C367 Head down and Admit Fault

"Yes sir!" After Lu Ren replied, he left with a face full of dust. He ran even faster than a rabbit.

"Young Master Wu, if there's nothing else, I'll be leaving first." After Wu Changshan said this, he also prepared to take his people and leave.

"Halt." Wu Junyi stretched out his hand and grabbed Wu Changshan's shoulder, "Don't be in such a hurry to leave, I still have something to tell you."

"Young Master Wu, if you have anything to say, just say it."

"I want to remind you, if the Flowers Bloom That Year is released, if the footage is too low, then your Changshan Film and Television Company will not be able to operate it." Wu Tian's tone was calm, but it carried an unquestionable domineering aura.

"Don't worry, I guarantee that the number of broadcasts won't be low." Wu Changshan stretched out his right hand and swore to the heavens.

"Alright, you can leave now."

"Young Master Wu, then I'll be taking my leave first. If you have anything to inform me, then feel free to call me." Wu Changshan flattered him a few times, then left in a hurry with his people.

After Wu Changshan and Lu Ren left, the scene became lively. The guests were all discussing about Wu Tian's identity.

Everyone could see that this young man called Wu Tian was not simple. To be able to tame Wu Changshan so easily, the power backing him could be imagined.

The guests all secretly remembered this face in their hearts. No matter what, they couldn't offend Wu Tian in order to avoid bringing a disaster upon them.

After a short discussion, everyone continued to drink and chat, and the atmosphere quickly returned to normal, as if nothing had happened before.

At this time, Qiao Fugang walked over, bowed deeply towards Wu Tian, and said in admiration, "Boss Wu, I really didn't expect that you could tame a character like Wu Changshan so easily. Truly admirable."

"In my eyes, Wu Changshan is just a small fry." Wu Tian said lightly. His tone was as calm as a lake, without any ripples.

"Boss Wu is indeed powerful." Qiao Fugang couldn't hide the admiration and reverence in his heart. He said excitedly, "This time, not only did you easily deal with Lu Ren and Wu Changshan, but you also solved the worries of the movie's release."

"Don't worry, our movie will definitely have a good broadcast."

"Now we have everything we need. We just need to wait for the movie to be released."

"Regarding the promotions before the film's release, it's still up to you." Wu Tian thought for a moment and continued, "Let's create some hot topics and think of a way to make the movie famous. As for the funds, don't worry. We don't lack money."

"Thank you for Boss Wu's support." After Qiao Fugang said this, he picked up two glasses of red wine and handed one to Wu Tian, "Boss Wu, let me toast you."

"Cheers! I wish our new movie a great deal." After Wu Tian received the wine cup and clinked glasses with Qiao Fugang, he immediately drank the red wine in the cup in one gulp.

He had just finished drinking his wine when he saw Yan Jie walking over with a glass of wine in her hand. She looked at Wu Tian with a joyful expression. "Boss Wu, I really admire you more and more now."

"What do you admire about me?" Wu Tian chuckled as he looked at the woman in front of him.

Even though Yan Jie was in her thirties, her figure was well maintained. Her figure did not decline at all, and her skin was as tender and tender as the eighteen year old leading actress.

"I admire your calmness." Yan Jie tilted her head and could not help but praise him. "Being able to conduct the ceremony in such a messy environment, you are truly amazing."

"Yan Jie, you're quite amazing too."

"What's so good about me?"

"You're in your thirties, and your figure is still so good. Your chest doesn't droop at all." Wu Tian teased her seriously.

"Bastard!"

Yan Jie blushed and said in a bad mood, "Boss Wu, you are a big boss after all, why are you always making fun of a small employee like me."

"Yan Jie, you're not a small employee. You're a big employee. Look at how big you are." Saying that, Wu Tian couldn't help but rub Elder Sister Yan's body.

"You!"

Yan Jie was so frightened that she hugged her body and retreated a few steps. She angrily scolded, "Boss Wu, in front of so many people, please have some self-respect."

"Why don't we find a quiet place with no one around?"

"I'm too lazy to care about you." Yan Jie rolled her eyes in annoyance and turned around, blushing.

Being mocked by Boss Wu in this kind of situation caused her to feel embarrassed and embarrassed. She even felt ashamed.

Laughter rang out.

Looking at Elder Sister Yan's back as she left, Wu Tian couldn't help but laugh secretly. Although this woman was married, it was still quite interesting for him to tease her.

She did not lose little girl's shyness, but also did not lose the mature woman's charm, really is the best among young women.

While he was staring at Elder Sister Yan, Huang Lan walked over and said sarcastically, "Brat, I didn't think that you would have such strong tastes. You won't even let this old woman off."

When she saw Wu Tian teasing Yan Jie earlier, she felt extremely sour in her heart.

"Elder Sister Lan, don't misunderstand, I was just joking with Elder Sister Yan." Noticing Huang Lan's misunderstanding, Wu Tian hurriedly explained.

A disdainful voice rang out.

Huang Lan snorted coldly and snappily said, "Your eyeballs are about to fall into Yan Jie's collar."

"Is that so?" Wu Tian scratched his head awkwardly.

He didn't expect that the small act of him secretly spying on Elder Sister Yan would be seen clearly by Elder Sister Lan. He was truly embarrassed.

"Say it, are you interested in that woman?" Huang Lan asked with a solemn expression.

She was paying more and more attention to Wu Tian. Wu Tian's ambiguous look towards other women could make her feel uncomfortable.

"Elder Sister Lan, my taste isn't that bad." Wu Tian scratched his head in embarrassment and denied it, "Elder Sister Yan is already married, how could I be interested in her? Besides, she's ten years older than me!"

"Yan Jie may be married, but she's plump. Isn't that what you like?"

"No matter how good Elder Sister Yan's figure is, she can't compare to you, Elder Sister Lan!" Wu Tian took this opportunity to direct the topic towards Huang Lan, "In my eyes, Elder Sister Lan's figure is simply the best among all goddesses."

"Am I really that good?" Hearing this, Huang Lan was overjoyed.

"Of course."

"Then tell me, is my figure good or Shen Xue's body good?" Huang Lan brought the topic up to Shen Xue.

She knew that the relationship between Wu Tian and Shen Xue was quite deep, and they had long surpassed the relationship between a normal man and a woman.

In her eyes, Shen Xue had become her biggest competitor and love rival.

"If it's just her figure, then Elder Sister Lan is even better." Wu Tian pinched his chin and gave his answer.

"You mean, Shen Xue's face is prettier than mine?"

"No." Seeing that Huang Lan had misunderstood, Wu Tian quickly explained, "Elder Sister Lan and Xue belong to different types of goddesses. Xue is pretty and charming, and Elder Sister Lan is beautiful and proud. Both of you are top quality."

"Then do you like my type, or hers?"

"This ..." Wu Tian was stumped by this question. He couldn't understand why the two women liked to ask such questions.

Just as he was feeling troubled, the phone in his pocket rang.

"Sorry, Elder Sister Lan, I have to answer a call." After saying that, Wu Tian took out his phone and went to the side.

He took out his cell phone and saw Liu Yueyao on it.

He had just been disrupted by the two women, he didn't expect another one to come.

## **Hidden Billionaire Chapter 368 - I Met with Injustice on the Way -**

C368 I Met with Injustice on the Way

After staring at the caller ID for a while, Wu Tian summoned up his courage and answered the phone. He then asked: "Yueyao, do you need anything from me?"

"Can't I call you if I'm fine?" On the other side of the phone, Liu Yueyao replied with a little willfulness.

Wu Tian was speechless. After a long while, he finally reacted, "We're friends, of course we can call."

"I'm so bored by myself, why don't you accompany me for a walk!"

Wu Tian was about to find an excuse to decline, but was interrupted by Liu Yueyao before he could say it. "You're not looking for an excuse to lie to me again, are you?"

"No."

"Then will you accompany me?"

"I'll keep you company."

"Then I'll wait for you at the north entrance of the plaza."

"Alright, I'll be right there." Wu Tian smiled bitterly, hung up the phone and walked towards the hall.

Previously, he was vexed over not being able to find a girlfriend, but now, there were many beauties around him, causing him to feel vexed.

After dealing with Elder Sister Lan, he did not expect Liu Yueyao to call him again to ask him out for a walk. It was truly a headache.

He wished he could split himself into half, half to study, half to work, and the rest to deal with the beautiful women around him.

He returned to the hall and walked in front of Huang Lan. He smiled and said, "Elder Sister Lan, the company has some urgent matters to handle on the phone."

"Then you don't need to worry about me, hurry up and do what you need to do." On the other hand, when Huang Lan heard that it was a company matter, she urged Wu Tian to get busy.

Compared to Shen Xue, Elder Sister Lan was much more mature and rational. Both public and private were always clear.

"Then I'll be leaving first." Wu Tian said with a bit of guilt and turned around to leave.

He didn't want to lie to Elder Sister Lan, but there was nothing he could do. If he wanted to go shopping with Liu Yueyao, Elder Sister Lan would definitely not forgive him.

Leaving the Shangri-La Hotel, he took a taxi to the plaza of the Jiajia, and soon saw Liu Yueyao at the North Gate.

This girl was wearing a chiffon skirt. Her figure was similar to Shen Xue's, but she looked even more elegant.

After all, Shen Xue was a girl from an ordinary family while Liu Yueyaosheng was from a wealthy family. She had the air of a natural born lady.

"Wu Tian, this is for you." As soon as they met, Liu Yueyao took out an exquisite small box from her bag and handed it over.

"Yellow-flowered pear wood." Wu Tian opened the box and saw that there was a piece of high-quality yellow rosewood inside. It looked like it was worth a lot.

After staring at the yellow rosewood for a while, Wu Tian couldn't help but ask, "Yueyao, why did you think of giving me this?"

"My dad told me to bring it to you. This is a gift from a businessman, you might like it."

"Thank Uncle Liu for me." Wu Tian put away the yellow rosewood and asked with a smile, "How is Uncle Liu these days?"

He and Liu Jun had been very busy lately, and they hadn't had a drink together for a long time.

"He's busy with the Fragrant Honey Lake projects." Liu Yueyao pulled up her hair at the corners of her ears, "According to what my father said, you made Wan Street very lively, and the flow of people was especially explosive?"

"Not bad."

"My dad didn't make a mistake, he said you're a business genius, and he even let me ..." Before Liu Yueyao could finish her sentence, she suddenly lowered her head with a blushing face.

"What do I want you to do?"

"Nothing."

"I know it even if you didn't say it." Looking at Liu Yueyao's blushing face, Wu Tian tried to guess, "He told you to seize the opportunity and find a way to be my girlfriend, right?"

"You ..." Liu Yueyao raised her head and rolled her eyes at Wu Tian as she quibbled, "My dad doesn't mean that."

"I understand Uncle Liu's intentions. He wants me to become the Liu family's son-in-law so that I can help him take over in the future."

"Alright, let's not talk about this." Embarrassed, Liu Yueyao bit her lips and took the initiative to change the subject. "Come, let's go for a drink."

"What would you like to drink?"

"Coffee."

"Too much coffee is bad for a girl."

"What's not good?"

"Affecting development."

"Go away." Liu Yueyao rolled her eyes and pointed to the coffee shop across the street. "Let's go to that Blue Mountain Coffee. It tastes pretty good."

"Aren't you afraid of affecting your development?"

"Don't talk nonsense. I used to drink coffee often, so it wouldn't affect my growth." Liu Yueyao rolled her eyes in annoyance. She knew that Wu Tian was joking with her.

"You used to drink it?"

"Yeah!"

"No wonder you're so small."

"Nonsense." Liu Yueyao blushed as she puffed out her chest and retorted, "How am I small?"

"It looks like a small steamed bun."

"Fuck you."

"There's nothing bad about having a small chest. You can save cloth for the country."

Liu Yueyao was so angry that the corner of her mouth twitched. After a long while, she finally managed to say, "I don't want to talk to you."

After saying so, she started walking towards the Blue Mountain Cafe. At the same time, she couldn't help but lower her head to peep in front of her, secretly suspecting her figure.

She had always been very confident before and never doubted her figure. Now that Wu Tian said this, she started to worry. Was coffee really affecting her development?

"This girl is really interesting." Wu Tian shook his head and chased after Liu Yueyao with a wry smile.

When the two of them reached the entrance of the coffee shop, a young girl, who had just become an adult, ran over and bumped into Liu Yueyao.

"Sis, save me! There's a bad person capturing me!" The young master, leading actress, hugged Liu Yueyao's body, crying for help with a trembling voice.

"Don't be afraid, tell me what happened." Liu Yueyao asked worriedly in the face of the young girl's cry for help.

"Those bad guys." The young girl turned around and pointed at the other side of the street. She was so scared that she started crying, "They want to catch me as their girlfriend."

He looked in the direction the girl was pointing and saw four lackeys chasing him.

"Go, quickly hide in the coffee shop." Seeing so many people chasing her, Liu Yueyao pulled the little girl into the coffee shop.

The three of them found a table and sat down. Liu Yueyao ordered three cups of coffee and asked the young girl, "What's your name?"

"Yi Lee." The young girl looked out the window uneasily, afraid that the hoodlums would catch up.

"Why did those people want to capture you?"

"I was in the Internet Cafe just now, and those hoodlums surrounded me and said they wanted me to be their girlfriend and go to bed with them." By the end of her sentence, Yi Lee's voice was especially soft. "I snuck out while they were not paying attention."

"Don't be afraid, we will protect you."

"But so many of them ..." Yi Lee put her hands on her chest, still in a state of anxiety and fear.

"Look at this big brother." Liu Yueyao pointed at Wu Tian, who was sitting beside them, and introduced him, "His name is Wu Tian, and he's very skilled. He can protect you."

"Him?"

Yi Lee turned her head to look at Wu Tian and asked doubtfully, "How powerful can he be?"

From her point of view, the big brother in front of her wasn't that strong. His skin was tender, and he couldn't even withstand a single blow.

"Trust me, he'll definitely protect you." Liu Yueyao patted the girl's head and comforted her softly.

"Oh!" Yi Lee nodded. However, she still doubted Wu Tian's strength. She just hoped that those hoodlums wouldn't find the coffee shop.
