

## Hidden Billionaire Chapter 257 - Powerful People -

C257 Powerful People

"Scram!" Wu Tian pushed the woman away and said coldly, "Don't touch me, I hate it when you're dirty."

"Mr Wu, I was wrong. Please don't ban me." Lin Rui could no longer care about her dignity and face as she knelt on the ground and begged.

She dreamed of being famous even when she entered the entertainment industry. She wanted to become a celebrity that was sought after and loved by tens of thousands of people.

If she was banned, she would never rise.

Previously, she didn't know Wu Tian's identity and thought that he was just an investor. Only now did she realize that the boy in front of her was the real big shot in the entertainment industry.

For him to be able to easily destroy a powerful figure like Zheng Tiancheng, how powerful must he be?

"You're not worth it for me to go on a rampage to ban you." Wu Tian waved his hand and impatiently urged, "Let's go."

"Thank you, Mr Wu. Thank you, Mr Wu." Lin Rui kowtowed repeatedly in gratitude, her humility reaching deep into her bones.

After thanking her, she fled the place in a sorry state.

She only hoped that she would never meet Wu Tian again. This was a man that would not give up, a man so strong that people would be afraid of him.

In just two short days, it was as if she'd experienced a terrifying nightmare.

She originally thought that she could easily crush Wu Tian by climbing onto Zheng Tiancheng, but the result was so miserable.

She sacrificed her body and her dignity to climb up to be a big shot. In the end, she was easily defeated by Wu Tian, causing her to lose everything in an instant.

After Zheng Tiancheng and Lin Rui left, the office became lively.

Everyone gathered around and shouted out their praise. No one expected Boss Wu to easily solve the crisis in the crew.

Everyone knew that Wu Tian had an extraordinary background, so they all guessed who Wu Tian was and what kind of background he had.

No one could guess Boss Wu's true identity. They only knew that Boss Wu was indeed very cheating, at least a lot stronger than the Xianyi company company's CEO.

After this event, everyone was more convinced of Boss Wu, as if they had found a strong backer.

"Hello."

Yan Jie walked over and poked Wu Tian's arm with her hand as she muttered, "I really didn't realize that you're so secretive. You're the entertainment industry's big curry!"

"I'm not some big deal in the entertainment industry, this is also my first time coming in contact with the entertainment industry." Wu Tian wasn't being modest, this was the truth.

The reason he was able to quickly deal with Zheng Tiancheng of Xianyi company Corporation was mainly because of his family's influence.

His family was in all walks of life, and its influence was spread all over the country, some of it even abroad.

"Tell me, who exactly are you?" Yan Jie couldn't help but be curious as she moved her head closer to him and asked in a low voice.

"Elder Sister Yan, can't you tell who I am?"

"I don't see it."

"I'm a man." Wu Tian pointed at his pants and muttered, "I'm an honest man."

"Scram!" Yan Jie's face reddened and she rolled her eyes in annoyance.

"If Elder Sister Yan doesn't believe me, you can verify that I'm really a man with your hands." Wu Tian flirted shamelessly.

"Bah!" Yan Jie spat on the ground and said with disdain, "I've never seen such a thick-skinned fellow like you."

"Hehe!"

Wu Tian grinned, then put away his smile and said, "Okay, everything has been resolved perfectly. Let's go to the set and have the opening ceremony."

"Alright, let's go to the location." Qiao Fugang agreed and then arranged for everyone to go to the set.

There were dozens of people on set, all heading to the set.

After everything was ready, the grand opening ceremony began.

"Next, I announce the official opening of the new *Flowers Bloom That Year* movie." Following Qiao Fugang's order, everyone opened their glasses of champagne and toasted.

Yan Jie took out the food that she had prepared earlier. Even though it was just a box of rice, it was still quite sumptuous. Thus, everyone began to eat and drink at the scene, creating quite a lively scene.

After the meal, Qiao Fugang organized the actors to begin filming the first scene.

Wu Tian was lying on the grass under the shade of a tree and watching the movie. This was his first time watching an actor film at close range, so he felt that it was quite interesting.

Just as he was enjoying it, Yan Jie also came over and said proudly, "Boss Wu, let's see how our team is doing."

"Exquisite, experienced, not bad." Wu Tian smiled in satisfaction, as he was very impressed with the crew's performance.

"Our team is really not bad. It's just that we lack a batch of professional equipment." Yan Jie opened a bottle of soda and handed it over. "Have you considered joining our team?"

"How am I going to buy shares?"

"It's to set up a film and television company. We'll work for you."

"Let's talk about it after this movie is finished. The main reason is that I'm very busy right now, so I can't put all my effort into this movie."

"Busy flirting with girls?"

"Of course not."

"Aren't you rich people all busy with flirting?"

"You're talking about the second generation of rich people, different from serious business people like us." Wu Tian drank a mouthful of soda water and continued, "I

invested into a Technology Company computer and am currently working on a mobile operating system."

"Does this thing make money?"

"Of course."

"I didn't expect you to be interested in these things."

"As a mobile operating system, one reason is to make money, and the second reason is because the mobile operating system is controlled by a foreign country, so we must try to break the monopoly."

"I really can't tell that you have such patriotic feelings." Yan Jie pursed her lips and smiled, secretly having a good impression of him.

From the very beginning, she noticed that Wu Tian was very different from other businessmen. He was not a mercenary or a short-sighted person.

"I'm not as noble as you make me out to be." Wu Tian smiled bitterly as he shook his head and changed the subject: "I'll leave this side to you guys. I'll return to Luzhou tomorrow."

"Just leave it to us. Don't worry about it!"

"There's no need to suspect, there's no doubt about it." Wu Tian leaned against the tree in a comfortable position and continued, "Since I've chosen to cooperate with you, I trust you. You can do it boldly, and don't ask me about the filming."

"You wouldn't understand even if I asked."

"That's true."

"But really, you're an enlightened investor, and we like working with you." Yan Jie said softly as she stroked her hair.

"Same here." Wu Tian stood up and patted his butt. "I'll go bid farewell to Director Qiao."

"You're leaving just like that?"

"What? Elder Sister Yan doesn't want to part with me?"

"Damn, you really think you're popular." Yan Jie rolled her eyes in annoyance and suggested, "Why don't we have dinner together tonight?"

"Sure." Wu Tian nodded in agreement. Coincidentally, there were some things that he needed to discuss with Director Qiao.

"I'll treat you to dinner. I'll book a hotel now." After Yan Jie said this, she hurriedly made a call to book a hotel.

Today's shoot was mainly for the audition. It ended before 6 PM, and everyone in the crew went to eat together with Wu Tian.

When they heard that Boss Wu was leaving, everyone was reluctant to part with it. They all toasted to Wu Tian, and even Yan Jie drank a few cups of wine.

## **Hidden Billionaire Chapter 258 - Back to Luzhou -**

C258 Back to Luzhou

The meal ended very late and they had just returned to the hotel when they received a call from Elder Sister Lan.

"Elder Sister Lan, it's so late. What's the matter?" After the call connected, Wu Tian asked his phone.

The phone went silent for two seconds before Huang Lan's playful voice sounded, "Can't I call you if there's nothing?"

"Elder Sister Lan, that's not what I meant."

"Then what do you mean?"

"I was just worried that something might have happened to Elder Sister Lan at such a late hour."

"Don't worry, I'll be fine at home. Nothing will happen to me." Huang Lan giggled and asked, "Are you still at Demon Capital?"

"Right."

"Then when will you return to the Luzhou?"

"Tomorrow morning."

"Alright, I'll pick you up at the airport tomorrow."

"This, isn't it good?" Wu Tian thought he heard wrong.

As a popular singer, Elder Sister Lan running to the airport to pick up a fan was obviously unacceptable.

"What's wrong with that?" Huang Lan asked.

"Elder Sister Lan is a public figure after all. It's not good to be seen by fans."

"Don't worry, I will do my best to disguise myself."

"But ..."

"Alright, it's settled then. I'll be waiting for you at the airport tomorrow. When the time comes, let's go eat together. Good night." Huang Lan left the call and hung up.

Wu Tian smiled bitterly and shook his head. He felt inexplicably happy to know a woman like Elder Sister Lan.

Wu Tian didn't watch Elder Sister Lan's live broadcast for a long time. After he finished his call, he turned on the seafood live broadcast platform and entered Elder Sister Lan's room.

Now that Elder Sister Lan had already broadcast it, and discovered that there were still tourists in live streaming room, there were a lot of people who paid attention to her.

After strolling in the live streaming room for a while and going to the other rooms to wander around, he discovered that the seafood platform's population and flow had increased by a lot.

This part of the popularity was brought by Elder Sister Lan. To be honest, it was really lucky to know Elder Sister Lan.

The live streaming room wandered for a while, then opened the novel that he had not finished reading and continued to chase after it. He saw that he fell asleep later on, and did not know when he fell asleep.

On the second day after he got up, Wu Tian washed his face and then went straight to the airport, directly flying back to Luzhou.

He had gained a lot from this trip to the Demon Capital. He got to know Director Qiao and Yan Jie, and even cooperated with them in making movies.

From now on, he could be considered to have officially entered the entertainment circle.

In less than an hour, the plane landed on the ground. As soon as they reached the exit, they saw Elder Sister Lan leaning her body against a red BMW.

At this moment, she was wearing a large patterned patchwork dress, looking fashionable and pleasing to the eyes. She wore a large hat with black sunglasses framed on her face, giving people a feeling of being unapproachable and noble.

"So beautiful!"

Wu Tian secretly sighed and walked towards Elder Sister Lan.

Elder Sister Lan was one of his idols. He never thought that she would come and give him, his fan, an opportunity. It was truly flattering.

"Elder Sister Lan, you've been waiting for too long, right?" Wu Tian walked over to greet Huang Lan.

"Not long." Huang Lan smiled and opened the car door. "Get in first."

"Alright." Wu Tian directly got into the car.

He also didn't want his fans to recognize Elder Sister Lan. If word got out, it would definitely turn into a scandal, which would have a bad effect on Elder Sister Lan.

After getting on the car, Huang Lan took off her sunglasses and smiled coquettishly at Wu Tian, "Silly kid, have you been missing me recently?"

"Every day."

"Your mouth is getting sweeter and sweeter."

"Hehe!" Wu Tian embarrassedly scratched his head and said with a smile, "Thank you, Elder Sister Lan, for specially coming to pick me up. I will treat whatever Elder Sister Lan wants to eat."

"You're treating me to whatever sister wants to eat?" Huang Lan smiled mysteriously with a dubious look in her eyes.

"Of course." Wu Tian nodded.

"Sister wants to eat you, are you giving it to her?" Huang Lan leaned her head over and put on a coquettish pose.

"Ugh ..."

Wu Tian was stunned for a few seconds. He was enchanted by Elder Sister Lan's coquettish posture. However, he soon understood that Elder Sister Lan was purposely joking.

He stretched out his arm and said with a generous smile, "My meat is not tasty. If Elder Sister Lan wants to eat it, then eat it."

"Go!"

Huang Lan patted her arm and snappily said, "Sis is not a demoness. I don't eat human flesh."

"I knew Elder Sister Lan wouldn't want to bite me, hehe." Wu Tian grinned and quickly retracted his arm.

"Stinking brat, I'm not joking with you. Sis will bring you to dinner." With that said, Huang Lan started the car and drove away.

The BMW left the airport, speeding back to the city and finally stopping at a restaurant on Jiangbei Road.

The two of them entered the restaurant and found a random table to sit at. After ordering the dishes, they started to chat.

"Tell me, how was your Demon Capital for the past few days?" Huang Lan looked at Wu Tian with a gentle expression, her eyes filled with love.

She didn't know why, but after not seeing Wu Tian for a few days, she had been thinking about him ever since.

She had a nagging feeling that this brat was poisonous. Ever since she had met him for the first time, she had been deeply attracted by him and was unable to extricate herself.

She always maintained a cold attitude in front of others. Only in front of Wu Tian would she open up her heart and reveal her most feminine side.

"Thank you for your concern, Elder Sister Lan. Everything is going well." Wu Tian felt very warm when a woman was so concerned for him.

"Oh yeah, I called before to ask Wang Anhong to pick you up from Demon Capital. How did he do?"

"Thank you for Elder Sister Lan's good intentions, but ..." Wu Tian pinched his chin and looked like he wanted to say something but stopped.

"What's wrong?"

"Forgive me for being blunt, but Wang Anhong isn't a good person. I advise Elder Sister Lan to stay away from him." Wu Tian advised in a very tactful manner.

"I understand." Huang Lan nodded, then took out her phone and made a call. She instructed the phone: "Cancel all cooperation with Wang Anhong, go back to Luzhou right now, and don't contact him again in the future."

"Elder Sister Lan, why did you cancel your cooperation with him with just a word of mine?" Wu Tian didn't know whether to laugh or cry.

"If I'm not wrong, Wang Anhong must have purposely made things difficult for you in Demon Capital." After Huang Lan said this, she firmly expressed her stance. "Since he has made you look bad, I will make him unhappy."

"Aren't you and Wang Anhong friends?"

"That's right, I'm friends with him, but compared to you, he's nothing at all."

"Thank you, Elder Sister Lan." Wu Tian smiled as if he was overwhelmed by the unexpected favor, "I never thought that I would be so important to Elder Sister Lan."

"Foolish brat, in my heart, there is no one to replace you." Huang Lan's eyes sparkled as she said this. There was an undetectable trace of emotion in her eyes.

"Thank you, Elder Sister Lan." Wu Tian raised his glass and said with a smile, "Cheers for our friendship."

"Cheers!" Huang Lan raised her glass and clinked it with Wu Tian.

Hearing the word 'friendship', she felt a sense of loss in her heart.

Could it be that in Wu Tian's eyes, they were just friends?

Just as she was lost in her thoughts, her phone on the table rang. Seeing that it was Wang Anhong calling, she directly hung up the phone and then blacklisted the number.

Other than Wu Tian and her parents and family, she was heartless to everyone else.

## **Hidden Billionaire Chapter 259 - Supply Crisis -**

### **C259 Supply Crisis**

After dinner, Wu Tian returned to his living quarters in Elder Sister Lan's car.

The moment he entered, he saw Loong Yun take the initiative to approach him and ask, "Young Master, where have you been these past few days?"

"Demon Capital." Wu Tian slumped onto the sofa and crossed his legs. He ordered, "Secretary Loong, come and give this young master a back massage."

He still felt comfortable at home, a hundred times more so than in the hotel. At least there was a beautiful secretary waiting on him at home.

"Yes."

Loong Yun scrunched her eyebrows, and in the end, obediently walked over to help Wu Tian carry his back, and continued to ask: "Young Master, are you going to invest in Demon Capital?"

"Right."

Wu Tian nodded, narrowed his eyes and collapsed on the sofa, "I recently invested in Demon Capital to make movies and prepare to enter the entertainment industry."

"You want to invest in movies?"

"Right."

"Young master is really interested in a wide range of things." Loong Yun did not forget to remind him, "Young master, you're investing too much and fighting too much. I'm afraid that when the time comes, your energy will be scattered and you'll instead ..."

"Cut the crap, help me beat my legs." Wu Tian interrupted impatiently and put his two legs on the tea table.

"Yes."

Loong Yun suppressed her displeasure and walked over to help beat Wu Tian's legs. At the same time, she said expressionlessly, "Yesterday, a woman came to find you. She said that it was your teacher with the surname Mu."

"Teacher Mu?"

Wu Tian was shocked, he frowned in confusion and said, "Why did Teacher Mu come to my house? A home visit? "

"She said that you have been absent from school for several days. She told you to hurry up and go to school."

"Ugh." Wu Tian nodded and couldn't help but ask, "Then what did you tell Teacher Mu?"

"I said your Third Aunt passed away and went back home."

"How clever." Wu Tian pinched Loong Yun's cheek and praised, "You are truly worthy of being my secretary."

"Young master, please behave yourself." Loong Yun immediately stood up straight and glared at Wu Tian with resentment.

This wasn't the first time she had been taken advantage of by her young master. Every time, she would have to grit her teeth and bear with it.

"Hurry up and massage me." Wu Tian fell onto the sofa and continued swinging his legs.

Secretary Loong gritted her teeth and forcefully suppressed the embarrassment in her heart. She continued to help her Young Master suppress his legs.

"Beep, beep, beep..."

Just as Wu Tian was enjoying himself, the phone in his pocket rang. He took it out and saw that it was Sunn Xiaohao calling.

Before leaving the Luzhou, he did not say goodbye to Xiaohao and Jiang Wan, so the two of them naturally did not know that he had gone to the Luzhou.

He stared at his phone a few times, then picked up the call and opened it: "Xiaohao, I just came back from Demon Capital, let's gather for dinner tonight."

"We'll talk about this another day. I called you to tell you that Tianhao Hotel is in trouble." On the other end of the phone, Sunn Xiaohao's voice sounded panicked.

"What trouble?" Wu Tian's nerves immediately tensed up when he heard that the hotel was in trouble.

With Sunn Xiaohao's personality, he was usually stronger. If he didn't encounter trouble that he couldn't solve, he would never call him.

"Just this morning, our hotel's supply chain suddenly broke, and the food supplier suddenly cancelled their cooperation with us."

"Don't be impatient." Wu Tian comforted her and said, "For a situation like this, there must be someone behind the scenes."

Generally speaking, the upstream suppliers all wanted to supply goods downstream, only by continuously stably supplying would they be able to earn money.

There was no supplier who was unwilling to make money. The reason why they suddenly stopped supplying must be because someone was manipulating them from behind the scenes.

"What do we do now?" Sunn Xiaohao was clearly helpless. After all, this was his first time coming into contact with the restaurant industry.

Previously, he didn't know much about these things, but now, he was learning and selling them on the spot.

The key point was that Tianhao Hotel was now being used for high-end consumption. The requirements were very high in all aspects and the difficulty increased exponentially.

"Don't worry, this little problem isn't difficult for us." Wu Tian looked very calm as he spoke into the phone, "Director Yang has quite a wide network of people, making him responsible for finding new supplier ingredients. Also, let Lu Kang be responsible for finding out who is behind the scenes."

"Yes sir!"

After Sunn Xiaohao answered, he soon remembered something even more serious, "The Health Bureau came by this morning and told us to close down and rectify the situation."

"Dammit, it seems like these guys want to beat us to death." Wu Tian cursed and ordered his cellphone once again, "I'll take care of the Board of Health. You guard the hotel and don't let the employees mess up."

"Alright."

"Then that's it. Call me again if anything happens." Wu Tian hung up after saying that.

After making the call, she looked up at Loong Yun. "Secretary Loong, can you call out the people from the Health Bureau?"

"No problem, I know the deputy director."

"Alright, then invite them to the Yan Jing Hotel. We'll have a meal together later."

"Alright, I'll do it now." After Loong Yun finished speaking, she hurriedly started to make calls.

After the call, he reported to Wu Tian, "Young Master, they agreed to go for lunch together."

"Alright, let's go." Having said that, Wu Tian walked out first. When he reached the door, he heard Loong Yun say, "Master, I'll change my clothes first."

"This is fine, there's no need to change it." Wu Tian didn't say anything else and forcefully dragged Loong Yun out of the room.

With Uncle Fugui in the car, they quickly arrived at the Beijing Hotel.

This hotel wasn't very famous, but its level of consumption was very high. It was one of those low-key, luxurious hotels and was very popular among the rich.

The two of them booked a luxurious private room and waited patiently.

After waiting for more than ten minutes, he finally saw the people from the Health Bureau arrive late. The one in the lead was Deputy Chief Zhao Wenxue.

"Secretary Loong, I'm really sorry. I was stuck in a traffic jam just now. I was late." The moment they met, Zhao Wenxue apologized profusely.

Even though Loong Yun was only a secretary, everyone who knew her knew that her backing was frightening and no one dared to offend her easily.

"Commissioner Zhao, you've already given me a lot of face by coming here." After Loong Yun said this, she gestured with her hand. "Director Zhao and the other leaders, please take a seat."

Loong Yun had her own aura, and even in front of these people, she didn't show the slightest bit of humility.

"Secretary Loong really has her measure." Zhao Wenxue flattered her and then sat down with his colleagues.

At this moment, Wu Tian walked over and held out his hand in front of Zhao Wenxue, "Hello, Chief Zhao. I'm Wu Tian from Tianhao Hotel. Nice to meet you."

"So you're the boss of Tianhao Hotel." Zhao Wenxue glanced at Wu Tian with disdain and said, "Don't try to get close to us."

"I'm not trying to get close to you. I'm just being polite when I smile at you." Wu Tian retracted his hand and sat opposite Zhao Wenxue.

"Pah!"

Zhao Wenxue was angered by these words. He raised his hand and slapped the table, "You are too presumptuous, we don't welcome you here. Get out of here, don't disturb our meal with Secretary Loong."

"Wait!"

At this moment, Loong Yun walked over expressionlessly to help him out, "Chief Zhao, don't be angry yet. Our young master's time is precious, he's also taking the time to eat with you today."

The implication of his words was that the young master's time was very valuable, so he should know what was good for him.

"Your Young Master?" Zhao Wenxue's brows tightened. He didn't mean to fully understand those words.

## **Hidden Billionaire Chapter 260 - Treat with Courtesy -**

### C260 Treat with Courtesy

"Yes!" Loong Yun nodded, pointed at Wu Tian and introduced him, "Mr. Wu Tian is our young master."

"What? He's your Young Master?" Zhao Wenxue's brows slightly tightened, while his eyes were filled with surprise and shock.

He didn't expect this seemingly ordinary kid in front of him to be Secretary Loong's young master. It was truly surprising.

"Bureau Chief Zhao, our young master has found time to treat you to a meal. I hope you can give him some face." Loong Yun's voice was calm, but it carried an irresistible force.

"Since it's Young Master Wu, then of course I have to give him face." Zhao Wenxue changed his attitude and took the initiative to shake hands with Wu Tian.

Secretary Loong's power and influence had long been known to him. He didn't dare to offend Secretary Loong, not to mention Secretary Loong's master.

"You're welcome, Director Zhao." Wu Tian shook hands with Zhao Wenxue and said with a smile, "I came to find you mainly for the Tianhao Hotel."

"Young Master Wu, don't worry. Tianhao Hotel will follow the law. There won't be any problems, there won't be any problems in the future." Zhao Wenxue promised Wu Tian immediately.

"Thank you, Director Zhao." Hearing this, the corner of Wu Tian's mouth slowly raised into a smile. He raised his wine glass and said, "I toast to Chief Zhao."

"No, I should be the one toasting to Mr Wu." Zhao Wenxue raised his glass, showing extreme respect and politeness.

"Director Zhao, you're too polite."

"In the future, the economy of our Luzhou will depend on an outstanding businessman like Mr Wu."

"You flatter me."

Both sides flattered each other, and after dinner, they both went their separate ways.

After solving the hotel crisis, there was still the food supply crisis. This was the real problem.

After leaving the hotel, Wu Tian arrived at the Tianhao Hotel.

He found that the hotel was extremely deserted, with not a single customer and the waiters acting extremely lazy.

Just as he entered the hotel's lobby, a beautiful waitress blocked his way, "Sir, our hotel is currently upgrading and is not receiving guests for the time being."

"I came to find Boss Sun." Wu Tian was in no mood to waste words with the waitress and directly walked towards the elevator.

In the end, he was once again blocked by this woman. She said with a sharp tone, "Our hotel doesn't have any CEO Sun. Please go back."

"No CEO Sun?"

"Right."

"Isn't Sunn Xiaohao your boss?"

"Ugh." The waiter finally realized and said, "Are you talking about the new boss?"

"Don't stand in my way, I have urgent business with him." Wu Tian waved his hand and urged him impatiently.

"What's the matter?"

"Our Tianhao Hotel has encountered a crisis in the supply of ingredients. I will look for him to settle this matter." Wu Tian explained.

"You?"

The beautiful waitress looked at Wu Tian suspiciously and said with disdain, "You are helping us solve our crisis?"

"Right."

"Bah!" The waiter spat on the ground and said disdainfully: "You must be crazy to come to our hotel to boast so shamelessly."

Several waiters gathered around and looked at Wu Tian as if he was crazy. They all felt that this brat was talking nonsense.

"To tell you the truth, I'm actually an investor in Tianhao Hotel. My surname is Wu." Since things had come to this, Wu Tian could only reveal his cards to the waiter.

"You said that you're the investor in our hotel?"

"Right."

"Bah!" The waiter spat on the ground, and said with contempt: "Look at yourself, with your looks, you still dare to call yourself an investor?"

The surrounding waiters could not help but snicker.

"Go and get your Boss Sun." Wu Tian's patience had already run out, so he didn't have the mood to waste his saliva with the waiter.

"Our Director Sun isn't someone you can see just because you want to. Hurry up and leave our hotel, otherwise, I'll call security." The waiter also became a lot more unyielding.

From her point of view, the kid in front of her was sent by her competitors to cause trouble. She definitely could not let him see the boss, otherwise there would be big trouble.

"I really can't explain it to you." Wu Tian was too lazy to talk to them. He took out his phone and was about to call Sunn Xiaohao.

At this moment, Lu Kang walked out of the elevator and asked from afar, "You guys didn't stay at your posts, what are you all doing there?"

"Manager Lu, someone is trying to mess with us by pretending to be an investor." The waiter quickly reported the situation to Lu Kang.

"Boss Wu?"

Only then did Lu Kang see Wu Tian who was surrounded by the waiters. He quickly reprimanded the waiter, "Impersonating what? He's our big boss anyway."

Saying this, he hurried over to bow and greet Wu Tian.

The surrounding waiters were stunned and looked at Wu Tian in surprise. They didn't expect the guy in front of them was really the big boss.

Especially the beautiful waitress who stopped Wu Tian. She was shocked and her eyes almost popped out.

Previously, she thought that this fellow was a lunatic who came here to cause trouble.

However, she never would have thought that this brat was the big boss behind the scenes.

"What are you blanking out for? Hurry up and say hello to Boss Wu." Lu Kang turned around and reminded the waiters after greeting them.

"Hello, Boss Wu." Only then did the waiter come back to his senses and hurriedly bowed to greet him.

"Go back to your work." Wu Tian sent the other waiters away and walked in front of the beautiful waitress, "What's your name?"

"Xia." The waiter trembled as he spat out the word.

At this moment, she was extremely frightened. She did not expect to accidentally offend the big boss. At this moment, she felt as if a great catastrophe was about to befall her.

To be honest, if she had known earlier that this brat before her was the big boss of a hotel, she would only try to curry favor with him. How could she dare to offend him?

After offending the big boss this time, would she be expelled?

"There's nothing else, you can go and get busy." Wu Tian stared at Xia for a few seconds, then waved his hand and instructed.

"Thank you, Boss Wu." Xia bowed and expressed her thanks as if she had received an amnesty. She hastily retreated to the side, her back drenched in cold sweat.

Wu Tian turned around to Lu Kang and snapped, "This is the waiter you managed?"

"They don't know Boss Wu, it's a bit impolite to talk to you, please forgive me Boss Wu." Lu Kang explained with a smile.

"Remember, we are on a high-end route. No matter the time, waiters must have a very high quality, even if they are beggars, the waiters must treat them with respect. Do you understand what I mean?"

"Understood."

"We can set up a strict examination system, raise the wages of the waiters who serve well, deduct the wages of those who serve poorly, and implement a meticulous management system."

"Director Yang and I are currently working on a plan specifically aimed at the management of the waiters and the kitchen."

"Within a month, the quality of the attendants must be improved. For those who are too lazy, you can discard them."

"Yes, yes, yes."

"We can talk about this later." After saying this, Wu Tian took the initiative to change the subject: "Oh right, where is Chief Sun now?"

"Director Sun is in his office."

"Let's go to the office first." Wu Tian took the lead and walked towards the elevator after saying that.
