

Hidden Billionaire Chapter 277 - Darkening -

C277 Darkening

"You're so annoying." Shen Xue bit her lower lip, her face so red that blood was about to drip out.

"Actually, there's nothing to see."

"Scoundrel." Shen Xue was so angry by his words that she raised her leg to kick Wu Tian, "You took advantage of me, but you actually said I'm not good-looking. You're really annoying."

"I said the wrong thing." Seeing that the girl was angry, Wu Tian quickly changed his words. "Xue is very good-looking, very charming, very pleasing to the eyes ..."

"Shameless!" Who knew that Shen Xue was even more angry as she punched Wu Tian right in the chest.

"Eh ..."

Wu Tian was stunned for a few seconds and tried to ask: "Then should I say it's good or it's not good?"

When he said that the girl was pretty, she got angry as well.

He said the girl was ugly, and she got even angrier.

"Then don't say it." Shen Xue rolled her eyes and got off the bed angrily, saying, "Hmph, men don't have good things."

After saying that, she turned around and left the lounge.

"Xue, slow down." Wu Tian quickly chased after her and reminded her, "Your leg is injured, rest well. Don't go to the kitchen."

"None of your business." Shen Xue scolded with a red face.

"I ..."

Wu Tian wanted to coax her a little, but when he walked out of the lounge, he saw that the waiters were looking at him and Shen Xue with exaggeration and strangeness.

Obviously, the restaurant staff had misunderstood and thought that he had done something along the lines of meeting people with Shen Xue in the lounge.

"Don't misunderstand." Wu Tian hurriedly stood in front of Shen Xue to protect her. He explained to the employees, "Xue and I never did anything."

He didn't mind, mainly because he didn't want the employees to look down on Xue.

With his explanation, the skepticism in the employees' eyes intensified.

"It's really not what you think." Seeing that the employees didn't trust him, Wu Tian continued to explain: "Just now, Xue was injured, so I helped her apply the ointment. In the end, I accidentally looked at her ... "Hiss ..."

Before he could finish, he felt someone pinch the tender flesh on his waist.

Turning his head around, he saw Shen Xue's blushing face whispering to him, "Hey, stop it. The more you talk, the darker you get."

"I... "Fine!" Wu Tian shrugged awkwardly and shut his mouth without saying anything else.

With the current atmosphere and Shen Xue's bashful appearance, no matter how he explained, it would all be in vain.

It seemed like everyone had already determined that he and Xue had an illicit relationship.

At this time, Lobby Manager ran over to interrupt the awkward situation and shouted, "Boss Wu, more and more people are causing trouble outside, what should we do?"

"F * ck!"

Wu Tian cursed silently. Only then did he notice that the outside was already surrounded by people, all of them were the brainless fans of Jiang Qi.

Not only did the fans who were thrown out of the restaurant not leave, they also surrounded the restaurant, clearly wanting to blow up the matter.

If they were allowed to continue causing trouble, they would definitely lure the reporters over. At that time, it would be very disadvantageous for the restaurant if they were to randomly report about the incident.

No, he had to think of a way to deal with this.

As the saying goes, undoing a bell requires someone else to take care of. The key character in this matter was Jiang Qi. If it wasn't for him instigating them from behind, these fans wouldn't be so crazy.

He decided to negotiate with Jiang Qi first.

At any time, as long as it could be resolved peacefully, he would do his best to treat it as if it was precious. If there was really no other way, then don't blame him for being merciless.

He got the phone number from Qiao Fugang very quickly and dialed Jiang Qi's number directly.

After the call connected, Wu Tian said to his phone, "I'm the investment for the Flowers Bloom That Year movie, Wu Tian."

"So it's Boss Wu. Aren't you amazing? Why did you call me?" On the phone, Jiang Qi spoke in a triumphant tone.

"Your fans are all gathered outside the restaurant, saying that they want to suppress me. If I'm not mistaken, you're the one who did it, right?"

"When my fans heard that Boss Wu was bullying others, they organized themselves to fight for me ..."

"Stop bullshitting with me." Wu Tian interrupted impatiently and said into the phone, "Hurry up and get those fans of yours out of here. Don't stay here and affect my normal life."

"I can step in and keep my fans away from you, but you have to hold a press conference."

"Why would I hold a press conference?"

"Kneel down in front of me and apologize, and beg me to forgive you." Jiang Qi proposed such a shameless condition.

"You're talking nonsense." Wu Tian's mouth twitched as he said impatiently, "I didn't call you because I'm afraid of you. It's just that I don't want to blow the whole thing. It won't do you any good."

"Kid, you're still so arrogant even now?"

"You might have forgotten a saying, water can carry a boat, but it can also overturn a boat. If your fans can prop you up to the heavens, they can also smash you to death." Wu Tian paused for a moment, then said, "If you stop him now, I'll pretend nothing happened."

"And if I don't?"

"Then I will make you lose your reputation and disappear from the entertainment circle."

"Hahaha ..." Jiang Qi couldn't help but laugh.

After laughing for a long time, Jiang Qi finally said very arrogantly: "Brat, you really boast shamelessly. I want to see how you are going to ruin my reputation."

"I've already given you the chance. It's because you don't know how to cherish it, so don't blame me for being rude to you." After Wu Tian said this, he directly hung up the phone without bothering to talk any more.

He lit up a cigarette and slowly walked to the window. Looking at those arrogant and despotic brainless fans outside, his gaze was so calm that not a single ripple could be seen.

He was stunned for a few seconds. Then, he took out his phone and dialed Lee Mu's number. He instructed: "Let him hack into Jiang Qi's personal computer. I need his hack."

After making this call, he dialed Loong Yun's number: "Send people to collect Jiang Qi's black data as soon as possible, the more the better."

After making these two calls, Wu Tian turned around and instructed Lobby Manager, "Don't just stand there. What should we do?"

"But ..." Lobby Manager slightly frowned and felt a bit anxious.

Under the siege of those brainless fans, there was not a single guest in the restaurant right now, so it was not a good idea to continue like this.

"Do as I say, do as I say." Wu Tian repeated the same tone again.

"Yes." After Lobby Manager answered, he instructed everyone to continue with their work.

Outside the restaurant was chaos, and within the restaurant, everything was orderly.

Wu Tian sat by the window and smoked quietly. He ignored those brainless fans outside as if they had nothing to do with him.

"At this time, you're still in the mood to smoke?" Shen Xue walked over, not knowing whether to laugh or cry.

"Hehe!"

Wu Tian let out a breath of smoke and smiled lightly: "I just took advantage of you, aren't you angry anymore?"

"Don't talk to me about that." Shen Xuejie blushed and quickly regained her composure. She raised her head and looked out the window, "Why do you think those fans are so sincere to Jiang Qi?"

"It's not heartfelt, it's just that the negative emotions were aroused. To put it bluntly, it's just a bunch of idiots being used." Wu Tian shook his head with a bitter smile. He had seen this kind of brainless fan a lot.

Hidden Billionaire Chapter 278 - The Girl's Thoughts -

C278 The Girl's Thoughts

"We can't let them keep pestering us like this. Should we call the police?" Shen Xue bit her lips as she tried to come up with this suggestion.

"Useless." Wu Tian blew out a smoke ring and said, "From the looks of it, they are just gathering a crowd to demand an explanation, and it's not illegal at all. It's useless even if the police come."

"Then what should we do? Are we just going to do nothing? "

"There's always a cause and effect to everything. You have to figure out why they did it first."

"What reason?"

"Very simple." Wu Tian shook off the ashes on his body and patiently analyzed, "The reason they did that is because they were bewitched by Jiang Qi."

"I know that."

"The key question is why they were bewitched by Jiang Qi."

"Why?"

Wu Tian raised his head and looked at Shen Xue, who was standing in front of him. He pointed at her head and said, "Don't you have a brain? Think about it."

"I don't know."

"You can't be blamed for this ..."

"Fuck you, stop hurting me." Shen Xue rolled her eyes in annoyance. She continued with the previous topic, "Don't interrupt. Tell me, why were those fans bewitched by Jiang Qi?"

"Because Jiang Qi is the target of their worship. That way, they will be on the same side as Jiang Qi. When Jiang Qi tells them his grievances, it will arouse their negative emotions and treat Jiang Qi's enemy as their own enemy ..."

"Your explanation is too complicated." Shen Xue rubbed her head and went straight to the crux of the matter. "Then tell me, what do we do now?"

"The method is very simple. As long as Jiang Qi loses his reputation, his fans will naturally be completely disappointed. They might even feel hatred towards Jiang Qi."

"How are we going to make Jiang Qi lose his reputation?"

"I have sent people to secretly collect negative news about Jiang Qi."

"Are you sure he has negative news?"

"As long as he's a human, there's always a shadow around him. With Jiang Qi's personality, he must have done a lot of bad things." Wu Tian had a confident look on his face.

"That seems to make a lot of sense." Shen Xue nodded her head in agreement. Then, she changed the tone of her voice, "I have never been able to figure it out. How can your brain be so good? You can think of every aspect of things? "

"Because I have a small chest."

"You're not serious." Shen Xue rolled her eyes and covered her mouth as she giggled foolishly.

Every time she was with Wu Tian, she felt carefree and happy.

Sometimes, when she hadn't seen Wu Tian for a few days, she felt absent-minded, distracted, and didn't have the motivation to do anything.

She didn't want to admit it, but she had to admit that she had fallen for Wu Tian.

However, she couldn't figure out his intentions, so she didn't directly ask. As a girl, she couldn't take the initiative to confess, right?

"Do your knees still hurt?" After finishing a cigarette, Wu Tian stubbed out the cigarette butt. He couldn't help but ask out of concern.

"Just a little." If Wu Tian hadn't asked, Shen Xue would have forgotten that her knee was injured.

Being with Wu Tian made her forget all her pain and worries. She was really worried that she would never be able to leave this boy again.

"Don't just stand there. Sit down." Wu Tian pulled Xue to sit beside him and suggested, "Why don't I massage your wounds and help you remove blood stasis?"

"Nope." Shen Xue was so frightened that she hurriedly used her hand to suppress her skirt with a blush and refused.

When she was in the resting room, Wu Tian saw her body and she felt extremely embarrassed. At that time, she wished she could find a hole and hide in it.

Now that she had so many attendants watching her, she felt even more embarrassed to let Wu Tian touch her body. She was worried that something awkward would happen again.

"You act like I'm going to take advantage of you." Wu Tian smiled bitterly and shook his head. Seeing how vigilant Xue was, he did not force her and said, "Remember to take your medicine on time and apply it on time."

"Yes."

"I'll give you a few days. Go home and take care of your injuries."

"It's just a small wound, no need to make a fuss."

"Cut the crap." Wu Tian instantly turned into a domineering CEO. He said with an unquestionable tone, "From now on, come home and rest. Come back to work in three days."

"Alright!" Shen Xue nodded, feeling even sweeter than if she had eaten honey.

"Alright, I'll have Uncle Fugui send you home then ..."

"Wait a minute, I want to see you deal with the brainless fans before coming back home."

"Sure." Wu Tian nodded, then took out another cigarette and lit it up.

When he saw Shen Xue's frown, he hurriedly put out his cigarette.

This small action made Shen Xue especially touched. She giggled and couldn't help but ask, "Your cigarette has already been lit, why aren't you smoking again?"

"You're injured right now, so if I smoke, it won't be good for your wound." After saying that, Wu Tian threw the cigarette into the trash can.

"You're so considerate. Whoever marries you will be happy." When Shen Xue said this, her smile was even brighter than a flower.

"I'm very considerate to any pretty girl."

"You ..." Hearing this, the smile on Shen Xue's face instantly disappeared as she pouted and said, "Playboy."

*

Wu Tian laughed dryly and did not retort. In his opinion, any normal man in this world was a playboy.

At that moment, the phone in his pocket rang.

He took out his phone and saw that it was Lee Mu calling. After he picked up the call, he only said a few words, then the corner of his mouth hooked up into a schadenfreude smile.

As soon as he answered Lee Mu's call, he received Loong Yun's call.

The call made him even more excited. After giving a few instructions, he hung up.

This phone call made Shen Xue's face turn slightly ugly. She tilted her mouth and questioned, "Was it a woman just now?"

"Right."

"You do know a lot of women."

"That woman was my secretary."

"Oh!" Hearing that the woman was his secretary, the gloom on Shen Xue's face disappeared, and her mood improved.

"The secretary just called. She said she found a lot of negative news about Jiang Qi." Wu Tian drank a mouthful of tea and continued, "Jiang Qi is such a scum. I heard that he even got his female fan to have an abortion."

"Truly a scum." Shen Xue said disdainfully.

"Not only that, Jiang Qi not only harmed female fans, he even slept with old women in order to get a role."

"So disgusting."

"Don't look at how the entertainment circle is obviously beautiful on the surface. Most of them are very dirty, and there are plenty of people who sell their bodies and dignity for the Star Path."

"Huang Lan is one of those women as well, right?" Shen Xue intentionally brought the topic up to Huang Lan, obviously hinting at something.

"No!" Wu Tian shook his head and denied it, "Elder Sister Lan would never betray her dignity and body. She is the cleanest woman in the entertainment circle."

"How do you know she's clean?" Seeing Wu Tian defending that female singer like that, Shen Xue felt some heartache.

"I understand Elder Sister Lan. She's a particularly strong woman, and even if she died, she wouldn't sell out her body."

"In any case, a woman in the entertainment circle, no matter how clean her body is, her spirit will still be dirty." Shen Xue said angrily.

She really didn't know what was so good about that woman that Wu Tian would defend her like that.

Hidden Billionaire Chapter 279 - Scandal -

C279 Scandal

Noticing that Xue was angry, Wu Tian didn't mention Elder Sister Lan again. He quickly changed the topic, "I know about the scandal of Jiang Qi now. There's going to be a good show to watch next."

"Then what are you going to do?" Shen Xue asked gloomily.

Originally, she was in a good mood, but when she mentioned Huang Lan, her mood inexplicably worsened.

She wasn't stupid, she had already seen that the woman called Huang Lan had feelings for Wu Tian.

That woman had a beautiful face and her figure was sexier and hotter than hers. The most important point was that that woman was still a popular singer. It was likely that no man would be able to control her.

Maybe Wu Tian was also completely mesmerized by that woman.

"I've asked Secretary Loong to expose these scandals to the media. I believe they will soon cause a sensation in the entertainment circle." Wu Tian didn't notice the displeasure in Shen Xue's heart. The corner of his mouth hooked up into a victorious smile.

As long as Jiang Qi's scandal is exposed, Jiang Qi will be criticized by the public.

"Facts have proven that anyone who goes against you will definitely be met with great misfortune." Shen Xue couldn't help but feel a little sympathetic towards Jiang Qi.

In the entertainment circle, Jiang Qi was considered a celebrity. He had climbed and fought for several years to his current state, and what awaited him was the destruction of his reputation and the destruction of his Star Path.

He could only blame himself for offending Wu Tian. The only thing he could do was die.

"I don't cause trouble, but I'm also never afraid of things. I've also offended me, so I will make him suffer many times more." Wu Tian raised his head and looked out the window. His eyes were filled with murderous intent.

Shen Xue was shocked by this gaze. She asked, "If I hurt you one day, would you use such cruel methods against me?"

"We're friends, why would you hurt me?" Wu Tian hid the murderous look in his eyes and instantly became a lot gentler.

"I mean, what would you do to me if I hurt you and became your enemy?"

"I will think of a way to turn my enemy into my friend."

"Don't worry, we will never become enemies."

"Hopefully!"

Shen Xue looked up at the window with a sentimental expression.

The two of them did not say a word as they sat there in a daze, each thinking about their own thoughts.

After an unknown amount of time, Lobby Manager came to break the awkward silence. He was holding an entertainment newspaper, "Boss Wu, there's news, there's big news."

"Is it related to Jiang Qi who said that he caused his fans to have an abortion and even used the old woman to get the position?" Wu Tian was very calm and asked with a smile.

"Boss Wu, how did you know?"

"Because I sent people to dig up these scandals."

"God!" Lobby Manager couldn't help but stick out his thumb and praise, "Boss Wu, you are really a god."

"Come, let me see." Wu Tian took the newspaper and saw Jiang Qi's news on the front page of the entertainment section.

Shocked, Jiang Qi got his female fans to have an abortion the moment he just started. After that incident, he even spent all his family's money to bribe his female fans to keep things under wraps.

Jiang Qi was secretly ruled by a fifty-five-year-old female boss when he was in the middle stage of his career. That was why he was able to become the male lead and become famous overnight.

These two big shots were fatal for Jiang Qi. They instantly caused others to collapse, turning him from a good man to a bad one.

After watching these two pieces of news, Wu Tian was very satisfied. He asked Lobby Manager, "How are the brainless fans outside the restaurant doing?"

"When the fans found out that Jiang Qi was such a despicable man, they became extremely disappointed, despaired, and even heartbroken. The fans also hated Jiang Qi because of their love, and they all clamored to go and punish him ..."

"Very good." Wu Tian was very satisfied. He put down the newspaper and said proudly, "It seems that the situation has met the expectations."

"Those brainless fans feel like they have been cheated. I believe they will soon go and besiege Jiang Qi."

"Go, give those fans Jiang Qi's address and itinerary."

"Alright!" After Lobby Manager replied, he ran out for a walk to Jiang Qi's address and formation.

After getting Jiang Qi's address, those brainless fans started arguing about going to suppress Jiang Qi, and soon left the restaurant like a swarm of bees.

With this, the matter was resolved perfectly.

At this moment, the fans finally understood that they were all deceived by Jiang Qi.

The image of Jiang Qi as scum and scum was deeply ingrained in the hearts of the people. Under the insults and despise of all the fans, everyone spontaneously banned Jiang Qi on their own.

All of a sudden, Jiang Qi became a street rat. Everyone wanted to beat him up.

Soon, Wu Tian received a call from Jiang Qi.

As soon as he connected, he heard Jiang Qi's hysterical voice, "Wu Tian, are you the one behind all this?"

"That's right, I'm just looking for someone to dig up that shameful black material of yours." Wu Tian said into the phone with a smile.

"You're so f * cking shameless."

"Against a despicable person like you, I can only use shameless methods." Wu Tian laughed out loud and said coldly, "I told you long ago not to go against me, lest you lose your reputation. You didn't listen, now you know how to regret it?"

"Wu Tian, you're a f * cking bastard. Fuck your ancestors for eighteen generations. Just you wait. I'm not done with you." Jiang Qi hung up the phone right after he finished his words.

"I'd advise you to not do anything reckless, or else I'll make it so that you will never be able to recover." Wu Tian muttered to himself. He put away his phone and said to Shen Xue, "Xue, let's go. I'll send you home to recuperate."

"Alright." Shen Xue nodded gently.

"Do you want me to carry you to the car?"

"No need, I'm not that delicate." Shen Xue shook her head and tactfully refused.

Although she liked being spoiled by Wu Tian, she didn't want to be laughed at by her colleagues.

Moreover, she had to maintain her modesty and shyness. She couldn't lose herself just because she liked Wu Tian.

"Alright, let's get on." Wu Tian didn't force it and dragged Shen Xue out of the restaurant.

As soon as they walked out of the restaurant, they received a call from Huang Lan.

He stared at the phone and hesitated for a few seconds. Then, he picked up the call and asked, "Elder Sister Lan, is there something you need me for?"

"Nothing." On the other end, Huang Lan's voice sounded a bit flirtatious, "What happened between you and Jiang Qi?"

"It's nothing. That brat was just playing big on the set. After getting taught a lesson by me, he used his fans to retaliate against me."

"That kind of scum is really worse than pigs and dogs." Huang Lan cursed silently before asking with concern, "How are you right now?"

"I found someone to dig up Jiang Qi's information. I believe that Jiang Qi will soon lose his reputation."

"So Jiang Qi's black data were exposed by you."

"Yes, it's me."

"Well done." Huang Lan praised him and vented her anger, "Scum like Jiang Qi should get the hell out of the entertainment circle."

"Originally, I didn't want to bother with him, but since he is pressing me too tightly, don't blame me for being ruthless."

"Tian, as far as I know, Jiang Qi is a vicious dog. I'm afraid that he will not let this matter go easily. You better be careful." Huang Lan said worriedly.

"Don't worry, I know what I'm doing."

"That's good." After Huang Lan said this, she changed her tone and asked, "How's the new movie that you invested in?"

Hidden Billionaire Chapter 280 - Wrong Event -

C280 Wrong Event

"After he broke his contract with Jiang Qi, the new movie was short of a male lead." At the moment, Wu Tian was worrying about the male lead.

Actually, he could just leave this matter to Qiao Fugang, Yan Jie and the others, but he was worried that they would find a scum like Jiang Qi to take the lead.

"I have a suitable male lead candidate. How about I recommend him to you?" Huang Lan tried to ask.

"Of course." Wu Tian was happy and couldn't help but ask: "How is his character and acting skills?"

"Don't worry, his character and acting skills are top-notch, so his salary isn't high either."

"That's good. The people Elder Sister Lan has her eyes on won't be bad."

"How about this, I'll have him go to your production team to look for Director Qiao. Why don't you discuss the details later?"

"Alright, then I'll be troubling Elder Sister Lan." Wu Tian had a lot of trust in Elder Sister Lan now.

After all, Elder Sister Lan's popularity and strength in the entertainment circle was obvious to all. She was a truly powerful singer.

Furthermore, she had very high standards. The people she fancied would definitely not be bad.

Most importantly, Elder Sister Lan truly wanted to help him, and there was no conflict of interest between them.

"Smelly brat, if the actor I recommend is suitable, you have to treat me to a meal." Huang Lan's coquettish voice came over the phone.

"Definitely."

"Alright, let's meet another day."

"Goodbye, Elder Sister Lan." Wu Tian hung up the phone and walked towards the red flag car on the street.

After walking a few steps, he remembered that Shen Xue had been forgotten by him. He turned around and saw Xue still standing at the entrance of the restaurant, gritting her teeth with a furious look on her face.

F * ck, he just ignored Xue because he was too busy making calls.

He quickly ran over and held onto Shen Xue's arm. He smiled and said, "Come, let's get in the car. I'll take you home."

"Who just called you?" Shen Xue raised her face and glared at Wu Tian with a skeptical look.

"It's Elder Sister Lan."

"Your way of addressing her is quite intimate!" Shen Xue's nose twitched as she tried to retract her arm. "Why is that woman looking for you?"

"I'm going to talk to her about something at work..."

"Humph!" Before Shen Xue could finish her sentence, she snorted coldly and walked angrily in the opposite direction.

Wu Tian hurriedly went in front of Shen Xue to stop her, "Xue, didn't you say you want me to send you home?"

"I don't need it. Go find your Elder Sister Lan." Shen Xue pushed Wu Tian away and got a taxi to get in. Then, she quickly disappeared.

"Hey ..."

Wu Tian wanted to cry, but no tears came out. What kind of woman is this? Why is it that whenever he mentions Huang Lan, she becomes like an explosive package?

Sometimes he couldn't understand a woman. She got angry for no reason, and somehow she became jealous.

Originally, he wanted to explain a few more things to Xue and make her happy, but this woman didn't even give him the chance to explain. She just got into a taxi and disappeared.

Seeing the taxi disappear in front of his eyes, Wu Tian could only sigh deeply and turn around to return to his red flag car.

Uncle Fugui started the car. At the same time, he could not help but laugh secretly, "Young Master, it seems like Miss Shen is jealous."

"Elder Sister Lan, give me a call. Why is this woman jealous?" Wu Tian shook his head speechlessly.

"The heart of a woman is the needle at the bottom of the sea. You will gradually understand it in the future."

"Shen Xue is good everywhere, but she's too narrow-minded." Wu Tian complained secretly and ordered Liu Fugui, "Uncle Fugui, let's go home."

"Alright!" After Liu Fugui answered, he turned around and headed towards his home.

When he got home, Wu Tian went to the bathroom first. After taking a shower, he went to his study room and started to read.

Just as he was engrossed in his book, he heard footsteps outside the room.

Could it be Secretary Loong?

No, at this time, both Secretary Loong and Azure Dragon should have fallen asleep. Could it be that there was someone else in the room?

Wu Tian put down the book in his hands and carefully walked out of the study. He tried shouting towards the outside of the living room, "Secretary Loong, Secretary Loong ..."

After yelling twice without any response, Wu Tian quietly walked out of the room. He turned around and looked around. He noticed that there was movement in the direction of the toilet.

He slowly walked to the outside of the toilet and listened carefully to make sure there was movement inside.

Hearing the commotion, Wu Tian's eyes narrowed. He leaned his body close to the door, raised his leg and kicked it open.

After kicking open the door, he was dumbfounded. He saw Loong Yun panicking as she used her hand to press down on her skirt. She was staring at him with an expression full of shame and anger.

This woman was squatting on the toilet to resolve the emergency. When she saw Wu Tian barge in, she quickly used her hand to press down on her skirt.

"Young Master, why did you come in?" Loong Yun pressed her hand against her skirt, her eyes full of vigilance and shame.

"I'm going for a walk." Wu Tian scratched his head awkwardly.

He thought that a thief had entered the house and was trying to do something bad by hiding in the toilet. He didn't expect that it was Secretary Loong who peed in the toilet.

"Huh?"

Loong Yun's mouth was wide open as she asked with a strange expression, "Young Master, why did you come to the toilet for a walk?"

"I ..." Wu Tian scratched his head in embarrassment and asked instead of answering, "Secretary Loong, it's so late. What are you doing in the toilet?"

"I pee in the bathroom, of course. What else can I do?"

"I thought Secretary Loong was hiding in the toilet eating shit!"

"Young master, you ..." Loong Yun was embarrassed, but there were traces of anger and resentment in her eyes.

"It's just a joke, don't be angry."

"Young Master, is there anything else?" Loong Yun pressed her hand against her skirt, her expression turning more and more unsightly.

"I'm fine."

"Then can you go out first?"

"Ok!" Wu Tian nodded. He glanced at Loong Yun's dress and reprimanded her, "Secretary Loong, why is your skirt held so tightly? Don't tell me you're worried that I'll peek at you?"

"Young master, please go out first, I need to pee." Loong Yun bit her lips as she urged with a low voice with an ugly expression.

If not for the fact that the man before her was her young master, she would have long been infuriated and chased him out with a string of insults.

"Secretary Loong, you've worked so hard to get to the toilet. Do you need me to help you?" Wu Tian was speechless and teased on purpose.

"Cough, cough!" Loong Yun coughed dryly and said gloomily, "Thank you for your kind intentions, Young Master. I don't need your help."

He truly admired the young master. If he wanted to take advantage of her, he could just say so. It was both irritating and amusing that he should come up with such a despicable excuse.

"Then I'll leave first." Wu Tian waved his hand and turned around. He walked out of the bathroom and threw a sentence at Secretary Loong, "Secretary Loong, you smell so coquettish. You almost smoked this young master to death."

"Cough, cough ..."

Loong Yun coughed a few times, almost choking to death on her saliva.

Wu Tian walked out of the bathroom and closed the door on his way out.

He thought someone had broken into the bathroom, so he knocked on the door, but it turned out to be Secretary Loong. So he was wrong.

He stretched his back and went back to his study.

While he was reading seriously, he heard the sound of footsteps coming from outside the study room. He thought it was Loong Yun, so he didn't pay much attention to her and continued to read.

"Bam!"

With a dull thud, the door to the study was flung open.

He saw Jiang Qi barge into the room with three thugs.

To be honest, Wu Tian was even more surprised when he saw Jiang Qi barge in. He didn't expect this fellow to barge into his house at midnight.
