

Hidden Billionaire Chapter 426 - Shameless Boyfriend

C426 Shameless Boyfriend

"It's better for you to give up on me. Even if I'm starving to death outside, I won't go back." Zhang Xinyi turned her head to the right, not wanting to say anything.

"Just because your father slapped you twice?"

"He usually doesn't care about me. He would only lose his temper. What kind of father is he?" Zhang Xinyi yelled hysterically. From the looks of it, she had a deep grudge against her father.

"No matter what he does, he's still your father. It wouldn't be easy for him to raise you ..."

"Don't say anymore, I won't go back anyway."

"You're not going back? Alright, I'll stay here with you." Wu Tian didn't have anything to say when he met such an unreasonable girl, so he just collapsed onto the sofa.

Zhang Xinyi was stunned. She didn't expect this guy to be so shameless. She pointed at the door and shouted, "Get out of my house now!"

"As long as you don't go home, I'll follow you wherever you go."

"You ..." Zhang Xinyi's mouth twitched in anger. She raised her head and ordered her boyfriend, "Chen Lei, kick this scoundrel out of the house."

"Alright!"

Chen Lei shook his arm and slowly walked towards Wu Tian, "Brat, get out of here, otherwise, don't blame me for being rude to you."

"I advise you to be a bit more polite with me, otherwise you will suffer a lot." Wu Tian did not show any weakness as he retorted.

"You're still playing rascal with me. Let me tell you the truth, I'm a fitness instructor. Do you believe that I won't kill you with a single punch?"

"I don't believe it."

"You are truly courting death." Chen Lei lost his patience as he punched Wu Tian in the face.

Only when the fist was approaching, Wu Tian suddenly reached out his hand, grabbed Chen Hao's fist and lightly twisted it, easily suppressing him, "With just that little bit of skill, you are not my match at all."

Chen Lei let out a blood-curdling screech. His arm was twisted behind his back and he was unable to move at all. At this moment, his gaze towards Wu Tian became a lot more cautious. "How are you so powerful?"

He was truly surprised, but he didn't expect to be subdued by this brat in one move.

Zhang Xinyi, who was sitting on the sofa, was also dumbfounded. She did not expect this strange boy to be so powerful.

She hadn't even clearly seen what had happened just now, but the other party had easily subdued her boyfriend with a wave of his hand.

Her boyfriend was a fitness coach with a strong physique. Needless to say, he was capable. He never expected himself to be so vulnerable in front of Wu Tian.

"It's not that I'm too powerful, it's that you're too weak." Wu Tian grabbed Chen Lei's arm and gently lifted it up, "Silly boy, are you admitting defeat now?"

"It hurts. I admit defeat. Let me go." Chen Lei grimaced in pain and begged for mercy.

"Trash!"

Wu Tian viciously kicked Chen Lei's butt, causing the kid to be thrown onto the ground.

Zhang Xinyi swallowed her saliva and frowned slightly, "Who the hell are you? What does it have to do with my dad? "

"Your father and I are just business partners. I really can't bear to see him in such pain." Wu Tian lowered his voice and kindly advised: "Your dad really loves you. Go back."

"I don't." Zhang Xinyi shook her head, her tone still firm.

Right at that moment, the door was suddenly kicked open. Accompanied by a loud crash, the five hoodlums rushed into the room.

Seeing these hoodlums, Chen Lei and Zhang Xinyi were so scared that their necks shrunk and they quickly retreated behind the sofa to hide.

It seemed that the two knew these hoodlums, which was why they were so afraid of them.

The one in the lead was a tattooed man. The leopard tattoo on his arm was vivid and lifelike, giving him a somewhat domineering air.

The tattooed man shook his leopard and shouted at Chen Lei, "Kid, today is the deadline, shouldn't you pay me back the money you owe?"

"Brother Bao, I don't have any money right now. Can you give me a few more days?" Chen Lei curled his body and pleaded with a trembling voice.

A while ago, he was gambling with his salary at Leopard Head's casino, but he didn't expect to owe almost a million gambling debts.

"I've already given you half a month. Since you have no money, you should just leave a finger as interest according to the rules." After Leopard Head said this, he took out his dagger and slowly approached Chen Lei.

Chen Lei was so scared that his legs went soft. He kneeled on the ground and begged, "Brother Panther, please spare my life. Brother Panther, please give me some more time ..."

"Cut the crap." Leopard Head roared impatiently and ordered his two subordinates, "Hold this brat up, I want to cut off one of his fingers."

"Alright." After the two hoodlums received their orders, they pounced on Leopard Head to support him, while the other hoodlum grabbed Chen Lei's arm and pressed it on the table.

Leopard Head licked the edge of the dagger and slowly reached it over, "Consider this little finger of yours as paying me back my interest."

"Brother Panther, spare me, don't ..." Chen Lei was so scared that his face turned green and cold sweat broke out on his forehead.

Seeing that his pinky was about to be cut off, Chen Lei hurriedly said, "Brother Bao, stop, I'll give you the money."

"Where's the money?" Leopard Head retracted his dagger and reached out his hand to ask for more.

"I ..." Chen Lei swallowed his saliva and said in a low voice, "I will give my girlfriend to you guys to repay the debt, just treat it as interest."

"Chen Lei, you bastard ..."

Zhang Xinyi was just worried about Chen Lei a moment ago, but when she heard this, her heart turned cold.

Last night, Chen Lei had said how much he loved her. He would never leave her, and he would use his life to love her.

In the end, not even a day had passed and Chen Lei had sold her to those hoodlums in order to protect his fingers.

She was truly blind. Why would she fall for this kind of man that was inferior to pigs and dogs?

"Your girlfriend isn't bad." Leopard Head glanced at Zhang Xinyi and nodded, "Alright, let your girlfriend take the interest and accompany us brothers for a few days."

After saying that, he waved his right hand.

The hoodlums immediately released Chen Lei and rushed over to catch Zhang Xinyi.

"Chen Lei, you bastard. Bastard, you are simply worse than pigs and dogs ..." Zhang Xinyi had never felt such despair before. She stared at Chen Lei as she kept on scolding him.

It was more important to stay alive, but Chen Lei didn't care about that. He asked Leopard Head, "Brother Bao, can I leave now?"

"Go, where are you going?" Leopard Head shook the dagger in his hand and a cold light flashed in his eyes.

"Didn't I already give you my girlfriend?"

"Your girlfriend is only interested in interest. We also want the capital."

"This ..." Chen Lei's face tightened and begged, "Brother Bao, can this capital be extended for a few more days?"

"I can't."

"Brother Panther, I'll give you information about the profits. How about you give me some of your capital for a few days?" Chen Lei leaned his head over and discussed in a low voice.

"Tell me about it."

"Brother Bao, as far as I know, Zhang Xinyi's family is very rich, you can use this girl to extort money from her father." Chen Lei said sinisterly.

Leopard Head glanced at Zhang Xinyi and asked doubtfully, "Is her family really that rich?"

Hidden Billionaire Chapter 427 - Extortion

C427 Extortion

"Yes!" Chen Lei glanced at Zhang Xinyi and said to Leopard Head in a fawning manner, "If it wasn't for the money in this girl's family, how could I be with her?"

Zhang Xinyi's heart felt as if it had been stabbed by a knife.

After all this time, her boyfriend was with her for the sake of her family's property. She had been fooled silly.

"Since her family is so rich, why didn't you get any money?" Leopard Head couldn't help but ask.

"She and her father are at loggerheads. I want to coax her, and when we get married, the family property will be mine sooner or later." In order to survive, Chen Lei had no choice but to share these thoughts.

Leopard Head raised his hand and ruthlessly slapped Chen Lei's face. He scolded, "This brat is so shameless. It must be because of someone's property to be with a girl, right?"

"Brother Bao, I was wrong." After getting slapped on the face, Chen Lei did not even dare to fart, and kept apologizing with his head lowered.

"Give me her father's number."

"Brother Bao, I didn't, she has it on her phone, I'll look for it for you right now." Chen Lei quickly found Zhang Xinyi's phone and took out the phone number.

"Kid, if you can't get the money, then see how I'll deal with you." After Leopard Head said this, he took out his phone and dialed Zhang Xinyi's father's number. At the same time, he also dialed it.

As soon as the call connected, Zhang Huaqiao's excited voice could be heard: "Xinyi, Xinyi, I'm sorry ..."

"You're Zhang Xinyi's father?" Leopard Head interrupted the noise and asked impatiently.

The phone was silent for a few seconds before Zhang Huaqiao asked: "Who are you? Why is my daughter's phone in your hands? "

"Your daughter is in my hands. If you want to save her, then hurry up and pay." Leopard Head shouted into his phone.

"What, you kidnapped my daughter?"

"Right."

"Don't hurt Xinyi, quickly let her go ..."

"Cut the crap. Hurry up and raise the money. If you can't raise the money within an hour, just wait to collect your daughter's corpse."

"Alright, I'll sell the company and help you raise the money. I'll give you whatever you want, just don't hurt my daughter ..." On the other end of the phone, Zhang Huaqiao's voice carried a hint of a crying tone.

Zhang Xinyi couldn't hold back her tears any longer.

She didn't expect that her father would sell off his most beloved company in order to save her.

Only now did she believe Wu Tian's words. Her father truly loved her and was willing to give up everything for her.

"Fifty million in an hour. I'll call you in an hour." After Leopard Head said this, he directly hung up the phone.

"Brother Bao, I didn't lie to you, right?" After Leopard Head finished his call, Chen Lei leaned his head over to fawn on Leopard Head.

"That's right."

Leopard Head nodded in satisfaction and patted Chen Lei's shoulder, "As long as you get the 50 million, our debt will be written off. You don't need the money that you owe me."

"Thank you, Brother Panther. Thank you, Brother Panther." Chen Lei nodded his head like a chick pecking rice.

"Alright, I'll take your girlfriend back and enjoy her first." After Leopard Head said this, he instructed the tree, "Bring this girl back, we'll talk after we feel good about it."

"Alright." After the two hoodlums received their orders, they took Zhang Xinyi and headed outside.

"You bunch of animals, you beasts, you're all going to die a horrible death, quickly let me go ..." Zhang Xinyi twisted her body to try to free herself from her control.

"Sister, don't be in such a hurry. We'll take good care of you in a bit." Leopard Head touched Zhang Xinyi's fair face and ordered his subordinate once again, "Take her away."

"Wait!"

Seeing that the hoodlums were about to take Zhang Xinyi away, at the critical moment, Wu Tian suddenly said: "Don't be in such a hurry to leave."

"Brat, what else do you want?" Leopard Head stopped and turned around to glare at Wu Tian.

"You can leave, and leave that girl behind." Wu Tian's tone was neither hurried nor slow, it was more like he was ordering those hoodlums.

Leopard Head raised his head and let out a burst of mad laughter.

After laughing for a long time, he walked over to Wu Tian and looked at him. He mocked in a cold voice, "A weak and foolish brat like you wants to be a hero and save the beauty?"

"You're right, I want a hero to save the beauty."

"Brat, you're courting death." Leopard Head cursed angrily, pointed at Wu Tian's nose and warned, "If you dare interfere again, I'll kill you."

He didn't care about the kid in front of him at all.

After a few threatening words, he brought his men and prepared to leave.

Wu Tian raised his leg and kicked the door as he looked at Leopard Head and the others with a smile, "I'm going to be meddling in this matter today."

"You brat, you are truly courting death." Leopard Head's eyes turned cold as he ordered his subordinates, "Attack him together and beat him half to death first."

"Alright." The four hoodlums received the order and threw their fists towards Wu Tian.

"Be careful!"

At this critical moment, Huang Lan's heart tightened as she hastily opened her mouth to remind Huang Xiaolong.

Even Zhang Xinyi couldn't help but be secretly worried. After all, Wu Tian was beaten up by a few hoodlums in order to save her.

"I happen to be training." Wu Tian pursed his lips and smiled. When the hoodlums approached, he quickly raised his leg and kicked the hoodlums at the front.

The kick sent the hoodlum flying, crashing into a wall and causing him to scream incessantly. He was unable to get up even after a long while.

It wasn't over yet, Wu Tian immediately threw a punch towards the second hoodlum.

His fist was as fast as wind and as heavy as iron. It fiercely smashed towards the second hoodlum, easily knocking the second hoodlum over.

While Wu Tian dodged the other two hoodlums' attacks, he raised his leg and swept across, using the force of the autumn wind to sweep the two hoodlums from the other side, and at the same time, raised his leg and ruthlessly kicked towards them.

Just like this, in less than a minute, Wu Tian defeated all four hoodlums and laid on the ground wailing in pain.

Seeing this, Huang Lan felt more at ease. It seemed that her previous worries were unnecessary.

Zhang Xinyi, who was standing on the side, was dumbfounded. She had never even dreamed that this boy called Wu Tian would be so powerful. He looked weak but was also so tyrannical when it came to fighting.

At this moment, she looked at Wu Tian with a deeper gaze, with more admiration and worship in her eyes.

She used to think that Chen Lei was very powerful, but after seeing Wu Tian's ability, she knew what an expert was.

Wu Tian dusted his hands and walked in front of Leopard Head, "Your four men were all defeated by me, now it's your turn."

"You ..." Leopard Head was so scared that his neck shrank and he retreated a few steps back. At this moment, he was also shocked by Wu Tian's amazing skills.

He had muddled along with his Luzhou for more than ten years, but he had never seen such a powerful fighter in front of him. He was afraid.

Wu Tian raised his hand and viciously punched Leopard Head in the chest and asked, "Didn't you say you were going to hit me? Why didn't you act? "

"I admit defeat." Leopard Head raised his hands in shock and made a gesture of surrender.

He had just witnessed Wu Tian's brutal and ferocious methods. Even his four subordinates were no match for him, let alone him alone.

Hidden Billionaire Chapter 428 - Teaching Scum

C428 Teaching Scum

"It's too late for you to admit defeat now." Wu Tian raised his fist and punched and kicked Leopard Head. The man was covered with wounds as he cried out for his mother.

Seeing that the fight was almost over, Wu Tian put his fist away and asked with a smile: "Do you still dare to bully people in the future?"

"I don't dare, I don't dare, I won't ever dare again." Leopard Head was so scared that he desperately shook his head.

"I'm warning you, if you dare to harass Zhang Xinyi again, I'll break your dog legs."

"I don't dare."

"Get lost."

"Alright, I'll get lost now." Leopard Head was scared to the point that his neck shrunk. He quickly led his subordinates to flee this place.

After driving away these hoodlums, Wu Tian walked over to Zhang Xinyi and asked with concern: "Are you alright?"

"I'm fine." After experiencing those unforeseen events, it was as if Zhang Xinyi had become a different person. She bowed towards Wu Tian and thanked him, "Thank you for saving me just now."

If it wasn't for Wu Tian saving her, she would have been taken away by the hoodlums. The consequences would have been unimaginable.

"I protected you for your father's sake." After Wu Tian said this, he changed his tone, "Your dad really loves you. In order to save you, he would rather sell the company."

"I know." Zhang Xinyi nodded vigorously. Her eyes reddened once again.

She clearly heard Leopard Head's conversation with her father, and heard his concern for her from the phone.

In order to save her, Father was willing to give up everything, even the Huaxing company that Father had raised all by himself.

"Will you come back with me now?" Wu Tian tried asking as he found the right time.

"I do." Zhang Xinyi nodded vigorously.

Because her father slapped her, she left home to vent her anger on him.

Now that she thought about it, her father had hit her for her own good.

In this world, the only people who truly loved her were her parents, who were willing to give up everything for their children without any regrets.

"Alright, pack up. I'll bring you back to see your father." Wu Tian was happy to see her enlightenment.

"Alright!"

Zhang Xinyi nodded and turned into the bedroom.

In a moment, she came out with her bag. Chen Lei stopped Zhang Xinyi, "Xinyi, I was wrong. I still love you so much ..."

Zhang Xinyi didn't say anything else. She raised her hand and viciously slapped Chen Lei's face as she cursed, "You're just a piece of trash, a bastard."

"Xinyi, I know I was wrong. I was just confused for a moment. Just hit me, just kill me." Chen Lei hugged Zhang Xinyi and wailed pitifully.

"Scram!"

Zhang Xinyi pushed Chen Lei away with all her might, pointed at his nose and scolded, "Bastard, I will never trust you again. I never want to see you again."

The incident just now had already broken her heart, allowing her to clearly see Chen Lei's original appearance.

In the past, she really didn't have her eyes on him, to think that she would fall for such a disgusting man.

"You ..."

Chen Lei begged for a long time, but to no avail, he decided to just fall out, "Bitch, do you think I would really like you? If it wasn't for your family's wealth, I would have sold you out long ago."

"You ..." Zhang Xinyi was so angry that the corner of her mouth twitched. She could not utter a word for a long time.

She had never seen a man as shameless as Chen Lei; he was shameless to the extreme.

Even Wu Tian couldn't stand it. He punched Chen Lei hard in the face and cursed, "You are a scum."

"The matter between me and Zhang Xinyi has nothing to do with you." Chen Lei was very afraid of Wu Tian and took two steps back in fear.

"I'm in charge of this matter today." Wu Tian clenched his fists and slowly approached Chen Lei.

Chen Lei was so scared that he retreated until he reached a corner before asking in a trembling voice, "What are you trying to do?"

"I want to hit you." After saying that, Wu Tian swung his fist and kicked Chen Lei.

Not long later, Chen Lei's heart-wrenching screams came from the room.

How could he endure such a violent beating? He quickly opened his mouth to beg for mercy. "I was wrong. Stop hitting me, spare my life ..."

"Apologize to Zhang Xinyi." Wu Tian retracted his fist, pointed at Chen Lei and threatened with a cold voice.

"Alright." Chen Lei resisted the pain and apologized to Zhang Xinyi. "Xinyi, I'm sorry, I was wrong."

"Kneel." Wu Tian roared and directly grabbed a fruit knife from the table.

Chen Lei was so scared that his legs went soft. He quickly kneeled in front of Zhang Xinyi and quickly kowtowed, begging for mercy. "Xinyi, I was wrong. I won't dare do it again. Please let me go ..."

Zhang Xinyi slapped Chen Lei hard once again, "Scum, don't ever let me see you again. Scram."

"Alright, I'll get lost now." Chen Lei endured the pain on his body and got up to run. At this moment, he was running faster than a rabbit.

Looking at Chen Lei's fleeing figure, Zhang Xinyi's heart ached and tears couldn't help but roll out of her eyes.

"Are you okay?" Seeing Zhang Xinyi crying so sorrowfully, Wu Tian went up to Zhang Xinyi and said with concern.

Who knew that Zhang Xinyi would suddenly throw herself into Wu Tian's arms and cry even louder.

"Miss Zhang, this isn't a good idea, is it?" Wu Tian reminded him.

However, Zhang Xinyi didn't hear him at all. She just hugged Wu Tian and cried. She just wanted to cry out all the sadness and grievances.

Wu Tian couldn't push her away in such a situation, so he could only let the girl hug him and cry.

Huang Lan, on the other hand, could not bear to watch any longer. She coughed lightly and said, "Alright, it's getting late. Let's go."

After she finished speaking, she pulled on Zhang Xinyi's arm, forcefully separating the two.

"Right, let's go. I'll bring you to see your father. He's still worried about your safety!" Wu Tian said with a smile.

"Alright!"

Zhang Xinyi nodded and wiped the tears from the corners of her eyes.

Afterwards, Wu Tian and Huang Lang brought the girl back to Huaxing company and went straight to the CEO's office.

At that moment, Zhang Huaqiao was on the phone in his office. He was trying to get people to raise money as soon as possible to gather up fifty million yuan.

Because the robbers only gave him one hour, he had to gather 50 million in this short period of time. Seeing that the time was almost up, he was also burning with anxiety.

Just when he was busy raising money, he didn't expect the office door to be pushed open and Wu Tian to bring his daughter back.

Zhang Huaqiao's arm trembled and the phone in his hand fell to the ground. His eyes were red as he looked at his daughter. After a long while, he finally shouted: "Xinyi ..."

"Dad!"

Zhang Xinyi threw away the bag in her hands and threw herself into her father's arms, crying, "I'll never leave you again!"

"Good child, it's good that you're back." Zhang Huaqiao cried as he held his daughter.

It took a moment for the father and daughter to part.

"Xinyi, let me see, are you hurt?" Zhang Huaqiao looked at his daughter from top to bottom.

Hidden Billionaire Chapter 429 - Father and Daughter Reunion

C429 Father and Daughter Reunion

"Dad, I'm fine." Zhang Xinyi wiped the tears from the corner of her eyes and her fair face gradually broke into a smile.

"Didn't you get kidnapped? Why would they let you go? " Zhang Huaqiao suddenly thought of that extortion phone and immediately asked about the situation.

"Wu Tian saved me." Zhang Xinyi turned her head to look at Wu Tian and recounted the whole story in detail.

When he found out what happened, Zhang Huaqiao walked over and bowed deeply towards Wu Tian: "Mr Wu, thank you for saving my daughter, I will be forever grateful."

"President Zhang, you're too polite." Wu Tian quickly reached out his hand to help Zhang Huaqiao up.

"You brought my daughter back with your safety belt, and you even saved my daughter's life. From today onwards, you will be my benefactor." Zhang Huaqiao waved his hand and immediately made a decision, "I plan to give you 10% of the shares of Huaxing Corporation as a reward."

"That won't do." Wu Tian quickly waved his hand and refused: "It's nothing, I don't dare to ask for credit."

He was not interested in this small amount of shares. What he wanted was the entire Huaxing, which would allow him to enter the film industry.

To put it bluntly, he did not lack money. What he lacked was a platform.

A good platform was like a springboard, it could help him quickly enter this strange industry and achieve rapid growth.

"Mr Wu, I'll keep my word. Since you've helped me bring my daughter back, I'll help you set up a new film and television company. I'll send half of my resources and talent to your new company ..."

"Dad!"

Before Zhang Huaqiao could finish his sentence, he was interrupted by Zhang Xinyi. "Why am I back here? I heard you talking about the company. Can you spend some time with me?"

"Alright, let's not talk business today and accompany my good daughter." Zhang Huaqiao stroked Zhang Xinyi's hair on her forehead, smiled and said, "Let's go, I'll take my precious daughter to eat. Oh right, Mr Wu, Miss Huang, why don't you go with me?"

"Yeah, thank you for saving me." Zhang Xinyi followed up on the conversation. She was very trusting of Wu Tian right now.

Not only did she trust him, she adored him and was infatuated with him.

Wu Tian's previous perfect performance in the young man's apartment made her feel happy and she couldn't help but be a bit excited.

"Fine." Wu Tian didn't argue. He smiled and nodded: "Then I'll do as you say."

"Let's go. There's a hotel right opposite the company, please." Zhang Huaqiao made a "please" gesture, then led his daughter out of the office.

The four of them went to the hotel across the street and ordered a private room. After they finished, they started chatting.

"Mr Wu, I really didn't expect you to know martial arts." Zhang Huaqiao couldn't help but sigh.

"He's very powerful." At the mention of martial arts, Zhang Xinyi became especially excited, "Dad, when he was facing the four hoodlums, Wu Tian didn't even bat an eye. He kicked his left leg and punched right on the hook, quickly knocking out all four hoodlums."

As she said this, her tone was filled with endless worship and infatuation.

"You're amazing. This is the first time I've heard Xinyi praise someone else so highly." After Zhang Huaqiao said this, he raised his head and laughed out loud.

He hadn't laughed much since his wife died, and he was especially happy to be reunited with his daughter today.

"President Zhang, you're too kind. I'm just some flowery fists and pretty legs. I can't get on the stage." Wu Tian said humbly.

"Mr Wu, no need to be modest." Zhang Huaqiao poured a few cups of wine and pushed one to Wu Tian. "Thank you, Mr Wu, for saving my Xinyi. Let me toast you."

"President Zhang is too polite." Wu Tian hurriedly raised his glass to clink with Zhang Huaqiao, then both of them drank it down in one gulp.

Just as the waiter was starting to serve the dishes.

Zhang Xinyi immediately picked up her chopsticks and gave Wu Tian some food. She smiled and said, "Help me teach those hoodlums a lesson. Eat more."

At this moment, Zhang Xinyi had the temperament of a lady from a noble family, and she seemed to be much more sensible than before.

"Thank you!" After Wu Tian expressed his thanks, he started to enjoy the delicacies and felt gratified by the father and daughter pair's hospitality.

"Come, let me pour some wine for you." Zhang Xinyi was not only busy with dishes, but she was also busy with pouring wine for Wu Tian.

This made Zhang Huaqiao a little jealous. He joked, "Everyone says that once a girl grows up, she wants to get married. This is the first time you and Mr Wu have met, you are being too friendly."

"Dad, what are you saying, drink up." Zhang Xinyi's face reddened as she hurriedly poured wine for her father.

Huang Lan felt a bit uncomfortable when she saw her father and daughter talking and laughing with Wu Tian.

She wasn't stupid, she could naturally see that Zhang Xinyi was interested in Wu Tian. However, she couldn't say much, so she just sat to the side and ate her food.

When they were almost done eating, Zhang Xinyi suddenly pleaded with her father, "Dad, can you spend more time with me in the future?"

"Alright, I'll be with you after I finish my work at the company." Zhang Huaqiao promised his daughter with a smile.

"Can you not go to work at the company and spend all your time and energy with me?"

The smile on Zhang Huaqiao's face gradually disappeared. It was really impossible for him to let go of the company now.

"In the past, when her mother was still alive, she would often stay in the empty room by herself. There wasn't even someone who could talk to her." Zhang Xinyi held her father's arm and lamented, "For women, they don't need much money. Accompanying them is the greatest happiness."

"I ..."

These words touched Zhang Huaqiao's heart, and he felt a little sour inside.

"Dad."

Zhang Xinyi leaned her head on her father's shoulder and said sweetly, "You were always busy with your work. I hope you could let go of everything and spend more time with me. Eating, shopping, and traveling together. This is the life I want."

"But what about the company?" Zhang Huaqiao still couldn't let the company go.

"Sell the company." Zhang Xinyi looked her father in the eye and said seriously, "We are not short on money right now. You can save your time since you sold the company. I also don't want you to keep working for the company like this."

"Let me think." Zhang Huaqiao was moved by his daughter's persuasion, he rubbed his head and fell into deep thought.

At this time, Wu Tian interrupted, "President Zhang, your daughter is right. To give up at the right time is to be responsible for the family. Don't let your wife's regrets be left to your daughter."

"But my company..."

"Leave the company to me, I will buy it at ten times the market price and also give you 30% of the shares. In this way, even if you have the time to accompany your daughter, the company will still have your income. Killing two birds with one stone, why not?"

Zhang Huaqiao turned around and looked at his daughter. Finally, he made his decision: "Okay, let's do it."

He didn't want to leave his regrets for his wife to his daughter and planned to spend the rest of his time with her.

"President Zhang, don't worry. Hand the company over to me. I can give you three promises." Wu Tian smiled and stretched out three fingers: "First, the company will always have your shares. Second, the company will never change its name. Third, the company will never sell out."

"Alright, I believe you." Zhang Huaqiao raised his glass and raised his head with a smile: "I'm very happy to know you."

"Me too." Wu Tian pursed his lips into a smile, raised his glass and clinked it with Zhang Huaqiao's, then finished the wine in his cup.

Hidden Billionaire Chapter 430 - Acquisition Complete

C430 Acquisition Complete

After they finished their meal, they returned back to the company to discuss the matter of the purchase.

The negotiation went very smoothly and the contract was signed in less than half an hour. In the end, Wu Tian bought Huaxing Company with a price higher than the market price by 10%.

At this point, Huaxing Film and TV officially changed owners. Wu Tian's shares were 40%, Zhang Huaqiao and Huang Lan's each had 30%.

Huang Lan is president of the company, at the same time, Zhang Huaqiao leaves the company, no longer has the right to manage the company.

After signing the contract, Zhang Huaqiao informed all the company's management to go to the conference room for a meeting. Wu Tian and Huang Lan were also present at the meeting.

The company's middle and upper management had around 20 people, and when they saw that there were two more strangers in the meeting room, they couldn't help but start discussing softly.

"Quiet!"

Zhang Huaqiao pressed his hands together, signaling everyone to be quiet, and then loudly announced: "From today onwards, I will withdraw from my position as the CEO of Huaxing."

These words caused a huge commotion in the meeting room.

Everyone found it hard to believe.

The bald man at the front couldn't help but ask: "President Zhang, what's going on?"

"I have already sold my Huaxing Shadow Industry to Boss Wu." Having said this, Zhang Huaqiao pointed to Wu Tian and introduced, "His name is Wu Tian. From today onwards, he will be your new boss."

"What? President Zhang sold his Huaxing?" Upon hearing that the Huaxing had changed hands, the executives all felt a bit of heartache.

"Yes, from now on, Wu Tian is the new owner of this company."

"President Zhang, didn't you say that you would never sell out the company?" the bald man asked in an aggressive tone.

"I didn't want to sell at first, but this young man changed my mind and got me out of my mind. I decided to give up the company." Zhang Huaqiao swept his gaze across the crowd, gritted his teeth and said: "I single-handedly created Huaxing, I feel reluctant to leave, and I have more important things to do, I do not want to continue the past regrets."

"President Zhang, you can't leave the company, we won't let you go." Including the bald man, many of the company's elders stood up to urge him to stay.

"Letting go is a rebirth for me. It's a new beginning for the company." Zhang Huaqiao looked at everyone and said slowly, "I believe that under Boss Wu's leadership, the company will improve day by day."

"President Zhang, if you sell your Huaxing to a brat like him, it would be equivalent to pushing the company into a fire pit." The bald man unhesitatingly said those words from the bottom of his heart.

The other executives also nodded in agreement.

In everyone's opinion, how could a dumb kid like Wu Tian, who didn't even grow hair, manage such a big film and television company?

"Believe in my judgement, Mr Wu is very capable. He will definitely develop his Huaxing very well." Zhang Huaqiao promised everyone.

Through the short time they spent together, he had already acknowledged Wu Tian's ability.

In his eyes, Wu Tian was a ambitious young businessman with unlimited potential.

"What ability does this young man have?" Not only did the bald man express his doubts, but everyone who was sitting at the table did not believe him.

After all, Wu Tian was still young and was still studying. How much ability could he possibly have?

"Everyone should know that the new movie called Flowers Bloom That Year was produced by Boss Wu." When Zhang Huaqiao mentioned this matter, he wanted to prove that Wu Tian had a unique eye.

After this, there was a flurry of discussion in the meeting room. Everyone was very surprised, they didn't expect that the movie that was set on fire recently would be made by this young man.

Even so, everyone still doubted Wu Tian's ability.

This time, it was the bald man who took the lead in raising doubts. "Investing in a movie fire was just a coincidence. It can only mean that this young man's luck is good and it doesn't prove his ability."

"I assure everyone, Mr Wu is very capable. We've worked together for so many years, do you not even believe my words?"

"President Zhang, we believe in you, so we hope that you can stay. As for this young man, we have no way of believing him." After the bald man said this, he suddenly changed his tone, "If President Zhang wants to leave the company, then I'll leave too."

"We'll leave as well." The upper echelons all made a commotion as they used this to threaten Zhang Huaqiao to stay in the company and continue to be the CEO.

"You all ..."

Seeing that the company's elder was so stubborn, Zhang Huaqiao didn't know what to do.

These Elders were all core members of the company. After going through market tests and training, they were able to become the management

personnel of the company. If these people were to leave, it would have a huge impact on the company.

However, he couldn't think of a suitable reason to keep them.

Just when he was in a dilemma, Wu Tian said, "I understand everyone's feelings. After all, you two have established Huaxing with President Zhang and have very deep feelings for him. But forcing President Zhang to stay like this is really a bit selfish."

"We might as well leave the company, rather than stay here and watch you break it down." The bald man shouted at the top of his lungs.

He is the company's general manager, Chen Chao, in the company is very influential, every voice is supported.

"How do you know I can't do it? How do you know I'm going to destroy the company?" Wu Tian asked.

"You are still young and have no experience. You don't have much ability either. How are you going to manage the company?"

"No." Wu Tian shook his head and retorted, "Just because I'm young doesn't mean that I'm inexperienced, but that doesn't mean I'm weak either."

"Then what experience do you have? How much strength do you have?"

"Alright, I'll tell you guys." Wu Tian leaned his hands on the conference table, looked at the crowd, and said powerfully: "In the past half year, I have been in contact with many industries, investing in Fuyuan Restaurant, in succession, from the million profits of two restaurants to a million profits, then investing in Huihuang Driving School, monopolizing the east market, and then investing in Seafood TV. Until now, I have already purchased the Odd Fish live broadcast, monopolized the Luzhou live broadcast industry, and then invested in the Wan Street, to create a hundred million level commercial street market from scratch. "I used the game as an entry point and earned more than 1 billion from the game alone. At the same time, I developed the country's first homemade mobile phone system ..."

Wu Tian spoke with confidence and confidence. He spoke with a beaming smile, spreading out everything that had happened in the past half year.

When the people present heard this, their eyes went wide, and their expressions were filled with astonishment.

No one expected that brat, who was still young, would invest in real estate, hotels, restaurants, live broadcast, real estate, technology and other industries in the past six months.

What was even more unbelievable was that each investment by the young man had far-reaching implications in his own field, with subversive effects and benefits.

After saying the achievements of this past half a year, Wu Tian swept his eyes across everyone present, "How much strength do you think I have now?"

No one said anything. They were still immersed in Wu Tian's words and couldn't help but admire him secretly.
