

## Hidden Billionaire Chapter 331 - Operations Director -

C331 Operations Director

"I don't have the guts." The salesperson pursed his lips and asked softly, "Are you the owner of this commercial street?"

"Right." Wu Tian nodded: "Wan Street was indeed developed by me."

"Boss, you're amazing." Glimmers danced in the salesperson's eyes as she said with a look of adoration, "You are so young and yet you are able to create such a large commercial street."

"There are a lot of people stronger than me. Right, do you still have anything else?"

"I ..." The salesperson lowered her head, and after pondering for a few seconds, she gathered up her courage and said, "Boss, I want to follow you."

"Become my mistress?"

"Nope." The salesperson blushed and said in a bad mood, "I just want to make a lot of money with you."

"With your figure and face, you can make a lot of money with a tycoon."

"I'm not that kind of person."

"I'm joking with you." Wu Tian stopped smiling and said seriously, "Do you really want to follow me?"

"Right."

"Alright, I see that your character isn't bad, so I'll accept you." After Wu Tian said this, he took out a business card and handed it over, "This is the phone number of the person in charge of the business street, Jiang Wan. Take the business card and go find her. Let her arrange your work for you."

"Thank you, Big Boss." The salesman took the business card and bowed in thanks.

"Work hard and promote you to be my wife in the future." Seeing how cute this girl was, Wu Tian couldn't help but tease her.

"Boss is so bad." The sales clerk knew that Wu Tian was joking, so he did not get angry.

"Alright, if there's nothing else, we'll be leaving first." Wu Tian waved his hand and left the clothing store with Elder Sister Lan.

Not long after they left the clothing store, Huang Lan could not help but scorn, "You are such a philanderer. You even teased a sales representative."

"That girl is pretty cute, but I can't help it!" Wu Tian scratched his head and laughed dryly.

"Do you always pick up beautiful women when you see them?"

"Beautiful is one aspect, it's mainly based on one's sight."

"As expected, men don't have any good things." Huang Lan rolled her eyes as she strode forward, her face full of anger.

Wu Tian quickly caught up and asked with a smile, "Elder Sister Lan, where are we going now?"

"I don't want to go anywhere."

"Then let's go to the live broadcast venue and check out the situation?"

"Whatever!"

"Let's go!" Wu Tian didn't say anything further and dragged Huang Lan with him as they walked towards Wan Zheng Street.

This place was the intersection of several blocks, and was the core area of the entire Wan Street. All guests and passengers had to gather here.

At this moment, a temporary stage had been set up on the right side of Wan Zheng Street. A live broadcast ceremony was being held here tonight.

"Elder Sister Lan, do you want to go on stage and rehearse for a bit?" Wu Tian pointed at the newly built stage and asked Huang Lan.

"I don't need a rehearsal."

"That's true." Wu Tian rubbed his chin and quickly corrected himself, "I haven't heard Elder Sister Lan sing for a long time, I just feel a little itchy."

"Stinking brat, don't be in such a hurry. I'll let you hear it tonight."

"Sing 'Conquer' for me at night?"

"Fuck you." Huang Lan rolled her eyes as she lightly punched Wu Tian's chest and scolded, "You little rascal, you are getting bolder and bolder. You even dare to tease me."

"I've been taught badly by Elder Sister Lan."

"Brat, if you're not bad, then you're really bad when you're bad." Huang Lan covered her mouth as she laughed.

Just as the two of them were laughing and talking, a skinny young man walked over and said sarcastically, "Isn't this Big Star Huang?"

"Wang Lei, why is it you?" Huang Lan's brows constricted when she saw this man, and a trace of displeasure could be seen within her eyes.

"You didn't expect us to meet here?" Wang Lei tugged on his collar and pretended to be amazing.

"Indeed." Huang Lan rolled her eyes in annoyance and said impatiently, "What are you doing here?"

"I'm working here. Oh right, I almost forgot to introduce them, I'm now the operations director of Seafood TV, and I'm the one who planned the live broadcast ceremony." Speaking to her, Wang Lei arrogantly shook his collar and pretended to be amazing.

"You are the Director of Seafood TV Operations?" Huang Lan was surprised, she did not expect that such a small character could sneak into her Seafood TV and become its director.

This man called Wang Lei had previously worked at her media company and was a small PR employee.

He used to flatter her when he had nothing else to do, hoping to be with her and achieve something.

At that time, Huang Lan felt that Wang Lei's conduct was improper, so she ignored this man and kept a certain distance between them.

She just didn't think that this brat would sneak into her Seafood TV and become a seafood executive overnight.

"That's right, I am the director of Seafood TV Operations. Today, I will be in charge of tonight's live broadcast." Wang Lei raised his head arrogantly with his nose towards the sky.

"Is that so?" The corners of Huang Lan's mouth curled up into a cold smile.

She just couldn't understand why Seafood TV would hire this kind of trash into the company.

"Elder Sister Lan, you're a third-rate singer, how did you end up like this? You're actually living in such a small broadcast company as a host." Wang Lei was not one to be outdone.

Huang Lan crossed her arms over her chest and arrogantly raised her head. "You don't have the right to judge me."

"No, I didn't have the qualifications in the past, but now I'm different. I'm a Seafood TV executive now, so I'm your superior, and I have the qualifications to criticize you."

"You are arrogant enough."

"Stop pretending." Wang Lei circled around Huang Lan a few times, "Previously, I tried my best to curry favor with you, but you were so dismissive of me. I didn't expect that you would still fall to host, and you still belong to me."

Huang Lan spat on the ground and retorted, "You don't have the right to care about me."

"I'm currently a Seafood TV executive, I have the qualifications to be in charge of you. For tonight's live broadcast, as long as I say the word, you won't be able to get on stage."

"It doesn't matter if I go onstage or not. Just don't beg me." Having said so, Huang Lan turned around and prepared to leave.

Seeing that Elder Sister Lan was about to leave, Wu Tian quickly grabbed onto Huang Lan's arm and comforted her, "Elder Sister Lan, don't be angry. I'll help you teach this stupid kid who doesn't know how high the sky is and how deep the earth is."

Having said so, Wu Tian reprimanded Wang Lei, "I'll give you a chance. Apologize to Elder Sister Lan immediately."

"Who do you think you are? What right do you have for me to apologize to this woman?" Wang Lei's head was raised arrogantly, looking extremely arrogant.

"Then I'll get Director Sun to tell you who I am." After Wu Tian said this, he took out his phone and dialed Sunn Sheng's number.

Sunn Sheng happened to be nearby to advertise tonight's live broadcast and rushed over as soon as he received the call.

Upon seeing Sunn Sheng, Wang Lei immediately changed his attitude and eagerly went up to fawn on him, "Chief Sun, Huang Lan brought brat here to cause trouble."

"What brat?" Sunn Sheng bellowed with a face full of anger.

"That's the kid." Wang Lei pointed at Wu Tian and said, "That brat boasted so shamelessly and came all the way here to gesticulate at us ..."

## **Hidden Billionaire Chapter 332 - Sister Lan Is Angry -**

C332 Sister Lan Is Angry

"Open your eyes wide and see clearly." Sunn Sheng's eyes turned cold as he pointed at Wu Tian and introduced him: "He is our Seafood TV's big boss, Wu Tian."

\*

Wang Lei was shocked and his eyes almost popped out of their sockets.

Never would he have thought that this shabby, average looking young man in front of him was Seafood TV's Boss Wu.

He had wanted to curry favor with Boss Wu, but when the big boss stood in front of him, he actually didn't know him.

The worst thing was, he was rude to Boss Wu and completely offended the big boss.

At this moment, he had a bad premonition. This time, he was completely finished.

"What are you blanking out for? Hurry up and apologize to Boss Wu." Sunn Sheng gave Wang Lei a kick and reminded him angrily.

If not for his friend's great recommendation, how could he let this sort of person become an executive of the company? It was practically discrediting the company.

"Yes."

Wang Lei came back to his senses and hurriedly bowed to apologize to Wu Tian, "Boss Wu, this was my mistake. I did not recognize you."

At this moment, he no longer had the arrogance from before. He was so frightened that he bowed as if he was a grandson, apologizing profusely.

Previously, he had raised his head arrogantly, but now it was the complete opposite. His head had almost shrunk down to his crotch.

"You and I are not family." Wu Tian immediately scolded: "Someone like you is not fit to stay in our Seafood TV ..."

"Yes, yes, yes." Wang Lei did not retort and kept bowing and apologizing, "Sorry, I was wrong. I will be obedient in the future and will not make the same mistake again."

"You shouldn't apologize to me, you should apologize to Elder Sister Lan." Wu Tian reminded Wang Lei.

His top priority right now was to pacify Elder Sister Lan. If Huang Lan did not attend the live broadcast ceremony in a fit of anger, all the efforts the company had made would be in vain.

"Yes, yes, yes." After Wang Lei replied, he could only brazenly apologize to Huang Lan, "Elder Sister Lan, I'm sorry. I was wrong before. I shouldn't have offended you. I apologize to you. I hope Elder Sister Lan can forgive me."

\*

Huang Lan raised her hand and slapped Wang Lei hard, scolding, "With just you, what qualifications do you have to be so arrogant in front of me?"

Seeing Elder Sister Lan lose her temper, Wu Tian's body shrunk and unconsciously retreated a few steps.

To be honest, it was the first time he saw Elder Sister Lan lose her temper. She looked even more ferocious than a tigress.

Elder Sister Lan was always gentle and beautiful in front of him with an alluring smile on her face. This was the first time he had seen Elder Sister Lan look so cruel.

Perhaps this was the real Elder Sister Lan.

"Elder Sister Lan, if hitting me can make you feel better, then hit me." Wang Lei was slapped, but he didn't dare to do anything.

"Remember." Huang Lan pointed at Wang Lei's nose and scolded, "In my eyes, you will always be a dog, I look down on you."

"You're right, I'm a dog." At this moment, Wang Lei couldn't care less about his dignity and face. He continued apologizing, "Elder Sister Lan, I was wrong. Please forgive me."

"No, I won't forgive you." After Huang Lan finished speaking, she turned around and said to Wu Tian: "I do not wish to see this person in Seafood TV."

"Understood." Wu Tian nodded and instructed Sunn Sheng, "Chief Sun, do as Elder Sister Lan says."

"Yes sir!"

After Sunn Sheng answered, he walked over to Wang Lei and said: "You have been expelled. From now on, you have nothing to do with Seafood TV."

"Boss Sun, Boss Wu, please give me another chance ..." Wang Lei pleaded hysterically. He looked pitiful.

\*

Sunn Sheng sighed and said with regret, "You were expelled because you went to provoke Elder Sister Lan. This matter is irreparable. Get lost!"

\*

Wang Lei's legs went soft and he fell to the ground like mud. He never thought that his career as an executive in Seafood TV would come to an end so quickly.

From entering the company to becoming a director less than two hours ago, he hadn't even had the chance to be cocky when he was kicked out of Seafood TV.

At this moment, he felt incomparable regret. If he had known that Elder Sister Lan was protected by Boss Wu, he wouldn't have dared to provoke her even if he had 18 guts.

It was too late to regret now. After all, there was no medicine for regret in this world.

It took Wang Lei a long time to finally get up from the ground. His body swayed as he left the place, and his heart was full of frustration.

"Elder Sister Lan, are you satisfied with this result?" Under Wu Tian's instructions, Sunn Sheng went up to Huang Lan and tried to curry favor with her.

"I'm not satisfied." Huang Lan didn't give Sunn Sheng any face at all as she scolded him harshly. She reprimanded Sunn Sheng coldly, "Look at who you are recruiting. Scum like Wang Lei doesn't even have the qualifications to enter our company."

"Yes, yes, yes." Sunn Sheng knew that Elder Sister Lan was in a bad mood, so he quickly smiled and said, "Don't worry, Elder Sister Lan. There won't be any more scum like this in our company."

"I don't want to get involved with your company's matters, but I won't be participating in tonight's live broadcast ceremony. I'm tired, so I'll be leaving first." Huang Lan finished her sentence and walked outside with her long legs.

Hearing this, Sunn Sheng was quite frightened, and quickly went to fawn on Elder Sister Lan: "Elder Sister Lan, tonight's live broadcast is very important. You are the pillar of our Seafood TV, if you do not participate, then we will lose for sure tonight."

"That's your problem, it has nothing to do with me." Huang Lan was indeed very angry, and her words were especially aggressive.

"Elder Sister Lan, I beg you ..."

"You don't have to beg me. I won't be attending any events tonight." With that said, Huang Lan left quickly with her long legs.

Sunn Sheng wanted to cry, but no tears came out. He didn't expect women to be so hard to deal with, especially women with status.

After a short pause, he could only ask Wu Tian for help, "Boss Wu, only you can deal with Elder Sister Lan now. Quickly go and beg Elder Sister Lan. We can't afford to miss her during tonight's live broadcast."

"Elder Sister Lan is very angry this time. I'm afraid I won't be able to handle it." Wu Tian shrugged with a helpless look.

"You'll definitely be able to do it." Sunn Sheng turned his head to look at Huang Lan's back, and said in a low voice: "Elder Sister Lan is only staying in our Seafood TV because of you, otherwise, with her identity, any other media company would be stronger than our live broadcast company."

"Alright, I'll go and try." Wu Tian chased a few steps after Elder Sister Lan, then turned around and instructed Sunn Sheng, "Set up the stage and maintain order at the scene. Everything will be done according to the normal procedures. I will definitely bring Elder Sister Lan back."

With that said, he quickly ran in the direction Huang Lan had left in.

He quickly caught up with Elder Sister Lan at the street entrance and intercepted her.

"Elder Sister Lan, are you still angry from what happened just now?" Wu Tian tilted his head and intentionally looked into Elder Sister Lan's eyes from below.

"Of course." Huang Lan turned her head to the right and spat out the word.

"Elder Sister Lan, anger will harm your health, anger will affect your normal development ..."

"Scram!" Huang Lan rolled her eyes in annoyance. "Little brat, stop being so mischievous with me."

"Elder Sister Lan is still angry?"

"Of course."

"Don't be angry, you see, your breasts are getting smaller."
