

Hidden Billionaire Chapter 225 - Turn the Situation Around -

C225 Turn the Situation Around

After Luo Jun left, the scene started to boil with excitement. All of the workers were pointing at Wu Tian and discussing him.

To be able to change the situation in such a short period of time, it showed how powerful Wu Tian was.

Everyone could not help but secretly guess at this kid's identity.

"Mr. Geng, are you satisfied with this result?" Wu Tian walked in front of Geng Yunguang. His tone was obviously filled with schadenfreude.

"You ..."

Geng Yunguang was so angry that his face turned green.

He had been publicly tricked by this brat, and had been drenched in feces. In the end, he could only watch this brat leisurely enjoy himself, without any way to deal with this brat.

"I know you're not satisfied, but reality is cruel." Wu Tian grinned and said disdainfully, "Mr. Geng is so smelly."

"Kid, don't get cocky too early." Geng Yunguang flung his sleeves and fiercely said: "Don't think that just because you have some power in the province, I will be afraid of you. Sooner or later, I will kill you."

"I'd like to give Mr. Geng some advice on this. If we stop here, we won't lose anything."

At this point, Wu Tian changed his tone and said coldly, "If Mr. Geng continues like this, Mr. Geng will be the one to suffer in the end."

"Brat, if I don't break you, then my surname is not Geng. Let's wait and see." After Geng Yunguang said this, he left with his men in a huff.

"Mr. Geng, have a safe trip." Wu Tian waved towards Geng Yunguang's back, the corner of his mouth hooked up into a playful smile.

It seemed like this matter wasn't over yet. With Geng Yunguang's personality, he would still think of ways to harm him.

This old fox was really hard to deal with.

After Geng Yunguang left, Wu Tian turned around and walked in front of Su Da Qiang. He took out a bank card from his pocket and handed it over to Su Da Qiang. "Uncle, here is your payment for your hard work."

"This ..."

Su Da Qiang looked at Su Ruyun who was standing beside him and did not dare to pick up the bank card.

He was standing in front of the police. If he was going to collect the money in front of the police, it would be hard to say.

"I gave it to you, so take it." Wu Tian pushed the bank card into Su Da Qiang's hands and then placed his hand on Su Ruyun's shoulder. "Don't worry, she's mine. She won't make things difficult for you."

"Scram!"

Su Ruyun flung her arm away and warned coldly, "Bastard, if you dare take advantage of me again, I'll chop you into pieces and feed you to the dogs."

"It's such a pity for a handsome man like me to feed a dog." Wu Tian replied shamelessly.

Right now, his relationship with Su Mei was getting better and better, and his words were getting more and more unrestrained. If he had anything to say, he would take liberties with her.

"Stop smiling at me." Su Ruyun rolled her eyes and couldn't help but ask, "How did you manage to get Director Luo?"

"This is a long story, how about we find a place to eat and chat?"

"Sure."

Su Ruyun thought for a moment, then ordered the policemen behind her: "You guys return to the Police Station, I still have some matters to take care of."

"Yes."

The policemen received the order and turned to leave.

Before they left, they glanced at Wu Tian meaningfully.

"Let's go!" After sending the policemen away, Su Ruyun urged Wu Tian, "Aren't we going to eat? What are you waiting for? Let's go."

"Don't worry, I'll introduce you to a friend." Having said this, Wu Tian pointed to Jiang Wan behind him and introduced, "My classmate and roommate, Jiang Wan."

"Hello!"

Su Ruyun spat out these two words in a neither cold nor hot manner.

Jiang Wan was not happy with being ignored like this.

However, he didn't say much. After all, she was Tian's friend and since she was a police officer, he couldn't afford to offend her.

"Come, let's go out to eat together." Wu Tian patted Jiang Wan's shoulder and said with a smile.

"I'm not going to be a light bulb." Jiang Wan scratched his head awkwardly and said with a smile: "The Fragrant Honey Lake has only started today, I'll go take a look."

After saying this, he left in a hurry.

Wu Tian shook his head with a bitter smile and pulled Su Ruyun's sleeve, "Come, let's take you to have dinner."

"Don't touch me." Su Ruyun flung her arms away impatiently.

"I want to touch it." Wu Tian reached out his hand to poke her body. When he saw the woman lose her temper, he was so scared that he turned around and ran.

"Bastard, you're courting death!" Su Ruyun was infuriated. She warned coldly, "If you dare to touch me again in the future, cut off your dirty hands."

The scene in front of his eyes did not have a good impact on him. A beauty police officer chasing brat on the street would arouse a lot of criticism.

Su Ruyun also realized that she was losing her dignity as a police officer, so she changed to a serious face and followed behind Wu Tian.

The two of them arrived at a small restaurant nearby and ordered a few dishes. Then, they started to chat.

"Tell me, how did you manage to subdue Director Luo?" Su Ruyun asked curiously. She was more interested in this question.

After all, Chief Luo was the second-in-command in the department, and was quite a powerful figure in Luzhou. In the end, he changed his attitude towards Wu Tian after receiving the call, which was quite surprising.

From her point of view, Wu Tian definitely had a powerful background, which was even more powerful than Chief Luo.

What she was most curious about was who was the power behind Wu Tian. Just how powerful was he?

Su Ruyun's face was filled with anticipation as she waited for the answer. After a long time, she only heard Wu Tian spitting out two words, "No comment."

"Bastard, you're messing with me." Su Ruyun was immediately angered when she heard these words. Her fair face was instantly shrouded in rage.

"When did I mess with you?"

"If you ask me to accompany you to dinner, tell me what happened to Chief Luo."

"Lady, you are too naive." Wu Tian smiled bitterly and shook his head: "I was just saying it casually, I didn't expect you to take it seriously."

"You ..."

Su Ruyun was so angry that her face turned green. She didn't expect that Wu Tian would take her for a fool again. He really was a bastard.

After gnashing her teeth for a long time, she finally cursed coldly, "Rascal!"

"It is your honor to have this scoundrel accompany you for a meal." At this point, Wu Tian got the waiter to open two bottles of wine. He smiled at Su Ruyun and asked, "Beauty Su, do you want to drink?"

"Nope!"

Su Ruyun spat out these words in anger.

"If you don't want to drink it, then I'll drink it myself." Wu Tian started to drink without waiting for the dishes to be served.

Drinking was drinking, he didn't forget to tease Su Ruyun. He pointed at the police uniform and said, "I didn't expect you to look so good in that uniform. It makes one's imagination run wild."

"Bastard, please don't profane the uniform." Su Ruyun warned coldly, her entire body filled with anger.

"I said you look good, but you're actually unhappy."

"It's none of your business whether I look good or not." Su Ruyun did not forget to warn him, "The uniform is sacred and cannot be desecrated. Please do not take advantage of me when I wear it in the future."

"You mean if you don't wear your uniform, I can take advantage of you?"

"Scram!" Su Ruyun kicked him angrily and scolded, "No matter what, do not take advantage of me."

Hidden Billionaire Chapter 226 - Tutorial Course -

C226 Tutorial Course

After waiting for almost ten minutes, the waiter finally brought the dishes to the table. The two of them ate while chatting.

Su Ruyun was so angry that her face turned pale and her chest heaved up and down, ready to explode at any moment.

"I won't eat anymore." Su Ruyun slammed the bowl and chopsticks onto the table in anger, hot air puffing out of her nostrils.

Seeing this woman's angry look, Wu Tian couldn't help but laugh secretly: "Beauty Su, why aren't you eating?"

"I'm so full of anger, what's the point of eating?" Su Ruyun angrily kicked the table, stood up and prepared to leave.

"Halt!"

Wu Tian quickly stopped the beauty Su and reminded her, "Police Officer Su, did you forget something?"

"What is it?"

"Of course you have to pay the bill after you eat. Don't tell me you want to eat an overlord's meal?"

"You want me to pay?"

"Of course."

"You ..." Su Ruyun was flabbergasted and couldn't say a word for a long time.

"Could it be that Police Officer Su doesn't want to pay?"

Su Ruyun slapped her two hundred yuan on the table and said angrily, "I will never have dinner with a rascal like you again."

With that, she stomped her feet and left in a huff.

"Police Officer Su, take care. I'll treat you to a barbecue next time." Wu Tian waved at Su Ruyun's back and said with a smile.

At this moment, Su Ruyun was so angry that she couldn't even be bothered to pay attention to Wu Tian. She only wanted to get away from this bastard as soon as possible.

After Su Meimei left, Wu Tian finished all the remaining food and left the restaurant while stretching his back.

Since he had nothing to do in the afternoon, he first went to visit Tianmu Technology. After finding out that everything was normal at the company, he felt a lot more at ease.

He left the company and went back to school. He had been at home for several days, pretending to have injured his right leg.

He had done a lot of homework during this period of time, so he planned to go to the school to study in case he failed.

He walked to the door of the classroom and happened to bump into Mu Ran, who was carrying a stack of documents.

"Classmate Wu."

Seeing Wu Tian, Mu Ran was delighted at first, but then she opened her mouth and asked with concern, "How's the injury on your leg?"

"It's almost done." He lied to his teacher, which gave him a deep sense of guilt.

He had no choice but to lie, because he would have to constantly lie to round up the lies he had told before.

"It's good that you're fine." Mu Ran secretly heaved a sigh of relief and suggested, "You've missed too much homework these past few days. Come, let's go to the teacher's dormitory. The teacher will help you with your studies."

"This ..."

Hearing that, Wu Tian opened his mouth in shock.

He didn't think that Teacher Mu would take him to the dorm and give him tutoring alone. This was indeed the best benefit he could get.

Although Teacher Mu had tutored her classmates on their own before, she had never brought her students to the dormitory. This was the first time.

"What are you standing there in a daze for? Let's go." Mu Ran took the lead in heading downstairs after she finished her sentence.

"Thank you, teacher." Wu Tian came back to his senses, thanked her and followed Teacher Mu downstairs.

In the Polytechnic University, every teacher had a dorm room in the school. Some of the teachers stayed in the dorms for a long time, while some of the teachers rested in the dorms for the time being.

Teacher Mu lived far away from home. She spent most of her time in the dormitory and rarely went home.

Leading by Teacher Mu, the two of them walked through Tsinghua Garden and arrived at the classroom apartment at the back.

These apartments were all beautifully shaped suites, most of them had two rooms and one living room, while the rest had three rooms and two living rooms.

Teacher Mu lived in the second unit, which had two rooms and a living room. There was also a toilet and a kitchen.

Mu Ran opened the door and gestured, "This is my dormitory. Come in and sit down."

"Alright!"

Wu Tian walked into the room and sat in front of the old sofa in the living room. At the same time, he looked around the room.

The furniture and appliances in the room were fairly clean and tidy without even a speck of dust or mess.

"You read the book first, I'll go cook first. We'll eat together later." Mu Ran put on her apron and went into the kitchen.

Wu Tian didn't have the mood to read books at the moment. He started to wander around Teacher Mu's room. As expected of a clean woman, she was able to clean up everywhere.

He walked around for a long time before finally stopping in front of the bedroom door.

He was very curious as to what Teacher Mu's bedroom looked like. Should he go in and take a look?

He thought for less than two seconds, then pushed open the bedroom door.

The fragrance of a virgin woman wafted into his nose. It was light and warm, without any impurities.

The decorations in the room were very simple, mainly beige. The bed sheets and blankets were all neatly folded.

Wu Tian walked to the back of the bedroom with a guilty conscience. When he saw the few sets of clothes hanging in the closet, his blood boiled.

These few sets of small clothes were all very conservative, but Wu Tian felt very excited when he saw them. After all, they were personal items.

As he looked at these clothes, he felt an inexplicable sense of guilt.

As a student, wasn't it too much for him to sneak into the teacher's room and look around while still staring at these clothes?

"What are you doing?" Just as Wu Tian was staring at the clothes in a daze, Mu Ran's voice came from behind him.

This gave Wu Tian a fright. He stammered as he explained: "Nothing, I was just randomly ..." "Let's take a look."

At this moment, he was like a child who had been caught stealing candy. The expression on his face was extremely awkward and he wanted to find a hole and hide in it.

"There's nothing to see in the bedroom." Mu Ran ran to close the wardrobe door, embarrassed and a little shy.

Naturally, she knew what Wu Tian's evil eyes were looking at. She just felt embarrassed about it, and was too embarrassed to expose the student's bright attitude.

"I'm sorry, Teacher Mu. I'm just too curious, I ..." Wu Tian didn't know how to explain.

This time, he had truly lost face. If Teacher Mu were to find out, she would definitely think that he was some kind of abnormal student, and Teacher Mu would surely look down on her.

"Alright, come out and take a seat." Mu Ran didn't blame Wu Tian as she whispered with a face full of embarrassment.

"Alright." Wu Tian also ran out of the bedroom. At this moment, he wished he could find a hole and hide in it.

When he walked out of the bedroom, he found that Teacher Mu had already prepared two dishes and placed them on the table.

Mu Ran coughed dryly and stroked her hair, saying, "Eat whatever you want. I'll give you tutoring lessons after your meal."

"Alright."

After Wu Tian answered, he picked up the bowl and chopsticks and started to eat.

The two of them lowered their heads in silence as they ate. The entire room was filled with an ambiguous atmosphere.

Mu Ran secretly regretted in her heart. If she knew that this was the case, she wouldn't have brought Wu Tian back to the dorm.

After they finished their meal and cleaned up the dishes, Mu Ran finally broke the awkward silence, "Classmate Wu, I will explain to you the knowledge points that you have learned during this period of time. You must listen carefully."

Soon after, she started to talk nonstop about her knowledge. Soon, she forgot about her previous predicament and returned to her usual spirited state.

Wu Tian listened very seriously and asked two questions from time to time. He acted very modestly and advanced a lot.

Hidden Billionaire Chapter 227 - Old Fox -

C227 Old Fox

Mu Ran spoke earnestly and Wu Tian learned seriously. It was only very late last week that he finished learning all the knowledge points.

"You learn really fast." Mu Ran couldn't help but praise him as she put away the materials needed to prepare for the lesson. Her smile looked somewhat gratified.

If all the students in the class were as smart as Wu Tian, then it would be a lot easier.

"Teacher Mu has taught me well. I will understand as soon as I hear it." Wu Tian scratched his head and smiled honestly.

"Alright, it's getting late. Hurry up and go back." Mu Ran suggested with a smile.

She was worried that if it got dark later on, it would be awkward for her to leave a boy at home.

"Alright, then I'll be leaving first. Thank you, Teacher Mu. Goodbye." Wu Tian said goodbye and got up to leave.

When he walked to the door, he heard Mu Ran asking, "Oh right, what's the relationship between you and the female singer from last time?"

"Ordinary friend."

"Are you really just ordinary friends?"

"Yeah."

"Then between you and Liu Yueyao ..."

"We are also ordinary friends." Wu Tian couldn't help but add, "Teacher Mu seems to be very concerned about my private life."

"I just don't want you to be distracted by your life and affect your studies." Embarrassed, Mu Ran quickly explained.

"Thank you for Teacher Mu's concern. I promise that I won't neglect my studies."

"That's good." Mu Ran nodded and tried to persuade him with the attitude of a teacher. "I only hope that you will treat your feelings as one, and that you will not have second thoughts and even more so not be able to step on two boats."

"I don't have the foot to step on two boats. I usually like to step on three boats and four boats at the same time ..."

"Scoundrel." Mu Ran rolled her eyes slightly and reprimanded him, "Students are not allowed to joke around with teacher."

"Alright, you can go back now. Be careful on your way back."

"Goodbye, Teacher Mu." Wu Tian waved his hand and turned around to leave the room. When he left, he did not forget to close the door behind him.

Mu Ran stood at the door in a daze for a moment.

She noticed that Classmate Wu had recently received special attention and her bias was quite obvious.

Perhaps it was because Classmate Wu was too outstanding that she didn't want such an outstanding classmate to be abandoned, so she was especially diligent.

She was stunned for a few seconds. Then, she turned around and returned to her bedroom, preparing to shower and change clothes.

When she opened the wardrobe, she suddenly remembered Wu Tian staring at the few sets of clothes inside the wardrobe in a daze. Her face instantly blushed and her heart started beating crazily.

"Stinking brat!" Mu Ran cursed under her breath as she carried her clothes into the bathroom. She couldn't help but let her imagination run wild.

Wu Tian left the teacher's apartment and returned to his living quarters to study.

Compared to the hard theoretical knowledge in the textbook, he preferred these reasonable books on economics and finance.

He learned to sleep late, and was woken up by Jiang Wan's call the next day.

When he picked up the call, he heard Jiang Wan's anxious voice, "Tian, not good, something happened at the Fragrant Honey Lake construction site."

"Don't be in such a hurry, speak slowly. What happened?" Wu Tian comforted him and asked.

"The construction company that was originally signed suddenly quit. The construction site is now stopped."

"Then let's go to another company to do it. I'm sure many big companies would be willing to do this kind of project."

On the other end of the phone, Jiang Wan let out a long sigh and then continued, "Tian, you might not know this, but we have been isolated and banned by Geng Yunguang in the real estate industry."

"A ban?" Wu Tian felt that this term was quite new.

The entertainment circle had often heard of the word ban, but this was the first time they had heard of this in the business circles.

"Yeah." After Jiang Wan answered, he patiently explained: "Geng Yunguang has already said that if anyone dares to cooperate with Fragrant Honey Lake projects, it's against him. Since then, no one in the circle would dare to cooperate with us."

"This old fox is truly treacherous." Wu Tian cursed and said into his phone, "Don't worry, I'll be right over. We'll think of something when the time comes."

After saying that, Wu Tian hung up and used the fastest speed to get out of bed to wash up. Afterwards, he had Uncle Fugui drive to Fragrant Honey Lake.

At this moment, there was only Wu Tian and two laborers on the site. Since the start of construction yesterday, it had been stopped.

"What do we do now?" As soon as he saw Wu Tian, Jiang Wan rushed forward to look for a solution.

"Don't worry, I'll make a call first." After Wu Tian said this, he quickly took out his phone and dialed Liu Jun's number.

As soon as the call connected, he heard Liu Jun's voice from the other side of the phone: "Tian, we really met a tough problem this time. I'm afraid even I can't do anything about it."

"Uncle Liu, I haven't said anything yet."

"I know it even if you didn't say it." On the other end, Liu Jun's voice sounded a bit depressed: "Geng Yunguang has already put down his vicious words. Currently, no one dares to cooperate with our Fragrant Honey Lake because no one dares to go against Geng Yunguang."

"Do they earn money or not?"

"In this circle, everyone will fear Geng Yunguang. People might be removed from this field by him, so for construction companies, survival is more important."

"Uncle Liu, you've worked in the real estate for more than ten years, can you find friends to help us build the infrastructure?"

"Before you made the call, I had already made more than ten phone calls. They were all very afraid of Geng Yunguang, so no one was willing to come forward."

"Alright!" Hearing that, Wu Tian did not insist. He smiled and said, "There's always a way when a car arrives at the front of the mountain. I'll think of something else."

"Tian, it's not good for you to go against Geng Yunguang. You ..."

"You want me to give in to this old fox? Impossible." Wu Tian hung up after saying that.

Even if the business failed, he could not back down. He could not sell his dignity for the sake of earning money.

Moreover, this was only a small test for him, and he believed that it would be solved soon.

Just as he finished his call, Jiang Wan put his head close to Tian and asked anxiously: "Tian, how is it? Is there a way? "

"Not yet."

Wu Tian kept his phone and rang, then his eyes suddenly lit up: "Geng Yunguang's influence range is Luzhou, we can find a construction company outside the city to contract him."

"It's feasible, but it will increase our investment budget." Jiang Wan frowned and raised his concerns.

"It doesn't matter if you increase your budget. The most important thing now is to get the project going." After Wu Tian said this, he ordered Jiang Wan, "Hurry up and contact the construction company outside the city."

"Alright, I ..."

Before Jiang Wan finished his sentence, he saw Geng Yunguang walking over with his men.

He shrunk his neck and hid behind Wu Tian in fear. He whispered, "That old man Geng brought someone here."

"This old fox."

Wu Tian cursed in his mind. He brought someone to greet him without any hesitation, "Mr. Geng, why do you smell so bad? You have been smelly for thousands of years!"

"You ..."

Geng Yunguang's old face twitched a few times in anger.

Thinking back to yesterday's opening ceremony, when he was splashed with feces by the people sent by this brat, he was so angry that his entire body trembled.

Hidden Billionaire Chapter 228 - Sow Discord -

C228 Sow Discord

After being stunned for a few seconds, Geng Yunguang's anger quickly turned into joy. He laughed and mocked: "Silly boy, your construction started yesterday, I didn't expect it to be stopped today. It's a huge joke in the real world."

"Mr. Geng, you are a tycoon of real estate. It is very disgraceful of you to use such methods." Wu Tian couldn't help but say in disdain.

"This is what happens when you go against me." Geng Yunguang moved his head closer and threatened coldly: "I will make you lose a lot of money."

"Do you think this small trick will be able to stop me?"

"I'd like to see how you'll turn the tables this time."

"Then take a good look." After Wu Tian said this, he took out his phone and prepared to call Loong Yun.

Presumably, there were a lot of construction companies under the family's banner. He planned to let Secretary Loong find the companies under the family's banner to build the Fragrant Honey Lake project.

Before he could make a call, he saw several luxury cars driving over.

More than ten men and women in suits stepped out of the car, led by a man in his forties.

The man in the suit shook his suit and walked in front of Geng Yunguang. He smiled and said, "Oh, it's Boss Geng. What a coincidence."

"This is the lubricant group's boss, Han Dahua." Geng Yunguang shook his suit and said coldly without holding back, "Save it. Even if you kneel down and beg me now, I won't give you the project."

With a single glance, one could tell that there was a deep contradiction between the two of them.

"Boss Geng, you're thinking too much. I didn't come to find you to ask for your cooperation." Han Dahua said arrogantly.

"Then why are you looking for me?"

"I'm not looking for you."

"Then who are you looking for?"

"I'm looking for Boss Wu." After Han Dahua finished speaking, he turned around to face Wu Tian, "You are the big boss of Fragrant Honey Lake Project, Mr. Wu Tian?"

"Yes, it's me." Wu Tian had a good impression of the man in front of him.

This was because from the conversation just now, he could tell that the man in front of him had a deep grudge with Geng Yunguang.

As the saying goes, the enemy of an enemy is a friend.

"I am Han Dahua, chairman of Lubricating Group." Han Dahua introduced himself and handed his business card over.

Wu Tian took the card and looked at it. In an instant, he stretched out his right hand with a face full of smiles: "Hello, Mr. Han. Nice to meet you."

What a coincidence!

He was just worrying about not being able to find the construction company when someone came knocking on his door.

According to his knowledge, this lubricant group was one of the top ten construction companies with outstanding Luzhou. They used to be very famous in Luzhou City.

However, because of its recent failure to transform its business, it has declined, but it is still very strong in the field of construction.

"Hello!"

Han Dahua stretched out his hand and shook it, getting straight to the point, "Our company hopes to accept the Fragrant Honey Lake project, I wonder what Boss Wu thinks?"

"Mr. Han, you really are providing us coal in the middle of a snowstorm. Coincidentally, we need a construction company to do it now."

"Since Boss Wu has no objections, then we have a deal." Han Dahua smiled and suggested, "Why don't we go to my company now to sign the contract."

"Alright."

The two of them immediately decided to sign the cooperation agreement with the lubricating group.

Before the two of them got on the car, they were blocked by Geng Yunguang, "Director Han, I advise you to reconsider, it's best if you don't work with Wu Tian."

"I've already thought about it. Not only do I want to cooperate with Mr Wu, I want to cooperate for a long time." Han Dahua did not show any weakness as he retorted.

Before coming here, he had already investigated this matter.

Although Wu Tian was young, he had already made small achievements in the shopping mall. The key point was that his character was good, unlike Geng Yunguang who was unfaithful and had no spirit of contract.

"If you work with Wu Tian, you're going against me." Geng Yunguang's face darkened and he threatened coldly, "You should know what happens if you go against me."

"Boss Geng, you really take yourself seriously." Han Dahua's mouth twitched and he ruthlessly hit him, "In my eyes, you're not even a fart."

"You ..."

Geng Yunguang rolled his eyes in anger.

"Boss Geng, the current me isn't the Han Dahua that you were able to slaughter in the past. You better take care of yourself." Having said this, Han Dahua walked towards the BMW.

When Wu Tian passed Geng Yunguang, he suddenly stopped. "Boss Geng, do you feel that your old face is very painful?"

"Kid, don't be happy too early." Geng Yunguang clenched his fists as anger burst out from his entire body.

"I'm not only happy, I'm especially happy." Wu Tian put his hands in his pockets and said smugly, "Boss Geng said that he would ban me again. But soon, someone came to cooperate with me. The so-called ban became a joke. How embarrassing is that?"

"You ..."

Geng Yunguang was so angry that his veins were popping out and his old face was twisted.

"Boss Geng, you're not young anymore. You should retire early and rest up. In the future, don't come out and embarrass yourself." Wu Tian said sarcastically before getting into his red flag car.

"You ..." Geng Yunguang was so angry that he almost vomited blood.

He had made a big fuss about banning Wu Tian, but Han Dahua suddenly popped up in the middle of it and ruined all his plans.

In this battle, he had lost very miserably.

This time, not only did his plan fail, but it also caused him to lose face in the circle.

The end result made him extremely angry. He swore in his heart that sooner or later, he would destroy Wu Tian.

Honestly speaking, the person who was the happiest right now was none other than Wu Tian. Seeing the old fox humiliated, he felt incomparably happy in his heart.

He hadn't thought that he would be able to defeat the "ban" that the old fox had mentioned so easily. Of course, this was all thanks to Han Dahua.

He came to the lubricating company and followed Han Dahua to the VIP room.

Han Dahua personally poured a cup of tea and passed it over, smiling as he said, "Come, Boss Wu, please have some tea."

"Thank you, Chairman Han." Wu Tian stood up to receive the tea cup with a respectful and courteous expression.

"Looking at how angry Geng Yunguang is, I feel great inside." After Han Dahua said this, he raised his head and laughed out loud.

Wu Tian laughed along, and then couldn't help but ask: "Chairman Han, what's the conflict between you and Geng Yunguang?"

"This is a long story."

Han Dahua put down his teacup, put away his smile and said with a serious face, "Our company was partners with Geng Yunguang before, but Geng Yunguang banned our company because of a disagreement, but he didn't expect us to survive."

"So that's how it is."

After knowing the truth, Wu Tian felt gratified: "To be able to break out of the encirclement under Geng Yunguang's interference, Chairman Han is indeed very powerful."

"Although I have survived, the process is also very difficult."

After Han Dahua said this, he couldn't help but ask curiously, "Boss Wu, what happened between you and Geng Yunguang?"

"Last time I saw the old guy forcing little girl in the washroom, I stepped in and ruined his plans. I ended up offending the old guy." Wu Tian explained.

"Geng Yunguang is truly despicable."

"But this time, thanks to Han Dong, you helping me out. Otherwise, it would have been really troublesome." Wu Tian said politely.
