

Hidden Billionaire Chapter 301 - Take a Guest to Dinner

C301 Take a Guest to Dinner

After bidding farewell to Zong Liu, Wu Tian returned to school and made a trip to Martial Arts Club.

He hadn't been to the Martial Arts Club in a long time. I wonder how he's doing with his Martial Arts Club recently.

When he arrived at Martial Arts Club, he discovered that the members of the club were all training diligently.

Looking at this scene, Wu Tian felt gratified. The current Martial Arts Club's atmosphere was very good, it seemed like all the effort he put in and the effort he put in were not in vain.

He walked around and quickly found Gu Xiaoman in the office. She was busy organizing the documents on Martial Arts Club.

"Proprietor Wu, you finally came." Gu Xiaoman put down the manuscript in her hand and complained softly, "It's been a long time since you came. I thought you forgot about us!"

"I'm sorry, I've been so busy recently." After Wu Tian apologized, he could not help but ask: "How is Martial Arts Club recently?"

"Luckily, the atmosphere is good. Everyone is preparing for the Alliance."

"That's good."

"Oh yeah, Proprietor Wu, how have you been recently?"

"I'm fine."

"Oh!" Gu Xiaoman nodded and leaned her head over to ask in a low voice, "I saw you with a pretty girl earlier, is she your girlfriend?"

"No." Wu Tian shook his head, "So far, I don't have a girlfriend."

"That's good."

"What's so good about that?"

"Uh, that ..." Gu Xiaoman realized that she had said something wrong and quickly changed her words. "I mean that Proprieter Wu is such an outstanding boy. Normal girls are not worthy of you."

"I think so too." Wu Tian nodded in agreement. Then, he changed his tone and said, "I feel that only girls like Xiaoman are suitable for me."

After he finished speaking, he slowly walked towards Gu Xiaoman.

"That ..."

Gu Xiaoman blinked her beautiful eyes and kept backing away, "Proprieter Wu, what are you trying to do?"

"Guess!" Wu Tian walked closer with an ambiguous smile on his face.

"Eh!"

Gu Xiaoman swallowed a mouthful of saliva. Her heart was thumping so hard that it was about to jump out of her chest.

She walked to the corner of the wall and covered her collar, "Proprieter Wu, this isn't good, right?"

"Nothing bad." Wu Tian leaned his hands on the wall and slowly approached the girl.

"I ..." Gu Xiaoman felt her mind going blank.

Seeing Proprieter Wu slowly getting closer, she closed her eyes like she was possessed by a god and had a bit of expectation in her heart.

"Xiaoman, what are you doing with your eyes closed?" Seeing Gu Xiaoman like this, Wu Tian felt a little awkward instead.

"Ah, I ..."

Gu Xiaoman opened her eyes with an awkward expression. She seemed to be at a loss as to what to do.

He originally thought that Wu Tian wanted to do something shameful to her, but now he realized that Wu Tian was purposely teasing her.

"Waiting for me to kiss you?" Wu Tian pinched her cheek and tried to ask in a playful tone.

"Nope." Gu Xiaoman pushed Wu Tian away and turned to the side like she was running. Her face was red and she was embarrassed to the point of being ashamed.

"Your appearance is really coquettish."

"Damn."

"Alright, I was joking with you. Don't be angry." Wu Tian also felt that he was going too far and took the initiative to say, "To express my apologies, I'll treat you to a meal."

"Hmph, who wants to eat with you?" Gu Xiaoman covered her face, pretending to be angry as she turned her head to the right.

"It's fine if you don't want to eat, but I'm leaving." After Wu Tian said this, he turned around and prepared to leave.

"Hey!"

Just as he walked to the door, he was stopped by Gu Xiaoman, who said angrily, "Are you just going to leave like that?"

"Then how should I go?"

"You ..."

"Girl, I'll treat you to a meal. Are you going to eat or not?"

"Eat." Gu Xiaoman said shyly.

"Alright, let's go." Wu Tian pursed his lips and smiled, then pulled Gu Xiaoman away from the Martial Arts Club.

The two of them left Martial Arts Club and called a taxi to the Tianhao Hotel.

Wu Tian planned to bring Xiaoman here for a big meal and take a look at the recent operations of the Tianhao Hotel.

Standing at the entrance of the hotel, Gu Xiaoman couldn't help but furrow her brows. "We're here for dinner?"

"Right."

"I heard you need to book in advance to come here for dinner!"

"Following me doesn't require a reservation."

"You?"

"Right."

"You know the owner of the hotel?" Gu Xiaoman naturally didn't know that the man in front of her was the biggest boss of the Tianhao Inn.

"Not only do I know him, I ..." Wu Tian was about to speak the truth, but before he could finish, he was interrupted by a shout from behind him.

"Xiaoman ..."

Hearing the shout, the two of them turned around at the same time.

He saw a young man with earrings walking towards him, and a young girl in hot pants was following beside him.

"Chen Hao?"

Gu Xiaoman's brows slightly knitted when she saw the young man walking over. Her eyes were filled with unspeakable disgust.

The boy in front of her had pursued her crazily in the past, but after she rejected him, he had started to attack her with all kinds of words. His actions were truly shameless.

"Xiaoman, let me introduce you. This is my girlfriend, Jiaojiao." Chen Hao pushed the girl beside him over and boasted with a smile, "How is it? I'm not inferior to you, right?"

As she said this, the girl called Jiaojiao raised her head with a self-satisfied look on her face.

"Congratulations." Gu Xiaoman pouted as she spat out the word with an ugly expression.

"Yo, this is your boyfriend, right?" Chen Hao turned his head and looked at Wu Tian as he said sarcastically, "He is wearing shabby clothes and has no taste."

"He ..." Lili was about to explain, but Chen Hao cut her off before she could finish. "Xiaoman, your tastes are really heavy. How did you end up liking this kind of guy?"

"It has nothing to do with you." After Gu Xiaoman said that, she pulled Wu Tian's arm and turned to leave.

"Wait!"

Chen Hao stood in front of the two and continued to mock them: "Xiaoman, I'm not scolding you. You have such poor judgement. Even if you're looking for a boyfriend, you should find a better man. How can you find scum like him?"

After saying that, he poked Wu Tian's body and said with disdain, "Look, he smells sour. He's too poor."

"Eh, it smells so bad." Jiaojiao, who was standing to the side, intentionally dabbed her nose with her hand as a disdainful smile appeared on her face.

"You all ..."

Hearing these sarcastic laughs, Gu Xiaoman was so angry that her face turned green.

"Xiaoman, don't be angry." Wu Tian held onto Gu Xiaoman's arm and comforted her, then he smiled and said, "There's no need to get angry at two pretentious fellows."

"Oh right, the two of you are here to ask for food?" Chen Hao mocked him sarcastically.

"Chen Hao, please be a bit polite when you speak." Gu Xiaoman was so angry that her chest heaved up and down.

How could she have met such a despicable man? It was really unappetizing.

"Xiaoman, don't be angry. I'll treat you to a meal." Chen Hao made a "please" gesture, smiled and said sarcastically, "Take your boyfriend to this five-star hotel to see the world and broaden your horizons."

Hidden Billionaire Chapter 302 - A Very Cordial Invitation to Him

C302 A Very Cordial Invitation to Him

"I ..."

Gu Xiaoman was about to reject, but was interrupted by Wu Tian. "Since Young Master Chen has invited us, we will definitely come."

He wanted to take this opportunity to humiliate Chen Hao and make Gu Xiaoman happy.

"I knew you wouldn't reject such a good chance to eat." Chen Hao glared at Wu Tian as if he despised him and pointed at the Tianhao Hotel: "Brat, this is the most expensive five star hotel in the entire Luzhou — a simple meal would cost over ten thousand yuan."

"Is that so?" Wu Tian smiled without saying a word.

The Tianhao Hotel used to be the cheapest five-star hotel, but under his meticulous planning, it developed into the five-star hotel with the most expensive dishes in the Luzhou.

Although the dishes were expensive, there were quite a few customers here. Many of the customers came for these dishes.

"I don't think that with your ability, you'll ever be able to eat here." Chen Hao glanced at Wu Tian contemptuously a few times.

Wu Tian smiled without saying a word.

"Let's go, I'll take you in and broaden your horizons." After Chen Hao said this, he held Jiaojiao's body and walked towards the hotel lobby.

Wu Tian was about to follow them in, but Gu Xiaoman held his arm and whispered, "Hey, let's not go!"

"If someone invites us to a meal, it would be a waste if we don't eat. Come, let's go together." Wu Tian didn't say anything further and dragged Gu Xiaoman's arm as they walked into the restaurant.

Gu Xiaoman bit her lips. In the end, she didn't say what she wanted to say and obediently followed Wu Tian into the hotel.

She didn't know why Wu Tian insisted on having a meal with Chen Hao, but Wu Tian definitely had his reasons for doing so.

Under Chen Hao's lead, the group entered the hotel's lobby.

When the waiter saw that it was Boss Wu, he quickly went up to greet him with a respectful bow.

Chen Hao thought that these waiters were welcoming him with such high standards. He puffed up his chest and boasted, "This is the identity of a rich person. No matter where I go, I will get better treatment."

He proudly bragged and then instructed the front desk: "Open a luxurious private room for me."

"Sorry, the luxurious private room is gone." The front desk girl bowed 90 degrees and quickly smiled apologetically.

Since these people came with Boss Wu, she didn't dare to offend them and could only deal with them carefully.

Originally, there were only a few luxurious rooms in Tianhao Hotel, and every day was limited and open, so they had to be booked in advance.

Most people who ordered a luxurious private room would do so just to act cool. After all, the expenses inside were at least 100,000 yuan. Ordinary consumers did not want to waste this money.

"What kind of hotel is this, why don't you even have a luxurious private room?" Chen Hao said loudly. He pretended to be a very high-end person.

Jiaojiao, who was at the side, also chimed in, "That's right. With our Director Chen's status, ordinary rooms are not worthy of him."

"Sir, I'm sorry, the luxurious private room is truly gone." The front desk bent down to apologize, afraid that Boss Wu would lose his temper.

Seeing the front desk girl's submissive look, Chen Hao became even more arrogant. He slapped the marble counter hard, "I want a luxurious room today. If you don't have a luxurious room, then get your boss to come over."

"This ..."

The receptionist looked up at Wu Tian and lowered her head again. For a moment, she didn't know how to respond.

"Why aren't you guys moving? Go and get your hotel's owner." Chen Hao shouted loudly.

Jiaojiao crossed her arms in front of her chest as she shouted, "Yes, go and get the owner of this hotel."

Their main purpose was not to eat, but to pretend that they were high-end people.

"I'll have Lobby Manager meet with you." The front desk looked at Wu Tian and said carefully.

Right now, she even suspected that Boss Wu had deliberately concealed his identity and sent someone to investigate the hotel.

"Lobby Manager is not qualified at all. I want to meet your boss, the big boss of the hotel." Chen Hao put his hands in his pockets and pretended that he was a high-end person.

The customer was a god. He was here today to spend money and had the right to act arrogantly.

"Are you sure you want to meet our Big Boss?" The front desk girl bit her lips. She was also a bit confused at the moment.

Boss Wu was clearly standing behind him, so why did the customer in front of him want to meet the big boss?

Don't they know Boss Wu?

"Yes, I want to see your Big Boss." Chen Hao shouted impatiently.

Perhaps it was because the front desk girl acted too lowly, which was why Chen Hao became more and more arrogant.

"Alright!"

After the front desk girl answered, she pointed at Wu Tian and introduced, "You want to meet our Big Boss, Mr Wu is our Big Boss."

*

Hearing this, Chen Hao and Liu Jiao coughed a few times and almost choked to death on their own saliva.

After coughing for a long time, Chen Hao couldn't help but ask: "You said Wu Tian is your boss?"

"Yes, he's the biggest boss of our Tianhao Hotel." The front desk girl repeated in a serious tone.

"Oh my god!"

Chen Hao was shocked. His eyeballs almost popped out of their sockets.

Even if he was dreaming, he never would have thought that this foolish kid who wore shabby clothes and had no taste, was actually the boss of the Tianhao Group.

This...

This is too unbelievable.

Chen Hao stared at Wu Tian as if he was looking at a monster. His eyes were filled with shock and disbelief.

If the front desk beauty did not personally say it, he would not have dared to believe it even if he was beaten to death. Wu Tian was the big boss of the Tianhao Hotel at such a young age.

Even though he was dreaming, he never would have thought that the poor Wu Tian would own such a big five-star hotel.

Wu Tian's strength and position far exceeded his, but he had previously mocked Wu Tian as a poor guy, and boasted to bring Wu Tian to Tianhao Hotel to broaden his horizons.

At this moment, he felt as if his face had been slapped a few times by someone. The burning pain was unpleasant, and he wished he could find a hole to hide in.

Liu Jiao was also flabbergasted. She couldn't believe that this fool called Wu Tian was actually the big boss of this hotel.

Just from his attire and manner, Wu Tian looked like a pauper. What she didn't expect was that this seemingly poor, silly kid was actually the big boss of the powerful Tianhao.

She had thought that this brat was a pauper, but she never would have thought that Wu Tian was a super rich person.

In terms of wealth, the Tianhao Hotel was tens of times better than Chen Hao.

Gu Xiaoman was also shocked. She did not expect Wu Tian to be the big boss of this hotel.

To be honest, she had heard of the Tianhao Hotel a long time ago. She had heard that the dishes in this hotel were unique, expensive, and one of the famous five-star hotels in the Luzhou.

Previously, she had thought that after earning some money, she would bring her parents over to have a taste of Tianhao's specialties.

However, she never would have thought that the boss behind the scenes of such a great hotel was Wu Tian.

Even she couldn't help but admire Wu Tian secretly. He was already so powerful at such a young age, making this high-end 5-star hotel into a very famous hotel.

Hidden Billionaire Chapter 303 - Exquisite Haobao

C303 Exquisite Haobao

After a short moment of blankness, Chen Hao came back to his senses. He changed his previous attitude and took the initiative to extend his right hand towards Wu Tian, "Boss Wu, it was my problem before. Please forgive me for offending you."

He looked down on Wu Tian with all kinds of contempt and ridicule. Now, when he heard that Wu Tian was the big boss of the Tianhao Hotel, he immediately changed his attitude and became even more passionate than his grandson.

With his identity, he could not afford to offend the owner of the Tianhao Hotel at all, so he could only suck up to him and curry favor with him.

"Is that so?" Wu Tian sneered coldly.

"I didn't expect Boss Wu to be so young and capable. You're my role model." Chen Hao flattered her a few times, then said to Gu Xiaoman, "Xiaoman, you've got good eyes. It's a blessing to have a boyfriend as good as Boss Wu."

Gu Xiaoman didn't say anything, but she was secretly relieved.

She had always been ridiculed by Chen Hao before, but this was the first time she saw him act so subserviently. She felt extremely carefree in her heart.

"Right." Even Liu Jiao changed from her previous attitude. She took Gu Xiaoman's arm and said, "Sister Xiaoman is so lucky to be able to find a boyfriend as good as Boss Wu is really enviable."

Gu Xiaoman sneered, but did not say a word.

For a moment, the atmosphere was a bit awkward. At one point, it had all fallen into a state of silence.

In the end, it was Chen Hao who broke the awkward silence. "Boss Wu, Xiaoman, I will treat you today. I hope you two will be able to show me some respect."

"Since Boss Chen is so kind, then I won't be polite." Wu Tian did not refuse. With such a good opportunity to earn income for the hotel, there was no reason for him to refuse.

"Then let's open a room." Chen Hao changed his attitude from before as he asked the receptionist with a smile: "Do you have a better room now?"

"This ..."

The front desk girl suddenly saw Wu Tian winking at her and immediately understood. She smiled and said to Chen Hao, "Our hotel doesn't have any luxurious rooms right now, and we don't have any excess top class luxury bags."

"Top class Zhizun realm large bag?" Hearing the name of the room, Chen Hao knew that the price of the room was very high.

In the Tianhao Hotel, rooms of different grades could symbolize different identities, but the higher the grade of the rooms, the similarly high price was excessively high.

For example, a single consumption of a top noble and powerful bag could cause ordinary citizens to go bankrupt.

For Chen Hao, he naturally didn't want to waste so much money. He originally wanted to get a normal room for the girl in front of him.

Before he could finish his sentence, he heard the front desk girl say: "Sir, a top class supreme bag matches your identity. I don't think the hall is suitable for someone like you."

The front desk beauty was hinted at by Boss Wu and purposely said so.

"This ..." Chen Hao couldn't back down for a while.

Judging from the tone of the front desk girl, he only had two choices at the moment: a top class Martial Saint's bag and the main hall.

Choosing the supreme bounty would definitely reveal his identity, but this price was too painful to bear, and he would clearly be looked down upon by the front desk girl in the main hall.

Just as he was in a dilemma, Liu Jiao suddenly said, "Boss Chen, I don't want to embarrass myself by sitting in the main hall. Let's choose the Sovereign's private room."

"Good, then... Zhi Zun Hao Bao. " As matters stood, Chen Hao could only bite the bullet and choose the most powerful one.

It was just a room. No matter how expensive it was, it would only cost an additional 100,000 yuan.

In this situation, he couldn't lose face for the sake of a hundred thousand yuan.

"Alright sir, I will arrange it for you." After the front desk beauty answered, she instructed the waiter to lead the way.

Under the guidance of the attendant, the few of them arrived at the three eight rooms on the eighth floor. These were the highest grade of the highest class of supreme rich bags that the Tianhao Hotel had.

It was a suite with toilets, toilets, living rooms and dining rooms. All kinds of fruit and wine were imported into the room. It was the equivalent of a small supermarket.

As expected of a top tier room, the quality of this room was indeed high.

To be honest, as the owner of the hotel, Wu Tian had never come here to spend money before.

To spend money here, the waiter had to clean the room for at least a week, which showed how delicate the room was.

Everyone was shocked by the extravagance inside, but they still pretended to be knowledgeable about the world.

The few of them walked around the suite once. Chen Hao greeted them with a smile, "Boss Wu, Xiaoman, please take a seat."

"Boss Chen, the expenses here are quite high. Have you brought enough money?" After Wu Tian sat down, he couldn't help but remind him.

"Don't worry, I'm not short on money." Chen Hao placed the wallet on the table, then handed over the menu, "Boss Wu, order."

"I'm not picky with food, I eat anything, so I might as well let the lady order."

"Well, Xiaoman, you order." Chen Hao courteously pushed the menu in front of Gu Xiaoman.

Gu Xiaoman opened the menu and was immediately dumbfounded.

She found that the food inside was extremely expensive, even the cheapest ones cost several hundred yuan.

Staring at the menu, she couldn't help but glare at Wu Tian. She cursed in her heart: "Is this guy opening a hotel? What's the difference between it and robbery?"

She really couldn't understand why Wu Tian would set the price so high.

What was even more inconceivable was that even though there was such a sky-high price for the dishes, there were still so many people consuming them.

In her entire life, she had never eaten such expensive dishes before. She stared at the menu, not knowing what to order.

"Xiaoman, feel free to order whatever you want to eat. There's no need to stand on ceremony with me."

"You guys go ahead and order." Gu Xiaoman put away the menu and placed it on the table. It wouldn't be good for her to order such expensive dishes.

"Forget it, I'll just order it." Chen Hao took over the menu, and said to the waiter in a rich and overbearing manner, "Bring your specialties here."

Since the room had the lowest cost, he didn't care about the cost of the dishes.

"Alright, please wait a moment." The waiter took the menu, gave them a slight smile, and left.

After the waiter left, the few of them began to chat.

It was mainly because Chen Hao and Liu Jiao kept flattering and trying to curry favor with each other. Wu Tian, on the other hand, was very cold and indifferent from beginning to end. The atmosphere was a bit awkward.

Not long after, the waiters successively served the dishes. Looking at the delicacies placed on the table, they all felt their appetite rise greatly.

As they ate, they couldn't help but praise, "Boss Wu, the dishes in your restaurant are so delicious."

"It's delicious and delicious. This is the best food I've ever eaten." Liu Jiao exclaimed with an exaggerated expression.

If they had been trying to curry favor with him before, now they were sincerely praising these specialties.

It was indeed very delicious, even Gu Xiaoman couldn't help but stick out her thumb, "Delicious, too delicious. Every dish has its own taste, it leaves an aroma in the mouth, as if food is dancing on the tip of the tongue, stimulating the taste buds sufficiently."

"If it's delicious, then eat more." Wu Tian said with a smile as he put a pair of chopsticks into Xiaoman's plate.

"Only now do I understand why the dishes in your restaurant are so expensive." Gu Xiaoman licked her lips and said happily, "These dishes are really worth it."

"The price is its value and quality." Wu Tian said meaningfully.

Hidden Billionaire Chapter 304 - Losses Are Heavy

C304 Losses Are Heavy

Gu Xiaoman leaned her head close to him and couldn't help but ask curiously, "Why are the dishes in your hotel so delicious?"

"Because all the ingredients in our restaurant come from the best production area, fresh and of high nutritional value, and our chef combines these ingredients with some special skills, allowing it to display its best taste ..."

"That's great."

"If you like the dishes from Tianhao, you can come over everyday to eat them."

"It's too expensive. Even if I'm a rich and powerful person, I would go bankrupt from eating these everyday!" Gu Xiaoman shook her head with a wry smile.

Although the food here was delicious, it was definitely a luxury for her. Even a rich person couldn't afford to eat it, much less a poor person like her.

"You don't need money to eat here, I'll pay for it. I'll support you." Wu Tian said in a serious tone.

"..."

Gu Xiaoman's face turned red and she unconsciously lowered her head.

This should be the sweetest love talk in the world, any woman who heard this would be moved to tears.

Even Liu Jiao couldn't help but secretly envy Lili for finding a man as rich and generous as Wu Tian.

She gritted her teeth, turned her head towards Chen Hao and asked, "Brother Hao, can you bring me here to eat every day?"

"Cough, cough!"

Chen Hao coughed violently and whispered with an ugly expression, "Even the big boss would not dare to come here to consume every day."

"You ..."

Liu Jiao was especially dejected when she heard this.

They were both men, why was the difference between Chen Hao and Wu Tian so huge?

Sigh, if only she could be Wu Tian's woman.

Suddenly, a bold idea emerged in her mind. No matter if it was her figure or her face, she was in no way inferior to Gu Xiaoman. Wasn't there a chance for her to snatch Wu Tian away?

If she succeeds, then she would be the big boss's woman in the future. Why would she have to suffer alongside a small role like Chen Hao?

Chen Hao noticed that Liu Jiao was in a bad mood. He opened his mouth to please her, "Jiaojiao, do you want some red wine?"

"Whatever." Liu Jiao spat out the word absent-mindedly.

At this moment, her mind was no longer on Chen Hao. She was thinking how to get close to Wu Tian and how to make this man fall for her trap.

"Waiter, open a bottle of red wine for us." Chen Hao snapped his fingers and ordered the waiter.

"Sir, may I ask which wine you would like?"

"Don't be too low leveled."

"Alright." After the waiter replied, he opened a bottle of red wine and poured it for them.

Chen Hao raised his wine cup and smiled at Liu Jiao to curry favor with her, "Jiaojiao, this wine cup represents my intentions. Cheers!"

"Wait a moment." Liu Jiao didn't toast Chen Hao. Instead, she picked up her glass and walked up to Wu Tian. "Boss Wu, my name is Liu Jiao. It's a pleasure to meet you. Here's to you."

"Thank you!"

Wu Tian clinked his glass with Liu Jiao's and took a symbolic sip of red wine.

"Boss Wu ..."

After drinking, Liu Jiao sat down next to Wu Tian and asked, "If you can open such a big hotel, you must have great abilities. I wonder what other businesses Boss Wu has?"

"It's nothing. It's just a few restaurants, a live broadcast platform, two real estate companies, and a real estate agency." Wu Tian said casually.

"Oh my god!" Liu Jiao was so shocked that her eyeballs nearly fell out of their sockets.

Originally, she just asked casually, but she never expected that Wu Tian had so many companies under his control.

This hotel was just a small asset in Boss Wu's possession.

Technology Company, real estate company, live broadcast platform, restaurant, all these added together would at least cost him over a billion, right?

Knowing that Wu Tian was so powerful and powerful, Liu Jiao's heart was thumping wildly and her entire body was filled with excitement.

She had never met such a rich boss. If she could get Boss Wu, she would be rich in the future.

Thinking about this, she raised her glass again and said with a coquettish smile, "I really didn't expect Boss Wu to be so secretive and powerful."

"Yeah, yeah." Chen Hao also raised his glass and exclaimed, "Boss Wu's strength has really broadened my horizons."

He originally thought that Wu Tian only had one hotel, but the result shocked him.

Never in his dreams did he expect that the young brat in front of him would have so much assets. It was really shocking.

If he could rely on a big boss like Wu Tian, he wouldn't have to worry about finding business in the future.

"Come, let's drink together." Wu Tian smiled coldly, raised his glass and gulped down the red wine in it.

The group continued to chat and drink. Soon, a bottle of red wine ran out.

Seeing that he was almost done eating, Chen Hao snapped his fingers towards the waiter: "How much? Pay the bill."

"Hello, sir. You are going to spend one million six hundred thousand." The waiter handed the bill over with a polite smile.

"One million six hundred thousand?" Chen Hao was dumbfounded.

He already knew that the dishes here were expensive, but there was no way they would be so outrageously expensive. According to his budget, it should at most be around one hundred and fifty thousand yuan.

Chen Hao wasn't the only one who was surprised. Liu Jiao and Gu Xiaoman were also surprised. They didn't expect to eat more than a million yuan in a single meal.

After a moment of surprise, Chen Hao hurriedly asked: "Is it wrong? How could there be so many? "

"Sir, this is the menu. Please take a look." The waiter smiled and passed the menu over.

Chen Hao took the menu and looked at the red wine. He questioned, "A bottle of red wine, why is it 1,520,000?"

"This is the Bordeaux vintage collection, the world limited it to a hundred bottles, so it's rather expensive." The waiter continued to smile.

"Who asked you to bring me such expensive red wine?"

"I asked you what kind of red wine you wanted. Sir, you said it yourself, the quality can't be too low. This bottle of red wine is only intermediate in our shop."

"This ..." Chen Hao was speechless.

He never thought that the 1 million red wine would only be a mid-tier wine in Tianhao Hotel, this is f * cking too much.

The waiter pointed to the menu and asked with a smile, "Sir, are you paying in cash or swiping the card?"

"I ..."

Chen Hao was on the verge of tears. Over a million yuan, this was half of the company's profit. How could he just waste it on a wine table like that?

At this moment, his heart was roaring with regret. Why did he have to act so haughtily when he had nothing to do? This was more than a million yuan.

"Boss Chen, it can't be that you don't have the money to pay the bill, right?" Wu Tian swirled his wine cup and asked with a smile.

"I have money." Chen Hao gritted his teeth in frustration. In the end, he could only pull out two bank cards from his wallet and hand them over, "There's

more than a million cards on the card. The password is six digits after the card number."

"Alright." The waiter took the bank card and quickly swiped away 1.6 million from the POS machine. Then, he passed the card along with the consumption ticket to Chen Hao, "Sir, the swiping of the card succeeded. Thank you for your support of our store. Welcome next time."

"Eh ..."

Chen Hao took the card and ticket and swallowed his saliva.

He looked at the money on the ticket and felt a pang of pain in his heart.

It never occurred to him that a single meal would eat up most of his company's profits for half a year.

Hidden Billionaire Chapter 305 - Beauty Meter

C305 Beauty Meter

"Boss Chen is truly generous." Wu Tian raised the half cup of red wine in his hand and said with a smile, "Thank you, Boss Chen, for the treat. Let me toast you."

"Alright."

Chen Hao only realized that he had already finished the wine in the glass. He put it down awkwardly, "Sorry, I've finished it."

"Shall we open another bottle of red wine?" The corner of Wu Tian's mouth hooked up into a meaningful smile.

"No need." Chen Hao quickly waved his hand and refused: "No way, I don't have enough alcohol. I really can't drink anymore."

A bottle of red wine was worth more than a million yuan. He couldn't afford to drink such luxurious red wine.

"Since Boss Chen doesn't want to drink, then I won't force you." Wu Tian smiled and poured half a glass of red wine into his mouth.

"Boss Wu, Xiaoman, I suddenly remembered that I have urgent matters to attend to, so I'll be leaving first." With these words, Chen Hao stood up and pulled Liu Jiao along as he prepared to leave.

He could already tell that Wu Tian was trying to make him bleed. Right now, he only wanted to leave as soon as possible, so that he wouldn't be tricked by this brat again later.

That one million yuan was all he had left in his bank account, so he didn't have any extra money to spend.

"You can go first, I still have things to do." Liu Jiao pulled back her arm impatiently, not wanting to leave with Chen Hao.

She had to stay here and think of a way to climb the big tree named Wu Tian. If she followed Chen Hao with no future, she might end up drinking in the northwest wind.

"What else do you want?" Chen Hao questioned in confusion.

"You don't need to care, you can leave first." Liu Jiao walked up to Wu Tian with a coquettish smile, "Boss Wu, this hotel is really impressive. Can you take me to take a walk?"

"No problem, I'll ask the waiter to take you for a walk." After Wu Tian said this, he gave a signal to the waiter with his eyes.

The waiter nodded in understanding. He walked over to Liu Jiao and extended his hand, "Miss, please."

"My feet are a little numb, and I suddenly don't want to walk anymore." Liu Jiao came up with an excuse.

She only wanted to get close to Boss Wu, she didn't really want to wander around the hotel, much less the waiters.

"This ..."

The waiter was stunned on the spot as he looked at Boss Wu with an inquiring look.

"Since Miss Liu doesn't want to go around, then you can go down." Wu Tian waved at the waiter, and before the waiter left, he said, "Wait."

"Boss, do you have any other orders?" The waiter blinked his big eyes and asked with a puzzled expression.

"Here."

Wu Tian took out a stack of bills from his pocket and put it on the table, "This is five thousand yuan, it's your reward."

"So many?" Seeing the stack of new bills, the waiter widened his eyes.

Five thousand dollars might not mean much to other people, but to a low-level waiter like her, it was definitely a lot of money.

"Take it and work hard." Wu Tian pushed the five thousand yuan bill over.

"Thank you, Boss Wu. Thank you, Boss Wu." The waiter grabbed the five thousand notes and thanked him excitedly.

She didn't expect Boss Wu to be so generous, giving her 5000 yuan at once, which was more than a month's salary.

"Go back down and busy yourself."

"Ok, feel free to call me if you need anything." The waiter bowed deeply and obediently left the room.

Liu Jiao's eyes bulged when she saw this scene.

She didn't expect Boss Wu to be so generous, giving 5000 yuan to the waiter the moment he made his move.

He was so generous to the waiter, if she could become Boss Wu's woman, wouldn't she be rich?

Thinking up to this point, Liu Jiao's heart was itching for action. She had an idea and thought of a way to quickly get close to Boss Wu.

"Ah!

Liu Jiao screamed in pain as her body swayed and fell into Wu Tian's arms.

Wu Tian only felt a lump of flesh heavily smashing down. He reflexively reached out his hands to catch Liu Jiao's body and asked with concern, "Are you alright?"

"I... Ah, hiss ...

Liu Jiao gasped in pain and said bitterly, "My leg is cramping. It hurts."

"Leg cramps?" Wu Tian's gaze shifted down and landed on the two delicate legs under her skirt.

It looked like there was nothing wrong with her beautiful legs, it didn't look like she was having cramp. Could it be that this woman was deliberately feigning pain?

"Boss Wu, my legs are hurting. Can you help me massage them?" Liu Jiao bit her lower lip as she pleaded, pretending to be in pain.

"No problem." Wu Tian could tell that this woman was intentionally faking her pain. She was obviously trying to seduce him.

Thus, he stretched out his hand without any hesitation. He wanted to see what else this woman could do.

"Right, it hurts, use more strength." Liu Jiao put her arms around Wu Tian's neck, seemingly lost in her emotions.

Wu Tian didn't stand on ceremony as he reached out his hand to help the woman treat her legs.

Chen Hao, who was standing on the side, was furious. No matter how dumb he was, he could tell that Liu Jiao was purposely luring Wu Tian.

This slut was really shameless. She tried to hook up with other men in front of him.

He spent too much money and effort on this woman previously, but in the blink of an eye, this woman went to seduce Wu Tian.

He really wanted to rush up and give this bitch a few slaps, but after thinking for a bit, he endured it.

With his current strength and power, he couldn't afford to offend Boss Wu. He couldn't risk his life for a woman.

Gu Xiaoman, who was sitting next to Wu Tian, also didn't feel satisfied. She didn't expect Liu Jiao to be so despicable that she would blatantly start seducing Wu Tian.

Seeing the two of them hugging so intimately, it was as if their hearts were overturned with jealousy, and their feelings were mixed.

What was even more infuriating was Wu Tian, he actually acted as if he was enjoying Liu Jiao.

Dogman and woman, shameless.

Gu Xiaoman couldn't help but curse silently in her heart. Her two small fists were clenched tightly, wishing that she could pounce on the two of them and separate them.

But she did not.

After all, Wu Tian wasn't her boyfriend, so it didn't seem like he had anything to do with her when he was with other women.

However, she could not help but get angry. Other than getting angry, there seemed to be no other way.

"Boss Wu." Liu Jiao became more and more unbridled. She grabbed Wu Tian's arm and placed it on her chest. "I suddenly feel very stuffy. Boss Wu, please treat me."

"I'm sorry, I'm not a doctor." Wu Tian retracted his hand. He was worried that he wouldn't be able to control himself if this continued.

"Don't worry, Boss Wu's hands are much better than the doctors'."

"Slut!" Wu Tian directly pushed the woman away from his arms and got straight to the point, "This move of yours is useless against me."

"Cough, cough ..."

Liu Jiao coughed dryly and was exposed on the spot. This made her feel extremely awkward.

She had thought that Boss Wu had been hooked. She didn't think that he would be able to stop the car at such a critical moment. She was truly angered.

"Hu!"

On the other hand, Gu Xiaoman secretly heaved a sigh of relief. She looked at Wu Tian with appreciation and joy.

She thought that Wu Tian had fallen into a woman's gentle trap, she didn't expect it to end so easily at such a critical moment.

It seemed like she misunderstood Wu Tian. He wasn't the kind of guy who knew how to be measured and how to reach the bottom line. He would not lose himself to Liu Jiao's seduction.

In this way, she had a better impression of Wu Tian.
