

## Hidden Billionaire Chapter 281 - Night Breaking into the House -

### C281 Night Breaking into the House

Wu Tian stared at Jiang Qi's group of four. He put down the book in his hands and frowned in puzzlement, "Why did you come to my house when you didn't sleep in the middle of the night?"

"You ruined my reputation and ruined my Star Path, what do you think I want to do?" Jiang Qi bared his teeth and said like a mad dog.

He was sleeping soundly at home when his irrational fans smashed his glass window. They rushed into the house to punish and insult him.

All of this was caused by Wu Tian. It was Wu Tian who had ruined his reputation and caused him to be scorned and cursed by his fans.

After escaping from the house, he had someone investigate Wu Tian's residence. Afterwards, he brought a bunch of people here to bully Wu Tian to vent his anger.

"You reap what you sow." After Wu Tian said this, he waved his hand impatiently: "Get out, my family doesn't welcome you."

"You won't let me go so easily. "Since you've disgraced me, I'll let your head bleed." After Jiang Qi said this, he waved his hand and ordered the three thugs behind him: "Go together, teach this kid a lesson for me."

"Yes."

The three thugs received the order, they waved their fists and pounced towards Wu Tian.

"Wait!"

Wu Tian raised his right hand to stop the three hoodlums. He turned around and looked at Jiang Qi, "I'll say it again, get out of my house now, I can forgive you one more time."

"You're about to die and you're still so arrogant." Jiang Qi shook his sleeves and yelled impatiently, "If you want to live, then kneel down and kowtow. Maybe I will let you live."

"Since you insist on courting death, don't blame me for being impolite." After saying that, Wu Tian kicked towards the thug.

One of the thugs was kicked away before he could even react. He screamed as he fell to the ground.

"What are you guys standing there in a daze for? Hurry up and call me." Jiang Qi shouted and quickly warned the other two thugs.

"Yes." The two thugs received the order and punched towards Wu Tian.

As the fist approached, Wu Tian's body slightly leaned to the side and his head tilted to the right. He easily dodged the attack.

After dodging the attack, Wu Tian's right fist smashed down like a fierce tiger leaving the mountain. At the same time, his left leg also quickly kicked out.

With a punch and a kick, Wu Tian's attacks almost simultaneously landed on the opponent's body.

He effortlessly sent the two thugs flying. They fell to the ground and screamed incessantly while wailing and wailing in pain.

Jiang Qi was standing on the side, waiting to watch a good show. He was waiting to see Wu Tian being brutalized by his three men.

However, after waiting for a long time, he was shocked by what he saw.

Ye Zichen didn't expect Wu Tian to be such a strong character, he managed to beat up all three of his thugs with just three punches and two kicks.

He never dreamed that a seemingly weak brat like Wu Tian could be so strong.

At this moment, how could Jiang Qi dare to be arrogant? He backed off in fright as cold sweat covered his body.

"It's your turn." Wu Tian kicked the thug on the ground as he slowly walked towards Jiang Qi.

"Don't come over, I'm not going to fight you." Jiang Qi retreated in fright. At this moment, he didn't have the slightest bit of strength to fight back.

He wasn't even a match for the three thugs, not to mention him. He was no match for Wu Tian.

If they were to really fight, he would only be able to take a beating.

"It's not you fighting me, it's you getting beaten by me." After Wu Tian said this, he swung his fist and punched.

The punch accurately hit Jiang Qi's eye socket, causing him to scream out in pain.

After this punch, Wu Tian pressed forward again and coldly berated: "I told you to leave my house a long time ago. If you don't obey, you have to stay and find trouble."

"I'm leaving, I'm leaving now." Jiang Qi saw that the situation was not looking good, so he turned around and ran.

The moment he ran out of the study, he was chased by Wu Tian. He fiercely kicked Jiang Qi's butt, cursing, "I gave you a chance before, but you didn't leave. If you want to leave now, you don't have a chance. "

Saying that, he punched and kicked Jiang Qi, causing the boy to scream miserably.

Soon, the sounds of fighting and screaming woke Loong Yun from her deep slumber.

She came out of the room in her nightdress. She frowned and asked, "Young Master, what happened?"

"Jiang Qi and the rest infiltrated me in the middle of the night. They wanted to kill me." Wu Tian gave a simple explanation and reminded, "Hurry, call the police."

"Yes sir!" Loong Yun glanced at Jiang Qi, whose head was bleeding profusely. She then picked up her phone and started to call the police.

Within moments of the call, the police had arrived.

She didn't expect that it would be Su Ruyun who called the police this time. When she saw Wu Tian, her face was filled with resentment. "Bastard, why are you so full of shit?"

"I don't want to either, but someone trespassed into my house in the middle of the night, and almost took my life." Wu Tian purposely bragged and made the matter more serious.

"Speak, what's the situation?" Su Ruyun took a few steps forward with her eyes wide open as she asked impatiently.

"Don't worry. Drink some water first." Wu Tian poured a cup of tea, pointed at the sofa and said, "Sit down, I'll tell you slowly."

"Don't try to get close to me." Su Ruyun did not accept the cup of water. Instead, she sat down on the sofa and asked again, "Tell me, what's going on?"

"It's very simple, it's just that Jiang Qi and I had a conflict at work. "I never thought that this brat would seek revenge in private and sneak into my house in the middle of the night ..."

Wu Tian briefly told them what happened.

Su Ruyun gritted her teeth when she heard this. She pointed at Jiang Qi's nose and cursed: "You are really a scum."

"I beat Jiang Qi and his three thugs to protect myself." Wu Tian pretended to be obedient.

"This kind of scum should be beaten." Su Ruyun agreed and instructed the two subordinates: "Bring Jiang Qi and the three thugs back to the Police Station, let the colleagues on duty properly interrogate them."

After the two policemen received the order, they ran over to catch Jiang Qi and the three thugs and brought them away from this place.

"Alright, if there's nothing else, I'll go back to the Police Station first." Having said so, Su Ruyun stood up and prepared to leave.

"Wait!"

Wu Tian's body blocked Su Ruyun's path. He smiled and suggested, "Since you're here, Police Officer Su, why don't you stay here tonight?"

"You took advantage of me living here?" Su Ruyun retorted with an angry look.

Previously, she was arranged by the Superintendent to protect Wu Tian's personal safety and stayed here for a period of time. During that time, Wu Tian had taken advantage of her a lot.

"Police Officer Su, don't say that. Even if I had ten times the guts, I still wouldn't dare to take advantage of a police beauty." Wu Tian tried to curry favor with Ye Zichen with a smile.

"There is nothing in this world that you don't dare to do."

"Police Officer Su thinks too highly of me."

"Cut the crap." Su Ruyun pushed Wu Tian impatiently and said coldly, "Get out of the way, don't get in my way."

"Wait."

Wu Tian reached out again to block Su Ruyun. His eyes were fixed on her slender body. He said seriously, "Police Officer Su, you're on duty. Why are you carrying a murder weapon?"

"Don't speak nonsense. Where did I get the weapon?" Su Ruyun frowned, not understanding what he meant.

"Isn't that the murder weapon inside the clothes?" After Wu Tian said this, he couldn't help but laugh.

## **Hidden Billionaire Chapter 282 - Angry Policewoman -**

### C282 Angry Policewoman

His smile immediately sent Su Ruyun into a rage. She yelled at the top of her lungs, "Shameless bastard! How dare you tease me!"

"I didn't tease Police Officer Su. I really found the weapon." Wu Tian lied seriously.

For some reason, every time he saw Su Ruyun, this violent female police officer, he couldn't help but want to tease her and make a joke out of her.

"Bastard, which f \* cking weapon do I have?" Su Ruyun clenched her fists tightly. She was so angry that she was on the verge of death.

"What else is inside your clothes if not a murder weapon?"

"I ..." Su Ruyun lowered her head to look at her body and yelled angrily, "Shameless bastard, are you intentionally toying with me?"

"Police Officer Su, I suggest you hand over your weapon ..."

"You're courting death." Su Ruyun was thoroughly infuriated. With a cold look in her eyes, she swung her fist at Wu Tian's head.

"F \* ck!"

Wu Tian cursed and retreated a few steps back to avoid the fist attack. Then, he complained, "Police Officer Su, why did you suddenly attack?"

"Today, I must teach you, a shameless person, a good lesson." Su Ruyun didn't care that much as she pounced on him ferociously.

"Gentlemen don't fight. We can talk." Wu Tian said to Su Ruyun at the same time as he dodged.

"I don't want to reason with you."

Su Ruyun's continuous attacks did not touch Wu Tian. This made her especially angry, so she just grabbed the cup on the table and threw it at him.

Very quickly, the room was smashed into a complete mess. There were glass fragments scattered all over the room.

This made Su Ruyun feel better. She started to smash everything in the room even more crazily, wanting to tear down everything in the house.

"F \* ck!"

Wu Tian couldn't take it anymore as this bitch was getting more and more brutal. He pounced on the woman and pressed her down to the ground.

If he didn't control this woman, all the furniture and appliances in the house would have to be repurchased.

Su Ruyun twisted her body and struggled for a while before roaring, "Bastard, let go of me!"

"I can let you go, but you can't continue to smash my things." Wu Tian tried asking.

If he had known earlier that this woman was so savage, he wouldn't have provoked her. He didn't expect her to turn his house into such a mess.

"I'm going to smash your house to pieces." Su Ruyun yelled in anger. Right now, she couldn't wait to burn Wu Tian's house to vent her anger.

"Then don't ask me to let you go." After Wu Tian said this, he turned around and ordered Loong Yun, "Secretary Loong, go and take out the rope inside the cabinet. I'll tie this woman up."

"Yes."

Loong Yun smiled bitterly. She didn't expect her young master to be so bold as to use a rope to tie up a beautiful police officer.

But then she thought, with the power of Wu Family, even if the young master stirred up some huge trouble, he would still be fine.

She obediently ran into the storage room and took out the rope.

"Police Officer Su, don't blame me for being rude." Wu Tian grabbed the rope and tied Lili up like a dumpling.

Su Ruyun twisted her body and struggled desperately. At the same time, she shouted angrily, "You dare to bind the police! This is against the law! Release me!"

"Just lie here obediently!" Wu Tian threw Su Ruyun, who was tied up, on the sofa and turned to Loong Yun. "Secretary Loong, clean up the room," he ordered.

"Yes." After Loong Yun answered, she hurriedly cleaned up the room.

"Wu Tian, you are truly despicable. Sooner or later, I will castrate you. Quickly let me go ..."

Su Ruyun screamed. Anger welled up all over her.

Wu Tian didn't mind. He sat down in front of the sofa and lit up a cigarette.

"Let me go, I need to go to the toilet." Su Ruyun cursed for a while before she started to get weak. She bit her lips and urged.

\*

Wu Tian let out a puff of smoke and asked with a smile, "Police Officer Su, are you going to poop or pee?"

"Piss."

"Then hold it in." Wu Tian shamelessly whistled after saying that.

Su Ruyun could have held it in, but when she heard the whistle, she couldn't hold it in any longer and urged, "Wu Tian, I really can't hold on anymore. Let me go."

"If the beautiful police pissed her pants, this would be big news. It would definitely get on the headlines of all the media outlets." Wu Tian teased and continued whistling.

"Shameless ..."

Su Ruyun kept her words to herself and gritted her teeth bitterly, "Wu Tian, what do you want me to do that makes you want to let me go?"

"As long as you listen to me obediently, I'll let you go."

"How can I be considered obedient?"

"Very simple. Answer whatever I ask. As long as your answer makes me happy, I will let you go."

"Ask."

"Ok!" Wu Tian flicked the ash from his cigarette and asked with a smile, "Police Officer Su, do you think I'm handsome?"

"Not handsome ..."

"Then continue holding it in."

"Wait." Su Ruyun gnashed her teeth and quickly changed her words, "You are the most handsome man in Luzhou."

"At least you have taste." Wu Tian nodded in satisfaction and then asked, "Do you like me?"

"I ..."

Su Ruyun originally wanted to say that she didn't like Wu Tian, but she swallowed her words back. Contrary to her intentions, she spat out two words, "I like you."

"Good girl!"

Wu Tian nodded and asked the third question: "Police Officer Su, did you have a boyfriend before?"

"Nope." Su Ruyun finished her sentence and urged with a flushed face, "Are you done asking your questions? I can't hold it in anymore."

"One last question." Wu Tian cleared his throat and moved his head closer to Police Officer Su mysteriously. He whispered, "Police Officer Su, are you still a virgin?"

"You're shameless, why do you ask such a question?" Su Ruyun complained softly with a flushed face. Her expression was awkward.

"Answer me."

"Yes."

"Police Officer Su, I can't believe you're still a virgin ..."

"Don't talk nonsense." Su Ruyun couldn't hold it in any longer and urged Wu Tian again, "Let me go now."

"Alright, don't be in such a hurry. I will untie the rope for you immediately." Wu Tian also noticed that Police Officer Su was almost unable to hold back and quickly untied the rope on her body.

After gaining her freedom, Su Ruyun sprinted to the toilet at a hundred meters.

After persevering for so long, she was already at her limit. If she were to continue holding it in, she might really die.

Wu Tian waited for several minutes before he saw Su Ruyun walk out of the bathroom. It was unknown if it was because she had been holding her urine for too long, but her face was still completely red.

Wu Tian hurried forward and asked with concern, "Police Officer Su, are you alright?"

"Scram!"

Su Ruyun glared at Wu Tian and walked out of the room. When she reached the door, she suddenly turned around, "Bastard, I'm not done with you. Let's see how I'll deal with you when I get the chance."

With these words, she stomped her feet and angrily left. Her entire body was filled with rage.

"Police Officer Su, take it easy. I'll buy you coffee another day." Wu Tian waved and smiled goodbye to Su Ruyun.

\*

Su Ruyun didn't reply. She just tightly shut the door, venting her dissatisfaction.

## **Hidden Billionaire Chapter 283 - Resist Jiang Qi -**

### **C283 Resist Jiang Qi**

Seeing Police Officer Su leave angrily, Wu Tian couldn't help but secretly laugh. He turned to Loong Yun and ordered, "Secretary Loong, spread what happened tonight online."

"You want me to spread the news about young master teasing the policewoman online?"

"F \* ck!"

Wu Tian cursed and corrected himself, "I told you to spread the incident of Jiang Qi attacking the commoner's residence and retaliating online. I'm not asking you to spread the news of me sexually assaulting the policewoman online."

"Haha, I thought ...!" Loong Yun couldn't help but laugh before she finished her sentence.

If the matter of the Young Master teasing the policewoman was spread online, the effect would definitely be quite good.

"Secretary Loong, you look so beautiful when you smile." Wu Tian was enchanted by this smile and couldn't help but praise it.

It was rare to see Secretary Loong smile before, she always had a cold and stinky face, but this was the first time she smiled so happily.

"Cough, cough!"

Loong Yun coughed dryly twice before retracting her smile, "Young master, I'll be heading off first."

After saying so, she rushed into her bedroom as if she was escaping.

Wu Tian stretched his back and went back to his room.

The night passed in silence.

The next day, Wu Tian was awakened by a knock on the door.

"Who is it?" Faintly getting off the bed, without bothering to put on his clothes, he went to open the door.

Secretary Loong was standing outside the door, dressed neatly.

"Young master ..." Loong Yun called out "Young Master", and when she lowered her head, she couldn't help but exclaim in surprise.

She saw that her young master was wearing short sleeves, but there was only a thin cloth covering his body. He was really very unsightly.

Loong Yun's face reddened. She quickly turned around and scolded softly, "Young Master, why are you not wearing your pants when you sleep?"

"I never wear pants when I sleep." Wu Tian had a righteous look on his face.

"Even if you don't wear pants when sleeping, you still have to wear pants when opening the door. You really ..."

"Are you the young master, or am I the young master?"

"You."

"Then why did you teach me that?" Wu Tian spoke in a domineering tone: "If I want to wear pants, I can wear it. If I don't want to, I can wear it. Is there a problem?"

"This ..."

Loong Yun gritted her teeth in anger. In the end, all her grievances could only be reduced to two words, "No."

She had no choice but to admit her bad luck in front of such an arrogant young master.

"Secretary Loong, you looked at my body. What should we do?" Wu Tian reprimanded her a little bit and then started to find fault.

"I didn't mean to, and I didn't see anything."

"Then what else do you want to see?"

"I ..."

"Alright, cut the crap." Wu Tian waved his hand impatiently and went straight to the point, "Since you looked at my body, shouldn't you let me look at yours as well?"

"You ..."

Loong Yun's face darkened, and she was about to curse angrily.

Before the word 'shameless' could even leave her mouth, she forcibly swallowed it back down and said unhappily, "Young Master, if you want to take advantage of me, just say it out. Why do you need to come up with such an excuse?"

"Am I that kind of person? I'm just joking with you." Wu Tian walked over to put on his clothes and asked, "Knocking on my door so early in the morning, what's the matter?"

"It's about Jiang Qi." Loong Yun slowly turned around and peeked at him. She immediately turned her head to the right, blushing.

Whenever she thought of the dirty things she had seen earlier, her cheeks would redden and her heart would pound wildly.

"Tell me, how is Jiang Qi?" When Wu Tian asked, he walked towards the bathroom.

Loong Yun followed him in and reported expressionlessly, "Last night, I had already spread the news of Jiang Qi breaking into a commoner's house late at night and retaliating against you online. I didn't expect that the impact was so profound that the internet was cursing and resisting Jiang Qi."

"Is that so?" Wu Tian began to wash his face and brush his teeth.

Loong Yun continued reporting while standing outside the washroom, "Several companies have cancelled their collaboration with Jiang Qi. The mainstream media

have spontaneously banned Jiang Qi. His Star Road has already been completely destroyed. I'm afraid he won't have a chance to turn the situation around."

"Well done, well done." After hearing this news, Wu Tian was very excited. He muttered to himself: "This is the result of him going against me."

"If there's nothing else, I'll go out first." Seeing that the young master was about to pee after closing the glass door, Loong Yun took a few steps back and prepared to leave the bathroom.

"Wait!"

Wu Tian shouted, and said to Loong Yun through the bathroom glass door, "Don't go yet, I have something for you to do."

"Yes sir!" Loong Yun stopped in her tracks. Soon, she heard the sound of the young master urinating from the toilet.

Hearing such an ear-piercing sound, her cheeks began to heat up like they were on fire, as she unconsciously thought of something in her mind.

"I want you to use this to advertise my new movie." Wu Tian pissed himself to his heart's content. At the same time, he instructed Loong Yun outside the glass door, "Think of a way to make the new movie even more popular."

"How do you want me to do this?"

"It's up to you."

"Yes sir!" Loong Yun looked up at the glass door and asked, "Is there anything else?"

Although she couldn't see anything through the glass door, it still made her cheeks feel hot and her body felt strange.

"Oh, right. I need to shit. Can I help ...?"

"Cough, cough!" Loong Yun coughed dryly, grumbling angrily, "Young Master, I can't help with this kind of thing."

"What are you thinking about? I'll ask you to help me get the toilet paper."

"Oh, yes." Embarrassed, Loong Yun walked out of the bathroom and placed a rolled up paper outside the glass door. "Young Master, I'll put the paper towel outside the door. When you're done, I'll reach out and take it."

With that, she turned and left the bathroom.

Coming out of the toilet, Wu Tian was in a good mood and decided to find Sunn Xiaohao and Jiang Wan to relax.

He called to find out that Sunn Xiaohao had solved the supply chain issue for the Tianhao Hotel. The hotel went smoothly, and he had more free time than before.

On the other hand, Jiang Wan had been very busy recently and was busy developing the business street. And the first phase of the commercial street has begun to take shape.

After Jiang Wan's suggestion, Wu Tian decided to take a look at the construction of the business street first before going out for a drink together.

Wu Tian first went to the Tianhao Hotel to pick up Sunn Xiaohao, then the two of them went to the newly developed business street.

"Tian, Xiaohao, we've been waiting for you two for a long time." Jiang Wan was waiting at the construction site. When he saw the two, he took the initiative to greet them.

"Sorry, there was a traffic jam just now. We were delayed for more than 10 minutes." Wu Tian explained with a smile.

"It doesn't matter." Jiang Wan magnanimously waved his hand and said to the two, "The business district's first phase has already been completed. We will immediately begin soliciting buyers."

"Not bad, well done." Wu Tian was very satisfied with this efficiency.

Previously, when he handed this piece of land to Jiang Wan, he was worried that Jiang Wan wouldn't be able to do it.

After all, he had never come into contact with real estate before, and what he studied was not the same as real estate, which was a piece of white cloth in comparison.

It was easy to imagine the difficulty of learning everything from the beginning.

However, Jiang Wan was diligent in his studies and quickly learned the way of the property, making the business street look really good.

## **Hidden Billionaire Chapter 284 - A Brotherly Heart -**

### **C284 A Brotherly Heart**

"Let's go, I'll take you guys to the scene first." After Jiang Wan said this, he ordered two helmets to be put on Wu Tian and Sunn Xiaohao.

Soon after, the three of them arrived at the site together.

The first phase of the business street consisted of two rows of low, distinctive blocks near a bustling shopping mall.

The exterior of the street had already been decorated and looked very unique. It was just like a building built to imitate the ancient era.

The interior decoration was also coming to an end. The workers were meticulously carving out the interior, all that was left was the final work.

Jiang Wan brought the two to look at the shops on the street and introduced some details.

After reading it, Wu Tian felt very satisfied. He couldn't help but praise: "Jiang Wan, this project of yours is beautifully done. It's comparable to the professional level."

"Real estate water is too deep, I still have a lot to learn." Jiang Wan felt a sense of accomplishment after hearing Ye Zichen's praise, but he still acted humble.

After all, he was just a newcomer. There were many things he needed to learn, and he did not dare to belittle himself.

"Your learning ability is indeed very strong, even more so than mine." Wu Tian patted Jiang Wan's shoulder and praised him from the bottom of his heart.

"There's still a long way to go." Jiang Wan smiled embarrassedly and pointed at the business street: "We still need a lot of money to advertise the next recruitment."

"How much do you want for your budget? Ask Secretary Loong."

"Alright." Jiang Wan nodded and tried asking: "Should we officially name our commercial street?"

"It's called Wan Street."

"Name it after me?"

"Right."

"This ..."

"Alright, it's settled then."

"Thank you, Boss Wu." Jiang Wan bowed deeply to express his gratitude.

He really didn't expect Wu Tian to be so generous, directly naming the business street with his name. This was the best gift to him.

"Congratulations, Jiang Wan." At this moment, Sunn Xiaohao walked over and congratulated him, "You transformed from a university student to a real estate businessman, you're really amazing."

"You're also very strong, now you're the boss of the Tianhao Hotel, and you manage a five star hotel." Jiang Wan couldn't help but praise him.

"You're stronger than me." Sunn Xiaohao waved his hand and said humbly, "You have come from nowhere and directly opened a new business street."

"No, I think you're still the best ..."

"Stop!" Seeing the two of them continuously flattering each other, Wu Tian couldn't help but interrupt, "You two are very strong, you're both my right-hand man."

Saying so, he walked over and placed his hand on the shoulders of the two.

"Tian, I think you're still the best." Jiang Wan hit Wu Tian on the chest and joked, "Buy us two and become your subordinates. You are using money to buy our loyalty."

"Your lousy mouth."

Sunn Xiaohao kicked Jiang Wan and corrected him, "This is not called using money to buy our loyalty. This is called brotherhood. This kind of strength can break gold."

"What a good brothers. Let's go, let's drink and sing." After Wu Tian said this, he took off his hard hat and led the two of them towards the KTV.

At the entrance of the KTV, the three of them suddenly stopped and their gazes fell on a somewhat messy girl by the side of the road.

This girl was none other than Lee Meng from the class.

She was kneeling on the floor in a short skirt, her hair disheveled on her shoulders, tears still in the corners of her eyes.

"Isn't that Lee Meng? Why is she here? " Sunn Xiaohao couldn't help but whisper.

"I heard she was dumped by a rich second generation." Jiang Wan couldn't help but ask. When he asked this question, he shot a glance at Wu Tian.

Wu Tian pretended not to hear him and said to Sun and Jiang, "Let's go and sing."

"Let's go!" Sunn Xiaohao nodded and followed Wu Tian into the KTV.

When she passed by Lee Meng, the woman seemed to have gone mad. She immediately threw herself at Wu Tian and hugged his legs tightly, begging, "Give me a chance, will you be my boyfriend?"

"Out of the way!" Wu Tian pushed the woman away.

"I'm begging you, Wu Tian. Give me another chance, I'll definitely love you ..." Lee Meng rushed forward like a madman and hugged Wu Tian's legs tightly, refusing to let go.

"Get out of the way."

Jiang Wan pushed Lee Meng away and pointed at her nose, cursing, "Look at you, how could you be worthy of Tian?"

"I ..."

Lee Meng bit her lips and burst into tears.

"Lee Meng." Squatting on the ground, Jiang Wan said with a smile, "Previously, Tian pursued you without caring about his dignity, hell-bent on staying with you. But you, you despised him for being poor, trampling on his dignity time and time again, leaving him with wounds and bruises all over his body ..."

"Sorry, I was wrong, I really was wrong ..." Lee Meng was kneeling on the ground, apologizing repeatedly.

"It's too late to regret it now." Jiang Wan sneered and said mercilessly, "The current you is not worthy of Wu Tian."

"What do you want me to do? Can't I change it?"

"See that commercial street?" Jiang Wan pointed to the street across them and laughed: "That's what Wu Tian invested and developed, as well as Tianhao hotel, and Tianmu Technology hotel, these are all Tian's businesses, you know, Tian's assets have already exceeded a few billion, do you think you can be worthy of him?"

"I ..."

Lee Meng raised her head and glanced at Wu Tian before lowering her head in shame.

At this moment, she knew the difference between her and Wu Tian. The current Wu Tian was far above her, and no matter how hard she tried, she couldn't reach him.

"You once ignored Tian's love, now you are no longer worthy." Saying this, Jiang Wan pushed Lee Meng away, "Now you aren't even fit to carry Tian's shoes."

"I ..." Lee Meng didn't say anything. She was crying, her tears streaming down her face.

She already regretted it. Seeing Wu Tian becoming stronger every day, she regretted it until her intestines turned green.

What was the use of regretting? After all, there was no medicine for regret in this world.

"Enough, let's go!" Wu Tian patted Jiang Wan's shoulder and walked towards the KTV first.

Jiang Wan and Sunn Xiaohao followed in closely behind.

Seeing the tears of regret in Lee Meng's eyes, the two of them felt extremely relieved.

The three of them opened a private room and started to sing.

"Tian, thank you." After Jiang Wan finished singing a song, he raised the bottle of wine and said gratefully to Wu Tian, "You made me go from an ignorant university student to the path of starting a business. You made me learn how to stand up, how to grow, and how to become strong step by step."

After Jiang Wan said this, Sunn Xiaohao also added, "Tian, if it wasn't for you, we might forever be just a small employee. Standing at the bottom level and being mocked by others, we would never have the chance to stand on top of the clouds."

"Between brothers, don't talk about this. Drink." Wu Tian raised the bottle and touched it with the two, then he started gulping it down.

In no time at all, the three of them had finished all the beer in their bottles.

After they finished drinking, the three of them started to sing like ghosts crying and wolves howling.

They could learn together, get girls together, struggle together, grow together, all three of them were very precious.
