

## Hidden Billionaire Chapter 38 - Tendah Driving School -

### C38 Tendah Driving School

Wu Tian quickly contacted the best hospital and specialists, and instructed Azure Dragon's sister to stay in the hospital to start the treatment.

After he was done with this, he called Long Yun to inquire about the situation at the driving school. Wu Tian was relieved when he found out that everything was going smoothly.

He took a taxi to Fuyuan Restaurant and ate with Shen Xue in the dining hall. The two of them headed to the new driving school together to sign up for the driving lessons.

The new driving school was located opposite of Huihuang Driving School, called Tengda Driving School, which covered an area of over 500 mu, and was as big as 10 acres.

Tengda Driving School was not only a big place, but also had a lot of cars, and along with a few dozens of coaches that he managed to poach from other driving schools.

From the very beginning, Tengda Driving School had already become a major driving school, its scale surpassing the sum of the other few driving schools in Luzhou.

At this moment, there was a long line at the entrance of the driving school. When the students heard that the new driving school was free of charge of learning, they all ran over to register. They surrounded the driving school till there was not gap left.

"Oh my god!"

Looking at the spectacular new driving school, Shen Xue couldn't help but exclaim, "This is way too big!"

Three days ago, this was just an outdoor football field. Unexpectedly, in three days, it was converted into a large driving school.

"It is indeed not small." Wu Tian nodded with satisfaction. He was very pleased with Long Yun's work efficiency.

This woman was my grandfather's choice. She was my right-hand assistant, and in just a few days, she had managed to set up the driving school.

"This is the new driving school you invested in?" Shen Xue stared at the driving school for a few seconds, then her gaze landed on Wu Tian.

"Right."

"You're amazing." Shen Xue didn't know whether to laugh or cry as she bit her lip, "Having money really makes one free to do whatever he wants!"

"You can't say that. Many things can't be bought with money."

"Such as?"

"For example, your body. Even if I were to pay, I'm afraid you wouldn't sell it." Wu Tian rolled his eyes and finally set his gaze on Shen Xue.

This girl was wearing a halter dress today, which added a bit more sexiness and charm than usual, causing Wu Tian's heart to itch.

"Scram." Shen Xue rolled her eyes slightly and scolded him, "To think you're are the big boss. You don't behave properly all day."

"I was just joking, don't be angry."

"I'm not that petty!" Shen Xue stuck out her tongue, turned her body and looked towards the Huihuang Driving School.

At this time, the Huihuang Driving School was in a dormant state, and not only was the coach poached by the Tengda Driving School, all the students were also snatched away.

Right now, there was only an empty shell left on the Huihuang Driving School and the managers inside the driving school were barely struggling to hold on.

Shen Xue couldn't help but sigh when she saw the once glorious driving school fall into disgrace. "Such a big driving school, I didn't expect it to collapse just like that."

"This is what happens when it goes against me." Wu Tian raised his head and looked into the distance as a cold light flashed across his eyes.

"They sure are unlucky to have offended you."

"If the heavens have done wrong, then they can live. If the humans have done wrong, then they can't live."

"I suddenly realized how scary you are. You're just like a demon." Shen Xue rubbed her arm, feigning a fearful expression.

"What are you afraid of? It's not like I'm going to eat you."

"I'm not afraid of you!"

"You're not afraid, right? I'll let you experience the terror of the devil." Wu Tian pretended to be a demon and pounced towards Shen Xue with a ferocious look.

The little girl was so frightened that her body shrunk. She quickly backed up and begged for mercy. "Hey, stop messing around, alright? Quickly stop ..."

While the two of them were playing, a long-faced man in a sports coat walked over to greet Shen Xue.

"Xue, what a coincidence, I didn't expect to meet you here." The long-faced man jogged over, and looked at Shen Xue with a doting expression.

"Zhang Tao?"

Seeing the long-faced man, Shen Xue quickly stopped smiling and tidied up her messy dress. She awkwardly smiled and said, "Indeed, it's a coincidence."

The man in front of her was her classmate. He had chased her before, but later on he became her best friend's boyfriend. Anyway, there was something wrong with his style.

"Long time no see ..."

Before Zhang Tao could finish his sentence, his gaze quickly fell on Wu Tian. "This brat is your boyfriend, right?"

"He ..."

Shen Xue was about to deny it when she was interrupted by Zhang Tao. "Xue, you have such bad eyes. Why are you looking for such a useless boyfriend?"

"I'm just friends with him." Shen Xue pulled up her hair and explained with an awkward expression.

She didn't want Zhang Tao to misunderstand, lest he go back and tell those female classmates of his stories and get teased by them.

"Xue, don't lie to me. I just saw you flirting with this brat. If he's not your boyfriend, how could you be like this?"

"..." She listened to this. Shen Xue didn't refute him any further.

If she continued to refute him, wouldn't it be misunderstood that she was the kind of girl with the nature of a water flower, casually flirting with boys?

"He really isn't much." Zhang Tao walked around Wu Tian, pointed at his clothes and said with disdain, "Your clothes are cheap, over a hundred, right?"

"Sixty." Wu Tian shook off the casual clothes on his body.

This was something he had bought in the east corner of the city. Although it wasn't worth much, it was still very comfortable to wear, much more comfortable than tens of thousands of dollars worth of clothes.

He did not wear these clothes to act cool, but to remind him not to forget his initial appearance no matter where he went.

His mocking voice rang out.

When he heard that Wu Tian's clothes were worth dozens of yuan, Zhang Tao burst into wild laughter.

After laughing for a long time, he could not help but mock, "Brat, to think that you still have the nerve to say those words."

Two coughs sounded.

Shen Xue coughed dryly. With an ugly expression, she interrupted, "Zhang Tao, we are here to register for the driving license exam."

"Then find me." Zhang Tao put on a handsome hairstyle. He said complacently: "I'm the vice principal of Tengda Driving School."

"You're the vice principal?" Shen Xue's mouth was wide open in surprise. She didn't expect Zhang Tao to be the vice principal here.

"Do you know how powerful I am?!"

"Then, do you know who invested into your driving school?"

"Of course I know that the boss behind the scenes is surnamed Wu, and his name is 'Tian'. He's a powerful individual within Luzhou."

"Then, do you know your boss?"

"Of course I know the boss." Zhang Tao shook his hair and boasted, "I have a very good relationship with my boss. We call each other brothers, drink and chat merrily. If there's nothing to do, we'll even be flirting with women together ..."

"..."

Shen Xue turned around and glanced at Wu Tian. She could only smile wryly in her heart.

This Zhang Tao kid hasn't changed at all. He still has a habit of exaggerating.

The owner of the driving school was standing right in front of him. He didn't know him yet, but he was bragging about how close he was to the boss.

To tell the truth, she couldn't help but feel sympathy for Zhang Tao. She silently mourned for the boy for three seconds in her heart.

"Xue, let's go. I'll take you to register and find you the best coach." After bragging for a long time, Zhang Tao started fawning over Shen Xue.

His previous pursuit of Shen Xue in school was tragically rejected. He had nothing at that time.

As the Vice Principal of Tengda Driving School now, he planned to take this opportunity to woo Shen Xue.

"Alright!" Shen Xue did not expose Wu Tian's identity and walked inside the driving school with Wu Tian.
