### C311 Three Great Beauties

Wu Tian and Sunn Sheng continued to drink and chat about the details of the live broadcast ceremony. Only after that did the two of them disperse.

On the way home, Wu Tian called Jiang Wan and asked him to fully support and cooperate with Sunn Sheng in setting up the stage for the live broadcast ceremony on the commercial street.

When he returned home, he found Shen Xue cooking in the kitchen. Su Ruyun and Loong Yun were actually helping her in the kitchen.

It was really an accident. He did not expect that a violent female police officer and an ice-cold female secretary would both become Shen Xue's helpers.

It seemed that the power of delicacies was indeed great. It was able to pull these three women, with completely different personalities, together.

"Good evening, beautiful ladies." Wu Tian walked into the kitchen and waved to the three women.

"Then tell me, which one of us is the most beautiful?" Shen Xue raised her head and looked at Wu Tian. She couldn't help but ask this question.

"All three of you are beautiful." Wu Tian pinched his chin, glanced at San leading actress, and began commenting, "Chef Shen is pretty smart, pretty and playful. Police Officer Su is pretty charming and wild, just that her temper is a little big. Secretary Loong is sexy and hot, with a big butt, but a little cold."

"Pfft, heheheh ..."

After listening to her evaluation, Shen Xue giggled. Her laughter was so beautiful that it was almost like flowers were blooming in the air. It was extremely coquettish and flirtatious.

Obviously, she was quite satisfied with her evaluation.

On the other hand, Loong Yun was frozen on the spot like a log after hearing Wu Tian's words. She stared at Wu Tian with a weird expression.

She was very surprised as she didn't expect the young master to say that she had a big butt. She really didn't know if the young master was praising or insulting her.

Su Ruyun was the one who was the most dissatisfied. She said that she had a bad temper and immediately retorted, "Bastard, who do you think has a bad temper?"

"I said you had a temper." Wu Tian licked his lips and laughed in a ruffian manner: "You're just like a wild horse, you need to find a man to ride on your back to be able to tame ..."

"Bastard, you're courting death." Su Ruyun could not bear this humiliation and threw the tomato in her hand at him.

"F \* ck!"

Wu Tian was so scared that his neck shrunk and he quickly dodged the attack. At the same time, he reprimanded her, "Police Officer Su, this is food, why are you wasting it?"

"Bastard, I'll beat you to death." Su Ruyun didn't care that much. She even threw the roast beef at him.

Wu Tian stretched out his hand, grabbed the beef and started to eat it. He praised the meat endlessly, "It's tender, even more tender than Police Officer Su's meat. It's so delicious."

"You are courting death." How could Su Ruyun endure such humiliation? She picked up the kitchen knife and pounced towards Wu Tian.

Shen Xue was already stupefied. She did not expect the two of them to start a fight the moment they started arguing in the kitchen.

Seeing Police Officer Su make a move, Shen Xue also became nervous. She quickly reminded Wu Tian, "Hey, be careful!"

"F \* ck!"

Seeing that this bitch was serious, Wu Tian threw away the beef and ran out of the kitchen with a speed even faster than a rabbit.

Su Ruyun didn't want to give up so easily. She took her kitchen knife and chased after Wu Tian all the way into the bedroom before she stopped Wu Tian. She brandished the knife and scolded, "Smelly hooligan, watch me chop you to death today."

"Police Officer Su, beautiful lady Su, let's talk this over. It's not proper to use force and force." Wu Tian raised his hands and tried to please her.

"Bastard. Who asked you to tease me? If you slap yourself twice, I'll spare your life."

"How?"

"Pull with your hands."

"Is that so ..." Wu Tian raised his right hand and pretended to slap his own face.

Just as he was about to lash out, he suddenly leaped and pounced towards Su Ruyun, pouncing her onto the ground.

"Suction!"

Wu Tian sniffed and joked, "Beauty Su, your body smells really good. Are you a virgin?"

"Bastard! Shameless bastard! How dare you sneak attack me?! Let me go!" Su Ruyun twisted her body and struggled desperately.

However, she was completely suppressed by Wu Tian. No matter how hard she tried, she couldn't get rid of this cumbersome body.

"Don't move." Wu Tian directly sat on Su Ruyun's body and pressed both of her arms with his hands. He smiled and said, "You are making me uncomfortable by moving around like this."

"Bastard, let go." As expected, Su Ruyun quieted down, her face slightly blushing.

She found that this twisting was indeed inappropriate. The intense contact between her body and Wu Tian made her body feel hot, as if an ant had crawled past her.

"Do you know you're wrong?" Wu Tian's smile was always so bright.

"Bastard, let go."

"Do you dare to throw food around in the future?"

"Bastard, let me go."

"Do you dare to hack at me with your sabre in the future?"

"Shameless bastard, let me go."

"If you don't admit your wrongs, I'll teach you a lesson." After saying that, Wu Tian took the kitchen knife from Su Ruyun's hand and slightly slashed at Su Ruyun's chest.

With this cut, he directly cut open the button on her shirt.

"Bastard, bastard, I'll kill you ..." Su Ruyun was extremely humiliated and furious as she twisted her body to struggle with all her might.

"Police Officer Su, I didn't expect your figure to be so good." Wu Tian's eyes almost popped out as he stared at Su Mei's body and swallowed his saliva.

"Beast, beast, scram!" Su Ruyun continued to shout and curse.

However, this curse had no effect.

Fortunately, Shen Xue ran over in a hurry. When she saw the scene in front of her, her eyeballs nearly popped out of their sockets.

Who would have thought that Wu Tian would be so shameless as to cut off Su Ruyun's clothes and then sit on the stage so blatantly as if he was a hooligan.

"Shameless!"

Shen Xue cursed angrily and ran over to push Wu Tian away, saving Su Ruyun.

"Bastard, I'll kill you." After gaining her freedom, Su Ruyun grabbed her kitchen knife and prepared to make her move again.

"Sister Su ..."

Shen Xue hurriedly grabbed onto Su Ruyun's arm and reminded her urgently, "You should go back to your room and change first."

"Ya!"

Only then did Su Ruyun remember that she was naked. She was so scared that she quickly covered her body with her hands and glared viciously at Wu Tian. "Rascal, you beast, you're shameless."

After scolding her, she hugged her body and fled.

"Wu Tian, you, you, you ..." "You actually ..." Shen Xue stomped her feet angrily as she walked in front of Wu Tian without saying a word.

When she thought about how smelly Wu Tian recklessly took advantage of Police Officer Su, she got angry.

How could there be such a shameless man in the world, taking advantage of the situation and acting so righteously, and even slicing open someone's clothes?

"What's wrong with me?" Wu Tian touched his thick skin and asked with a smile.

"You're shameless." Shen Xue left the room in a huff after swearing those three words.

"Hehe!"

Wu Tian grinned and muttered to himself, "I am indeed very shameless."

He didn't know why, but every time he met Police Officer Su, he couldn't help but want to take advantage of her.

However, his actions just now were too excessive. No wonder Police Officer Su and Chef Shen were so angry.

The beautiful Su Mei looked pretty angry, but Xue's jealous look was just as tempting.

## Hidden Billionaire Chapter 312 - Someone Is Angry

### C312 Someone Is Angry

Wu Tian cleaned up the room. When he walked out of his bedroom, he saw Su Ruyun, who had changed her clothes, sitting in the living room sulking.

"You scoundrel, I'll kill you ..." When she saw Wu Tian, Su Ruyun bared her fangs and brandished her claws as she prepared to attack.

As a police officer, she felt annoyed at being taken advantage of by a rogue.

"Sister Su."

Shen Xue grabbed onto Su Ruyun's arm and tried to persuade her, "You are not his match. If you go up like this, you will only end up suffering. I think it's better not to do so."

She didn't want to see Wu Tian take advantage of Police Officer Su, so when she thought about their intimate actions just now, she couldn't help but feel angry in her heart.

"Am I to be taken advantage of by this bastard for nothing?" Su Ruyun gritted her teeth in frustration. She wanted to bite Wu Tian to death.

"If you go up now, you'll be at a disadvantage. How about we think of another way in the future?"

"Alright then!" Su Ruyun rolled her eyes a few times and nodded in agreement, "When he's not paying attention, just watch how I kill him."

She threw him a hard look and turned to walk back to the bedroom.

"That... Sister Su, aren't you eating? "

"I'm so angry I'm full. I won't eat anymore." Before she finished her sentence, Su Ruyun had already locked the door.

"Good night!" Shen Xue smiled embarrassedly. She turned her head to look at Wu Tian and lectured, "Police Officer Su came to your house to protect you. She's still a guest. How can you treat her like this?"

"Look at how dangerous she looks." Wu Tian said with a righteous tone, "I'm just trying to teach her well so that she won't go further on the wrong path."

"Then you still can't take off her clothes?"

"I didn't take it off. I accidentally cut her clothes open."

"You weren't careful?"

"Right."

Shen Xue snorted softly and snappily said, "You obviously did that on purpose, and you still have the nerve to say that you were careless?"

"You are shameless and vulgar."

"Xue, I didn't draw your clothes, so why are you so angry?"

"I ..." Shen Xue bit her lips, momentarily unsure of how to respond.

"Are you jealous?"

"Who the hell would be jealous of you." Shen Xue raised her leg to kick Wu Tian, then turned around and walked angrily towards the bedroom.

"You're not cooking anymore?"

"I won't do it." Shen Xue left these words and went into her bedroom to lock the door.

Wu Tian cursed and turned his head to look at Loong Yun. He ordered, "Secretary Loong, help me clean up the kitchen. I'm going to read some books."

With that, he turned around and entered the study.

As long as he entered the study, he would be able to forget all his troubles and wholeheartedly devote himself to his studies.

He read two financial books, and then went through the records of the world that he had read before.

He did not go to bed until eleven o'clock at night.

He got up early the next day before 6 o'clock. After a simple wash, he started to practice martial arts together with Azure Dragon.

He had recently learned a new set of moves, and he needed to diligently and diligently train in it. He had to master this new set of fist technique as soon as possible and use it as soon as possible.

While he was practicing martial arts, he saw a figure sneaking around outside the door. He thought it was Secretary Loong, but then he realized it was Su Ruyun who was hiding outside the door.

What was this woman doing, hiding outside the door?

Wu Tian maintained his composure and kept practicing martial arts. However, his vigilance was raised.

That's right, Su Ruyun was hiding outside the door right now.

Originally, she wanted to hide in the dark and attack Wu Tian from the shadows without noticing when he went out.

However, she quickly found out that Wu Tian was working hard in his room. His seriousness was beyond her expectations.

She had never thought that someone as rich as him could spend so much time and energy on his cultivation.

No wonder this kid was so strong. It seemed that he had trained hard countless times to be as skilled as he was today.

For a moment, she couldn't help but admire Wu Tian.

Don't look at how this fellow was always smiling like a rascal. From time to time, he would play the part of a rascal on her. But when he got serious, he looked quite charming.

Just as she was hiding outside the door in a daze, a shadow flashed in front of her eyes, followed by a gust of strong wind blowing towards her.

By the time she wanted to dodge, it was already too late. A palm quickly struck towards her chest. It wasn't too fast, but it was incredibly fast.

Su Ruyun cried out in pain and retreated a few steps back.

When she came back to her senses, she found Wu Tian looking at her with a smile that was not a smile. She asked with a smile, "Police Officer Su, does it hurt?"

"You're shameless!" Su Ruyun cursed angrily while clutching her chest.

That strike just now wasn't aimed at her, but was a naked tease.

"I don't know if it hurts or not, but my hands do hurt a little." Wu Tian swung his arm and pretended to be in pain.

"You ..."

Su Ruyun's eyes were wide open as she almost died from anger.

This fellow took advantage of her, and in the end, he even claimed that his hand was painful. He truly was shameless.

"Police Officer Su, what are you doing sneaking around here?" Wu Tian put away his smirk and said seriously: "You can't be trying to sneak attack me, right?"

"So what?" Su Ruyun gritted her teeth in anger.

Since she was seen through, she didn't want to hide it anymore.

"You didn't succeed, and instead got taken advantage of by me." When Wu Tian said this, he couldn't help but laugh out loud.

"You ..."

The corner of Su Ruyun's mouth twitched from anger. After a long while, she finally managed to utter two words, "Rascal!"

Having scolded her, she turned around and left in a huff.

Just as Su Ruyun left, Shen Xue ran over. Her brows were knitted in doubt. "It's still so early in the morning, why is Sister Su so angry?"

"That woman was planning to ambush me earlier, but ended up being taught a lesson by me." Wu Tian explained with a smile.

"You're taking advantage of her again?"

Wu Tian smiled without saying a word.

Normally, he rarely took the initiative to attack girls, but whenever he saw Su Ruyun, he couldn't help but want to teach her a little bit.

"You hooligan!"

Shen Xue rolled her eyes. She looked at the time and asked, "What's up with you?"

"I have nothing else to do. I'll go to school after breakfast."

"Then send me to the restaurant later."

"No problem."

"I'll go wash my face first." Shen Xue threw down these words, turned around and went into the washroom.

After washing up, Uncle Fugui drove Shen Xue into Fuyuan Restaurant and then brought her to school.

As soon as he entered the classroom, he received a call from Lee Mu saying that the company was surrounded by a group of hoodlums.

He got the call and hurried out of the classroom.

He was at the top of the stairs, bumping into Mu Ran's teacher. Perhaps his speed was too fast, and Teacher Mu was directly knocked down.

## Hidden Billionaire Chapter 313 - I Don't Know Whether to Laugh or Cry

C313 I Don't Know Whether to Laugh or Cry

"Teacher Mu, are you alright?" Wu Tian hurried forward to help Mu Ran up as he asked in concern.

"Hiss ..."

Mu Ran used her hands to hug her body, her eyebrows slightly knitted. It was so painful that she sucked in a few breaths of cold air.

Seeing Teacher Mu's pained expression, Wu Tian couldn't help but ask anxiously, "Teacher, didn't your butt hurt?"

"No." Mu Ran raised her head and slightly rolled her eyes at Wu Tian. Her eyes were filled with hidden bitterness.

"Then where the hell are you in pain?"

"I ..." Mu Ran bit her lips in embarrassment and swallowed the words that were on the tip of her tongue.

Some of the pain can only be understood, can't be explained, those parts really can't be described in words.

"Isn't it?" Wu Tian pointed at Teacher Mu's body and asked.

"Pah!"

Mu Ran patted Wu Tian's arm and scolded him softly, "Brat, you're shameless. Where are you pointing at?"

"I'm sorry!" Wu Tian was so scared that he quickly retracted his hand.

It seemed like he ran too fast and hurt Teacher Mu's body. No wonder Teacher Mu blushed all of a sudden.

"Student Wu Tian, we're going to class soon, where are you going in such a hurry?" Mu Ran asked in a low voice while enduring the pain.

"The dog my family fed is about to die, I'll go back and take a look."

"Dog?"

"Right." Wu Tian nodded forcefully and pretended to be sad: "My Maomao is my most beloved dog. He just got sick and he's going to die. I want to go home and take a last look at him. "

He already knew that Teacher Mu was a dog lover and wanted to take advantage of Teacher Mu's sympathy to skip class for a day.

However, this lie was quickly seen through by Mu Ran.

"I've been to your house before. It seems like you don't have a dog." Mu Ran raised her eyebrows in doubt.

"I only raised it yesterday."

"It was raised yesterday, but it became sick today?"

"Right."

"Alright, I'll go with you. I just happen to know some ways to take care of your dog, so I can help you."

"Ah, there's no need. I can handle it by myself."

"I must go with you today." Mu Ran pulled at her hair and urged, "Let's go. Lead the way."

"This ..." Wu Tian was completely dumbfounded. He didn't expect Teacher Mu to go with him.

Seeing that the matter was about to be exposed, he could only be frank and open. "Teacher Mu, to be honest, I'm joking with you. I don't have a dog in my house, but I'm friends' dog ..."

"Make it up, continue making it up."

"Then I ..."

"I want to see how long you can lie." Mu Ran seemed to have seen through Wu Tian as she said angrily, "Classmate Wu, this isn't the first time you've lied to me, right?"

"I ..."

"You said your relative passed away and took a few days off. I investigated and found that none of your relatives died."

"Huh?" Wu Tian was completely dumbfounded. He never thought that Teacher Mu would secretly investigate him.

Now that he had lost Teacher Mu's trust, it would be difficult for him to lie in the future.

"Classmate Wu, I didn't expect you to keep deceiving me. You have truly disappointed me." Mu Ran gritted her teeth angrily, her eyes filled with disappointment.

"Teacher Mu, I'm sorry. I didn't mean to deceive you. I just ..." Wu Tian scratched his head, not knowing how to explain it to Teacher Mu.

"Tell me, what do you want to do?"

"Something happened at the company and I have to rush over to take care of it."

"Is the company more important or is studies more important?"

"The company is my hard work, and studies are my foundation. Both are very important, but ..."

"Since you know that studying is important, then there's nothing to say." Mu Ran pulled up her hair at the edges of her ears and said with an air of arrogance, "Hurry back to class."

"I'm really in a hurry right now."

"With me here, you can forget about going anywhere."

"I ..." Seeing Teacher Mu being so stubborn, Wu Tian knew that it was useless to plead with her right now.

If he didn't take care of the company right now, he wouldn't be in the mood to learn.

It seemed that he could only get rid of Teacher Mu through some underhanded means.

Thinking about this, Wu Tian took the initiative to change the topic and asked Teacher Mu, "Teacher Mu, I just bumped into you, are you still in pain?"

"No ..." "It doesn't hurt." Mu Ran blushed as she subconsciously covered her body with her hands.

Originally, she had forgotten about the pain. However, after Wu Tian asked her about it, she realized that it was still hurting. It didn't feel good at all.

"As long as it doesn't hurt." Wu Tian nodded and then changed his tone, "Teacher Mu, if our classmates knew that you were hit by me, how would they feel?"

"What do you mean?"

"If you dare to return to the classroom now, I'll apologize to you in front of everyone and tell everyone that you've been hit by me." Wu Tian shamelessly said.

There was no helping it, he could only come up with this plan at the moment. Otherwise, it would be very difficult for him to escape.

"Wu Tian, are you threatening me?" Mu Ran was so angry that the corner of her mouth twitched, and her face darkened.

"I suggest teacher to give me half a day off. That way, no one would know about the matter where I bumped into the teacher."

"You ..."

Mu Ran trembled with anger. She gritted her teeth for a long time before she finally gave in and said, "Forget it. I'll give you half a day off."

At the moment, she had no other choice. If her classmates knew that she was hit by Wu Tian, it would definitely cause criticism.

In order to preserve her dignity and reputation, she had to compromise.

"Thank you, Teacher Mu."

"Let's go, let's go." Mu Ran waved her hands impatiently. She really had no choice when faced with such a thick-skinned student.

"Then I'll be going. Goodbye, Teacher Mu." Wu Tian waved his hand and quickly left.

"This little rascal is getting more and more presumptuous." Mu Ran cursed silently. She looked at Wu Tian's back and didn't know whether to laugh or cry.

She didn't know why she had to tolerate Wu Tian.

With her indulgence, this kid was becoming more and more presumptuous and lawless.

She lowered her head to look at her body that had been hit. Her face was red for some reason as she walked towards the classroom with a complicated mood.

As for Wu Tian, he hurriedly left the classroom and asked Uncle Fugui to send him to Tianmu Corporation.

When he rushed to the company lobby, he found it in a state of chaos. The employees were also confused and lost in their own thoughts.

Lee Mu, Yuan Wangchun and the rest were all anxious as they circled around the company. When they saw Wu Tian, they hurriedly surrounded him.

"Boss Wu, not good, something big has happened." Lee Mu's expression was flustered, and his face was even a bit pale.

"Don't be in such a hurry, speak slowly. What happened?" Wu Tian asked anxiously. From the looks of it, he knew that the situation wasn't good.

"Just now, a group of hoodlums rushed in, clamoring that they wanted to find you, and after rummaging through the company, they stole some of the company's computers and documents. The key is, those computers have the backup documents of the new system, if Wan First Class goes out, our company will suffer a fatal loss." Lee Mu briefly told them what happened.

After hearing this, Wu Tian secretly fell into deep thought.

After a long while, he looked up at Lee Mu, "Who are those hoodlums? "Why do you want to rob the company's computers?"

## Hidden Billionaire Chapter 314 - Emergency Situation

### C314 Emergency Situation

"Those people seem to have a grudge with you, the one in the lead is called Brother Jiang." After a moment of contemplation, Lee Mu gave such an answer.

"Brother Jiang?"

Wu Tian immediately thought that the person who came to cause trouble was Zhang jiang, who was bullied by him yesterday at the North Gate Gully's Barbecue Street.

Last night, he and Sunn Sheng were drinking at the barbeque street, but Liu Jiao brought Zhang jiang to look for trouble. Wu Tian didn't say anything and knocked over all the hoodlums and broke both of Zhang jiang's arms.

He thought that this matter was over, he didn't expect Zhang jiang to come to the company and move away the computer and documents.

Computers and documents were useless to these hoodlums. To put it bluntly, they wanted to take the opportunity to take revenge.

"Boss Wu, you know those hoodlums?" Yuan Wangchun, who was at the side, could not help but interrupt.

"I know them. I have some conflicts with them." Wu Tian then asked, "Why did those hoodlums steal the computer?"

"When the hoodlums came here, many of our employees were protecting their computers and documents. The hoodlums definitely thought that those things were quite valuable, so they took them."

"Did they say anything before they left?"

"When they left, they left a message saying that they wanted a computer and documents. They wanted you to go to the Rose Club. If you call the police, send out the documents on the computer."

"Rose Club?" Wu Tian squinted his eyes.

He had heard of the Rose Club before, this was Bai Shatang's base.

When Bai Sha Tang's name was mentioned, everyone knew about it. This was one of the biggest powers in the east city, and countless people were afraid of it.

"Boss Wu, I heard that the Rose Club is related to the Liu Iron Tang ..." Yuan Wangchun was also unsure. However, it was clear from the tone of his voice that he was somewhat guilty.

"That's right."

Wu Tian nodded vigorously and confirmed, "The Rose Club is Bai Shatang's base."

"What?"

Hearing this, everyone, including Lee Mu, trembled slightly with fear.

Hearing the two words "Bai Sha Tang", the first thing that came to their mind was that he was cruel, cruel, and evil. This organization was even scarier than the devil.

"Ah!

Lee Mu swallowed his saliva and tried asking, "Then what do we do now? Should I call the police? "

"We can't report this to the police. If we push them too far and our system structure is leaked out, we will suffer heavy losses."

"Then what should we do?"

"Don't worry, let me think." Wu Tian fell into deep thought.

The Bai Shatang he encountered this time was very powerful. They had developed their Luzhou for dozens of years, and had long ago developed their strength.

With just his own strength, it was difficult for him to subdue it.

Right now, he could only use his family's power to pressure Bai Shatang and think of ways to force them to hand over those computers.

Thinking of this, he took out his phone and dialed Loong Yun's number, asking, "Secretary Loong, have you heard of Bai Shatang?"

"Of course I've heard of it. Why did young master suddenly ask about it?" On the other end of the phone, Loong Yun's tone was still cold.

"I had a conflict with Bai Shatang."

"Master, you mean we should use the family's power to eliminate Bai Shatang?"

"No!"

Wu Tian shook his head and said into the phone, "Right now, it won't do us any good to eliminate such an organization."

Learning from his previous lesson, this time, he didn't want to eliminate Bai Shatang.

At that time, his Dragon Tiger Hall and the Huang Family were on the verge of death, and in order to protect Elder Sister Lan, he had no choice but to destroy the Dragon Tiger Hall.

It was only later that he found out that killing one thousand enemies had cost him three hundred. Even though his Dragon Tiger Hall had been permanently destroyed, it had also caused the power of Wu Family to suffer a few small losses.

This time, he decided to change his strategy and try his best to tame it. He didn't want to use a total annihilation as his main tactic.

"What does Young Master want me to do?" Loong Yun's voice came through the phone again.

"Use your family's influence and think of a way to restrain Bai Sha Tang." Wu Tian looked up at the window and spoke into his phone, "I'll go negotiate with Bai Shatang. If we can negotiate, we can negotiate. If we can't, we can then destroy them."

"Alright, I'll do it right away. Does Young Master have any other arrangements?"

"Secretary Loong, I suddenly want to hear you act like a spoiled child."

"Ugh ..." There was a brief silence on the other end of the line.

Loong Yun might not even have dreamt that the young master, who was acting all serious a moment ago, would make her act so coquettishly on the phone.

After a slight pause, Loong Yun replied coldly, "I'm sorry, I can't act coquettishly."

"You're a woman, yet you don't know how to act like a spoiled child?"

"Right."

"Woman, you've really failed." Wu Tian sighed and hung up.

When he looked back, he saw that all the employees were staring at him, their faces filled with incredulous surprise.

It seemed like the employee had heard his flirting with Secretary Loong on the phone.

"Cough, cough!"

Wu Tian coughed a few times to break the awkward silence. He instructed Lee Mu, "Bring everyone back to their positions and continue working."

"Then what about our computers?" Lee Mu is still worried about the computer.

"I'll handle this." Wu Tian patted Lee Mu's shoulder, smiled and comforted him, "Don't worry, I will definitely bring the company computer back unharmed."

Finished speaking, he turned around and left.

Before he walked out of the hall, he heard the voices of Lee Mu and Yuan Wangchun, "Boss Wu, you must be careful."

"Don't worry, I'll be fine." Wu Tian waved his hand and walked towards the parking lot.

After getting on the car, he quickly took out his phone and called Azure Dragon. He told Azure Dragon to hurry over to meet up outside the Rose Club.

After all, this time he had to negotiate with Bai Sha, who was the head of the gang, so he couldn't guarantee everything would go smoothly.

After he made the call, he instructed Uncle Fugui to drive to the Rose Club.

Uncle Fugui's driving skills were exceptional. Not only was his speed surprisingly fast, he felt very stable while sitting on it. They arrived at the Rose Club first.

After a while, he saw Azure Dragon rushing over.

"Young Master, did you take any action?" When they met, Azure Dragon couldn't help but ask.

"Get in the car first." Wu Tian opened the door and signaled Azure Dragon to get on the car. Then, he said with a serious tone, "I had a conflict with Bai Shatang, so I'm going to talk it over with them."

"Bai Shatang?" Hearing these words, even the fearless Azure Dragon's expression changed slightly.

"Right."

Wu Tian nodded forcefully and continued, "This trip will be very dangerous. If you don't want to go, I won't force you."

"My life was given to me by Young Master, even if it's Blade Mountain Flame Sea Guild, I will still follow Young Master, and will not refuse no matter what." Azure Dragon had a tough and tough temperament.

"Alright!"

Wu Tian nodded in satisfaction and patted Azure Dragon's shoulder, "Good job. But don't worry, I am fully prepared. I will not take our lives as a joke."

"I'll follow whatever Young Master says."

"That's good. In a bit, you will follow me and act accordingly." After Wu Tian said this, he pushed the door open and got off the car. He did not forget to remind Uncle Fugui, "Uncle Fugui, don't shut down the fire and wait here. Prepare to pick us up anytime."

"Understood." Liu Fugui nodded with all his might, but he didn't forget to remind him: "Be careful, Young Master."

## [Hidden Billionaire Chapter 315 - Find!](#)

C315 Find!

"Don't worry!" Wu Tian smiled confidently, pushed open the car door and walked towards the Rose Club with Azure Dragon.

When he reached the door, he looked up at the door. The bright red billboard was particularly eye-catching, as if it had been smeared with blood.

He paused at the door for a few seconds before bringing Azure Dragon into the hall.

Red Rose Club is well-known in the East District and is a comprehensive recreational place.

It was crowded with guests every night, even during the day.

At this moment, there were only a dozen guests in the hall, and there were even more attendants than the guests.

Wu Tian scanned the hall, and finally walked towards the girl at the front desk, "Hello beauty, I'm looking for Zhang jiang."

"Looking for Brother Jiang?" The front desk beauty blinked her beautiful eyes and asked politely.

"Right."

"Why are you looking for him?"

"My name is Wu Tian, Zhang jiang told me to come and find him."

"Sure, please wait a moment." After saying that, the waiter took out his phone and made a call.

Not a moment after the call, a pretty girl walked over. She looked at Wu Tian with an inquiring look, "You are Wu Tian of Tianmu?"

"Yes, it's me."

"We, Brother Jiang, are waiting for you on the second floor. Follow me!" After throwing these words, the coquettish woman wiggled her butt and took the lead to walk towards the second floor.

Wu Tian did not say anything as he followed the girl to the second floor with Azure Dragon.

The second floor was filled with luxurious suites, roughly twenty of them.

Walking along the corridor for more than 10 meters, the lady finally stopped in front of a private room, "Wait here, Brother Jiang will come out soon to find you."

With that, she turned around and left.

Wu Tian stood outside the door and waited for a while, then he knocked on the door. There was no response from the room, so he boldly opened the door.

This was a luxurious private room of a very high grade. However, the room was empty and not a single person could be seen.

He walked around the room but didn't find anyone. Just as he was about to leave, he heard a sound from inside the room.

He hurried into the suite and noticed that there was some noise in the cabinet. He opened the door and saw a woman inside.

The woman was in her twenties. She had a pretty face, and her body was tied with hemp rope. Her mouth was covered with tape.

"Ugh ..."

The woman twisted her body and struggled, desperately blinking her eyes as she threw a distress signal towards Wu Tian.

Wu Tian pulled the woman out of the wardrobe, opened the tape on her mouth and asked, "Who are you, why are you here?"

"Phew ..."

The woman gasped for breath after breath as she cried for help, "Big brother, save me! Quickly save me!"

"Tell me, who are you?" Wu Tian squatted on the floor and looked at the woman in front of him in disbelief.

Since he didn't know the specific situation, he naturally wouldn't rashly rescue her.

"I'm called Liu Yue, my boyfriend sold me to Brother Jiang ..." Before she could finish, the girl had already started crying.

"Don't cry!"

Wu Tian growled, shocking the girl. He reminded her, "Now is not the time to cry, tell me the details."

"My boyfriend gambled at the Rose Club and owed his boss a lot of money, so he didn't have the money to pay his debt. Brother Jiang wanted to cut off his hands, but his boyfriend used me to pay his debt." Liu Yue explained with a pitiful look.

"Your boyfriend is an animal." After hearing this, Wu Tian couldn't help but curse silently.

"I never thought that he would be this kind of person. If I knew earlier, I would have ..." Before she could finish, Liu Yue started crying again.

The thought of being harmed by Zhang jiang's group made her wish she was dead.

"Alright, stop crying, let's get out of here first." Wu Tian reached out his hand to untie the rope on Liu Yue's body and prepared to send the girl out.

"Thank you big brother, thank you big brother." After gaining her freedom, Liu Yue bowed repeatedly to express her gratitude.

"Alright, let's go." Wu Tian pulled Liu Yue outside. As soon as they walked out of the suite, they saw more than a dozen hoodlums barge into the hall and surround them.

Seeing so many hoodlums, Liu Yue was so scared that her neck shrunk and she quickly hid behind Wu Tian to seek protection.

"Hahaha ..."

With a loud laugh, Zhang jiang came out from behind and stared at Wu Tian ferociously, "I didn't think that you would actually dare to come."

"I even dare to go to a dangerous place, not to mention a dog's den like you." Wu Tian twitched his mouth and replied in a domineering manner.

"Kid, you broke both of my arms yesterday. Today, I will make you pay with your blood." Zhang jiang clenched his fists tightly and a shocking killing intent burst out from his entire body.

"Sure."

Wu Tian smiled and said without a care, "The grudge between us has nothing to do with Liu Yue. Let her go first."

"This is the woman her boyfriend gave me to repay my debt."

"How much does her boyfriend owe you? I'll pay you back."

"It seems like you want to be a hero and save the beauty?"

"Right."

"As long as you can defeat all of us, you can take this woman with you."  
Zhang jiang twitched his mouth and teased with a smile.

"That's what you said." Wu Tian glanced at the ten-odd hoodlums and was about to attack.

In the end, Liu Yue hugged her arms and said, "Big Brother, thank you for your good intentions. I don't want to see you being beaten to death for me."

"I really can't tell that a woman like you has feelings of loyalty." Wu Tian was secretly happy, it seemed like this woman was worth saving.

"Big bro, I know you're a good person. I really don't want to see you get beaten to death by them. It's better that you quickly leave." Liu Yue released her arms and urged with an anxious expression.

"Don't worry, I can handle these people."

"But ..."

"Alright." Wu Tian didn't give the woman a chance to say anything, he smiled and comforted her, "Stand at the back and watch a good show, I'll settle these people soon."

After saying that, he gave Azure Dragon a meaningful glance, and the two of them pounced towards those hoodlums.

"Be careful!"

Liu Yue screamed anxiously.

Although she hadn't known the boy for even half an hour and didn't even know his name, she already had a good impression of him.

This strange boy was a hundred times better than her boyfriend.

Her boyfriend gave her to Brother Jiang to repay her debt, while this strange boy did his best to protect her at a critical moment.

This was a real man.

When she was extremely worried, she saw Wu Tian's body slant to the side, easily dodging the attacks of the two hoodlums, then he swung his fist towards the hoodlums.

His movements were sharp and fierce, his attacks were incredibly fast, his body was like a swimming snake, shuttling back and forth between those hoodlums as he continuously attacked them.

Looking at the scene before her, Liu Yue was stupefied. She didn't expect that the boy in front of her was a hidden martial arts expert.

Each move was extremely perfect, each attack had speed, and each movement was very cool and threatening.

For a moment, she was fascinated by the boy in front of her.

Wow, so handsome.

In her entire life, she had never seen such a handsome man. This fighting stance made her heart tremble, and she couldn't help but cheer in her heart.
