

Hidden Billionaire Chapter 231 - Lecherous -

C231 Lecherous

"Do you have a girlfriend now?" Wan Ying asked curiously, blinking her large eyes.

"I didn't."

"A good boy like you is single?"

"I'm not as good as you think." Wu Tian waved his hand and brought up the topic of conversation with Wan Ying, "Why are you alone too?"

"How do you know I'm single?"

"If you're not single, why did you need me as a shield?" Wu Tian shook his head with a bitter smile. He felt that this girl wasn't that smart.

Wan Ying pursed her lips into a smile as she cupped her chin and said, "I just didn't meet a suitable boyfriend, that's all."

"Then what kind of guy do you like?"

"The sunshine is bright and positive. The key is to be handsome." Wan Ying directly spoke out the ideal boy in her heart.

"I'll help you look for it when I have the chance."

"Alright!" Wan Ying smiled magnanimously, not taking these words to heart at all.

The efficiency of this hotel was quite good. Very soon, the waiter served them all, and the two of them chatted as they ate.

Wu Tian looked up from time to time. He noticed a man with a beard peeking at Wan Ying from the opposite side of the table.

To be exact, it wasn't peeping, but instead, he was staring lustfully at Wan Ying's body while swallowing his saliva. His eyes were filled with greed.

Halfway through their meal, Wan Ying suddenly received a call.

After receiving the call, she said apologetically to Wu Tian, "I'm sorry, but there's something I need to do at home."

"Then quickly go back, don't delay matters."

"Alright, I'll go back first. I'll treat you next time." With that, Wan Ying left the hotel in a hurry.

As soon as Wan Ying left, the bearded man followed her out with his minions. It was obvious that he was plotting something bad.

Wu Tian sat by the window, and he could see what was going on outside.

Wan Ying rushed out of the hotel and got into a taxi, disappearing from his sight very quickly.

When the man chased out with his men, he could no longer find any trace of Wan Ying. After a few curses, they returned to the second floor of the hotel.

It seemed like these hoodlums had taken a fancy to Wan Ying and were prepared to attack her secretly. However, Wan Ying had left too quickly and these hoodlums missed out on her.

He thought it was over.

However, he didn't expect that after the man returned to the restaurant, he quickly walked in front of Wu Tian and coldly asked, "What's the relationship between you and the girl that accompanied you to eat just now?"

"Friend!"

Wu Tian didn't even look at the man, he continued to enjoy the delicious food on the table and coldly spat out two words.

"Then quickly tell me where the girl lives and what's the number?" The man continued to ask.

"I don't know."

"She's your friend, how could you not know?"

"I really don't know. Even if I did, I wouldn't tell you." Wu Tian raised his head and looked at the boy. He continued to eat.

The sound of someone hitting the table echoed out.

The bearded man slapped the table and cursed, "Brat, if you know what's good for you, quickly tell me that girl's address and phone number. Otherwise, don't blame me for being ruthless."

"What do you want her phone number and address for?" Wu Tian asked, knowing the answer.

"I've taken a fancy to that girl. I want to seduce her." After the Rosehu man said this, he pressed again, "Tell me, what's the number for the girl?"

"I have no comment."

"Kid, I think you want to be beaten."

"I won't eat any wine." Wu Tian used a tissue to wipe the grease off his mouth. He stood up and prepared to pay the bill at the front desk.

"Stop!"

The bearded man's body straightened as he glared at Wu Tian in anger, "Brat, you still want to leave?"

"If I don't leave, will I still stay and eat with you?"

"Bastard." The bearded man roared and shouted with his ox eyes wide open, "Do you know who I am?"

"I don't know."

"Then let me tell you, my name is Xu Chengqi. You brat, you should have heard of me before!" Xu Chengzi stroked the beard on his face, then raised his head and shouted.

"I've never heard of it."

"Kid, don't force me to make a move." Xu Chengqi rubbed his palms and said impatiently, "Let me ask you one last time, what's the address and phone number of that chick?"

"I have no comment."

"Good boy, you brought this upon yourself. Don't blame me for being ruthless." After saying this, Xu Chengqi waved his hand towards the six hoodlums behind him and ordered, "All of you, charge together. Help me teach this brat a ruthless lesson."

"Yes."

The six bullies received the order and pounced on Wu Tian like wolves and tigers. They were all very fierce.

Wu Tian was not the least bit careless. Seeing so many hoodlums pouncing over, he quickly grabbed the plate on the table and threw it at them.

While the lackey dodged, he punched towards the face of one of the lackeys. At the same time, he kicked the right side of his leg towards the lackey at the right rear.

Even the two hoodlums seemed to have shocked the other hoodlums. They stood rooted to the spot, not daring to move.

"Brat, you're quite capable." Xu Chengzi was shocked. He was surprised by Wu Tian's skill.

He didn't think that the youngster before him would be so strong despite looking weak and weak.

"It's easy for me to beat trash like you." Wu Tian hooked his fingers and said provocatively, "Come on, let's continue."

"Good boy, I'd like to see how capable you are." Xu Chengqi smiled sinisterly, then ordered the people behind him, "Brothers, attack together and teach this brat a lesson."

After receiving his order, the remaining four hoodlums braced themselves and charged towards Wu Tian again.

Wu Tian did not have the slightest bit of fear. He stepped forward and punched towards the others. Relying on the powerful moves that he had previously practiced, he quickly overturned all four of them.

After dealing with these hoodlums, he hooked his fingers at Xu Chengzi and said, "Come on, it's your turn now."

The sound of saliva being swallowed resounded.

Xu Chengzi swallowed his saliva, his eyes were clearly filled with fear.

He didn't think that the kid in front of him was so skilled that he effortlessly took care of his six Brawlers.

"Stop!"

At this moment, the hotel manager rushed over with a security guard, "If anyone dares to make a ruckus at my hotel again, don't blame me for being impolite."

The hotel manager's name was Lu Kang. He was previously a gangster in society, but later on he got into big trouble and followed someone else to work at the hotel.

"Manager Lu, open your dog eyes and look at who I am." Xu Chengzi lifted his foot and stepped on the chair as he shouted towards Lu Kang.

"You are... Brother Zi? " Only then did Lu Kang recognize Xu Chengzi. He quickly changed his tone to fawn on him and said, "Brother Zi, I'm very sorry to have to welcome you."

He didn't know anyone else, but he did know Xu Chengzi. He was a famous hooligan in the vicinity, and no one dared to provoke him.

"Look at this shitty hotel of yours, it has all sorts of people." Xu Chengqi scolded from head to toe.

Lu Kang was scolded and quickly tried to curry favor with him with a smile: "Brother Zi, don't be angry, I'll kick that brat out right now."

With that, he shouted at Wu Tian, "Brat, our hotel doesn't welcome you. Get lost now!"

"Your hotel is open for guests, I'm here for a meal." Wu Tian did not show any weakness as he retorted.

"I'm the hotel manager. I'm in charge here." Lu Kang waved his hand impatiently and urged them, "Get out of our hotel quickly."

"You want me to get lost?" Wu Tian squinted his eyes and sized up this hotel manager who used his power to bully others. There was a bit of anger in his eyes.

"Right, hurry up and f * ck off."

"I don't know how to scram. Why don't you scram first and let me take a look?"

"Brat, you intentionally wanted to be beaten, right?" Lu Kang instantly turned angry from embarrassment and threatened coldly: "Do you believe that I will get someone to throw you out of here?"

"Drive the customers away, is this the way your hotel operates?"

"Cut the crap, I'm the hotel manager, I'm in charge here." Lu Kang roared impatiently. His tone was even more forceful than before.

"And if I don't?"

"Then don't blame me for being impolite." After Lu Kang said this, he waved his hand at the security guards behind him and ordered, "All of you go together, throw this brat out."

"Wait!"

Wu Tian stretched out his hand with a meaningful smile on his face. "If you chase me out today, both you and your hotel will be in danger of destruction."

"Kid, you sure know how to boast." Lu Kang shook his sleeves and said in a provocative tone, "Today, I want to see how capable you are."

"Ok, then I'll show you." After saying that, Wu Tian took out his phone and dialed Loong Yun's number.

He only said a few words into his phone before hanging up. Then he looked at Lu Kang with a smile, "In less than ten minutes, you will be fired."

"You are really bragging." Lu Kang looked at the time and sneered: "I'd like to see how capable you are."

With that said, he retreated to Xu Chengzi's side, waiting to watch a good show.

Laughter rang out.

Xu Chengzi raised his head and let out a hearty laugh. He was merciless as he said, "This brat can really act so arrogantly. I'd like to see how he's going to deal with this situation today."

Lu Kang and Xu Chengzi sat on the chairs, looking like they were waiting to watch a good show.

In less than ten minutes, the hotel owner, Yang Guang, rushed over with his people in a hurry.

Seeing the boss, Lu Kang hurriedly stood up to welcome him: "Boss Yang, why are you here personally?"

"You've caused me so much trouble today." Yang Guang's face sank as he clenched his teeth and scolded in a low voice.

"What kind of disaster did I commit?" Lu Kang was confused.

"You have offended someone you shouldn't have."

"Someone I shouldn't have offended?"

"Right." Yang Guang nodded forcefully and asked while lowering his head, "Did you offend a young man called Wu Tian?"

"Wu Tian?"

Lu Kang was stunned for a moment. Then, he slowly raised his head and looked at Wu Tian. "Could it be that brat?"

"Who did you offend? Not good, why did you provoke Wu Tian?"

"How strong can such a kid be?"

"What do you know?" Yang Guang gritted his teeth and said in a low voice: "The power behind him is very strong, just a casual wave of a finger can cause our hotel's Luzhou to disappear completely."

"What?" Lu Kang was shocked. He raised his head again to look at Wu Tian, his expression becoming more serious than before.

Even in his dreams, he would never have imagined that there would be such a powerful force behind this seemingly shabby little kid.

Bastard, he accidentally stepped on a mine.

"I'll deal with you later." Yang Guang ruthlessly stared at Lu Kang and smiled. He walked towards Wu Tian with a smile and tried asking, "May I ask who you are, Mr Wu?"

"That's right, my surname is Wu." Wu Tian played with his handsome hairstyle and did not show any signs of weakness.

"Hello, Mr Wu." Yang Guang hurriedly stretched out his right hand and introduced with a smile, "I'm the boss of the Sunshine Hotel, Yang Guang. It's an honor to meet you."

He had just received a call from the Chamber of Commerce. The person on the phone said that Wu Tian's identity was special and that he had a powerful backer. Even the Chamber of Commerce would have to give him some credit.

Even the Chamber of Commerce was wary of Wu Tian's power, it was clear how strong he was. Boss Yang felt scared just thinking about it.

"Hello, Boss Yang." Wu Tian shook hands with him and went straight to the point, "The general manager of your hotel is really too outrageous. I came to your restaurant just to have a meal, but he actually asked the security guards to throw me out of the hotel."

"I'm so sorry." Yang Guang slightly nodded his head and said with a smile, "I apologize to you on behalf of Manager Lu. I hope that you, as an adult, don't mind this and don't lower yourself to the same level as him."

"Tell me, how are you going to deal with this?"

"This ..." Yang Guang thought for a moment and quickly gave Lu Kang a wink.

Lu Kang immediately understood and went up to apologize to Wu Tian humbly, "I was blind to not recognize Mt. Tai previously. I accidentally bumped into you. I hope you didn't think too much of me and didn't lower yourself to me."

"I thought you were going to have me thrown out of the hotel, right?"

"I ..." Lu Kang wanted to cry but had no tears. He explained with an embarrassed expression, "I was wrong, I won't dare to do it again. I hope I can obtain Mr Wu's forgiveness."

If he had known earlier that this kid was so powerful, he would have fawned on him. How could he have dared to offend him?

"I'll give you a chance to start anew." After Wu Tian said that, he turned his head and looked at Xu Chengzi, "I don't like this brat, help me kick him out."

"This ..." Lu Kang hesitated.

After all, Xu Chengzi was the boss of a famous hooligan in this area. Offending him would bring him a lot of trouble.

But then again, no matter how powerful Xu Chengqi was, he was just a regional hooligan. If his influence couldn't cross this street, then he wasn't as strong as Wu Tian. A single phone call from him had alarmed Director Yang.

After weighing the pros and cons, Lu Kang turned to Xu Chengzi and said, "Our hotel doesn't welcome you. Please."

"Manager Lu, how dare you help this kid drive me away? Don't you know my power?" Lu Kang's face darkened and he glared fiercely with his ox eyes.

"I know your power better than anyone." After Lu Kang said this, he added, "But you are still far from Mr Wu."

"What kind of influence does that kid have?"

"Let me tell you this." Lu Kang leaned his head over and muttered in a low voice, "If you are a local snake, then he is the Great Lion of the Grassland. Even our Director Yang cannot afford to offend him, so I advise you to not provoke him."

"Is he that powerful?" Xu Chengzi's expression tightened as he looked at Wu Tian with a deeper meaning.

"He's better than I thought." After Lu Kang said this, he stretched out his hand and urged, "Please leave."

A voice full of disdain rang out ...

Xu Chengzi snorted, gritting his teeth as he left the place.

He didn't expect to meet such a fierce character today. It seemed that he had underestimated Wu Tian's strength.

Right now, he could only leave first, lest he bring disgrace to himself.

After Xu Chengzi and the others left, Lu Kang quickly walked in front of Wu Tian and flattered with a smile, "Mr Wu, are you satisfied with this result?"

"That's right!"

Wu Tian nodded and didn't forget to warn him: "I won't bother with you about this matter today, but if something like this happens again, don't blame me for being rude to you."

"Mr Wu, don't worry. I promise there won't be a next time." Lu Kang vowed.
