

Hidden Billionaire Chapter 273 - Popular Stars -

C273 Popular Stars

Wu Tian had just sat down when he saw an actor walk over. He shouted with a domineering tone, "Foolish brat, hurry up and get out of my way. This is my position."

"There are so many seats beside you, you can sit anywhere you want." Wu Tian raised his head and looked at the actor, then ignored the brat.

"This is my seat, what qualifications do you have to sit on equal footing with me?"

"Whether you are qualified or not is not up to you."

"Get lost." The actor was immediately enraged. He pointed at Wu Tian's nose and threatened: "If you don't get out of here, don't blame me for being rude to you."

"Idiot!" Wu Tian rolled his eyes at the actor, then fished out a cigarette and lit it.

"You little brat, you're asking for a beating." The actor was impatient. After he said that, he prepared to attack Wu Tian.

However, before he even got close to Wu Tian, Azure Dragon, who was beside the wine cup, grabbed his arm and pressed his head down hard on the table.

The actor struggled and wriggled a few times, then angrily shouted, "How dare you do this to me? Do you know who I am?"

"I don't know." Wu Tian didn't even look at the actor as he coldly spat out three words.

"I'm a celebrity, Jiang Qi." The actor directly announced his name, thinking that Wu Tian would be scared.

"Hu!"

In the end, Wu Tian did not think much of it. He blew out a smoke ring and said with a smile, "Even if you are the God Emperor, I will still make you eat the dirt if you provoke me."

As soon as he said that, Azure Dragon forcefully suppressed Jiang Qi's face and smacked his lips hard on the ground.

"Pui! Cough! Cough! Cough! ..."

Jiang Qi coughed heavily as he ate a mouthful of dirt.

He was so angry that he roared fiercely, "Bastard! How dare you make me eat dirt! I'm not done with you!"

"This time I'm just eating dirt. Next time I'll let you eat sh * t." After Wu Tian said this, he waved his hand at Azure Dragon and said, "Alright, let this kid go first."

"Yes." Azure Dragon let go of the orders and retreated to the side.

"Pah pah pah!"

After Jiang Qi gained his freedom, he spat a few times towards the ground, pointed at Wu Tian's nose and roared, "Bastard! How dare you humiliate me! I'm not done with you!"

Such a loud shout quickly alarmed the film crew.

After finishing a part of the movie, Qiao Fugang came over with his crew.

Jiang Qi hurried forward and said to Qiao Fugang, "Director Qiao, I was beaten up by someone. How do you think this counts?"

"You were beaten?" Qiao Fugang was completely shocked when he heard that the famous celebrity he invited was beaten up on the set.

The other members and actors of the film crew were also quite surprised. They never thought that someone would dare to attack Jiang Qi in the film crew.

"That's the kid." Jiang Qi pointed at Wu Tian under the umbrella and yelled, "It was that brat who hit me just now. Director Qiao, you have to help me teach that kid a lesson today."

"Boss Wu?"

Only then did Qiao Fugang realize that Wu Tian had appeared out of nowhere.

He was stunned for a moment, then pointed at Wu Tian and introduced him to Jiang Qi, "His name is Wu Tian, he's the investor for our movie."

"Investor?" Jiang Qi was slightly shocked.

He was very surprised, as he did not expect the guy in front of him to be an investor in the movie. No wonder he dared to be so arrogant in the film crew.

After staring at Wu Tian for a while, Jiang Qi made a move again, "So what if he's an investor? Even if he is, he shouldn't have beaten someone up in the crew."

"Mr. Jiang, I think this is a misunderstanding, don't take it to heart." Qiao Fugang tried to calm the situation and advised with a smile.

He was just a normal little director, and neither side dared to offend him.

On one side was an investor in the movie, who was his financial backer. On the other side was a popular movie star, who was the male lead of the movie.

"This isn't over." Jiang Qi didn't intend to let the matter go.

If he was just a normal celebrity and had been hit by an investor, he would definitely turn a blind eye.

However, Jiang Qi was different. He was a popular movie star with many fans. His status was not cheap, so naturally, he couldn't tolerate being beaten by the investors.

"Cough, cough!"

Qiao Fugang coughed awkwardly and tried asking, "Mr. Jiang, what do you want?"

"He hit me. I have to apologize, or this will be the end of it." Jiang Qi shouted loudly.

"How about this, I'll apologize on behalf of Boss Wu. What do you think?" Qiao Fugang lowered his posture and said with a smile.

It was impossible for Boss Wu to lower his head and apologize.

However, with Jiang Qi's attitude right now, he definitely wouldn't let the matter rest until he apologized. Thus, he decided to lower his stance and apologize to Jiang Qi, hoping to resolve the matter.

"Alright, for Director Qiao's sake, Boss Wu can choose not to apologize, but I have to deal with that kid." After saying this, Jiang Qi turned around and glared fiercely at Azure Dragon.

Just now, it was Azure Dragon who hit him and pushed him to the ground to eat the dirt, causing him to lose all face.

"No."

Wu Tian refused decisively without thinking: "Azure Dragon is my brother, not a tool for you to vent your anger."

"In other words, Boss Wu is going to fight against me?" Jiang Qi clenched his fists tightly, so much so that his face turned the color of a pig's liver.

He had already made a great concession, but he did not expect Boss Wu to not give him any face at all.

"If you're not looking for trouble, you won't have so much to do." Wu Tian did not show any signs of weakness. From the beginning to the end, he had always had this kind of attitude.

He didn't lower his head because the other party was a popular celebrity.

"Do you believe that I won't act anymore?" Jiang Qi seemed to have been forced into a corner as he threatened with his teeth bared.

These words caused a small commotion and frightened everyone.

Especially Qiao Fugang, he finally managed to invite this popular celebrity. When he heard that the other party would stop acting, he rushed forward to curry favor with him. "Mr. Jiang, don't be angry, we have something to talk about ..."

"Nope." Jiang Qi had already lost his patience as he threatened, "I'll give you two choices. Either make Boss Wu apologize, or I'll call it a day."

"This ..." Qiao Fugang started to feel troubled.

Being a director, he definitely wouldn't be able to make the decision to ask Boss Wu to apologize.

However, if Mr. Jiang did not take part in the performance, that was equivalent to losing a heavyweight starring. It would be a great loss for the film crew.

"Director Qiao, replace this actor surnamed Jiang." Wu Tian put out the cigarette in his hand, raised his head and ordered Qiao Fugang in a commanding tone.

For the film crew, there were many actors, especially the male and female protagonists. He would never allow such a villain to act arrogantly in the film crew, using his fame and influence to his advantage.

"Boss Wu, Jiang Qi is a popular celebrity. If he is switched out now, I'm afraid ..."

Qiao Fugang still wanted to argue, but before he finished his sentence, he was interrupted by Wu Tian in a cold tone, "If we don't remove this actor, I will immediately withdraw my capital and recoup all my losses."

"Yes, immediately." Hearing that, Qiao Fugang finally understood the seriousness of the situation. He turned around and instructed Yan Jie, "Change people now."

He couldn't offend Boss Wu because of this.

Don't mention that Boss Wu was an investor, even if he wasn't, he couldn't afford to offend him.

He had seen Boss Wu's influence in the entertainment circle before, so ordinary people did not dare to offend him.

Hidden Billionaire Chapter 274 - Teach the Little Handsome -

C274 Teach the Little Handsome

Just like that, the filming crew decided to fire Jiang Qi at the last minute and temporarily stop filming to look for a new male lead.

This made Jiang Qi extremely angry. After all, he was a famous celebrity with a lot of fame in the entertainment industry. He never expected that he would be fired so casually.

After busying himself for most of the day, not only did he not get the movie, he was even beaten up in the crew for nothing. No one could bear such a thing.

Jiang Qi slowly approached Wu Tian and said viciously, "Brat, you have completely infuriated me this time."

"So what?" Wu Tian did not think much of it and did not put the celebrity in front of him in his eyes at all.

He had always hated these incompetent celebrity who only knew how to play the big card. This time, Jiang Qi's actions made him feel disgusted.

"Brat, you've offended me. I will ruin your reputation, and I will also ruin this movie of yours." Jiang Qi clenched his fists and said viciously.

"I'm just afraid that you don't have the ability."

"It seems you really don't know my strength." Jiang Qi gritted his teeth and arrogantly raised his head: "Let me tell you this, my fans are everywhere, even if each of them only spit a mouthful of saliva, they will drown your crew to death."

"Then show me your ability." Wu Tian hooked his fingers and said in a calm and provocative voice.

"Just wait for the anger of my fans." Jiang Qi smiled sinisterly, turned around and left.

"Idiot!"

Wu Tian secretly cursed and turned around to ask Qiao Fugang, "Director Qiao, who brought this actor here?"

"It's me." Qiao Fugang smiled embarrassedly and explained, "I'm worried that our new movie doesn't have enough traffic, so I chose Jiang Qi as the male lead to increase the flow."

"Our production team needs to find capable actors. We don't need people who are only beautiful." Wu Tian warned him expressionlessly and reminded him, "I hope Director Qiao can make a good choice when you choose an actor in the future."

"Understood!" Qiao Fugang scratched his head in embarrassment and took the initiative to change the topic, "Boss Wu, I got someone to prepare some simple meals, let's eat first."

"Since everyone has worked hard, let's quickly start eating." Wu Tian didn't bring up the matter again.

After all, Director Qiao and the film crew had both come from afar, so he could not keep pursuing this matter.

"Everyone, let's eat." Following Qiao Fugang's order, the scene instantly became lively.

The food in the crew was very simple, but everyone ate happily. Everyone had smiles plastered on their faces.

Yan Jie took two servings of food, one of which she handed to Azure Dragon and the other to Wu Tian.

"Boss Wu, the crew doesn't have good conditions. Please tolerate them." The corners of Yan Jie's mouth curled up into a faint smile.

She didn't look like a young woman, but rather a young girl of eighteen or nineteen. Her appearance was quite charming.

"Alright!"

Wu Tian took the food and said to Qiao Fugang and Yan Jie, "You came from afar, I'll invite you to a hotel for a good dinner tonight."

"Boss Wu, we still have to take the scenes in the afternoon and edit them in the evening. We really can't spare the time." Qiao Fugang tactfully refused.

"Alright, let's talk about the meal another day. I'll arrange a place for you guys to stay when the time comes." Wu Tian did not force it and made this suggestion.

"Thank you, Boss Wu."

"If you encounter any problems in the Luzhou, just tell me. I will definitely think of a way to help you solve them."

"Not at the moment." After saying that, Qiao Fugang gave Yan Jie a wink. "Yan Jie, tell Boss Wu about the recent situation of our film crew."

"Alright." Yan Jie nodded and started to report on the recent situation.

After hearing about the film crew's situation, Wu Tian was very satisfied, "Not bad, you guys are excellent in every aspect. I was not wrong about you guys."

"The main reason is because of Qiao Fugang's strong leadership skills." Yan Jie didn't forget to curry favor with Qiao Fugang even at the most crucial moment.

"Director Qiao is indeed an outstanding director. After this show is over, we'll find a wife for Director Qiao." Wu Tian said half-jokingly.

He had heard that Director Qiao's wife died in a car accident when she was young and Qiao Fugang had been busy with his career and being single all these years.

"This suggestion isn't bad ..." Upon hearing this, Yan Jie couldn't help but laugh while covering her mouth.

*

Qiao Fugang coughed dryly. He was a bit embarrassed and took the initiative to change the topic. "Boss Wu, you stay here. We'll continue filming. Yan Jie, you accompany Boss Wu."

After saying this, he arranged for the filming crew to continue working.

In the filming aspect, Qiao Fugang was meticulous and took every detail very seriously.

"Does Director Qiao have a woman he likes?" Wu Tian put down the food and asked Yan Jie.

"He doesn't have a woman he likes." Yan Jie shrugged. "I've never seen him interested in a woman."

"Actually, you and Director Qiao are very suitable. How about you two get together?"

"I don't want that kind of old man." Yan Jie waved her hand and quickly retorted, "I just want to get busy with my business and not consider getting married."

"Then what do you do when you're lonely at night?"

"Brat, you better take care of yourself." Yan Jie scolded with a red face and turned her head to the right. She did not want to discuss this topic.

"Here!"

Wu Tian took out a key and put it in Yan Jie's hand. He smiled and said, "This is for Elder Sister Yan."

"What is this?" Looking at the key in her hand, Yan Jie frowned in confusion.

"This is the key to my house. If you feel lonely at night, you can go find me. I'll help you solve your problem."

"Go!" Yan Jie was so frightened that she quickly returned the key to Wu Tian and said with a red face, "I don't like you at all!"

"Even if you say you don't want it, I'm afraid you're willing."

"The more you talk, the more ridiculous it becomes."

"Oh right, I'll make some arrangements. You guys can go to the Tianhao Hotel to rest tonight." Wu Tian took back the key and said seriously: "The Tianhao Hotel is mine. I will have someone prepare dinner in advance. You guys do not have to be courteous."

"Boss Wu is so rich!"

"I should reward you for your hard work." After Wu Tian said this, he stood up from his chair and said, "It's getting late, I'll be leaving first. Later, go help me talk to Director Qiao about this."

After saying this, he turned around and walked towards the red flag carriage.

"Wait!"

Yan Jie got up and chased after him, reminding him in a low voice, "You offended Jiang Qi this time. With his shameless character, he will definitely retaliate against you secretly. You must be careful."

"I don't even put him in my eyes."

"Jiang Qi is very charismatic towards his fans. You have to be careful. You can't be careless."

"Elder Sister Yan, why do you care so much about me? Could it be that you've fallen for me and want to date me?" Wu Tian couldn't help but joke when he said that.

*

Yan Jie spat lightly and scolded softly, "You've already grown up, and yet you're still so naughty. You don't seem like a boss at all."

"You need to be polite when doing things, but you don't need to be formal. That way, living would be too tiring." Wu Tian sighed and waved at Yan Jie, "You go ahead, I'll leave now."

Hidden Billionaire Chapter 275 - The Parties Do Not See the Situation Clearly -

C275 The Parties Do Not See the Situation Clearly

After bidding farewell to Elder Sister Yan, Wu Tian returned to his residence in a car. As soon as he entered the door, he received a call from Sunn Xiaohao.

"Xiaohao, it's so late. What's the matter?" After the call connected, Wu Tian asked.

"Tian, you still don't know, right? You were scolded by someone online." On the other end of the phone, Sunn Xiaohao's voice was clearly a bit anxious.

"Did I scold him?" Wu Tian was slightly shocked, he asked anxiously into his phone, "Who scolded me?"

"It's Jiang Qi's brainless fan."

"Jiang Qi?"

"Right."

"I know." Wu Tian roughly knew what had happened. He comforted the phone, "Don't worry, I'll settle this small matter soon."

"Tian, what happened? Why would those brainless fans of Jiang Qi suddenly curse at you? "

"This is a long story, I'll explain it to you later. Don't worry about me, go to sleep early." Wu Tian hung up after saying that.

Subsequently, he opened the entertainment industry's forum and found that under the leadership of Jiang Qi, many fans were crazily scolding Wu Tian.

They were unable to distinguish between right and wrong, and regardless of whether they were right or wrong, they all began to attack Wu Tian one-sidedly.

Some even posted photos of Wu Tian, as well as some private things like school and home addresses.

Looking at the aggressive language on the internet, Wu Tian was extremely angry. He put away his phone and barged into Loong Yun's room.

Loong Yun, her hair still wet from the shower, was leaning on the bed, reading a book.

The young master's sudden intrusion caused her face to tense up. She quickly covered her body with a blanket and asked with furrowed brows, "Young Master, you're looking for me this late at night?"

"There's something." Wu Tian sat down in front of the chair opposite of the bed and said expressionlessly, "Someone is attacking me online. Find some computer experts and blacklist the websites and forums that attack me."

"Now?"

"Right. Immediately."

"Alright, I'll do it right away." After Loong Yun answered, she grabbed her phone and made two calls.

After she finished making the call, she reported to Wu Tian, "Young Master, I've already arranged for people to deal with this. The forum and attack site of yours will soon be paralyzed."

"That's good."

Wu Tian nodded in satisfaction. He waited for a few minutes before he tried to open the entertainment websites and forums on his phone.

He discovered that the websites were all down and unable to open. Some of the websites' systems had even crumbled.

Seeing this situation, Wu Tian pursed his lips and smiled. He couldn't help but give Loong Yun a thumbs up, "Not bad, very good."

"Who did the Young Master offend?" Loong Yun couldn't help but be curious in her heart and asked.

"It's a celebrity." Wu Tian gritted his teeth and said angrily, "The other party summoned his brainless fan to attack me on the forum. How shameless!"

"Do you want to borrow the power of your clan to destroy it?"

"No need." Wu Tian waved his hand and refused, "There's no need to go overboard with such a small character. I can take care of it myself."

"Yes." Loong Yun didn't say anything more. Seeing that her young master didn't want to leave, she asked, "Young Master, do you have any other matters?"

"It's fine. You should rest early!" After Wu Tian said this, he stood up and walked out of the room.

Before they walked out of the room, Wu Tian suddenly said: "Secretary Loong, you're really sexy in a black seductive style and lace. I really like it."

With that, he quickly left without looking back.

"Cough, cough!"

Loong Yun coughed dryly a few times. Feeling embarrassed, she hurriedly used her hand to press down on her collar. Her heartbeat inexplicably quickened.

Earlier, she had been covered by a blanket and had protected herself well. Unexpectedly, her young master still saw her and she shouldn't have looked.

Although the young master was a bit perverted, his character wasn't bad and he didn't do anything excessive to her.

She couldn't help but feel lucky to have met such an upright young master.

As for Wu Tian, after he left Secretary Loong's room, he went straight into the bathroom and started reading after taking a shower.

He read until very late before returning to his room to sleep.

After a silent night, he woke up early the next morning and began to practice martial arts after a simple wash.

Today was Sunday, so he didn't need to go to class. He could take this opportunity to cultivate and try to improve his martial arts ability.

After practicing for several hours, he only stopped cultivating at noon. After he finished eating, he couldn't help but turn on his phone.

He noticed that there were still some insults directed at him on the internet. Fortunately, they were all small websites and did not have much of an impact.

With nothing to do in the afternoon, Wu Tian took Azure Dragon to the Tianmu Technology Corporation to discuss with his colleagues the latest developments in the development of the new operating system.

Knowing that the development of the new system was going smoothly, Wu Tian was very pleased. He immediately took out his own money to send everyone a red packet.

The money was not much, but it was a form of encouragement and affirmation to the staff, filling them with enthusiasm and energy.

After staying at the company for a few hours, he left and wanted to go home. When he passed by Fortune Restaurant, Wu Tian quickly told Uncle Fugui to stop the car and suggested, "Uncle Fugui, it's been a long time since we've had a meal at Fortune Restaurant. Why don't we go in together?"

"Hurry up and go, I don't want to follow you in to eat dog food." Liu Fugui refused politely.

"Uncle Fugui, to be honest, Shen Xue and I are just normal friends. We're not what you think." Wu Tian guessed that Uncle Fugui had misunderstood the relationship between him and Shen Xue, and wanted to take this opportunity to explain.

"You don't have to explain." Liu Fugui grinned and said meaningfully, "The onlookers know that the relationship between the two of you is not ordinary."

"Uncle Fugui ..."

"Alright, hurry up and go in. I'll wait outside."

"Then... "Fine." Wu Tian did not push the matter any further. It seemed like Uncle Liu had a deep misunderstanding and had already decided that he and Shen Xue had a couple relationship.

There was no point in explaining so much now. He was too lazy to waste his saliva, so he walked straight into the restaurant.

After entering the restaurant, Lobby Manager came up to them respectfully with a smile, "Boss Wu, it's been awhile since I last saw you here, we've missed you."

"Stop flattering me." Wu Tian rolled his eyes at Lobby Manager and ordered, "Give me a few specialties and call Shen Xue out."

"Take a seat, Boss Wu. I'll go and get the kitchen to serve the dishes." After Lobby Manager said this, he personally ran to the back of the kitchen and arranged for the chef to serve Boss Wu's dishes as soon as possible.

Wu Tian found a seat near the window and sat down. After waiting for less than ten minutes, he saw Shen Xue personally carrying a tray out.

She placed a few dishes on the table and asked with a smile, "Why did you think of coming here to eat today?"

"It's been a long time since I've had a meal. I want to have a taste of your cooking skills." After saying that, Wu Tian pointed to a seat at the side and said, "Xue, accompany me to eat."

"I thought you had forgotten about me after not coming here for so long!" Shen Xue grumbled as she sat down beside Wu Tian.

"Don't worry, I won't forget you for the rest of my life." After Wu Tian said this, he picked up his chopsticks and wolfed down his food.

Xue's craftsmanship is still so exquisite, the taste is unique, the mouth leaves the incense, gives the person the very good feeling.

Hidden Billionaire Chapter 276 - Brain Residue Powder -

C276 Brain Residue Powder

"Hey, take your time." Seeing Wu Tian acting like a wolf, Shen Xue couldn't help but laugh. She quickly took out a tissue and handed it over.

Wu Tian took the tissue and wiped his mouth. He smiled and said, "Don't just look at me, you want to eat too."

"Go, who's looking at you." Shen Xue rolled her eyes and turned her head to the right.

"Is that so? "I don't know which female dog was staring at me like that just now."

"Stupid Wu Tian, who are you calling a little bitch?"

"I didn't scold you." Wu Tian licked his lips, laughed in a ruffian manner, and said, "I said it's a female dog that's infatuated with me."

"You, you, you ..."

Shen Xue was so angry that her face turned red. After a long while, she finally scolded, "You're so annoying. I'm ignoring you."

"If you ignore me, then I'm leaving." Wu Tian stretched lazily and got up to leave.

In the end, Shen Xue hugged her arm and complained, "How can you be like this? You're not allowed to leave."

"Then are you going to ignore me?"

"I care about you."

"Woman, why do you seem to think otherwise?"

"Eat your food, why speak so much nonsense." Shen Xue bit her lips, picked up a piece of Red Braised Meat and stuffed it into Wu Tian's mouth, trying to block that vulgar mouth.

Wu Tian chewed on the Red Braised Meat happily. He couldn't help but praise, "Xue, your meat is so delicious. It's smooth, not greasy, and tender and soft."

"Whose meat?"

"Yours ..." Wu Tian realized that he said the wrong thing and quickly changed his words: "It's not your meat, it's your Red Braised Meat."

"Hmph, that's more like it."

"If it was your meat, I wouldn't be willing to eat it, hehehe ..."

"Fuck you." Shen Xue rolled her eyes coquettishly and took her chopsticks to eat with Wu Tian.

Just as the two were flirting, a group of young men and women rushed into the restaurant.

This group of people were still holding up a sign, which said "Jiang Qi's fan support association".

Seeing these crazy people, Wu Tian quickly understood that they were most likely the brainless fans of Jiang Qi.

These fans didn't charge into the restaurant to eat, but to surround Wu Tian. They all opened their mouths to demand revenge while cursing.

Jiang Qi's group of brainless fans did not have any quality at all. Their curses were unpleasant to hear and disgusting to hear. It was truly hurtful.

Some people called Wu Tian a scum, a scum, an animal, a stepmother, while others threatened Wu Tian to apologize to Jiang Qi.

Needless to say, these fans were forced to retreat by Jiang Qi and came to punish Wu Tian.

"What's going on?" Seeing so many people running over and insulting Wu Tian, Shen Xue was obviously very angry. She leaned her head close to Wu Tian and whispered.

She wanted to know what happened and why these people attacked Wu Tian like mad dogs.

"You've heard of the movie star Jiang Qi, right? They're Jiang Qi's fans. They deliberately came over to attack me." Wu Tian explained in a low voice.

"Why?"

"I taught Jiang Qi a lesson yesterday when he was playing big at the theater."

"So that's how it is." Shen Xue nodded her head in understanding. She glanced at the crazy fans and frowned. "What do we do now?"

"Let's go, we'll talk after we leave the restaurant." After Wu Tian said this, he pulled on Shen Xue's arm and prepared to leave.

He knew that trying to reason with these fans was tantamount to playing a lute to a cow. He might as well leave first to avoid affecting the restaurant's business.

Just as he got up, he was stopped by those brainless fans.

Under the leader's order, that group of people pounced on Wu Tian like madmen, and threatened him noisily to apologize.

To be honest, Wu Tian had never seen such crazy fans before. They were so stupid.

It was obvious that these people were brainwashed by Jiang Qi to such an extent that they were crazy. Some of them were even secretly bought by Jiang Qi.

"Ah!

Amidst the pushing crowd, Shen Xue suddenly fell to the ground and let out a blood-curdling scream.

Wu Tian was anxious and quickly pushed away his fans in front of him. He squatted on the ground and asked Shen Xue with concern, "Xue, what's wrong? Are you alright? "

"I got a bruise on my knee." Shen Xue hugged her knees, looking as if she was in pain. Her small face was slightly pale.

"Quick, let me take a look." Wu Tian took away Shen Xue's small hand that was in front of his knee and found that his knee was broken, leaving a red mark.

Seeing the wound, Wu Tian's heart ached and instantly became angry.

Initially, he had considered that these fans were being bewitched and didn't want to blow up the situation, but he had never thought that these crazy people would take an inch from it.

In a fit of rage, he shouted at Azure Dragon and Lobby Manager, "Throw these mad dogs out!"

"Yes sir!" Azure Dragon got the order, then brought the others in the restaurant to throw all those brainless fans out of the restaurant.

Soon, the restaurant became quiet.

Wu Tian quickly reached out and lifted Shen Xue up from the ground, exhorting her, "Don't move, I'll bring you to apply the medicine."

With that said, he carried Shen Xue to the lounge at the back of the restaurant.

There were only two rooms in the lounge. The area was not big and the staff's clothes were all hung inside. Usually, everyone would change their clothes and stay here.

Wu Tian put Shen Xue on the bed and said apologetically, "Xue, I'm sorry. It's all my fault that I didn't protect you well."

"It's just a small wound, it's fine." Shen Xue smiled generously. Seeing Wu Tian being so concerned about her, she had already forgotten about the pain in her knee and felt warm inside.

"You have to apply the medicine, in case there's a small scar. You should lie down and rest for a while, I'll go out and buy medicine."

After saying that, Wu Tian ran out of the resting room.

In a moment he was back in his room with a large bag of pills.

"Oh my god!" Seeing such a big bag of medicine, Shen Xue couldn't help but exclaim, "It's just a small scratch, why did you buy so many medicine?"

"This is an anti-inflammatory medicine taken internally, and this is an external ointment." Wu Tian pointed at the medicine and explained, then picked up the ointment, "Lie down and don't move, I'll help you apply the ointment."

With that, he squeezed out some ointment and applied it to Shen Xue's wound.

"Ugh!"

Shen Xue shouted as her fair cheeks turned red.

Wu Tian touched her knees, making her feel as if there was an insect squirming on them. It was extremely itchy and numb.

"Alright." Wu Tian applied several kinds of ointment to her wound, then asked worriedly, "Other than her knee, are there any other injuries?"

"Nope." Shen Xue shook her head. Being taken care of so carefully by Wu Tian made her feel especially happy.

"Come, let me check for you." Wu Tian grabbed Shen Xue's leg and started examining it carefully from top to bottom.

When he lifted Shen Xue's right leg, the girl let out a delicate cry again. She hurriedly used her hand to press down her skirt. With a red face, she said in a low voice, "Scoundrel, where are you looking?"

"Sorry, I ..." Wu Tian quickly retracted his arms, while he was so embarrassed that he didn't know where to put his hands.

"You ..."

Shen Xue bit her lips and asked softly with a flushed face, "Just now, you ... What do you see? "

"White ..."

"Ah, shut up." Hearing this, Shen Xue's face turned even redder as she angrily rebuked, "You did that on purpose!"

"No, I was careless."
