

Hidden Billionaire Chapter 341 - Live Fish -

C341 Live Fish

Shen Xue was so frightened that she quickly covered her mouth with her hand and scolded softly, "You scoundrel, what are you trying to do?"

"Of course I want to kiss you." Wu Tian licked his lips and smiled shamelessly.

"You're annoying." Shen Xue pushed Wu Tian and complained with a red face, "Can you not act like a hooligan in public?"

"Alright, let's find a place with no people and kiss ..."

"No, I won't give you a kiss."

"So petty."

"You ..." Shen Xue rolled her eyes in annoyance. She turned away slightly, too lazy to respond to this hooligan.

Just as the two were flirting and swearing, a middle-aged man in a suit and leather shoes walked over. He asked Wu Tian with a fake smile: "You are Seafood TV's boss?"

"Yes, I am." Wu Tian nodded and looked at the man in front of him with a scrutinizing gaze, "May I ask who you are?"

"I'm the owner of Odd Fish Broadcast, Wang Shaohua." The old man shook his suit and replied in a domineering manner.

"So you're the boss of Odd Fish." Wu Tian's expression clearly became more serious.

In the Luzhou, there was no one who did not know of the great name of Odd Fish. It was the most famous big platform in the live broadcast world.

The live broadcast of Odd Fish represented the local live broadcast company of Luzhou. It represented the participation of Luzhou in the national competition and had a small reputation in the live broadcast world.

"I really didn't think that Seafood TV Boss would be able to lead the development of Seafood TV so quickly at such a young age." Wang Shaohua spat out these words with a smile.

"No, compared to Boss Wang, I'm still a long way off." Wu Tian casually replied with a flattering remark.

"Young man, who do you think will become the king of this year's live broadcast?"

"It's still hard to say."

"Let me tell you this." Wang Shaohua moved to a comfortable position and sat on the chair. He looked up arrogantly and said, "I am determined to win this grand ceremony."

"Is that so?"

"Every year's King of Rites will be a live broadcast of our Odd Fish, so it will not be an exception this time."

"Until the end, no one would dare make such a conclusion."

"From your tone, your Seafood TV wants to compete with our Odd Fish's live broadcast for the title of Grand Ceremony King?" Wang Shaohua narrowed his eyes. There was a trace of anger and displeasure in his eyes.

"Of course." Wu Tian did not hide his ambition at all.

He had gone to great pains to host the pageant, not to be a supporting actor. He wanted to be one of the top people in the broadcast world and join the ranks of the top companies.

"What a joke." Wang Shaohua sneered twice and said mercilessly: "With a third-rate live broadcast like yours, what right do you have to compete with us Odd Fish?"

"We have Huang Lan as our trump card."

"What a joke, relying on just a little star to fight with us?"

"We are confident."

"I'll tell you the truth." Wang Shaohua leaned his head over and whispered: "Our Odd Fish s have nurtured many famous host s, the number one host is much more famous than Huang Lan, and his influence is not worse than Huang Lan."

"Is that so?"

"If your Seafood TV is to overestimate yourself, then you will only become a laughing stock."

"Whoever can laugh to the end will be the winner."

"Fine, then just you wait and see. I'll let you see our strength, and also let you know the gap between us." The corner of Wang Shaohua's mouth lifted into a confident smile.

Wu Tian didn't say anything else, he also had a confident smile on his face.

He believed that with Elder Sister Lan's support and the few other host that he had nurtured with seafood, he would definitely be able to take the lead in this live broadcast.

The time for the live broadcast to begin was getting closer and closer. The company's executives and leaders who were participating in the ceremony took their seats, and the audience also entered the venue.

Under the strong organization of Sunn Sheng and Azure Dragon, the scene was organized in an orderly manner. Tens of thousands of people did not have the slightest bit of chaos.

At 7 PM, the live broadcast officially began.

After the passionate opening dance, the audience was fired up. They became extremely excited as the whole street was filled with noise.

The host gave his opening speech and then let the various companies broadcast live on stage one after another.

These host s who were on the stage were all the top host of their respective platforms, so they had quite a bit of influence on their platforms.

Every host would receive bursts of applause and cheers, and the cheers would go up and down.

After Jiang Meizi went up on stage, the audience burst into an uproar. The audience was filled with excitement as they cheered and applauded with all their might.

Jiang Meizi was the number one host in the Odd Fish live broadcast, so she had a lot of influence in the Luzhou.

Once she got on stage, the audience all picked up their phones one by one to take pictures, and started to brush up their gifts in live streaming room.

It was as if the fans were ignited. Everyone became incomparably crazy.

Looking at this scene, Wang Shaohua was very satisfied. He could not help but show off to Wu Tian, "Look at our platform's host, does it have a big influence?"

"Not bad." Wu Tian nodded in agreement, he never thought that Odd Fish Platform's number one host would have such great influence.

Many host s were not famous normally, they would only be kings on their own platforms, and only when they walked out would one be able to see their true influence.

"Young people, you will lose for sure." Wang Shaohua patted Wu Tian's shoulder and smiled proudly.

From the looks of it, he had already won.

"Like I said, until the end, no one can be sure." Wu Tian replied with a calm tone.

"Good boy, even now, you're still being stubborn. I want to see how you're going to turn the tables." Wang Shaohua crossed his arms, as if he was waiting to see a good show.

"Don't worry, we'll see the results soon." After Wu Tian said this, he took out his phone and sent a message to Sunn Sheng.

Given the current situation, according to their previous plans, they wouldn't be able to gain much from this.

Right now, they could only change their strategy and let Elder Sister Lan take the lead, using the masked goddess as the center of attention as a surprise attack.

Just as he finished posting this message, he heard the host announce, "We have number eighteen beauty host. She is also the famous singer Huang Lan.

"Pa Pa Pa ..."

Before the host finished his sentence, warm applause and cheers rang out from the audience. The audience was shouting Huang Lan's name with deafening voices, causing the fans to go crazy.

Following the audience's cheers. Huang Lan slowly stepped onto the stage.

Tonight, she was wearing a sexy black dress, making her the brightest pearl on the stage.

She was truly worthy of being a goddess' star. Her temperament instantly suppressed all of the host s, surpassing them in every aspect.

The moment she got on stage, the fans all went crazy, waving their hands and shouting with all their might. They were about to shout out until their throats turned hoarse.

He had to admit that Elder Sister Lan's influence was indeed very strong, and she immediately surpassed the famous Internet host Jiang Meizi.

Perhaps this was the difference between a celebrity and a host. Whether it was in terms of temperament or image, a celebrity was much more popular than netizens of the same level.

This was also the reason why someone like Elder Sister Lan, who was stationed here, was able to bring such an aura and flow of energy to Seafood TV.

Looking at Huang Lan on the stage, even Wu Tian was dumbfounded.

Tonight, Elder Sister Lan had painted delicate makeup and wore a sexy long skirt. She was more beautiful than ever before.

Hidden Billionaire Chapter 342 - Live Ceremony -

C342 Live Ceremony

Even Shen Xue had fallen into a trance as she watched. She was also deeply attracted by Huang Lan, who was standing on the stage.

This woman wore a long skirt, and her sexy long legs were faintly discernible. A cold domineering aura exuded from her body, making her appear like a queen standing high above others.

With such a figure, coupled with such an imposing aura, she was simply as perfect as an icy goddess. Even she couldn't help but be jealous.

All of the men present were subdued by Huang Lan. Their eyes were fixed on her, unwilling to even blink, afraid that they would miss out on the beautiful details.

Only when Shen Xue lowered her head, did she realize that even Wu Tian was drooling as he stared at Huang Lan, who was on the stage. He was like a hungry wolf that had seen meat.

Seeing Wu Tian's greedy gaze, Shen Xue's heart ached. She couldn't help but ask, "Is she that good-looking?"

"Good looking, it's really of the highest quality." Wu Tian nodded without turning back. His eyes were still on Elder Sister Lan.

Just as he finished answering, he felt a wave of pain from the tender flesh on his waist. Only then did he wake up, and he looked down to find Shen Xue glaring at him angrily.

"Hiss!"

Wu Tian took a deep breath and complained in a low voice, "Xue, why are you pinching me?"

"If I didn't pinch you, your eyeballs might have fallen out." Shen Xue spat out angrily.

Seeing Wu Tian staring at Huang Lan with such infatuation, she was unhappy and almost died from anger.

"I just think that Elder Sister Lan's outfit is pretty good, and it suits her very well." Wu Tian scratched his head awkwardly.

"Is she really that good-looking?"

"Right."

"More beautiful than me?"

"Elder Sister Lan and you each have your own strengths. Both of them look good."

"Humph!" Shen Xue snorted and said angrily, "You stinking men all like this kind of vixen."

"Hehe!"

Wu Tian chuckled dryly. There was really nothing he could do about it.

At this moment, Huang Lan, who was on the stage, had already taken the microphone and was starting to sing.

The song soon brought the audience to a different scene. Everyone was immersed in it, enjoying the beautiful melody. Their ears felt extremely comfortable.

He had to admit that Elder Sister Lan's singing was pleasant to hear. Listening to her sing was a great pleasure. Not only was the audience in a happy mood, their bodies were also extremely relaxed.

Just as Elder Sister Lan was about to reach the climax of her singing, someone below suddenly shouted, "You're singing too badly, get off the stage."

When he said this, the scene instantly turned chaotic. Many people accused the audience of being unqualified and demanded that he be thrown out.

Soon after, a few other spectators clamored that Huang Lan's singing wasn't good, and they all clamored to get Huang Lan to step down from the stage.

These people were simply spouting lies with their eyes wide open. This immediately caused the fans to be dissatisfied. They argued with the people who accused Elder Sister Lan, and there was quite a bit of confusion.

Wu Tian didn't expect such a situation to occur. When he saw Wang Shaohua's smile that succeeded in his scheme, he immediately understood that this old fox was deliberately discrediting Elder Sister Lan.

He did not expect the old fox to be so shameless. In order to become the King of Rites, he did not hesitate to attack Elder Sister Lan from behind.

If this continued, not only would Elder Sister Lan's reputation be damaged, it would also affect the popularity of her Seafood TV, and even the process of the live broadcast of the grand ceremony.

He had to find a way to calm the chaos in front of him, so that he wouldn't lose control of the situation.

After thinking for a moment, Wu Tian took out his phone and dialed Police Officer Su's number. He said a few words into the phone before hanging up.

In a moment, Su Ruyun rushed over with the police and shouted into the microphone, "As far as I know, someone was bribed to deliberately discredit Huang Lan. I won't forgive such a criminal act. If I catch him, I'll send him to jail."

After saying so, she waved her right hand, and those young policemen started to wander around the crowd.

As long as they saw anyone boycotting Huang Lan, they would be arrested as suspects and brought back to Police Station.

The audience was cheering and applauding, everyone agreed with the police, and couldn't help but extend a hand to give them a thumbs-up.

Under the suppression of Su Ruyun and a group of police officers, those who had been bribed did not dare to cause any more trouble, and the scene gradually regained its calm.

The host spoke a few words, and then Huang Lan went onstage to continue singing for everyone. Soon, the atmosphere returned to how it was before.

This matter gradually calmed down, but Huang Lan's popularity was still affected to a certain extent. After her singing, her popularity was equal to Jiang Meizi's.

With her strength, she should've been able to shake Jiang Meizi off. However, the accident along the way had a huge impact on her, and the result was obviously unsatisfactory.

"I thought the big star was powerful, but her strength is only so so. She's around the same as our Odd Fish's number one host." Seeing this, Wang Shaohua couldn't help but gloat.

"Boss Wang, if it wasn't for someone bribing the criminal to frame Elder Sister Lan, Elder Sister Lan's popularity would definitely be much higher than Jiang Meizi, right?" Wu Tian said coldly.

"Who framed Huang Lan?"

"Boss Wang is well aware of that."

"Humph!" Wang Shaohua shook his sleeves forcefully and said with a face full of displeasure, "Boss Wu, don't intentionally frame me just because you lost this grand ceremony."

"Boss Wang, I didn't say that you were the one who bribed the criminal, why are you in such a hurry?"

"I'm not stupid. I know you're scolding me." Wang Shaohua leaned his body against the chair and warned coldly, "Without evidence, you better not spout nonsense."

"There are some things that you and I are well aware of."

"Your Seafood TV is about to become my defeated opponent. Kid, are you in a hurry?"

"It's still not clear who will win and who will lose."

"Even now, you still dare to be stubborn. I want to see how long you can be stubborn for." Wang Shaohua gritted his teeth and stared at the stage angrily.

"Let's continue watching." Wu Tian wasn't in a hurry, he also looked outside the stage.

Under the gaze of the crowd, the host walked onto the stage and said loudly: "I heard that the next person on stage is Seafood TV's number one host, the

most mysterious female host of the entertainment circle. Everyone, guess who she is?"

These words caused a huge commotion.

Without a doubt, the name of Seafood TV's number one host was Huang Lan, why did a number one host suddenly popped out?

Everyone could not help but be curious about what kind of host she was. Her name was even more famous than Huang Lan.

"Actually, I don't know who she is either. I also want to know." The host purposely gave a hint, and then announced loudly: "Next, let us invite this mysterious host up."

Under everyone's gaze, a female host wearing a mask slowly ascended the stage.

The moment she went up on stage, it piqued the curiosity of the audience. Everyone started to guess who exactly this female host was.

Some recognized the female host, some had seen the masked Goddess' face during the live broadcast of the carnival, but no one dared to be sure, and only waited for the mask to reveal the answer.

After the masked goddess went up on stage, she didn't say much and just held the microphone and sang a very sweet song.

This song moved many of the audience. Everyone had a good impression of the masked goddess and wanted to see her face even more.

Hidden Billionaire Chapter 343 - A Complete Victory -

C343 A Complete Victory

After the masked goddess finished singing, she turned around and left the stage without another word and walked towards the back.

This was strongly opposed by the audience. They all forced the masked goddess to take off her mask because they wanted to see the goddess' face.

At this time, the host hurried onto the stage and said to the audience, "Calm down everyone, don't get excited."

After those words were said, the scene gradually quieted down. Everyone was clamoring for the masked goddess to remove her mask.

"I understand everyone's feelings." The host gestured for the audience to quiet down and said with a smile, "I'm the same as everyone. I also want to see the masked goddess' looks. Everyone, don't worry. She will take off her mask at the end of the ceremony. I ask everyone to vote for the masked goddess. "

After saying that, the audience all took out their phones to give the masked goddess a present and cast their votes. They all supported the masked goddess.

After a series of packaging, promotion and promotion, the masked goddess had been promoted to the same height as Huang Lan and Jiang Meizi, the top female host.

Soon, the number of people and their traffic soared to almost a million. She was on par with Jiang Meizi and Huang Lan.

When the host announced that the Mask Goddess' heat of 980,000 RMB had been released, the entire venue instantly boiled up with excitement. Everyone was surprised by this number.

No one would have thought that Seafood TV's second female host would suddenly jump and become the number one host on equal footing with Huang Lan.

Until now, no one knew the true appearance of the masked goddess.

Only after all the host were on stage did the host order the masked goddess on stage to take off her mask in front of everyone.

After the mask was taken off, the audience was stunned, amazed, and disappointed.

In any case, this marketing was a success. The masked goddess had occupied the third place, behind Huang Lan and Jiang Meizi.

After the female host ascended the stage, the top three were Huang Lan, Jiang Meizi, and the masked goddess.

What followed next was the King of Ceremony that everyone looked forward to the most. Under everyone's gaze, the host announced in front of everyone, "This year's King of Ceremony is Seafood TV."

After saying this, the audience burst into applause.

Under the pincer attack of Huang Lan and the masked goddess, his Seafood TV defeated the live broadcast Odd Fish, and obtained the title of this year's Grand Ceremony King.

"Boss Wang, you lost." After announcing the result, Wu Tian turned his head and looked at Wang Shaohua, who was beside him.

"We lost." Wang Shaohua was like a defeated rooster. He instantly became dejected and lost his arrogant attitude from before.

He was very surprised with this result. He never thought that a small Seafood TV could actually defeat a large platform like their Odd Fish.

He had long since known that Huang Lan had great influence over him, so he had intentionally bribed the culprit to discredit Huang Lan.

But he did not expect that Wu Tian, this brat, would suddenly package and promote host No. 2 and instantly raise it to the level of number one host, suppressing their Odd Fish completely.

"Boss Wang, are you convinced?" The corner of Wu Tian's mouth raised into a smile that he hadn't seen in a long time.

"I submit." Wang Shaohua was unwilling to accept this, but there was nothing he could do.

Since he had lost, there was nothing to say. However, he still could not accept that he would lose to such a small third-rate live broadcast platform.

"Boss Wang." Wu Tian patted Wang Shaohua's shoulder, and said with a smile: "The current Odd Fish is no longer the Odd Fish from before, and the current Seafood TV is even less of the Seafood TV from before which anyone could bully and humiliate them."

"Fine, you win. Our contest has only just begun." Wang Shaohua clenched his teeth in frustration and stood up to leave.

"Boss Wang, take care. I'll treat you to tea when I have time." Wu Tian waved at Wang Shaohua's back.

Wu Tian then took out his cell phone and dialed Loong Yun's number. He arranged for Secretary Loong to carry out a promotional campaign overnight and continued to bring up the topic of the live broadcast ceremony.

The next step was to explain the marketing campaign, allowing the influence of Seafood TV to continue to soar, to the point where they were on equal footing as the Odd Fish.

When he finished his call, he noticed that the audience had dispersed.

Although the live broadcast was over, it was still early. No one was in a rush to leave. They continued shopping and there were still many customers heading to the food street.

Originally, he had planned for the Food Festival to end at nine. However, based on the current situation, it should be able to last until at least ten o'clock.

Wu Tian immediately made a decision to extend the time so that the Food Festival would end after eleven o'clock.

After the tourists left, Sunn Sheng arranged for people to leave the stage, and Jiang Wan also went to help out.

With everyone working together, the scene was cleaned up in less than an hour.

"Not bad, well done." Seeing that the live broadcast ceremony was a great success, Wu Tian was very happy. He said to Sunn Sheng, Jiang Wan, Shen Xue, and the others, "With everyone's cooperation, we have won a great battle today."

"Thanks to Boss Wu's leadership, our live broadcast of the grand ceremony and Food Festival was able to achieve great success." Sunn Sheng couldn't help but interrupt.

"Stop flattering me." Wu Tian rolled his eyes at Sunn Sheng, and said with a smile, "The success of this Food Festival and live broadcast ceremony is not due to me alone, but all of us."

"You're right." Sunn Sheng nodded and clapped.

"Don't interrupt." Wu Tian pressed his hand, signaling for everyone to be quiet. Then he continued, "Let's go to my house together later. Let's have a good celebration."

"Alright." When they heard that they were going to Wu Tian's house, Sunn Sheng and Jiang Wan couldn't help but cheer.

"Azure Dragon, you'll be in charge of the food shop, the rest of the people will come home with me." Having said so, Wu Tian turned to Shen Xue and instructed, "Xue, thank you for your hard work. Please cook a good meal for us later."

"Don't worry, leave it to me."

"Alright, you guys go home early. I'll get Secretary Loong to help you." After Wu Tian said this, he instructed Liu Fugui, "Uncle Fugui, drive Xue home first."

"Alright!" After Liu Fugui answered, he brought Xue home early.

"Alright, the rest of you can pass on the things here and come back with me later." After Wu Tian said this, he started to get busy.

Everyone helped to pack up the scene.

While he was busy packing his stuff, he saw Wang Shaohua, that old fogey, chatting with Huang Lan in the backstage.

Initially, they thought that they knew each other, but upon closer inspection, they realized that this old thing, Wang Shaohua, was trying to poach Huang Lan into entering their Odd Fish to do a live broadcast.

Wang Shaohua lowered his posture and discussed with Huang Lan: "Miss Huang, I sincerely and sincerely want to invite you to stay at our Odd Fish for live broadcast."

"Sorry, I'm not interested in your Odd Fish." Huang Lan rejected him decisively without thinking.

"How much did they pay you to sign their contract with the Seafood TV? I'll give you fifty times that, what do you think?"

"Not much, even if it's five hundred times that, I still won't go to your company." Huang Lan answered with a resolute tone.

"I don't understand, why are you staying in a small company like Seafood TV and not willing to go broadcast live at our Odd Fish?"

"No reason." Huang Lan stroked her hair and said coldly: "It's best that you give up on this thought. I won't leave the Seafood TV."

Hidden Billionaire Chapter 344 - Steal You -

C344 Steal You

With that, Huang Lan turned around and left. The moment she turned around, she almost collided with Wu Tian, who was standing at the back of the corner.

She took a step back and complained softly, "Wu Tian, why are you hiding here and eavesdropping on my conversation?"

"How would I know someone was going to steal you if I didn't eavesdrop?" After Wu Tian said this, he walked towards Wang Shaohua, "Boss Wang, you want to steal Elder Sister Lan from me?"

"Yes, I do intend to invite Miss Huang into our company." Wang Shaohua did not hide his possessiveness.

Right now, the Seafood TV was only able to rapidly attract traffic because of Huang Lan's trump card, allowing it to be promoted to a first-rate live broadcast platform in a short period of time.

If they could get a celebrity like Huang Lan for their Odd Fish live broadcast, they could leave Seafood TV and other live broadcast platforms far behind.

"I advise you to give up on that idea. Elder Sister Lan is my woman, and no one can take her away from her." After Wu Tian said this, he pulled Huang Lan and left.

After walking for a long distance, Huang Lan retracted her arm and softly said, "You looked quite manly just now."

"That old bastard Wang Shaohua is despicable and sinister, stay away from him." Wu Tian halted his steps and warned Elder Sister Lan with a serious expression.

"How did he become so despicable and sinister?"

"You might not know it, but the people who disgraced you at the live broadcast tonight were all bribed by Wang Shaohua."

"What?" Hearing that, Huang Lan's face instantly turned dark, "You said those people were bought by Wang Shaohua?"

"Right."

"No wonder ..."

Huang Lan suddenly realized that it was Wang Shaohua who was behind all of this. It was no wonder that someone suddenly started to denounce her.

After gnashing her teeth for a long time, she finally cursed, "That old bastard is really despicable."

"That old thing isn't a good person. You can stay away from him. If he dares to provoke you, I'll help you deal with him."

"Why are you so good to me?"

"Because you are mine."

"When did I become your woman?"

"What I mean is, you are a member of our Seafood TV, so it is only natural for me to protect you." Wu Tian knew he said the wrong thing and quickly changed his words.

"If it wasn't for you, I wouldn't have stayed in Seafood TV!"

"Thank you, Elder Sister Lan. Elder Sister Lan has contributed the most tonight. Come, let's go home and have a celebratory feast." After Wu Tian said this, he led everyone back to their living quarters.

Shen Xue had already prepared a delicious meal at home. After exchanging a few words of greeting, everyone took their seats.

Wu Tian was seated at the seat of honor, while Sunn Sheng was seated at the seat of honor. Next to him were Jiang Wan, Sunn Xiaohao, Su Ruyun, Huang Lan, Shen Xue, and Xiaofeng.

Wu Tian waved his hand and ordered Azure Dragon and Loong Yun, who were standing beside him, "It's a family banquet today. You are all my family. Come over and take a seat."

"Thank you, Young Master." Azure Dragon and Loong Yun thanked him and sat down on the remaining two empty seats.

What the young master said just now had moved both of them.

From the way the young master spoke and acted, it could be seen that the young master had never treated them as his servants. He had always regarded them as his own family.

"Everyone else knows each other. Let me introduce this little girl to everyone." Wu Tian rubbed Xiaofeng's head and introduced her, "She is Azure Dragon's sister, Xiaofeng. She is also my sister."

"Hello everyone, my brothers and sisters. My name is Xiaofeng." Xiaofeng stood up to greet the crowd. Her mouth was as sweet as if it had been smeared with honey.

"Sit down!"

Wu Tian pulled Xiaofeng and sat down, then raised his glass and said, "The live broadcast ceremony and Food Festival have both been successful. This cannot be achieved without the hard work of everyone here. Come, let us clink glasses together."

"Cheers!"

Everyone stood up and clinked their glasses, then drained their cups in one gulp.

The girls drank red wine, while Su Ruyun and the men all drank white wine. The drink Xiaofeng was drinking.

"Everyone, take a seat." After drinking the first cup of wine, Wu Tian gestured for everyone to sit down and said with a smile: "Thank you everyone here. Without you all, the live broadcast ceremony and Food Festival would not have been successful."

"Tian, didn't you say you were going to reward us in terms of merit? How are you going to reward us?" Shen Xue asked half-jokingly.

"Don't be impatient, each of you have a share." Having said that, Wu Tian turned around and ordered Loong Yun, "Secretary Loong, go and share the clothes I bought with everyone."

"Yes."

After Loong Yun answered, she followed Azure Dragon to the room. Soon, they came out carrying a few big boxes of clothes.

Seeing so many brand-new clothes, everyone was dumbfounded.

They didn't expect Wu Tian to have bought so many clothes, and they were all famous brands. They must be worth more than a few million.

"Tian, you can't be thinking of opening a clothing store, right?" Seeing so many clothes, Jiang Wan could not help but tease.

"What clothing store? This is a gift from me. Consider it a reward. Everyone has a share." After Wu Tian said this, he waved his hand: "Divide."

Everyone was given a dozen sets of clothes, and everyone had a share.

Sunn Sheng and Jiang Wan had bitter expressions on their faces as they complained, "Tian, what's the meaning of giving us the clothes of a lady?"

"You can take it back to your families and friends. Quick, take it." Without saying anything, Wu Tian shoved the two bags of ladies' clothes into the hands of the two of them.

Jiang Wan and Sunn Sheng looked at each other and finally received the clothes with a wry smile.

After Huang Lan, Shen Xue, and Su Ruyun had chosen their clothes, they went into their rooms to change their clothes.

On the other hand, Jiang Wan couldn't help but whisper: "Tian, why did those three women all live in your house?"

"Xue has a conflict with her family. She has no place to live, so she temporarily stays at my house. Police Officer Su was sent by Superintendent Liang to protect me. As for Elder Sister Lan ..." Wu Tian scratched his head, not knowing how to explain.

He still couldn't understand how Elder Sister Lan could have come to live in his house for no reason.

Actually, Elder Sister Lan's arrival was an accident. She saw that Xue was living here, so she stayed put.

"Tian, your luck with women is really good. You have three women. There are the police flower, female chef god, female singer, and loli Xiaofeng. I'm so envious of you." Jiang Wan was simply envious and jealous to the point of death.

He was still single, but Tian had five goddesses, all of them of the highest quality.

"Don't talk nonsense, I'm just ordinary friends with them." Wu Tian rolled his eyes at Jiang Wan and argued in a low voice.

"Don't lie to me, even a fool can tell that you guys have a close relationship with each other. These girls all have feelings for you." Jiang Wan had already seen through the girls' thoughts, so he asked, "These girls, who do you like?"

"I don't know." Wu Tian felt a headache when Ye Zichen mentioned this issue.

These women had their own talents and talents, and it was difficult for him to choose one of them to be his girlfriend.

"Tian, I know you have a hard time making a choice. When you meet so many top quality women, any man would have a hard time choosing."

"Don't talk so much nonsense."

"But I have a way."

Hidden Billionaire Chapter 345 - Celebration -

C345 Celebration

"What method?" Wu Tian put his head close to Jiang Wan. He really wanted to know what rotten idea Jiang Wan had.

"Hehe!"

Jiang Wan smirked and suggested, "Why don't you accept all these girls? Isn't that perfect?"

"Scram!"

Wu Tian hit Jiang Wan's chest with his arm and cursed, "Stop bullshitting. I'm not a pig."

"Aren't I trying to help you?"

"What a rotten idea."

"Let's not talk anymore, let's drink." Jiang Wan chuckled dryly, then raised his wine cup and moved over.

After the two of them clinked cups, they drank half the cup of white wine.

The moment they finished drinking, they saw Su Ruyun, Shen Xue, and Huang Lan, who had changed into new clothes, walking out.

The most breathtaking of the three was Huang Lan. With her voluptuous body and that dress, she was truly sexy.

Shen Xue was the most elegant one. This dress made her look less childish and cute, and instead, more mature and elegant.

The most breathtaking was Su Ruyun. She was dressed in a chiffon dress with her meatballs. She looked like a poem or a painting. She looked even more domineering than when she was in a police uniform.

"Wow!"

Looking at the three beautiful and charming women in front of them, Wu Tian, Sunn Sheng, and Jiang Wan were all dumbfounded as they gulped.

Especially Sunn Sheng, he had a lecherous look on his face. His eyes wandered back and forth between the three women and he was drooling.

"Look at your little ability." Wu Tian raised his hand and smacked Jiang Wan's head as he disdainfully said, "It's like you haven't seen a woman in 800 years."

"I've seen many beautiful women. I've never seen anything like them." Jiang Wan wiped away his saliva and smiled embarrassedly.

He knew that these women had a close relationship with Wu Tian, so he did not dare to have any presumptuous thoughts about them. He could only retract his gaze, pick up his wine cup and gulp down two mouthfuls.

"You're hopeless." Wu Tian cursed and then said to the other women, "Don't try to pose there. If you continue being so tempting, Jiang Wan and Sunn Sheng will die because of you."

"Cough, cough ..."

Hearing that, Sunn Sheng and Jiang Wang coughed and nearly choked to death on their own saliva.

How could they recognize an animal like Wu Tian? He scolded them in front of a few beauties, he was truly a loser.

These words not only made Sunn Sheng and Jiang Wan feel awkward, but also made Shen Xue and Huang Lan feel awkward. They couldn't help but retreat back to the dining table and sit down.

On the other hand, Su Ruyun couldn't help but look at Wu Tian with disdain, "Amongst these men, you're the one who's the most greedy, right?"

"I've long since gotten used to women like you." Wu Tian pretended to be calm and pretended to be calm.

"Stop hiding it, your pants have already betrayed you."

After Su Ruyun said this, everyone looked down at Wu Tian's pants and found that his pants sold him out.

"Pfft!"

Huang Lan and Shen Xue couldn't help but burst out laughing at the same time. The two girls' faces were flushed red from holding their breath and were too embarrassed to watch any longer.

"Cough, cough, cough ..."

Only then did Wu Tian realize his embarrassing state. He coughed continuously and wished he could find a hole to hide in.

He had never been as embarrassed as he was today. He was actually embarrassed in front of so many women. Just thinking about it made him feel awkward.

"Wu Tian, I didn't think that you would have such dirty thoughts. You actually want to scheme against us women. You're really shameless." Su Ruyun made use of this opportunity to show her disdain.

Wu Tian didn't show any weakness and replied while licking his face, "Police Officer Su, you can carry a gun, but I'm not allowed to carry a gun?"

"Shameless!" Su Ruyun's face turned red as she cursed out loud.

She knew that she wasn't Wu Tian's match, so she shut her mouth and stopped talking.

On the other hand, Jiang Wan at the side couldn't help but interrupt him, "Tian, he's a police officer, it's legal for him to bring a gun. As for you, I don't know if it's legal or not."

"Scram." Wu Tian glared fiercely at Jiang Wan, pointed at his nose and warned, "If you dare to talk anymore, I'll throw you out of here."

The moment he said that, it scared Jiang Wan so much that he quickly covered his mouth with his hands.

"Come, drink." Wu Tian raised his glass and changed the topic, "Let us work together to build our own business empire."

"Cheers!"

Everyone's mood was piqued, and they all raised their cups.

After drinking two cups of wine, Wu Tian's gaze fell on Loong Yun again, "Secretary Loong, everyone is drinking, why aren't you drinking?"

"I can't drink." Loong Yun said humbly.

"Here, drink this." Wu Tian poured a glass of liquor and handed it over.

He had seen a bottle of vodka in Secretary Loong's room. He knew that this woman liked to drink, but she rarely drank.

Perhaps she would only secretly drink in her room in the dead of night.

"Yes sir!" After Loong Yun responded, she grabbed her wine cup and gulped it down in one gulp. She didn't even bat an eye.

Everyone was shocked by Secretary Loong's alcohol tolerance. They never thought that a girl could drink so much more than many men.

"Secretary Loong, I really didn't know you could drink that much." Wu Tian looked at Loong Yun with a deeper meaning.

She had always felt this woman was very mysterious and very deep, like an ice cube in a valley, deep and cold.

Loong Yun was definitely a woman with a story.

"Compared to Young Master, I'm still far inferior." Loong Yun said humbly.

"Alright, let's continue drinking." Wu Tian picked up the bottle and poured everyone a full cup before continuing to drink and chat.

At the end of the drink, the women went back to their rooms, leaving Wu Tian, Sunn Sheng and Jiang Wan, the three men, to continue drinking.

The three of them chatted as they drank, mainly discussing the future direction of Seafood TV and its development.

Sunn Sheng was also an ambitious man. He had a plan to annex the Odd Fish and gain a reputation throughout the country in the future.

In comparison, Jiang Wan was not that ambitious. At the moment, he only wanted to announce his Wan Street's name.

Tonight's live broadcast ceremony and Food Festival could bring about a lot of people for Wan Street. If he could strike the iron while it was hot, he could conveniently hold more of these kinds of brand festivals, hoping to be able to continuously drain them over the long term.

They talked late and drank several bottles of white wine. Finally, the three of them got drunk and collapsed on the sofa.

When Wu Tian woke up again, it was already 3 in the morning. At this moment, his mouth was dry and his head was muddled.

When he opened his eyes, he found Loong Yun sitting on a chair in front of the soft bed.

Seeing Secretary Loong, Wu Tian suddenly sobered up. He asked in confusion, "Secretary Loong, why are you in my room?"

"Young master, this is my room." Loong Yun stared straight ahead as she expressionlessly spat out this sentence.

"What?" Only then did Wu Tian realize that he was lying on Loong Yun's bed. Luckily, he was still wearing his clothes.

He quickly got up from the bed and asked puzzledly, "Secretary Loong, why am I in your bed?"

"Young Master entered my room last night while swaying, you stayed on my bed and didn't leave." Loong Yun rolled her eyes resentfully. Her tone was as cold as frost.
