

Hidden Billionaire Chapter 249 - Start Audition -

C249 Start Audition

After a short pause, the actors present all came up to Wu Tian to please him. Everyone knew that as long as they could please the investors, the audition would definitely be successful.

Especially those pretty girls, they all kept pressing their bodies closer to the investors, wanting to use their bodies' advantages to get into a relationship with the investors.

Unfortunately, they met Wu Tian.

Wu Tian didn't buy it at all, he reminded these people: "The audition is about to start, why aren't you guys putting on your makeup?"

Only then did the actors come back to their senses. One by one, they returned to the dressing table to continue their makeup and prepare for the audition.

"Can I go now?" Wu Tian turned around and asked the short-haired girl. The corner of his mouth faintly curled up into a mocking smile.

"Yes, of course." Only then did the short-haired girl come back to her senses. She quickly smiled and tried to curry favor with him, "Boss Wu, I did not know your identity. Please forgive me for offending you."

How could she have known that this kid was the investor in the new movie?

If she knew that this brat was an investor, she would have gone all out to curry favor with him. How could she dare to offend him?

"Oh right, didn't you ask me to clean your shoes just now?" Wu Tian looked down at her pair of high heels and asked with a smile, "Do you still want me to clean them?"

"I dare not dare not to, I'm more like polishing your shoes, how could I dare to let you do it for me!" The short-haired girl had a bitter face and looked like she wanted to cry but had no tears.

"Since you won't let me clean my shoes, then I'll leave." After Wu Tian said this, he turned around and prepared to leave.

The short-haired girl quickly ran in front of Wu Tian to block his way. With a smile, she tried to curry favor with him, "Are you free tonight? I want to treat you to a meal as an apology."

"Sorry, I don't have time." Wu Tian refused decisively.

"Then tomorrow night ..."

"I don't have time every night."

"Even during the day."

"Sorry, I'm busier during the day." After saying that, Wu Tian pushed away the short-haired girl and quickly left.

The short-haired girl pouted in grievance and urged Director Sun, "Brother-in-law, quickly go and plead Boss Wu for me. I still want to be leading actress."

The reason why she joined the audition this time was to play leading actress.

In the end, she offended the investors before the audition even began. What bad luck.

"Alright, I'll go talk to him. Hurry up and put on your makeup." Director Sun shook his head bitterly and quickly chased after Wu Tian.

He finally caught up with Wu Tian at the entrance of the office. He smiled and tried to curry favor with him, "Boss Wu, my sister is too young and still doesn't know how to act. I hope your parents don't care about you and don't lower themselves to her level."

"For your sake, I won't lower myself to her level." Wu Tian waved his hand with a nonchalant look.

"Thank you, Boss Wu." After thanking him, Director Sun hurriedly took out a cigarette and passed it to Wu Tian, continuing to try to please him, "Boss Wu, what do you think of my sister?"

"Pretty." Wu Tian spat out two words in response.

In terms of looks, the short-haired girl was indeed very beautiful.

However, her character was too bad. No matter how good-looking she was, it was useless.

"Thank you for Boss Wu's affirmation of my sister." When Director Sun heard this, he felt that his aunt had some tricks up her sleeve, so he continued to try and get close to her. "My aunt is a graduate of Northern Shadow. She previously acted in a few online dramas and has a pretty good reputation. This time, for a new movie, she even cut her hair short ..."

"Director Sun, you want your sister-in-law to be leading actress?"

"I just feel that she has the potential. Of course, it's up to you and Director Qiao to decide who is going to be leading actress."

"It's good that you know." After Wu Tian said this, he walked into the office.

Elder Sister Yan was making a call from her office. When she saw Wu Tian, she hurriedly hung up the phone and went up to welcome him. "Boss Wu, the room arrangements for the audition have been made."

"Alright, let's begin the audition." Wu Tian looked at the time and instructed Elder Sister Yan.

"Sure, please, Boss Wu." Elder Sister Yan gestured with her hand and led the way.

Wu Tian followed her out, while Director Sun followed closely behind like a pug.

The few of them arrived at one of the larger rooms. A simple stage had been built here for the audition.

Qiao Fugang and the others were sitting in the room. When they saw Wu Tian, they stood up to greet him and arranged for him to take his seat.

After they had taken their seats, Elder Sister Yan instructed the staff to arrange the audition.

The first person to walk in was a pretty girl with a pretty face and a tall, hot body. She had a natural advantage in looks.

The moment the actress walked in, everyone's eyes lit up. All of them showed great interest in this beautiful actress.

"Hello director and judges teacher." The beauty bowed towards Wu Tian and the others before introducing, "I'm a student from the Southern Courtyard. My name is Lin Rui."

"What's your role in the audition?" Elder Sister Yan asked in a low voice. She was currently one of the judges.

"The female lead of the Flowers Bloom That Year."

"How much do you know about this heroine?"

"The female protagonist is reserved and dark, shy and noble, but she also has a great desire for love." Lin Rui said confidently.

After saying so, she couldn't help but steal a glance at Wu Tian.

She had seen Wu Tian in the dressing room and knew that he was the sponsor of the movie. She tried to be gentle in front of her boss.

"Then please use your limbs and expression to depict your gloom and shyness." Elder Sister Yan threw out this difficult problem.

"Alright."

After Lin Rui answered, she started her performance.

The next part of the performance was pretty good. It wasn't particularly spectacular, but it wasn't that bad either.

After the performance was over, Elder Sister Yan nodded her head in satisfaction. She instructed Lin Rui, "You can go to the main area and wait there. I'll let you know the results later."

"Thank you, teachers." After Lin Rui thanked him, she turned around and left the room. When she passed by Wu Tian, she intentionally gave him a seductive look.

After Lin Rui left, Elder Sister Yan turned to look at Qiao Fugang and Wu Tian, "Boss Wu, Director Qiao, what do you think about this actor's performance just now?"

"I think it's pretty good. It can be considered good in all aspects." After Qiao Fugang expressed his opinion, he turned to Wu Tian and asked, "Boss Wu, what do you think?"

"No, she doesn't have any particularly attractive highlights. She's not suitable." Wu Tian shrugged and gave the answer.

"Boss Wu's requirements are really high." Qiao Fugang nodded in approval and instructed, "Next."

"Alright." After Elder Sister Yan answered, she took out her walkie-talkie and blew it open, asking the staff to bring in a second actor.

After the door was pushed open, the short-haired girl was brought in.

Everyone seemed to know that she was Director Sun's aunt, so their attitude became a lot more polite.

"Hello, why don't you give us an introduction first!" Elder Sister Yan smiled and said politely.

"Alright." The short-haired girl walked onto the stage and bowed to the crowd, "Dear Boss Wu, Director Qiao and the judges, I am..."

"Wait!"

Before he could finish, he was interrupted by Wu Tian: "You've been eliminated, get out!"

"Huh?" The short-haired girl's mouth was wide open as she stood there in a daze. She had been eliminated before she could even begin.

She immediately understood that Boss Wu must be avenging his personal interests and purposely took this opportunity to punish her.

Hidden Billionaire Chapter 250 - No Opportunity -

C250 No Opportunity

The others were also dumbfounded. They never thought that they would be interrupted by Boss Wu before the other party could even start his performance.

The atmosphere at the scene was a bit awkward. After all, the girl on stage for the audition was Sun Yiyi's sister-in-law. This interruption actually left everyone at a loss for words.

Finally, Yan Jie opened her mouth to break the awkward silence and reminded Wu Tian in a low voice, "Should we let the actors on stage finish performing before we decide whether to be eliminated or not?"

"No need for a performance, she has already been eliminated." Wu Tian's tone was very firm and there was no room for negotiation.

"Why?" Yan Jie frowned in confusion.

Including Qiao Fugang, many people were puzzled. They did not know why Wu Tian had such a strong prejudice against the actress on stage.

Only Director Sun knew the truth. He knew it was because his little sister had offended Boss Wu in the dressing room.

"Because this girl's character is not good enough." Wu Tian pointed out the reason immediately and stated his position, "If her character is bad, then it's useless no matter how good her acting is."

Hearing this, everyone fell silent.

No matter how dumb he was, he understood that Boss Wu must have had some grudge with the short-haired girl, so this scene appeared.

"Boss Wu, I was in the wrong before. I've already apologized to you." The short-haired girl lowered her body and pleaded, "I only hope that you can give me a chance to audition. I want to prove that I'm not a vase."

"You don't have a chance." Wu Tian was merciless.

"I ..." The short-haired girl was so angry that her body began to tremble. She viciously retorted, "This is a form of public revenge for a personal grudge."

"Like I said, I don't want people with bad character." After Wu Tian said this, he extended his hand and made a gesture of "Please leave."

"I ..."

The short-haired girl stood where she was, her lips turning purple from anger.

She did not expect Wu Tian to be so excessive that he would embarrass her in such an awkward and embarrassing situation.

If she were to walk out like this, wouldn't she be laughed out loud?

After gritting her teeth for a long time, the short-haired girl looked at Director Sun with a pleading look. "Brother-in-law, say something!"

"Cough, cough!"

Director Sun coughed dryly, smiled and discussed with Wu Tian, "Boss Wu, I hope you will give her a chance to audition."

"I'm sorry, she won't have a chance."

"But ..."

Director Sun was interrupted by Wu Tian before he could finish his sentence, "If you insist on keeping this girl, I will withdraw my funds."

His attitude was very clear and very firm. There was no room for negotiation.

He also warned the other members of the crew not to send their relatives and friends inside.

If all the characters were chosen through relationships, it would ruin a good show and ruin everyone's hard work.

"I see." Hearing this, Director Sun had nothing else to say. He instructed the short-haired girl, "Go on out."

"You, you two ..." The short-haired girl was so angry that she stomped her feet. After gritting her teeth for a long time, she finally left the room in a huff.

After this incident, the atmosphere in the room became awkward.

Yan Jie glanced at Wu Tian and tried asking, "Do you want to continue the audition?"

"Continue."

"Alright then." Yan Jie nodded. She picked up the walkie-talkie and instructed the staff to bring in the next actor.

Following that, more than twenty actors were interviewed and the male lead, male partner and supporting actress were selected. However, the female lead's role was never chosen.

After the interview, Wu Tian asked Qiao Fugang, "Which of them do you think is suitable for leading actress?"

"I think Nine and Number Sixteen and Number Twenty-One are pretty good." Qiao Fugang gave his opinion.

"The last one is not bad either. Pay more attention."

"Alright, we'll do the second round and choose from these four people."

"Then you guys go ahead, I'll go back to the hotel first. If there's anything else, we can contact each other on the phone." After saying that, Wu Tian walked outside.

Qiao Fugang quickly followed him out, and said with a smile, "Boss Wu, it's time to eat. Why don't we go out for dinner?"

"There's no need, you guys are tired from running around. Go back and rest early!" Wu Tian quickly left the office after saying that.

The choice of role this time was successful. However, there was a small conflict between him and Director Sun. It was likely that there would be a barrier between them as well.

This was nothing. In order to allow the new movie to proceed smoothly, he had no choice but to offend Director Sun.

He took a taxi back to the hotel. Just as he stepped into the elevator, he saw a girl holding a big bag and shouting, "Hello, mister! Wait for me!"

Hearing the shout, Wu Tian quickly pressed the button to stop the elevator.

"Thank you!" After the girl expressed her thanks, she ran towards the elevator with a big bag and a small bag in her hand.

When he walked closer, he realized that this girl was none other than the same Lin Rui who was in the first audition for the filming crew.

At the moment, she was wearing a short dress with a hanging belt. She looked sexy, seductive, beautiful, and mesmerizing.

"Eh, what a coincidence." Lin Rui ran into the elevator and recognized Wu Tian. She said with surprise, "Boss Wu, you also live in this hotel?"

"Right." Wu Tian nodded and glanced at the bags in Lin Rui's hands. "Why did you buy so many clothes?"

"There's nothing we can do. For tomorrow's audition, we have to run over to another two sets tomorrow." Lin Rui gritted her teeth bitterly.

Today, she was wiped out by Wu Tian, but she didn't mention anything about it.

"Work hard to advance, not bad." Wu Tian nodded in satisfaction.

Actually, he quite agreed with this girl's personality and attitude. It was just that this girl's way of playing was too ordinary and didn't attract any attention.

"There's nothing I can do about it. I'm from the countryside, so if I don't work hard, I can only eat the dirt." Lin Rui sniffed with a bit of bitterness in her eyes.

"Ha ha!"

Wu Tian just grinned and didn't say anything.

At this moment, the elevator stopped at the ninth floor. Wu Tian walked out of the elevator and found that the girl also followed him out.

Wu Tian stopped walking and turned around to look at the girl, "What a coincidence, you also live on the ninth floor?"

"Yes, I live at 905." Lin Rui smiled and walked quickly towards 905 with the card in her hand.

"What a coincidence, I live next door to you." Wu Tian pointed to the door at the side and said with a smile.

"Boss Wu, good night." Lin Rui waved her hand and carried her big and small bag into the room. Just as she was about to close the door, she suddenly let out a blood-curdling screech.

Out of instinct, Wu Tian quickly looked into the room and asked with concern, "What's wrong? Are you okay? "

"Ah, I've sprained my foot." Lin Rui sat paralyzed on the ground with her hands on her legs. She looked as if she wanted to die from the pain.

"Why are you so careless?"

"Just now when I was closing the door, I accidentally tilted it a little."

"What's the situation like?"

"Not bad." Lin Rui gritted her teeth and made a brave front as she pleaded, "Can you help me?"

"Alright." Wu Tian pushed open the door and walked in. He tried asking: "You want me to send you to the hospital?"

"No, it's not that serious." Lin Rui rubbed her thighs and whispered, "Carry me to bed. I'll recover after a night's rest."

Hidden Billionaire Chapter 251 - Feign Injury -

C251 Feign Injury

"Alright, no problem." Wu Tian reached out and picked the girl up from the ground. The moment he touched her body, he heard her pained cries of shyness.

Wu Tian was so scared that he quickly put the girl down on the ground and asked with concern, "What's wrong? Did it hurt you? "

"No."

Lin Rui bit her lips and muttered in embarrassment, "This is the first time a man has touched my body. It feels a little weird."

"You scared me. I thought I hurt you."

"It's fine, please carry me to bed."

"Ok!" After Wu Tian answered, he picked the girl up again.

He felt as if the girl's body had been electrocuted. She was breathing hot air through her nostrils. She looked extremely shy.

He slowly placed the girl on the bed and looked down at her right leg. "How are your injuries?" Is there any swelling? "

"It's not swollen." Lin Rui bit her lips and pleaded, a little embarrassed. "Can you help me press my ankle?"

"No problem." Wu Tian nodded, grabbed Lin Rui's wrist and started pressing.

Her wrists were soft, smooth, and fair, and they were a good squeeze.

He only felt that there was nothing wrong with his wrist, it did not look like it had been sprained.

He squeezed them a few times, and just as he was about to raise his head, he saw Lin Rui slightly opening her legs up and looking at the beautiful scenery that was faintly discernible inside the dress.

Wu Tian's head turned hot and he quickly turned his head to the side, avoiding the awkward scene.

After pressing a few times, Wu Tian asked with concern, "Miss Lin, how do you feel about your legs now?"

"Thank you, Boss Wu. It's much better now." Lin Rui smiled sweetly, a few traces of red on her face.

"Then rest well, if there's nothing else, I'll take my leave first." After Wu Tian said this, he turned around and prepared to leave.

Facing such a beautiful girl by himself, he was truly worried that he would be unable to control himself and do something shameful.

"Wait!"

When he walked to the door, he was stopped by Lin Rui. He heard her say gently, "Boss Wu, I'm thirsty. Can you pour me a cup of water?"

"No problem."

Wu Tian walked over and poured a cup of warm water for Lin Rui, "Here you go."

"Thank you!" Lin Rui thanked him and took the cup. Her hands slipped and the cup fell on her chest. All the water in the cup splashed onto her clothes. Her clothes were instantly soaked by the warm water.

What a beautiful wet body picture. Wet clothes stuck close to his body, outlining the most perfect outline of his body, making Wu Tian swallow his saliva.

He had to admit that this girl's figure was simply too perfect, almost impeccable.

"Ya!"

Lin Rui quickly covered her body with her hands and scolded him with a blushing face, "Boss Wu, what are you looking at?"

"No ..." "Nothing." Only then did Wu Tian come back to his senses. He quickly turned around with an awkward expression on his face.

"I... I'm going to the bathroom to change. " Lin Rui then got off the bed and limped towards the bathroom.

"Hu!"

Seeing Lin Rui enter the bathroom, Wu Tian secretly let out a sigh of relief. This woman was simply a goblin.

Dammit, it's better to leave quickly. If he did something shameful, that wouldn't be good.

Thinking up to here, he walked towards the outside as if he was escaping.

Just as he walked to the door, he heard Lin Rui's voice again: "Boss Wu, can you do me a favor?"

"Ah?" "What is it?" Wu Tian had no choice but to stop when he heard Ye Zichen's shout.

"I forgot to bring my clothes. Can you help me bring them in?"

"No problem." Wu Tian took a set of clothes from the box on the floor and walked to the bathroom door, "Your clothes, I put them at the door?"

"Pass it in!" As soon as Lin Rui finished her sentence, the bathroom door opened a crack.

"Cough, cough!"

Wu Tian raised his head and saw the white scenery. He was so shocked that he quickly turned his head to the side and passed the clothes in, "Err ... Your clothes. "

"Thank you!" Lin Rui took the clothes and hurriedly closed the door.

"Be careful. I'll be leaving first." Wu Tian walked out of the bathroom after saying that.

He really didn't understand. This woman was so anxious to have him hand over the clothes.

After he left, the room was completely empty. Even if the woman came out naked, it would still be fine. Why did she ask him to hand over the clothes?

"Ah ..."

Just as he reached the door, he heard a scream coming from the bathroom.

Hearing the scream, Wu Tian hurried back to the bathroom and asked with concern, "Miss Lin, what's wrong?"

"Ah, I ..." I fell and had a backache. " Lin Rui's voice came from the bathroom.

"Are you okay?"

"I... "My waist is hurting. I'm in so much pain, I can't move. Ah ..."

"Then... "Then what should we do?"

"I can't move right now, can you come in and help me?"

"This... "Fine." Wu Tian hesitated for a few seconds. Just as he was about to knock open the door, he heard Lin Rui's voice: "The door isn't locked, just come in directly."

"It's not locked?" Wu Tian's brows slightly knitted. He didn't expect that Lin Rui, who was bathing in the bathroom, would not lock the door.

However, he didn't have time to think about it now. He hastily pushed open the bathroom door and rushed in. He saw Lin Rui lying on the floor, looking as if she wished she were dead.

At this moment, there was nothing on her body. There was no cover on her body.

Beautiful, too beautiful.

He had never seen such a beautiful body before. It was too pleasing to the eye.

"Hey, have you seen enough?" Lin Rui used her hands to protect her body as she scolded angrily. Her entire body had long turned red, even her neck was completely red.

"Enough... That's enough. " Wu Tian came back to his senses and quickly grabbed a towel to cover Lin Rui's body.

"Hu!"

Lin Rui sighed secretly, bit her lips and whispered, "Boss Wu, please carry me to my bed."

"Alright." Wu Tian slowly squatted on the ground, reached out his hand and picked the woman up.

Even through the towel, he could still feel the beauty.

The moment his hand touched the woman's body, Lin Rui's body violently trembled as if she had been electrocuted, and her face turned even redder and hotter.

Wu Tianqiang endured the heat and rushed out of the bathroom with Lin Rui in his arms, putting the girl on the bed.

"Boss Wu, thank you." Lin Rui covered her body with a towel and said with a shy smile.

"Have a good rest, then I'll leave first." Wu Tian felt like his head was about to explode. Right now, he only wanted to escape from this place.

"Ah ..."

Lin Rui let out a painful cry and pleaded in a low voice, "Boss Wu, my waist is twisted now, so I can't move. Can you stay and help me?"

"Is it serious? If it doesn't work, I'll send you to the hospital? " In fact, he had a good impression of this girl.

"You can't go to the hospital naked, can you?"

"Then what should we do?"

"Can you help me put on my clothes first?" Lin Rui bit her lip and muttered in an almost inaudible voice.

"Huh?" Wu Tian opened his mouth wide. He didn't think that this girl would make such a request. Was it on purpose to tempt him?

"Cough, cough!" Wu Tian coughed dryly and said embarrassedly: "This isn't a good idea, right?"

Hidden Billionaire Chapter 252 - I Was Hoping to Do This -

C252 I Was Hoping to Do This

"What else can I do?" Lin Rui said softly with a bashful expression, her face turning even redder.

"I see." Wu Tian thought for a moment and suggested, "I'll find a waitress and give her some money to help you change your clothes."

He was worried about changing this woman's clothes. If he wasn't able to control himself and accidentally did something extremely evil, then he would be in deep trouble.

"No." Lin Rui shook her head and refused, "I don't want a stranger to see my body."

"Then you want to be seen by a stranger like me?"

"I ..." Lin Rui bit her lips and said after a long time with a blush on her face, "Anyway, I've already been seen by you just now, so what's the difference?"

After saying so, she bit her lower lip and lowered her head, embarrassed to the point of being unable to show her face.

"Ugh ..."

Wu Tian was silent for three seconds. Finally, he nodded: "Ok."

In any case, this kind of thing would not be a loss to him, so he naturally wished for it.

"Then be more honest." Lin Rui warned him in a low voice as she slowly took off the towel on her body.

"Cough, cough!"

Wu Tian coughed dryly and stared at her for a while. Then, he picked up the clothes and quickly put them on Lin Rui.

Fortunately, it was a skirt and it was very convenient to wear. He quickly helped her put it on.

In this period of time, his hands had been very obedient, and he did not dare to even touch them.

On the other hand, Lin Rui became extremely shy. Her entire neck was red, and the corners of her eyes had a faint shyness.

Lin Rui's eyes were filled with disappointment when she finished wearing the dress. "You're done wearing it already?"

"Right." Wu Tian nodded and rubbed his hands awkwardly. Then he took out his phone from his pocket, "I'll call 120 right now and ask them to send you to the hospital."

"Wait!"

The moment he took out his cell phone, Lin Rui strongly objected, "Don't call 120 yet, I don't want to go to the hospital."

"Not going to the hospital?" Wu Tian slightly frowned as he looked at the girl on the bed with narrowed eyes. He couldn't help but start to suspect her in his heart.

"Boss Wu, do you think I'm beautiful?" Lin Rui suddenly changed from being shy to putting on a seductive pose.

"Beautiful."

Wu Tian nodded strongly. A woman with a beautiful face and sexy body, coupled with this seductive posture, she was just too beautiful.

But then he thought about it and soon realized something was wrong, "Didn't you fall with a broken waist and can't move?"

"I feel much better now. Can you hold it for me?" Lin Rui slowly lifted her skirt, her alluring eyes mesmerizing.

"Miss Lin, I think you'd better go to the hospital."

"I've recovered." Lin Rui directly jumped down from the bed and walked slowly towards Wu Tian, "Boss Wu, do you like me?"

With that, she went up to Wu Tian and hugged him.

"So that's how it is." Wu Tian pushed the woman away and said coldly, "From the beginning, you approached me intentionally to seduce me, right?"

He didn't think that all of these coincidences could be arranged by this woman.

This woman had deliberately lived next door to her, had deliberately met him in the elevator, had deliberately twisted her ankle, had deliberately fallen over ...

All this is false.

"Well, I admit that I did mean to get close to you." As things stood, there was no need for Lin Rui to continue her disguise.

After a busy night, she deliberately bewitched Wu Tian.

If it was any other man, they would have already pounced on her like wolves and tigers. She didn't expect that this brat in front of her had such strong willpower. He was actually able to persevere.

"As expected of a professional actor. You sure are good at acting." Wu Tian couldn't help but stick out his thumb, praising, "The perfect combination of a little girl's shyness, modesty, and enchantment makes a man's heart itch, but he can't stop."

"That's right. I did use some tricks to get close to you, but ..." Lin Rui changed her tone and pretended to look at Wu Tian affectionately, "It's because I like you that I tried to get close to you. From the first time I saw you, I've been deeply entranced by your temperament and charm ..."

"Stop!"

Wu Tian stretched out his hand and bluntly interrupted, "You came close to me because you wanted to be the new leading actress."

"No, I'm not the kind of girl you think I am."

"Is that so?"

"Right."

"Even now, you still want to lie to me."

"I'm not lying, I really just like you ..."

"Alright then." Wu Tian approached Lin Rui and said coldly, "If I slept with you and didn't give you any role or money, would you be willing?"

"I ..." Lin Rui choked on those words.

"If you like, I'll stay tonight."

"You ..." Lin Rui gritted her teeth, and after a long while, she finally managed to spit out, "Of course not."

Even a fool wouldn't be willing to give up his own body for nothing, and in the end, he wouldn't be able to obtain anything.

For a girl like her, she never lacked men. She didn't look for Wu Tian for that kind of thing.

"If you are unwilling, then see you later." Wu Tian threw down those words and turned around to walk outside.

To be honest, he originally had quite a good impression of this woman.

However, when he found out that the woman had seduced him for leading actress, he was thoroughly disappointed and even felt a little disgusted.

He had heard that the entertainment circle was very dirty and messy. Now that he saw them today, it really was an eye-opener for him.

Many women seem perfect and clean, but their hearts are so dirty that they sell out their bodies for power.

"Halt."

Seeing that Wu Tian was about to leave, in a moment of desperation, Lin Rui quickly blocked his path and went straight to the point. "Then, how about you tell me what we need from each other and I'll go to bed with you. Give me leading actress, what do you think?"

"No, I'm not interested in you." Wu Tian waved his hand and mercilessly refused: "Even if you go to bed with me for free, I don't want it."

"You ..." The corner of Lin Rui's mouth twitched a few times in anger.

She had seen a lot of big bosses, but this was the first time she saw someone like Wu Tian. He was really hard to deal with.

"You better take care of yourself!" After saying this, Wu Tian turned around and quickly left.

"Hey ..." Lin Rui stood dumbly on the spot, almost dying of anger.

After busying herself for the entire night and getting taken advantage of by this brat, she didn't expect that she would end up empty-handed.

She could only blame herself for being unlucky to encounter such a fellow.

Wu Tian went back to his room and quickly went into the bathroom to take a shower. He wanted to cool himself down in this way.

Although he didn't like women like Lin Rui, he couldn't help but admire her. She had truly described a woman's charm to the fullest.

In addition to her beautiful face and sexy figure, most people would not be able to hold on for too long.

It really wasn't easy for him to hold on until now. Even he himself couldn't help but cheer for himself.

Damn, how close he was to falling into Lin Rui's trap tonight. Luckily, he had good self-control.

After showering, he would lie on the bed and flip through magazines to understand the entertainment industry.

Since he had invested in movies, he needed to have some understanding of the entertainment circle and learn the various rules within it.

He read until late at night.
