Master!"

Besides, there was a girl beside Han Xiao. While there were some pretty drastic changes about her aura and the way she dressed, she easily recognized her.

"Annie..."

"Happy marriage." The girl seemed strange, yet a sense of familiarity appeared in her eyes.

"Thank you." Ning Xi could not find the right words to say at the moment. While the person before her was Annie, at the same time, she was not Annie.

"I'm sorry..." The girl looked down ashamedly. "I remembered everything a while back. Although I did lose my memories, I did something very hurtful."

Tang Lang tried to soften the mood. "It's a happy day today. Don't mention those unhappy stories!"

Ning Xi also comforted, "Let the past stay in the past! As long as you're happy with the Master now!"

Ning Xi was relieved when she knew that Annie now remembered everything.

"Hey Youge, when are we getting married?" Han Xiao asked.

The girl replied coldly, "Didn't you say marriage is such a troublesome thing that you'd never do it in your life?"

Tang Lang and Ning Xi were speechless.

Master, how could you say that?! How could you?

A certain Master feigned innocence. "Really? Did I say it was troublesome? Aside from you, I'll never want anyone else!"

They were once again speechless.

As expected of the Master!

We were wrong!

...

With the sound of the waves crashing against the beach, the church bells started ringing and wedding music started playing.

The wedding had finally begun.

Everyone was focused on the attractive lovebirds of the day.

Lu Jingli's eyes teared up. "I'm so touched! My brother is finally married!"

Jiang Muye handed over a packet of tissues with a disgusted expression. "Worry about yourself more! After he's done, we'll be next!"

Lu Jingli was speechless. He swore to himself he would run away from home after this wedding!

Behind the church, no one noticed a man with white hair.

The man's usual casual wear was nowhere to be seen. He was wearing a full formal suit and his hair was also combed up. He held a bouquet of flowers in his hand.

At this moment, he was looking at the girl walking towards the priest with another man...

He had flowers and dressed up formally...

Just to miss it...

The man seemed impatient. He thrust the flowers into the hands of a man beside him. "So troublesome! Who made the rule that people must give wedding presents? Give them the stuff we just grabbed!"

"Yes," replied Tang Ye.

Those were not something they "just" grabbed at all. It was all the best loot they had this year.

Like a dragon protecting its treasure, he was now willing to give all of them away.

A man who never knew the meaning of love finally realized it because of one girl.

The wedding went on as the pair of lovebirds stood before the priest.

"Mr. Lu Tingxiao, are you willing to take Ms. Ning Xi as your wife? Do you pledge to love her, swear loyalty to her, and even in poverty, illness, and challenges, you'd stay by her side until the end of your life?"

"I do."

“Ms. Ning Xi, are you willing to take Mr. Lu Tingxiao as your husband? Do you pledge to love him, swear loyalty to him, and even in poverty, illness, and challenges, you’d stay by his side until the end of your life?”

Ning Xi gazed at the man before her quietly. This was the man who insisted on marrying her the first time he saw her, the man who was always by her side no matter what happened, and the man who still married her even when he was alone...

Luckily...

Luckily, this time, she did not leave him alone.

There was a hint of glistening tears in the corner of the girl’s eyes. Her tone was heartfelt like never before as if she was handing her life over to him.

“I do.”

-THE END-

Chapter 2157: Wedding Night 1

After the wedding, the guests started to leave.

However, it was not all over yet. Feng Xiaoxiao had a little bit too much to drink and she brought a big bunch of friends to have some fun in the bridal room.

As the groom Lu Tingxiao arrived at the door, a group of girls led by Feng Xiaoxiao gathered there and blocked the path.

Feng Xiaoxiao crossed her arms and laughed. “I’m sorry, CEO Lu. On behalf of the Little Junior Sister’s family, if you want to enter this room, you have to pass our trial!”

Lu Xinyan went along. “That’s right! It’s not going to be so easy to take our Bro Xi away!”

“Agreed,” Annie said.

“Damn! Annie, why are you messing around with Feng Xiaoxiao!?” Tang Lang was speechless.

Lu Jingli was speechless as well. “Xinyan, shouldn’t you be on our side?”

Lu Xinyan stuck her tongue out. “I’m always on Ning Xi’s side!”

On Feng Xiaoxiao’s side, there were eight girls including Zhuang Keer, Ning Tianxin, Annie, and Lu Xinyan. All of them were hardcore fans of Ning Xi, and some even thought of Lu Tingxiao as their rival. On Lu Jingli’s side, there were Lu Jingli, Jiang Muye, Tang Lang, Mo Lingtian, and Qin Mufeng.

“What’s the trial?” Lu Tingxiao smiled, probably because it was a happy day, so he did not seem to mind them messing around and just let them be.

Feng Xiaoxiao then said, “There will be three levels in total! You need to pass all three levels to get the girl!”

“What’s the first level?” Lu Jingli asked cautiously.

Feng Xiaoxiao had an evil grin. “The first level is called ‘Take A Guess’. We’ll give you three questions. You’ll pass if you get all correct. The first question is what am I thinking about right now?”

Tang Lang then complained, “You’re really too much! Do you know how important it is of a day like this to a man? I can’t continue this anymore!”

Lu Jingli frowned. “How are we suppose to guess? You can just deny anything we say!”

Jiang Muye and Qin Mufeng nodded in agreement. “This question is bugged!”

“As long as she doesn’t say that our answer is correct, then we’ll never pass!”

All of them looked over at Lu Tingxiao.

Feng Xiaoxiao acted cheekily. “What now? Are you guys giving up on the first question already? If that’s the case, we’ll have fun with Little Junior Sister tonight!”

“You’re thinking about men!” Tang Lang tried.

Feng Xiaoxiao wagged her finger. “Wrong!”

“You’re thinking about marrying someone?” Lu Jingli tried as well.

“Wrong!”

“Damn! Give it a try, Qin Mufeng! Aren’t you a psychiatrist?”

“So what if I’m a psychiatrist? Even if I can read her mind, she can just deny whatever I say!”

“What should we do? The first question is already so tricky...”

Suddenly, the quiet Lu Tingxiao spoke up, “You’re now thinking that you don’t want to let us in.”

Feng Xiaoxiao was smiling. Just as she was about to call his mistake out, she was stunned when she realized what was Lu Tingxiao saying.

“CEO Lu! You’re trying to trap me!”

If she said that it was wrong, then it would mean that she wanted to let them go in! They could just skip the rest of the levels and she would then have to let them in.

If she said that it was right, then they would pass this question...

Lu Jingli laughed. “As expected of my brother!”

Feng Xiaoxiao clenched her teeth. “Fine, you’re right!”

Chapter 2158: Wedding Night 2

“Who else?! Who’s giving the second question?” Tang Lang suddenly got excited.

Feng Xiaoxiao looked among the girls and picked Zhuang Keer. "Keer, come!"

"Huh... Me?" Zhuang Keer walked out hesitantly. "Let me think for a bit!"

After a while, Zhuang Keer said, "Hmm, my question is what's the dress that Xiao Xi wore during the Golden Film Awards?"

Lu Tingxiao did not even need to think about it. "Nirvana Reincarnated series in maroon."

Zhuang Keer nodded. "That's right."

Feng Xiaoxiao was stunned. "That's it? Keer, you're too soft! That's too easy!"

Tang Lang seemed annoyed. "Don't you think you're the weird one? Do you think all girls are like you?"

Zhuang Keer then said, "This question isn't easy at all. Even a hardcore fan of Xiao Xi's might not be able to remember each and every dress Xiao Xi wore at different events."

Feng Xiaoxiao gave up, so they passed.

There was only one more question left in the first level.

Feng Xiaoxiao looked over at Ning Tianxin. "Third question. Take a guess at what Tianxin's favorite painting is! You have to guess it right on the first try!"

Tang Lang protested, "What's the difference between this and the first question!?"

Feng Xiaoxiao rolled her eyes at him. "Don't worry. I won't be a bully anymore! I'll get Tianxin to prepare an answer and I'll definitely let you guys pass if you get it correct!"

Lu Jingli mumbled, "That's very difficult too!"

Feng Xiaoxiao raised her eyebrows. "Please! Think about who's inside the room! The top beauty of China, the National Goddess! It's worth that little bit of difficulty, okay?"

Lu Tingxiao nodded. "Indeed."

Lu Jingli was speechless. Which side was his brother actually on?!

He was really worried about his brother losing his own principles!

Lu Jingli asked Qin Mufeng, "Hey Dr. Qin, you're the closest to the pretty lady here. Do you know the answer?"

Qin Mufeng seemed troubled. "I know she likes Monet, but there are so many paintings of his. I don't know which one she'd like!"

Lu Jingli fell into despair. "Oh no, I don't think my brother has a solution for this too!"

"Time's up! Are you guys done discussing?" Feng Xiaoxiao had a little paper with Ning Tianxin's answer in her hand.

"Quick! Anyone?" Lu Jingli asked around.

Qin Mufeng seemed worried. This was related to a certain devil's happiness. If he messed it up, would he end up dead?

"Sunrise? Picnic by the Graze? Or Sleeping Lotus? Sleeping Lotus seems to have a big chance... but I'm not sure..." Qin Mufeng slowly closed in on Ning Tianxin. "Tianxin, can you give us some hint?"

Ning Tianxin seemed troubled. "Well..."

Feng Xiaoxiao created a gap between them. "What are you doing?! No seduction! Be more serious about it! I'll give you guys a ten-second countdown. You'll lose if there's no answer! Ten, nine, eight, seven, six, five, four, three..."

"Wait! Let us think!"

"Can't we get any hints for this?"

Suddenly, there was a hoarse voice among the crowd —

"Zero's 'Prison Cage'."

It was Mo Lingtian.

Chapter 2159: Wedding Night 3

A dead silence rang in the room as Mo Lingtian gave his answer and everyone looked over at him.

His tone was extremely certain.

Lu Jingli was worried. "Bro Tian! Are you sure?! Don't just give a random answer! Who's Zero? What's Prison Cage? I've never even heard of it before!"

Qin Mufeng looked at Mo Lingtian with a complicated expression. "I've never heard Tianxin mention it either."

"Lucky bastard! You're right!" Feng Xiaoxiao clenched her teeth again as she looked at the answer on the scrap of paper.

"What?! That's correct? How did you do that? Do you really know how to read minds?" Tang Lang was impressed.

Mo Lingtian's eyes looked at the girl at the opposite and he did not say anything.

Lu Jingli and Jiang Muye, who knew about their relationship, studied him oddly. Qin Mufeng frowned slightly.

Lu Tingxiao glanced over at Mo Lingtian too, but he was not surprised. He turned to Feng Xiaoxiao and asked, "What's the second level?"

Feng Xiaoxiao suddenly got excited. She touched her chin and scanned all the men with a lascivious smile.

“Hehehe, the second level... Pick anyone from your group and wear a female outfit. You’ll pass if all of us agree that the person is pretty!”

Suddenly, everyone set their eyes onto... Jiang Muye.

Jiang Muye had been dragged over by Lu Jingli. He just wanted to stay in a corner but who knew that he would be involved in such a way!?

“Hey! Why are you guys looking at me? Don’t even think about it!” Jiang Muye felt so uncomfortable when everyone was staring at him.

“You’re one of us! Time for you to contribute!” Lu Jingli said.

Tang Lang went along as well. “It’s just acting like a girl! How easy! It’s not your first time anyway!”

Jiang Muye’s expression darkened. “If it’s so easy, then you guys do it!”

“The problem is that we need to impress the girls. That’s very difficult. Only you can do it!”

“Flattery doesn’t work on me!”

Lu Tingxiao then said, “I’ll owe you one.”

Jiang Muye’s eyes brightened. “Really? Anything?”

“Yes.”

It took three seconds for Jiang Muye to change his stance. “Deal!”

Having Lu Tingxiao owe him one would mean he could avoid his mother forcing him to get married!

After some time, Jiang Muye finally came back.

“Ah! So beautiful!”

“Oh my God, how pretty!”

“I don’t have any more regrets now!”

While it was a big sacrifice, he did get very excellent feedback. All the girls were satisfied.

Even the picky Feng Xiaoxiao had nothing to complain about. “That’s unfair! You look even better than me!”

“Is that enough? Did we pass?” Jiang Muye was annoyed.

Feng Xiaoxiao waved her hand. “Pass!”

Only the last level was left.

The men looked at each other and thought that the last level was going to be extremely difficult.

Chapter 2160: Wedding Night 4

"The first and second levels were both scholarly based. For the third one, we'll be testing your physical abilities!" Feng Xiaoxiao coughed lightly. "The content for the third level is..."

Annie then declared, "Defeat me."

Lu Jingli and Tang Lang were speechless after they heard Annie.

This was not just difficult!

It was impossible!

"Uhh, is this girl really that good?" Qin Mufeng asked.

"Not just good! She's a walking killing machine!" Tang Lang gulped as he unconsciously felt pain in his chest area.

"Even all of you together can't defeat her?" Qin Mufeng asked again.

Tang Lang nodded. "We can't beat her even if everyone here attacked together!"

Suddenly, Lu Jingli's eyes lit up as he thought of something. "Right! We can look for help! Where's Master Han Xiao?"

Tang Lang scratched his head. "Maybe he's gone to buy food."

"Ah, looking for me?" A long-haired man came in through the door with bags of food in his hand.

Tang Lang quickly went over. "Yes! Great timing! These women are blocking the path! We have to pass three levels! We've passed two and the last level is to defeat Annie! So, we can only rely on you now, Grandfather!"

Han Xiao walked over to Annie and looked at Tang Lang like he was an idiot. "Why would I harm my girl?"

"Uhh, according to the rules, you should be on our side!" Tang Lang was getting anxious.

"Oh..." Han Xiao then continued, "Just assume that I've surrendered myself to the enemy!"

Everyone was speechless.

He surrendered so easily...

Their only hope was gone!

"Hahaha! Good job, Annie! The Master is with us now! You guys, prepare to die!" Feng Xiaoxiao put her hands on her hips as if she had just achieved total victory.

"Give me a minute." Lu Tingxiao took out his phone and made a call.

Everyone was curious and looked at Lu Tingxiao's direction.

"Is my uncle calling someone else for help?" Jiang Muye had just finished changing out of his female outfit.

Lu Jingli scratched his head doubtfully. "Probably?"

Tang Lang touched his chin. "How do I not know this? Does Boss have someone better than Annie?"

Everyone was getting even more curious now and all of them were focused on the door.

After several minutes, there was the sound of footsteps near the door.

Tang Lang straightened up. "These footsteps sound solid. It's definitely a practitioner! Hmm... but why does it feel like this person's center of gravity is a bit... low..."

"What does that mean?" asked Lu Jingli.

"It means it's probably someone short!" replied Tang Lang.

As the two of them were discussing, Feng Xiaoxiao was on cautious mode. Could Lu Tingxiao really have someone strong she did not know about?

Finally, the person opened the door and came in.

The cute little bun appeared before everyone.

Lu Jingli's eyes popped out when he saw it was Little Treasure.

"Oh my God! Little Treasure!"

Tang Lang was stunned. "Disciple! Why is it you?!"

No wonder his center of gravity was low!
