### C321 Difficulties of Admission?

"Don't get angry, Principal Zhao." Wu Tian retracted his right hand, took out the letter of introduction from his pocket and put it on the table. "Principal Zhao, please read this first."

"What is this?" Zhao Wenxue grabbed the letter of introduction and looked at it for a while. Then, he immediately changed his attitude and became beaming with happiness, "So it's Lady Long's people. Please excuse me."

He didn't know Wu Tian, but he knew the letter of introduction.

A while ago, a woman called Loong Yun had found him and gave him a large sum of money in hopes that he would arrange for a student to attend the Huang An School.

After receiving so many benefits, he naturally wouldn't refuse. He immediately wrote a letter of introduction to Secretary Loong, asking her students to come over at any time with a letter of introduction to handle the procedures for entering the academy.

"Principal Zhao, then I won't beat around the bush." Wu Tian was too lazy to waste words with her and went straight to the point. "I specially brought Xiaofeng here today to handle the enrollment procedures."

"This ..."

Zhao Wenxue frowned and said with a troubled expression, "But right now, our school only has one entry quota."

At this moment, the beautiful young woman with untidy clothes rushed forward and reminded him, "Principal Zhao, you promised me that you would arrange for my son to come to your school."

"I ..." Zhao Wenxue was stunned on the spot and was in a dilemma.

Previously, he had accepted Loong Yun's benefits and promised her that he would leave a letter of introduction to ensure that Loong Yun's men were enrolled in the academy.

However, he had waited for half a month and Loong Yun had not made a single move, thinking that they would not be coming to the academy anymore.

Today, it just so happened that a parent found him and used her body as a bargaining chip to get him to enter the school. How could he withstand the temptation of such a beautiful woman? As soon as his head grew hot, he started working with this woman in the office.

After completing his business, who knew that Loong Yun's men would come to take care of the admission procedures. Thus, he was left in a dilemma, unsure of what to do.

He had collected quite a bit of money from Loong Yun's side, and he had just finished some serious business with the young married woman. Both sides had given their promises.

"Principal Zhao, I wrote it clearly in black and white. You said that you would arrange for Xiaofeng to enter the academy." Wu Tian waved the letter of introduction in his hand as he reminded Duan Ling Tian.

He could already guess that this beautiful young woman was using her body as bait to get into bed with Principal Zhao in exchange for a place in the school for her children.

Although this young woman's method was very despicable, she sacrificed her body for the sake of her child, which was worthy of respect.

Zhao Wenxue, on the other hand, had clearly promised Loong Yun before. He never expected that he would make a promise to the young woman in order to obtain the body of the young woman. He was truly shameless.

"Don't worry, I will definitely do what I've said. I definitely won't go back on my word." Zhao Wenxue immediately made a promise.

Hearing this, the beautiful young woman became anxious and quickly interrupted: "Principal Zhao, you agreed to arrange for my son to enter the academy, you can't go back on your word."

"Don't worry, I'll definitely think of a way." In this situation, Zhao Wenxue could only delay first.

"There's only one student on the list, what can you do about it?"

"Don't be impatient yet ..."

"Of course I'm in a hurry. If I wasn't, I wouldn't have ..." The young woman swallowed her words before she could finish; she really couldn't say the rest.

In order for her child to get into a good school, she shamelessly ran over to Zhao Wenxue and begged him. In the end, she bet both her body and dignity.

The young woman clenched her teeth and raised her head aggressively, "Principal Zhao, if you don't arrange for my child to go to school today, I will throw away my face and expose this matter of ours."

"Alright, alright, alright. I'll immediately register your son." Hearing that, Zhao Wenxue was so scared that he quickly compromised.

If today's matter were to be leaked, not only would his reputation be tarnished, he might even be expelled and punished by the school.

He was truly regretful. How could he get involved with such a vile character? Right now, it was too late to regret. He could only think of a way to calm this matter down.

After making that promise, he picked up his landline and prepared to make a phone call.

"Pah!"

Wu Tian put his hand on the receiver and reminded Principal Zhao coldly, "Principal Zhao, you gave her the quota, what are you going to do with me?"

"How do we deal with what?" Zhao Wenxue wasn't as polite as before and immediately became ferocious.

"You promised to arrange for Xiaofeng to enter the academy."

"When did I agree?" Since things had come to this, Zhao Wenxue could only act like a scoundrel and refuse to admit it.

He had already weighed the pros and cons in his heart. He definitely couldn't offend the young maiden. As for the brat in front of him, there was nothing to be afraid of. He just doesn't have to admit it.

"Principal Zhao, you are really forgetful." Wu Tian slammed the letter onto the table. "There is your autograph on it."

"Pfft!"

Zhao Wenxue grabbed the letter of introduction and tore it into pieces. Finally, he stuffed all the pieces of paper into his mouth and swallowed them.

After eating these pieces, Zhao Wenxue smiled shamelessly and said, "What letter of introduction? Don't talk nonsense here."

"..."

Wu Tian was speechless when he saw this.

He had never thought that the dignified principal of Huang An High School would actually tear apart the evidence in public and refuse to admit his wrongdoings.

To be honest, he had never seen such a shameless man before. He was the most shameless scoundrel in the world.

He didn't know how this kind of scoundrel became the principal.

"So, Principal Zhao is trying to be shameless?" Glimmers danced in Wu Tie's eyes as cold air emanated from his body.

"Don't be so harsh with your words. How could I, the dignified Headmaster Huang An, be shameless?" Zhao Wenxue threw his hands behind him and said impatiently, "I never agreed to arrange for you to attend school here. You should hurry up and leave."

"Principal Zhao, I advise you to think twice before acting. Don't get yourself into trouble."

"Oh? You dare to threaten me?"

"It's not a threat. It's just advice."

"Brat, quickly scram. If not, I will make it so that all of you will not be able to attend school in the entire Luzhou."

"Is that so?"

"Of course." Zhao Wenxue shook his collar and bared his teeth arrogantly: "To tell you the truth, I have a backer in the Board of Education. You pissed me off, I just made a phone call and you guys don't have a school to go to."

"In this day and age, boasting is not against the law. I'll give you thirty seconds to boast."

"You ..." Zhao Wenxue shook his sleeves impatiently, "I can't be bothered with your nonsense, hurry up and get out."

"We won't leave. We have decided to go to this school."

"I said I won't let you guys stay here, so I won't let you guys stay here."

"In this place, you have no say."

"I'm the principal of Huang An High School. This place is my decision, of course." Zhao Wenxue raised his head with a domineering look on his face.

"No!" Wu Tian pursed his lips and smiled, and said coldly, "You're just a principal, you think too much of him."

"This is my territory, I'm the biggest here, the whole school is my decision."

"You frog in the well, looks like I have to teach you how to conduct yourself." After saying that, Wu Tian took out his phone and dialed Loong Yun's number.

He only said a few words into the phone before hanging up. He smiled at Zhao Xuwen and said, "You will be fired from your job very soon."

Zhao Wenxue naturally didn't believe that sort of nonsense. He spat on the ground and retorted, "Who do you think you are? You want me to be suspended for one phone call? What a joke."

"Don't cry when the time comes." Wu Tian pursed his lips and smiled. He sat on the sofa and said to Azure Dragon and Xiaofeng, "Don't worry, let's take a seat first."

Azure Dragon and Xiaofeng would inevitably feel a little anxious. However, the siblings did not say much and obediently sat down next to Wu Tian.

"I want to see what you can do." Zhao Wenxue crossed his arms, as if he was waiting to see a good show.

Not long after, the phone on the table rang.

Zhao Wenxue walked over to pick up the phone and said impatiently, "Hello, who are you?"

"I'm Old Sun." A deep voice came from the other end of the phone.

Hearing this voice, Zhao Wenxue immediately became extremely respectful, "Manager Sun, I was just about to call you and invite you out for a casual meal."

This Manager Sun was the office manager of the Municipal Education Bureau and had a good relationship with him. It was because of this backer that he was able to be like a fish in water in the principal's position.

"Principal Zhao, I have some bad news to tell you." On the other end of the phone, Manager Sun spoke in a very low tone.

"If Manager Sun has something to say, feel free to say it."

"I just received news that someone has reported your 13 crimes. The Education Bureau and the Public Security Bureau are going to have you suspended for investigation."

"What?" Hearing this, Zhao Wenxue was so scared that his body trembled and beads of sweat rolled down his forehead.

After a slight pause, he hurriedly turned to the person on the other end of the phone and asked for help, "Manager Sun, I'm your subordinate, you have to help me."

A soft sigh came from the other end of the phone. He said helplessly, "It's the provincial education department's instruction this time. I'm afraid there's nothing I can do."

"The provincial hall?" Zhao Wenxue was shocked. He never thought that there would be such a big commotion. It directly alarmed the provincial education department.

As the principal of a high school, no matter how big a mistake he made, it wouldn't alarm the provincial hall.

"Principal Zhao, tell me the truth, did you offend someone this time?" A questioning voice came from the other end of the phone.

"No, I haven't offended anyone recently."

"If you think about it carefully, you must have offended someone."

"I ..." Zhao Wenxue suddenly thought of something and slowly raised his head to look at Wu Tian. "Could it be him?"

No wonder Wu Tian had told him before that he would be suspended soon. At that time, he had thought that this brat was trying to scare him. Now, he understood that what the brat said was true.

The brat in front of him had just finished making a phone call. In less than ten minutes, he received a call from Manager Sun.

It must be Wu Tian secretly manipulating this matter.

Since Wu Tian was able to get the provincial education department to do something for him, it showed how terrifying the power of the kid in front of him was. Just thinking about it made him scared.

He had accidentally offended such an influential super tycoon. At this moment, he felt as if a great catastrophe was about to befall him.

After a slight pause, he hurriedly said into the phone, "I've offended a young man. Manager Sun, what should I do now? Tell me quickly, what should I do?"

"I told you long ago that as a person, you should keep a low profile. You refused to listen to me, but now, you've stirred up trouble for yourself!" On the

other end, Manager Sun reprimanded him before sighing, "Accept your fate. No one will be able to help you this time."

"Manager Sun, Manager Sun ..." Zhao Wenxue shouted into the receiver and found that Manager Sun had hung up.

When he called back, the other side had already shut down the phone.

\*

Zhao Wenxue's legs went soft and he sat straight down on the chair. It was as if his body was drained of blood and he didn't have any strength left in him.

Even though he was dreaming, he didn't expect that in just half an hour, his life would experience such unprecedented ups and downs.

He stared at Wu Tian blankly. He felt that Wu Tian was as scary as a monster. He never thought that his future would be ruined by a brat.

After staring blankly for half a minute, he suddenly came to a realization.

He threw himself on his knees in front of Wu Tian and begged for mercy: "I was wrong, please forgive me."

Now, his fate was in the hands of Wu Tian. Wu Tian's one sentence could decide his life and future.

This kowtow shocked Azure Dragon and Xiaofeng, and it also stunned the beautiful young woman.

No one expected Principal Zhao, who was previously so arrogant, to suddenly turn into a different person, proactively kneeling down and begging Wu Tian for mercy.

This transformation happened too quickly, catching everyone off guard.

The most shocked was none other than the young woman. She didn't expect that someone as powerful as Zhao Wenxue would disregard his own dignity and kneel down to a young man.

She couldn't help but secretly guess in her heart what kind of person this boy in front of her was to be able to make the principal of Huang An Middle School kneel down and beg for forgiveness.

"Principal Zhao, what's wrong with you?" Wu Tian crossed his legs and looked down at Zhao Wenxue as if he was looking at a retard.

"I don't have good judgement, I shouldn't have offended you." After Zhao Wenxue said this, he raised his hand and slapped his face a few times to express his regret.

"I warned you before, but you just refused to listen. Now, do you regret it?"

"I regret it."

"It's too late to regret it now. Just wait for the law to punish you!"

"Please give me another chance." Zhao Wenxue kowtowed like a chick pecking rice, begging, "I promise I will never make this kind of mistake again."

"I've given you a chance, but you don't know how to cherish it." Wu Tian viciously kicked Zhao Wenxue on the shoulder and scolded him, "A rascal like you is simply an insult to the school's reputation."

\*

Just as he finished speaking, the door burst open and a group of law enforcement officers rushed in.

"Zhao Wenxue, you are suspected of committing a crime. We are going to arrest you according to the law." The law enforcement officer flashed his ID, then jumped on Zhao Wenxue and dragged him away.

Zhao Wenxue had completely turned into a soft-footed shrimp. As he was dragged outside, his eyes were filled with despair and regret.

At this moment, he was extremely regretful, regretting offending Wu Tian.

If he knew Wu Tian's power was so strong, he would have gone all out to curry favor with him.

Unfortunately, there was no medicine for regret in this world. It was already too late.

As soon as Zhao Wenxue was taken away, a group of school management staff entered the office.

The one in the lead was a long-faced man. He reached out his right hand towards Wu Tian with a smile on his face, "Hello, I am the vice-principal of the school, Pan Ming."

"Hello President Pan, it's Wu Tian." Wu Tian smiled back at him and shook hands with him at the same time.

"Thank you, Mr Wu, for helping the school eliminate scum like Zhao Wenxue. On behalf of all the students and teachers, I thank you." After Pan Ming said this, he bent down at ninety degrees and gave a deep bow.

He had just received news that this young man called Wu Tian had a strong background and was related to the province.

Just Wu Tian's words made Zhao Wenxue lose his job at once. It could be seen how powerful this boy in front of him was.

He only needed to curry favor with this big boss in front of him, and he would definitely be able to take the top seat.

"It is the duty of every citizen to eliminate a villain like Zhao Wenxue." Having said so, Wu Tian couldn't help but remind him, "I hope Principal Pan will not make this kind of mistake."

"I'll listen to Mr Wu from now on. I promise I won't make this kind of mistake." Pan Ming immediately expressed his desire to unite with Wu Tian.

"No!"

Wu Tian waved his hand and corrected him, "That's not right. You shouldn't listen to me. You have to be strict with yourself and do a good example."

"Yes." Pan Ming nodded again and again: "What Mr Wu said makes sense. I will definitely discipline myself strictly."

"Alright, let's get down to business." Wu Tian pushed Xiaofeng over and said with a smile, "This is my sister, Xiaofeng. She wants to go to school here."

"There's still one more spot in our school. I'll arrange for her to register." After Pan Ming said this, he instructed the head instructor behind him to make the arrangements.

Before long, Xiaofeng had completed the procedures for her admission to the academy.

"Principal Pan, Xiaofeng will be attending your school from now on. You have to take good care of her and not let her suffer any grievances, do you understand?" Wu Tian couldn't help but remind Pan Ming.

"Don't worry, I'll definitely take good care of Xiaofeng. I won't let her suffer any grievances." Pan Ming promised as if he swore it.

"That's good." Wu Tian nodded in satisfaction and patted Pan Ming's shoulder, "You have a lot of potential. Your future is limitless. Work hard."

"Thank you, Mr Wu." Pan Ming hurriedly bowed.

He knew that with Wu Tian's influence, one word from him could make him the principal of the school, taking over Zhao Wenxue's position.

"Perform well." After saying that, Wu Tian reached out and grabbed Xiaofeng's shoulder, "Xiaofeng, you can study here peacefully. If you have any problems, you can go to the principal and he will help you deal with them."

"Yes, if you need anything, just come find me. I promise I will help you with it." Pan Ming immediately followed.

As long as he served Xiaofeng, this little ancestor, well, that would be tantamount to flattering Wu Tian. It would be of great help to him in raising his position.

"Thank you, little Brother Tian. Thank you, Principal Pan." Xiaofeng thanked the two of them very politely.

She was now more and more impressed with Elder Brother Tian. In such a short time, he had defeated that bad guy Zhao Wenxue and made Principal Pan completely obedient.

"Alright then. I'll let Principal Pan take you to familiarize yourself with the school and then come back for class another day. Your brother and I will wait

for you at the school gate." Wu Tian rubbed her little head and said with a smile.

"Yes!" Xiaofeng nodded her head vigorously, her big beautiful eyes were fixed on Wu Tian, like a little infatuated with him.

"Xiaofeng, please follow me." Principal Pan walked over and made a welcoming gesture, saying with a smile, "I'll personally bring you to the classroom to get to know the teachers and students."

"Thank you, Principal Pan." Xiaofeng thanked him and followed him out of the office.

After Principal Pan left, the head of the Education Bureau and several school leaders also came forward to fawn on Wu Tian.

Everyone knew that Mr Wu had an incredible power in the provincial education department. As long as they curried favor with Mr Wu, they could have a bright future ahead of them.

"I'll leave my sister Xiaofeng here. I'll have to trouble the leaders to take care of her in the future." Wu Tian begged everyone very politely.

"Don't worry, we'll definitely take good care of Xiaofeng." A few of the school leaders expressed their stance that they would take good care of Xiaofeng.

"Thank you everyone." After thanking him, Wu Tian changed his tone and said, "Alright, there's nothing else here. You can all go and get busy!"

"Mr Wu, you are an honorable guest. I'll represent the school and invite you to the Tsinghua University to have a meal together." The dean suggested.

"No need!"

Wu Tian waved his hand and tactfully declined: "Thank you for your kind intentions. I still have urgent matters to attend to right now, so I really can't spare the time."

"Alright, let's get together when Mr Wu has time." The dean did not try to force him, and could only say this.

"I'm disturbing you guys, so I'll take my leave." After Wu Tian said that, he left the office with Azure Dragon.

The school leaders all went up to send him off, and only stopped when Wu Tian was sent out of the office of academic affairs.

The moment Wu Tian walked out of the school gate, he saw the young woman, who was bullied by Zhao Wenxue, chasing after him.

"Mr Wu ..."

The young woman ran forward to block Wu Tian's path and begged pitifully, "Please, Mr Wu, help my pitiful child."

No matter how silly she was, she could tell that this boy called Wu Tian in front of her was a big shot. Otherwise, she wouldn't have defeated Principal Zhao in such a short time.

Now that Principal Zhao had fallen, in order for her child to go to school, she could only place her hopes on Wu Tian.

"Big Sis, is something the matter?" Wu Tian stopped and looked at the beautiful young woman in front of him with a puzzled expression.

Perhaps it was because Zhao Wenxue had moisturized her in the office earlier, but she looked so beautiful that her face blushed.

"Plop!"

The young woman's legs bent as she kneeled in front of Wu Tian and begged, "Mr Wu, my son has nowhere to go to school. I beg you, please help us."

"Big Sis, don't be like this. Quickly get up. Let's talk later if you have anything to say." Wu Tian quickly reached out his hand to help the young woman up from the ground.

"Mr Wu." The young woman rubbed her eyes and said pitifully: "We don't have a city registration, and our son has nowhere to go to school. I beg you to help us."

"Pitiful Father and Mother. Fine, I'll help you." Wu Tian hesitated for a few seconds and finally nodded in agreement.

No matter what, this young woman was still a great mother. To be able to go to school for her son, she did not care about her dignity and had sold out her body. This was still worthy of respect.

"Thank you, Mr Wu. Thank you, Mr Wu." The young woman bowed in thanks.

"Don't worry, I'll make a call first." Wu Tian took out his cellphone and made a call to Loong Yun. After that, he handed the young woman a name card, "My secretary's contact details are on there. Go find her, she'll help you deal with everything."

"Thank you, Mr Wu. I really don't know how to repay you." The young woman received the business card with both hands. She was so moved that tears almost rolled down her face.

"It's nothing, no need to be polite. Go find Secretary Loong as soon as possible."

"Thank you, Mr Wu." The young woman thanked him again and again, then excitedly took her name card and left the place.

Azure Dragon looked at the young woman's back as she left and couldn't help but sigh: "Young Master, you are really a good person. You don't ask for anything in return for doing good deeds."

"Perhaps because of my little kindness, I can save a family." Wu Tian pursed his lips and smiled.

He had been moved by the young woman's maternal love.

The mother is the greatest in the world, for her children, selfless sacrifice of their youth and everything, this kind of love is worthy of everyone to respect.

"Being able to follow Young Master is the greatest fortune of my life." Azure Dragon raised his head and looked into the distance with a strange expression in his eyes.

If it wasn't because of Wu Tian, he and his sister might have had a different fate. They would definitely still be in pain and suffering.

"Don't say that." Wu Tian patted Azure Dragon and smiled, "Let's work hard together just to let the people around us have a better life."

"Yes sir!" Azure Dragon nodded and didn't say anything else.
