C416 Spending Money like Dirt

Everyone agreed that the kid in front of them was definitely a rich person. To be able to buy a clothing store with so much money, he must be a rich person.

Previously, the passersby were mocking Wu Tian, thinking that this brat was boasting shamelessly and was simply a pauper pretending to be a criminal.

Seeing that this brat bought a clothing store worth tens of millions, how could everyone still laugh? The way they looked at Wu Tian became much deeper.

The female students were also shocked. They didn't think that Wu Tian would actually buy this clothing store.

He was too willful. He brought these girls here to buy clothes, but in the end, he simply bought the clothing store along with all of their clothes.

Previously, some girls were suspicious of Wu Tian's ability, but now they finally understood how rich Wu Tian was.

Buying the clothing store in just ten minutes, he was simply a super tycoon.

Even Yao Jing was stunned. She didn't expect Wu Tian to buy a clothing store worth tens of millions with just a pat on the head.

Previously, she was worried that Wu Tian wouldn't be able to afford the expensive clothes. Now it seemed that her worries were superfluous.

She didn't dare to imagine how much money Wu Tian, who was rich and lavish like dirt, would have.

"Thank you, Boss Liu." Under everyone's gaze, Wu Tian took the contract and title certificate from Liu Shang.

"Mr Wu, this store is yours from now on. You have the final say in how you want to handle it." After Liu Shang said this, he took out his business card from his pocket and handed it over. He smiled to Mr Wu: "Mr Wu, this is my business card. If you need it in the future, call me."

He could already tell that the young man in front of him was a big boss who concealed his strength.

"Boss Liu is too polite." Wu Tian received the business card with both of his hands and said politely.

"Alright, Boss Wu, busy yourself first. I won't disturb you then." Liu Shang nodded slightly, then turned around and left with his men.

As soon as Boss Liu left, the salespeople quickly surrounded him and apologized: "Mr Wu, I'm sorry, we were blind before and offended you, so we forgot to forgive."

The salespeople were no longer as arrogant as they were before. They were all scared out of their wits and respectfully walked over to apologize to Boss Wu.

He was a super tycoon, their new boss. No one dared to offend him no matter how bold they were.

"Now you know your wrongs?" Wu Tian swept a glance at these salespeople who had swelled up and asked coldly.

"Got it." The sales staff all nodded. At the same time, they shamelessly tried to curry favor with him, "From now on, we all listen to Mr Wu's arrangements. Mr Wu wants us to go east, but we absolutely don't dare to go west."

"Too late!"

Wu Tian shook the contract in his hand and said to the salesperson heartlessly, "From now on, all of you get lost. You can ask the previous boss for the salary."

Hearing that he was about to be fired, the salesperson became anxious and quickly pleaded: "Mr Wu, we know we're in the wrong. Please give us another chance, don't chase us away."

"Scram!"

Wu Tian yelled and pointed at the salesmen's noses. "Don't let me see you again."

The salesperson was so shocked by this aura that they no longer dared to plead and left with their faces covered in dirt.

Yao Jing and the more than ten girls were especially happy when they saw Wu Tian drive away the salesperson who relied on his power and influence. They felt especially happy in their hearts.

At the same time, they could not help but sigh secretly. It was still because they had the money to be willful and do whatever they wanted, trampling all the disobedient people under their feet.

After driving away those salespeople, Wu Tian said to the girls, "Okay, I've already bought this clothing store. You can come pick your clothes anytime from now on, all free of charge."

"Great, Wu Tian is still the best." More than a dozen girls applauded and could not help but thank Wu Tian.

Previously, they thought that the clothes inside were outrageously expensive, and upon hearing that it was free, they became extremely excited.

The surrounding bystanders couldn't help but be envious of those girls. They didn't know who these girls were that they would be so blessed by the super rich.

If everyone knew that these girls could get such luxurious rewards just by pulling members of the party, the passersby would probably be so envious of them.

"Alright, pick out a set of clothes for your team to wear and change into." Seeing that it was getting late, Wu Tian urged the girls.

"Alright!"

Under the envious gaze of the crowd, more than a dozen girls began to choose their team-pulling uniforms.

After a simple discussion, they finally chose a short skirt to wear as the team uniform. This skirt set was more than 6,000 yuan, and more than a dozen girls all wore it.

Needless to say, after changing into a new dress, it looked pretty good. It did not lose the freshness and freshness of the students, nor did it lose the allure of a sexy beauty. In an instant, it had increased the looks of the girls.

These girls all changed into short dresses that were about six thousand years old, which attracted special attention. In an instant, they became the most beautiful scenery on the Yunshang Center.

This attracted a lot of visitors. They might have thought that there was a talent show going on here.

Under the focus of their eyes, the girls all felt especially proud as they experienced a feeling of being high and mighty like princesses.

"Wu Tian, our cheerleading uniforms have been selected." Yao Jing walked in front of Wu Tian and asked, "How's the dress?"

"Your dress isn't bad, but your legs are a bit short." To be honest, this girl was perfect in every aspect. Her short legs were her biggest weakness.

The smile on Yao Jing's face instantly vanished as she complained in a soft voice, "You're annoying. How can you talk like that?"

"I didn't mean that, I meant ..."

"Forget it." Yao Jing interrupted, asking, "How much money do you actually have? Why did you buy this brand store so quickly?"

"It needs to be kept secret in case you plot against my property." Wu Tian joked.

Previously, he didn't know Yao Jing that well. However, this girl was not bad, and he had always had a good impression of her.

"I'm not interested in your property, but the other students seem to be. They're all asking about you!" Yao Jing pointed at a few pretty girls behind the shelves.

Those girls were discussing about Wu Tian in whispers. They were all inquiring about Wu Tian's situation and were all interested in his family and his girlfriend.

Wu Tian pursed his lips into a smile, and took the initiative to change the subject: "We have already chosen our uniforms, come with me to Martial Arts Club later on. Teacher Mu and the other members are still waiting!"

"Alright, we can set off now." Yao Jing fiddled with her messy hair and said with a smile.

"By the way, do you know how to do La Raza?"

"Yes, we've learned it before."

"That's good." Wu Tian leaned his head over and whispered a few words into Yao Jing's ear.

"Understood." Yao Jing nodded her head repeatedly after hearing these words.

"Alright, I'll return to Martial Arts Club first. I'll wait for you at the entrance of the martial arts school later. Remember what I told you just now. Help me organize everything properly later."

"Don't worry, these are all very simple. There definitely won't be any mistakes." Yao Jing swore.

## **Hidden Billionaire Chapter 417 - Lift Momentum**

C417 Lift Momentum

Wu Tian gave class monitor Yao Jing a few simple words and then took the lead to return to Martial Arts Club. He saw Gu Xiaoman and Mu Ran, both of whom were still waiting inside the dojo.

The members of the club were still looking dejected, so they didn't bring up any fighting spirit.

"President, how is it?" Gu Xiaoman asked as she saw Wu Tian walk into the club.

"The Industry University Martial Arts Club pulling team has been formed. They will be here soon." Wu Tian said with a smile.

"Proprietor Wu is amazing. You managed to set up the cheerleading team so quickly."

"These days, money makes things easier."

"Right, can finding a group of cheerleaders really boost everyone's morale?" Gu Xiaoman expressed doubt.

"Don't worry, definitely." After Wu Tian said this confidently, his eyes suddenly lit up: "Our pull team is here."

More than ten girls in short skirts walked over.

Upon seeing these girls, Gu Xiaoman and Mu Ran's eyes lit up.

This dress was too beautiful. With a single glance, one could tell it was high-end goods. It completely matched the temperament of those girls, making them look gorgeous and incomparably beautiful.

More than a dozen girls were wearing the same luxurious skirt. It was quite a spectacular sight.

The Martial Arts Club members were also attracted by the girls. They were all deeply attracted and couldn't help but stick their heads out to look.

However, everyone had their suspicions. They suspected that these beautiful girls were here just to ridicule them.

More than ten girls in short skirts stopped at the door and started to adjust their formation at the entrance of the dojo.

Wu Tian walked onto the stage, and said to the listless members: "Let me tell everyone a piece of good news, our Industry University Martial Arts Club pulling team has officially been established."

"A cheerleader?"

Upon hearing that their society had a cheerleading team, the members couldn't help but discuss in whispers.

Everyone expressed their doubts. Industry University Martial Arts Club had a bad reputation in the school, and they had always been suspected by

everyone, especially when they were looked down upon by the girls in the school.

In this kind of disadvantageous situation, probably no other girls would be willing to pull teams for Industry University Martial Arts Club.

"Come, let Industry University Martial Arts Club pull your team in." After Wu Tian said this, he led the applause.

After the applause, Yao Jing led a dozen female students into the martial arts building.

The bodies of these girls weren't bad. Their looks were above average, and with the addition of their luxurious short skirts, they immediately gave off a breathtaking sense of beauty.

The members could not help but stare at these beautiful cheerleaders and swallow their saliva.

They didn't think that the society would have such a team of cheerleaders. All of them looked really pretty, really pleasing to the eyes.

When they heard that the girls were all unwilling to become members of Martial Arts Club, the members were especially disappointed.

Now, seeing so many beautiful girls join their camp, their fighting spirit and hope were slowly ignited.

More than ten women in short skirts stood in two rows as they greeted the members of the guild in unison, "My fellow citizens of Industry University Martial Arts Club, good afternoon to all of you. We are cheerleaders."

"Are you really the cheerleaders?" Even now, the vice president still didn't dare to believe it. He never thought that the society would suddenly have so many beauties pulling members here.

"Yes." Yao Jing took a step forward and said with a smile, "I'm the cheerleader Yao Jing. I'm very happy to meet you."

"Thank you, we finally got a team." The members present swept away their previous lacklustre position and instantly became excited.

Yao Jing walked to the front of the cheerleaders, raised her fist and shouted, "Industry University Martial Arts Club!"

"The best!"

More than a dozen cheerleaders shouted in unison. Their voices were loud and clear.

"Industry University Martial Arts Club ..."

"Strongest!"

"Industry University Martial Arts Club ..."

"Awesome!"

Over a dozen girls cheered in unison in the center, using this most primitive method to cheer for the members of Martial Arts Club.

Of course, these were all told to him by Wu Tian at the Yun Shang. It seemed that these girls were cooperating very well.

The cheers were like a needle shot through the heart, boosting the morale of the members of the club. Gradually, their fighting spirit was ignited and a hint of fighting spirit appeared in their hearts.

"Quiet!"

Wu Tian pressed his hands together, signalling for the pulling members to quiet down, and pretended to be disappointed as he said: "Ladies and gentlemen, to think that you all thought so highly of our Martial Arts Club, it's just that our members have not even started the competition, and they have already admitted defeat."

"Who said we admitted defeat?" At this moment, the vice president quickly stood up to refute.

He didn't want to be looked down on by the cheerleaders who supported them.

The other members also joined in, indicating that they wouldn't admit defeat. They wouldn't admit defeat unless it was the very last moment.

"Then let me ask you, in tomorrow's tenth tournament, do you dare to play?" Wu Tian glanced at the members below the stage and asked loudly.

"You dare!"

The members all shouted out in unison. At this moment, they were all clenching their fists, giving off an indomitable aura.

"Then in tomorrow's tenth tournament, do you have any confidence in winning?" Wu Tian continued to ask.

"Yes!" The members of the club shouted in unison, as if they wanted to vent all the pent-up emotions they had been feeling during this period of time.

"Good, then let everyone see, our Industry University Martial Arts Club are not cowards, and we are not trash either." Wu Tian shouted like a general commanding a large army.

"Alright!"

The members of the club were also impassioned, each of them abnormally excited, ready to charge onto the battlefield and fight the enemy at any moment.

At this time, Yao Jing once again led the pulling members and shouted in unison, "The Industry University Martial Arts Club is the best, the Industry University Martial Arts Club the strongest, and the Industry University Martial Arts Club the most handsome ..."

It was like an swearing meeting. The members were all excited, their blood boiling, and their hearts were filled with the desire to fight.

After shouting for a while, Yao Jing brought her team members to begin dancing.

He had to admit that this girl's leadership and organization was very strong, and her dancing skills were not bad either. She led a dozen or so girls to twist their bodies on the spot, looking extremely alluring and flirtatious.

Not to mention the other members, even Wu Tian's eyes were attracted by the dance, and his gaze wandered unrestrainedly on these girls.

"Hey!"

Gu Xiaoman walked over and tugged on the corner of Wu Tian's shirt. She reminded him sourly, "President, if you keep looking, your eyeballs are going to pop out."

Wu Tian chuckled dryly. Then, he retracted his gaze and looked at Gu Xiaoman, "I didn't expect that they would wear these short skirts that fit them perfectly. Their dancing is faintly discernible."

"Rogue!" Gu Xiaoman grumbled, but she couldn't help but praise, "Proprietor Wu, you're still the best. You've raised the morale of our members so quickly."

"Thanks to Teacher Mu." Wu Tian grinned and pushed all the credit to Mu Ran. "Luckily, Teacher Mu helped the society build such an outstanding team. Otherwise, it would be hard to boost the morale in a short time."

"You were the one who was willing to spend the money to set up the cheerleading team. I didn't help much." Mu Ran played with her hair at the corners of her ears.

"In short, I would like to thank Teacher Mu for her support of the Martial Arts Club."

"Then don't let Teacher down. We'll have a good match tomorrow and try to get a good result." Mu Ran encouraged.

"Don't worry, your results won't be bad."

"Then I'll leave first. I'll go watch your match tomorrow." Mu Ranwan smiled, said goodbye to Gu Xiaoman and left.

## **Hidden Billionaire Chapter 418 - Movie Sale**

C418 Movie Sale

Wu Tian quickly caught up with her and suggested with a smile, "Teacher Mu, you've helped me a lot today. How about I treat you to a meal?"

"Maybe another day. Teacher has matters to attend to today." Mu Ran tactfully refused.

Recently, she had been walking too close to Classmate Wu. She was worried that her classmates would see her and gossip, so she refused the invitation.

"Teacher Mu, I remember you don't have any classes this afternoon."

"I have some personal matters to attend to."

"What private matter?"

"Alright, you don't need to ask." Having said so, Mu Ran walked in the direction of the teacher's dormitory with flustered steps.

Wu Tian wanted to follow up, but the phone in his pocket rang. It was Qiao Fugang.

After answering the phone, he asked into his phone, "Director Qiao, is there anything for me?"

"Boss Wu, let me tell you a big piece of good news. In just two days, our movie box office has exceeded 100 million." On the other end of the phone, Qiao Fugang couldn't hide his excitement and his voice was trembling.

"That powerful?" Wu Tian never expected the box office to be so high.

"Our movie scores are very high and our reputation has exploded. According to this trend, the box office would even increase a little. According to our estimates, our final box office would be over 2 billion."

"Great." Hearing this good news, Wu Tian couldn't help but sigh: "I didn't expect that such a movie could be sold for 2 billion."

"Boss Wu, we held a small celebration dinner at the Tianhao Hotel. Come over quickly."

"Alright, I'll be right there." Wu Tian hung up and took a taxi to the Tianhao Hotel.

Only the front desk and the waiter knew Wu Tian, so they bowed and greeted him: "Hello, Boss."

"Where's Boss Sun?" Wu Tian asked casually. The Boss Sun he mentioned was naturally Sunn Xiaohao.

"Boss Sun didn't come today?"

"Got it." Wu Tian didn't ask too much and instructed the front desk, "I'm here for dinner. Do whatever you need to do. Don't worry about me."

Having said this, he strode toward the elevator.

He quickly took the elevator up to the 8th floor and pushed open the 808th room. He saw Qiao Fugang and Yan Jie sitting in the room.

Other than the two of them, there were also an assistant director and some other important people in the crew. The male and female lead actors were also in the room.

"Boss Wu, quick, please take a seat." Qiao Fugang quickly stood up to welcome him, appearing to be very polite.

"Take a seat." Wu Tian walked over and sat down beside Director Qiao. He leaned his body against the chair and said, "Everyone, please order whatever you want. I'll treat you today."

"No!"

Qiao Fugang waved his hands and quickly opened his mouth to stop them, "Boss Wu invites us every time. I'll treat you today."

"In my territory, it's not your turn to treat."

"Your territory?"

"Right." Wu Tian shook his collar and said with a smile, "To be honest, this hotel is mine."

"I really didn't expect Boss Wu to be so young and have such a wide range of experience. He has invested in all walks of life."

"Alright, let's order first." After Wu Tian said this, he called for the waiter and ordered over a dozen specialties.

After ordering, he started chatting with Qiao Fugang, "Director Qiao, I heard from you over the phone just now that our new movie already has a box office of over a hundred million?"

"Yes, after opening it for two days, it will exceed 100 million. Moreover, it will also increase. If this goes on, the final box office might exceed 2 billion." At the mention of this, Qiao Fugang found it hard to hide his excitement.

Yan Jie, who was beside him, couldn't help but to add: "If the final box office exceeds 2 billion, Boss Wu's split account can exceed 600 million. It's a huge profit."

"This is all your credit." Wu Tian raised his glass and said with a smile of gratitude, "Director Qiao, Elder Sister Yan, it has been hard on you two. Let me toast you two."

"Come, cheers!"

Under Qiao Fugang's lead, everyone raised their glasses and drank together.

After drinking, Qiao Fugang hurriedly refilled his glass for Wu Tian and smiled, "Boss Wu, it's all thanks to you investing this time. Without your investing, we wouldn't have been able to make a movie. I thank you on behalf of the film crew."

"You're too polite." Wu Tian quickly picked up his wine cup and clinked his cup with Qiao Fugang's, then drank all of the red wine in the cup in one gulp.

After two cups of wine, the atmosphere was much more harmonious than before.

The members of the team that were originally silent all raised their glasses and toasted Wu Tian. The actors also took this opportunity to curry favor with Wu Tian.

Even before the dishes were served, the few of them were already done drinking.

"Right, Boss Wu." Halfway through the drink, Yan Jie interrupted him with a suitable tone, "Boss Wu, your investment in the Flowers Bloom That Year movie is only for show. Do you have any plans to officially enter the field of film and entertainment?"

"This ..."

Wu Tian rubbed his chin and fell into deep thought.

He hadn't really wanted to enter the film and television entertainment industry before, but he had seen great business opportunities in this movie.

Just the investment in *Flowers Bloom That Year* alone, according to his estimates, had a net profit of over five hundred million, which meant that the rate of return was extremely high.

Naturally, he didn't want to miss such a lucrative area. After pondering for a while, he decided, "Alright, I've decided to enter the film industry."

"Congratulations Boss Wu for making such a wise decision. Let me toast you." Having said so, Yan Jie raised her glass with both hands and toasted Wu Tian.

Wu Tian drank a mouthful of wine and looked at Yan Jie with a faint smile, "Elder Sister Yan, do you still have more to say?"

"Boss Wu, it seems like nothing will escape your notice." Elder Sister Yan put down her glass and said with a smile, "If Boss Wu can enter the film industry, I hope he can bring us to make a fortune together."

"Of course." Wu Tian made his decision without a second thought. "I'll leave the film industry entirely to you and Director Qiao."

"Boss Wu, thank you so much." Hearing this, Qiao Fugang stood up with his glass of wine and said, "Thank you, Boss Wu, for your trust. Let me toast you first."

After he finished this sentence, he drank all the white wine in the cup in one gulp.

"Director Qiao, you're too polite. Your abilities are obvious to all. It's my honor to be able to obtain a team like yours." After Wu Tian said this, he stood up and drank the red wine in his cup.

"Alright, I hope that we can cooperate happily in the future."

"Please sit down." Wu Tian made a please gesture with his hand and said with a smile, "Preparing a film and television entertainment company is quite troublesome. I plan to buy one. I wonder if Director Qiao and Elder Sister Yan have any objections?"

"If Boss Wu wants to buy it, my suggestion is to buy Huaxing Film and TV."

"What do you mean?"

"In the past, Huaxing Film and TV used to be very large. It had a very high reputation in Jiangnan and its influence was also very deep. The key is that the company has a lot of talent in film and television. However, the brain drain is not too serious. If we can buy this company, it will have a good future. "

"I've heard of this Huaxing company. In the past, its reputation was indeed very big, but in recent years, it has dimmed a little."

"However, the owner of the Huaxing film and television are a little difficult to deal with. If I want to buy their company, I'm afraid ..." Qiao Fugang didn't finish his sentence, but the meaning was obvious.

Just then, the waiter started to serve the dishes, interrupting their conversation.

Wu Tian glanced at the dishes on the table, smiled and said, "I'll think of a way to buy it, let's eat first."

## **Hidden Billionaire Chapter 419 - Film and Television Industry**

C419 Film and Television Industry

Qiao Fugang opened his mouth again as if he wanted to say something. In the end, he didn't say what he wanted to say. He picked up his chopsticks and said, "Come, let's eat. Let's try these delicious dishes at the Wu Steel Hotel."

The others also picked up their chopsticks and began to eat. They were all attracted by the delicacies, and they all began to praise them.

They were not flattering him, but they truly felt that the dish was delicious. The taste was extremely beautiful, and the taste of the dish brought endless aftertaste.

It took them two hours to get out of the party.

After dinner, Wu Tian personally sent them out of the hotel and told them to take a good rest for the time being. After the establishment of the new company was completed, they would start preparing a new movie.

After sending off Director Qiao and the others, Wu Tian sat in the lobby of the hotel in a daze, thinking about how to enter the field of film and television entertainment.

The direction of the company was correct. If they were to enter the film and television entertainment industry, they would definitely be able to make a lot of money. It all depended on how the company entered.

If he were to establish a company, it would be rather complicated for an outsider like him. The fastest and best method would be to buy it.

If he could buy Huaxing film and television, that would be a good choice. However, based on Qiao Fugang's tone, buying this company seemed to be more difficult than he had imagined.

After thinking for a while, Wu Tian thought of one person, Elder Sister Lan.

Elder Sister Lan had infiltrated the entertainment industry for several years, so she could be considered as an old person. She had some understanding of the entertainment industry.

Now that he had entered the film and television entertainment industry, he might as well get Elder Sister Lan's help. He would definitely be able to achieve twice the results with half the effort.

Thinking of this, he hurriedly took out his phone and called Huang Lan. "Elder Sister Lan, what are you doing?"

"I'm recording a promotional video at Seafood." Huang Lan couldn't help but ask, "What do you need me for?"

"I'm fine, I just want to treat Elder Sister Lan to a meal." Since he couldn't explain it over the phone, Wu Tian decided to ask Huang Lan out first.

"Why did you take the initiative to ask me out for a meal when the sun was rising in the west?"

"I just feel that Elder Sister Lan has been working too hard recently. I want you to come out for a meal to relax."

"Alright, when I'm done, I'll come and find you."

"Alright, I'll wait for Elder Sister Lan at the Tianhao Hotel." Wu Tian hung up after saying that.

After he finished making the call, he instructed Lobby Manager, "Beauty, open a luxurious room for me. Set up the room to emphasize romance and warmth."

He wanted to use this method to curry favor with Elder Sister Lan, so that he could have Elder Sister Lan's help when the time came.

"Okay, boss, I'll do it right away." After Lobby Manager answered, he took the waiter upstairs to get busy.

After saying this, Wu Tian was bored and started strolling around the hotel.

It seems like Sunn Xiaohao did his job seriously and managed the hotel pretty well. Everything was in order.

As he passed the bathroom on the second floor, he bumped into a girl with thick makeup and nearly knocked her over.

"I'm truly sorry ..."

Wu Tian hurriedly opened his mouth to apologize after bumping into someone.

Before he could finish his words, he was interrupted by the young girl's angry voice. "Blind your dog eyes, can you walk more clearly?"

"You ..."

Wu Tian originally wanted to teach this rude girl a lesson, but then he thought, this is his hotel, it's not good for the hotel to cause a scene.

After thinking about it, he decided to tolerate it.

However, the girl did not spare him. She continued to curse with her eyes wide open, "Why does the shop have a dog like you? How unlucky."

"Please speak clearly." Wu Tian's temper wasn't too good, but he wasn't bad either. He couldn't help but feel itchy in his palms when he met such an unreasonable person.

"In my territory, you still dare to teach me a lesson?" The young girl stuck out her chest and arrogantly raised her head, "Little brat, do you know who I am?"

"I don't know."

"Then let me tell you, I'm the First Sis of this hotel."

"Hotel's First Sis?" Wu Tian frowned, he had never heard of this hotel's number one sister.

"Are you afraid?" Seeing that Wu Tian was scared, the girl became even more arrogant, "Do you know who is the boss of this hotel?"

"Sunn Xiaohao."

"Yes, I am the General Manager's wife."

"Could it be that you're CEO Sun's girlfriend?" Wu Tian looked at the girl in front of him again.

At this moment, he finally understood that this was Sunn Xiaohao's new girlfriend. No wonder she was so arrogant in the hotel.

However, Xiaohao's eyesight wasn't good. How could he find this kind of girl to be his girlfriend? What kind of trash was she?

This girl was not bad looking and had a decent figure. However, her character was too bad and she did not have any form of education.

"Yes, I'm Boss Sun's girlfriend. I still need to marry Boss Sun in the future." The girl pulled up her hair and asked doubtfully, "Oh right, how do you know CEO Sun? How do you know his name?"

"To tell you the truth, I'm actually from this hotel ..."

Wu Tian wanted to reveal his true identity, but before he could finish, he was interrupted by the girl. "I got it. Looking at your clothes, you must be a hotel cleaner, right?"

"Actually, I ..."

"You, a cleaner, dare to talk to me like this? Do you believe that I can get Director Sun to fire you?" The girl was becoming more and more arrogant.

Wu Tian was quite annoyed to have met such a girl. He asked impatiently, "Where is Boss Sun now?"

"You're just a little cleaner, and yet you still dare to ask about the whereabouts of Director Sun." After the girl said this, she pointed at the bathroom door and ordered, "I'm ordering you, use your hand to wipe off the dirty water at the door."

"Sorry, you don't have the right to order me." If not for the fact that she was Sunn Xiaohao's girlfriend, Wu Tian would have already had her thrown out by the security guards.

"I am not qualified, am I? Alright, I'll call Director Sun right now and have him personally come over to teach you a lesson. " After the young girl said this, she took out her phone to make a call.

After finishing her call, she said with a proud smile, "Director Sun has already reached the hotel. He's in the basement parking lot right now and will soon come over to teach you a lesson."

"I am relieved!"

Wu Tian sighed inside. He was too lazy to waste words with this girl, he just waited for Xiaohao to come over and explain everything.

After a short while, Sunn Xiaohao in a suit rushed over. He had a briefcase under his arm.

After Xiaohao had dressed up, he looked like a completely different person. He had the bearing of a big boss.

The girl with thick makeup walked over quickly and held Sunn Xiaohao's arm, then said coquettishly, "Brother Hao, I was bullied by the cleaning staff at your hotel."

"Xiao Lu, let go of me first." Sunn Xiaohao pulled his arm out and asked: "Were you bullied by the cleaning staff?"

"It's that brat. Hurry up and fire him." The girl with thick makeup pointed at Wu Tian in the bathroom and complained.

"Tian?"

Only then did Sunn Xiaohao notice Wu Tian in the washroom. He quickly explained to the girl, "What cleaning staff? He isn't a cleaning staff at all."

"Could he be a waiter?" The young girl questioned. She grabbed Sunn Xiaohao's arm again and said coquettishly, "I don't care if he's a cleaner or a waiter. Anyway, I don't want to see him again. Hurry up and fire this brat."

"Who am I going to fire?"

Sunn Xiaohao impatiently threw away the girl's arm, and stepped forward, pointing at Wu Tian, he introduced him: "He is our Tianhao Inn's big boss, Wu Tian."

## **Hidden Billionaire Chapter 420 - Stick to Him and Don't Let Go**

C420 Stick to Him and Don't Let Go

"Big Boss?" The thick makeup girl's mouth twitched and she instantly quieted down. Her eyes were round and wide as she stared at Wu Tian like she was looking at a monster.

She never dreamed that the man in front of her was actually the boss of the Tianhao Hotel.

If not for Manager Sun's words, she wouldn't have dared to believe it even if she was beaten to death. This silly kid dressed in shabby clothes was actually the boss of the Tianhao Hotel.

She mistook Wu Tian for a cleaner. She even spoke rudely and humiliated Wu Tian. She even asked Director Sun to fire him.

It turned out that Wu Tian was Chief Sun's direct superior, he was the most amazing person in the entire hotel.

She knew she had caused a disaster. The girl with thick makeup was stunned for a moment and then rushed forward to apologize: "Boss Wu, I'm sorry, I

didn't know you were the big boss of the hotel, please forgive me for offending you."

"Stand there and don't talk." Wu Tian glared at her and the girl was so scared that she stood on the spot and shut her mouth.

After Wu Tian reprimanded the young girl, Wu Tian raised his head and set his gaze on Sunn Xiaohao, "Tell me, what exactly happened? Is this girl really your girlfriend?"

"This is a long story." Sunn Xiaohao glanced at her, walked to Wu Tian and explained in a low voice, "That girl is called Lulu, she's a blind date that my relatives recommended to me ..."

"Matchmaking partner?"

"Yes sir!" Sunn Xiaohao nodded and continued, "Lulu initially looked down on me, but when she found out that I was the General Manager of the Tianhao Hotel, she stuck close to me and frequently came to find me."

"Then do you like her or not?"

"That girl has no morals, no manners, and she often makes trouble for no reason. How could I like that kind of girl?" Sunn Xiaohao scratched his head and whispered.

"I knew your requirements wouldn't be so low. You wouldn't be interested in this kind of girl." After Wu Tian said this, he changed his tone and said: "Since you don't like her, then tell her clearly and don't have any further interactions with her in the future."

"I've told her very clearly, but that girl insisted on sticking to me. I've been very troubled recently." Sunn Xiaohao hugged his head and looked like he wanted to die.

"Never mind, I'll go talk to her." Wu Tian patted Sunn Xiaohao's shoulder and turned around to face the girl with thick makeup. "This Miss Lulu ..."

Before Wu Tian could finish his sentence, this girl had already wrapped her arms around his arms. She directly put half of her soft chest on Wu Tian's body and said seductively: "Boss Wu, I feel that you have more temperament

than Boss Sun. You also have more manliness, so you can win more women's favor."

"Scram."

Wu Tian pushed the girl away impatiently. He had never seen such a shameless girl before.

Just a moment ago, she was extremely close to Sunn Xiaohao, but in just a short moment, she ran over to flirt with him.

This kind of woman was a typical kind of woman. Anyone who had money could have her body. He thought this kind of girl was disgusting.

"Boss Wu, why are you so rude? You're hurting me." The young girl rubbed her arm as she spoke coquettishly.

"You look like a slut. Don't pretend to be innocent in front of me." Wu Tian mercilessly exposed the girl's disguise.

"You ..."

The girl with thick makeup saw that Wu Tian didn't have any interest in her, so she changed her target to Sunn Xiaohao. "Among men, you are still the most gentle."

After saying that, she pretended to hug Sunn Xiaohao's arm intimately.

Her actions scared Sunn Xiaohao so much that he quickly retreated backwards. It was as if he had met a hot potato and was desperately trying to shake it off.

"Don't put on an act here." Wu Tian walked up and pushed away the girl with thick makeup. He pointed at her nose and warned, "Sunn Xiaohao doesn't like you, stay away from him. Don't bother him in the future."

"I want to pester him."

Lulu finally got to know a rich person like Sunn Xiaohao. How could she give up on him so easily? She grabbed Sunn Xiaohao's arm and swore: "In this life, I'm Brother Hao's woman. Even if I die, I want to be Brother Hao's ghost."

Wu Tian lost his patience. He raised his hand and slapped the young girl in the face. He warned with a cold voice, "I'll say it again. I'll let you leave Sunn Xiaohao."

"You ..."

Lulu was slapped on her face, but she did not get angry. With her identity, it was useless even if she got angry.

She clenched her teeth and continued hugging Sunn Xiaohao shamelessly, "Even if you kill me, I won't leave Brother Hao."

Not to mention getting slapped, even if she was beaten to death, she didn't want to give up on a rich person like Sunn Xiaohao.

"So, you really love Sunn Xiaohao?" Wu Tian forcefully suppressed the rage in his heart as he coldly asked.

"Yes, I truly love him. I will never leave him for the rest of my life." Lulu swore.

"Fine, I'll grant you your wish." After Wu Tian said this, he turned around and looked at Sunn Xiaohao, "From now on, you will be expelled — you will no longer be the General Manager of Tianhao Hotel."

Sunn Xiaohao did not say anything as he understood Wu Tian's intention.

On the other hand, Lulu, who was on the side, felt as if she had been struck by lightning and asked in disbelief, "Why did you fire Brother Hao?"

"I'm the owner of this hotel. I have the final say here. I fire whoever I want to." Wu Tian held his head high. He gave a domineering reply.

"But..." It all happened so quickly that Lulu didn't know what to say.

Who would have thought that Sunn Xiaohao, who was so high and mighty a moment ago, would be fired by Boss Wu in an instant.

"Alright, you can go to the Civil Affairs Bureau to get your certificate and get married." When Wu Tian said this, he winked at Sunn Xiaohao.

Sunn Xiaohao immediately understood and held Lulu's arm, "Lulu, I have nothing right now, are you still willing to marry me?"

"Don't touch me."

Lulu immediately acted as if she was a completely different person. She forcefully shook Sunn Xiaohao's arm away, "You have nothing left now, I can't possibly marry you."

"Didn't you say you truly loved me?"

"I don't love you. Scram." Lulu pushed Sunn Xiaohao away. She left quickly on long legs.

He looked at Lulu's back as she left. Wu Tian shook his head with a bitter smile and said, "This kind of woman doesn't know what love is. She only has money in her eyes."

Sunn Xiaohao sighed and said with emotion, "Why is there such a scary woman in this world?"

"Don't be discouraged." Wu Tian walked over and patted Sunn Xiaohao's shoulder, and comforted him, "There are many good girls in the real world. Maybe they are waiting for you in a corner."

"In any case, the kind of girl you're talking about has never appeared by my side. All the women around me care about benefits, so when I have money, they will please me. If I don't have money, then they will leave me!"

"Actually, you also have a good girl by your side."

"Who?"

"For example, Teacher Mu Ran."

"Teacher Mu?" When Wu Tian mentioned Teacher Mu, Sunn Xiaohao unconsciously shivered.

In his mind, Teacher Mu had always been a fierce person. She treated her students very harshly and rarely smiled at him.

Although Teacher Mu was young and only three years older than him, he had never considered her to be a woman.

Perhaps it was because Teacher Mu was too fierce and harsh — her ferocious image had already become deeply rooted in his heart, making him feel that Teacher Mu was more like his parent.
