

Hidden Billionaire Chapter 371 - Be Brothers Together -

C371 Be Brothers Together

The tanned man happily followed behind Master Sha. The corner of his mouth slightly raised, but he couldn't help but secretly gloat in his heart.

Right now, he couldn't wait to see Master Sha torture the brat to death to vent the anger in his heart.

At this moment, the ones most nervous were none other than Yi Lee and Liu Yueyao.

Bai Sha was as terrifying as a wild beast. Bai Sha slowly approached them. The two girls were so scared that their bodies were trembling. Their palms were covered in cold sweat and their hearts were about to suffocate.

This was especially true for Yi Lee. She was so frightened that she gripped her thighs tightly, her face turning pale.

Seeing Master Sha walk over, it was as if she saw a wild beast that could pounce at any time. She was so scared that she wanted to find a hole to hide in.

After all, Yi Lee was still young and had never seen much of the world. When she saw such a devilish figure, she could not help but feel a chill run down her spine.

Even Liu Yueyao was so nervous that her heart was shaking. Although she had seen a lot of things, she was still scared to the point of perspiration when she met someone like Master Sha.

Not to mention her, even if her father was here. Even if he saw someone like Master Sha, he would probably feel uneasy.

"Wu Tian, he, he, he's here ..." At the critical moment, Liu Yueyao was so scared that she leaned close to Wu Tian. She seemed to want to use this method to reduce her fear.

"I know." He picked up his coffee cup and continued to savor it as if nothing had happened. He didn't take Bai Sha, who was walking over, seriously at all.

"You, what time is it? You, you're still in the mood to drink coffee." Liu Yueyao rolled her eyes at Wu Tian and asked with a trembling voice, "What, what do we do now?"

"Don't be afraid with me around." Wu Tian put down his coffee cup, grabbed Liu Yueyao's arm and comforted her softly.

"But ..."

Liu Yueyao calmed down a little under this comforting, but she still couldn't help but tremble with fear.

Seeing Bai Sha leading his men closer and closer, she could only put her body close to Wu Tian's back to find comfort.

When he saw Lili, she was scared to the point of slipping under the table, her small arms wrapped around Wu Tian's thighs.

The two women were like frightened lambs, their bodies losing all support.

Under the watchful eyes of the crowd, Bai Sha walked up to Wu Tian. Just when everyone thought Bai Sha was about to explode, Bai Sha grabbed onto Wu Tian's arm. "I didn't expect it would be you."

After hearing what he said, everyone was dumbfounded. They found the situation they were in hard to believe.

Not only did the dignified Master Sha not lose his temper, he even called him little brother in public. What was going on?

Master Sha had the power to cover the sky in the east side of the city. He had never been on equal footing with anyone before. This time, he actually called brat as his little brother. It was really unbelievable.

Liu Yueyao and Yi Lee were also dumbfounded. They never expected Master Sha to hold Wu Tian's arm so intimately.

Logically speaking, Master Sha should have been furious and let his subordinates brutally suppress Wu Tian. Why would the scene in front of their eyes appear?

The two girls even suspected that the scene before their eyes wasn't real. They were seeing things.

The most shocked was none other than the dark-skinned man. He specially called Master Sha over to deal with Wu Tian, but in the end, Master Sha called Wu Tian his brother. What was going on?

After a moment of shock, the tanned man quickly went up to Bai Sha and reminded him, "Master Sha, it was this brat who hit me just now."

The sound of a slap rang out.

Who knew that Bai Sha would slap the swarthy man in the face backhandedly. He scolded, "He hit you, that's what you should do."

"What?" The dark-skinned man almost died from anger.

"Open your eyes wide and take a good look, this is my brother Wu Tian." Bai Sha pointed at Wu Tian and introduced loudly.

Obviously, he was trying to curry favor with Wu Tian.

Ever since he fought with Wu Tian at the Red Rose Club last time, he had witnessed the strength of this young man.

The young man in front of him was not only powerful, but his background was also very powerful. To be able to seal off Bai Shatang's economic lifeline in a short time and also unite with the top ten organizations to deal with Bai Shatang, it showed how powerful this young man was.

Ever since he knew Wu Tian's true strength, he did not dare to offend Wu Tian. Not only did he not dare to offend Wu Tian, he even tried his best to curry favor with him.

If he accidentally annoyed Wu Tian, Wu Tian only needed a phone call, Bai Shatang could be killed in a short period of time.

"What? He's your brother?" Hearing this, the tanned man was so shocked that his eyes almost popped out of their sockets.

Never in his dreams did he expect that this simple-looking kid in front of him was actually Master Sha's little brother. This time, he really caused a disaster.

The customers and waiters in the coffee shop were also sighing. They didn't expect Wu Tian to be so young and it turned out to be Brother Master Sha.

Everyone could not help but secretly guess in their hearts, who exactly was Wu Tian, to be able to be brothers with Master Sha.

Liu Yueyao and Yi Lee were both shocked, and neither of them had expected that Master Sha, who was so powerful that he could shake the floor, would humbly curry the favor of Wu Tian.

This demonic man was actually so obedient in front of Wu Tian. He was even more obedient than a grandson.

They really couldn't understand what kind of method Wu Tian used to tame a devil like Master Sha.

The two girls couldn't help but admire Wu Tian more, as if there was nothing this man couldn't do. In the entire Luzhou, there was no one that he could not handle.

Seeing Master Sha being so humble in front of Wu Tian, the fear in the two girls' hearts gradually disappeared.

They all knew that as long as Wu Tian was here, there was nothing to be afraid of.

"What are you standing there for?" "Apologize to Brother Wu right now," Bai Sha shouted at the dark-skinned man.

"Brother Wu, I'm sorry. I was blind just now and accidentally offended you. I hope you ..."

After knowing Wu Tian's true identity, the tanned man was so scared that he hurriedly apologized. Before he could finish, he got a slap on his face.

Bai Sha slapped the swarthy man hard on his face and scolded, "You have to call him Master Wu, not Brother Wu."

"Master Wu, I was wrong." The tanned man was so frightened that he quickly changed his words. He no longer had his previous tenacity. His entire being had become even more grandson than his grandson.

Previously, he was unyielding because he relied on Bai Shatang and Master Sha's support. Now that he knew that Master Sha and Wu Tian were brothers, how could he be unyielding?

"You shouldn't apologize to me. You should apologize to those two girls." Wu Tian stared at the tanned man and reminded him coldly.

"Yes, yes, yes."

The dark-skinned man nodded in agreement, then bowed deeply to Liu Yueyao and Yi Lee in apology. "I'm sorry, I was blind earlier, I shouldn't have offended you two. I was wrong, I won't dare to do it again."

After saying that, he even slapped himself twice.

The sound of a kick rang out.

Wu Tian kicked the dark-skinned man hard on the butt and warned, "If you dare to harm women again, I'll cut you into pieces and feed you to the dogs."

"I don't dare to, I won't ever dare to again." Dark skinned man nodded his head as if he was a chick pecking rice.

"Scram!"

"Yes, yes, yes, I will f * * k off now." The dark-skinned man rolled over on the ground. He fled the place in a sorry state, and his appearance was extremely despicable.

Hidden Billionaire Chapter 372 - We Agreed to Go Shopping Together -

C372 We Agreed to Go Shopping Together

After the tanned man left, Bai Sha hurriedly went up to apologize, "Brother Wu, I didn't discipline my subordinate well, I apologize on his behalf."

"Pavilion Master Bai, you shouldn't apologize to me." Wu Tian said coldly, not giving him any face at all.

"This ..."

Bai Sha walked over to Liu Yueyao and Yi Lee after pondering for a while. He apologized, "On behalf of my subordinates, I apologize to you two. I promise that this will never happen again."

"..."

Liu Yueyao and Yi Lee did not say anything. Seeing the legendary Master Sha personally apologizing, the two girls were flattered.

In the past, whenever Bai Sha's name was mentioned, the two girls would feel fear towards this demon.

However, never in their dreams did they expect that such a demon would lower his status and humbly apologize to them.

And all of this was thanks to Wu Tian. If it wasn't for Wu Tian, Master Sha wouldn't even spare them a glance, how could he take the initiative to apologize?

"Alright, let's end this matter here." Wu Tian took a sip of his coffee and reminded Bai Sha, "Teach your men well from now on, don't let them do whatever they want."

"Don't worry, Brother Wu. I will definitely strengthen my management. I won't let anything like this happen again." Bai Sha promised respectfully.

"Alright, since there's nothing else, you can go."

"Oh right, I wonder if Brother Wu has the time to enjoy a meal together with me?"

"I don't have time today. Let's talk another day."

"Alright, I'll ask Brother Wu out for a meal another day." After Bai Sha said this, he quickly left the coffee shop with his people.

After Master Sha left with the people from Bai Sha Hall, the atmosphere gradually eased. The guests and waiters also secretly felt relieved.

However, everyone glanced at Wu Tian from time to time and whispered to each other to guess Wu Tian's true identity.

Everyone had different opinions, but no one knew Wu Tian's true identity.

However, there was one thing for sure, this young man called Wu Tian had a very powerful background. Even Bai Sha Tang and Master Sha didn't dare to offend him, which showed how powerful Wu Qi was.

Everyone secretly remembered this face in their hearts. No matter when or where, they could not offend this young man.

Liu Yueyao and Yi Lee acted as if they were looking at a monster. Their eyes were fixated on Wu Tian's handsome face.

What happened just now was like a dream.

If they did not see it with their own eyes, they would not have dared to believe that Bai Shatang's Master Sha would be humble in front of Wu Tian.

"Why are you guys looking at me like that for?" Wu Tian touched his face and asked with a smile when the two women stared at him awkwardly.

"I'm curious, why is Master Sha being so respectful to you?" Liu Yueyao couldn't help but ask after holding back her doubts for a long time.

Yi Lee also tilted her head as she looked curiously at Wu Tian.

"This is a long story, I'll explain it to you in the future." Wu Tian avoided saying it, so he couldn't explain this matter in a short period of time.

Moreover, this matter was related to the family, so he could not reveal everything about the family. It was not safe for him.

"Alright!" Liu Yueyao did not ask any further. She could not help but exclaim, "You are really capable. You can even tame someone like Master Sha."

"Alright, let's go!" Wu Tian noticed that the coffee had turned cold. After paying the bill, he left the coffee shop with Liu Yueyao.

They walked out of the coffee shop and found Yi Lee following closely behind them.

Liu Yueyao stopped and smiled at Yi Lee, "Sister, everything is fine now. You should go home quickly."

She wanted to continue shopping with Wu Tian, but she didn't want to bring a light bulb with her, so she had to send this girl away.

"Elder sister, I don't want to go home right now. Can you take me shopping?" Yi Lee blinked her round eyes as she pleaded with an almost imploring tone.

"This ..."

In her heart, Liu Yueyao was unwilling, but seeing the expression in Yi Lee's eyes, she could not refuse and could only nod. "Alright then."

"Thank you elder sister."

"Yi Lee, what do you want to eat? I'll buy it for you."

"Alright." Yi Lee pressed her fingers to her face. She thought for a moment before saying, "I want to eat KFC."

"Let's go, I'll buy it for you." Liu Yueyao pulled Yi Lee to the KFC store and quickly bought a big bag of food.

Yi Lee passed her favorite drool shrimp to Wu Tian and said sweetly, "Big Brother, this is the most delicious one. Have some!"

"I ..."

Wu Tian was just about to refuse, but Yi Lee directly stuffed the peeled prawns into his mouth. She even used her hand to wipe his mouth, her actions appearing extremely intimate.

Liu Yueyao's nose twitched when she saw this scene, and mixed feelings arose in her heart.

However, she did not say much and only took it as Yi Lee's careless move. She walked over and suggested, "Come, let's go to the clothing store to buy clothes."

"Good, good, good." Yi Lee stuffed another prawn into Wu Tian's mouth, then skipped towards the clothing store with Liu Yueyao.

"This girl." Wu Tian shook his head with a wry smile. As he ate the prawns, he followed them into the clothing store.

The two girls were already busy picking out clothes.

Yi Lee took a dress and drew it over her body. After a long while, she asked Wu Tian, "Big Brother, do you think I look good in this?"

"You have to put it on and try it on before you know if it looks good." Wu Tian said with a smile.

Actually, this girl's figure was very average, and wearing this sort of dress wouldn't look good, but he couldn't say it clearly.

No wonder. This girl is only sixteen or seventeen, and her body isn't fully developed yet. Naturally, she was not suitable for this kind of short skirt that was wrapped around her chest.

If Liu Yueyao wore this kind of dress, she would definitely look good. Her figure was much better than Yi Lee's.

"Then I'll give it a try now." Yi Lee hopped into the fitting room with her skirt in hand. Soon, she had changed into the new dress she had chosen.

After changing into the dress, she turned around in front of Wu Tian and asked, "Big Brother, is the dress nice?"

"The dress looks good, but it doesn't suit you." Wu Tian told the truth.

"Alright!" Yi Lee pursed her lips and went into the changing room. Not long later, he heard her call out in a low voice, "Big brother, come in."

"What?"

Wu Tian was slightly surprised for a moment, and then questioned: "It's not appropriate for me to come in while you're changing your clothes, right?"

"I haven't changed yet. Something's happened to my clothes. Come in quickly." Yi Lee pulled Wu Tian into the fitting room and locked the door.

Seeing the situation in front of her, Liu Yueyao's heart didn't feel good at all. It was as if something she loved had been snatched away by someone else.

Looking at the locked door of the fitting room, Liu Yueyao wondered what Yi Lee wanted by pulling Wu Tian into the fitting room. Should she break in and take a look?

While she was standing outside the fitting room in a daze, she heard Yi Lee's shy and delicate voice coming from the fitting room.

"Pain ..."

Liu Yueyao's head felt like it was going to explode when she heard this coquettish shout. Could it be that these two were doing something shameful in the changing room?

No, she would not tolerate them doing that sort of thing.

Thinking of this, she hurriedly knocked on the door of the changing room. She waited for a long time before she opened the door.

Hidden Billionaire Chapter 373 - Too Much Thinking -

C373 Too Much Thinking

After the door was opened, the two of them walked out of the changing room. Yi Lee had already changed into her own clothes, but her cheeks were flushed red.

"What are you guys doing inside?" Liu Yueyao looked at the two of them suspiciously.

"Nothing." Wu Tian glanced at Yi Lee and quickly explained, "Just now, Yi Lee's dress was stuck in the zipper. Let me help her with it."

"Is that so?" Liu Yueyao glared at Yi Lee in displeasure, inwardly angry.

Why didn't Yi Lee let her help when the zipper was stuck on her skirt? Instead, she chose to get Wu Tian to help and even pulled Wu Tian into the fitting room alone.

"Yueyao, have you found anything suitable?" Wu Tian quickly changed the topic and asked.

He didn't dare to say a word about what had happened in the changing room.

When he entered the fitting room earlier, he didn't expect to be tightly held by Yi Lee. This girl's bold and impudent actions caused him to be flabbergasted.

"I'm not buying anymore. Let's go." Liu Yueyao was in no mood to choose her clothes. She turned around and left with a furious expression on her face.

Even though she was a fool, she could tell that Yi Lee liked Wu Tian. Yi Lee was obviously trying to seduce him.

"Alright." Wu Tian nodded and followed Liu Yueyao out, "Where are we going next?"

"Whatever!"

After leaving the clothing store, Liu Yueyao walked down the street gloomily.

However, it was Yi Lee who kept asking Wu Tian questions. Yi Lee was especially attached to him.

Seeing this, Liu Yueyao's heart didn't feel good. She walked over to Yi Lee and said, "It's getting late, I'll send you home."

She was worried that if this went on, Wu Tian would fall in love with Yi Lee.

"Elder sister, do you want to go home?" Yi Lee blinked her beautiful big eyes and asked while tilting her head.

"Right."

"Then you can go back first. I'll accompany big brother for a while." Yi Lee took the initiative to put her hand on Wu Tian's arm after she said that.

"You all ..."

Liu Yueyao looked at the two's intimate actions and gritted her teeth in anger. She then said, "Then you two can go alone. I'll be leaving first."

Having said so, she stomped angrily towards the other side of the street, not wanting to see their intimate appearance.

She walked a few steps before suddenly stopping. What if after she left, Wu Tian was tricked by Yi Lee into going to bed?

She was really worried, so she went back to the two of them, "Wu Tian, I suddenly remember that my dad has something to talk to you about."

Right now, she could only find an excuse to take Wu Tian away, in case Yi Lee took Wu Tian away.

"Why is Uncle Liu looking for me?" Wu Tian frowned in confusion.

"How would I know? You'll know once you get there. Let's go." Liu Yueyao pulled Wu Tian as she prepared to leave.

"Hey!"

Yi Lee grabbed Wu Tian's arm and said coquettishly, "Big Brother, don't go. I still have something to say to you!"

"Say what?"

"I ..." Yi Lee turned her head to look at Liu Yueyao, feigning shyness as she said, "There are some things that I'm not suited to say on the streets. I want to find a quiet place."

"I'm a bit busy today, maybe another day." Wu Tian did not want to be pestered by this little girl, he just wanted to find an excuse to get rid of her as soon as possible.

"Big brother, leave me a number, I'll call you another day, okay?"

"Alright!" In order to get rid of the little girl as soon as possible, Wu Tian had to leave her a phone number.

"Big Brother, then I'll call you another day. Goodbye." Yi Lee clutched the number to her chest. To her, this was like a treasure.

"Goodbye!" Wu Tian waved his hand and turned around to leave with Liu Yueyao.

Liu Yueyao only stopped when they had walked out of the square. She asked angrily, "Just now, what were you and Yi Lee doing in the fitting room?"

"Didn't I already say, her skirt is stuck in the zipper ..."

"Don't lie to me." Liu Yueyao was very smart. She immediately pointed out Wu Tian's lie, "Her dress doesn't have a zipper at all."

*

Only then did Wu Tian realize what a terrible excuse he had come up with.

At this point, he could only confess, "Just now in the changing room, that girl hugged me and said she liked me and wanted to be my girlfriend ..."

"Bitch!" Liu Yueyao scolded angrily before Wu Tian could finish his words.

"That girl has a good impression of me, but she was just impulsive ..."

"If I don't knock, I'm afraid you'll have sex in the dressing room." Liu Yueyao gritted her teeth angrily as she spoke. At this moment, she felt a surge of anger in her chest.

"I'm not such a casual man."

"Men are bad people." Liu Yueyao rolled her eyes at Wu Tian and stomped on. After walking a few steps, she suddenly turned around and warned, "Don't meet with that girl called Yi Lee in the future."

To be honest, the thought of Yi Lee cuddling Wu Tian in the fitting room made her feel especially angry.

She had never seen such a despicable girl. They had only known each other for a short while, yet she dared to hug Wu Tian. She was truly shameless.

If she had known that Yi Lee was so shameless, she wouldn't have saved her just now.

"Alright!" Wu Tian nodded and changed his tone, "Yueyao, it seems that the meeting between me and Yi Lee has nothing to do with you, right?"

"I ..." Liu Yueyao was speechless.

Only then did she realize that her reaction was too intense. What Wu Tian did with the other girls really had nothing to do with her.

She didn't know why, but when she saw that Wu Tian and Yi Lee were having an ambiguous relationship, she felt especially unhappy.

"Yueyao, you can't be jealous when you see me with Yi Lee, right?" Wu Tian stretched his head over and asked with a smile.

*

Liu Yueyao snorted softly, her face red with anger. "You're thinking too much. I'm not jealous at all."

"Then why are you so angry?"

"As a friend, I'm afraid that someone will cheat you, so I kindly reminded you."

"Is that so?" Wu Tian grinned and changed the topic, "You said that Uncle Liu has something to talk to me about?"

"My dad didn't look for you."

"Then why did you say that Uncle Liu had something to talk to me about?"

"Idiot, I was trying to find an excuse to get rid of Yi Lee so that you wouldn't get tangled up with that little demon." With that, Liu Yueyao turned around and left with an awkward expression.

Wu Tian quickly caught up, smiled and said gratefully, "Then I have to thank you. If it wasn't for you helping me get rid of Yi Lee, I would definitely have been pestered by that girl. I might have been tricked into bed by her at that time."

"Those girls are definitely not good people. Stay away from her in the future."

"OK, I'll listen to you." Wu Tian nodded and then tried to please her: "Let's go back to shopping, I'll buy some clothes for you."

"Alright." The corner of Liu Yueyao's mouth curled up and she immediately became happy.

The two quickly forgot about Yi Lee and returned to the plaza to continue shopping and choose their clothes.

He had to admit that Liu Yueyao was indeed a good fit for wearing all kinds of clothes. Her well-proportioned and perfect figure made her look good no matter what she wore.

Hidden Billionaire Chapter 374 - Traitor -

C374 Traitor

After buying their clothes, the two went to the restaurant to eat.

Halfway through his meal, Wu Tian received a call from Sunn Sheng, "Tian, I've already found out who was behind this incident harming our Seafood TV."

"Who is it?" Wu Tian had already guessed who the mastermind was and now was only waiting for Sunn Sheng to give him a final answer.

"It's the owner of Odd Fish Broadcast, Wang Shaohua."

"It really is that old guy."

"What do we do now?"

"Don't worry, I'll deal with him." After Wu Tian said this, he hung up and dialed Lee Mu's number: "Boss Li, how was the negative news about Wang Shaohua that I told you to check?"

"There's too much negative news about Wang Shaohua. The number one female host on the Odd Fish Stage has already slept with him. Many female host s had an abortion because of him ..." At the mention of this matter, Lee Mu began to narrate the story endlessly.

"Then did you find any negative news about Odd Fish?"

"Yes, the Odd Fish has a lot of dark history."

"Alright, contact the media to expose this news." Wu Tian said this into his phone, then hung up.

Immediately after, Wu Tian dialed Loong Yun's number and instructed her: "Secretary Loong, think of a way to cut the funding chain for Odd Fish."

After making three calls in a row, Wu Tian said to Liu Yueyao, "Yueyao, I have some urgent matters to attend to. Excuse me."

"Hey, what are you doing?" Liu Yueyao, who was eating, put down her chopsticks and asked anxiously.

"It's about the Seafood TV. I need to go and take care of it."

"Then go after your meal!"

"No time." After saying this, Wu Tian hurriedly left the restaurant. Before leaving, he didn't forget to say: "Help me thank Uncle Liu. I'll treat Uncle Liu to a drink another day."

Without waiting for Liu Yueyao to reply, he ran out of the restaurant like a wisp of smoke, and then took a taxi to Odd Fish Corporation.

The live broadcast of the Odd Fish was the biggest live broadcast platform in the local area. The company building was very grand and its office environment was comparable to many first-rate enterprises.

Just as Wu Tian walked into the company's hall, he saw a familiar face. It was the famous Seafood TV host Jiang Xia.

Jiang Xia was a host with potential discovered by Sunn Sheng not too long ago. After being packaged and promoted, she was promoted to the traffic host within a short period of time and was ranked in the top five in Seafood TV.

He just did not understand why the host on his platform was at Odd Fish company.

"Jiang Xia!"

Wu Tian quickly greeted her and prepared to ask the girl for the reason.

"You got the wrong person." Jiang Xia was so frightened that she quickly covered her face and turned around to walk towards the elevator.

"You're Jiang Xia." Wu Tian quickly walked to the elevator door and blocked it, directly exposing her lies, "Speak, why are you at Odd Fish company?"

"I ..."

Jiang Xia gnashed her teeth, not bothering to dodge anymore. Raising her head, she explained, "To tell you the truth, I'm preparing to go to Odd Fish to do the live broadcast right now."

"You want to join Odd Fish Broadcast?"

"Right."

"There's no problem with your work in our Seafood TV. Why did you suddenly join their Odd Fish to broadcast?" Wu Tian frowned in confusion.

"Right now, your Seafood TV has met with unprecedented trouble, and the platform's flow has plummeted greatly. The hosts are all worried that the company will close down, and if I were to continue staying in your Seafood

TV, I'm afraid there will be trouble as well." Jiang Xia sputtered out the reason for her leaving the Seafood TV.

After hearing this explanation, Wu Tian suddenly became a bit angry, "Our Seafood TV only encountered some small crises, and you're so scared that you're leaving?"

"Boss Wu, you can't blame me either." Jiang Xia ruffled the hair at the corners of her ears, raised her head and said: "After all, Odd Fish live broadcast is the number one live broadcast platform in the Luzhou, and it has a better future than Seafood TV, and the signing fee Boss Wang gave me is very high."

"How much signing fee will you get?"

"Eight hundred thousand."

"F * ck, why did you leave just because you had so little money?" Wu Tian was so angry that he cursed directly.

He thought that she would get a high signing fee, but it turned out that she only got 800,000.

According to Jiang Xia's potential, if she stayed in the Seafood TV to properly package and promote herself, she would very quickly enter the top three. At that time, her monthly income would be at least three digits.

"This fee is already quite high for me. The key is that the Odd Fish broadcast platform is bigger and has a better future." Jiang Xia gritted her teeth and continued to quibble.

"Boss Sun spent so much effort to nurture you and make you a celebrity. You left the moment you became famous. Is your behavior worthy of Boss Sun's nurturing?" Wu Tian mainly felt unfair for Sunn Sheng.

"If I have the opportunity to climb higher, naturally, I won't miss it."

"The Odd Fish broadcast will soon end." He continued: "I'll give you one last chance. If you can return to our Seafood TV now, I'll pretend that nothing happened and you'll still get the best of resources." Wu Tian advised kindly, hoping Jiang Xia would return to Seafood TV.

After all, Sunn Sheng spent a lot of effort to nurture this woman. If she leaves just like that, it would definitely make Sunn Sheng feel uncomfortable.

"What a joke. Since I've left, I will never come back." Jiang Xia crossed her arms over her chest and raised her head with a haughty expression, "Now, even if you all kneel down and beg me, I definitely won't return to the Seafood TV."

"Jiang Xia, do you think I'm begging you?"

"Isn't it?"

"It's up to you whether you want to believe it or not. Very soon, I'll make you regret leaving the Seafood TV — make you regret joining the Odd Fish's live broadcast."

"Don't worry, I definitely won't regret it." Jiang Xia raised her head proudly. She had never been so arrogant before.

*

At that moment, a burst of laughter came from the hall. Wang Shaohua led his team and swaggered over.

Jiang Xia quickly walked up to welcome him, and smiled as she tried to curry favor with Wang Shaohua, "Boss Wang, from today onwards, I will be joining your Odd Fish live broadcast."

"That's right." Wang Shaohua nodded in satisfaction, and brought Jiang Xia to the front of Wu Tian, "Foolish brat, did you see that? This is a celebrity that your Seafood TV raised, I only spent 800,000, and easily got her."

"She's just an ungrateful dog. If you like her, then take it." Wu Tian shrugged casually.

"Before long, your Seafood TV will close and your host will leave one by one. Relying on Huang Lan, you won't be able to hold on for long ..."

After saying that, Wang Shaohua raised his head and once again let out a burst of mad laughter.

After laughing, he spoke in a provocative tone, "You silly kid, you still want to fight me? Are you even worthy?"

"Fighting with Boss Wang is simply overestimating himself." Jiang Xia also agreed, fawning on Wang Shaohua as if her life depended on it.

"Old man, don't be happy too early." Wu Tian smiled. He reminded them with goodwill: "If nothing unexpected happens, the funds of your company will break very soon and negative news will appear one after another. All of the host on your platform will leave one after another, and the one facing collapse is your Odd Fish."

*

Wang Shaohua seemed to have heard a huge joke.

After laughing for a long time, he could not help but mock, "Brat, you really boast so shamelessly. Aren't you afraid that your teeth will fall off when you say these words?"

Jiang Xia pursed her lips as well. She also felt it was funny, as if she was mocking Wu Tian for not knowing his limits.

Hidden Billionaire Chapter 375 - Opposing Each Other -

C375 Opposing Each Other

"Alright, let's wait and see whose company collapsed first." After Wu Tian said this, he retreated to the sofa at the side of the hall and sat down. Then he took out a cigarette and started smoking.

"It looks like you're not willing to give up until you see the final result." Wang Shaohua walked over and sat opposite Wu Tian, "Alright, today I will make you concede your defeat."

After he finished speaking, he took out his phone and made a call, letting his people continue to create rumors and force the Seafood TV to close as soon as possible.

Jiang Xia didn't say a word as she stood at the back, looking like she was waiting to watch a good show.

Not long after he made the call, Wang Shaohua received a call from his subordinate. After the call was connected, Wang Shaohua asked with a proud expression: "How was it, was it successful?"

"It went smoothly, but ..." The voice of the subordinate on the other end of the phone was trembling slightly, not knowing how to explain.

"But what?"

"The negative news from our company has already spread far and wide ..."

"What?" Hearing that, Wang Shaohua almost threw his phone away. He sat up straight and asked urgently: "Tell me, what exactly happened?"

"I don't know what's going on either. Just now, the streets and alleys were filled with negative news about our company. Negative news about our company and the host were spreading all over the internet ..."

"How preposterous."

"Boss Wang, your rumors and private life have also been exposed. There is evidence to prove that those things are true."

"This ..." Wang Shaohua's arm trembled and the phone in his hand dropped onto the sofa.

After being stunned for a moment, he looked up at Wu Tian, "Brat, it's you. Are you behind the scenes?"

"Yes, that's me." Wu Tian shook the ash from his cigarette and said with a smile that was not a smile, "Boss Wang, I learned it from you. This is called returning a tooth for a tooth."

"You are despicable." Wang Shaohua was so angry that he clenched his fists, the veins on his face were already popping out.

"I told you, I learned it from you." Wu Tian leaned his body against the sofa and crossed his legs. "Against a shameless person like you, I can only use some despicable methods."

"You ..."

Wang Shaohua was so angry that his face turned red and he couldn't say a word for a long time.

After a long time, he finally calmed down, "Brat, do you really think that exposing our negative information will kill us?"

"Don't worry, I have another way." Wu Tian looked forward. There was a faint smile on his face.

"Kid, what other tricks do you have up your sleeve?"

"Don't worry, you'll know soon enough."

"Stop playing tricks on me and let me show you my skills." After Wang Shaohua said this, he picked up his phone and made another call. He instructed his subordinates: "Gather all the manpower, think of a way to kill Seafood TV."

"Boss Wang, I'm afraid we won't be able to protect ourselves." On the other end of the phone, the subordinate's voice was trembling especially badly.

"It's just some negative news. It's not enough to make us collapse. Don't panic."

"No, other than the negative news from the company, there is something even more terrifying ..."

"Tell me, what is it?"

"We've just received news that several investment companies have suddenly withdrawn their capital. All the banks that cooperate have cut off their loans. Our capital chain has been completely broken ..."

"How could this be?" Wang Shaohua shouted at his phone with a hoarse voice.

"I don't know. I don't know how this happened either."

"All of you are trash." Wang Shaohua instantly lost control of himself. He yelled into his phone and threw his phone onto the ground.

After he slammed the phone down, he raised his head and stared fiercely at Wu Tian, "Brat, are you behind this again?"

"Yes, it's me." Wu Tian nodded, with a bright smile on his face.

"You're so f * cking shameless." Wang Shaohua was like a madman. He stood up and prepared to pounce towards Wu Tian.

Jiang Xia, who was beside him, grabbed Wang Shaohua's shoulder and stopped him with an urgent voice, "Boss Wang, you are a big shot, you don't have to lower yourself to the same level as him."

"This brat is really too despicable ..." Wang Shaohua had already lost his rationality, so he was going crazy from anger.

Originally, he wanted to use this negative news to destroy his Seafood TV, but in the end, this brat had countered back with a tooth for a tooth, and actually caused his Odd Fish live broadcast to fall into a predicament.

However, this brat was even more ruthless than him. He secretly cut off the company's capital chain, making the situation even worse. The company was in a crisis it had never experienced before.

Their original plan was to cause the Seafood TV to fail, but in the end, his company was destroyed by Wu Tian instead.

"Boss Wang, what is going on?" Until now, Jiang Xia didn't know what had happened. She just watched Boss Wang make two phone calls and was so angry that he lost his mind like a mad dog.

"Wu Tian, he secretly cut off our company's capital chain, causing us to fall into a crisis." Wang Shaohua clenched his teeth in anger. At this moment, he had the urge to kill someone.

"Does he have that kind of ability?" Jiang Xia couldn't help but voice her doubts.

She had not been in the Seafood TV for long and had never interacted with Wu Tian before. Naturally, she did not know about Wu Tian's true power.

"This kid is playing dirty. What kind of ability does he have?" Wang Shaohua glared at Jiang Xia and roared.

"Yes, Wu Tian is really despicable." Jiang Xia hurriedly scolded Wu Tian as a way to curry favor with Wang Shaohua. She continued to ask, "Is the company in a serious condition now?"

She was just a small host and didn't know what the chain of funds meant.

For the live broadcast platform, the money chain was like a person's throat. Once it got stuck, it would be destroyed in a short period of time.

"Of course it's serious." Wang Shaohua shouted impatiently.

Jiang Xia was shocked by Boss Wang's current look and asked in a low voice, "How serious is it?"

Before Wang Shaohua could reply, the company's secretary rushed over and reported, "Boss Wang, it's bad, something big has happened."

"What's going on?" For Wang Shaohua, there is nothing worse than a broken capital chain.

"The servers on our platform are down."

After hearing that, Wang Shaohua's body went limp and he collapsed onto the ground like a pile of mud.

With the help of his secretary, Wang Shaohua struggled to get up from the ground. He glared fiercely at Wu Tian. "You're simply a devil."

"Boss Wang, you lost." Wu Tian put out his cigarette in the ashtray and walked in front of Wang Shaohua. "I warned you a long time ago not to fight with me. Otherwise, it would be suicide."

"You ..." Wang Shaohua's mouth twitched a few times and he couldn't say a word for a long time.

He had been on the live broadcast platform for more than ten years, and had experienced all sorts of storms. He never expected that he would lose to a little brat in the end.

The kid in front of him was really vicious. He had long dug a pit for him in the dark. Ring after ring, ring after ring. He had no way to escape at all.

Perhaps ordinary people wouldn't be able to come up with such sinister methods.

"I gave you a chance before, but you just wouldn't listen. You have to go against me. This is what happens to you." Glimmers danced in Wu Tian's eyes as a chilling aura emanated from his body.
