

Hidden Billionaire Chapter 237 - Shocking the Whole Audience -

C237 Shocking the Whole Audience

At seven in the evening, the social meetup officially began. Students began dancing in search of their partners.

Just as Wu Tian was preparing to take Wan Ying to dance, a girl with a ponytail came over and greeted Wan Ying with a fake smile, "Yingying."

"Liang Lu?"

Seeing this girl, Wan Ying's eyes showed some annoyance, but she didn't show it. She said with an expressionless face, "What a coincidence, you're also here to join the fraternity party!"

"Right."

Liang Lu nodded. She looked at Wu Tian and asked with a smile, "Is this your partner?"

"That's right!" Wan Ying nodded, pointed at Wu Tian and introduced him, "His name is Wu Tian, he's a student of our Polytechnic University."

"Eh, he's quite handsome." Liang Lu stared at Wu Tian with that kind of infatuated gaze, seeming to be very interested.

"Right, Tian." Wan Ying pointed at the girl and introduced, "She is my friend, Liang Lu."

"Hello!" Wu Tian said hello lightly. He didn't have any good impression of this Liang Lu's girl at all.

"Yingying, my partner is not coming for a short period of time, how about you lend me your partner?" Liang Lu happily made this request.

"This ..."

Upon hearing those words, Wan Ying's face instantly fell.

She didn't think that Liang Lu had his eyes on Wu Tian and wanted to snatch his partner away from her.

Naturally, she couldn't agree. It wasn't easy to find a partner like Wu Tian. If Liang Lu were to steal it away, wouldn't it be awkward for her alone?

"Sorry, I don't want to be your partner." Seeing that Wan Ying could not easily refuse, Wu Tian firmly refused.

"Handsome, you have to consider this carefully." Liang Lu pulled at her collar and assumed a seductive pose, seductively saying, "In terms of face and figure, I'm not any worse than Yingying."

"Do you want to hear the truth or a lie?"

"Of course it's the truth."

"Your figure and face aren't that bad, but looking at you for a bit makes me feel disgusted." Wu Tian mocked her mercilessly.

"You ..."

Upon hearing this, Liang Lu almost died from anger.

She didn't expect the kid in front of her to be so ignorant. She lowered her head and invited him to dance. Not only did this guy reject her in public, he even called her disgusting. How preposterous.

She gritted her teeth for a long time before angrily replying, "You're the one who's disgusting, your entire family is disgusting."

"I don't want to waste words with you, Yingying, let's go and dance." Wu Tian couldn't be bothered with the woman. He pulled Wan Ying towards the dance floor.

In the end, Liang Lu straightened her body and blocked their path, "Dance, do you know how? A small, tasteless person like you shouldn't go embarrass yourself."

As she shouted, many of her classmates gathered around to watch the commotion.

Liang Lu wasn't satisfied. She pointed at Wu Tian and taunted, "This brat doesn't know how to dance, and he even came here to embarrass himself. Don't you guys think it's funny?"

She spoke very loudly, afraid that no one would be able to hear her.

Originally, she had a good impression of the handsome Wu Tian. However, because this brat called her disgusting, she became angry out of embarrassment.

Right now, she only wanted to ruthlessly humiliate Wu Tian and make him lose face in front of everyone.

The surrounding students were all making fun of Wu Tian. Their words were very sharp, making this kid completely useless.

Everyone could not help but feel jealous when they saw Wu Tian together with the beauty of the school. That was why they mocked him.

Also, Wu Tian looked really terrible. He was dressed in ordinary clothes, so he didn't have much taste. This kind of elegant ballroom dance was definitely not good for him.

After a round of ridicule, Liang Lu shouted, "Didn't you say you were going to dance? Why aren't you dancing anymore?"

"Get out of the way." Wu Tian pushed Liang Lu away and pulled Wan Ying towards the middle of the dance floor.

The other students all stopped what they were doing and stood around to watch the show, waiting to see Wu Tian make a fool of himself.

"Come, everyone come and take a look, this kid's name is Wu Tian." Liang Lu walked over, and pointed at Wu Tian, who was at the center of the dance floor, and said, "Let's see how this brat disgraces himself."

As soon as she said that, all the students surrounded Wu Tian, waiting for him to make a fool of himself.

The music started slowly. Wu Tian put his hand on Wan Ying's waist and started to dance with the elegant music.

The two of them waltzed, their steps light and their bodies graceful, the rhythm changing with the excitement of the melody.

Their teamwork was very tacit, just like a couple decades old partner.

The surrounding students were all dumbstruck. They were all deeply shocked by the dance in front of them. They never thought that the two of them would perform it so perfectly.

The students originally wanted to mock Wu Tian, but at this moment, they realized that this brat was simply a king. His dance moves left everyone in awe.

No wonder this kid was able to win the favor of the beauties school belle. So it turns out that he really was very capable.

The way in which everyone saw Wu Tian changed. There was some envy and jealousy in their eyes, but most of them were admiration.

To be able to perform the waltz so perfectly, there probably wasn't a second one in the entire studio.

Liang Lu was the most shocked. She originally thought that people like Wu Tian would be terrible at this kind of friendly dance.

But the result surprised her.

She didn't think that this brat's waltz would be so perfect. Even she couldn't help but exclaim in her heart.

Initially, she had wanted to see this brat make a fool of himself in public and embarrass himself in public. However, the result was the complete opposite. Not only did this brat not lose face, he even showed off.

"Pa Pa Pa ..."

After the two of them finished the first dance, a round of enthusiastic applause rang out.

The students were all deeply attracted by the dance and shouted with reluctance, "Dance another one!"

Everyone didn't seem to have seen enough and wanted to see the two of them continue dancing.

At the urging of the students, the two of them danced a second dance, winning bursts of applause and cheers.

After the dance, the two of them left the dance floor.

Wan Ying wiped her sweat off with a tissue and said with a look of surprise, "I didn't expect you to be so good at dancing."

She was worried that Wu Tian wasn't good at dancing, but when she got on the stage, she found out that this boy's dancing skills were even better than hers.

"Actually, I don't know how to dance. Since you said you wanted me to join the fraternity with you, I urgently needed someone to train me. I had to train hard for two or three days before I could learn it." Wu Tian said with a smile.

"You're so amazing after only three days of studying?"

"Ordinary. Not very powerful."

"It's already quite good." Wan Ying opened a bottle and handed it over, "Thank you for your diligence. Come, have some water."

"I was afraid you would lose face in the fraternity, so I got someone to practice the ballroom dance."

"Thank you!"

"Alright, let's go sit over there for a while." After saying that, Wu Tian pulled Wan Ying and walked to the opposite side.

Wan Ying didn't resist and let Wu Tian hold her arm. She felt even sweeter than if she had eaten honey.

The duo's ambiguous actions had left many students envious to the point that they were about to die.

Everyone was very jealous of Wu Tian, they didn't expect him to get their hands on her so easily.

When they were envious, everyone couldn't help but admire Wu Tian. This boy was really capable, at least able to dance well.

If she couldn't even dance well, the beautiful school belle probably wouldn't even ask Wu Tian to be her partner.

The ballroom dancing continued. Many boys couldn't help but come over to Wan Ying to dance, but they were all rejected by her.

She accompanied Wu Tian the whole time.

Hidden Billionaire Chapter 238 - Kiss by Force -

C238 Kiss by Force

After the social meetup, Wu Tian sent Wan Ying back to her dormitory. He was too lazy to go home at this late hour, so he went straight back to the school dormitory.

The moment he entered the dorm, he was surrounded by Jiang Wan and Sunn Xiaohao.

"Tian, I heard you went on a date with a beauty?" Jiang Wan put his head close to his chest and asked with a gossipy expression on his face.

"Don't talk nonsense, that's not the case." Wu Tian pushed the two away and laid on the bed.

These few days, he had been practicing the ballroom dance and was even more tired than usual.

"I just heard that you and the beautiful school beauty Wan Ying went to a fraternity party, right?" Jiang Wan asked with a naughty smile.

"The two of you are quite well-informed."

"Tian, you really are a cheat. You got Wan Ying so quickly." Even Sunn Xiaohao couldn't help but feel envious.

"Don't talk nonsense." Wu Tian sat up on the bed and explained in a serious tone, "Wan Ying and I are just normal friends."

"How ordinary?"

"Scram." Wu Tian raised his leg and kicked Jiang Wan, then said to the two of them, "Why are you guys talking so much nonsense if you can't sleep at night."

"Don't sleep, it's been a long time since we went to sing. Let's go, let's go to the KTV and shout." Jiang Wan suggested.

"I have no objections." Sunn Xiaohao nodded in approval and asked Wu Tian, "Tian, what do you think?"

"Alright, I'll accompany you out and shout twice. Let's go." Wu Tian was initially tired, but seeing that the two of them were so interested, he had no choice but to sacrifice his life to accompany the prince.

When the three of them arrived at the KTV outside the school, they saw Lee Meng. She was curled up in a corner drunk, and two guys were scheming against her.

"Tian, she's Lee Meng." Jiang Wan looked at Lee Meng who was huddled up in the corner and said angrily, "She seems to be drunk. Two hoodlums are trying to take advantage of her."

"Got it."

Wu Tian's good mood instantly dropped a lot.

He didn't know why, but every time he saw Lee Meng, it would make him feel uncomfortable.

Although a long time had passed, he still could not completely forget what happened before.

"Tian, should we save her?" Jiang Wan and Sunn Xiaohao turned to look at Wu Tian and asked in a questioning tone.

"After all, she's our classmate, we can't just sit by and watch her get bullied." Wu Tian gritted his teeth and quickly walked over. He shouted at the two hoodlums: "Let her go."

The two hoodlums looked back at Wu Tian and said impatiently, "Get out of here, brat. Don't meddle in others' business."

"I'm going to meddle in this matter today." After Wu Tian said this, he waved his fist and punched towards the two hoodlums.

"Ah ..."

After a series of screams, the two hoodlums were beaten to the point of bleeding and being riddled with wounds.

The two of them did not expect brat, who seemed gentle and weak, to be so brutal that he almost beat them to death.

How could the two hoodlums endure such torture? They were so frightened that they hurriedly kneeled down and begged for mercy. "Big brother, big brother, we were wrong. Please be magnanimous and let us go ..."

"Scram!"

Wu Tian kicked the two hoodlums fiercely and impatiently shouted: "Get out of here, don't let me see you again."

"Yes, yes, yes, we'll get lost now." A few hoodlums left these words and ran away.

Wu Tian looked at Lee Meng who was curled up in the corner. Without saying anything, he turned around and prepared to leave.

"Wu Tian ..."

Lee Meng stood up from the ground, tidying her messy hair and dress, and said with a trembling voice, "Don't go, okay?"

At this moment, her voice trembled slightly as she pleaded humbly.

"Don't come out and get drunk in the future, go back early." After Wu Tian said this, he continued walking forward.

After walking a few steps, Lee Meng suddenly rushed over and hugged Wu Tian tightly with both of her hands. She cried, "Don't go, just stay with me, okay?"

"I only saved you because of a classmate, that's all." Wu Tian directly separated the two arms that were wrapped around his body and continued to walk forward.

"Wait!"

Lee Meng ran forward and blocked Wu Tian with her arms, "Don't go yet, I have something to tell you."

"If you have something to say, say it." Wu Tian turned his head to the right as if he was looking at Lee Meng.

"I ..."

Lee Meng choked back when she said that. She stared at Wu Tian in a daze for a long time. Finally, she jumped over and kissed Wu Tian's mouth.

Just like this, Wu Tian was caught off guard and forcefully kissed by Lee Meng, a woman who had deeply wounded him in the past.

Zhao Yang, who was hiding behind him, saw this scene. He was so angry that his face turned dark and green smoke came out from his head.

He didn't expect Lee Meng, this bitch, to actually get together with Wu Tian behind his back. How shameless.

He was about to rush forward to stop them both, but then he thought she'd changed her mind. He took out his phone and quickly recorded the scene of the two kissing.

The scene of the two kissing for a few seconds lasted until Wu Tian pushed Lee Meng away. At this moment, he was looking at Lee Meng with slight disgust.

Never in his dreams had he imagined that Lee Meng would say such a thing.

He had never expected that the female student whom he had once failed to catch up with would now be so despicable as to take the initiative to kiss him in public.

He wanted to ruthlessly despise her, but the words that came out of his mouth were unable to leave his mouth. He then turned around and left quickly with a complicated look in his eyes.

"Wu ..."

Lee Meng wanted to stop Wu Tian, but she couldn't get the words out of her mouth.

She didn't know where the courage came from, but it made her take the initiative to kiss Wu Tian in front of everyone. Even she herself felt that it was a bit despicable.

She didn't know what had happened to her. She used to look down on Wu Tian, but now, she became so crazy for him.

She only hoped that the kiss just now would make Wu Tian remember her and give her a chance to start over.

Of course, this was just wishful thinking on her part.

Because of that kiss just now, Wu Tian thought even more lightly of Lee Meng. He felt that this girl was being frivolous and he felt even more disgusted with her.

Jiang Wan and Sunn Xiaohao were slightly surprised for a moment, then quickly chased after Wu Tian. It was only after the three of them entered the room that they started to make a ruckus.

"Big news, it's really big news." Jiang Wan was extremely excited. He held his throat and shouted, "Former girlfriend, Lee Meng, asked Young Master Wu for a kiss in front of everyone."

"What are you yelling for?" Wu Tian glared fiercely at Jiang Wan and purposely threatened, "Speak one more time and take off your pants."

"Oh right, Mr. Wu Tian, how did that kiss feel? Isn't that great? " Jiang Wan's face was filled with curiosity as he moved his head over, smiling as he asked.

"Scram!"

Wu Tian raised his leg and kicked Jiang Wan's butt and cursed, "Screw off, do you believe that I won't kick you to death?"

"F * ck, are you serious? Ah ... Hiss ..." "Kick me to death." Jiang Wan jumped up and down while covering his butt. He did not forget to mock Wu Tian, "Student Wu Tian, should you take responsibility for kissing someone else?"

"Scram!"

Wu Tian kicked Jiang Wan's butt again and warned, "Don't mention that kiss again. If you dare to speak nonsense again, I will turn against you."

"Alright, stop it." Sunn Xiaohao, who was beside them, bumped into Jiang Wan and quickly changed the topic, "Let's sing. Come, let me order some songs for you."

"Yes, sing." Jiang Wan also noticed Wu Tian's bad mood and stopped joking around.

Hidden Billionaire Chapter 239 - Violent Zhao Yang -

C239 Violent Zhao Yang

The three of them sang in KTV and only returned to the school dormitory late at night.

Maybe it was because they were too tired from shouting at the top of their lungs just now, but they fell asleep right after they went to bed. Only the snoring sounds of the three people could be heard in the dorm.

The night passed in silence.

The next morning, when Wu Tian was sleeping soundly, he was woken up by Sunn Xiaohao and Jiang Wan.

"Tian, Tian, not good, something happened." Sunn Xiaohao shook Wu Tian's arm and shouted as if the sky was falling down.

Wu Tian opened his sleepy eyes and asked in a daze: "Xiaohao, what's wrong? What happened? "

"The forums, the school forums were in an uproar." After Sunn Xiaohao said this, he quickly took out his phone and opened the forum.

Seeing the post on the forum, Wu Tian suddenly lost all of his sleepiness.

He didn't expect the news about him to appear on the forum again, and the female lead was actually related to Lee Meng.

At the top of the forum, there was a piece of news: Last night in the bar, Wu Tian took advantage of Lee Meng's drunken state to do something worse than pigs and dogs.

This post was extremely popular. With over 30,000 clicks, there were over a thousand replies.

Looking at the title of the post, Wu Tian's head felt like it was on fire. He quickly tapped on the screen to open the post and saw a video.

This video was from last night's video of Wu Tian being kissed by Lee Meng. However, the truth was distorted. It was said that Wu Tian was kissing Lee Meng while she was drunk.

Most of the replies below were to scold Wu Tian. They all said that Wu Tian was worse than a beast, yet he took advantage of the situation to enter, and they all called him a scum.

"F * ck!"

After reading the contents of the post, Wu Tian was instantly enraged. He could not help but ask: "This is simply a naked slander. Who posted this post?"

"Tian, I saw Zhao Yang at the KTV last night, I suspect that the post is related to him." Jiang Wan couldn't help but remind him.

"It's that beast again, I'll go find him." Wu Tian got off the bed and was about to leave.

In the end, Sunn Xiaohao grabbed him and reminded him, "Tian, don't you have to put on your pants first?"

"F * ck, I got mad at Wu Tie." Only then did Wu Tian remember that he did not wear pants. He quickly put on his clothes and rushed to the classroom.

Seeing Zhao Yang nagging at the girls in the classroom, he grabbed Zhao Yang by the collar, "Did you post that video to the forum?"

"Yes, that's me." Zhao Yang looked up fiercely.

"Damn you." Wu Tian kicked Zhao Yang viciously in the stomach, knocking him over and scolded him, "Bad for my reputation, I have tolerated you for a long time."

After saying this, he swung his fist forward.

"Ah ..."

Very quickly, Zhao Yang's scream came out from the classroom like a pig being butchered.

The students all stood to one side, watching. No one dared to stop them.

Everyone was shocked by Wu Tian's vicious methods. They didn't expect Wu Tian to be so gentle, yet he fought so ferociously.

"Stop!"

At this moment, Mu Ran barged into the classroom and shouted coldly, "Wu Tian, stop it right now!"

"Teacher Mu ..."

Wu Tian hurriedly withdrew his fist when he saw Teacher Mu enter the classroom.

Mu Ran looked at the scarred face of Zhao Yang and scolded Wu Tian with a straight face, "Why did you hit someone in the classroom?"

"It was this brat who slandered me. He should have been beaten." Wu Tian clenched his teeth. Even now, he was still unable to suppress the anger in his heart.

If it wasn't for Teacher Mu's sudden intrusion, he would have definitely beaten this kid until his mother couldn't recognize him.

"Anyway, it's not right for you to fight." Mu Ran stretched out her hand to help Zhao Yang up, "Quickly go to the infirmary and apply the medicine. Teacher will pay for the medicine."

"Teacher Mu, you have to teach Wu Tian a lesson. This brat is really lawless ..." Zhao Yang complained with his runny nose and tears.

"Don't worry, I will take care of this matter. Quickly go to the infirmary."

"Alright, I'll go to the infirmary now." Zhao Yang glared fiercely at Wu Tian before hurriedly leaving the classroom.

"Hu!"

Mu Ran sighed inwardly. Luckily, he didn't beat Zhao Yang to death. She turned around and warned the students, "Today's incident was a misunderstanding. Everyone, don't tell anyone else."

"Yes sir!" The students obediently answered.

However, everyone was secretly surprised. They never expected Teacher Mu to be so protective of Wu Tian. She actually wanted to push this matter down.

Teacher Mu's thoughts were very simple. She definitely did not want the school to know about the students fighting, lest they punish them.

"You!"

After comforting her classmates, Mu Ran turned her head and looked at Wu Tian. She ordered, "Come, come with me to the office."

Having said so, she strode out of the classroom, full of anger.

"F * ck!"

Wu Tian cursed and followed her with a bitter face.

Leading by Teacher Mu, the two of them entered the office.

"Crack!"

After entering the office, Mu Ran locked the door from the inside and asked with a face full of anger, "Speak, what happened?"

"Zhao Yang posted a video of me and Lee Meng on the forum to slander me ..."

"Shut up." Before he could finish, he was interrupted by Mu Ran in a low voice, "Just because of that video on the forum, you attacked Zhao Yang."

"It was Zhao Yang who slandered me, tarnishing my reputation." Wu Tian tried to defend himself, hoping Teacher Mu would understand the truth.

"Alright, let's talk about the video on the forums first." Mu Ran took out her cell phone, opened up the video on the forum and handed it to him. "Explain to me, what exactly happened to this video?"

When she asked this question, Mu Ran's entire body was shrouded in rage, and she was more irritable than ever before.

"I was singing in KTV last night and saw Lee Meng getting drunk ..."

Before Wu Tian could finish his sentence, he was interrupted by Mu Ran's shout, "Shameless! You actually did such a stupid thing while Lee Meng was drunk. You really disappoint me."

"Teacher Mu, don't be angry. Listen to my explanation first."

"What else do you want to explain?"

"Actually, it's like this. Lee Meng got molested when she was drunk last night, I just happened to bump into her and saved her ..." Wu Tian explained what happened last night in detail.

After listening to these explanations, Mu Ran's face returned to normal. "You said Lee Meng forcefully kissed you when you were drunk last night?"

"Yeah, Jiang Wan and Sunn Xiaohao were also there at that time, you can ask them if you don't believe me."

"Then I believe you." After knowing what had happened, the anger in Mu Ran's heart gradually dissipated. She asked with some jealousy, "Why would Lee Meng treat you like this?"

"How would I know?" Wu Tian felt a bit aggrieved in his heart.

He was kissed last night for no apparent reason. To be honest, he didn't know what was going on.

"Maybe Lee Meng was drunk and it was an accident!" Mu Ran was too lazy to dwell on this matter. She changed her tone and said, "Right, let's talk about your fight."

"It was Zhao Yang who posted the video slandering me, so I decided to teach him a lesson."

"Even if he slanders you, you can't do anything to him in school."

"Teacher Mu's meaning is that once I leave school, I'll teach him a lesson?" Wu Tian asked with a smile.

"Don't joke with me." Mu Ran rolled her eyes in annoyance and warned, "I mean don't fight in the future. Fists can't solve problems."

Hidden Billionaire Chapter 240 - Convince Xiao Hao -

C240 Convince Xiao Hao

"Thank you, Teacher Mu, for your teachings. I know I was wrong." Wu Tian couldn't be bothered to continue arguing and hurriedly apologized to Teacher Mu.

"It's good that you know you're wrong." Seeing Wu Tian admit his mistake, the anger in Mu Ran's heart gradually dissipated. She asked with concern, "How's your homework?"

"I've learned it all."

"Alright, don't skip class again."

"Yes."

"There's nothing else. You should return to the classroom first." Mu Ran pulled up her hair and said with a smile.

To be honest, when she first saw that video on the forum, she was extremely angry. She did not expect Wu Tian to bully her when Lee Meng got drunk.

She was very disappointed and angry at the time.

However, after knowing the truth, she suddenly felt enlightened.

"Teacher Mu, there's something I want to tell you." Wu Tian scratched his head with a timid look.

"What is it? Speak." Mu Ran put down the work in her hands and looked at Wu Tian curiously.

"Teacher Mu."

Wu Tian leaned his head over and whispered beside Mu Ran's ear, "You look so beautiful when you smile."

With that, he slipped out of the office.

"..."

Mu Ran sat on the spot as if she had become rigid. Her face gradually turned red, and her heart inexplicably raced against her chest.

For some reason, after being seduced by her students this time, not only did she not fly into a rage, she even felt a sense of sweetness in her heart.

If she was teased like this by the students before, she would definitely ruthlessly criticize them for half an hour while acting like a teacher.

She didn't know why she was so tolerant towards Wu Tian, but she felt that something was wrong with her recently, but she didn't know what was wrong.

"Hu!"

Wu Tian only slowed down after running out of the office and let out a long breath.

He didn't know why, but he had been getting bolder and bolder and bolder in front of Teacher Mu lately. If this were before, he wouldn't dare to say such provocative words to Teacher Mu.

He felt that he had become more and more inflated recently since he dared to take liberties with the beautiful teacher.

Leaving the office, Wu Tian didn't return home in a hurry. Instead, he waited at the north gate of the school, planning to wait for Zhao Yang.

That's right, he did not intend to let Zhao Yang off so easily. He was going to teach this kid a lesson when Zhao Yang walked out of the school.

He was bored, so he took out a cigarette and lit it to pass the time.

Perhaps because of the recent stress, he smoked more and more.

Although he knew it wasn't good for his health, he still couldn't help but want to smoke. He was already addicted to cigarettes.

Just after he finished smoking, he saw Zhao Yang walk out of the school gate with bruises all the way until now.

"I've been waiting for you for a long time." Wu Tian flicked away the cigarette butt in his hand and his body moved horizontally in front of Zhao Yang.

"You ... What are you trying to do? " Zhao Yang's body shrunk and he retreated a few steps in fright.

Wu Tian smiled and said: "Guess."

"You ... "If you dare hit me again, I'll tell Teacher Mu."

"Childish." After Wu Tian said this, he went up to Zhao Yang and directly gave him a good beating.

He still couldn't calm himself down even after the call, so he took out his phone and made a call to Azure Dragon.

In less than half an hour, Azure Dragon rushed over, "Brother Tian, what can I do for you?"

"How is your injury?" Wu Tian didn't answer in a hurry, but asked for a few words of concern.

"I'm fine." Azure Dragon patted his chest with an unyielding character.

Previously, when he was rescuing his sister in the chemical factory, he had an armed fight with a group of criminals and suffered a lot of injuries.

However, those were only superficial wounds that had healed after recuperating for a period of time.

"I'll leave Zhao Yang in your hands, you deal with him properly. Until the thread slandering me disappears from the forum. " Wu Tian instructed and then walked towards the school.

"Yes sir!"

Azure Dragon stretched out his hand and grabbed Zhao Yang like a chick, leading him to a very remote location and turning on the tyrannical mode.

When Wu Tian returned to the dormitory, he could not help but ask, "Xiaohao, where's Jiang Wan?"

"Oh, that kid went to the Fragrant Honey Lake Overseer and said the mission you gave him was very difficult, so you can't make any mistakes." Sunn Xiaohao put down his phone and explained.

"That's right!" Wu Tian nodded with satisfaction and acknowledged, "Jiang Wan is quite responsible."

"That's right. Don't look at how eloquent that kid is. When he's doing serious business, he has the guts to charge in."

"Xiaohao, there's something I want you to do." Wu Tian walked over and sat down across from Sunn Xiaohao. He said in a serious tone, "I invested in a hotel. I wanted to let you manage the hotel."

"This... "That won't do."

Sunn Xiaohao stood up from his chair and quickly waved his hand in refusal, "It's fine if you let me take care of the night market stall, but not if I take care of the hotel."

"Actually, hotels and booths are no different from each other. If you want to buy things and charge money, you only need to organize everything and you will have to do it well."

"But I've never done it before ..."

"You learn when you don't. I've never cooked before, I've never played a game, I'm not doing it right now. "

"But what if we lose?"

"It doesn't matter, I can afford it." Wu Tian shrugged indifferently and comforted, "If there's profit or loss in doing business, then there's loss. At worst, I can just start all over again."

"But ..."

"Alright." Wu Tian didn't give Sunn Xiaohao a chance to resist and immediately made a decision, "From now on, you will take over the hotel's affairs in my place."

"Tian, why do I feel like you're chasing a duck to a fight?"

"Actually, ability isn't important. I just have taken a fancy to your and Jiang Wan's character. As long as you are willing to learn, I will definitely cultivate you into an outstanding business elite."

"Since you've already said this much, then I have nothing else to say. Thank you for your trust in me." Sunn Xiaohao pursed his lips and smiled, but his eyebrows were knitted very tightly.

Managing a large hotel was way too stressful for him.

In the past, he rarely went to restaurants, so how was he supposed to manage it now?

However, when he saw Wu Tian's tough attitude, he couldn't refuse, so he could only bite the bullet and agree.

"I'm sure you can." Wu Tian patted Sunn Xiaohao's shoulder and comforted him, "I will definitely help you in any situation."

"Then, I will do my best. I won't disappoint you from your expectations." Sunn Xiaohao braced himself and expressed his stance.

In fact, he was actually feeling rather guilty. For a nobody like him who had never seen the world to become a hotel executive, the difficulty could be imagined.

However, what Wu Tian said made sense. Everything had to be learned and tried. If one didn't even have the courage to try, then what was there to talk about dreams and the future?

"Then it's a deal, I'll take you to sign the contract and meet the hotel's owner and executives." After Wu Tian said this, he left the school with Sunn Xiaohao and took a taxi to the Sun Restaurant.

Coincidentally, the owner of the hotel, Yang Guang, and the manager, Lu Kang, were both here.

After the meeting, they made a brief introduction and then began to discuss the details of the investment in the hotel.

After several rounds of negotiations, Wu Tian finally acquired a 46% stake in the hotel and became the hotel's largest shareholder.

At the same time, he changed the name of the hotel to the Tianhao Hotel, upgrading the hotel's grade.

Hidden Billionaire Chapter 241 - Invitation Letter -

C241 Invitation Letter

After signing the contract, they stopped by the hotel to eat and discuss some detailed plans for the development of the hotel.

Finally, the development direction and management concept of the hotel were finalized.

The hotel was a high-end, five-star hotel that served top business people. The price of dishes and service quality were also higher than those of hotels of the same level.

With Yang Guang as the chairman of the hotel, Sunn Xiaohao as the vice chairman, all matters will be settled by the two of them.

Wu Tian went behind the scenes and became a shopkeeper. If Sun and Yang had different opinions, Wu Tian would decide in the end.

Other personnel arrangements basically remain unchanged, Lu Kang continues to be the hotel manager, responsible for the specific affairs.

After dealing with most of the hotel matters, Wu Tian left the Tianhao Grand Hotel.

When he returned to his residence, he found Huang Lan waiting outside the entrance to the district. She was pacing back and forth in front of the elevator.

"Elder Sister Lan, you're waiting for me?" Wu Tian quickly walked up and asked with a smile.

"Yes!"

Huang Lan stroked the hair at the corners of her ears, a gentle smile on her face. "I've been waiting for you."

"Elder Sister Lan, why don't you go upstairs?"

"No one answered when I knocked on your door, so I waited downstairs."

"Then why didn't you call me?"

"In the past, other people would often wait for me. Now, I also want to experience what it felt like to wait for someone." Huang Lan smiled. She joked, "Aren't you happy that your sister is waiting for you?"

"I'm honored."

After Wu Tian said this, he quickly extended his hand and gestured, "Elder Sister Lan, don't stand there. Let's go upstairs first."

"I won't go up."

"Then what do you need from me?"

"Right." Only then did Huang Lan remember the important matter. She took out an envelope from her bag and handed it to Wu Tian. "This is a small gift from me. Open it and take a look."

"Why did you suddenly think of giving me a present?" Wu Tian smiled and opened the envelope impatiently.

He didn't expect that the envelope contained an invitation from Demon Capital and Fashion Week.

Seeing the invitation letter, Wu Tian was delighted. He couldn't help but look at Huang Lan, "Why do you want to give me the invitation letter?"

"Previously at the banquet, I saw that you were quite interested in the fashion industry, and coincidentally, I was invited to this year's Demon Capital Fashion Week. I don't have the time, so if you're interested, you can go and play." The smile on Huang Lan's face remained as calm as ever.

"Elder Sister Lan is really considerate. Such a good opportunity, of course I'll go." Wu Tian immediately made a decision.

He had always had a good impression of the fashion industry, so he wanted to take this opportunity to see this industry.

"Right, this is for you." Huang Lan took out a name card and handed it over, "He's my friend Jiang Ming, a famous designer in the fashion industry. If you go over, I'll let him take care of receiving you."

"Your thoughts are truly thoughtful. You treat me so well, I don't even know how to repay you."

"If you really want to repay me, then marry me." Huang Lan couldn't help but joke after she finished her serious business.

Wu Tian was so scared that he tightly protected his chest. He shook his head and resisted, "Elder Sister Lan, don't think about my body. I'd rather die than submit."

"You think too highly of yourself." Huang Lan rolled her eyes and said seriously, "You must be careful when you go out of the city."

"I know, boys have to protect themselves outside."

"You really know how to talk." Huang Lan smiled. She took out a business card from her pocket and handed it over, "This is a friend of mine from Demon Capital. Wang Anhong, after you go over, he will entertain you for me."

"Thank you, Elder Sister Lan." Wu Tian thanked her after taking the name card.

"You're welcome." Huang Lan looked at the time and said, "I still have things to do, so I'll be leaving first. When you come back, remember to treat me to a meal."

"Elder Sister Lan, I'll send you off."

"No need, I'll go home by myself." Having said so, Huang Lan turned around and left with her long legs.

Ever since she settled the matter with Huang Family, her entire person had changed. She treated Wu Tian even more gently than before.

Previously, it was because of Wu Tian's appearance that helped her resolve the conflict with her family. Now, her father and grandfather and her family were especially good to her and she was completely immersed in happiness.

If it wasn't for Wu Tian, she might not be able to feel her father's love and family love in this lifetime. She might not be able to feel the warmth of home.

"Take care, Sister Huang." Wu Tian waved his hand and watched Huang Lan leave before returning to his residence with the invitation.

He first had Loong Yun help him book a plane ticket to Demon Capital tomorrow morning, then went into his study and started to read.

The book he was reading this time was related to the fashion industry. The main reason was because he wanted to learn the basics of fashion design and get a general understanding of the fashion industry's trend.

He read until late at night before returning to his room to sleep. The next day, he woke up early. After a simple wash, he headed straight to the airport.

He never took a lot of things and subordinates with him when he went out of the country.

In a short two hours, he flew to the Demon Capital and contacted Elder Sister Lan's friend, Wang Anhong.

Wang Anhong was a 40-year-old middle-aged man. He wore glasses with a blue frame, looking refined and scholarly.

He was a designer and was quite famous in Demon Capital and fashion circles.

"Hello."

Wu Tian met Wang Anhong in the hotel room they had agreed on, and took the initiative to greet him: "Are you Mr. Wang Anhong?"

"Right."

Wang Anhong stared at Wu Tian with that kind of appreciation for antiques and asked doubtfully, "You're the friend Elder Sister Lan asked me to entertain?"

"I'm Wu Tian, nice to meet you." Wu Tian stretched out his right hand politely.

*

Wang Anhong twitched the corner of his mouth and muttered as if he was talking to himself: "I thought you were amazing, so it turned out to be like this."

Wang Anhong laughed awkwardly before he reached out to shake hands with Wu Tian. However, his expression was filled with disdain.

He also couldn't understand why Elder Sister Lan would make such tasteless friends. Wu Tian looked really ordinary.

"Mr. Wang, when are we going to the fashion show?" Wu Tian was obviously unhappy with Wang Anhong's attitude.

However, he didn't make it too obvious. After all, he was Elder Sister Lan's friend, so he couldn't be too rude.

"Go take a bath first and change into a better set of clothes." Wang Anhong glanced at Wu Tian in disdain, then sat on the sofa and started to read a magazine.

"Alright!"

Wu Tian nodded and entered the bathroom. However, his dissatisfaction only increased.

The designer named Wang Anhong clearly looked down on him, but he was too obvious and did not show any mercy.

When Wu Tian finished his shower and walked out of the bathroom, he met Wang Anhong's cold eyes again: "Didn't I tell you to change into a better set of clothes?"

"I left in a hurry without any clothes." Wu Tian replied indifferently.

"Is that how you wear to fashion week?"

"Right."

"You ..." Wang Anhong slapped his forehead, "Forget it, let's go."

With that said, he angrily took the lead to walk outside.

He really couldn't understand why Elder Sister Lan would let someone like him come to Demon Capital to attend fashion week. Wasn't she intentionally making things difficult for him?
