

Hidden Billionaire Chapter 369 - In Broad Daylight -

C369 In Broad Daylight

She was really afraid that whatever happened, something would happen. Those hoodlums really ran over to the coffee shop.

Seeing that the hoodlums were about to enter the coffee shop, Yi Lee panicked. "Those bad guys are here. What do we do? What do we do?"

"Don't be afraid with me around." Liu Yueyao hugged Yi Lee's shoulders and comforted her softly. "We will definitely protect you."

"But there are too many of them." Yi Lee was so scared that she was about to cry. She curled up tightly behind Liu Yueyao.

The thugs broke into the coffee shop, searched around, and soon surrounded her. They pointed at Yi Lee's nose and cursed, "Damn brat, I didn't expect you to run so fast."

"What do you want?" Yi Lee was so frightened that she shrunk into a ball and the corners of her mouth trembled when she spoke.

"We're interested in you. You have to be our girlfriend." The leader of the group, a dark man, yelled impatiently.

"I don't want it." Yi Lee shook her head with all her might. At this moment, her legs were shaking non-stop.

"That's not up to you." After saying this, the dark-skinned man reached out his hand to pull Yi Lee's arm.

At this critical moment, Liu Yueyao stood up and stood in front of Yi Lee. She scolded the hoodlums, "Do you have any laws in broad daylight?"

"Damned girl, don't meddle in other people's business. Quickly get out of the way. Be careful that we might capture you as well." The tanned man threatened impatiently.

"You dare." Liu Yueyao stuck out her chest and shouted at the hoodlums.

Her actions instantly attracted the attention of several hoodlums. The four of them stared greedily at Liu Yueyao's chest.

After staring for a while, the four of them approached Liu Yueyao with wretched expressions.

The swarthy man licked his lips, smiled greedily and said, "Since you like meddling in other people's business, just serve us with that little girl."

"You guys, don't come over." Seeing the four vicious beasts closing in on her, Liu Yueyao was so scared that she hugged her body and retreated.

"You are truly a beauty. You are even more beautiful than that little girl." The swarthy man licked his lips and ordered the lackeys behind him, "Brothers, take these two girls back and enjoy themselves."

"Alright!"

The three lackeys behind him received his order. They immediately charged towards Liu Yueyao and Yi Er.

Seeing that those hoodlums were about to attack, Wu Tian slapped on the table, pointed at the four hoodlums and cursed: "You guys, do you take me as air?"

"Where did this fool come from? Get out of here, don't meddle in other people's business." The tanned man rolled his eyes at Wu Tian as he led his subordinates and continued to approach the two girls.

Wu Tian stood in front of the two girls and blocked them, "If you want to touch them, you have to get through me first."

"Brat, you want to show off, right?" The tanned man stopped and looked at Wu Tian.

"That's right."

Wu Tian shook his handsome hairstyle and said in a natural manner, "As a man, it's natural to protect the woman beside you."

Hearing this, Liu Yueyao's heart was moved, and all her fear disappeared without a trace in an instant.

The more she thought about it, the more she felt that Wu Tian was a man. His body exuded the domineering aura that a man should have and was full of charisma.

Every time she was with Wu Tian, she felt extremely safe.

"Brat, why don't you look at yourself? With your weak and fragile appearance, do you still want to be a hero and save the damsel?" The tanned man looked at Wu Tian in disdain.

"Cut the crap! Get lost! I'll spare your lives!"

"That should be my line." The dark-skinned man glared at him and threatened, "If you know what's good for you, then hurry up and get the hell out of here. We'll spare your life today."

"It seems like you don't know what's good for you." Wu Tian clenched his fist and a cold light flashed across his eyes.

"Good boy, you really know how to act cool. In a while, I'll let you know how amazing we are." After the dark-skinned man said this, he beckoned to his subordinates behind him, "Brothers, let's go together and teach this foolish brat a good lesson."

"Alright." After the three hoodlums received their orders, they clenched their fists and jumped towards Wu Tian together with the tanned man.

Seeing so many hoodlums attacking Wu Tian at the same time, Yi Lee, who was hiding behind them, cried out. She was so scared that her heart almost jumped out from her chest.

At this moment, she was especially worried about this big brother in front of her. She was afraid that this big brother would get beaten up by these people.

Other than being worried, she had no other choice. She could only watch helplessly as her big brother was beaten up. At the same time, she prayed silently in her heart that no one would die.

When she saw that his fist was about to hit Wu Tian's head, she thought that her big brother's head would explode.

She saw Wu Tian tilt his head and easily dodged the attack.

Even before she could see what was going on clearly, her big brother's body slid behind the four hoodlums like a loach.

The next second, Wu Tian suddenly threw a punch towards one of the hoodlums. His fist was like a ten thousand jin iron hoof, directly sending the hoodlum flying and crashing into the ground while wailing in pain.

Yi Lee was shocked when she saw this. She didn't expect her big brother to have such astonishing strength. He was able to send a living person flying with a single punch.

It seemed like she had underestimated her big brother. His frail body contained endless power, making others look at him in a new light.

The dark-skinned man and the other two hoodlums were also stunned. They didn't think that this brat in front of them had some ability.

After a moment of hesitation, the dark-skinned man led the two hoodlums and charged forward. His speed and strength were even more terrifying than before.

"Be careful!"

Seeing the three hoodlums attack Wu Tian again, Yi Lee's heart tensed up again as she hurriedly reminded them.

She quickly discovered that her worries were completely unnecessary.

Wu Tian lowered his body and easily dodged the attack. At the same time, he smacked the table lightly with his right palm. His body jumped up and he threw his legs into the air to kick one of the hoodlums ruthlessly.

With a blood-curdling screech, the lackey was kicked flying out and crashed onto the ground while wailing in pain.

Wu Tian did not stop. His left hand formed a hook and punched towards the third hoodlum. At the same time, he raised his knee and hit the fourth hoodlum's abdomen. The hoodlum could only complain.

This series of moves was swift, fierce, and perfect, effortlessly knocking out all four hoodlums.

Seeing the scene in front of her, Yi Lee's eyes became round and wide, her pupils flashing with a dazzling blue light.

She had lived for more than ten years, but she had never seen a boy as good at fighting as Wu Tian. Every move of his was perfect, just too cool.

At that moment, Yi Lee was deeply attracted. She stared at Wu Tian and was unwilling to even blink.

She had never been moved by a man before. This time, she was deeply attracted to her big brother, and there was even a bit of infatuation in her eyes.

She stared at Wu Tian for a long time before she came back to her senses and said to Liu Yueyao, "I didn't expect big brother to be so skilled."

"I've already told you that he's powerful, now do you believe me!" Liu Yueyao raised her head proudly. Wu Tian's performance just now had given her quite a bit of face.

"I believe it." Yi Lee nodded her head vigorously, unable to conceal the admiration and infatuation in her eyes. "This is the first time I've seen such a powerful man."

Hidden Billionaire Chapter 370 - Do Not Apologize -

C370 Do Not Apologize

After Wu Tian finished with the four hoodlums, he walked in front of the dark-skinned man and asked with a faint smile: "How is it? Are you convinced? "

"I ..."

The dark-skinned man clenched his teeth and lowered his head dejectedly.

They had never thought that the kid in front of them would be so strong that he could take care of all four of them in three laps and two kicks.

Even if he were to meet such a powerful person, he could only blame himself for being unlucky.

The other three hoodlums were also scared, and they looked at Wu Tian with a bit of fear.

At this moment, they no longer had the arrogance from before. They were all curled up like turtles.

If they knew that this brat before them was so powerful, they wouldn't have dared to make a move and wouldn't have been harmed.

"Look at you, you're not admitting defeat, right?" Wu Tian patted the tanned man's dark face and asked with a smile.

"Brat, you're ruthless." The dark-skinned man painfully crawled up from the ground, gritting his teeth as he unwillingly said, "Since we've lost, then there's nothing left to say. Brothers, let's go."

After he finished speaking, he prepared to leave the coffee shop with a few veterans.

"Halt." Wu Tian straightened his body and blocked the path of the four hoodlums, "You think you can leave just because you want to?"

"Then what else do you want?"

"Apologize to the girls." Wu Tian ordered the four hoodlums.

The other three thugs didn't dare to say anything. However, the dark-skinned man was quite stubborn. He said, "If you want me to apologize to two women, there's no way."

"You're pretty stubborn, aren't you?"

"Of course."

Wu Tian raised his hand and slapped the dark-skinned man hard on the face, "Today, I want to see how tough you are."

"Bastard, I'll kill you!" The tanned man wasn't willing to be hit, so he grabbed a chair and prepared to throw it at Wu Tian.

However, before his chair could fall down, his abdomen was kicked by Wu Tian.

Wu Tian kicked the man over and then punched and kicked him, causing his head to bleed.

Liu Yueyao and Yi Lee, watching on the side, were both terrified. They never thought that Wu Tian would be so vicious.

However, the two girls were secretly venting their anger. Facing these beasts that were inferior to them, they should not be lenient.

"Say it again. Apologize." After a series of violent punches, Wu Tian finally retracted his fist and felt relieved.

The dark-skinned man painfully crawled up from the ground, wiping the blood from his mouth. "Brat, you dare to treat me like this. Do you know who I am?"

"Even if you are the god, I am not afraid." Wu Tian raised his leg and kicked the dark-skinned man's knee after saying that.

The tanned man bent his legs and kneeled in front of Liu Yueyao and Yi Lee.

Wu Tian reached out and grabbed the dark skinned man's neck, "This is the result of offending my woman. Scram!"

Wu Tian then forcefully pushed aside the dark-skinned man and the other three hoodlums.

"Kid, if you have the guts, don't go." After the dark-skinned man finished speaking, he left with a cold look in his eyes and then left with a few of the lackeys.

"Hurry up if you want to call in reinforcements. I'll wait here for you for half an hour." Wu Tian shouted at the hooligans' backs. He turned around and said to Liu Yueyao and Yi Lee, "Alright, it's alright."

"Come, sit down." Liu Yueyao nodded and pulled Yi Lee to sit beside her. "Little sister, you must have been scared just now. Have some coffee to calm down your nerves."

"Thank you!"

Yi Lee took the cup and drank a mouthful, then said gratefully to Wu Tian, "Big Brother, thank you for helping me just now."

"It's no big deal." Wu Tian pursed his lips and smiled, he didn't care about this at all.

Yi Lee adjusted her messy hair and blinked her big eyes. She asked curiously, "Big brother, why are you so skilled?"

"Ordinary. Not very powerful." Wu Tian said humbly, but felt a bit embarrassed when he was looked at by this girl.

"The way you were fighting just now was really too cool. You were even better than Cheng Long from the TV."

"It's not that exaggerated." Wu Tian smiled embarrassedly and then reminded him, "You have to be careful when you go out in the future. Don't go to the Internet Cafe alone."

Yi Lee nodded obediently and promised, "I won't go to the Internet Cafe ever again."

"That's good. Let's have coffee!" Wu Tian felt that this girl was a bit obsessed when she looked at him, so he could only take up his coffee cup to cover his embarrassment.

"Right." Yi Lee took a sip of her coffee before shifting her gaze to Liu Yueyao. "Sis, are you Big Brother's girlfriend?"

"No." Liu Yueyao shook her head and explained, "Wu Tian and I are in the same university."

"Oh!" Hearing this, Yi Lee felt an inexplicable sense of excitement in her heart.

Originally, she thought Liu Yueyao was Wu Tian's girlfriend, but since they weren't in a relationship, she felt a lot more at ease.

While the three of them were drinking coffee and chatting, the dark man returned to the coffee shop.

This time around, there were also more than ten hoodlums who came back with him, and they all had ferocious looks on their faces.

These hoodlums were different from the ordinary hoodlums. Cold murderous auras were emitted from their entire bodies, and their eyes were filled with an unafraid of death.

With a single glance, one could tell that these bullies were seasoned fighters.

The last person to enter the coffee shop was bald head man. He exuded a domineering aura and his eyes were filled with the aura of a death god.

Very soon, someone recognized bald head man. He was the famous hall master of Bai Sha, Bai Sha. He was also known as Master Sha.

Everyone knew that Bai Shatang was a great power that reigned supreme in a region, and no one in Luzhou dared to go against him even once they heard the news.

Master Sha was one of the core members of this force. With just a stamp of his foot, the entire east city would tremble.

He just didn't expect Master Sha, who rarely showed himself, to appear in the coffee shop this time.

When Master Sha appeared, the atmosphere in the entire coffee shop became tense. All the customers were so scared that they sat in the corner and their hearts were beating like drums.

Especially those few timid waiters, they hid behind the bars out of fear of being affected.

Even Liu Yueyao and Yi Lee were so scared that their faces turned white, and they could only swallow their saliva.

The two girls had long heard of Bai Shatang and Master Sha's names. They had only heard of their names and had never seen them before. Today was their first time meeting the legendary Master Sha.

Under everyone's gaze, Bai Sha slowly opened his mouth and asked the tanned man, "Who hit you?"

"It's that kid." The tanned man pointed at Wu Tian and said respectfully to Master Sha.

"Truly preposterous. You even dare to touch my people." Bai Sha's eyes turned cold as he looked in the direction the dark-skinned man was pointing at.

When he clearly saw the familiar face in the booth, his face slightly tensed up and he immediately recognized Wu Tian.

He was stunned for a moment, and then quickly walked towards the booth with the others.

At this moment, the atmosphere in the restaurant was tense to the extreme. Everyone's gaze followed Bai Sha's body.

Everyone secretly sympathized with Wu Tian. This brat had offended Master Sha, so he would definitely die today without a burial ground.
