C306 A Transaction?

"Jiaojiao, let's go." Chen Hao went forward and grabbed Liu Jiao's arm, preparing to take her away from this place.

Even though Liu Jiao had hurt him and seduced another man, he still chose to forgive and protect her.

After all, he had spent too much energy and money on this woman. He did not want to let go so easily.

"Don't touch me." Liu Jiao flung her arms forcefully and yelled impatiently, "With trash like you, who's going to follow you?"

"You ..."

Chen Hao's mouth twitched a few times in anger. He gritted his teeth for a long time and finally said: "Bitch, don't come back and beg me in the future."

After saying that, he turned around and slammed the door.

He had never failed like this before. Not only had he lost 1.6 million, he was even abandoned by his girlfriend.

After Chen Hao had left, Wu Tian smiled at Gu Xiaoman and said, "Xiaoman, let's go too. This room doesn't taste too good."

"Alright!"

Gu Xiaoman nodded obediently and followed Wu Tian out of the room.

The two of them had just reached the door when Liu Jiao blocked their path.

"Boss Wu, I want to talk to you alone for a bit, is that okay?" Liu Jiao's voice was so charming that it could melt a person's bones.

"Ok!"

Wu Tian nodded and said to Gu Xiaoman, "Xiaoman, you wait for me outside."

"I ... " Gu Xiaoman didn't want to leave.

She was worried that the b \* tch Liu Jiao would entangle Wu Tian, so the two of them could do that sort of vulgar thing in the room.

In the end, she could only leave the room. Before she left, she did not forget to remind Proprieter Wu: "Proprieter Wu, you have to be careful."

"Don't worry, she's just a woman. I can handle her."

"Alright!" Gu Xiaoman turned her head to look at Liu Jiao. She was mainly worried about this vixen.

She stared at Wu Tian a few more times, then walked out of the room reluctantly.

Liu Jiao locked the door and rushed over to hug Wu Tian. "Boss Wu, I fell in love with you at first sight, but I was so deep in love with you ..."

"Stop."

Wu Tian pushed the woman away from his arms and said mercilessly, "Don't try to play along with me. Just say what you want to say."

"Boss Wu ..."

Liu Jiao opened her collar and stroked her hair. With a charming smile, she asked, "Do you think I'm beautiful?"

"Your beauty has nothing to do with me."

"No, it does matter."

"What does it have to do with me?"

"I love you. My heart is beating for you." Liu Jiao grabbed Wu Tian's arm and placed it in front of her, "Did you feel my heartbeat?"

"I don't feel any heartbeats. I only feel that your body is developing quite well."

"Boss Wu, do you want it?"

"I'm not interested." Wu Tian retracted his hand and said impatiently, "If you have something to say, say it quickly."

"Looks like Boss Wu is impatient." Liu Jiao raised her leg and stood on the table, intentionally trying to lure Boss Wu over as she said, "If Boss Wu likes it, I'm yours now."

"Are you offering yourself?"

"For Boss Wu, I am willing."

"Give me your body. What do you want?"

"I had a dream since I was young, which is to have my own sportscar. If Boss Wu can help me realize this dream, I'll be Boss Wu's woman from now on." As Liu Jiao spoke to here, she started to untie her dress.

"Save it."

Wu Tian smiled contemptuously, and mercilessly hit him as he said, "Is a woman like you worth a sports car?"

"Then what am I worth?"

"At most, you're just a broken bicycle."

"You ..." Liu Jiao was so angry that the corner of her mouth twitched, and her face turned green.

However, she quickly regained her composure. She suppressed her anger and leaned towards Boss Wu again, "Boss Wu, I don't believe that you have no interest in me at all."

After saying this, she half-revealed her dress, and used all her strength to make all sorts of seductive movements.

In terms of figure and looks, she wasn't inferior to Gu Xiaoman, and her ability to seduce men was even greater.

If it were any other man, they would have already fallen under her skirt.

However, the person he met this time was Wu Tian. Wu Tian was completely unmoved by the woman in front of him.

The woman tried to seduce him for a long time, but in the end, Wu Tian could only coldly spit out a sentence: "Is the performance over yet?"

"How come you didn't react at all?" Liu Jiao tried her best to figure it out, but to think that the guy in front of her was a wooden block.

It was her first time meeting a man with such strong willpower. She even suspected that there was something wrong with him.

"You know what?" Wu Tian pinched the woman's chin and said harshly, "In my eyes, you are the most disgusting woman, no other."

"You ..."

Liu Jiao was furious. Just as she was about to retort, she was interrupted by Wu Tian. "A lowly woman like you, you make me nauseous just by looking at you."

With that, he forcefully pushed Liu Jiao away and expressionlessly left the room.

"You, you, you ..."

Liu Jiao was so angry that her face became distorted.

She had lived for so long and had always been sought after and spoiled by others. She had never been humiliated like this by a man before.

Right now, she wanted nothing more than to break Wu Tian's head and vent her anger.

She initially wanted to untie her body and lure Wu Tian into a higher position, but she didn't expect that she would be ruthlessly humiliated by this man. This made her unable to suppress the anger in her heart.

"You think you're great, don't you?" Before Wu Tian left, Liu Jiao shouted angrily.

Wu Tian sneered: "A dirty woman like you doesn't have the right to talk to me like that."

"Wu Tian, don't you only have that much money? Other than money, what else do you have? "

"Dignity." Wu Tian turned around and looked at Liu Jiao with a smile. "Unlike you, you sold your body for money and didn't even want your dignity."

With that, he turned around and quickly left.

"Bastard!"

Liu Jiao cursed angrily, but he still couldn't calm her down. As she watched Wu Tian walk away, she took out her phone and made a call: "Brother Jiang, help me teach this guy a lesson. As long as you cripple him, I will go to bed with you ..."

Wu Tian ignored Liu Jiao. He walked out of the room and said to Gu Xiaoman who was waiting outside, "Sofia, let's go. I'll take you back to school."

"What about the girl?" Gu Xiaoman turned her head to look at the direction of the room and couldn't help but question in a low voice.

"Don't worry about her." Wu Tian left quickly with Gu Xiaoman.

When they walked out of the hotel, Gu Xiaoman couldn't help but question again, "What did that girl say to you in the private room?"

"Nothing, I just want to make a deal with me."

"What kind of deal?"

"She wants to use her body to pay me back."

"I really didn't expect her to be this kind of girl." Gu Xiaoman bit her lips and whispered, "That girl is pretty pretty, why didn't you agree to her request?"

"I'm not such a casual man."

"I really couldn't tell ..." Before Gu Xiaoman finished her sentence, she was already laughing happily.

Through this incident, she couldn't help but have a whole new level of respect for Wu Tian.

## Hidden Billionaire Chapter 307 - Eat Barbecue

### C307 Eat Barbecue

After sending Gu Xiaoman back to school, Wu Tian had wanted to go back to his house. After all, there were still two other beauties at home, Police Officer Su and Xue.

He was about to stop the car when the phone in his pocket rang.

He took it out and saw that it was Sunn Sheng. He answered the call and asked: "Boss Sun, why are you looking for me so late at night?"

"Come out for a barbecue, I just happen to have something to talk to you about." On the other end of the phone, Sunn Sheng's tone was very respectful.

"What is it?"

"It's about the company."

"Well, where are you now?"

"North Gate Gully."

"I'll be right over." Wu Tian hung up the phone and took a taxi to the North Gate Gully.

This was a famous street for barbecues in Luzhou, and at six in the evening, both sides of the street were filled with booths.

When he arrived at the barbecue street, he quickly found Sunn Sheng at a stall. He was using his phone to do a live broadcast.

"Boss Wu, you came." After seeing Wu Tian, Sunn Sheng put away his phone and took the initiative to get up to say hello.

"You're welcome. Take a seat." Wu Tian pressed his hand down, gesturing for Sunn Sheng to sit down, "We've known each other for so long. Don't call me Boss Wu in the future, just Wu or Tian will do."

"Then I'll call you Tian, what do you want to eat?"

"Whatever, I just had a meal."

"Ok!" Sunn Sheng adjusted his glasses, and waved to the middle-aged man in front of the stall, "Fifty roasted meat, thirty kidneys, ten gluten, and two cold dishes for one beer."

"Alright!" After answering, the owner started to get busy.

"Old Sun, you're in such a hurry to find me for something?" Wu Tian couldn't help but ask when he saw Wu Tie had finished ordering the dishes.

"It's about the annual live broadcast ceremony." Sunn Sheng poured two cups of tea and continued: "The fifth annual live broadcast grand ceremony will be held in two days at Luzhou."

"How are your preparations?"

"It's almost done."

"That's good."

"The main reason I called you here today is to discuss the details of the live broadcast ceremony with you." Sunn Sheng drank a mouthful of tea and tried asking: "Tian, do you have any good suggestions?"

"Have you chosen a venue for the event?"

"Yes, it's on the riverbank."

"The riverbank is being renovated recently. It's not good." Wu Tian thought for a moment, then suggested: "How about Wan Street?"

Wan Street was a business street created by Sunn Xiaohao. It had only been developed not long ago, so its popularity wasn't very high.

The reason why they chose the live broadcast ceremony at Wan Street was so that they could use this ceremony to attract people's attention. At the same time, they could save a lot of space for the platform.

"This matter requires me to negotiate with the owner of Wan Street. I wonder if he is willing?" Sunn Sheng voiced out his doubts.

"No need for negotiation, I'm the investor in Wan Street."

"What?" The Wan Street was developed by you, Boss Wu? "

"Right."

"Admirable." Sunn Sheng's eyes lit up and could not help but exclaim in surprise: "I never thought that Boss Wu would be so generous as to develop such a huge business with Wan Street."

"The business street is only developed now, we urgently need more people and traffic. I want to borrow the power of the live broadcast ceremony to increase our Wan Street's popularity."

"That's a good idea."

"Alright, that's settled then." Wu Tian immediately made a decision: "Hurry up and get the department to increase the publicity. Three days later, the Seafood TV live broadcast ceremony will be held in the Wan Street. Let's build up the momentum a little."

"Alright, that won't be a problem." Sunn Sheng nodded and changed his tone, "Oh right, about the details of the live broadcast ceremony..."

"This matter is entirely up to you, I trust you."

"Thank you, Boss Wu, for your trust in me." Sunn Sheng is preparing to use tea instead of wine to honor Wu Tian.

Coincidentally, the owner brought the roasted meat and beer over.

Sunn Sheng simply poured two glasses of beer and raised one of the glasses, "Boss Wu, thank you for your support and trust in this seafood dish. Let me toast you with this glass of wine."

"Cheers!" Wu Tian raised his glass and clinked it with Sunn Sheng's, then finished the beer in one gulp.

After drinking, Sunn Sheng refilled two glasses and smiled, "Boss Wu, I'm glad to be able to work with you. If it wasn't for you, seafood would never have developed so quickly."

Previously, he was worried that an outsider like Wu Tian, who didn't know how to broadcast live, would have negative effects on Seafood TV after investing.

It was only later that he found out that Boss Wu left everything to him, showing that he had enough trust in him.

At the critical moment, Wu Tian helped the platform deal with a lot of problems. He even helped the platform bring in celebrities like Huang Lan to broadcast live, increasing the platform's visibility.

Through this period of time, Seafood TV had developed into a top-notch direct broadcast platform.

"Don't say it like that. The only reason Seafood TV can grow is all thanks to us working hard together." Saying this, Wu Tian patted Sunn Sheng's shoulder, "Especially you, you have done a great job."

"Boss Wu was the one who contributed the most. If it weren't for Boss Wu guiding Huang Lan to stay and help drain the platform, I wouldn't have been able to develop the platform to this extent even if I had great ability."

"Alright, let's not talk about this anymore. Come, cheers." Wu Tian raised his glass again and drained the beer in one gulp.

"Right." Sunn Sheng put down his glass and reminded him: "You have to attend the live broadcast ceremony the day after tomorrow."

"Don't worry, I will definitely arrive on time."

"Alright, I'll send someone to pick you up backstage tonight."

"No need." Wu Tian waved his hand and leaned his body against the chair. "Go ahead and do what you need to do. I'll go myself."

"Alright then!"

Sunn Sheng didn't try to force it and remembered something else, "Oh yeah, I already transferred the dividends from last month into your account and have already sent you the details of the balance of payments. Take a look, if there are any problems, I'll deal with them in time."

"There's no need to look. I don't need to worry about your matters."

"Thank you for Boss Wu's trust in me. Investors like you are truly rare these days."

"There's no doubt about it, there's no doubt about it. Since we're cooperating, we should have full trust in each other. Only then will we have a long-term perspective."

"Thank you!" Sunn Sheng stood up and bowed deeply to show his respect.

Nowadays, it's really rare to have Boss Wu's broadmindedness.

"Don't be like this, let's drink." Wu Tian gestured for Sunn Sheng to sit down, then raised his glass and continued drinking.

Just as the two of them were drinking and chatting, a beautiful lady walked over.

The seductive woman was heavily made up. She wore a slanted skirt with a very high cut, and high heels as she walked over.

"Yo, isn't this CEO Sun?" Seeing that it was Sunn Sheng, the seductive woman respectfully greeted him and flattered him: "Chief Sun, I'm Na Na, the new host who just entered your Seafood TV."

"Hello." Sunn Sheng smiled and responded with a tone that was neither cold nor hot.

"I didn't think that Director Sun would be so low-key to come over here to eat kebabs. Oh yeah, I'm treating you to dinner." The woman with thick makeup poured a glass of beer and walked in front of Sunn Sheng, "Director Sun, let me toast you."

After she clinked her glass with Sunn Sheng, she was ready to finish it in one gulp.

Her glass was blocked by Wu Tian before it could reach her mouth.

Wu Tian pointed at the glass in her hand and reminded her with a smile, "Beauty, the glass in your hand is mine."

## Hidden Billionaire Chapter 308 - Not Playing by the Book

### C308 Not Playing by the Book

"So what if it's yours?" Nana stared at Wu Tian a few times and said impatiently, "Don't not know what's good for you. It's only because I respect you that I use your cup."

"I just wanted to tell you that drinking from someone else's glass is neither hygienic nor polite." Wu Tian had a smile on his face and maintained a gentleman's demeanor.

"You are not worthy to teach me a lesson." Nana placed the wine cup on the table and said, "Don't disturb my drinking with Boss Sun, hurry up and get out of here."

"Are you sure you want me to scram?"

"Of course, hurry up and f \* ck off."

"Let me remind you, I'm Director Sun's friend."

"You?" Nana swept a few glances at Wu Tian and mocked, "You brat, don't try to get close with Boss Sun here. Seeing how young you are and wearing cheap clothes, you already look very poor, so how could Boss Sun have a friend like you?"

"You can ask Boss Sun if you don't believe me." Wu Tian shrugged and shifted his body into a comfortable position as he leaned on the chair.

"There's no need to ask, you can't be Director Sun's friend. You must want to curry favor with him and have him do something." Nana said this and then said to Sunn Sheng, "Director Sun, I'll help you kick this brat out."

After saying that, she even picked up the wine bottle as if she was trying to scare Wu Tian.

"Stop!"

Sunn Sheng shouted, pointed at Wu Tian and said, "This is indeed my friend, I will treat him to a drink."

\*

Upon hearing this, Nana was so frightened that her legs went soft and she quickly put down the bottle of wine.

She didn't think that the brat in front of her was really Director Sun's friend.

With a strange expression on her face, she glanced at Wu Tian a few times and then asked Wu Tie, "Boss Sun, how did you get such a terrible friend?"

"What do you mean?" Sunn Sheng's brows tightened, anger could be seen in his eyes.

"Look at his clothes. They're very cheap and pale from washing. These kinds of people are very poor. With your identity, Boss Sun, you shouldn't make friends with these kinds of people."

"I forgot to tell you." Sunn Sheng adjusted his glasses, pointed at Wu Tian and introduced him very seriously: "Mr Wu is not only my friend, but also my boss."

"Boss?"

"Right."

"What boss?"

"He's the investor in Seafood TV."

"Him?" Nana's mouth twitched a few times. She looked at Wu Tian with a gaze that was even more surprised than if she was looking at a monster.

She just couldn't believe that Wu Tian, who was wearing cheap clothes, was actually the investor behind Seafood TV.

So it turned out that Wu Tian was her boss. She was stupid enough to mock him and ridicule him as a poor guy.

At this moment, she felt ashamed. She wanted to find a hole to hide in.

"Boss Wu, I don't think this girl called Nana is suitable for live broadcast on our platform. What do you think?" Sunn Sheng asked Wu Tian with a smile.

Without waiting for Wu Tian to reply, Na Na changed her previous attitude and hurriedly apologized to Wu Tian: "Sorry, I didn't know you were the big boss of our Seafood TV. If I knew, even if you gave me a hundred guts, I wouldn't dare to offend you."

If she knew Wu Tian was the big boss, she would have flattered him and wouldn't dare to mock him.

"Your name is Nana?" Wu Tian shook the beer in his glass and asked expressionlessly.

"Yes, my name is Nana." Nana hastily raised her wine cup and pitifully said, "Boss, I was wrong. I apologize to you. I hope you will be more magnanimous and forgive me this time."

In order to express her sincerity, she raised her glass and gulped down all the beer in the cup. Not a single drop was left.

"Miss Nana, don't worry. I'm not such a petty person." Wu Tian put down his glass and leaned his body against the chair.

"Thank you, Boss Wu."

Nana kept bowing and thanking him. She did not forget to flatter Wu Tie and said, "Boss Wu is truly magnanimous."

"I'm very tolerant, but I'm not going to forgive you."

Nana was stunned on the spot.

She thought Boss Wu had already forgiven her, but when she heard that, she was dumbfounded.

She didn't think that Boss Wu didn't play according to the rules.

"Director Sun, I don't think this Nana girl is suitable for live broadcast on our platform." Wu Tian looked at Sunn Sheng's face and instructed: "Seal her live streaming room."

"Understood, I'll do it right away." After Sunn Sheng answered, he took out his phone and called someone to do it.

Upon hearing this, Nana was so frightened that her face turned black. She quickly begged Wu Tian, "Boss Wu, please forgive me. Give me one more chance."

"You want a chance?"

"Right, give me one more chance."

"I'm sorry, but you won't have another chance in the future."

"Boss Wu, I was really wrong." Nana held onto Wu Tian's arm, shaking it while begging, "I still have an old mother who's sick in my family. My brother still needs me to pay for his school fees. I'm relying on live broadcast to support my family. Please give me another chance ..."

"As I said, you no longer have a chance." Wu Tian was heartless. He didn't give the woman any chance.

This woman's character wasn't good enough. No matter how pitiful she was, he wouldn't sympathize with her.

"You ..."

Na Na still wanted to plead, but when she saw Wu Tian's resolute expression, she swallowed back the words that she wanted to say.

As matters stood, she simply threw caution to the wind and said fiercely: "Aren't you the boss of Seafood TV, what's so great about that?"

"Who I am has nothing to do with you. Scram." Wu Tian waved his hand impatiently. He didn't want to waste his time with this kind of woman.

It was truly shameless for such a woman to slander others when she failed to achieve her goals.

"Whether I f \* ck off or not has nothing to do with you, right?" Nana crossed her arms in front of her chest, purposely provoking him, "This is not your territory, so you don't have to worry about me."

"I'll say it again. Scram." Wu Tian roared. He turned his head and glared at Nana with murderous intent in his eyes.

"I ..."

Nana seemed to be shocked by this aura, and she became too scared to speak.

At that moment, eight bullies rushed forward and surrounded the area.

Nana was so frightened that her neck shrunk. She tightly held her body with both hands and asked with a trembling voice, "What are you guys trying to do?"

"Let's come over and teach Wu Tian a lesson. This has nothing to do with you, get out of here." The leader, a large-eared man, roared impatiently.

Hearing this, Nana heaved a sigh of relief. At the same time, she could not help but gloat as she looked at Wu Tian. "Boss Wu, I didn't expect you to offend so many people. Today you're done for. Just wait and get beaten up."

After Nana said this, she quickly retreated in fright. She retreated to the trash can and hid there to watch the show.

At this moment, she had already taken out her phone, so in a while, she would record the scene of Wu Tian getting beaten up and spread it around, making Wu Tian very infamous.

Just a moment ago, her live streaming room was sealed by Wu Tian, causing her to be filled with resentment. Now, she only wanted to see Wu Tian being ruthlessly bullied.

"Who the hell are you people?" Sunn Sheng stood up from his chair and looked at the eight hoodlums.

The large-eared man waved his hand impatiently and urged, "We're looking for Wu Tian, this has nothing to do with you, hurry up and get out."

## Hidden Billionaire Chapter 309 - Retaliation

### C309 Retaliation

"Whoever goes against Boss Wu is going against me." Sunn Sheng's body straightened as he stood protectively in front of Wu Tian. He shouted with determination, "Today's matter is my decision!"

Hearing this, Wu Tian secretly felt happy and surprised.

He did not expect that at the critical moment, Sunn Sheng would risk his life to fight with him.

He hadn't known Sunn Sheng for long, and their relationship was average as well, just a business partnership.

Unexpectedly, Sunn Sheng was loyal and did not run away alone in the face of danger. Instead, he stood beside Sunn Sheng.

"Since you are courting death, don't blame me for being impolite." After the large-eared man said this, he ordered the hoodlums behind him, "Go together and teach those two a lesson."

"Alright!"

After the hoodlum received the order, he immediately prepared to fight.

"Wait!" Wu Tian stretched out his hand and smiled at those hoodlums, "Before we make a move, can you introduce yourself first?"

He had never seen these hoodlums before, so he naturally did not know who they were and what their motive was.

He guessed that these hoodlums must have been bribed by someone to come over and make a move on him.

"I'm called Zhang jiang, everyone calls me Brother Jiang." The large-eared man patted his chest as he reported his name.

"Brother Jiang, I have no enmity with you, why did you bring people to deal with me?"

"Because you offended someone."

"Who?"

"My woman." After Zhang jiang said this, he turned around and looked at the red BMW on the street.

At this moment, the door of the BMW opened and a young girl in a short skirt strode over.

"Liu Jiao?"

Wu Tian immediately recognized this girl. She was Chen Hao's girlfriend, and they even had dinner together at the Tianhao Hotel.

He really didn't expect that Liu Jiao had brought these hoodlums here.

Zhang jiang walked over and wrapped his arms around Liu Jiao's slender waist. He reminded her lovingly, "Darling, there's a pit under your feet. Slow down."

"Thank you, Brother Jiang." Liu Jiao gave Zhang jiang a kiss on the cheek and let him carry her around with a submissive look.

"Good girl!"

Zhang jiang pinched Liu Jiao's waist and licked his lips greedily, "You are so delicate. I feel so envious and would like to take you on now."

"Brother Jiang, don't worry. We have plenty of time tonight. Let's finish Wu Tian first, then we'll talk." Liu Jiao smiled charmingly as she said this. Then, she lifted her head to look at Wu Tian with eyes full of hatred.

"Alright, I'll help you deal with this kid first." When Zhang jiang said this, he couldn't help pinching Liu Jiao's body a few more times.

Liu Jiao had a face full of enjoyment, but there was also a trace of disgust and disdain in her eyes.

In order to deal with Wu Tian, she did not hesitate to entrust the task to Zhang jiang. Otherwise, how could she fall for this kind of trash?

Liu Jiao suppressed the discomfort she felt and walked up to Wu Tian. She gritted her teeth and said coldly, "Wu Tian, you humiliated me at the hotel. I will beat you up badly later."

"For the sake of dealing with me, you want to be with such a despicable man?" Wu Tian shook his head with a bitter smile and looked extremely disappointed.

To be honest, Liu Jiao had good looks and good figure in every aspect. He never expected her to be so depraved.

"I will definitely punish anyone who dares to offend me." After Liu Jiao had finished speaking, she suddenly changed her tone. "If you say something nice to praise me now, perhaps I might spare your life."

"You're born to be a bitch." Wu Tian said coldly.

What a joke, how could he possibly give in in front of a woman, not to mention that this was a woman without a bottom line.

"Bastard." Liu Jiao was enraged once again as she said hysterically, "I'll let you know the consequences of humiliating me soon. Brother Jiang, help me teach this bastard a lesson."

"Alright!"

Zhang jiang hugged Liu Jiao and took a few steps back. He smiled and comforted her, "You just stand at the back and watch. Be careful not to get covered in blood."

Saying this, he walked closer to Wu Tian and said fiercely: "Brat, you dare to bully my woman. Today, I will let you know my power."

Before he finished speaking, he had already raised his right hand and waved it.

The eight hoodlums received the order and pounced towards Wu Tian again.

"All of you stop!"

At the critical moment, Sunn Sheng stood up once again and said to those hoodlums, "Under broad daylight, do you have any laws?"

Before he could finish, he was punched by Zhang jiang. After letting out a shrill scream, he fell onto the ground.

"Sunn Sheng ..."

Wu Tian rushed forward to support Sunn Sheng's body and asked with concern, "Are you alright?"

"I'm fine." Sunn Sheng shook his head with difficulty and urged Wu Tian, "They have a lot of people, so they didn't come with good intentions. Hurry up and run."

"No!"

Wu Tian gritted his teeth and looked up at those hoodlums, "I can't leave, I can't let you get beaten up for me for nothing."

"But ..."

Sunn Sheng was about to say something, but he was interrupted by Wu Tian, "Don't talk yet. Lie down here and rest. I'll deal with those hoodlums."

He carefully placed Sunn Sheng on the ground, then stood up and faced those hoodlums, "Looks like there's going to be a fierce battle today."

"With your weak appearance, you're not even strong enough to fight." Zhang jiang poked Wu Tian with his finger and mocked, "Why don't you kneel down and apologize to my woman? I'll spare your life."

Wu Tian suddenly took action, grabbed Zhang jiang's arm and broke it into two.

Zhang jiang screamed miserably. He was in so much pain that he wanted to cry.

He didn't think that this brat would dare to sneak attack him. He endured the pain and ordered his subordinates, "What are you guys standing around for? Attack him together and beat him to death."

"Alright!"

The eight hoodlums received the order and pounced towards Wu Tian.

The corners of Liu Jiao's mouth curled up and a gloating smile appeared on her face.

She had been waiting for this moment for a long time. She couldn't wait to see Wu Tian being tortured to death and see if this bastard would still dare to humiliate her.

Nana, who was also gloating and waiting to see a good show, had already switched on her phone to take a photo, ready to record the scene of Wu Tian being beaten into a meat patty.

Wu Tian, on the other hand, was a bit anxious when he saw the eight bullies pouncing towards him like wolves and tigers. However, he did not panic.

With his current strength, dealing with five or six hoodlums was not a problem, but now that he had to face eight hoodlums at the same time, he could not help but find it difficult.

In this situation, he had no other choice but to give it his all. He grabbed the beer bottle on the table and rushed towards the hoodlum.

He raised the bottle and swung it towards one of the hoodlums, directly splitting his head open and causing blood to flow out.

He then kicked over the table, ferociously slamming into the gangsters, causing the other seven gangsters to scatter.

He raised his leg and knocked over the two hoodlums on the right. As he dodged the attack from the left hoodlums, he grabbed a chair and threw it towards the two hoodlums in front of him ...

Wu Tian's speed was surprisingly fast. The more he fought, the fiercer he got.

He knew that he had to seize the opportunity to end this battle quickly and not give his opponent any chance to catch his breath.

## Hidden Billionaire Chapter 310 - Invincible

### C310 Invincible

After a round of free-for-all, Wu Tian became braver the more he fought. His punches and kicks were like a thousand jin of iron as they ruthlessly smashed towards his opponent. He was unstoppable.

Those hoodlums seemed to be intimidated by Wu Tian's ruthlessness and quickly lost their ability to fight. They were so scared that they started to retreat.

Wu Tian did not give them a chance to escape at all. He took advantage of the victory to give chase and charged towards those hoodlums like wolves and tigers.

Under his all-out attack, the eight bullies were all knocked down, falling to the ground wailing like ghosts and howling like wolves, screaming non-stop.

At this moment, the surroundings were already packed with onlookers. Watching Wu Tian beat up eight hoodlums by himself, everyone was amazed.

Liu Jiao was the most surprised on the scene. Never in her wildest dreams did she expect that the weak Wu Tian would be so strong that he could defeat eight bullies barehanded.

She had thought that Wu Tian was a businessman with little skill. She never thought that such a rich boss could be so amazing.

This time, she did not hesitate to exchange her body for Brother Jiang's eight hoodlums to teach Wu Tian a lesson.

She had expected him to be beaten into a meat patty, but the result was the opposite.

Not only was this kid not hurt, he even beat up the eight hoodlums until they were covered in wounds.

Seeing this scene, her heart was filled with mixed emotions.

Nana was also surprised. She was originally hiding in the dark to watch the show, waiting to see Wu Tian get beaten up. She even took out her phone to record the video.

However, when she saw that Wu Tian was effortlessly and continuously attacking the eight hoodlums, she was completely shocked.

When she saw Wu Tian defeat eight hoodlums with such a strong aura, she was even more shocked.

She never thought that Seafood TV's owner's martial arts would be so formidable.

To be honest, she had never seen such a powerful man in her life.

From the looks of it, Wu Tian was not only the rich boss, he was also a powerful figure.

At this moment, she looked at Boss Wu with a completely different and profound gaze. There was worship in her eyes, and most of it was fear.

Not expecting that she would accidentally provoke such a formidable figure, her body swayed, and she immediately turned around to flee.

If only she knew that Boss Wu was such a powerful master, she wouldn't have dared to offend him even if she had 10 guts.

Since Boss Wu wasn't paying attention, it was more important for her to escape now, lest Boss Wu tear her into pieces.

Sunn Sheng was also surprised. He did not expect Boss Wu to be so powerful.

He was worried that Boss Wu would be beaten to death, but now he realized that this worry was unnecessary.

Boss Wu's shocking and terrifying skills had really broadened his horizons.

He didn't know that such a delicate and tender Wu Tian could have such powerful martial arts. It was indeed surprising.

After witnessing Wu Tian's prowess, he was even more impressed.

"Hu!"

Under the watchful eyes of the crowd, Wu Tian secretly let out a sigh of relief. He walked in front of Zhang jiang and said, "You have lost."

This was the first time he had faced so many fighters. To be able to achieve victory was not easy. It seemed that the effect of training in this period of time was very good, and his martial arts skills had increased by a lot.

"You ... You, who exactly are you? " Zhang jiang asked with his mouth trembling. At this moment, his eyes were filled with fear and unease when he looked at Wu Tian.

He had been in the Luzhou for more than ten years and had never met someone as strong as Wu Tian. At this moment, he couldn't help but feel guilty.

"I'm someone you can't afford to offend." After Wu Tian said this, he raised his leg and viciously kicked Zhang jiang in the abdomen, sending the kid into a complete tumble.

He wasn't done yet, he rushed forward again and grabbed Zhang jiang's arm to break it.

With a crisp sound, Zhang jiang's right arm was also broken. He was in so much pain that cold sweat started to roll down his forehead.

Wu Tian gave Zhang jiang a kick and waved his hand impatiently. "Get out of here, don't let me see you again in the future."

"Wu Tian, I'll remember you." Zhang jiang crawled up from the ground in pain and shouted in a low voice, "Today's matter is not over, let's wait and see."

After roaring out these words, he fled the area in a sorry state.

Those hoodlums also followed and fled.

"Cool ..."

After the hoodlum left, the surrounding crowd spontaneously raised their hands to applaud. They all applauded Wu Tian's brilliant performance.

Wu Tian couldn't be bothered with the crowd. He walked up to Liu Jiao and said, "You think you can hit me just because you found a few trash to help you?"

"I ..."

Liu Jiao's body shrunk and she retreated a few steps back in fright.

At this moment, she looked at Wu Tian as if he was a monster, all the pores on her body stood up.

To be honest, she had never been as timid as she was now. Only now did she know that she had offended a man that she shouldn't have.

The man in front of her was not only wealthy, but his martial arts were also powerful. He was definitely someone she couldn't afford to offend.

"Get lost!" Wu Tian's eyes turned cold as he warned, "If there is a next time, don't blame me for being ruthless."

"Eh!" Liu Jiao swallowed a mouthful of saliva and turned around to flee in fright.

Meeting Wu Tian was like a nightmare for her. She only hoped that she would never see this man again.

After Liu Jiao left, the passersby also dispersed.

A few of the beauties also ran over to ask for Wu Tian's phone number.

Wu Tian pursed his lips into a smile and tactfully rejected those girls. He walked over to help Sunn Sheng up from the ground and asked with concern, "How are your injuries?"

"Just a small wound, no big problem." Sunn Sheng straightened up and couldn't help but exclaim, "Boss Wu, I really didn't know that you were so powerful at such a young age."

"It's nothing. It's only because I've been training hard recently that I can have my current strength." Wu Tian stretched his limbs.

He had been training very hard recently, and his improvement was also very clear. With his current strength, dealing with eight or nine bullies was not a problem.

"A person as rich as you can still work so hard to cultivate. Truly admirable." Sunn Sheng bowed deeply to show his respect.

"Thank you."

Wu Tian hurriedly held Sunn Sheng's body and said gratefully, "Thank you for defending me this time, thank you!"

"I didn't help much." Sunn Sheng scratched his head awkwardly.

To think that he even ran over to protect Wu Tian before. This was simply playing with a big knife in front of Guan Gong, it was really funny just thinking about it.

"If it was anyone else, I'm afraid they would have already escaped. Only you would have come out to protect me." Wu Tian patted Sunn Sheng's shoulder and said with a serious tone, "From now on, we are brothers. We share good fortune and bad luck."

Previously, he was only a business partner with Sunn Sheng. After this experience, he clearly saw Sunn Sheng's character. This person was worthy of deep contact.

"Thank you, Boss Wu, for thinking so highly of me. I'll follow you from now on." Sunn Sheng extended his right hand to grasp Wu Tian's hand.

During this period of interaction, he had witnessed Wu Tian's ability. Wu Tian was outstanding in all aspects, so he would definitely have great achievements in the future.

"We're brothers from now on, cheers!" Wu Tian opened two bottles of beer and handed one to Sunn Sheng.

Sunn Sheng took the beer and gulped it down to his heart's content.

He could tell that he was happy to be friends with Wu Tian.
