

## Hidden Billionaire Chapter 253 - Female Lead -

### C253 Female Lead

After getting up the next day, Wu Tian washed up and then left the room, ready to talk to Qiao Fugang and the others about the female lead.

On the way downstairs, he ran into Lin Rui.

The woman looked a little tired, the circles around her eyes were slightly black. It seemed like she hadn't slept well last night.

After seeing Wu Tian, Lin Rui's expression was clearly a bit awkward.

However, she soon pretended that nothing had happened and greeted Wu Tian with a smile, "Boss Wu, good morning."

"Alright!" Wu Tian replied and was too lazy to waste time with the girl.

Ever since last night's incident, he did not have a good impression of this girl. He was even a bit disgusted and disgusted with her.

The girl had seduced him in that way last night, and she must have seduced another man in the same way.

The thought of her beautiful face and sexy body being touched by so many men made him feel nauseous.

He was especially contemptuous of this kind of bus girl.

After the two of them went downstairs, they walked out of the elevator and didn't have any interaction with each other.

Wu Tian took a taxi directly to the office and saw that both Qiao Fugang and Yan Jie were very busy and worried about the casting.

"Boss Wu, you've come at the right time." Qiao Fugang quickly stood up from his chair and said with a smile, "We are just worrying about leading actress."

"Didn't you say that you would do the second round of the audition and choose leading actress as the best one?" Wu Tian patted Qiao Fugang on the shoulder and gestured him to sit down.

"We had the second round of the audition this morning and found that two of the actresses were excellent. It was really hard to decide."

"So you're saying that the second round of the audition eliminated two people, leaving only two actors behind?"

"Right." Qiao Fugang nodded, poured a cup of tea and handed it over, "In the end, leading actress's number still needs to be decided by Boss Wu."

"Where are they now?"

"The reception room."

"Let's go. Bring me there to take a look." Wu Tian drank a mouthful of tea, then turned around and walked out of the office.

Qiao Fugang quickly led Yan Jie, Director Sun, and the others to welcome him.

The group arrived at the reception room.

Inside, there were two young actresses. Their looks and figure were not bad, and they both had their own unique characteristics. Just a glance at them was enough for people to remember them.

The two actresses stood up at the same time and bowed to him, "Greetings Boss Wu and Director Qiao."

"You're welcome. Take a seat." Wu Tian led everyone to sit opposite of the two actresses. He got straight to the point, "You two are very outstanding. Your looks, temperament, and acting skills are equally matched."

"But ..."

At this point, Wu Tian suddenly changed his tone: "There's only one female lead, so I have to choose one from among you. No matter who is chosen, the one who loses must not have any resentment."

"Boss Wu is right." The two actresses acted naturally.

"Alright, I'll give you all an exam question." Wu Tian looked at leading actress and said with a smile, "You guys are going to act out a story related to me. You have to show sadness and excitement mixed in."

"Alright, I'll go first." Actor # 1 volunteered himself and began his spectacular performance.

She was acting as Wu Tian's girlfriend, worthy of being a professional actor. From the start, she started acting passionately, showing off her acting skills to the fullest.

Number Two also did not show any weakness. She was playing the part of Wu Tian's sister, who was also a substitute for others in the situation. She was both sad and happy.

After watching the two ladies' performance, Wu Tian was very satisfied. "Your acting skills are all very good. It's so good that there's nothing to criticize about it."

"Thank you, Boss Wu, for your praise." Contestant # 1 stood up and bowed to express his gratitude, showing his full confidence.

"I already have a choice." Wu Tian rubbed his chin, pointed at contestant # 1 and said, "Your performance was very exquisite ..."

"Thank you, Boss Wu, for choosing me as leading actress. I will definitely seize this opportunity to live up to your expectations." Actor # 1 stood up again and bowed in thanks, tears welling up in the corners of his excited eyes.

"Cough, cough!"

Wu Tian coughed dryly and said coldly, "Miss, can you wait for me to finish?"

"Please speak." Only then did the number one actress realize that she had been happy too early and quickly sat back down.

"I choose number 2." Wu Tian was too lazy to waste his breath and directly answered: "Contestant No.2 is my final choice. She will become our new movie's leading actress."

"Huh?"

Contestant # 1 was completely dumbfounded. She originally thought that this matter was set in stone, but she never expected that she would lose in the end.

Candidate # 2 stood up from her chair. She was not as excited as # 1, she only bowed and said two words: "Thank you!"

"Alright, go sign with Director Qiao!" After Wu Tian said this, he stood up and prepared to leave.

"Wait!"

At this time, contestant # 1 couldn't sit still anymore, so she couldn't help but ask: "Boss Wu, can you tell me the reason why you failed the competition?"

Contestant Number Two also looked at Wu Tian eagerly. She also wanted to know the reason for her selection.

Including Qiao Fugang and Yan Jie, everyone wanted to know the reason why Boss Wu chose No. 2.

"Both of you were excellent at that performance." Wu Tian turned around and looked at the two girls and said seriously: "But No. 1 volunteered to stand out first and stole the role of lover. Obviously, you took the initiative. This is also where your scheming goes. I don't like scheming girls. "

"I ..."

Contestant No.1 wanted to cry but had no tears. She had originally thought that she would win if she seized the opportunity. Who knew that this would harm her instead?

"Also ..."

Wu Tian paused for a moment and continued, "When contestant # 1 performs, her lines and actions are all meant to please me, but contestant # 2 is different. Her performance is very pure, not fawning on me at all. It's even a bit aggressive. In order to perform without fear of offending the boss, this kind of actor is more worthy of respect. "

"I ..."

Contestant # 1 wanted to cry, but no tears came out. Was it wrong for her to please her boss when she was performing?

In the past, whenever she performed, she would flirt with her boss or director in terms of speech and language. She was highly praised.

However, she didn't expect that the boss she met this time was different from the others.

What kind of boss is this?

No. 2 contestant, on the other hand, was looking at Wu Tian with a meaningful look, as if he was very happy to meet him.

She had never met an actor who could be so fair in choosing an actor.

All the bosses that she had met liked to flatter her and even tried to play along with the actresses. However, this boss of hers was really different from the others.

Qiao Fugang and the rest were secretly impressed. They didn't expect Boss Wu to be so meticulous as to choose leading actress's number.

"Alright, leading actress will be done." After Wu Tian said this, he ordered the second actress, "Beauty # 2, go sign the contract with Director Qiao. From now on, you are our new movie's leading actress."

"Thank you, Boss Wu." After the girl thanked him, she followed Qiao Fugang and left the reception room.

"Elder Sister Yan." After choosing leading actress, Wu Tian turned to Yan Jie and asked, "Now that the main characters are basically decided, what roles are there left?"

C254 Unclean

"Now, I only lack two supporting actress Jiao's." After answering, Yan Jie leaned her head over and whispered, "Earlier, Lin Rui made a phone call. She wanted to be supporting actress Jiao."

"Lin Rui?" Wu Tian was surprised, he didn't expect this woman to be supporting actressjiao.

She was eliminated from leading actress's audition yesterday, and failed to lure Wu Tian in the hotel last night. He didn't think that she would lower herself to be supporting actress.

"With Lin Rui's innate talent, she's a bit lacking when it comes to being leading actress. But she's definitely more than enough to make supporting actress. " Yan Jie whispered into Wu Tian's ear.

Wu Tian rubbed his right cheek and joked, "Jiejie, don't breathe heavily next to my ear, it's itchy to death."

"Cough, cough!"

Yan Jie coughed dryly and quickly took two steps back to maintain the distance. With a serious face, she said angrily, "Boss Wu, I'm serious with you. Why are you always joking with me?"

"No kidding. It really is itchy." Wu Tian stopped smiling and put on a serious expression.

"You ..."

Yan Jie gritted her teeth, too lazy to bring up the matter anymore. She asked again, "Boss Wu, what do you think about Lin Rui being supporting actress?"

"No, not even if she's doing a group performance." Wu Tian's tone was very firm.

If Lin Rui didn't do that last night, he would have naturally let this woman be supporting actress.

After what happened last night, he was thoroughly disappointed by Lin Rui and didn't intend to continue filming with this kind of woman.

"Lin Rui is a good actress, why don't we take her?" Yan Jie frowned in confusion.

"I'll tell you the truth, I met Lin Rui at the hotel I stayed in last night ..."

"Could it be ...?" Yan Jie's face tightened slightly as she asked with suspicion, "Boss Wu wants to be rejected by Lin Rui for her unspoken rule?"

"Scram."

Wu Tian rolled his eyes at Yan Jie. "Am I such a despicable boss in your eyes?"

"I'm sorry, I just said it casually. Don't mind it, Boss Wu."

"Remember, I have never been unruly to any woman."

"Is that so?" Yan Jie pouted doubtfully and continued, "Boss Wu, you met Lin Rui at the hotel last night. What was the result?"

"That woman deliberately approached me. She deliberately seduced me. She wanted to use her body to make a deal with me so that I could become the movie leading actress." Wu Tian briefly explained what happened last night.

"Then you didn't agree?"

"Of course not."

"Is that so?" Yan Jie glanced at Wu Tian with a strange expression, her eyes were filled with astonishment.

With Lin Rui's looks, the other men probably wouldn't be able to hold it in and would definitely agree to such a dirty deal.

What surprised her was that Wu Tian was unmoved by Lin Rui's coaxing.

"Using your body as a bargaining chip, this kind of woman makes me feel disgusted." Wu Tian added: "If you and Lin Rui let me choose one to bed, I won't choose her even if I choose you."

"F \* ck off, who the hell wants to sleep with you."

"I'm just making an analogy."

"Don't make such a disgusting analogy in the future." Yan Jie rolled her eyes and blushed.

"Ok!"

Wu Tian slumped down on the sofa and crossed his legs as he sighed. "I didn't expect the entertainment circle to be so chaotic. A beautiful woman like Lin Rui can only sell her body to be promoted. It's really chilling."

"In the entertainment circle, this sort of thing happens quite frequently." Yan Jie was already used to it and didn't mind. "If you want to stand up for yourself in this circle, you have to rely on relationships or your body. There aren't many women who are clean."

"So you're not clean, either?"

"I'm not part of the circle."

"Just kidding." Wu Tian smiled awkwardly and retorted, "Actually, in the entertainment circle, there are also clean women, such as Elder Sister Lan."

In her mind, Huang Lan was a very clean woman.

Previously, when someone tried to play along with her unspoken rules, she would rather die than obey them. Furthermore, she offended the big shots of the entertainment circle. At that time, it was fortunate that Wu Tian stepped in to save her.

Elder Sister Lan was able to come to this day all because of her strength and unremitting efforts. She had always kept her bottom line, and only now could she win respect.

"What Elder Sister Lan?" Yan Jie couldn't resist asking.

"It's our Luzhou's popular singer, Huang Lan."

"Oh, yes." Yan Jie nodded her head in approval, "This woman is indeed a good person in the entertainment circle. She has a good reputation in the circle and has never been heard of by anyone."

"I like this kind of woman. She would never sacrifice her body for her position."

"You know Huang Lan?"

"Not only do we know each other, we ..." Before Wu Tian could finish his sentence, he was interrupted by a rapid knock on the door.

Yan Jie's brows tightened. She couldn't help but ask curiously, "Could it be that you and Huang Lan have a relationship?"

"Don't talk nonsense, Elder Sister Lan and I are only normal friends." After Wu Tian said this, he reminded Yan Jie, "Open the door, or else others will think that you and me are doing something shameful in your room."

"What nonsense." Yan Jie rolled her eyes. She walked over to open the door and saw Lin Rui standing outside.

Lin Rui bowed slightly and said with a smile, "Teacher Yan, I've heard that you are lacking the second female lead. I can give it a try."

"This ..."

Yan Jie turned around and looked at Wu Tian with an embarrassed smile, "Sorry, you don't meet the requirements of our second female lead."

"I can also act as supporting actress."

"I'm sorry, but that won't do either."

"This is what you guys, Boss Wu, want, right?" Lin Rui turned her gaze to Wu Tian, a faint trace of anger in her heart.

"This ..." Yan Jie wanted to find an explanation, but was interrupted by Wu Tian before she could finish, "That's right, it was my intention."

"Boss Wu, with my strength, being the second female lead or supporting actress is definitely more than enough." Lin Rui barged into the reception room and asked aggressively, "Why didn't you use me?"

"We only want clean women." Wu Tian replied coldly.

In other words, Lin Rui was not clean.

"You say I'm not clean, then you're clean?" Upon hearing this, Lin Rui became especially angry and said with her face breaking, "When I was taking off my clothes last night, didn't you enjoy it just the same?"

"That's just a man's instinctive reaction."

"Humph!" Lin Rui snorted coldly and said disdainfully, "You make it sound like you are a noble person. In fact, you are not a good person either."

"Is that all? "Once you're done, you can scam."

"Remember the humiliation you gave me today, don't think that the earth can't spin without you." Having said so, Lin Rui turned around and left in a huff.

"Take good care of your body." Looking at Lin Rui's back, Wu Tian warned, "One day you will find out that your body is more important than money or reputation."

"We'll see." Lin Rui cast him a vicious glance before she turned around and left with quick steps.

"F \* ck!"

Wu Tian cursed silently as he watched this woman walk away. Then, he ordered Lin Rui, "Remember, this kind of woman never wants to cooperate with her."

"Understood." After Yan Jie responded, she couldn't help but add, "Boss Wu, as the saying goes, a dog jumping over a wall in desperation. I'm worried that this woman will ..."

"Don't worry, she can't do much." Wu Tian did not think much of it and did not even put this woman in his eyes.

"Alright!" Yan Jie didn't say anything more, but she had a bad feeling about this.

### **C255 Billionaire**

After that, Wu Tian quickly helped the team choose their supporting roles. After the role selection was completed, the production team was officially established.

After that, the selection process went smoothly, as the preparations for the early stage were all ready.

These days, having money was easy to do. With sufficient funds from the production team and good teamwork, it only took a week for all the preparations to be completed.

After a brief discussion, everyone decided to hold the opening ceremony at noon tomorrow.

In the afternoon, everyone in the crew, including the director, the screenwriter, the actors, and the cameramen, gathered for dinner.

After dinner, everyone went back to rest.

Wu Tian took a taxi back to the hotel and met Lin Rui in the elevator again. The girl was holding onto a bald old man.

"Boss Wu, you don't like me, so there are naturally other men that like me." Having said so, Lin Rui tiptoed over and kissed the old man on the cheek.

"I'm ashamed of you for selling your body and dignity." Wu Tian said in disdain.

"Dignity?" Lin Rui laughed self-deprecatingly, "People like us have dignity? When you humiliated me this morning, did you consider my dignity? "

"You have to protect your dignity."

"Humph!" Lin Rui snorted coldly and said viciously, "Remember the humiliation you gave me this morning. I will pay you back double soon."

"What a pity." Wu Tian sighed. There were many different emotions in his heart.

She was a good girl, and her acting was not bad either. It was a pity that she had fallen so low. It was truly chilling.

When the elevator reached the ninth floor, Lin Rui pulled the old man out. After walking out of the elevator, she turned around and glared at Wu Tian. "Remember, I will trample you under my foot."

Saying so, she took the old man to her room.

Wu Tian smiled bitterly and quickly walked towards his room.

After taking a bath, he would lie on the bed and read. For some reason, he was always a bit distracted.

Perhaps he was feeling sorry for Lin Rui, or perhaps there was another reason.

He didn't sleep until very late. After getting up the next day, he washed up and left his room. Coincidentally, he met Lin Rui again in the elevator.

The girl was getting close to the old man from last night. After seeing Wu Tian, the two parted reluctantly.

"Boss Wu." Lin Rui wiped off the saliva at the corner of her mouth, and introduced the old man to the man: "This is the CEO of Xianyi company Corporation, Zheng Tiancheng."

"Xianyi company company?" The moment Xianyi company company was mentioned, Wu Tian's expression immediately tensed up.

It was such a coincidence, who would have thought that this bald old man in front of them was the boss of Xianyi company, a small company under their Wu Family.

"I believe you must have also heard of Xianyi company. This is a large company with famous Demon Capital. Their recently invested movie, The Love of the Yellow River, is going to begin soon, and I am the female lead in it." Lin Rui raised her head proudly.

"Is that so?"

"Even if you don't give me a chance, I can still become a female lead."

"Is it worth showing off for a female lead that you exchanged her body for?" Wu Tian could not bear to see the smile on Lin Rui's face, so he couldn't help but mock her.

"It's my ability to trade my body for what I want."

"I'm blushing for you." After Wu Tian said this, he walked out of the elevator right when he reached the first floor.

He had never thought that there would be such a shameless woman in the world. It would be a waste of his saliva to talk to such a woman.

He had just walked out of the elevator when he saw Lin Rui chasing after him, "Boss Wu, do you really think you're amazing?"

"I don't think I'm that good. I'm just doing my job well."

"Compared to Xianyi company, you're not even a fart." Lin Rui spat on the ground and said viciously, "I will make you beg me soon."

After saying so, she pulled the bald old man along as she quickly left.

"You overestimate yourself." Wu Tian shook his head and smiled bitterly. He quickly left the hotel and took a taxi to the temporary office of the film crew.

As soon as he arrived at the office, he heard that there was a big problem with the film crew.

Including Qiao Fugang, everyone was extremely flustered, as if it was the end of the world.

"What's going on?" Wu Tian saw that the situation was bad and hurriedly asked Qiao Fugang and the rest about the situation.

"Not good." Qiao Fugang sighed and hurriedly reported: "Just now, many actors expressed their refusal to cooperate. The venue was cancelled, and even the prop companies had to cancel their cooperation."

"How did this happen?" Wu Tian slightly frowned and expressed his doubt and confusion about this matter.

Logically speaking, actors and companies should all be eager to work with them. Who would want to miss such a lucrative opportunity?

"I just got someone to investigate that this matter is related to Xianyi company Corporation. They are behind this." Qiao Fugang explained.

"Xianyi company?"

"Right." Qiao Fugang nodded his head and frowned: "I just don't understand, we don't have any conflicts with Xianyi company Corporation, why would Xianyi company act against us?"

"I know, Lin Rui has something to do with this." Wu Tian quickly understood the link.

When he met Lin Rui at the hotel earlier, she even threatened to trample him under her foot. Presumably, this woman had borrowed the power of Xianyi company to do something to him.

"What does this have to do with Lin Rui?" Qiao Fugang was stunned, he didn't know what was going on in the middle of it.

"Lin Rui is together with the boss of Xianyi company company. She wants to take this opportunity to take revenge on me."

"What?" Hearing that, Qiao Fugang's face instantly turned dark and he said worriedly: "Then ..." What do we do now? "

"Don't worry, I'll go talk to the Xianyi company Master." Wu Tian stood up and walked out of the office after saying that.

When he arrived at the door, he saw Lin Rui walking in with the boss of Xianyi company company on her arm.

At this moment, Lin Rui's attitude changed drastically. With a look of schadenfreude, she said, "I heard that your film crew encountered a crisis?"

"Miss Lin, is it you guys who are behind this?" Wu Tian asked with a cold expression.

"Yes, it's me." Lin Rui crossed her arms over her chest as she slowly moved her head closer to him, smiling sinisterly as she said, "I told you a long time ago that I would repay you double for humiliating me yesterday and trample you beneath my feet. Do you believe me now?"

"Do you think you can beat me with your little tricks?"

"Humph!" Lin Rui snorted coldly and raised her head arrogantly, "You guys don't have actors, you don't have a venue, you don't even have any equipment, and the crew will be disintegrated soon. What are you going to use for filming?"

"I'll look for the actors after they're gone. I can buy the equipment if they don't want to rent it, and we can change the venue. These are not a problem."

"Boss Wu, you really underestimate Xianyi company Corporation. In the Demon Capital, as long as the owner of the Xianyi company orders, no one will dare to cooperate with you. "

"Is his Xianyi company that powerful?"

"Of course." Lin Rui pushed the CEO of Xianyi company over, "In the Demon Capital, no one in the entertainment circle would dare offend Boss Zheng."

"Is that so?"

Wu Tian turned his head and looked at Zheng Tiancheng. With a smile that was not a smile, he said, "For a woman, you want to oppose me?"

"Xiaolei is my woman now, so of course I have to protect her." Zheng Tiancheng embraced Lin Rui's slender waist and said proudly.

### **C256 Domineering Exposure**

"I don't want to blow it." Wu Tian suppressed the anger in his heart and said in a gentle tone, "How about this, let's each take a step back and stop interfering with our crew's filming. I'm not going to bother you about today's matter, let's just pretend that nothing happened."

"If you want me to let your company go, that's fine too. Kneel down and apologize to my woman." Zheng Tiancheng pointed to the ground and shouted.

"You insist on going against me?"

"Of course."

"Against me for a woman?"

"That's right."

"Do you believe that I'll get you out of the entertainment circle?" Wu Tian's eyes turned cold and anger burst out from his entire body.

"Hahaha ..."

Hearing this, Zheng Tiancheng and Lin Rui burst into laughter at the same time as if they had heard a great joke.

After laughing for a long time, Zheng Tiancheng said in a very arrogant tone: "Brat, if you have the ability, then get me out of the entertainment industry. I want to see how good you are."

"Boss Wu, you think too much of yourself. How dare you challenge our Boss Zheng. You really don't know your place." Lin Rui couldn't help but mock him.

She knew Wu Tian was very rich, so she invested 50 million just for this new movie.

But no matter how rich this kid was, he was still no match for Boss Zheng. He was one of the few powerful people in the Demon Capital and entertainment circle.

More importantly, Zheng Tiancheng had a powerful force behind him. This kind of force was not something that many people could compare to.

"In that case, I have nothing else to say. Just wait for your repentance!" After Wu Tian said this, he took out his phone and dialed Loong Yun's number.

He only said a few words to Secretary Loong before hanging up.

He already knew that Xianyi company Company was a small business under his Wu Family. Previously, he had a conflict with Xianyi company Company, and Secretary Loong had already helped him deal with it in a few minutes.

This time was no exception. Not long after he made his call, Zheng Tiancheng's cell phone rang.

After Zheng Tiancheng received the call, his face immediately changed. He raised his head and looked at Wu Tian as if he was looking at a monster. He asked with a trembling voice, "Your surname is Wu?"

"That's right, my surname is Wu." Wu Tian nodded.

"You're Mr Wu?" Zheng Tiancheng no longer had that arrogant attitude from before. At this moment, he was looking at Wu Tian as if he was a man-eating monster.

His body trembled in fear, and cold sweat broke out on his forehead.

After a slight pause, he bent his legs and knelt in front of Wu Tian, "Mr Wu, I have eyes but couldn't see. I have eyes but couldn't recognize Mount Tai. I deserve to die for offending you."

After saying this, he swung his hand and fiercely slapped himself a few times.

This scene stunned everyone. They never thought that Zheng Tiancheng, who was previously so arrogant, would suddenly kneel in front of Wu Tian like a grandson.

Qiao Fugang, Yan Jie and co. were so shocked that their eyeballs almost fell out of their sockets.

The two of them could not understand why a big boss like Zheng Tiancheng, who was in the Demon Capital and entertainment circle, would suddenly kneel down and apologize to Wu Tian.

The one who was the most shocked was none other than Lin Rui, she never thought that such a scene would appear. The dignified Xianyi company Boss, would actually kneel down and apologize to a brat, and even slap his mouth ruthlessly.

After a slight pause, she hurriedly went forward and hugged Zheng Tiancheng's arm, "Boss Zheng, with your identity, there's no need to kneel down and apologize to a brat."

"Pah!"

Zheng Tiancheng gave Lin Rui a backhand slap on the face and cursed, "You bitch, I was killed by you this time."

"Boss Zheng, what's going on?" Lin Rui felt wronged after receiving such a slap.

So far, she had no idea what had happened.

Ever since Boss Zheng received a phone call, his entire person had changed. Now, he was on the verge of going crazy.

"Bitch." Zheng Tiancheng stood up from the ground and grabbed Lin Rui's neck. He shouted in a low voice, "You want me to help you deal with Wu Tian, do you know who he is?"

"Who is he?" Lin Rui was choked and coughed.

"He is the master of my master, a big figure that none of us can afford to offend." Zheng Tiancheng roared like he was about to go crazy.

The moment those words were spoken, the entire crowd was immediately silenced.

Everyone looked at Wu Tian as if they were looking at a monster.

From the words he said just now, he knew that Wu Tian was a powerful person. No one knew his identity, but they could be sure that this boy was a hundred times stronger than Zheng Tiancheng.

Qiao Fugang couldn't help but be secretly excited. He never thought that the investor he found by accident this time was actually the big boss of the entertainment circle. He was also a powerful figure that was hiding his strength.

To be able to meet such a powerful big boss was a great honor to the film crew.

At this moment, Yan Jie looked at Wu Tian with a very deep expression.

She originally only thought that this brat was a rich investor, but she never thought that he had such a powerful force behind him.

Even a figure like Zheng Tiancheng had to kneel down and apologize. Just thinking about how powerful Wu Tian's power was was enough to make one feel scared.

"You ... You said he's a big shot?" Lin Rui's eyes were focused on Wu Tian, so much so that her eyeballs nearly popped out of their sockets.

In her heart, Zheng Tiancheng was already a powerful figure.

However, she never expected that Wu Tian was a figure that was even stronger than Zheng Tiancheng. How powerful was that person?

At this moment, besides being shocked, she was also looking at Wu Tian with fear and unease.

If she knew the situation was like this, she wouldn't have gone against Wu Tian even if she was beaten to death.

"Pah!"

Zheng Tiancheng slapped Lin Rui's face again and scolded, "You're hurting me."

After cursing, he rushed over to kneel in front of Wu Tian, "Mr Wu, please don't let my superiors expel me, please give me another chance ..."

Earlier, he was informed by the higher-ups that he offended Mr Wu of the Headquarter Group, and that he was asked to resign as the company's chairman.

"I have already given you a chance. It is you who do not know how to cherish it. In that case, don't blame me for being ruthless." Wu Tian waved his hand impatiently and spat out one sentence coldly, "Scram!"

"Mr Wu, I beg you, I beg you to give me one last chance ..." Zheng Tiancheng kowtowed to plead desperately.

He had spent half his life's effort and wasted a lot of his youth. He had worked diligently for decades to reach his current position.

He did not expect that he would destroy everything because of a woman. He was really unwilling and kowtowing with all his might, hoping to salvage the situation.

"Scram!"

Wu Tian had already lost his patience. He pointed at the door and yelled impatiently, "If you don't get out of here, I'll get someone to throw you out."

"I ..."

Zheng Tiancheng swallowed his words back in the end. Seeing Mr Wu's decisiveness, he knew he was doomed. Tears of regret flowed from his eyes.

He slowly got up from the ground and glared at Lin Rui. He then walked outside, swaying his body in pain.

He had played with countless women in his life and played with countless unwritten rules, but he didn't expect that he would end up getting destroyed by a woman in the end.

He felt indignant, but there was nothing he could do.

Slowly, shakily, he walked out of the office.

After Zheng Tiancheng left, Lin Rui slowly came back to her senses. She immediately threw herself at Wu Tian and hugged his thigh, begging, "Mr Wu, I beg you, spare me ..."
