C269 Beautiful Women Drunk

He picked up his phone in a daze and answered without even looking. He heard a strange voice coming from the phone, "Hello, Boss Wu."

"Who are you? What can I do for you?" Wu Tian asked. The woman's voice sounded familiar.

"I'm Xie Mei from the Advertising Department of Luzhou Television Station. We just met yesterday." The woman's gentle voice came from the other end of the phone.

"So it's Director Xie."

Wu Tian suddenly became much more clear-headed after hearing this voice, "Director Xie, why did you think of calling me?"

"Didn't we make an appointment yesterday to record a short video for you at the Civic's Home?"

"I'm so sorry, I almost forgot about that." Wu Tian slapped his forehead and remembered the agreement from yesterday.

He had indeed agreed to work with Xie Mei to make a short film yesterday, but he had forgotten about it after being so busy.

"I wonder if Boss Wu has time today?" On the other end of the phone, Xie Mei's tone was still as patient as ever.

"Yes, yes, I have time today. I'll be right over."

"Alright, we'll wait for Boss Wu at the citizen's home."

"Alright, I'll hurry over as soon as possible." Wu Tian hung up the phone and quickly put on his clothes.

After a simple wash, he hurriedly went downstairs and took a cab to the home with the citizens.

He looked around but did not see Xie Mei. He discovered that there were people from Luzhou Television Station in the leisure station. They had already set up their machines and were ready to shoot.

"Hello, may I ask if you are from Luzhou Television Station?" Wu Tian walked over and tried to ask them.

"That's right, I'm Wang Gang from the editorial department." After the young man said this, he impatiently waved his hand and said, "Let's go. Don't affect our video recording."

"Are you going to look for the owner of the Tianhao Hotel to make a promotional video?"

"Yes."

"That's right." Wu Tian walked over and smiled as he introduced them: "My name is Wu Tian, I'm the big boss of the Tianhao Hotel, the person you guys are waiting for."

"With just you?" Wang Gang swept his eyes over Wu Tian with that scrutinizing gaze as he disdainfully smiled and said, "You brat, don't embarrass yourself here. Go and wait at the side!"

"I'm really the boss of the Tianhao Hotel ..."

"Stop bullshitting around here." Wang Gang stared at Wu Tian for a few seconds, and then shouted impatiently, "The big boss of the Tianhao Hotel is an elite in the business world of Luzhou, how could it be you?"

"I ..."

Wu Tian wanted to explain more, but when he saw the look of distrust in the other's eyes, he stopped himself.

He could not explain himself to this kind of condescending bastard. He directly said, "What about you guys, Director Xie? I want to meet Director Xie from your Advertising Department."

"We, Director Xie, are very busy. We don't have time to meet you."

"Sorry for disturbing you. Goodbye." After Wu Tian said this, he turned around and prepared to leave.

After taking a few steps, he saw Xie Mei twisting her waist and running over. She said with a smile, "Boss Wu, where are you really going?"

"Director Xie, your people don't seem to welcome me." Wu Tian's tone was quite tactful.

If it weren't for Xie Mei's good attitude, he wouldn't have bothered to waste his breath and turned to leave.

"They don't know you, it's just a little misunderstanding. I'll go introduce you to them." After Xie Mei said this, she pointed at Wu Tian and introduced him to her colleagues: "His name is Wu Tian, he's the boss of the Tianhao Hotel. I specially invited him to come over to take a short video."

"What?" Is he really the boss of the Tianhao Hotel? " Wang Gang was shocked, he never thought that the young brat in front of him was the big boss of the Tianhao Hotel.

Previously, he suspected that this brat was a swindler, using the name of Tianhao's boss to get close to the television station.

Hearing Director Xie's introduction, everyone finally believed that Wu Tian was the big boss of the Tianhao Hotel.

However, no one was convinced, especially Wang Gang. He didn't think Wu Tian had any great ability.

As the director of the city television station, he was really unbalanced to have come here to take a video of a young boy.

"That's right, he's the boss of Tianhao Hotel." Xie Mei nodded strongly, put her head close to Wang Gang and urged quietly, "I finally got Boss Wu here, let's start quickly."

"Director Xie, I really don't understand. What's so good about this kid?" Wang Gang asked with an unconvinced expression.

"Boss Wu used the hotel to promote Stone Flower Village to become rich. This kind of kindness is worthy of us Luzhou people to learn from. We have to condense Boss Wu's deeds into a video and call for everyone to learn from him."

"What is there to learn from such a person?" Wang Gang had a reluctant expression.

He had originally thought that the big boss of the Tianhao Hotel would be a middle-aged uncle.

However, a silly kid who was younger than him and was doing better than him had suddenly appeared out of nowhere. Naturally, he was unwilling to accept this and thus developed a sense of hostility.

"Director Wang, do you have any prejudice against Boss Wu?" Xie Mei couldn't help but ask curiously.

"No, I just don't like this kid."

"Alright, let's do the video first." After Xie Mei said this, her gaze fell on Wu Tian again as she instructed, "Boss Wu, you have to cooperate with us as much as possible. If you have any problems, we can communicate them in time."

"No problem." Wu Tian nodded. He was very satisfied with the attitude of the woman in front of him.

"Alright, sit over here." Xie Mei led Wu Tian to sit in front of the camera and said with a smile, "I will interview you later. Just answer my questions truthfully."

"Ok!"

"Then let's give it a try first." Xie Mei let the camera adjust its angle, then walked over and sat beside Wu Tian, beginning to interview: "Mr Wu, why did you invest in Tianhao Hotel?"

"The name of my previous Tianhao was Sunshine Hotel." Wu Tian glanced at Xie Mei and said to the camera, "I have my eyes on the location of the Sunshine Hotel, the decorations, and the potential for a rise in value."

"Mr Wu has good eyes and courage." Xie Mei praised him and continued the interview, "Why would Mr Wu want to help the Stone Flower Village get rich and poor?"

"I'm a businessman, not a philanthropist." Wu Tian pursed his lips and smiled, and continued to say, "Cooperation with Stone Flower Village is just a win-win situation, mutual benefit and mutual benefit."

"Then why did you purchase vegetables and raw meat ingredients from Stone Flower Village?"

"The ingredients in Stone Flower Village are harmless. Due to the soil and environment, the ingredients here are a hundred times better than those in other places. The taste of the prepared food is incomparable ..."

Wu Tian spoke with confidence and ease in front of the camera. He was not nervous at all, just like how he normally was.

Following that, Xie Mei asked a few questions in a row, and Wu Tian answered them all in a straight forward manner.

The interviews between the two of them were going smoothly, as if they were just chatting between friends without any obstacles between them.

After the interview, Xie Mei couldn't help but extend her right hand in gratitude, "Thank you, Boss Wu, for taking the time out of your busy schedule to accept my interview. Thank you."

"There's no need to be polite. I'm honored to be your honored guest." Wu Tian smiled as he flattered her.

"But to be honest, it was too easy for me to interview Boss Wu, it's no different from a normal date." Xie Mei lamented from the bottom of her heart.

Hidden Billionaire Chapter 270 - Fabrication of Facts -

C270 Fabrication of Facts

These words seemed to have provoked Wang Gang. He spat on the ground and said with disdain: "This kind of guy will never be able to make it onto the stage."

"You seem to have a problem with me?" Wu Tian's gaze turned cold, and he glared at Wang Gang with murderous intent.

"I just don't like you." Wang Gang was like a combative rooster, he tilted his head and shouted, "Don't think that I don't know, you had an affair with Xie Mei that gave you the chance to come to the television station to shoot a short movie."

"Wang Gang ..."

Xie Mei roared, pointed at Wang Gang and asked, "Who do you think is involved with Boss Wu?"

She could tolerate anything except being slandered. This was more painful for her than anything else.

"Don't think that I don't know. It's precisely because you have a relationship with this guy called Wu Tian. Otherwise, you wouldn't be helping his hotel advertise for free." Wang Gang shouted loudly.

Xie Mei had made him lose face a few times in front of everyone, so he took the opportunity to embarrass her.

"You ..."

Xie Mei was so angry that her chest heaved up and down. After a long while, she finally managed to say, "Just you wait, I'll call Broadcasting Station Head right now."

With that, she took out her phone and started to make calls.

"So what if I called? I'm not afraid of you." Wang Gang didn't think much of it. Not only was he not afraid, he even looked like he was waiting to watch a good show.

With the relationship he had with Broadcasting Station Head, there was no doubt that Broadcasting Station Head would side with him for today's incident.

Xie Mei finished her call very quickly and stared at Wang Gang complacently. "Mr. Wang, just you wait!"

"Don't be happy too early, the good show is yet to come." The moment Wang Gang finished speaking, the phone in his pocket rang.

He took out his phone and smiled strangely, "Broadcasting Station Head called me. Listen, the plot will be reversed very soon."

After Wang Gang said this, he clicked the screen to pick up the call and turned on speaker.

"Gangzi, what's going on between you and Director Xie?" On the other end of the phone, Broadcasting Station Head spoke in a calm and dignified tone, with a hint of dominance in his tone.

"It's like this. Director Xie has a secret relationship with the owner of the Tianhao Hotel. She is using the resources in the television station to help promote the hotel." Wang Gang explained to his phone.

Xie Mei almost died from anger when she heard this.

Xie Mei raised her hand and pointed at Wang Gang's nose as she scolded him viciously, "You are simply creating new life from nothing and spouting bloody words at me."

"Whether it's true or not, we need Broadcasting Station Head to decide." Wang Gang smiled complacently as he spoke into his phone, "Broadcasting Station Head, what do you think?"

"Wang Gang is right. Director Xie, it's too much for you to use your position to help your friend advertise." After Broadcasting Station Head said this, his tone changed, "From now on, Director Xie is no longer the director of the advertising department."

"Broadcasting Station Head, you ..."

Xie Mei was so angry that the corner of her mouth twitched. She never thought that Wang Gang would collude with Broadcasting Station Head and deal a ruthless blow to her.

She understood, it was because she accidentally offended Broadcasting Station Head that Broadcasting Station Head targeted her, removed her position as the director, and took away her power.

Now she had no place to vent her anger and grievance, so she could only grit her teeth and swallow it.

"Broadcasting Station Head is wise." After Wang Gang said this to his phone, he suggested, "Broadcasting Station Head, I suggest cancelling out all the promotional videos and materials related to the Tianhao Hotel."

"Alright, I'll leave the matter of the Tianhao Hotel with you." Broadcasting Station Head hung up after saying that.

"Great." Wang Gang kept his phone, raised his head and looked at Xie Mei, "From now on, I will be in charge of Tianhao Hotel."

"What do you want?" Xie Mei screamed hysterically. She was on the verge of going crazy.

"You'll know soon enough." Wang Gang smiled charmingly and turned his head to look at Wu Tian, "Brat, do you believe that I won't ruin your reputation right now?"

"You take yourself too seriously." The corner of Wu Tian's mouth lifted into a gloating smile.

"With my relationship with Director Hong, it would be easy for me to slander you." Wang Gang slowly approached Wu Tian, and said coldly: "As long as I post a few false reports, saying that your Tianhao Inn's food contains cockroaches and rats, wouldn't your hotel be completely destroyed?"

"Bam!"

Wu Tian couldn't stand it anymore. He waved his hand and punched Wang Gang hard in the face as he scolded, "I've seen shameless people. I've never seen such a shameless guy like you."

"Ah!"

Wang Gang screamed miserably. He covered his face and said angrily, "Brat, you dare to hit me. I will report the negative news of your hotel right now, making your hotel fall and your reputation fall."

"He's really asking for a beating." Wu Tian was too lazy to waste words. He directly slapped Wang Gang's face and only beat the kid until he cried for his mother.

On the other hand, Xie Mei, who was standing to the side, felt relieved when she saw Wang Gang being beaten up like that. She couldn't help but smile.

After a round of violence, Wu Tian still couldn't seem to vent his anger. He took off Wang Gang's belt and tightly tied his body.

After tying them up, Wu Tian turned to Xie Mei and said, "Director Xie, I'm really sorry for making you suffer such injustice for our hotel."

"This has nothing to do with you." Xie Mei forced a smile on her face as she bit her lower lip and said, "It was Wang Gang colluding with Broadcasting Station Head. He wanted to mess with me on purpose."

"Director Xie, don't be anxious. I will definitely make you, Broadcasting Station Head, apologize for what happened today." Wu Tian gave her a comforting look.

Originally, the matter with the television station had nothing to do with him. He did not want to interfere, but he did not expect Broadcasting Station Head to be so lawless.

This time, he planned to teach Broadcasting Station Head a lesson and help Xie Mei vent her anger.

"Forget it. Our Broadcasting Station Head is extremely powerful. I'm afraid you are no match for him." Xie Mei sighed. She didn't want Boss Wu to fight against Broadcasting Station Head for her sake.

"I'm in charge of this matter." Having said that, Wu Tian grabbed Wang Gang and threw him into his car. He then turned to Xie Mei and said, "Come, let's go back to the television station to watch a good show."

"But ..."

Xie Mei was still hesitant, but she was stopped by Wu Tian, "Let's go. This will definitely be a great show."

Just like that, Wu Tian pulled Xie Mei into the car and drove them back to the television station.

Arriving at the Luzhou City television station, Wu Tian threw the tied up Wang Gang at the door, then called Broadcasting Station Head.

Soon, he saw a pot-bellied Director Hong walk out. When he saw his own person thrown at the door, he instantly flew into a rage: "Who did this, come out if you dare."

"It's me." Wu Tian walked towards Director Hong and introduced him with a smile, "I am the boss of the Tianhao Hotel, Wu Tian."

"So you're the big boss of the Tianhao Hotel." Director Hong looked like he suddenly came to a realization.

"You unreasonably removed Director Xie from the job. You're simply shameless to the extreme." Wu Tian despised him severely and reminded him kindly, "If you apologize to Director Xie now and restore her position, then I will pretend that nothing happened today."

"From your tone, it sounds like you're threatening me?" Director Hong frowned and his face was filled with anger.

Hidden Billionaire Chapter 271 - Visit Xiaofeng -

C271 Visit Xiaofeng

"That's right, I'm threatening you." Wu Tian also showed an air of righteousness. He did not put Director Hong in his eyes at all.

"A mere hotel owner actually thinks so much of himself." Director Hong shook the suit he was wearing and shouted, "Let's see what you can do to me."

"Then take a good look." Saying that, Wu Tian took out his phone and opened the recording.

This recording was the conversation between him and Wang Gang. Wang Gang had exposed his close relationship with Director Hong, and even threatened to slander Tianhao Hotel, causing it to collapse in such a short period of time.

After listening to the recording, Director Hong's face suddenly darkened. He turned around and glared at Wang Gang fiercely, "You really are a piece of trash."

He did not expect Wang Gang to speak so openly. He threatened to use false reports to destroy Tianhao, and he even unknowingly dragged him, Broadcasting Station Head, into it.

"Director Hong, if I expose this recording, do you think I'll be able to settle down in Broadcasting Station Head's position?" Wu Tian shook his cell phone and asked with a smile.

"You ..."

Director Hong gritted his teeth and quickly changed to a fawning tone. "It's not good to end this injustice. It was all a misunderstanding before. If you have anything to say, let's sit down and chat."

Naturally, he knew the seriousness of the situation. If this recording were to be released, it would deal a fatal blow to the reputation and image of the television station. I'm afraid that Broadcasting Station Head won't be able to become one by then.

"I don't think Director Xie should have demoted her, do you?" Wu Tian asked with a faint smile.

"Right, right."

Only then did Director Hong react. He hurriedly walked in front of Xie Mei and apologized, "Director Xie, I was just muddle-headed earlier and listened to Wang Gang's one-sided words. I sincerely apologize to you for that."

Xie Mei glanced at Wu Tian and couldn't help but secretly admire him. She didn't expect Boss Wu to deal with Director Hong with just a few words.

After being stunned for a few seconds, she finally opened her mouth and said, "It's good that Director Hong is able to recognize his own mistakes. As the saying goes, one can correct mistakes, but one cannot do anything about it."

"I promise I won't make the same mistake again." Director Hong promised, then added: "From now on, resume your position as the Advertising Department's Director, and continue to be responsible for following up on Tianhao Hotel's promotional clip."

"Thank you, Director Hong."

"You're welcome." After Director Hong said this, his gaze fell on Wu Tian again, "Boss Wu, in order to express my sincerity, I have decided to do a year's advertising for your hotel for free."

"Director Hong, it's rare for you to be so considerate, so I'll do as you say." Wu Tian couldn't help but be secretly happy.

With the help of the Luzhou television station, not only could he save a lot of money on promotion, he could also raise the hotel's reputation.

"Then it's settled." Director Hong immediately instructed Xie Mei, "Director Xie, this matter will be handled by you. Do not let anything slip up."

"Don't worry, I guarantee it won't be a problem." Xie Mei promised with a smile.

"That's good." Director Hong nodded and suggested to Wu Tian: "Boss Wu, can we have lunch together?"

"There's no need to eat." Wu Tian firmly refused and then walked towards Wang Gang with a face full of schadenfreude as he said, "You will definitely die for your injustice. Are you satisfied with this result?"

"You ..." Wang Gang was so angry that the corner of his mouth twitched. He couldn't say anything for a long time.

He didn't expect that he would be tricked by a little brat this time. He was unwilling in his heart, but there was nothing he could do. As matters stood, there was nothing he could do.

"Don't go against me next time, or you'll end up even worse off." Wu Tian kindly advised. After bidding farewell to Director Hong, he turned around and walked towards the red flag car.

After walking for a short distance, he saw Xie Mei jogging as she caught up to him.

"Boss Wu, thank you." Xie Mei pulled up her hair and said gratefully, "It's all thanks to you helping me out this time. Otherwise, I'd be in deep trouble."

"Don't be so polite, you got into trouble because of our hotel, helping you is helping myself."

"Anyway, thank you." Having said so, Xie Mei took the initiative to extend her right hand. "From now on, we are friends. If you need me, just say so."

"Alright!"

Wu Tian shook Xie Mei's arm and said with a smile, "I'm very happy to be your friend."

"Boss Wu ..."

"Since we're friends, don't call me Boss Wu. You can call me little Brother Tian."

"How old are you? Let me call you big bro." Xie Mei rolled her eyes slightly and said carelessly, "Then I'll call you Tian from now on."

"Then I'll call you elder sister."

"Why does this name sound a bit weird?" Xie Mei smiled bitterly and changed the topic. "Go back to your work first. I'll contact you another day."

"Alright then, I'll be leaving first. Goodbye elder sister Mei." Wu Tian waved his hand, turned around and got into the red flag car.

He originally wanted Uncle Fugui to send him home, but suddenly remembered that Azure Dragon's sister, Xiaofeng, was still hospitalized in a nearby hospital, so he ordered Uncle Fugui: "Go to the hospital in the front."

"Alright."

After Liu Fugui answered, he drove to the hospital building that was not far away.

After Wu Tian got off the car, he bought some fruits before coming to the ward where Xiaofeng was.

Xiaofeng was lying on the sickbed by herself, looking much better than before. She was fiddling with her slender fingers, looking pretty cute.

"Xiaofeng, what are you doing?" Wu Tian put down the fruit and leaned his head over to ask.

"Ya!"

Xiaofeng seemed to be frightened and exclaimed. When she saw that it was Wu Tian who entered the ward, she immediately became happy. "Elder Brother Tian, why are you here?"

With that, she propped herself up from the bed.

"I came to see you on the way." Wu Tian sat down beside the sickbed and joked, "Xiaofeng, are your fingers fun?"

"Elder Brother Tian, you actually teased me." Xiaofeng pouted, looking a little embarrassed.

"Hehe!"

Wu Tian chuckled dryly. He glanced at the empty ward and couldn't help but ask: "Where's your brother?"

"He went out to buy me some food. He'll be back soon."

"Then are you hungry?"

"Hee hee, a little."

"Let me peel an apple for you first." With that, Wu Tian grabbed the apple and the fruit knife and began to cut them.

Just as he handed the apple to Xiaofeng, he saw Azure Dragon walk into the ward with a box of food in his hand. He immediately asked, "Young Master, is there something you need me for?"

"I came here for some business, and I happened to drop by to see Xiaofeng." Wu Tian pinched Xiaofeng's delicate face lovingly as he finished his sentence.

"Thank you, Young Master Wu."

"There's no need to be so polite between us. Oh right, Xiaofeng is hungry, let her eat quickly." Wu Tian pointed at the box of rice in Azure Dragon's hand and reminded him softly.

"Right." Only then did Azure Dragon come back to his senses. He hurriedly opened the box of rice and placed it in front of his sister. "Xiaofeng, hurry up and eat."

"Bro, feed it to me." Xiaofeng raised her face and scolded in a low voice, as if she was acting coquettishly.

"You're already so big, and you still want your big brother to feed you? Eat it yourself." Azure Dragon handed the chopsticks over.

Hidden Billionaire Chapter 272 - Discharge -

C272 Discharge

"No, I want you to feed me." Xiaofeng pouted and waited for her brother to feed him.

"I'll feed you." Wu Tian grabbed the box lunch and the chopsticks and said with a smile, "If I want such a cute little sister, I'll feed her everyday."

Having said so, he picked up the chopsticks and picked up the rice and placed it in front of Xiaofeng's mouth.

"Little Brother Tian, I think it's better if I eat by myself." Xiaofeng was too embarrassed to let Wu Tian feed her. She hurriedly took the box lunch and started eating with her head lowered.

"You girl, eat slowly." Wu Tian shook his head with a bitter smile. He looked at Xiaofeng lovingly.

He was really envious of Azure Dragon. He was truly blessed to have such a cute and mischievous sister to pamper him.

"Young master, come out for a moment. I have something to tell you." Azure Dragon signaled Wu Tian with his eyes and led the way out of the ward.

"Xiaofeng, take your time. I'm going out for a bit." After saying this, Wu Tian turned around and followed her out.

He walked out of the ward and saw Azure Dragon staring out the window in a daze.

Wu Tian walked over to take a look and found a familiar figure downstairs. It was Zhao Yang.

"Why is this kid in front of the hospital?" Wu Tian frowned and felt a bit uneasy.

"That kid has been wandering around downstairs since yesterday afternoon. He might be targeting Xiaofeng and me." Azure Dragon explained.

"This guy is really thick-skinned."

"Young Master, what should we do now?"

"I'm worried that this kid will harm Xiaofeng." Wu Tian used his hand to rub his chin. After a moment of thought, he suggested, "Take this kid to a remote location and break one of his legs. Let this kid stay in the hospital and suffer a little."

"Alright, I'll do it right away." After Azure Dragon replied, he quickly walked downstairs. He couldn't wait to teach Zhao Yang a lesson.

Wu Tian didn't follow them downstairs. Instead, he stood by the window and watched quietly. Killing intent filled his entire body.

After waiting for a short while, he saw Azure Dragon come back and reported: "I've already taught Azure Dragon a lesson, this brat will be laying in the hospital for at least half a month."

"Very good." Wu Tian nodded with satisfaction and instructed, "You must be careful of Zhao Yang, in case this beast wants to harm Xiaofeng."

"Xiaofeng is almost recovered. I plan to get her discharged today."

"Are you sure she's all right?"

"She has already done an omni-directional inspection. There's no big problem. I plan to take Xiaofeng home to recuperate."

"Sure."

"After she recuperates for a while, I plan to let Xiaofeng go to school."

"I think so too." Wu Tian nodded in agreement and promised, "First let Xiaofeng recuperate with great care. I'll take care of her going to school."

"Alright, then I'll go and complete the discharge procedures." Azure Dragon turned around and walked into the doctor's office after saying that.

Wu Tian returned to the ward and saw that Xiaofeng had finished her meal and was munching on the apple that she hadn't finished eating.

Wu Tian poured a cup of water and handed it over. He asked with a concerned smile, "Xiaofeng, are you full yet?"

"So full." Xiaofeng patted her small belly and asked curiously, "Little Brother Tian, what are you doing sneaking around with my brother? You still want to avoid me when you talk? "

"It's just that I'm afraid it will affect your appetite."

"Then what did you tell my brother?"

"Nothing." Wu Tian naturally wouldn't tell Xiaofeng about Zhao Yang. He avoided the issue and said, "I was just discussing it with your brother. I plan to arrange for you to go to school once your body recovers."

"I'm going to school?"

"Right."

"Great." Upon hearing that she would be able to attend school, Xiaofeng was so happy that her hands and feet were dancing. "Even in her dreams, I wanted to attend school. I didn't expect that I could finally get my way."

"Take good care of yourself, I'll arrange for you to go to school."

"Thank you, Elder Brother Tian."

"Good girl, your mouth is so sweet."

"Hee hee!"

The two chatted for a while, and when Azure Dragon had finished with the discharge procedures, they busied themselves with packing up and left the hospital.

After Uncle Fugui sent the Wu siblings back to their residence, the few of them finished eating at Azure Dragon's home and settled Xiaofeng down before leaving.

Previously, Wu Tian paid a servant to be responsible for taking care of Xiaofeng's daily necessities. Only then could the few of them feel at ease.

"Azure Dragon, why don't you stay at home and take care of Xiaofeng?" After walking out of the door, Wu Tian turned around and suggested to Azure Dragon.

"You helped Xiaofeng get a babysitter. I'm quite relieved to have her take care of Xiaofeng." After Azure Dragon said this, he scratched his head awkwardly: "What's more, I'm clumsy and was rejected by Xiaofeng. I won't be of much help if I stay home. "

"That's true, hahaha ..."

After Wu Tian said this, he burst out laughing, which made Uncle Fugui laugh along with him.

After laughing for a while, Wu Tian put away his smile and said, "How long does Xiaofeng need to rest before she can go to school?"

"That's hard to say. We can only wait and see."

"Is there a problem?"

"No big problem." Azure Dragon sighed and said gloomily, "She is still not stable yet, so her recovery will be slow."

"Don't worry, take your time." Wu Tian patted Azure Dragon's shoulder and comforted him with a smile, "I believe Xiaofeng will fully recover."

"Hopefully."

"Alright, let's get on the car and go to the company." Wu Tian hadn't gone to the Tianmu Technology for a long time, so he planned to go back to the company to check out the situation.

They got into the red flag car. Wu Tian's phone rang in his pocket before he could even sit properly.

He took out his phone to have a look and his eyes suddenly lit up. The number displayed on his phone indicated that Qiao Fugang had called.

Director Qiao was making a movie, why did he suddenly think of calling him?

After a moment of surprise, he quickly picked up the phone and asked, "Director Qiao, is there something you need from me?"

"Hello, Boss Wu." The voice on the other end of the phone was a little disorderly. Qiao Fugang pulled at his throat as he said: "I came to your Luzhou. I want you to come over for a meal."

"Director Qiao is at Luzhou?"

"Yes, I am at the Luzhou, Thousand Blessings Ancient Town."

"You came to Luzhou, why didn't you call me?"

"Boss Wu, forgive me. I'm too busy." After apologizing, Qiao Fugang smiled and suggested, "If Boss Wu has the time, come to Thousand Blessings Ancient Town. Let's have a meal together and have a good gathering."

"Alright, I'll be right there." Now that things had come to this point, even if Wu Tian didn't have the time, he still had to make use of it.

Qiao Fugang brought his team to Luzhou to make a movie. As the host, he definitely had to go over to take a look.

After hanging up the phone, he immediately ordered Uncle Fugui: "Uncle Fugui, hurry and drive. Let's go to Thousand Blessings Ancient Town now."

"Alright!" After Liu Fugui replied, he started the car and drove away at the fastest speed possible, leaving behind bursts of black smoke.

As the car sped along, they soon arrived at the Thousand Blessings Ancient Town.

This was a movie base built with a huge amount of money from Luzhou. It was a place where leisure tourism was a part of it and relatively speaking, it was not that bad. However, it was a bit far from the city center.

When they arrived at the Thousand Blessings Ancient Town, they quickly found Qiao Fugang's filming team. They were busy taking scenes and filming scenes.

Wu Tian did not disturb Director Qiao's filming. Instead, he walked over to a awning and sat down in front of it, quietly watching the people from the filming crew busy with their work.

It seemed that everyone was very serious and completely focused on their work.
