

Hidden Billionaire / C31 He Is Our Boss

## **C31 He Is Our Boss**

Wu Tian did not speak anymore and directly drove Shen Xue to the Huiyue Restaurant.

It was not yet time to eat, so there were not many customers in the restaurant, but it was still more crowded than the other neighboring restaurants. The moment the two of them walked to the door, Manager Chen Gang brought the waiters over to greet them. They bowed in unison and greeted each other, "Hello, Boss!"

"Huh?"

Shen Xue was startled, as she thought that the other party was talking to her. She quickly waved her hands to deny it. "You've got the wrong person. I'm not your boss."

"You're not our boss, but Mr Wu who is beside you, is our boss." Chen Gang pointed at Wu Tian and introduced with a smile.

"Him?"

Hearing this, Shen Xue was even more shocked. She looked at Wu Tian, then her gaze landed on the manager's face and asked in disbelief, "You're saying he's your boss?"

"Yes, it's our boss."

"F \* ck!" Shen Xue didn't know whether to laugh or cry as she looked at Wu Tian, as she exclaimed, "Why is this restaurant yours too?"

Originally, she had wanted to find an unfamiliar but nice restaurant so that they will not be disturbed by others, but who would have thought that the Huiyue Restaurant was also Wu Tian's business.

Why were the two most greatest restaurants in Luzhou "dominated" by Wu Tian?

"I thought this restaurant was developing well, so I bought it." Wu Tian scratched his head and explained with a smile.

"Oh!" Shen Xue didn't know whether to laugh or cry as she bit her lips, unsure of what to say.

Chen Gang made a welcoming gesture and quickly curtsied, "Boss, Lady Boss, please come in."

He only dared to call them that because of their relationship.

Shen Xue blushed from his words, and retorted, "Stop speaking nonsense. I'm not your Lady Boss."

"The boss has never brought a girl to a restaurant before. You're the first one." Chen Gang was quite good at speaking.

"Is that so?" Shen Xue sneaked a glance at Wu Tian and felt a sweetness in her heart.

Wu Tian coughed dryly and said to Chen Gang, "Don't misunderstand, Miss Shen is my friend, let's

have a casual meal here."

"Yes, please take a seat. I'll go prepare the dishes immediately." Having said so, Chen Gang instructed the waiter behind him to prepare a feast. In the end, Wu Tian interrupted them with a cold voice: "Don't be so grand. We are just regular customers today. If we see you □attering us again, you better be careful ..."

Before Wu Tian could finish his sentence, he made a gesture of swiping his neck.

Chen Gang was so scared that he hurriedly lowered his head and said, "Mr Wu, I was wrong. I know what to do. Please come in."

"Let's go!" Wu Tian stared at Chen Gang and brought Shen Xue into the restaurant. They found a seat and sat down. After ordering the dishes, they started to chat.

Chen Gang and the restaurant waiter were quite tactful. They treated the two of them as ordinary customers and did not take special care of them. While the two of them were happily chatting, Shen Xue's expression abruptly darkened. With a bitter face, she asked, "Did that guy follow us again?"

Wu Tian turned around and saw Liang Jun walking into the restaurant. This brat must have followed his Red Flag car here.

"His skin is even thicker than mine." Wu Tian softly muttered as he rubbed his chin.

"Hey, you have to continue pretending to be my boyfriend." Shen Xue leaned her head over and whispered.

"No problem." Wu Tian nodded and tried asking: "Do you want to do something that a couple should do?"

"What?"

"Give me a kiss."

"Go to hell, don't even think about it." Shen Xue rolled her eyes and kept a safe distance, afraid that Wu Tian would take advantage of her.

While the two of them were whispering to each other, Liang Jun had already walked over and sat down on the seat beside them.

"Boss Liang, why are you here again?" Shen Xue rubbed her arm and looked at Liang Jun in annoyance.

"Miss Shen, I'm just worried that you've been tricked by someone. I'm here to see you." After Liang Jun said that, he turned around and looked at Wu Tian, "I suspect that this kid is a liar. His car was probably rented, and is meant to trick pretty girls." He did suspect that Wu Tian rented the 6 million car. After all, with this brat's clothes and taste, no matter how he looked at it, he didn't seem like a rich person.

Even if the car wasn't rented, he still had to find a way to slander Wu Tian and ruin his image in Shen Xue's eyes.

"You don't need to care about the matter between me and Wu Tian, just go away." Shen Xue rolled her eyes at Liang Jun as she urged him on in a slightly irritated manner.

"Miss Shen, after all, we are friends. It will it be alright for us to have a meal together, right?"

For a moment, Shen Xue really couldn't think of any reason to chase him away.

No matter what, Liang Jun was a friend of her friend, so it wasn't good for her to refuse his gesture.

At this moment, the waiter brought the dishes to the table.

Shen Xue didn't say anything else. She picked up her chopsticks and began to eat. She just wanted to finish this awkward lunch as soon as possible.

"Miss Shen, I heard that you especially like the taste of this restaurant. Do you often come here to eat?" Liang Jun asked out of boredom., his face still maintaining a gentleman's smile from beginning to end.

"Yes." Shen Xue lightly nodded.

"As long as you like it, I will make it yours." Liang Jun shook his sleeves, raised his head and said, "I plan to invest in this restaurant."

Then he snapped his fingers at the waiter: "Call your manager over, I want to invest in your restaurant."

"This ..."

The waiter looked at Wu Tian and saw that he didn't say anything, so he obediently left.

He quickly called over the manager, Chen Gang. Chen Gang glanced at Wu Tian and said to Liang Jun with a smile, "Sir, I'm really sorry. Our restaurant is not short on money."

Liang Jun took out his bank card and threw it onto the table. He shouted in a rich and overbearing manner, "Here's 5 million, I only want 30% of the shares in the restaurant."

This time, he was risking everything make Shen Xue's touched, and at the same time, let Wu Tian see his strength.

Wu Tian and Shen Xue looked at each other without saying anything, as if they were watching a clown performing a show.

"Sorry, this is a very important matter. You need to discuss it with our boss." Chen Gang's tone was rather polite.

He couldn't figure out the relationship between the man in front of him and his boss, so he didn't dare to offend him.

"Then why are you still wasting time? Go and get your boss." Liang Jun had already made up his

mind to invest.

Not only did he invest everything he had this time to move Shen Xue, he also thought highly of Huiyue Restaurant.

Huiyue Restaurant was a high-quality asset, with a yield that was five times higher than his trading company's.

"Are you sure you want to see our boss?" Chen Gang glanced at Wu Tian again, as if he was waiting for a hint.

However, Wu Tian didn't give him any response and remained indifferent.

"Of course, go and get your boss." Liang Jun no longer had any patience, his tone sounded slightly anxious.

"There's no need to look."

Chen Gang walked over and pointed at Wu Tian as he introduced: "This is our Huiyue Restaurant's boss."

He really couldn't deal with such a situation by himself, so he could only hand it over to the boss.

"What the hell? Say that again?" Liang Jun didn't seem to hear it clearly.

"Mr Wu Tian is the boss of our Huiyue Restaurant." Chen Gang repeated himself.

His tone was serious, his speech clear and without the slightest ambiguity.
