

Hidden Billionaire Chapter 386 - Sisterhood -

C386 Sisterhood

The two of them discussed the current quest of Odd Fish Broadcasting and its future development. Wu Tian didn't leave the Odd Fish company until the sky was about to turn dark in the afternoon.

After that, the Odd Fish company was handed over to Sunn Sheng to manage. With CEO Sun's talent and experience, he believed that he could quickly put Odd Fish live on the right track.

When he brought Azure Dragon and Loong Yun back to Aifei Castle, he discovered that the hall was completely empty.

"Where are they?" Wu Tian scanned the room, then turned around to ask Loong Yun for the whereabouts of the women.

"I don't know." Loong Yun spat out three words before adding, "There's a sound from upstairs."

"I'll go up and take a look." Wu Tian walked up the stairs and heard laughter coming from Shen Xue's room.

When he got closer, he found that the door was unlocked. He carefully opened the door and saw Shen Xue and Su Ruyun inside the room.

The two women were now on good terms and were as close as sisters.

At this moment, they were on the bed messing around. Their two small hands were constantly scratching each other's body. Their actions were especially bold and crude. Their clothes were all messed up.

Wu Tian's eyes widened when he saw the beautiful scene in the room. It could truly be said that he was enjoying the sights.

He did not expect Xue, who was usually very reserved, to have such a crazy side to her. He also did not expect the violent policewoman Hua Kuang to be so reckless as well.

After being in a frenzy for a while, the two girls seemed to be too tired, lying sprawled on the bed.

From Wu Tian's perspective, it was really enviable to be able to admire the most beautiful scenery under the skirts of two women.

"Xue." After resting for a while, Su Ruyun suddenly asked, "Did you do it with Wu Tian?"

"What?" Shen Xue didn't know how to react to this strange question.

"I'm asking if you slept with Wu Tian?"

"Don't talk nonsense." Shen Xue blushed as she tried to argue, "Up till now, I have never been touched by a man."

"Are you for real?"

"Of course it's true?"

"You really didn't do it with Wu Tian?"

"Nope."

"Great hooligan like Wu Tian, will he let a top class beauty like you off?"

"Don't say that." Shen Xue slightly rolled her eyes and refuted for Wu Tian, "Don't look at the fact that he likes to joke around, he's actually a proper man."

"Damned girl, why did you speak up for him so quickly?"

"I'm telling the truth."

"In any case, I don't believe that he didn't sleep with you." Su Ruyun tilted her body and looked at Shen Xue with suspicion.

"Then what do you want to believe?"

"Come, let big sister help you examine your body." Saying this, Su Ruyun flipped over and sat on Shen Xue's body. She stretched out her hand without any trace of politeness and tore Shen Xue's dress.

Before long, Shen Xue's dress was torn off, revealing a beautiful scenery.

Shen Xue didn't show any weakness. Her two small hands clawed wildly at Su Ruyun's body, quickly tearing her skirt apart.

Just like that, the two girls continued to bicker in bed, and soon, their laughter could be heard in the room.

After a few rounds of messing around, the two girls could be said to have lost all their splendor. Half of their clothes had fallen off, making them look extremely unsightly.

"Gudong ..."

This made Wu Tian, who was hiding outside the door, very happy. He swallowed hard as he stared at the wonderful scene in the room, his eyes almost popping out of their sockets.

Never in his wildest dreams did he imagine that the two top quality goddesses would be so crazy in this room. It was so inconceivable.

They didn't know that there was a man peeking outside the door. If they knew, they would definitely die from embarrassment.

After messing around for a long time, Shen Xueli was so angry that she could only surrender, "Stop messing around, I admit defeat."

"Then tell me honestly, have you slept with Wu Tian before?" Su Ruyun grabbed Shen Xue's skirt with one hand and asked with a playful tone.

"No, really." Shen Xue weakly shook her head.

It was unknown if it was because she was too crazy or because she was shy, but at this moment, her face was completely red, as if she had been stained with blood.

"Stinking girl, do you want to sleep with him?" Su Ruyun asked with an evil smile.

Who would have thought that the violent female police officer would be so open-minded to ask such a question in private?

"I ..."

Shen Xue hesitated for a few seconds before she finally shook her head, blushing. "No."

"Bitch. You even call Wu Tian by his name in your dreams. I don't believe that you don't want to."

"Don't talk nonsense, who called his name?"

"Damned girl, why are you still being so stubborn?" Having said so, Su Ruyun once again extended her hand towards Shen Xue's body and continued to scratch it.

"Ya!"

Shen Xue cried out as she hugged her sister tightly with both hands. "Big sister Su, I was wrong. Quickly stop ..."

"Big Sis will make you wish you were dead today."

"Cluck, cluck, cluck ..."

Soon, the laughter of two women rang out from the room. However, this scene was hard to bear to look at.

Even Wu Tian, who was standing outside the door, turned red at the ears. Looking at this scene, he felt an inexplicable impulse.

No, he couldn't continue watching. If he continued to watch like this, he was really worried that he would impulsively do something so shameless to these two women.

"Cough, cough!"

Wu Tian took two steps back and coughed loudly. After giving this reminder, he reached out to open the door.

Hearing the coughing sound, the two girls panicked. They quickly stopped messing around and covered their bodies with blankets.

Wu Tian, who had barged into the room, pretended to be exaggerating as he exclaimed, "Oh my god, Xue, Police Officer Su, what are you doing?"

"Nothing, nothing." Shen Xue wrapped her body tightly in a blanket, her face blushing red in embarrassment.

How embarrassing, I didn't expect Wu Tian to see the scene of him messing around with Su Ruyun.

Not to mention the shy Shen Xue, even Su Ruyun was embarrassed and shy, and her cheeks were flushed.

"You're still saying that it's nothing." Wu Tian pointed at the messy dress on the floor and said with a naughty smile, "You guys take off your clothes in bed during the day."

"No, that was just then we ..." Shen Xue's face grew redder and redder, not knowing how to explain.

"Xue, Police Officer Su, I really didn't expect that you two were lesbians, doing such shameful things in your room." Wu Tian looked at the two girls in disdain.

Shen Xue panicked after being mistaken as a lesbian and quickly explained, "It's not what you think. We didn't do anything. We were just playing around."

"Don't lie to me, you're lesbians." After saying that, Wu Tian turned his gaze back to Su Ruyun. He said, "I didn't think Police Officer Su was interested in women."

"I ..."

Su Ruyun's face had turned red from embarrassment. She gritted her teeth and angrily retorted, "None of your business. Get the hell out of here."

"Oh my god, are you really lesbians?"

"So what?" Su Ruyun looked indifferent.

Shen Xue, on the other hand, was extremely anxious. She hurriedly shook her head and retorted, "I'm not, I really am not ..."

After all, the man she liked was Wu Tian, she didn't want Wu Tian to misunderstand her sexual orientation.

Hidden Billionaire Chapter 387 - Misunderstanding -

C387 Misunderstanding

"Then what are you two women doing on the bed without clothes?" Wu Tian continued to question him aggressively.

"We ..."

Shen Xue was so anxious that her teeth were about to burst out. She explained incoherently, "It's not what you think. We're just ... It's a joke, really."

"Are your sexual orientation normal?"

"It's normal."

"Do you like men or women?"

"Men."

"What kind of man do you like?"

"I ..." Shen Xue raised her head and glanced at Wu Tian. She then swallowed her words as her face flushed red.

"Alright, Xue. I believe your sexual orientation is normal." After saying this, Wu Tian couldn't help but advise, "Stay away from Police Officer Su. After all, she's a lesbian."

"Bastard, who are you calling a lesbian?" Su Ruyun immediately became furious and asked angrily.

"Didn't you just admit you were a lesbian?"

"I ..." Su Ruyun held it in for a long time before she finally said, "Whether I'm a lesbian or not has nothing to do with you."

"I'm just worried that you've defiled Xue." Wu Tian teased her with a mischievous smile.

Shen Xue was worried that the two of them would argue again, so she quickly spoke up, "Wu Tian, I can prove that Sister Shen's orientation is normal. She's not a lesbian."

"That woman isn't normal at all. She's not interested in men."

"How do you know Sister Shen isn't interested in men?"

"I took advantage of her for a long time last time, but Su Ruyun didn't react at all." Wu Tian chuckled.

As soon as she finished speaking, Su Ruyun flew into a rage. "Shameless bastard! One more word! Do you believe that I won't tear that stinky mouth of yours to shreds?!"

"Come, try it." Wu Tian intentionally moved his mouth closer to hers and provoked her with a smirk.

He didn't know why, but every time he saw Police Officer Su's violent appearance, he couldn't help but want to tease her.

Don't say it, this woman is so beautiful when she's angry. She makes people want to conquer her.

"You're courting death." Su Ruyun had a bad temper. How could she be provoked like this? She bared her fangs and brandished her claws as she pounced towards Wu Tian.

Only when she lifted the quilt did she remember that her dress was tattered.

Before she even made a move, she was so frightened that she hurriedly hid under her blanket. With a red face, she scolded, "You bastard. You intentionally angered me, so you can take this opportunity to look at my body."

"I didn't expect Police Officer Su to be scared." Wu Tian laughed shamelessly after saying that.

"Bastard, get out." Su Ruyun wrapped her body tightly in the blanket and howled with a flushed face.

"I refuse." Wu Tian crossed his arms, leaned his body against the cabinet and teased with a mischievous smile.

"You, I ..." Su Ruyun was on the verge of going berserk. To meet such a shameless person, she was simply going crazy.

Now that her clothes were tattered and she couldn't get out of bed, she could only endure Wu Tian teasing her. Other than getting angry, there was nothing else she could do.

Even Shen Xue couldn't stand watching on any longer. She was a little angry as she said to Wu Tian, "Hurry up and go out, we need to change clothes."

When she saw Wu Tian's lustful eyes staring at Sister Su, she got angry and wanted to dig out those eyeballs.

"Xue, do you want me to help you change your clothes?"

"No need, quickly get out."

"Fine." Seeing that Xue was really angry, Wu Tian could only leave the room obediently.

Just as he walked out of the room, he thought of something and pushed open the door again. "Xue ..."

"Ya!"

Before he could finish, he was interrupted by the screams of two women.

The two girls had already lifted up their blankets and were about to get off the bed to change, but Wu Tian suddenly opened the door.

The two girls were so scared that they quickly got into bed. Their faces were red as they angrily scolded, "You scoundrel, get out!"

"Oh, right." Only then did Wu Tian come back to his senses. He smiled and said, "Xue, cook dinner for us later."

"Alright, hurry up and leave." Shen Xue's pretty face was even redder than a tomato. When she thought about how Wu Tian had looked at her body, she felt embarrassed.

Besides being shy, she was more angry. Wu Tian had not only looked at her body, he had also looked at Su Ruyun's body.

"Ok, I'm leaving now." Wu Tian nodded with a smile. Before he left, he complimented them, "Xue, Police Officer Su, your figures are really good. They're so plump and thin, each with their own unique characteristics."

With that, he closed the door and left.

Seeing that the door was closed, Su Ruyun got out of bed and ran as fast as she could to lock the door. Only then did she inwardly heave a sigh of relief.

Su Ruyun gritted her teeth and complained to Shen Xue, "Look what kind of man you like. He's just a hooligan."

"Wu Tian is different. He is only a bit presumptuous in front of you." Shen Xue pouted.

She also couldn't understand why Wu Tian liked to tease Police Officer Su every time he saw her. Whenever they met, Wu Tian's gaze would become extremely evil and his hands would become dishonest.

Usually, he would act in a serious manner in front of Secretary Loong and Huang Lan. He would only occasionally make jokes, and he did not act excessively.

"You still speak up for him, he's a beast." Su Ruyun swore, gritting her teeth as she muttered to herself, "There will be a day when I will castrate this beast."

"You're going to castrate him?" Seeing Police Officer Su clenching her teeth like that, Shen Xue was shocked.

"What is it? Is your heart hurting? "

"Sister Su, although Wu Tian did something bad to you, please forgive him. Please don't castrate him."

"I'm just speaking out of anger. See how scared you are." Su Ruyun stroked her hair and said helplessly, "How could I have the ability to castrate him? Furthermore, he has such a strong backer in the city. I was ordered to protect him, so how could I castrate him?"

"You gave me a fright." Shen Xue patted her chest in relief after listening to his explanation.

"I wonder what aphrodisiac Wu Tian drank for you. You are so mesmerized, you are truly hopeless." Su Ruyun complained and then started to change her clothes.

"I ..." Shen Xue opened her mouth, but did not know how to explain.

Even she didn't understand why she fell for Wu Tian. She was completely confused by this man and was unable to extricate herself.

"Don't just stand there. Change your clothes!" Su Ruyun changed into a sportswear suit and handed it to Shen Xue.

"Oh!" Shen Xue nodded and put on her clothes.

After the two girls changed and washed up, they quickly returned to their normal appearances and went downstairs arm in arm.

Wu Tian was playing with his phone downstairs. When he saw the two girls going downstairs, he put his phone away and greeted the two girls: "Hey, you guys finished changing so quickly?"

The two girls rolled their eyes slightly. They didn't say anything, but when they thought about what had happened in the room, they felt a little awkward.

"Oh right, Xue, why are you wearing casual clothes like that?" Seeing that the two girls were silent, Wu Tian took the initiative to go up to them.

"This is big sister Su's clothes, what's wrong?" Shen Xue frowned in confusion.

"You don't look good in casual clothes."

"Huh?" Shen Xue sniffed awkwardly, "Then what should I wear to look good?"

"You look the best in nothing."

Hidden Billionaire Chapter 388 - To Kyoto -

C388 To Kyoto

Shen Xue blushed and said snappily, "Wu Tian, can you be more serious?"

"I'm telling the truth." Wu Tian changed to a serious look and said with a serious expression, "When you're not wearing clothes, the lines are especially perfect. It's even proportioned and looks much better than when you're wearing clothes."

"You ..." Shen Xue's face turned red from these words.

"Don't talk nonsense with a hooligan like him." Su Ruyun glared at Wu Tian and dragged Shen Xue into the kitchen.

With Su Ruyun's assistance, Shen Xue quickly prepared delicious foods and the four of them began to eat.

Every time Xue cooked, Wu Tian would eat a lot, almost bursting his belly.

When they finished their meal, it was already eight in the evening. Seeing that Elder Sister Lan still hadn't come home, he hurriedly called her to inquire about the situation.

After finding out that Elder Sister Lan had returned to her Huang Family, he calmed down. After showering, he shut himself in his study and started to read.

Just as he was engrossed in his book, a knock came from outside the study room. He walked over to open the door and saw Loong Yun standing outside. She was wearing a nightgown.

Secretary Loong had a very good figure. Wearing this kind of nightgown, she was completely unable to block her big breasts. Her breasts were so beautiful and attractive that he could vaguely see her breasts.

He took a few glances at Secretary Loong, who looked so charming and charming, and said, "Secretary Loong, it's so late. Why aren't you asleep yet?"

"Young Master, I have something to talk to you about." Secretary Loong had already gotten used to the pair of evil eyes, so she spoke with a cold and expressionless voice.

"You feel lonely and want me to accompany you?"

"Young master, please behave yourself."

"How boring." Wu Tian stopped smiling, retreated back to his desk and sat down, "Tell me, what can I do for you?"

"Mr. Wu was on the phone just now."

"Grandpa called?"

"Right." Loong Yun walked into the study and locked the door from the inside. She walked with long legs to the desk and said, "Mr. Wu is on the phone. He wants to see you."

"Grandpa wants to see me?" Hearing that, Wu Tian was very excited.

He had lived for more than twenty years and had never seen his grandfather before. He only knew from the family records that his grandfather was an extraordinary person.

Honestly speaking, he had always wanted to see Grandfather and see his abilities, because his Grandfather was the master of the famous Wu Family.

"The Wu Family Family Assembly will be convened three days from now. Old sir would like to see you before the Family Assembly."

"Great." Wu Tian stood up from the chair and hugged Loong Yun's arm, "I can finally see grandpa. I can finally see grandpa."

"Young master ..."

Loong Yun frowned slightly and reminded him painfully, "Young master, can you let go of my hand first?"

"I'm sorry!" Wu Tian realized that he was too excited and quickly let go of Secretary Loong's arm.

Loong Yun rubbed her aching arm and continued, "Old mister Wu is waiting in the capital. Young master, prepare yourself. We'll set off for the capital tomorrow morning."

"Alright, I'll bring a present for grandpa." Wu Tian paced back and forth in the study room for a few steps. Then, he turned around and asked Loong Yun, "What does grandpa like?"

"I don't know."

"Then what does my grandfather usually like to eat?"

"I don't know."

"Idiot, how come you don't know anything?"

"I've only met him twice."

"Forget it." Wu Tian changed his mind and said, "With my grandpa's identity, he shouldn't be lacking anything. I plan to give him a special gift."

"A painting." Wu Tian turned to Loong Yun and said, "Okay, you can go to sleep now."

"Yes." Loong Yun answered and left the study room.

Wu Tian couldn't hide his excitement as he paced back and forth in the study, thinking about the scene of meeting his grandpa.

He did not sleep until very late in the night, and got up especially early the next day. After bidding farewell to the few girls, he went to Tianmu Technology Hotel, and also to Tianhao Hotel — — Arrange the work for the next few days for Lee Mu and Sunn Xiaohao.

After arranging the company and the hotel's affairs, he also went to Wan Street and Odd Fish company to arrange the work.

After lunch, he took the plane with Loong Yun to the capital.

The capital was the capital of the China, the center of economic, cultural and political strength. It was also the foundation of the Wu Family.

This place was much more bustling than the Luzhou. There were many tall buildings everywhere, luxurious cars everywhere on the street, and streams of people weaving on both sides of the road.

The structure of the capital city was ten times larger than Luzhou. The capital city was very prosperous, and the pace of life was many times faster.

There were only two people who came to the capital this time, Wu Tian and Loong Yun. Originally, Wu Tian wanted to bring Azure Dragon along, but he was stopped by Secretary Loong.

This time, his grandfather asked them to act in a low-key manner so as to not attract anyone's attention.

"Master, I have arranged a place to stay." Loong Yun gave the driver an address after she finished her sentence.

Half an hour later, the taxi pulled up in front of a hotel.

Looking at this simple hotel, Wu Tian frowned: "Secretary Loong, we came all the way here to stay?"

"Keep a low profile."

"Alright!" Wu Tian didn't have too high of a requirement for living quarters, "Let's go, lead the way."

"Please!" Loong Yun gestured a "please" gesture and brought Wu Tian into the hotel. They arrived at a normal small room on the third floor.

Although the room was simple and crude, it was still considered clean, and the toiletries were all available.

After entering the room, Wu Tian couldn't wait to ask: "When are we going to see grandpa?"

"Waiting for notice."

"Wait for what?"

"Waiting for Old mister Wu to notify us."

"So troublesome?" Wu Tian frowned.

He had thought that he would be able to see his grandfather immediately upon arriving at the capital. It seemed that he had thought too simply.

"Yes, after the old mister has made his arrangements, he will inform us. Please wait patiently." Loong Yun consoled.

"Ok!"

Since it was his grandpa's arrangement, Wu Tian had nothing to say, "Go back to your room, I want to take a bath."

"I don't have a room, this time I'm staying with young master."

Wu Tian thought he misheard and said in surprise, "You live with me?"

"Yes."

"We don't need to be so frugal, do we?"

"This is Mr Wu's arrangement."

"Grandpa wants you to live with me?" Wu Tian expressed his doubts.

With his identity as a grandfather, how could he arrange for a secretary to stay with him?

"Yes!" Loong Yun nodded and said expressionlessly, "From now on, our relationship is that of a couple, not a master and servant."

"Is this also grandpa's arrangement?"

"Right."

"Why did grandpa arrange it like this?"

"Mr. Wu told us to pretend to be lovers, mainly to hide ourselves from the eyes and ears of others and to prevent the identity of the young master from being exposed. At the same time, to make it convenient for me to take care of the young master." Loong Yun gave such an answer.

"So, Grandpa doesn't want me to reveal my identity?"

"Right." Loong Yun nodded her head and said seriously, "Young master must keep a low profile. Do not reveal your identity or else you will be killed."

"Is it that serious?"

Hidden Billionaire Chapter 389 - Feminine Taste -

C389 Feminine Taste

"The current situation with the Wu Family is rather complicated." She continued, "There are many people who are eyeing the position of Patriarch covetously. Since you are now the chosen successor of Mr. Wu, you will naturally become everyone's enemy, so you need to be extra careful." Loong Yun explained the reason patiently.

"So that's how it is." After listening to this explanation, Wu Tian roughly understood what had happened.

To put it simply, before the successor ascended to the throne, any descendant of Wu Family that was highly regarded by Old Master would become the public enemy of everyone.

"Mr. Wu arranged it so that your identity wouldn't be exposed, bringing unnecessary trouble and threats."

"Grandpa really put a lot of thought into it." Wu Tian didn't expect his grandpa to be so cautious. He smiled and said, "Since grandpa arranged it like this, then I will reluctantly pretend to be a couple with you."

"From now on, I can't call you Young Master, nor can you call me Secretary Loong."

"Then I'll call you darling."

Loong Yun coughed violently, almost choking to death on her own saliva.

"You don't like that name?"

"That sounds a bit awkward, so you should just call me by my name, it sounds a bit more natural."

"Ok!" Wu Tian nodded and pointed at the two beds, "Are we going to sleep in the same room tonight?"

"Right."

"That's not safe!" Wu Tian was so scared that he protected his body with his hands, as if he was afraid that Loong Yun would rape him.

*

Loong Yun didn't know whether to laugh or cry when she saw her young master's behavior. Could it be that her young master was afraid of being raped?

If it wasn't specially arranged by Wu Tian's grandpa, how could she pretend to be a couple with the young master? It was even more impossible for them to live in the same room. The one who should be worried was her.

"Loong Yun, you have to be more obedient tonight. Don't take advantage of me." After saying that, Wu Tian hugged his body and went into the bathroom.

Soon, the sound of running water could be heard from the bathroom.

Listening to the sound of the shower in the bathroom, Loong Yun felt uneasy. This was the first time she was sharing a room with a man, and she didn't know how she was going to get through the night.

After showering, Loong Yun saw Wu Tian walk out naked.

Seeing the young master's clean and white body, Loong Yun's face reddened and she quickly turned her back to him.

"Loong Yun, do you want to take a bath?" Wu Tian casually asked as he wiped his wet hair.

"No." Loong Yun rejected decisively.

Wu Tian moved his nose closer to Loong Yun and took a few deep breaths. He complained, "If you don't take a bath, the smell on your body is a little heavy."

"What smell?"

"Smells coquettish."

"You ..." Loong Yun's face was filled with embarrassment and anger.

Wu Tian threw the towel away and quickly put on his clothes, "What are we going to do next?"

"Eat."

"Come, let's go eat." Wu Tian felt hungry, so he stretched lazily and walked outside.

He walked out of the room and said to Loong Yun, who had followed him out, "Hurry up, come over and put your arm around mine."

"Why?"

"Aren't we lovers? Of course we have to hug."

"Alright!" Loong Yun swallowed her saliva, walked over and put her arm around Wu Tian, but her movements were a little stiff.

"Idiot, it's like this." Wu Tian stretched out his hand and wrapped it around her waist, holding her body in a domineering manner.

"You ..." Loong Yun felt slightly uncomfortable being hugged so forcefully by her young master, and her face was a little hot for some unknown reason.

However, she didn't say anything. After all, she was pretending to be a couple with her young master, so she could only let him hug her tightly.

Just like that, the two of them hugged each other as they pretended to leave the hotel intimately and arrived at a restaurant on the other side.

After ordering a few dishes, they sat there without saying a word and waited for the dishes. The two of them did not look like lovers no matter what.

"Loong Yun, do you dislike men?" Seeing Secretary Loong's cold expression, Wu Tian leaned his head over and whispered.

"No." Loong Yun spat out these two words coldly.

"Is that so?" Wu Tian reached out his hand and put it around Loong Yun's waist again. "Let me check."

With that said, his large hands started to act recklessly without restraint.

Loong Yun called out. Her beautiful face quickly turned crimson as she gritted her teeth and shouted in a low voice, "Young Master, please behave yourself."

"I'm not your young master, we're a couple now." Wu Tian didn't care that much and planned to take this opportunity to flirt with Secretary Loong.

*

Loong Yun didn't expect her young master to be so impudent. How could she endure such torture? She scolded him in a low voice, "Young master, please stop it. Don't be like this."

"And if I don't?"

"You ..." Loong Yun was on the verge of collapsing.

If the man in front of her was not her young master, Loong Yun would definitely have thrown herself at him and punched and kicked him to vent the anger in her heart.

After gnashing her teeth for a long time, she finally begged in a low voice with a flushed face, "Young Master, I beg of you, please stop."

"Ok!"

Only then did Wu Tian let Loong Yun go. With a smirk, he said, "Facts have it that you really do like men."

"You ..." Loong Yun lowered her head in shame. How could she have met such a shameless young master?

At this moment, the waiter brought the dishes to the table.

Without saying anything, Wu Tian started to wolf down his food. On the other hand, Loong Yun, who sat beside him, couldn't eat at all after being tormented by Wu Tian.

After dinner, Wu Tian suggested: "We've come to the capital with great difficulty. Do you want to play for a while?"

"I don't want to go anywhere. I just want to go back to the hotel." Loong Yun quickly regained her usual icy cold demeanor.

"So eager?"

"That's not what I meant."

"I'm joking. Don't keep wearing a straight face. Let's go, I'll take you to the hospital." Wu Tian pulled Loong Yun's arm and walked outside without saying anything.

Loong Yun didn't know whether to laugh or cry in front of such a stubborn young master. After walking out of the restaurant, she couldn't help but ask, "What are we going to the hospital for?"

"Let the doctor check if your brain is normal or else why would you keep wearing a straight face?"

"You ..." Loong Yun really didn't know what to say to such an unpleasant young master.

Fortunately, the young master didn't really take her to the hospital, but to a movie theater nearby.

After they bought the tickets, they went to the movies. In the movie theater, the two of them held hands without any interaction.

Walking out of the cinema after watching the movie, Wu Tian couldn't help but ask: "Loong Yun, is this your first time in the cinema?"

"Yes."

"How do you feel?"

"Boring!"

"F * ck!" Wu Tian was so angry that he cursed. He wanted to bring this woman to experience the feeling of being in love, but she felt bored.

He scanned the woman's body with that strange gaze and asked doubtfully, "Loong Yun, are you a woman or not?"

"Of course I'm a woman."

"Then why don't you look like a woman at all?"

"I don't know."

"I've never met a woman as callous as you." Wu Tian grumbled to himself as he walked towards the hotel with Loong Yun.

Hidden Billionaire Chapter 390 - Drug Administration -

C390 Drug Administration

The two walked back to the hotel hand in hand. At first, it was nothing much. As they walked, Loong Yun felt her palms become hot and itchy, as if ants were biting her.

Loong Yun retracted her arms, her face blushing as she pleaded in a low voice, "Can you let go of my hand?"

"What is it? Have you felt it? " Seeing Secretary Loong's blushing face, Wu Tian couldn't help but laugh secretly.

"Nope."

"Then why are you blushing?"

"I just ..." Loong Yun bit her lips. For a moment, she didn't know how to explain.

For some reason, her body suddenly became somewhat restless.

Previously, when she was bullied by her young master in such a way, she didn't even feel it, but now that she suddenly became restless, an indescribable desire welled up in her heart.

Having lived for more than twenty years, she had never felt such a feeling before. She couldn't help but suspect if the young master had done something to her.

"That's not right." Wu Tian suddenly noticed that Secretary Loong's face was flushed. Even her eyes were a lot more passionate than usual.

At this moment, Secretary Loong was especially alluring. He stared at her for a while, and Wu Tian couldn't help but tease her, "Loong Yun, you look like a woman now."

"I'm not feeling well, let's hurry back to the hotel." Loong Yun gritted her teeth as she suppressed the desire in her heart and quickly walked in the direction of the hotel.

After a few steps, two young men blocked their path.

They had just seen the two men in the cinema, sitting just to Loong Yun's left.

When they were at the cinema, the two men stared at Loong Yun's body and swallowed saliva. They were like two hungry cats. They didn't expect the two of them to follow them here.

Without even thinking about it, it was obvious that the two of them were coveting Secretary Loong's beauty.

"Where are you two going?" One of the fatter men asked as the two men surrounded him.

"This has nothing to do with you. Hurry up and get out of the way." Wu Tian's eyes turned cold as he yelled impatiently.

"Oh? Foolish boy, you are still young, yet your temper is not small." The slightly fat man rubbed his chin and said to Wu Tian, "You can leave, but leave this woman behind."

"On what basis?"

"She's our prey. We've drugged her." The slightly plump man looked greedily at Loong Yun for a while before laughing, "Look, this girl is getting excited. She's waiting for us two brothers to serve her."

"Shameless!" Loong Yun cursed out loud.

No wonder she felt so restless. She had been drugged by the two men in front of her.

However, she still didn't understand. She hadn't eaten anything in the movie theater, and she hadn't even talked to the two men. How could she have been drugged by them?

"Great beauty, now you're calling us shameless. In a bit, you'll beg us to love you, hahaha ..." After the man said this, he laughed shamelessly.

"Pah!"

Wu Tian raised his hand and slapped the man hard, "You two bastards, you're even more shameless than me."

Secretary Loong had been secretly drugged by others. No wonder she had turned into such a charming and charming girl.

"Brat, if you know what's good for you, then hurry up and f * ck off. Don't stand in our way and let us enjoy this beautiful girl." The slightly plump man shook his fist as he threatened impatiently.

"This beautiful girl is mine, if you want her, I'm afraid you won't have the ability to do so." The corner of Wu Tian's mouth twitched as he slowly withdrew his smile. The look in his eyes became a lot colder.

"Kid, are you looking for a fight?"

"All of you, go die."

"Good boy, since you insist on courting death, then don't blame us two brothers for being vicious." After saying that, the slightly fat man swung his fist towards Wu Tian.

When his fist was about to come close, Wu Tian suddenly made his move. He grabbed the man's fist and twisted it.

With a "kacha" sound, the man's arm was broken.

After that, Wu Tian punched and kicked the man, causing him to be badly mutilated. He screamed like a pig.

"It's your turn." After beating up this man, Wu Tian's gaze turned cold as he looked at the man beside him.

"Plop!"

The man's legs went soft and he kneeled on the ground in fright. He was scared half to death by Wu Tian's cruel methods.

At first, when he saw Wu Tian's delicate skin, he thought that this brat was very weak. He never would have thought that Wu Tian was so strong that his skills were even more terrifying than a demon's.

The man kneeled on the ground and kowtowed to beg for his life in fright. "Big Brother, I was wrong. Please spare my life."

"You want me to let you go? No way." Wu Tian hated this kind of people the most. He raised his fist and punched and kicked him.

Very quickly, the two men were beaten to the point that their heads bled.

Seeing that the fight was almost over, Wu Tian stepped on the fat man's head and coldly asked: "Speak, when did you drug my woman?"

"I'll tell you, I'll tell you." The slightly plump man quickly explained, "I took advantage of her inattentiveness and applied a scented cream to her chair. The scented paste came in contact with her skin and slowly seeped into her body through her pores ..."

"Bastard." After hearing that, Wu Tian punched the man twice and then asked Secretary Loong, "Loong Yun, how are you going to deal with these two scum?"

"I feel terrible." At this moment, Loong Yun's face was completely red, and she looked as if she wanted to die from the pain.

Seeing Secretary Loong's expression, Wu Tian quickly grabbed her shoulder and asked with concern, "Hey, are you alright?"

"Don't... Don't touch me. " As if she was electrocuted, Loong Yun quickly pushed Wu Tian away and took a few steps back.

"Your poison seems to be quite severe." After Wu Tian said this, he turned around and asked the two men: "Where's the antidote?"

"This poison doesn't have an antidote, so she can only rely on the opposite sex's body to detoxify the poison."

"F * ck!" Wu Tian was furious once again and punched and kicked the two men.

"Stop fighting." Loong Yun gritted her teeth and said to Wu Tian, "Quickly, let's go back to the hotel."

"If you dare to harm women again, I'll kill you." Wu Tian cursed at the two men and then dragged Secretary Loong back to the hotel.

Secretary Loong's poison had already spread throughout her body. The moment she entered the room, she immediately crawled into bed and tightly wrapped herself in a blanket.

Seeing Secretary Loong in such pain, Wu Tian was not happy, "Hey, do you want me to send you to the hospital?"

"Get out, quickly." Loong Yun raised her head and glanced at Wu Tian before she quickly turned her head to the right.

Now that she saw Wu Tian, she had a strong impulse.

She knew that it wouldn't be long before she would lose her rationality, and at that time, she would probably pounce on her Young Master like a wolf or a tiger.

"I'm out, what will you do?" Wu Tian had never encountered such a situation before and was at a loss as to what to do.

"Get out! If we can't see you, we'll ..." Loong Yun gritted her teeth as she struggled to hold on. She was on the verge of collapsing.

"Then I'll wait outside. Call me if you need anything." Wu Tian glanced at Loong Yun worriedly before he turned around and walked out of the room.

"Ah ..."

As soon as he walked out of his room, he heard Secretary Loong's miserable shrieks.

Wu Tian hurried back to his room as he was worried something might happen to Secretary Loong. The moment he entered the door, he saw Loong Yun pouncing on him. Her coquettish, snake-like body tightly wrapped around him.

He didn't expect the usually cold Secretary Loong to be so feminine, her body twisting like a fairy.
