### C265 Hotel Business Is Booming

When they got back to the city, they went their separate ways.

After bidding farewell to Xue, Wu Tian went to the Tianhao Hotel in a car and told the others about his cooperation with Stone Flower Village.

Sunn Xiaohao was very excited to learn that Wu Tian had taken care of the food supply so quickly, so he suggested that they go out for a drink tonight.

Wu Tian also felt that it was too tiring recently. He brought Sunn Xiaohao and Jiang Wan to the roadside stall to have a hearty drink.

The delicacies of the mountains and the sea, the high-end hotels, none of them could compare to the food stalls with the most smoky smell. Only by drinking here would one be able to enjoy themselves.

The three of them drank until late in the night before returning to the school dormitory and falling asleep.

The next day, Wu Tian was awakened by the alarm clock ringing, Jiang Wan and Sunn Xiaohao woke up, washed up, and went to the classroom together.

The three of them were close to being late and hurriedly ran into Teacher Mu Ran at the door of the classroom.

"Wu Tian, you stay." Mu Ran looked at the three of them, and then at Wu Tian.

Sunn Xiaohao and Jiang Wan looked at Wu Tian with sympathy before hurriedly entering the classroom.

Standing in front of Teacher Mu, Wu Tian felt that a great catastrophe was about to befall him.

With Teacher Mu's personality, she would surely scold him for skipping class for several days in a row.

In the end, it was the opposite. Teacher Mu did not lose her temper and instead consoled him with a kind expression, "Classmate Wu, teacher knows that you have been feeling bad recently. Don't be too upset."

"What?" Wu Tian was slightly surprised, he didn't understand the meaning behind those words.

"Teacher already knows that the reason you didn't go to school for the past few days was because your relatives had passed away." Mu Ran pulled up her hair and spoke with a serious tone.

"Relatives died?"

Wu Tian was slightly stunned and quickly reacted. He nodded his head and said, "Yes, my relative from home passed away recently. I went to attend the funeral and forgot to ask for a leave of absence from Teacher Mu when I was in a hurry."

Last night, he heard from Loong Yun that two days ago, Teacher Mu came to his home to look for Wu Tian. At that time, Loong Yun lied and said that a relative from Wu Tian's hometown passed away.

"I know you've been feeling bad recently, so don't be too sad, and grieve." Mu Ran consoled.

"Thank you for teacher's concern."

"Alright, let's go for lessons!"

"Yes sir!" Wu Tian smiled obediently and followed Mu Ran into the classroom.

In the following days, Wu Tian did his homework.

Aside from classes, he spent most of his time on Tianhao Hotel.

After all, the hotel had to undergo a major overhaul. The new food supply chain had only just been established, and many places needed to be perfected.

The moment he had smooth out the hotel, Zhao Fuli couldn't hold on any longer and came to beg for Wu Tian's help. He was also willing to transfer the shares of the hotel to Wu Tian at a low price.

After thinking about it for a while, Wu Tian decided to buy a share of the rich and beautiful company, and set up a local restaurant company together with Tianhao, building a restaurant chain.

After the establishment of the catering company, Wu Tian integrated the Tianhao and Fuli, and first tried to set up a restaurant chain hotel in the Luzhou.

After the establishment of the chain, the demand for food was even greater. The Stone Flower Village increased the supply of food, and soon, the villagers collectively became rich and poor.

This event quickly alarmed the local media, and the major media quickly reprinted the news, covering the news of the Tianhao Restaurant spurring the villagers to become rich.

Like a stone that caused a thousand ripples, under the reportage of the media, the Tianhao Hotel was also set on fire, and in a short period of time, it became a famous hotel in the Luzhou.

Very quickly, as the backstage investor, Wu Tian was also dug out by some media reporters to interview him in depth.

Under the media's exposure, Wu Tian became a model investor that led poor villagers to become rich, and even attracted the attention of the Luzhou Television Station.

Just when Wu Tian was extremely busy for the hotel, a beauty wearing black-framed glasses barged into the hotel's office.

"Hello, may I ask who is the boss of this hotel?" The bespectacled beauty politely asked with a particularly sweet smile.

"I am." Wu Tian stood up from his desk and looked at the bespectacled beauty with a smile, "What can I do for you?"

"You are Boss Wu?"

"Right."

"Hello, hello." The bespectacled beauty quickly went up to shake hands with Wu Tian. She looked extremely passionate.

"Hello." Wu Tian chuckled dryly and then said with a puzzled expression, "Beauty, what do you need me for?"

"Oh right, this is my name card." Only then did the bespectacled beauty remember that she had forgotten to introduce herself. She quickly took out her name card and introduced herself, "I am the advertising department's director of Luzhou Television Station, Xie Mei."

"So it's our Luzhou television station's beautiful director. Hello." The moment Wu Tian heard that this woman was from the television station, he immediately became a lot more enthusiastic.

"Boss Wu, do you have time? I want to talk to you."

"It is my honor to be able to chat with beautiful women." After Wu Tian said this, he extended his hand and gestured, "Director Xie, please take a seat."

"Thank you!" After Xie Mei sat down, she looked at Wu Tian with an appraising gaze, and said appreciatively: "I didn't think that Boss Wu would become the boss of the Tianhao Group at such a young age, controlling two hotels of such size."

"You flatter me." Wu Tian poured a cup of water and put it on the table. He sat opposite to her and said, "Director Xie didn't just come to find me to chat, right?"

"Of course not."

Xie Mei adjusted her glasses and smiled, "Our television station wants to make a promotional clip about Boss Wu's success."

"I'm just a small businessman, what's there to bid for?" Wu Tian shrugged, he didn't understand the other party's intention.

"You are not an ordinary merchant." Liu Mei smiled, and continued to speak: "Boss Wu helped to make the Stone Flower Village rich by getting out of poverty, and was a role model for us Luzhou merchants, worthy of all Luzhou merchants to learn from and promote."

"It's not that serious. The Stone Flower Village's villagers were able to escape poverty because of their diligent, wise hands."

"Don't be so modest, Boss Wu. If you didn't invest in Stone Flower Village, it would be impossible for them to eat vegetables and meat at the table of a high-end hotel, let alone earn that much money."

"Stone Flower Village and I only mutually benefit each other, and we can work together to win." Wu Tian couldn't help but smile wryly inside.

The reason why he was purchasing Stone Flower Village's vegetables was because their vegetables contained Fuxi substance which had a unique taste and could be considered unique in Luzhou.

Rather than saying that he had helped the Stone Flower Village, it would be more accurate to say that Stone Flower Village had successfully completed his hotel, turning the Tianhao Hotel into a high-end hotel. The dishes here were two grades higher than before.

"If our Luzhou were to bring more people like you, a boss with a conscience, it would truly be great." Xie Mei adjusted her glasses and continued: "I am intentionally shooting

your short film in the station, firstly, to spread your glorious achievement of being poor, secondly, to publicize your successful path, and thirdly, to give a name to our Luzhou. I wonder if you would be willing to cooperate with us in filming."

"Of course I'd want to." Wu Tian agreed readily.

Only a fool would not accept such a good opportunity to advertise in a hotel for free.

"Thank you, Boss Wu, for supporting me in my work." Xie Mei thanked him profusely as the smile on her face was exceptionally brilliant.

## **Hidden Billionaire Chapter 266 - Accept Exclusive Interview -**

### C266 Accept Exclusive Interview

"Director Xie, you're too polite." Seeing Director Beauty being so polite, Wu Tian felt a little embarrassed.

"It's too late today." Xie Mei looked at the time and suggested, "How about this? We'll meet at 10 o'clock tomorrow morning at the citizen's home. I hope that Boss Wu will cooperate with us in making a short film."

"Alright, no problem. I will definitely cooperate fully."

"Thank you, Boss Wu." Xie Mei stood up from her seat and said with a smile, "Can you leave me a number?"

"Here's my card." Wu Tian quickly took out his name card from his pocket.

Liu Mei took the business card and glanced at it. She smiled and said, "Then I won't disturb Boss Wu's work anymore. We'll meet tomorrow. Goodbye."

Having said so, she strode out of the area.

"Director Xie, take care." Wu Tian did not dare to delay until he sent the woman into the elevator before returning to his office.

In the office, Sunn Xiaohao and Lu Kang were already celebrating.

Especially Sunn Xiaohao, he was very excited: "Tian, I didn't expect you to become a celebrity this time. Not only did the hotel earn money, your reputation also increased greatly because of this."

"I didn't expect my unintentional move to make the hotel so popular." To be honest, even Wu Tian felt that it was incredible how the situation developed to this point.

Procurement of ingredients from Stone Flower Village was an unintentional move, but he didn't expect it to bring about such a sensational benefit.

Not only the local news media, but even the Luzhou Television Station was doing the promotion for the hotel for free.

"Through this all-round promotion by the media and television, our hotel will very likely become one of the top hotels in Luzhou." Sunn Xiaohao couldn't hide his excitement as he shouted.

"Since there's free publicity in the media, we have to seize this opportunity." After Wu Tian said this, he turned his head and ordered Lu Kang, "You must be careful in the near future. Be it in terms of dishes or service quality, you must not let your guard down."

"Boss Wu, don't worry. I will definitely keep these two matters under strict surveillance." Lu Kang made a vow.

"We can't be proud of such a small achievement. We have to keep a low profile."

"Understood."

"Hotel health problems must be strictly controlled..." "Bang, bang, bang!" Before Wu Tian could finish his sentence, he heard a rapid knock on the door.

After knocking on the door, Lobby Manager walked in and said in a very respectful tone, "Boss Wu, there is a man and a woman in the hall. They are looking for you."

"Looking for me?"

"Right." Lobby Manager nodded and explained, "Their surname is Liu, it seems to be a father-daughter relationship."

"Uncle Liu?" Hearing that it was a father and daughter surnamed Liu, Wu Tian immediately thought of Liu Jun and Liu Yueyao. He quickly instructed Lobby Manager, "These two are my honorable guests. Come, come with me to welcome them."

Hearing that the father and daughter of the Liu family had come, Wu Tian didn't dare to be negligent in the slightest and personally led Lobby Manager downstairs to welcome them.

He took the elevator downstairs and met Liu Jun and Liu Yueyao in the lobby.

Today, Liu Jun was wearing a very formal attire with a western tie, giving off the vibe of a business tycoon.

Liu Yueyao was wearing a small dress and had even put on some makeup, making her look even more exquisite and alluring.

"Uncle Liu, Yueyao, why are you two here?" Wu Tian quickly greeted the father and daughter pair.

"Tian, from your tone, it seems that you don't welcome us." Liu Jun shook his suit and joked with a grin.

"Uncle Liu is my esteemed guest, of course I welcome him." After Wu Tian said this, he instructed Lobby Manager, "Don't just stand there. Treat Uncle Liu with the highest standards."

"Yes." Lobby Manager answered and waved to the waiter.

The waiter quickly took out the red carpet and spread it in front of Liu Jun, all the way to the elevator.

After setting up the stalls, more than a dozen attendants stood on both sides of the red carpet. At the same time, they extended their right hands in a welcoming gesture. It was an extremely spectacular scene.

"Uncle Liu, Yueyao, please." Wu Tian hurriedly made an inviting gesture and said with a smile, "Please."

"You really know how to play." Liu Jun smiled bitterly as he shook his head and walked along the red carpet towards the elevator.

Liu Yueyao glanced at Wu Tian with a shy smile. She held her father's arm as they walked slowly, and the three of them entered the elevator together.

After entering the elevator, Liu Jun said with a smile: "I also watched the news. I said that you opened this Tianhao Hotel and made this poor village rich, so I came to join in on the fun."

"Uncle Liu, thank you for coming over to support us."

"Recently, a lot of media have been reporting about this hotel of yours. This hotel of yours is really popular."

"It's all a coincidence." Wu Tian scratched his head awkwardly and said with a wry smile, "I also didn't think that there would be so many media that can help advertise our hotel for free."

"Brat, how did you come up with this good idea? You're using a poor village to advertise for the hotel?"

"Uncle Liu, don't misunderstand." Wu Tian waved his hand and hurriedly explained, "It was only because someone stopped our supply chain that Stone Flower Village became the hotel's direct supply chain."

"Is that so?"

"Yes, everything is a coincidence."

"You really are something."

"However, the ingredients used in Stone Flower Village are indeed first-rate. You'll know that I'm not lying once you taste the dishes later." Wu Tian said this and the elevator arrived at the ninth floor.

When the elevator opened, the attendants on both sides bowed in greeting.

Under the guidance of the waiter, the three of them arrived at a luxurious private room.

The moment the room was opened, the six waiters bowed and greeted him in unison.

"The quality is not bad." Seeing this scene, Liu Jun praised: "It's comparable to a hotel with the best level of service in Luzhou."

"Thank you, Uncle Liu, for your affirmation." Wu Tian said this and winked at the waiter.

The waiter immediately understood and quickly passed the special menu to Liu Jun, "Hello sir, please order."

"Alright!"

Liu Jun took the menu and looked at it. He couldn't help but exclaim, "Good boy, you really dare to price the dishes at such a high price. The price of the dishes in this hotel is really outrageously high."

"It's indeed very expensive." Liu Yueyao agreed after she finished reading the menu.

She had seen a lot of five-star hotels, but the dishes in Wu Tian's hotel were a bit scary. It was like a robbery.

"One cent for each serving. Don't look at the price of the dishes, order first." Wu Tian pursed his lips and smiled, not caring about it at all.

"Serve your specialties." Liu Jun said this and closed the menu.

"Sure, please wait a moment." The attendant bowed slightly, then left.

After the waiter left, Liu Jun found an excuse to go to the washroom, and intentionally gave his daughter a wink before leaving.

After Liu Jun left, Wu Tian couldn't help but ask, "What does your dad want by winking at me?"

"I... How would I know? " Liu Yueyao bit her lips in embarrassment, her eyes clearly showing that she was uneasy.

"I think Uncle Liu probably wants us to be lovers again."

"Bah!"

Liu Yueyao snorted and said snappily, "Wu Tian, don't talk nonsense. That's not what my dad meant."

"Maybe I misunderstood Uncle Liu's meaning." Wu Tian laughed dryly and stopped pursuing the topic.

## **Hidden Billionaire Chapter 267 - Manager -**

C267 Manager

"I'm going to the bathroom." In order to resolve the awkward atmosphere, Liu Yueyao found a random excuse to leave the room.

The moment she left, Liu Jun walked into the room and reprimanded Wu Tian, "Brat, did you say something just now? I think Yueyao was very angry."

"It's nothing. She seemed to be angry when I said that you were trying to get us together."

"You brat." Liu Jun smiled awkwardly and walked over to sit beside Wu Tian. "How can you tell that I'm trying to play a trick on you and Yueyao?"

"I'm not stupid, of course I can see that."

"Then tell me, how is our Yueyao?"

"Beautiful and kind, a good girl."

"Then, have you thought about how you can develop a relationship with us, Yueyao, into a relationship of a man and a woman?" Liu Jun leaned his head over and tried to whisper.

"It would be my honor to find a girlfriend like Yueyao." After saying this, Wu Tian changed his tone: "But right now, I'm too busy. Not only do I have to invest, but I also have to consider studying. I really don't have the energy to date again."

"No matter how busy you are, you still have to find time to fall in love, right?"

"Wait till I'm done."

"You're a good boy. I've taken a liking to you and have long since treated you as my son-in-law. I sincerely hope that the two of you can be together." When Liu Jun said this, his tone slightly changed: "I won't get involved with the matters between you youngsters, you guys think about it yourselves."

"I'll busy myself with my business first. Let's talk about matters of the heart later." Wu Tian didn't want to continue this topic and took the initiative to change it, "Uncle Liu, how is the Emerald Garden doing?"

"Very well, you can go take a look when you have time."

"It's good that Uncle Liu is in the Emerald Garden, so I won't get involved."

"You stinking brat." Liu Jun shook his head with a bitter smile and reprimanded softly, "Always wanting to be a shopkeeper."

"There's nothing I can do about it. I've invested too much, so I don't have enough energy." Wu Tian smiled bitterly.

At that moment, a waiter was setting up a table full of delicacies.

The dishes looked very delicate and the color was beautiful and full. They had been specially prepared.

"It does look quite upscale." Liu Jun stared at the dishes and reminded Wu Tian, "Tian, go call Yueyao to come in for dinner."

"Alright, I'll go call him now." Wu Tian got up and ran out eagerly. After looking around, he didn't see Liu Yueyao.

After asking around, he found out that Liu Yueyao had gone to the neighboring room with two junior high school students.

He knocked on the next door and waited a moment before opening it.

Other than Liu Yueyao, there were four other young men and women in the private room. They were dressed brilliantly, like white-collar workers.

When she saw Wu Tian, Liu Yueyao was immediately overjoyed. She said to her classmates, "He's my friend. He has something to talk to me about. I'm really sorry today. I'll accompany you guys for a meal another day."

With that, she pulled Wu Tian and prepared to leave the room.

When she met a few of her classmates in the washroom, they insisted on taking her to a private room. Out of respect for her, she followed them in.

Having not seen these classmates for such a long time, she felt very awkward. She wanted to find an excuse to slip away, but luckily Wu Tian appeared in time.

"Wait."

At this moment, a tanned male classmate stood up and blocked Wu Tian's path.

This man was called Wang Qiang and had once pursued Liu Yueyao.

Wang Qiang walked over and stared at Wu Tian for a while before asking, "Brat, what is your relationship with Yueyao?"

"Friend." Wu Tian spat coldly.

"Friends?" Wang Qiang smiled contemptuously and warned her coldly, "I suggest you stay away from Yueyao. With a toad like you, don't even think about eating swan meat."

"It doesn't seem to have anything to do with you." Wu Tian stared straight into Wang Qiang's eyes and refused to back down.

"I just wanted to tell you that you and Yueyao aren't on the same level." After Wang Qiang said this, he pointed to the delicacies on the table and asked, "Brat, do you know how much this table costs?"

"Not less than twenty thousand." Wu Tian looked at the dishes on the table and directly answered.

Since he was involved in the pricing of all these dishes, he naturally knew the price.

"Kid, you know what's good for you." Wang Qiang put his hands in his pockets and looked up arrogantly. "This is Yueyao's luxurious life. To be able to eat twenty thousand for a single meal, I'm afraid you, kid, would never be able to afford such an expensive meal."

"As long as Yueyao wants to eat it, I can let her eat it every day." Wu Tian retorted.

"Hahaha ..."

Upon hearing those words, Wang Qiang felt as if he had heard an enormous joke. Raising his head, he burst into loud laughter.

When he smiled, the other students also found it funny.

In everyone's eyes, this poor kid in front of them was bragging.

After a long round of laughter, Wang Qiang could not help but mock Yueyao, "Do you have that much money to offer to Yueyao?"

"I don't want a penny for a meal here." Wu Tian slightly tilted his head and said with a bit of willfulness.

"Brat, boasting is not illegal, you can really boast." After Wang Qiang finished saying those words, he raised his head and started to laugh.

At this moment, Lobby Manager walked into the room with a few waiters.

Wu Tian glared at the few of them and said to Lobby Manager, "From now on, any expenses that Liu Yueyao and Liu Jun consume here are free of charge."

"Yes sir!" Lobby Manager immediately bowed in reply.

Wang Qiang and a few of his classmates were dumbfounded. They never thought that Wu Tian would really be able to help Liu Yueyao.

The few of them looked at each other, unable to laugh anymore.

After a moment of hesitation, Wang Qiang turned to the lobby and asked, "Why do we need to spend money for him?"

"He's the owner of our hotel, of course there's no need to pay." Lobby Manager pointed at Wu Tian and said confidently.

"What?" Is he the owner of the hotel? " Upon hearing those words, Wang Qiang's eyes widened in shock. His eyeballs had nearly fallen out of their sockets.

Not only did Wang Qiang feel shocked, the others also felt disbelief.

Who would have thought that this seemingly destitute and foolish kid in front of them was actually the boss of the Tianhao Grand Hotel?

"That's right, he's the big boss of our hotel." Lobby Manager nodded vigorously and gave his affirmation.

"This ..." Wang Qiang was stunned on the spot. At this moment, he could only feel his face being slapped.

To think that he had humiliated this brat just now, and even scolded him as a toad. Little did he know, that this brat was actually the boss of the Tianhao Hotel.

How bad and how rich that identity was. It was a hundred times worse than anyone else they were sitting on.

The others also felt awkward. They originally looked down on Wu Tian and couldn't help but mock him.

At this moment, they were like idiots, unable to laugh anymore.

With their status, how could they have the qualifications to mock the boss of the Tianhao Hotel? They were simply not on the same level.

After staring blankly for a long time, Wang Qiang finally looked at Liu Yueyao with an awkward expression. "Yueyao, I didn't expect that your friend was the big boss of the Tianhao Inn. Why didn't you tell us earlier?"

"What's there to say? The Tianhao Hotel is just a small asset of his." Liu Yueyao held Wu Tian's arm and said with a smile.

## **Hidden Billionaire Chapter 268 - Unique Taste -**

### **C268 Unique Taste**

"Is that so?" Upon hearing those words, Wang Qiang could not help but ask, "Your friend here has other assets?"

"He also owns two restaurants, one Technology Company, a live broadcast platform and a real estate company ..."

"Oh my god!"

Wang Qiang was stunned. He did not expect that this young man in front of him had so many assets.

After knowing that this boy was an unscrupulous, big shot, Wang Qiang changed his attitude from before. He hurriedly stepped forward to fawn on him and said, "Brother, it is my honor to know you."

The others also stood up to please him.

If he could take advantage of this opportunity to catch up with such a figure, it would be of great use to his future development.

"Sorry, I still have things to do, so I'll be leaving first." Wu Tian smiled awkwardly and left the room with Liu Yueyao.

There was no need for him to waste his saliva on them.

When they walked out of the room, Liu Yueyao hurriedly retracted her arm. With an apologetic expression, she said, "My classmates' words are really unpleasant to listen to, don't take it to heart."

"I'm fine." Wu Tian smiled generously and suddenly remembered that Liu Jun was still in the room. He said, "Uncle Liu is alone in the room, let's go in quickly."

"Alright."

Liu Yueyao nodded and pushed open the door.

Liu Jun was enjoying the delicious food in the private room. At that moment, he no longer had the aura of a big boss and looked just like a wolf.

Seeing the two of them, Liu Jun couldn't help but scold them: "Where did you guys go? When you guys didn't come back after a long time, I'll eat first."

"Uncle Liu, how's the taste of the dishes in the restaurant?" Wu Tian walked over and sat beside Liu Jun.

"That's right."

Liu Jun wiped his mouth with a tissue and stuck out his thumb, praising, "Although the dishes here are very expensive, they are still pretty good."

"It's good that Uncle Liu likes it." Hearing such a high evaluation, Wu Tian couldn't help but feel pleased with himself.

"Come, let's eat together." After Liu Jun said this, he picked up his chopsticks and gave his daughter some food, "Hurry up and try it, the taste is indeed quite good."

"Let me try." Seeing her father eating so happily, Liu Yueyao stuffed the food into her mouth expectantly.

After she finished eating, she couldn't help but exclaim, "Wow, it's really delicious. I didn't expect the dishes in your hotel to be so delicious."

She picked up her chopsticks and began to wolf down her food.

Seeing the father and daughter eating so happily, Wu Tian could not help but secretly feel pleased with himself: "Uncle Liu, Yueyao, eat slowly, don't choke on it."

"Good boy." Liu Jun put down his chopsticks and couldn't help asking: "How can the taste of your restaurant be so delicious?"

"Good food comes from good ingredients."

"Food ingredients?"

"Right." Wu Tian nodded and explained, "All of the hotel's ingredients are directly harvested from Stone Flower Village. Not only is it fresh and pure, but it also has a unique taste, without any chemical fertilizer or pollution, the key is that the village where the vegetables are grown is rich in selenium."

"No wonder the dishes are so pure." Liu Jun nodded in agreement: "This price is very reasonable."

"Our pricing is mainly for high-end customers with good taste like you."

"Alright!" Liu Jun changed into a comfortable position and leaned his body against the chair. "I believe that it won't be long before this hotel claims that it will broadcast all over Luzhou."

"Let me toast you." Wu Tian poured two glasses of red wine and pushed one to Liu Jun.

"I want some too." Liu Yueyao wiped her mouth and asked.

"Here."

Wu Tian quickly passed his glass of red wine to Liu Yueyao and then poured another, "Here, cheers."

"Bam!"

After the few of them drank the wine, they drank the wine in their hands in one gulp.

The three chatted and laughed as they drank. Soon, they finished a bottle of red wine.

Along the way, Liu Jun took a phone call and said that the company had business, so he hurriedly left the room.

Only Wu Tian and Liu Yueyao were left in the room, the atmosphere was a little awkward.

"Come, drink." Wu Tian poured another two glasses of red wine and raised his glass to Liu Yueyao, trying to ease the awkwardness.

"Are you trying to get me drunk on purpose?"

"I don't think so."

"Isn't that what men do?" Liu Yueyao finished her glass of red wine after she finished her sentence.

"Slow down." Wu Tian quickly took out a tissue and handed it over. He smiled and said, "I think we shouldn't drink anymore. I'll take you home!"

"I don't need you to send me home. I can go home by myself." Liu Yueyao staggered out after she finished her sentence.

There wasn't much to drink today, probably because the last two drinks had been too strong, making her feel a little dizzy.

Wu Tian quickly went forward to hug Liu Yueyao's body and said with concern, "Slow down, stop wrestling."

"Hey ..."

Liu Yueyao suddenly stopped and looked down at Wu Tian's pair of large hands, "Your bad hands, where are you going to touch them?"

"Sorry, I didn't mean to." Wu Tian quickly pulled his hands away from Liu Yueyao and took her arm.

"Shameless!" Liu Yueyao rolled her eyes coquettishly and staggered out of the room, walking towards the elevator.

However, after walking not too far, her head sank down and she directly fell into Wu Tian's arms.

Fortunately, Wu Tian reacted quickly. He hugged Liu Yueyao, picked her up, and shouted, "Yueyao, Yueyao, are you alright?"

"I'm dizzy."

Liu Yueyao opened her eyes in a trance and said gently, "I'm so sleepy. I'm going to sleep for a while and help you send me home."

"Sleep, I'll send you home." Wu Tian shook his head with a bitter smile. He had never seen this girl drunk before.

But to be honest, this girl looked pretty cute when she was drunk, and her face was red like a child's.

"Wu Tian, don't take advantage of me." Before going to bed, Liu Yueyao didn't forget to warn him.

"Don't worry, I promise I won't take advantage of you." Wu Tian promised and carried Liu Yueyao into the elevator.

As he went downstairs, he quickly met the suspicious gaze of the waiter.

Seeing Boss Wu carrying a pretty girl that was drunk, the waitress couldn't help but whisper to him.

It was obvious that the waiter had misunderstood. They all thought that Boss Wu had drunk the pretty girl up in order to plot against her.

Wu Tian was too lazy to explain. It would only get worse the more he described it.

He left the hotel with the drunk Liu Yueyao in his arms and had Uncle Fugui drive the girl back to the Liu family. He also ordered the maid to take care of her.

After he had seen Liu Yueyao off, Wu Tian went to school, where he had Teacher Mu's classes in the afternoon.

Wu Tian didn't go home after school, so he stayed at school.

Now that the hotel had gone smoothly and everything was on the reserved track, the development was still considered smooth. He could be at ease leaving it to Yang Guang and Sunn Xiaohao to manage it.

The next day was Saturday. Wu Tian didn't go anywhere, instead, he slept soundly in his dorm.

He had been busy these past few days with the matters of the hotel, and now he needed to take a good rest.

As he was sleeping soundly, he was woken up by the ringing of his cell phone.
