C285 Like to Mind Other People's Business

The three of them sang a few songs. Jiang Wan opened a few bottles of beer and handed them over, "Tian, do you have any suggestions for the business street?"

"In the early stages of recruiting, you have to do some activities specifically, using promotions to attract customers." Wu Tian took a sip of beer and suggested with a smile.

He didn't really know much about business and real estate. He just offered some advice from a customer's point of view.

"I was planning to do some activities for the merchants these few days." Jiang Wan nodded in agreement.

"In addition to merchants, you also need to conduct regular activities for tourists."

"The tourists?"

"Right." Wu Tian nodded and analyzed: "Businessmen buy or rent shops mainly to see the flow of customers on the business street. If there are no customers, buying a shop is useless."

"Makes sense."

"We can do some activities at regular intervals to cultivate the flow of customers. As long as there are enough customers, we don't have to worry about our stores being unable to sell them out."

"Then what do we need to do?"

"That's simple." Wu Tian thought for a moment, then suggested, "We can have shopping festivals every month to attract customers by promoting them at a low price. We can have e-commerce festivals every week to distribute shopping scrolls and also do activities for specific categories, such as Food Festival, clothing festivals, cultural week, and so on."

"That's right." Jiang Wan was enlightened when he heard that. He couldn't help but give Tian a big thumbs up: "Tian, you are indeed the big boss. You are indeed open-minded."

"No matter what, we must not only consider our own interests, but also the interests of the merchants."

"Right."

"With the flow of people, only then will the merchants buy our shops. If the shops earn money, they will increase their efforts to publicize the business street and nurture more high-quality customers. Only then will they have a virtuous circle."

"Listening to your words is better than reading for ten years." Jiang Wan couldn't help but want to clap and cheer.

Right now, he was really impressed by Tian more and more. With just a few words, he could tell how the business street operated in such a benign way.

"Jiang Wan, how about this, let's take out a batch of shops to operate by ourselves and use them to increase the flow of people. As long as our shop can earn money, I believe we will be able to attract the merchants to buy our shops soon."

"Alright!" Jiang Wan nodded and tried asking, "Tian, what do you think are the most suitable aspects for our shop?"

"Restaurants, daily necessities, these things can quickly attract customers."

"Alright, then I'll start with the daily necessities."

"You can decide for yourself on this matter. When the time comes, ask some influential people in the Luzhou to help advertise for you."

"Alright, it's a deal then." Jiang Wan raised his wine bottle and went over, "Tian, Xiaohao, drink up."

"Cheers!"

The three of them toasted. They drank the rest of the beer in one gulp.

They then talked about the specific issues of the business street, including how to market and promote it, how to make it attractive to customers, and how to quickly build up the brand and influence of the business street.

No one knew much about how to develop a business street. They were all in the process of figuring it out.

"Alright, you guys continue drinking. I'll go out and drink." Wu Tian patted his belly that was full from the beer and walked outside shakily.

After drinking quite a lot of beer tonight, his stomach was already bulging and he looked no different from a frog.

"Tian, I'll go with you." Sunn Xiaohao stretched lazily and shakily followed him out.

*

Wu Tian patted his belly and joked with him: "I'm going to pee, why are you following me? Are you trying to spy on me? "

"What's there to peep at? I'm afraid you'll fall down, so I'm coming with you." After saying that, Sunn Xiaohao walked towards the bathroom with Wu Tian's shoulder in his arms.

"This little bit of wine is not enough to make me fall." Wu Tian grinned, "Let's go back and drink after I've finished peeing."

"Alright, go pee first."

The two of them supported each other as they staggered into the washroom. Then, they went to separate cubicles and began to pee.

As soon as Wu Tian went to the toilet, he heard some noises coming from outside, as if someone was fighting outside.

When he walked out of the washroom, he saw that there was indeed someone fighting in the corridor. A young man was surrounded by a few hoodlums.

Fighting happened almost every day, especially in a place like KTV where the fish were mixed with the dragons. Fighting had already become a common occurrence.

Wu Tian glanced at those few people. Originally, he didn't want to care about this, so he walked towards the KTV direction.

After walking a few steps, the young man ran up to ask for help: "Big Brother, I was entangled by those hoodlums, could I trouble you to help me call the police?"

"Call the police?" Wu Tian stopped walking.

Originally, he didn't want to interfere in this matter, but since that man asked for his help, he naturally couldn't ignore him.

The young man swallowed his saliva and explained, "They smashed my phone and even tried to break my legs. I hope you can help call the police."

"How did you piss them off?" Wu Tian frowned in confusion.

Before he could help, he had to clarify things first.

"When I saw these bullies bully a girl, I couldn't stand to watch so I said a few words to them. In the end ..." The young man gritted his teeth and his face was filled with resentment.

He hated these hoodlums, but there was nothing he could do about them.

"So it's a hero saving a beauty." After knowing what had happened, Wu Tian smiled and comforted him, "It's fine, I'll help you take care of these guys."

"Big Brother, they have too many people. Let's call the police." The young man reminded.

"It's fine, it's just a few hoodlums. I can handle them." Wu Tian had a very confident look on his face.

At this time, the four hoodlums had already forced their way over. They pointed at Wu Tian's nose and threatened: "Brat, I advise you to not meddle in other people's business."

"And if I have to meddle?" Wu Tian put his hands in his pockets as if he didn't care about anything.

After a period of hard work, his martial arts had improved by quite a bit compared to before. It was definitely more than enough to deal with these four hoodlums.

"You're still young, but you have quite the guts." One of the hoodlums glanced at Wu Tian and shouted with a ferocious expression, "Do you believe that we will beat you to death?"

"I don't believe you."

"Good boy, today I'll let you know how powerful we are." After one of the hoodlums said this, he rushed over with the other hoodlums.

The hoodlums were like vicious wolves as they jumped towards Wu Tian and attacked him viciously.

Wu Tian didn't care at all. He only curled his lips and smiled. When the hoodlum approached, he suddenly pulled out his fist and punched towards the hoodlum.

His fist was like a gust of wind, fiercely smashing towards the two hoodlums, following that, he raised his leg and kicked the other two hoodlums.

In this way, Wu Tian effortlessly knocked over all four hoodlums and they fell onto the ground while screaming in pain.

*

Wu Tian walked over and stomped on the hoodlum, "Didn't you want to beat me to death? How did you get knocked down by me so quickly?"

"You're amazing, we admit defeat." The hoodlums no longer had their previous arrogant and domineering attitude. At this moment, they were very scared of Wu Tian.

They didn't think that the lad before them would be so formidable despite his weak appearance.

"Hurry up and f * ck off." Wu Tian roared impatiently.

The hoodlums were so frightened that they immediately ran away and disappeared without a trace.

C286 Be Famous Before You Make a Movie

After the hoodlum was chased away, the young man couldn't help but give Wu Tian a big thumbs up, praising, "I really didn't know that you are so strong at such a young age."

"I'm not that amazing. I'm just average." Wu Tian smiled humbly.

"You are indeed very powerful." The young man looked at Wu Tian with respect. He couldn't help but sigh and say, "It's been a long time since I've seen someone as powerful as you."

"It's not as exaggerated as you say."

"Thank you for helping me out." After the young man thanked him, he took the initiative to extend his right hand: "Hello, I'm actor Ouyang Xu, nice to meet you."

"Are you an actor?" Hearing that the man in front of him was an actor, Wu Tian's eyes brightened up a bit when he looked at him.

"Yes, I'm an actor."

"Hello, my name is Wu Tian."

"It's really nice to meet you. I hope we can be friends." Ouyang Xu took out his business card very politely and handed it over.

"I'm also very happy to meet you." Wu Tian took the business card and suggested with a smile, "My friend and I are inside drinking and singing, do you want to go in and have a drink?"

He had a good impression of this courteous man and took the initiative to invite him in for a drink.

"Thank you for your kind intentions. I'll specifically invite you over another day. Then, I won't disturb you any longer. Goodbye." Ouyang Xu nodded once again, then turned around and left after saying goodbye.

The moment Ouyang Xu walked out of the bathroom, he saw Sunn Xiaohao walk out. He asked in confusion, "Tian, who were you talking to just now?"

"An unfamiliar friend."

"A stranger or a friend?"

"A friend I just met." Wu Tian shook his head with a bitter smile and put his arm around Sunn Xiaohao's shoulder, "Cut the crap, let's continue drinking."

"Drink."

The two of them returned to the room, accompanied Jiang Wan and continued drinking. They played until late at night before returning to the dorm.

The three of them chatted a little more in the dorm, the topics were all related to women, maybe Jiang Wan drank a little too much, so they talked about Lee Meng again.

As they chatted, a loud snoring sound came from inside the dorm.

The next day, the three of them overslept and were awakened by Wu Tian's alarm clock.

After washing their faces and rinsing their mouths, they did not have time to eat their breakfast. Instead, they hurriedly ran into the classroom.

The moment the three of them entered the classroom, they met the astonished gazes of the other students. Everyone's gaze landed on Wu Tian.

Very quickly, they found out from the students that someone had filmed the incident with Lee Meng outside the KTV last night, and they were currently discussing it in the school forum.

Actually, it was not a big deal. The main issue was that Lee Meng had been abandoned by the rich second generation. Then, she begged to be rejected by Wu Tian. The scene of her crying on her knees was captured.

Many students on the campus website were cursing Lee Meng, calling her a lowly person who shamelessly interacted with the rich second generation.

She deserved to be abandoned by the rich second generation. No one sympathized with Lee Meng, they even felt that she was reaping what she sowed.

Lee Meng's reputation had plummeted and she had become the most disgusting girl in everyone's eyes. Many of the students felt disgusted with her.

Even the school had disqualified Lee Meng from the award competition and issued a notice of criticism to warn the students.

Wu Tian didn't take this to heart. To him, Lee Meng no longer had anything to do with him.

What he was most concerned about now was the production of the new film and the progress of the selection of the new male lead.

In the afternoon he got good news about the new film.

Under the operation of Secretary Loong, the new movie, Flowers Bloom That Year, became a hot topic when it was searched.

With Jiang Qi's popularity, as well as the promotion of the media and mainstream media, the new movie is still in production and has already spread to the north and south of the country.

Just as he was about to call Director Qiao to ask about the latest development of the casting, Qiao Fugang took the initiative to call.

"Boss Wu." As soon as the call connected, he heard Qiao Fugang's excited voice, "Jiang Qi has lost his reputation. He became famous before our new movie even started, you were the one who manipulated these two things, right?"

"Yes, it was my arrangement."

"Boss Wu, you're really awesome. Not only did you easily defeat Jiang Qi, you even made our movie take advantage of the momentum and become really popular."

"This is my strong point." Wu Tian grinned and asked, "Director Qiao, how is the role of the new male lead progressing?"

"I called to discuss it with you." Qiao Fugang changed his tone and said seriously, "Huang Lan recommended a main character to us. I have arranged an audition and his performance is not bad. Do you want to come over to take a look?"

"Yes, I almost forgot. Elder Sister Lan did call yesterday to choose the main character for me."

"He's with the film crew. Why don't you come over and take a look?"

"Alright, I'll be right there." Wu Tian hung up the phone and let Uncle Fugui drive him to the Thousand Blessings Ancient City.

Since it was someone recommended by Elder Sister Lan, her acting and character naturally wouldn't be bad. However, he still had to go to the scene to check it out. Only then would he be able to relax and avoid any more mistakes.

When he arrived at the Thousand Blessings Ancient City, he saw Qiao Fugang leading everyone and busily filming. He was completely immersed in his role.

Seeing this scene, Wu Tian felt gratified. He walked over to Yan Jie and greeted her, "Elder Sister Yan, long time no see."

"Didn't we meet just a few days ago?" Yan Jie pursed her lips into a smile and rolled her eyes in annoyance.

"Yes, we met the day before yesterday, why do I feel like we haven't seen each other for a long time?" Wu Tian slapped his forehead and said affectionately: "Could it be that this is the so-called 'I'll miss you after a while'?"

"Why are you always joking around?" Yan Jie rolled her eyes slightly. She couldn't help but laugh as she said that.

She hadn't known Wu Tian for long, but she found that this brat was getting more and more interesting. He always made her happy.

"Just now, Director Qiao mentioned a new protagonist on the phone." Wu Tian stopped smiling and said seriously, "Where is the new protagonist?"

"In the shed. I'll call him." Having said so, Yan Jie walked towards the makeshift recording studio.

"No need." Wu Tian waved his hand and stopped him, "I'll go look for him."

Having said this, he took the lead in heading toward the recording studio.

Yan Jie was slightly stunned as she quickly followed him in. She didn't expect Boss Wu to be so excited.

Wu Tian walked into the recording studio and saw a young man reading a magazine. His back looked familiar.

"Hello, you are ..." Wu Tian walked over to greet the actor, and before he finished, he turned around.

When he saw the actor's face, he was stunned for a moment. Then, he couldn't help but exclaim, "Ouyang Xu, why is it you?"

The man in front of her was none other than Ouyang Xu, the person she met last night at KTV.

He didn't expect it to be such a coincidence, he was actually the male lead recommended by Elder Sister Lan.

"Mr Wu?" Ouyang Xu was also extremely surprised as he stood up with a face full of shock. He had not expected to meet with Wu Tian so soon.

"What is it? You two know each other?" Yan Jie couldn't help but ask curiously when she saw their shocked expressions.

"Yes, we do know each other." Wu Tian nodded and explained, "I met Ouyang Xu at KTV last night."

"So that's how it is." Yan Jie nodded in understanding, then pointed at Wu Tian and introduced him to Ouyang Xu, "He's the investor of our movie, Wu Tian, Boss Wu."

Hidden Billionaire Chapter 287 - Happy Cooperation

"What a coincidence." Ouyang Xu stretched out his right hand in excitement and said in surprise: "I didn't expect you to be the investor in the movie Flowers Bloom That Year."

"Indeed, it's a coincidence. I also didn't expect that you would be the male lead recommended by Elder Sister Lan." Wu Tian was overjoyed.

First of all, he was sure that the actor recommended by Elder Sister Lan had a good character.

"Mr Wu has good taste. In my opinion, the movie "Flowers Bloom That Year" is very marketable and will certainly catch on fire."

"I hope we all work together to create this movie of the fire."

"It's my honor to work with Mr Wu."

"You're too polite." After exchanging a few pleasantries, Wu Tian pointed to the chair opposite them, "Please take a seat. We'll talk slowly."

Yan Jie knew what was going on and hurriedly poured the two of them a cup of tea before bringing it in.

Ouyang Xu drank a mouthful of tea and asked with a smile, "Mr Wu, may I ask what is your relationship with Elder Sister Lan?"

"Friend."

"You guys aren't ordinary friends, right?"

"We're good friends."

"I didn't mean anything else." Ouyang Xu put down the cup and explained with a smile, "From her words and actions, I can tell that Huang Lan cares a lot about you."

"Elder Sister Lan really helped me a lot in life and work." After saying this, Wu Tian couldn't help but ask: "What's your relationship with Elder Sister Lan?"

"We've worked together before, so we can be considered indirect partners."

"So that's how it is."

"How about this, someday I'll invite you out for dinner with Huang Lan as thanks for saving my life last night." Ouyang Xu suggested with a smile.

"What happened last night was something I did easily. You don't have to worry about it."

"It was a simple gesture for you. It was a saving grace for me." After saying this, Ouyang Xu suggested again, "I hope that you and Huang Lan can give me a chance one day to have a meal together."

"Alright, no problem." Now that the conversation had come to this, Wu Tian naturally could not refuse the other party's offer.

Plus, he had a good impression of this man called Ouyang Xu. He was Elder Sister Lan's friend, so it was definitely worth getting to know.

"Then it's a deal." Ouyang Xu raised his teacup and clinked it with Wu Tian before changing the topic, "Mr Wu, let's talk about the male lead of this movie!"

"I've decided that you will be the male lead." Wu Tian made his decision without thinking.

The main reason why he came this time was to see the character of the new actor. Needless to say, Ouyang Xu's character was definitely up to standard.

"Mr Wu, do you want me to try out a part of the movie before you make a decision?" Ouyang Xu suggested.

"There's no need to try. Since Director Qiao and Elder Sister Lan approve of you, your acting skills will definitely not be bad."

"Thank you for Mr Wu's approval and affirmation. I will definitely cooperate with the film crew and put on a good performance."

"With your words, I'm relieved." Wu Tian raised his teacup, "Come, let's use tea in place of wine. I hope we can cooperate happily."

"Happy cooperation." Ouyang Xu raised his teacup and clinked it with Wu Tian's, then the two of them each took a sip of their tea.

After finishing a cup of tea, the two signed a cooperation agreement in the recording studio and Ouyang Xu officially became the male lead of the new movie.

After signing the contract, the two began to talk about the Flowers Bloom That Year movie, their roles, and the plot.

The two chatted happily for more than half an hour.

In the end, Wu Tian had to end his chat with Ouyang Xu because he received a call from Huang Lan.

"Sorry, I need to answer a call first." Wu Tian walked to a remote corner and picked up the phone, "Elder Sister Lan, you're looking for me?"

"I want to ask you, how is the male lead that I recommended to you?" Huang Lan's tone of voice was always so soft and flirtatious.

"Very good." At the mention of Ouyang Xu, Wu Tian couldn't help but praise him, "Elder Sister Lan's eye of discernment is indeed good. The male lead you chose is very outstanding."

"Then you intend to use him as the male lead?"

"Right, I've already signed an agreement with him to formally invite him to join our new movie as the male lead."

"You clever kid."

"Elder Sister Lan, thank you so much for finding such an outstanding protagonist for me and resolving my urgent matter."

"Then how are you going to thank me?"

"If Elder Sister Lan has time, I'll treat you to dinner tonight."

"I'm very busy tonight!" Huang Lan suddenly changed her tone after she had said that. "Forget it. On account of your sincerity, I agree to accompany you for a meal."

"Alright, I'll come pick you up later." Wu Tian hung up after saying that.

After finishing the call, he turned around and walked in front of Ouyang Xu. He smiled and said, "Just now, Elder Sister Lan called and asked about our cooperation."

"It seems that Huang Lan is especially concerned about you!" Ouyang Xu said meaningfully.

The meaning of this sentence was obvious. It was obvious that Wu Tian and Huang Lan were not ordinary friends.

"Elder Sister Lan is indeed very considerate towards her friends." Wu Tian smiled awkwardly and tried asking, "Do you want to come with me to eat with Elder Sister Lan?"

"I won't be going. I just arrived at the production crew. I need to blend in with my colleagues." Ouyang Xu tactfully refused.

He was not stupid, of course he would not run over to be a light bulb.

"Alright then." In this kind of situation, Wu Tian naturally wouldn't force him. He turned around and ordered Yan Jie, "Elder Sister Yan, bring Mr. Ouyang to familiarize with the field."

"Alright."

Yan Jie responded and walked over to Ouyang Xu, gesturing for him to enter, "Mr. Ouyang, please enter."

"Mr Wu, then quickly go on a date with Miss Huang Lan. I'm going to take a look around the area." Having said that, Ouyang Xu followed Yan Jie out of the recording studio.

Wu Tian was stunned for a few seconds before he turned around and left the recording studio. He took a bus to the Heavenly City where Huang Lan was.

It took about ten minutes before Huang Lan arrived.

She was still wearing her old black dress, but her makeup was more exquisite than ever.

The makeup on her face took at least half an hour at home.

"Elder Sister Lan, I thought your elevator was broken and almost called the police." Wu Tian joked.

Huang Lan leaned close to Wu Tian and said willfully, "You got impatient after waiting for so long?"

"How could I dare? I'm willing to wait for Elder Sister Lan until the end of time."

"That's more like it." Huang Lan twisted her waist like a water snake in front of Wu Tian and got into the red flag car.

"What a demoness."

Wu Tian cursed as he followed her to the back row and asked, "Elder Sister Lan, where do you want to go for dinner tonight?"

"It doesn't matter where we go to eat, as long as it's quiet." Huang Lan took out her mirror and started to put on her makeup.

Her makeup looked a little special tonight. It would take a long time to finish.

She was worried about Wu Tian waiting for a long time, so she was a bit worried. This is a good time to fix your makeup.

"Elder Sister Lan, you're already so good-looking, why are you still smearing makeup on your face?" Wu Tian couldn't help but ask.

"Just to show you the other side of me." Huang Lan took the makeup mirror and continued to work on her face.

Hidden Billionaire Chapter 288 - Encountering Harassment

C288 Encountering Harassment

"Elder Sister Lan, what exactly do you look like?" Wu Tian looked at the woman in front of him curiously.

Huang Lan kept her makeup and asked in a flirtatious tone, "What do you think I look like?"

"You have two appearances."

"Which two?"

"The inside and the outside, Elder Sister Lan must be better looking than the outside. I'm just curious about what she looks like inside her clothes."

Huang Lan rolled her eyes coquettishly and scolded him, "You little rascal, you're getting bolder and bolder."

"I learned it from Elder Sister Lan."

"Brat, didn't you want to see Elder Sister Lan's inside? I'll let you see your fill now." After saying that, Huang Lan slowly moved closer to Wu Tian. She had an alluring and enchanting look on her face.

Wu Tie coughed dryly. He was so scared that he backed off continuously and reminded her in a small voice, "Elder Sister Lan, stop messing around. That Uncle Fugui is still in the car."

He knew that Elder Sister Lan was purposely teasing him, but with Uncle Fugui in the driver's seat, it would be awkward if this continued.

"Didn't you want to see my inside? Let me show you enough." Huang Lan didn't care much about that. She deliberately leaned towards him.

"I'm begging you, Elder Sister Lan, don't do this." Wu Tian looked at Uncle Fugui and was so scared that he shrunk into a ball.

Seeing Wu Tian like this, Huang Lan couldn't help but burst out laughing. She couldn't help but tease, "Foolish brat, I didn't expect you to be so timid."

"No, it's Uncle Fugui. I'm afraid ..." Wu Tian came up with such an excuse. Originally, he wanted to save face for himself.

In the end, he heard Uncle Fugui say, "Young Master, should I get off first and wait for you outside?"

"Don't get out of the car." Wu Tian was so scared that he quickly stopped and explained to Liu Fugui, "Uncle Fugui, don't misunderstand. Elder Sister Lan is joking with me!"

If Uncle Fugui got out of the car, he would be even more embarrassed.

"Is that so?" Liu Fugui glanced at Huang Lan doubtfully through the rearview mirror.

"Uncle Fugui, don't let your imagination run wild. Elder Sister Lan isn't such a casual woman." Wu Tian sat up straight and said to Liu Fugui with a serious expression.

He didn't want Uncle Fugui to look down on Elder Sister Lan, and he didn't want Uncle Fugui to think that he was some random man.

"I thought ..." Liu Fugui scratched his head in embarrassment and said with a wry smile, "I really don't understand you youngsters."

"That... Drive! "

Wu Tian secretly let out a sigh and changed the topic, "Let's find a place to eat first and a remote place to eat."

"Alright!" After Liu Fugui answered, he started the car and drove away.

Huang Lan didn't say anything, she just looked at Wu Tian and giggled.

Wu Tian coughed lightly and asked doubtfully, "Elder Sister Lan, why are you smiling at me like that?"

"I sometimes find you especially funny." Huang Lan pursed her lips and laughed heartily after she finished speaking.

Before she met Wu Tian, she had never been as happy as she was now, nor had she ever been as relaxed and comfortable as she was now.

She used to feel that there was no meaning in life, but now she felt that there was meaning in her life.

"It sounds like I've become Elder Sister Lan's toy." After Wu Tian said this, he started to giggle along.

"Brat, what's wrong with treating me as a toy?"

"Yes, of course."

"Alright, from now on, you will be my toy."

"I can be a toy for Elder Sister Lan, but I can only play during the day. I can't play at night, it's easy to break."

Huang Lan loved to laugh. Once again, she was amused by his words.

After laughing for a long time, she finally threw a punch towards Wu Tian's chest, "Brat, who do you think you are? Even if you play with me for free tonight, I won't play with you."

"Elder Sister Lan, I've noticed that you're becoming more and more feminine." Wu Tian couldn't help but swallow his saliva as he looked at Wu Tian's sexy body.

"You're dishonest." Huang Lan's face reddened as she quickly put away her smile and used her right hand to firmly press on her collar.

Wu Tian chuckled dryly, but the atmosphere in the car was a bit awkward.

"Right." Huang Lan turned her head and looked outside the window. She asked in a sentimental manner, "Wu Tian, can we maintain this kind of relationship?"

"Of course, you'll always be my Elder Sister Lan." Wu Tian said sincerely.

To tell the truth, he felt happy and at ease with Elder Sister Lan, able to forget all his worries and worries.

"If one day you find a girlfriend, will you still be with your sister like this?" Huang Lan asked the most anxious question in her heart.

"Yes!" Wu Tian nodded vigorously and promised, "Even if I get married in the future, Elder Sister Lan will still be my best friend."

"That's good."

While they were chatting, the car had already stopped in front of a Chinese restaurant.

The restaurant was considered to be the starting point of the district. There weren't many customers eating there, so it was relatively quiet.

"Elder Sister Lan, we're here. Let's go in." Wu Tian opened the car door and made a "please" gesture.

"Alright!" Huang Lan got out of the car with her arms crossed and started stroking the back of her skirt as she walked towards the dining room with her long legs.

The two of them found a table near the window and sat down. Wu Tian handed over a menu, "Whatever Elder Sister Lan wants to eat, just order."

"I'll eat anything, you order."

"Alright then." Wu Tian closed the menu and ordered the waiter, "Two specialty dishes, two vegetables, and two bottles of beer."

"Alright." The waiter took back the menu and went to the kitchen.

"Right." After the waiter left, Huang Lan said seriously, "How about the male lead that I recommended to you?"

"You said Ouyang Xu? Not bad. Not only is his acting good, his character is also passable. I met him at the KTV last night, it could be considered a coincidence."

"Who were you going to KTV with last night?" Huang Lan immediately changed the topic, focusing her attention on the KTV.

"With my two roommates in the dorm."

"You didn't take the girls to sing?"

"Nope."

"That's boring." Huang Lan propped up her chin and said half-truthfully, "Take me with you next time you come to the KTV. I'll sing for you."

"Alright." Wu Tian nodded and then changed his tone, "Aren't we talking about Ouyang Xu? Why are we bringing up the topic of KTV singing?"

"Then let's continue talking about Ouyang Xu."

"Right, Ouyang Xu seems to have an extraordinary temperament and a noble demeanor. He doesn't seem to be the child of an ordinary family."

"Good eye." Huang Lan took a sip of her tea and explained, "Actually, Ouyang Xu's background is indeed extraordinary. He's actually a young master from a wealthy underworld clan."

"Hidden Wealthy Class?"

"Yes, he's actually the Young Master of Ouyang Family."

"Ouyang Family?" Wu Tian's brows slightly tightened.

He was indeed very surprised, as he never thought that Ouyang Xu was actually the Young Master of Ouyang Family.

There were four ancient families in Jiangnan, respectively Ouyang Family, Baili Family, Shangguan Family, and Wu Family that Wu Tian belonged to.

These four noble families were rich and powerful, and they controlled the economic life of the south. If they stomped their feet, the south of the river would tremble three times.
