

Hidden Billionaire Chapter 221 - Tooth for Tooth -

C221 Tooth for Tooth

After the police took the troublemaker away, Wu Tian secretly fell into deep thoughts.

Geng Yunguang, that old fox, was getting more and more presumptuous. Every time, he would use all kinds of methods to go against him.

If things go on like this. That's not good. He couldn't be so passive all the time. He had to take the initiative.

He had to think of a way to teach Geng Yunguang a lesson and let this old fox know that he, Wu Tian, was not that easy to mess with.

Just as he was deep in thought, Jiang Wan leaned his head over and praised, "Tian, you're amazing. You managed to get the violent policewoman to submit in such a short amount of time."

"When did I tame Police Officer Su into submission?" Wu Tian woke up and couldn't help but ask.

"I remember the last time you met with the beautiful police flower, she was very fierce towards you. This time you teased her in public, she didn't even do anything, she only casually cursed a few times."

"She knows she can't beat me, but I'm the one who took advantage of her."

"I think that policewoman is probably interested in you."

"You've seen a tigress who can be tempted?"

"The policewoman is ferocious, but her figure is really good." Jiang Wan smirked as he moved his head closer to Wu Tian to encourage him, "If you can tame this girl, then it will be great news."

"I'm not interested in this tigress."

"Who are you interested in, Huang Lan, Liu Yueyao, or Gu Xiaoman?"

"F * ck off." Wu Tian pushed Jiang Wan and warned, "That is my privacy, don't ask around."

"You don't want to take them all, do you?"

"Don't talk nonsense."

"However, with your strength, it wouldn't be too much to take them all."

"Stop bullshitting." Wu Tian stared at Jiang Wan and took the initiative to change the subject, "I have a headache right now, help me think of an idea."

"Is there anything else that can stop you?"

"Yes." Wu Tian rubbed his palms and explained patiently, "A few days ago, I offended the real estate magnate, Geng Yunguang, and this old fox is going against me on purpose. Today, these troublemakers are also sent by this old thing."

"Geng Yunguang?"

"Right."

"He is a powerful figure in the property world. If we offend him, then ..."

"Are you scared?"

"I ..." Jiang Wan scratched his head. Actually, he was a bit scared.

After all, this was a real estate, Geng Yunguang had authority in the Luzhou, and a lowly commoner like Jiang Wan didn't dare to offend him.

However, when he thought of Wu Tian's strength, he instantly felt full of confidence, "With you here, there's nothing to be afraid of."

"Then help me think of a way to deal with this old man."

"We can retaliate, since Geng Yunguang is attacking you from behind, you can also do something to him from behind."

"Yes!" Wu Tian was awakened and immediately thought of a good idea: "Coincidentally, this old fox has a plot of land nearby. We can go over and teach him a lesson so that his face will be ruined."

Thinking of this, he hurriedly instructed Jiang Wan, "Let's go to Geng Yunguang's cloud view land."

"I vow to follow Boss Wu to my death." Jiang Wan cupped his fists and bowed, showing an expression of unshakeable loyalty.

Ever since Wu Tian had handed over all the 100 million to him, he was very grateful.

Wu Tian's trust in him made him especially touched. He swore to himself that he would definitely work hard with Tian in the future.

"You." Wu Tian elbowed Jiang Wan in the chest and then brought him to the cloud view.

This plot of land was bought by Geng Yunguang last time at the hotel in the center of the lake. It couldn't compare to Fragrant Honey Lake Land, but the price of the land was also a lot lower.

The construction site was busy at the moment, and the workers were busy preparing for the opening ceremony.

Compared to the low-key Fragrant Honey Lake, this place was much more lively.

Wu Tian observed the construction site for a long time and finally found a middle-aged worker, "Bro, can I have a word with you?"

"If you have anything to say, please say it. I'm very busy." The middle-aged man rolled his eyes at Wu Tian and urged him.

"Here, take this." Wu Tian took out a packet of cigarettes and handed it over.

The cigarettes he used to smoke could not be considered expensive, it was only around a dozen yuan, and the taste was pretty good.

Seeing the cigarettes, the worker uncle immediately beamed with joy. "Young man, you are really magnanimous. I have plenty of time now, let's chat slowly."

While speaking, he had already received the cigarette and started smoking it ravenously, not forgetting to pack one for Wu Tian.

"What is your name, big brother?" Wu Tian lit up a cigarette and asked with a smile.

"My surname is Su, you can call me Old Su."

"I'll just call you Big Brother Su." Wu Tian turned around and looked around. After confirming that no one was listening in, he whispered, "This land belongs to Geng Yunguang, right?"

"Yes, it's Boss Geng's."

"Where is your Boss Geng now?"

"I don't know, but he'll be here in an hour for the opening ceremony."

"Is that so?" When Wu Tian heard that the old fox was going to participate in the opening ceremony, a sinister smile appeared on his face. "Brother Su, how about we make a deal?"

"What kind of deal?"

"I want you to dump feces on Geng Yunguang during the celebration."

"Oh god, are you crazy ..." Uncle Su was shocked by these words, and his old face turned dark.

"The card has a million." Wu Tian took out a bank card from his pocket and seduced, "As long as you help me with this, the one million is yours."

"A million?"

Uncle Su opened his mouth wide in surprise.

He didn't expect the kid in front of him to be so generous, directly offering a sky-high price of one million.

A million was nothing to a rich man, but to a laborer like him, it was a huge sum of money.

"I'm going to check how much money is left in the card." Wu Tian dialed his number and checked his bank account number, indicating that the balance inside was exactly one million.

After checking the card, Wu Tian put the bank card into the old man's hand, "Take the card first, the password is the card's ending number."

"But ..."

Holding such a heavy bank card, Su Da Qiang felt his arm tremble slightly.

However, when he thought about Geng Yunguang's power and cruel methods, he started to hesitate again, "I threw a lot of dung at Boss Su. What if he takes revenge on me?"

"As long as you complete this task, I will spend money to send you away."

"But ..."

"I'll give you one million yuan after the deal is completed."

Su Da Qiang gulped down a few mouthfuls of saliva. He was so excited that his body was trembling slightly.

Two million, with his current wages as a laborer, he didn't eat nor drink. Only after working for twenty years could he save two million.

This was quite a temptation for him.

With this fortune, he would be able to buy a house in the city and send his son to a good school.

"If you don't want to do it, then forget it. I'll let someone else do it. I believe that many people are willing to do it." After Wu Tian said this, he took back his bank card.

"Wait!"

Su Da Qiang snatched the bank card and clenched his teeth. In the end, he made his decision, "Fine, I'll do it. I'll make this deal with you."

After weighing the pros and cons, he finally agreed to this crazy transaction.

Hidden Billionaire Chapter 222 - Old Fox -

C222 Old Fox

Wu Tian discussed the details with this worker surnamed Su. Then Wu Tian took Jiang Wan and hid in the dark to watch a good show.

They waited for around half an hour before Geng Yunguang arrived at the construction site, escorted by a few small reporters from the real estate media.

The first phase of Cloud View's opening ceremony officially began.

After the host finished his introduction, Geng Yun slowly came up to the stage and announced the start of the project.

Just as he said the word "start," a large pile of excrement fell from the sky and splashed on Geng Yunguang's face, making him look extremely miserable.

The scene instantly turned into a frenzy. No one had expected something like this to happen in the shop, nor did they expect that any worker would dare to throw feces at Boss Geng during the ceremony.

The reporters took out their cameras to take pictures of the wonderful scene.

Geng Yunguang didn't expect that someone would dump feces on him. He wiped away the foul-smelling feces on his face and shouted, "Who, who poured feces on me?"

"It's one of our workers, Su Da Qiang." The person in charge at the scene quickly went up to report the situation.

"Capture this bastard and send him to the Police Station." Geng Yunguang roared like a madman.

He had never encountered such a situation before, and yet he was being defecated in public. This was a great humiliation to him.

"Quick, quickly capture Su Da Qiang and bring him back to Police Station." The person in charge quickly ordered the other workers.

A few workers rushed forward and held Su Da Qiang down, then quickly tied him up.

Wu Tian hid in the dark and observed everything. When he saw Geng Yunguang's battered and exhausted appearance, he couldn't help but laugh out loud.

He didn't think that the old fox would end up like this.

He was happy for a long time. Seeing that those people were going to send Su Da Qiang to the Police Station, Wu Tian walked over with Jiang Wan.

"Why is it so lively?"

Wu Tian squeezed through the crowd and asked with a hoarse voice. He then shifted his gaze onto Geng Yunguang who was standing on the stage, "Isn't this Boss Geng? How could it be such a coincidence?"

At this moment, Geng Yunguang was using a towel to wipe off the feces all over his body. When he saw Wu Tian, his eyes immediately lit up.

"It's you?"

Geng Yunguang was very smart and immediately understood what was going on. He pointed at Wu Tian and asked, "You're the one who bribed the workers to throw feces at me?"

"Boss Geng, what are you talking about? I don't understand a single word you're saying." Wu Tian purposely played the fool. He then slapped his nose and said disdainfully, "Why does it smell so bad here? Boss Geng is covered in feces. Hahaha ..."

After he finished speaking, he raised his head and laughed out loud in a gloating manner.

The workers laughed with him.

"Bastard, it's obviously you."

With that smile, Geng Yunguang became even more irritable and shouted hysterically: "You're the one who bribed the employees to frame me."

"So what?"

"You ..." Geng Yunguang was so angry that his veins were popping out and his old face was starting to deform.

"Everyone says that excrement can beauty and nourish one's face. That is true. Boss Geng has become much younger after pouring excrement all over his body." Wu Tian couldn't help but laugh at Ye Zichen's misfortune. After he laughed, he added, "You can look good like this, but it's a pity that it stinks a little."

"You, you, you bastard." Geng Yunguang couldn't hold back his anger any longer. He immediately instructed the worker: "Capture this kid and beat him up."

The workers stood motionless.

They were working hard to earn some money, so they didn't want to risk their lives. It wasn't good for them.

Seeing that there were no movements from the workers, Geng Yunguang was even more angry. He thought for a moment, then shouted at the workers again: "Help me teach this kid a lesson, I will reward each of them with 10,000 yuan of cash."

"Alright!"

When they heard that there was money to be made, the scene immediately became restless. More than a dozen workers rushed up and prepared to attack Wu Tian.

Ten thousand yuan was not a small amount for them. It was enough for them to earn more than a month's worth of salary. Everyone was jealous.

"Wait!"

Seeing so many workers arriving, Jiang Wan shouted, "The police will be here soon. If you hit our boss, you'll all have to go to jail."

When these words came out, everyone stood in place in fright.

Although they all wanted to earn money, they did not want to be caught in a prison. After all, they had families and children, so they were all afraid of death.

"Don't be afraid, I'll protect you." At this time, Geng Yunguang, who was on the stage, shouted to the laborers once again, "With my background, I can guarantee your safety."

When they heard this, more than ten workers started to get restless again.

Right at that moment, several policemen rushed over. The one leading them was Su Ruyun.

Actually, Wu Tian had already called Su Mei when he was hiding in the dark to watch the show. He explained the situation and told her to come over to protect him.

Upon seeing the police, the laborers hurriedly retreated out of fear and immediately became quiet.

"Beauty Su, you're finally here." Wu Tian stepped forward and held Su Ruyunbai's arm, unwilling to let go.

Hearing this, everyone immediately understood the situation.

They didn't expect this brat to know this beautiful police officer. He had a backer, no wonder he was opposing Boss Geng.

The laborers on the scene were secretly glad that they did not attack Wu Tian just now, otherwise, they would have been in big trouble.

"Let go!"

Su Ruyun was most afraid of meeting Wu Tian. Every time, she would be teased in public by this shameless guy.

This time was no exception, her arm was tightly grabbed by Wu Tian and refused to let go. It couldn't help but make her blush and her heart beat faster.

"Police Officer Su, I noticed something wrong with your hand." Wu Tian looked at the hand for a long time, then said seriously.

"What's wrong?"

"I noticed that your hands were slippery. I couldn't bear to let go of them." Wu Tian joked with a mischievous smile.

The crowd was dumbstruck. They didn't think that this brat would be so bold as to dare to tease a beautiful police officer in front of everyone.

No matter how dumb everyone was, they could tell that this brat in front of them definitely had quite a close relationship with the female police officer.

Even Jiang Wan, who was standing behind him, was secretly surprised. He couldn't help but to admire Wu Tian, his ability to pick up girls was truly amazing.

"Scram!"

Su Ruyun retracted her arm forcefully and spat out angrily, "You scoundrel, taking advantage of me. I'll deal with you later."

"You're going to settle with me tonight?"

"You ..."

Su Ruyun was so angry that smoke was coming out of her nose. She couldn't help but feel helpless when she met such a thick-skinned fellow.

Now was not the time to get angry. She suppressed her anger and purposely asked, "I just received a report from the masses saying that someone is causing trouble here."

"Officer, you came at the right time." Geng Yunguang walked down from the stage and walked in front of Su Ruyun. He pointed at Wu Tie and cursed, "This brat messed up my opening ceremony and even found someone to dump feces on me. You should arrest him and bring him to justice."

"The smell on your body is really ..." Su Ruyun frowned, her eyes filled with disdain and contempt.

Although she didn't say anything, she secretly took pleasure in Wu Tian's misfortune. She couldn't help but admire Wu Tian for tormenting such a powerful real estate agent to such an extent.

Although she hated Wu Tian, she hated Geng Yunguang, the power leader even more. Seeing the old fox in such a state, she couldn't help but feel pleased in her heart.

Hidden Billionaire Chapter 223 - One of the Men Spilt His Dung on Him -

C223 One of the Men Spilt His Dung on Him

"Don't just stand there. Capture this brat." Geng Yunguang urged impatiently, while his old face turned even darker.

"You can't decide whether to catch him or not." Su Ruyun replied coldly. Holding the police officer's hand, she asked, "Mr Geng, who was the one who splashed your feces?"

Right now, she was clearly favoring Wu Tian. To put it nicely, the police had joined hands to teach Geng Yunguang a lesson.

"It's the worker." Geng Yunguang pointed at the tied up Su Da Qiang and said angrily.

In fact, he was very dissatisfied with this policewoman in front of him.

No matter how dumb he was, he could tell that this policewoman clearly favored Wu Tian, so the two of them must have a close relationship.

Su Ruyun nodded her head and walked in front of Su Da Qiang. She asked coldly, "Were you the one who poured feces on Mr. Geng?"

"Yes, it's me." Su Da Qiang nodded in acknowledgement. Right now, he looked like a man of steel.

"Who ordered you to dump dung?" Su Ruyun continued to ask.

"He is ..." Su Da Qiang looked at Wu Tian and gritted his teeth as he replied, "No one ordered me to do it. I did it myself."

This was something that the two had agreed on beforehand. No matter what the police asked, he would not admit it.

This was because Wu Tian had admitted to him before that he would never let him get into a prison.

He didn't quite believe it before, but now that he saw the relationship between Wu Tian and the beautiful police, he felt a lot more at ease. He gathered up his courage and stood on the same side as Wu Tian.

"Bastard, it's obviously Wu Tian who ordered you, yet you still dare to cover for him." When Geng Yunguang heard this, he was instantly enraged and pointed at Su Da Qiang's eye sockets and scolded him.

"Mr. Geng, please calm down." Su Ruyun glared at Geng Yunguang and asked Su Da Qiang again, "Are you sure that no one is ordering you?"

"I'm sure." Su Da Qiang nodded his head strongly, his tone was firm.

Hearing this, Wu Tian felt a lot more relieved. He looked at Geng Yunguang with a smile and said, "Mr. Geng, I've told you a long time ago that the matter of defecating has nothing to do with me. Do you believe me now?"

"Kid, you clearly bribed my worker. He didn't tell the truth at all." Seeing how arrogant Wu Tian was, Geng Yunguang was even more angry.

"Words are empty. I hope Mr. Geng can prove it." Wu Tian reached out his hand and asked.

"You ..."

Geng Yunguang was so angry that he was at a loss for words. He turned around and his gaze fell on Su Ruyun. "I suggest that you arrest Wu Tian and interrogate him."

"You don't need to worry about the investigation. I know what I'm doing." Su Ruyun glared at Geng Yunguang and asked Su Tai Qiang again, "Tell me, why did you throw feces at Mr. Geng?"

"Geng is a man of poor character. He treats us workers like dogs. I can't stand him any longer and decided to vent my anger on him." Su Da Qiang said somewhat guiltily.

These were all lines that Wu Tian had discussed with him before, and they were all meant to slander Geng Yunguang's reputation.

When those words came out, Geng Yunguang was so angry that his face turned red. If it was not for the presence of the police, he would definitely pounce on Su Da Qiang and teach him a lesson.

"Alright, everything has been investigated." After a simple inquiry, Su Ruyun immediately came to a conclusion. "This is just a time for the public to vent their personal anger. It has nothing to do with anyone else."

"I don't agree." Geng Yunguang was quite dissatisfied with this result.

He had been splashed with feces in public by Wu Tian's men, and now he stank. The key point was that his reputation was ruined as well.

He could not stand by and watch the perpetrators get away with it.

"Mr. Geng, it's your business whether you agree or not. I'm just following the rules." After Su Ruyun said this, she ordered the police, "Bring Su Da Qiang back to Police Station first."

"Wait!"

Geng Yunguang stood in front of the police and ordered in an imposing manner, "Arrest Wu Tian quickly, or else this will not end."

"Mr. Geng, please don't hinder our normal enforcement of the law." Su Ruyun warned with an expressionless face.

She hoped that the old man would obstruct the law enforcement and then make a move on her, which would give her enough reason to arrest the old man.

To be honest, she didn't like Geng Yunguang a long time ago.

By virtue of his wealth and power, he was above the law and had committed many crimes against the law, but she had to let him get away with it.

"You're just a little cop. You're going against me. Have you thought about the consequences?" Geng Yunguang lowered his head and threatened in a cold voice.

"I'm a policeman, it's my duty to enforce the law for the people. I never consider the consequences." Su Ruyun raised her head and replied without backing down.

"If I'm not wrong, the reason you're cooperating with Wu Tian is because you want to mess with me, right?"

"As I said, I'm just following the rules." After Su Ruyun said this, she led her men and prepared to leave.

"Halt!"

Geng Yunguang's gaze turned cold as he whispered, "It won't be that easy for you to leave."

"Then what do you want?" Su Ruyun was so angry that her body was trembling. She did not expect that the old man would dare to threaten the police in broad daylight. How outrageous!

"I want to let you know that I, Geng Yunguang, am not that easy to mess with. You will lose your job." After Geng Yunguang said this, he took out his phone and started to make calls.

After he finished his call, he turned around and looked at Wu Tian with that vicious gaze, "Brat, you think you can be so impudent just because you have a policeman backing you up?"

"Does Mr. Geng still have tricks up his sleeves?" Wu Tian had already realized that the old man wanted to call for reinforcements.

With Geng Yunguang's current strength, he must be related to the public security system.

"Foolish brat, I'll tell you the truth. Wait for my men to come over, the small fry in the police station won't be able to cover you."

"Is that so?"

"Let's wait and see."

"By the way, Mr. Geng, I have a question."

"What problem?" Geng Yunguang held his head up high and acted like a bull. He thought Wu Tian was scared, which was why he became so arrogant.

"Excuse me, Mr. Geng, is the excrement good?"

When it came to feces, Geng Yunguang was so angry that his veins were popping out and he couldn't say a word for a long time.

"Mr. Geng still stinks." Wu Tian rubbed his nose and said disdainfully, "I'm afraid you will be smelly for ten thousand years."

"Kid, just you wait. Wait and see how I'll kill you later." Geng Yunguang spat out these words and clenched his teeth, too lazy to bother with the brat.

They waited for more than half an hour before more than ten police officers rushed into the site and surrounded the entire construction site.

The leader was a middle-aged male police officer in his thirties or forties. His entire body radiated an astonishing domineering aura.

When Su Ruyun saw the police officer, her face turned pale. She quickly went up to greet him, "Hello, Chief Luo."

This middle-aged policeman in front of him was no other than the Deputy Chief of the Public Security Bureau of Luzhou. He was two ranks older than their chief of police.

"Which jurisdiction are you from?" Luo Jun threw both his hands behind him and asked with a deep voice.

"In reply to the director." Su Ruyun straightened herself up and said, "I'm the police chief of the East City Police Station, Su Ruyun."

Although she looked calm, she was actually feeling anxious.

She didn't think that this old guy, Geng Yunguang, would actually bring the Deputy Chief of the Municipal Public Security Bureau over. This was a real nightmare.

Hidden Billionaire Chapter 224 - Extremely Dangerous -

C224 Extremely Dangerous

Luo Jun's expression darkened as he asked in a deep voice, "Then tell me, where is this place?"

"Cloud Scene." Su Ruyun seemed neither humble nor arrogant, but she was secretly anxious.

"Which area is Cloud View in?"

"West district."

"You even know that this is the western part of the city." Luo Jun glared at him and asked, "As the captain of the law enforcement team of the east city police station, why did you come here to the west district to show off your might?"

"I received a report from the crowd ..."

"Stop bullshitting me." Luo Jun didn't give him the slightest bit of face, reprimanding him: "You disobey the rules all day long, you really don't have any discipline."

After swearing at Su Ruyun, Luo Jun went up to him with a smile and said, "Mr. Geng, I heard that there was a security incident here, so I brought some people to take a look."

"You came at the right time." When Geng Yunguang saw the bureau chief rushing over, he immediately felt a lot more confident.

He had just called Chief Luo over to support him and also wanted to take this opportunity to teach Wu Tian a lesson.

"Tell me, Mr. Geng, what is it?" Luo Jun had an amiable smile on his face the entire time.

"Alright." Geng Yunguang retracted his smile and explained very seriously: "I was in the middle of a starting ceremony at the construction site just now, but I got splashed with sh * t in the end."

"How preposterous! Who did this?"

"It's my employee, Su Da Qiang, but the one directing him is this kid, Wu Tian." Saying this, Geng Yunguang pointed his spearhead at Su Ruyun, "That policeman is in cahoots with Wu Tian, he purposely cheated and protected him."

"All of you, come here. Bring Su Da Qiang and Wu Tian back to the Police Station. Send Su Ruyun over to the suspension to investigate." Luo Feng immediately ordered the three of them to be arrested.

Geng Yunguang, who was at the side, did not say anything. The corner of his mouth raised and a gloating smile appeared on his face.

At the same time, he also used a provocative gaze towards Wu Tian and Su Ruyun, as if saying: "Just you two little characters, you don't have the qualifications to fight against me."

Su Ruyun didn't say anything. It was very dangerous to fall into Geng Yunguang's hands this time. With Luo Qiu's backing, she was afraid that she would be in deep trouble this time.

"Wait!"

At this critical moment, Wu Tian quickly stepped forward to stop them, "Why did you capture Police Officer Su and I?"

"You're causing trouble and disrupting the public order. Su Ruyun is a law enforcer, but she's covering up for you. The law enforcers are guilty of breaking the law, so of course we have to capture her." Luo Jun said in a deep voice while carrying the bureau chief.

"This is just one side of Geng Yunguang's story, it has no basis at all."

"Cut the crap, come back to the Police Station with me first." After Luo Jun said this, he ordered his subordinates again, "Bring these people back."

"Don't move!"

Wu Tian spoke up again to stop him: "Chief Luo, you better think about this matter properly. If you really capture us back to Police Station, I'm afraid that you won't be able to resolve this then."

"You little brat actually dared to threaten me." Luo Jun was immediately enraged. Ever since he entered the city's police station, he had never been threatened before.

"It's not a threat. It's just advice to you."

"Brat, you really are speaking crazy words. A brat like you actually dares to give me advice ..."

Before Luo Jun could finish his words, the phone in his pocket rang.

After leaving behind a cold glare, he took out his phone and picked up the call.

He said a few words into his phone, and his expression changed drastically. His expression became more serious than before.

Luo Jun put away his phone and slowly raised his head to look at Wu Tian, "Who the hell are you?"

When he asked this question, his tone had clearly become much more respectful, and the tone of his voice contained a faint sense of fear and unease.

Just now, he received a call from the province and mentioned Wu Tian by name, telling him to enforce the law impartially.

No matter how foolish he was, he understood that this Wu Tian, who had a strong backer, had connections in the head of the province.

"Who I am is not important. The important thing is that Chief Luo must enforce the law impartially, otherwise there will be trouble." Wu Tian warned him meaningfully.

"Yes."

Luo Jun nodded repeatedly, at the same time smiling: "It was a misunderstanding before, I hope you don't take it to heart."

His voice sounded calm, but in reality, he was trying to curry favor with him. He even seemed to be apologizing and begging for forgiveness.

Everyone present was shocked. They never would have thought that Luo Jun, who was so domineering before, would suddenly become so lowly in front of Wu Tian.

Su Ruyun and Jiang Wan were also surprised. They didn't expect Commissioner Luo to change his attitude and be so polite to Wu Tian.

Just a moment ago, he was still yelling about capturing them to the Police Station, but as soon as he finished receiving the call, he started to curry favor with him. Isn't this change too fast?

The one who was most shocked was none other than Geng Yunguang. He didn't think that Chief Luo would have such a drastic change in attitude.

Chief Luo was the reinforcements that he called to help him. Originally, he wanted to borrow Chief Luo's help to deal with Wu Tian and Su Ruyun.

Looking at the situation at hand, Director Luo was clearly leaning towards Wu Tian.

"Bureau Chief Luo, look ..." Geng Yunguang wanted to ask about the situation.

Before he could finish his words, Luo Jun interrupted him in a low voice, "Mr. Geng, it's not that I don't want to help you, it's just that you've offended someone powerful."

"Powerful person?"

"Right."

"Who is the most powerful person?"

"Wu Tian."

"Him?" Geng Yunguang frowned and asked in confusion, "Is that kid a powerful person?"

"He has people in the province."

"This ..." Geng Yunguang was extremely surprised.

Who would have thought that Wu Tian, who looked like an ordinary kid, had such a strong backer that was related even in the province.

It seemed that he had underestimated Wu Tian's strength. This brat wasn't a soft persimmon, it wouldn't be that easy to pinch him.

"Mr. Geng, listen to my advice. Try not to provoke Wu Tian. Make peace!" After Luo Jun had finished speaking, he said to the rest, "Today's matter was a misunderstanding. Mister Geng is magnanimous and won't pursue this matter any further. Let them all go!"

The policemen quickly let go of Su Da Qiang. This farce ended in grass.

Then, Luo Jun walked up to Wu Tian and asked, "Mr Wu, are you satisfied with this result?"

"Officer Luo, I hope you can help me clarify that I have nothing to do with this."

"Of course." Luo Jun nodded and immediately clarified to everyone: "This has nothing to do with Mr Wu. Mr Wu is just a passerby."

"There's more." Wu Tian didn't stop there. He pointed to Su Ruyun behind him and said, "Police Officer Su is a good police officer. She's never been involved in malpractice."

"Right, right."

Luo Jun quickly nodded and said to the rest, "Police Officer Su is dedicated to serving the people. She is a first-rate police officer. I will get the department to reward her."

Su Ruyun almost burst out laughing when she heard this.

She didn't expect Wu Tian to be so amazing. He turned black into white and completely turned the tables in a short amount of time.

She had been worried that she would be fired, but when the wind blew, she was praised by the director in public.

"Alright, this is none of your business. Director Luo, you can leave now." Wu Tian extended his hand and made a "please" gesture.

"This is my business card. Call me anytime if you have any questions, Mr Wu." Luo Jun left behind his personal name card and hurriedly left with his subordinates.
