C324 Icy as Snow

At this moment, Xiaofeng walked out of the school building and waved at them from afar. "Brother, Little Brother Tian ..."

"How was school?" Wu Tian couldn't help but ask as Xiaofeng approached.

"It's a feeling I haven't felt in a long time." Xiaofeng tilted her head and said happily, "The students and teachers are very harmonious and the atmosphere in the school is very good."

"As long as you're happy." Wu Tian reached out his hand to rub that tender face and instructed, "If you encounter any troubles, tell this bro and I will settle it for you."

"Little Brother Tian, you're so nice to me, I'm afraid I won't be able to leave you for the rest of my life, what should I do?"

"If you can't leave me, then don't leave me."

"Alright, then I'll stick to Elder Brother Tian for the rest of my life." Xiaofeng wrapped her arms tightly around Wu Tian's, her face full of happiness and sweetness.

Azure Dragon coughed dryly and reminded his sister, "Xiaofeng, Young Master is very busy, you can't keep pestering him."

"Bro, seeing how nice I am to little Brother Tian, you can't be jealous, right?" Xiaofeng teased with a pout.

"You little girl." Azure Dragon shook his head with a bitter smile and said to Wu Tian, "Xiaofeng will be entering the academy tomorrow. I'll take her to buy some daily necessities."

"Alright, I'll give you a holiday tomorrow. Bring your little sister to buy everything and then send her to school."

"Thank you, Young Master."

"Alright, go quickly!"

"Then we'll be going." After Azure Dragon said this, he turned around and left with Xiaofeng.

Xiaofeng walked a few steps and didn't forget to wave goodbye to Wu Tian. "Goodbye, Elder Brother Tian."

"Goodbye, and be careful on your way." Wu Tian said goodbye to the two siblings, turned around and got into the red flag car. He then instructed Uncle Fugui to drive the car home.

When the car returned to the residential complex, Wu Tian got off the car and saw Elder Sister Lan pacing back and forth in front of the elevator.

This woman wore a long black dress. From afar, she looked as cold as snow, sexy yet noble.

"Elder Sister Lan, why are you here?" Wu Tian greeted her and quickly walked over.

"Brat, I've been waiting for you for a long time." Huang Lan's cold face bloomed into a beautiful smile the moment she saw Wu Tian.

"Why don't you call me downstairs? What can I do for you? "

"Nothing." Huang Lan smoothed out her long hair and said with a charming smile, "I just happened to pass by your house on my way to visit your crew. I was thinking of coming over to take a look."

"You're going to visit our crew?"

"Yes!" Huang Lan nodded and praised, "You have good eyes. The team you are investing in has great potential."

"That's all thanks to your friend Mr. Zong Liu's recommendation."

"I heard you helped Zong Liu company solve a big problem?"

"A simple task, not worth mentioning."

"Now, Zong Liu trusts you so much that he can't stop praising you." Huang Lan poked Wu Tian's chest, "Good boy, you sure know how to win the hearts!"

"Elder Sister Lan, you're praising me too much."

"I'm already at your building, why don't you invite me up to have a seat?"

Wu Tian felt troubled.

Now that he had Shen Xue and Su Ruyun, the two women staying at home, if Elder Sister Lan went up now, would they misunderstand him?

Especially that jealous Shen Xue. She had always been at odds with Elder Sister Lan, so he was worried that the two of them would start a fight.

"You don't welcome me to your house?" Huang Lan leaned her body against the wall and stared into Wu Tian's eyes.

"No." Wu Tian felt extremely uncomfortable under this gaze. He quickly found an excuse: "My house is too messy, it's been a long time since I've tidied it up, I'm afraid Elder Sister Lan ..."

"Don't you have a beautiful secretary at home? She won't help you with your housework?"

"She's always busy."

"You're so cute when you're lying." Huang Lan smiled and pressed the button for the elevator.

When the elevator door opened, she strode into the elevator, smiled and said, "I'd like to see how messy your house is."

Wu Tian stood outside the elevator and didn't know what to say.

Seeing that the elevator doors were about to close, Huang Lan quickly pressed the open button and urged Wu Tian, "Don't be silly, come in."

"Alright!" Wu Tian couldn't find a proper reason to reject Elder Sister Lan, so he could only grit his teeth and walk in.

After the elevator closed, Huang Lan slowly walked towards Wu Tian. She asked with a charming smile, "Wu Tian, how messy is your home?"

"It's very messy." Wu Tian couldn't help but swallow his saliva when he smelled the fragrance of Elder Sister Lan's hand up close.

"It's alright, I'll help you tidy it up later." Huang Lan originally wanted to continue teasing Wu Tian, but the elevator stopped at the eleventh floor.

When the elevator door opened, Huang Lan immediately put away her charming smile. She straightened her dress and put on a cold and arrogant look.

Only in front of Wu Tian would she show the seductive attitude of a little woman, as if she was usually proud.

She strode out of the elevator and headed straight to Wu Tian's door, urging him, "What are you so stunned for? Hurry up and open the door."

"Alright!" Wu Tian had no choice but to take out his room key to open the door. He could only hope that Shen Xue wasn't home right now.

However, many times, things went against one's wishes.

Su Ruyun and Shen Xue were both at home. They had already prepared food, and the fragrance that wafted into their noses made them feel refreshed.

Seeing the two women in the room, Huang Lan smiled bitterly. "You have two beauties hidden in your room. Your private life is indeed messy."

"Elder Sister Lan, don't misunderstand, they're only staying at my house for the time being." Wu Tian scratched his head and quickly explained.

"You're amazing, living with two women." Huang Lan snickered coldly as she strode into the room.

Shen Xue and Su Ruyun had already finished cooking and were chatting happily in the living room when they suddenly saw Huang Lan walk in. The smile on their faces immediately disappeared.

Su Ruyun could only stare at the woman as she walked in, her face full of curiosity.

Shen Xue was different. The way she looked at Huang Lan was clearly full of hostility.

She had long seen that this Huang Lan woman liked Wu Tian. She had long considered this woman as a love rival and was always full of enmity when meeting her.

"Why are you here?" Shen Xue stood up from the sofa and looked straight at the beautiful Huang Lan.

Ignoring the fact that the woman in front of him was beautiful, her figure was also a lot more voluptuous than hers. The key point was that her reputation was also greater than hers.

What troubled her the most was that this woman was usually high and mighty, and was very attractive in front of Wu Tian. She mesmerized Wu Tian like a seductive enchantress.

At this rate, Wu Tian would fall in love with Huang Lan sooner or later.

"This is Wu Tian's home, why can't I come?" Huang Lan asked with a smile that was not a smile. It was obvious that her aura was stronger than Shen Xue's.

"You ..."

Shen Xue gritted her teeth, speechless.

In front of this woman, she was clearly much weaker.

"From today onwards, I also live here." Huang Lan threw her bag onto the sofa and shouted arrogantly.

"What?" Upon hearing this, Shen Xue's eyes widened in shock as she exclaimed, "You want to live with us?"

"That's right." Huang Lan nodded vigorously.

"I... I don't agree." Shen Xue immediately retorted.

She didn't want this woman to live in Wu Tian's home and be faced with such a love rival every day, it was really unacceptable.

"This is not your house. I don't need your permission." Huang Lan poured her a cup of water after she finished her sentence. She didn't look like an outsider at all.

"You ..."

Shen Xue was so angry that her mouth twitched. She turned her head and looked at Wu Tian, "You're the one who let her stay here?"

"No, I'm not." Wu Tian quickly waved his hand and spoke incoherently.

"What if this woman refuses to leave?"

"Don't worry, I'll go ask." Wu Tian scratched his head in embarrassment. He walked over to Huang Lan and asked, "Elder Sister Lan, I know you always like to joke around ..."

"I'm not joking. This time, I'm serious. I've decided to stay at your house." Huang Lan raised her head with a serious face.

"Huh?" Wu Tian was slightly surprised and could not help but open his mouth to question: "Don't you have a house? How do you live here? "

"I live here, don't you welcome me?"

"No."

"Then that's enough."

"I was afraid you'd be inconvenient."

"What's wrong with me?"

"You're a big star after all. If you live in my house, I'm afraid it'll attract the reporters to secretly take photos. This is bad for your reputation." Wu Tian was racking his brains to chase Elder Sister Lan away.

He was worried that the two women would live together and fight each other, and the situation would get out of hand.

"I'm not even afraid. What are you afraid of? I'm going to live here anyway." Huang Lan had never been as stubborn as she was now.

That's right, she had to live here this time and compete with Shen Xue.

She couldn't let Shen Xue stay by Wu Tian's side alone. It would be very dangerous for her.

"Elder Sister Lan, I'm really worried ..." Wu Tian wanted to convince Huang Lan to leave, but he was interrupted by Huang Lan before he could finish, "Are you that afraid that I'll stay in your house?"

"Right."

Wu Tian nodded, then immediately shook his head: "I didn't mean that, I was just worried ..."

"What if I have to live here?"

"There's no other way." Seeing Elder Sister Lan's stubborn expression, Wu Tian couldn't think of any reason to kick her out.

"Then that's right. From today onwards, this is my home. Later, help me carry my things."

"I ..."

Wu Tian wanted to cry but had no tears. He turned around to look at Shen Xue and found that the little ancestor's face was filled with anger, ready to explode at any moment.

"Hey!"

Shen Xue stomped her foot and asked angrily, "Are you really going to let this woman stay with us?"

"I ...!" Wu Tian sighed and went up to comfort her, "Since Elder Sister Lan wants to stay, then let her. She will leave in a few days."

"I don't agree."

"What do you disagree with?"

"In any case, I just won't agree. Hurry up and let her leave."

"You and her are both my guests. As the host, how could I have the right to drive a guest away?" Wu Tian explained bitterly.

"Today, either she leaves or I leave. Choose one." Shen Xue turned her head to the right as she said this.

"How should I choose this one?"

"Cut the crap, hurry up and choose."

"I ..." Wu Tian glanced at the two women, but in the end, he didn't make a choice.

No matter who he chose, he would offend the other party and cause an even greater disaster.

After thinking about it for a while, he thought of an idea and suggested, "Why don't you guys play the game and see who wins and who lives here?"

"Wu Tian, you bastard." Shen Xue was so angry that she threw a punch at him.

Wu Tian Qiang endured the pain and did not utter a word. He thought that this plan was fair, but the two girls rejected him.

"Then you two can stay together. We have a lot of rooms at home anyway." Seeing that this plan didn't work, Wu Tian quickly changed his mind.

"No."

"Then what do you want?" Wu Tian felt his head hurt.

Elder Sister Lan was still better off as she understood the general situation.

On the other hand, Miss Shen was obviously causing trouble for no reason.

"I don't want to do anything, just kick that woman out right now." Shen Xue urged Wu Tian in an aggressive tone.

"Sorry, I can't do it."

"If you don't want to chase her away, then I'll leave." Having said so, Shen Xue rushed into the room in a huff. After packing her clothes, she dragged her suitcase with her as she prepared to leave.

Wu Tian rushed forward to block Shen Xue's way, "Hey, it's so late, where are you going?"

"None of your business."

"It's not safe this late. We'll talk about it another day."

"I'm leaving now."

"Alright!" Seeing Shen Xue's stubbornness, Wu Tian had no choice but to compromise, "I'll get Uncle Fugui to give it to you."

"What?" "You're really letting me go?" Shen Xue suddenly stopped and glared angrily at Wu Tian.

"Didn't you want to leave?"

"I ..." Shen Xue was so angry that her chest heaved up and down. After a long while, she finally scolded, "Wu Tian, you're a bastard."

Having scolded her, she dragged her suitcase and walked outside in a huff.

Before she left, she caught sight of the smile on Huang Lan's face. She stopped all of a sudden. "I'm not leaving. Why should I leave?"

If he left now, it would be equivalent to leaving some space for Huang Lan and Wu Tian to get along. This woman would definitely take over her position and seize the opportunity to take over Wu Tian.

After calming down, she decided to stay and fight Huang Lan.

"Then are you leaving or not?" Wu Tian was about to go crazy.

This woman had to leave at one moment, but she didn't leave at the next. Her words were unpredictable, and she was no different from a child.

"I'm not leaving." Shen Xue angrily dragged the suitcase back to her bedroom.

"Ha ha!"

Su Ruyun, who had been standing aside all this while, finally couldn't help but burst into laughter. She walked over and patted Wu Tian's chest and teased him, "Silly boy, who told you to tease girls everywhere, are you stunned now?"

"I swear to God, I didn't provoke them." Wu Tian shrugged and said helplessly, "I can only blame myself for being too handsome and captivating these two women."

"Bah!"

Su Ruyun spat on the ground and said disdainfully, "You narcissistic brat, why don't you take a piss and look in the mirror?"

"As a cop, can you not be so vulgar when you speak?"

"I'm that vulgar, what can you do about it?"

"Forget it, I'm too lazy to waste words with you. Eat your food." Wu Tian didn't have the mood to argue with this woman, so he just brought Su Ruyun to the restaurant.

Four dishes and a soup were placed on the table.

Shen Xue had already prepared breakfast for Wu Tian to come home for dinner. After waiting for a long time, she ended up waiting for a rival in love.

The two girls had been rivals for the better part of a day, and the food had turned cold.

As soon as Wu Tian took his seat, Shen Xue and Huang Lan walked over and sat down beside him, one on the left and one on the right.

The two girls looked at each other with hostility, ready to fight at any moment.
