

Hidden Billionaire Chapter 456 - Golden Harbour -

C456 Golden Harbour

As they ate the three dishes, the two of them started to drink merrily. Very quickly, they finished half of the cup of white wine.

Lu Dingquan smacked his lips a few times and sighed secretly, "It would be great if there was wine to drink every day."

For other families, eating meat and drinking wine everyday was already a standard lifestyle. For the Lu family's grandfathers and granddaughters, eating meat and drinking wine was an extravagant dream.

"Old Master, I'll buy wine for you everyday." Seeing Lu Dingquan's greedy look, Wu Tian promised.

He had originally only felt sympathy for the two of them, but now he was determined to help the grandfather-grandson pair.

After all, he just got a handwritten copy of the martial arts manual from Lu Dingquan. To him, this was a priceless treasure.

"I didn't help you much, I don't drink your wine." Lu Dingquan waved his hand and changed his tone, "If you were to be my grandson-in-law, I can drink the wine you bought every day."

After saying that, he grinned.

"Grandfather, why are you talking nonsense again?" Hearing this joke, Lu Xiaomei's face turned red again.

She was an easily shy girl. After all, she was only eighteen years old and had never talked about a boyfriend before.

"I can only blame myself for liking Wu Tian too much. If only he could be my grandson-in-law. Someone would buy wine for me everyday." Lu Dingquan stroked his beard and laughed.

"Humph!"

Lu Xiaomei pouted and snappily retorted, "If you like him, then marry him."

"You little girl." Hearing that, Lu Dingquan laughed even louder.

After dinner, Wu Tian looked at the time and said to Lu Dingquan, "Old Master, it's getting late, I have to go."

Now that he had a set of martial arts handwritten books, he wanted to find a quiet place to practice.

"Alright then, Mei, quickly say goodbye to Wu Tian on my behalf." Lu Dingquan also didn't keep him, and quickly instructed his granddaughter.

"Ugh!"

Lu Xiaomei nodded and followed Wu Tian out.

When she went downstairs, she couldn't help but thank him again: "Classmate Wu, thank you so much. Not only did you save me and grandpa, but you also advised him to change his job. I believe he won't cheat anymore."

"Your grandpa is rather cute. I'm very happy with him."

"Cute?"

"Right."

"Ha ha!" Hearing the adjective "cute", Lu Xiaomei couldn't help but burst out laughing.

After laughing for a while, he hurriedly covered his mouth with his hand, "He's not cute, he's just an old naughty kid, it's really infuriating."

"No matter what, he truly loves you. Whatever he does is for your own good."

"I know that."

"Oh right, I want to find a job for your grandpa. I wonder if you are willing?"

"He's already so old, how can he find a job!"

"You don't have to worry about that. I can definitely help him find a good job. It's not hard, nor is it dangerous. He's rather free." Wu Tian immediately made a promise.

He had obtained a handwritten copy of the martial arts manual from the Lu Family, so he had to repay this debt of gratitude.

"It would be great if we could find it, but it doesn't matter if we can't find it." Lu Xiaomeiwei smiled. She didn't have much hope for her grandfather's job.

After all, his grandfather was already in his seventies and was already at the age of retirement. How could he still find a job when he was this old?

Fortunately, his grandfather was in good health and could eat and sleep. Otherwise, he would have to be taken care of!

"Alright, then it's a deal. Thank you for your hospitality. Goodbye." After saying goodbye to Lu Xiaomei, Wu Tian turned around and left.

He planned to return home to practice his martial arts right now. He was already impatient to try out the boxing style written in the handwritten book.

He had just gotten into a taxi when his cell phone rang in his pocket.

He took it out and saw that it was Liu Yueyao. When he picked up the call, he heard her soft voice, "Hello, are you still at my house?"

"No, I have already left your house and am preparing to go to school." Wu Tian replied to his phone.

"I was trapped in Golden Harbor. Can you come and save me?" Liu Yueyao's voice was low, as if she was afraid that someone would hear it.

"By whom?"

"My mom found me a guy for a blind date. How annoying! I'm hiding in the washroom to call you!"

"Isn't it good for your mom to find someone for you?"

"I don't like the son of such a silly rich man." Liu Yueyao then impatiently urged, "Stop talking, hurry up and save me."

"How do I save you?"

"Of course it's you pretending to be my boyfriend."

"Will that offend your mother?"

"Don't worry about that. Hurry up, I'm at Golden Harbor Hall 666."

"Alright, wait a moment. I'll be right there." Wu Tian hung up the phone, then said to the taxi driver, "Master, send me to Golden Harbor."

"Lad, why are you going to Golden Harbor?" The taxi driver was warm-hearted and began to exchange pleasantries.

"I have something to do."

"Golden Harbor is a place where rich people go ..."

As the taxi driver drove, his mouth was like a machine gun as he talked about matters related to Golden Harbour.

According to the taxi driver, Golden Harbor used to be a clubhouse, but it was converted into a teahouse, mainly to provide matchmaking for the rich and wealthy.

Ordinary people would go to the square or coffee shops for blind dates, while rich people would go to Golden Harbor for blind dates.

After chatting for a long time, the taxi driver couldn't help but ask, "Are you going to Golden Harbor to find a rich woman?"

"For rich women?" Wu Tian's face turned cold. He didn't expect to be misunderstood by the taxi driver. He thought he was going to Gold Harbor to find the rich lady.

"I've seen many young people like you." The taxi driver glanced at Wu Tian through the rearview mirror, smiled and said, "You look alright, but your body is too weak, so the chances of success aren't high."

"Uncle, you misunderstand. I have no interest in rich women."

"I know you're not interested in rich women. You're interested in money from rich women."

"No!" Wu Tian shook his head, looked out of the window and spat: "I need everything right now, but I'm not short on money."

"Young man, you're really interesting." The cab driver shook his head with a wry smile, clearly not believing him.

From Wu Tian's clothes, it was obvious that this brat was a pauper. He probably said that because he wanted face.

Before long, the taxi stopped at the Golden Bay Parking Plant.

This teahouse was just like its name – it was built near the lake. Its appearance was also imitating the style of the harbor, and its appearance was mainly golden. It was extremely domineering and luxurious.

After getting off the car, Wu Tian walked towards the inside of the teahouse. However, he was blocked by two doormen at the door.

"Sorry, we are not open to ordinary people." The doorman's tone was polite, but his eyes clearly looked down on Wu Tian.

The meaning behind his words was obvious. The teahouse was not open to ordinary people. It only received wealthy and wealthy people.

In the eyes of the doorman, Wu Tian was a standard pauper, so naturally, they blocked him.

"I'm looking for someone, sorry to trouble you two to let me in." Wu Tian said with a smile. If it wasn't for Liu Yueyao, he wouldn't have come to this kind of place.

Hidden Billionaire Chapter 457 - Young Woman Feng Xia -

C457 Young Woman Feng Xia

"Even so, we have a rule that ordinary people are not allowed to enter." The doorman was resolute.

Wu Tian was wearing shabby clothes bought by a street vendor, so he was treated like an ordinary person by the doorman.

If he put on his designer clothes now, the doormen would immediately change their attitude and invite him in like a grandson.

However, Wu Tian had been used to this kind of cheap clothes since he was young. Naturally, he couldn't change his clothes for the sake of two doormen.

He didn't know what was wrong with it, but as long as he put on his brand clothes, he would feel uncomfortable all over.

The last time he had worn the fancy dress that Elder Sister Lan had ordered for him, he had only worn it once and left it at home, never to wear it again.

Wu Tian was too lazy to argue with the two doormen and was about to take out his phone to call Liu Yueyao.

Before the call could connect, a plump young woman walked over and asked the two doormen, "What happened?"

"Sis Xia, this brat wanted to sneak into the store, but we stopped him." The two doormen politely reported to the young woman.

"Is that so?"

The young woman named Sister Xia turned around and looked at Wu Tian. Soon, her lips curled up into a smile as she ordered the doorman, "Let this kid in!"

"Yes sir!"

After the doorman answered, they both took two steps back.

Wu Tian walked into the hall and thanked the young married woman with a smile: "Thank you, Beauty, for helping me out."

The young woman in front of him was around 36 years old. Her appearance was not bad and her figure was extremely plump. However, her almond-shaped eyes were a bit lustful.

"This is my name card. You can call me Sister Xia from now on." The young woman took out a business card from her bag and handed it over.

Wu Tian took the business card and glanced at it. He didn't expect this woman to be the boss of Golden Bay, and her name was Feng Xia.

"Sister Xia, I didn't expect you to be the owner of Golden Bay." Wu Tian kept his name card. He smiled as he approached her.

"All your expenses are free today." Having said so, Feng Xia took out two glasses of red wine and handed them over to him. "Come, let me have a drink with you."

"Alright." Wu Tian couldn't refuse her so he clinked his glass with Feng Xia's and drank half a mouthful of red wine.

After drinking, Feng Xia leaned her body closer to him and said with a smile, "Handsome, what's your name?"

"Wu Tian."

"Then I'll call you Tian." Feng Xia put her arm on Wu Tian's shoulder and said in a gentle tone, "Come, let me dance with you."

"Sorry, I can't dance." Seeing through the woman's intention, Wu Tian was so scared that he retreated a few steps back.

"It's okay, I'll teach you." Chen Xia directly hooked her arms around Wu Tian's neck and twisted her body like a water snake. Her thighs occasionally rubbed against Wu Tian's body.

She was bold, wild, and hungry like a hungry wolf. From time to time, she licked her lips to tease Wu Tian.

"Sorry, I don't want to dance with you." Faced with such an alluring woman, Wu Tian was a little disgusted, so he pushed her away without mercy.

Feng Xia was slightly taken aback. She didn't expect that he would reject her offer.

However, she didn't give up. She took out ten thousand yuan from her bag and handed it over to him, "Accompany me for a day, this money is yours."

"Sorry, I don't have time." Wu Tian refused decisively.

"I'll add another ten thousand." Feng Xia took out 10,000 yuan from her bag once again.

"I said I didn't have time." After Wu Tian said this, he turned around and prepared to leave.

However, he was once again stopped by this woman. She took out all 50,000 yuan from her bag, "As long as you are willing to stay with elder sister, this money will all be yours."

"I forgot to tell you, I'm not short on money." Wu Tian took out a cheque of one million from his pocket and threw it over. He warned, "Stop bothering me. This money is yours."

"You ..."

Feng Xia was stunned as she looked at the cheque for one million yuan. She didn't expect the kid in front of her to be so rich. In one go, he had taken out a cheque for one million yuan.

She had originally thought that this brat was poor and that he was quite handsome. She had originally wanted to buy him and play with him, but she hadn't thought that he would be so rich.

A million wasn't even that much, yet he had ruthlessly slapped her in her face. This caused her to feel extremely humiliated.

"I really didn't realize that you're quite rich." Feng Xia smiled awkwardly and stuffed the cheque into Wu Tian's pocket. She said in a provocative manner, "I don't believe that you have no interest in me at all."

After saying that, she tyrannically grabbed Wu Tian's hand and placed it on her leg.

In broad daylight, this action surprised Wu Tian. He didn't expect this woman to be so shameless.

He was slightly taken aback, and quickly retracted his arm in fright. In the end, he accidentally untied Feng Xia's dress.

Feng Xia was wearing high heels. While she was panicking, her left foot tripped on her right foot and her body swayed, ready to fall.

In a moment of desperation, Wu Tian reflexively hugged Feng Xia and they both fell to the ground.

At this moment, Feng Xia was lying on the floor with her dress all the way down to her waist. Wu Tian was on top of her, with his face close to hers and his hands in a weird place.

This scene was very unsightly, to the point that it was somewhat unbearable to look at.

"I thought you weren't interested in me, but I didn't expect you to be so anxious." Wu Yi didn't care that she won the fight. Instead, she teased Wu Tian without restraint.

"Sorry, it was an accident." Wu Tian was about to get up after apologizing.

Feng Xia hugged her neck tightly. She smiled seductively and said, "Why are you in such a hurry? Aren't you comfortable like this?"

"Let go!" Wu Tian didn't expect the woman to hug him so tightly. After struggling for a while, the woman screamed.

Her shout attracted a lot of attention.

To be honest, Wu Tian really wanted to strangle her to death when he met such a bitch.

"Silly boy, how do you feel?" Feng Xia teased Wu Tian in front of everyone, completely ignoring the gazes of others.

"Bloody bitch, let go!" Wu Tian did not dare to struggle anymore. As soon as he struggled, he would come into intimate contact with the woman, and he was also afraid that the woman's shouts would cause misunderstandings.

Feng Xia blinked her eyes that were as tender as water and teased him, "Give me a kiss and I'll let go."

"Daydreaming."

"No, I'll always hug you."

"You ..." Wu Tian was truly helpless in the face of such a shameless woman.

Just as he was about to get rid of this woman by force, Liu Yueyao walked over and exclaimed, "Wu Tian, what are you doing?"

As soon as she came out of the bathroom, she saw a man and woman in the hall, hugging each other, their clothes in disarray.

Only when she got closer did she realize that it was Wu Tian embracing the female owner of Golden Harbor in an extremely indecent manner.

When she saw this scene, she felt an unpleasant feeling in her heart. It was worse than eating a bottle of old Chen vinegar.

"Yueyao, it's great that you're here. I was pestered by this woman." Wu Tian explained in a low voice with an awkward expression.

"Shameless." Liu Yueyao said with disdain. Her heart was filled with anger when she saw how tightly Wu Tian and that woman were hugging.

"I ..."

Wu Tian was too lazy to explain.

He knew that no matter how he explained, it would be useless. The most important thing right now was to separate from this woman.

He grabbed both of the woman's arms and forcefully pulled her hands away from her neck.

Feng Xia screamed in pain and had to let go of her arms. She complained coquettishly, "You stinking brat, you don't know how to show tender affection for a woman."

"Bitch!" Wu Tian cursed mercilessly and took the opportunity to get up from the woman's body and keep a distance of half a meter from her.

Feng Xia also got up from the ground and adjusted her dress, ignoring Wu Tian's reaction. She smiled at Wu Tian and said, "Good boy, looks like you're quite experienced. It made me very comfortable just now."

"If a person is shameless, then he is invincible." Wu Tian was speechless. He had never met such a despicable woman.

To be honest, he was blushing when faced with so many people watching him.

"I'll play with you another day." Feng Xia intentionally winked at Wu Tian, then turned around and left the hall.

After elder sister Xia left, the surrounding guests all dispersed as well.

Everyone was already used to this kind of thing happening. As long as elder sister Xia took a fancy to a man, she would rarely fail.

After everyone left, Liu Yueyao could not help but look at Wu Tian with contempt and said, "You're so disgusting, you won't even let this old woman go."

"It's a misunderstanding." Wu Tian scratched his head and explained in a very wronged manner, "I was blocked by a doorman at the door, so Feng Xia helped me solve this problem. Then she let me drink with her and then she took out money to ask me to accompany her. I didn't agree." He continued, "And she stuck to me."

"Sister Xia is so beautiful, would you refuse?"

"I have no interest in that kind of woman."

Liu Yueyao snorted and put her head close to Wu Tian. She reminded him in a small voice, "Sister Xia is the dirtiest woman here. She went to bed with countless handsome guys. You have to stay away from her."

"To be honest, that woman is too difficult to deal with. I was almost harmed by her just now, so you have to protect me."

Liu Yueyao laughed and teased, "I didn't expect you to be afraid of someone."

"I'm afraid of any woman. After all, all of you women have two mouths, and eat people without spitting out their bones."

"Two mouths?" Liu Yueyao was stunned for a moment before her face reddened. She raised her hand to smash Wu Tian's chest and cursed, "You are really a hooligan."

"I was just joking, don't be angry."

"I ignored you." Liu Yueyao blushed as she turned around to leave. After a few steps, she said to Wu Tian, "My mom found me a man. He's in the room right now!"

"Your mom has such a picky eye, so the man she chooses definitely isn't bad. Just accept it."

"I don't like him." Liu Yueyao pursed her lips and said reluctantly, "He's very philistine. I feel nauseous just by looking at him."

"Don't be too picky, be careful that you can't get married."

"None of your business." Liu Yueyao rolled her eyes slightly and took the initiative to change the subject. "Now is not the time to talk about this. First, think of a way to chase him away."

"Then why don't you take this opportunity to slip away?"

"That won't do, that man is a friend of my mother's friend. It's impolite for me to just slip away, and my actions will also anger my mother."

"Oh!" Wu Tian nodded in understanding, then asked again, "Then how do you want me to help you?"

"You can just pretend to be my boyfriend."

"Alright, I can do this."

"Come, follow me." Liu Yueyao pulled Wu Tian's arm and walked towards the room. She walked a few steps and let go of Wu Tian's hand.

Thinking about how Wu Tian had hugged Sister Xia just now, she felt sour inside, as she felt extremely uncomfortable.

The two of them went into the private room and pushed open the door to find a man in a shirt making tea.

The man's appearance was not bad, and his demeanor was excellent. He was better than Wu Tian in every way.

"That's the one my mom picked for me, Liang Ming." Liu Yueyao spoke in a low voice before pushing open the door and entering the room.

"Yueyao, I made a cup of good tea for you, hurry ..." Liang Ming was just about to fawn on Liu Yueyao when he saw an unfamiliar man enter the room. The smile on his face instantly vanished.

He put down the tea cup and instructed Wu Tian, "Waiter, go out first, close the door at the same time."

Obviously, he treated Wu Tian as a waiter.

"Mister Liang, don't misunderstand, he's not a waiter." Liu Yueyao forced a smile as she explained.

From her unnatural smile, it could be seen how disgusted she was with this Liang Ming.

"If he's not a waiter, who is he?" Liang Ming frowned and questioned softly.

Liu Yueyao walked over to Wu Tian and took his arm. She introduced him very naturally, "He's my boyfriend, Wu Tian."

"He's your boyfriend?" Liang Ming's face instantly turned dark and gloomy, it was even uglier than dog shit.

Liang Ming didn't think that the woman he liked already had a boyfriend. This really made him speechless.

"I told you before, I have a boyfriend." Liu Yueyao didn't forget to comfort him after she said that. "An outstanding boy like you will definitely find a girl that's even more outstanding than me."

"I ..." Liang Ming felt an unbearable pain in his heart.

He stared at Wu Tian with a gaze filled with enmity. He wanted to make this brat disappear from Yueyao's side forever.

Seeing Liang Ming's expression, Liu Yueyao couldn't help but feel pleased with herself. "Young Master Liang, I see that you have a terrible expression on your face. Are you alright?"

"I'm fine."

Only then did Liang Ming come back to his senses. He tried his best to suppress the anger in his heart and pretended to be calm as he said, "Please have a seat. Let's sit and talk."

He didn't understand why Yueyao would fall for this silly kid who didn't care about his appearance.

However, that was not important. His top priority right now was to get Yueyao back from this brat. He did not want the fresh flowers to be stuck in this cow dung.

He was confident that with his strength, it wouldn't be difficult for him to take Yueyao away from Wu Tian.

"Alright."

After Liu Yueyao answered, she pulled over a chair for Wu Tian and sat down beside Wu Tian.

Liang Ming smiled at Liu Yueyao and then his gaze fell on Wu Tian. "Mr Wu, your suit looks really unique. It's custom-made, right?"

"I bought my clothes from the stalls. Fifty dollars." Wu Tian shook his clothes and replied with a smile.

"So your clothes were bought from the stalls." Liang Ming shook his head in disdain as a hint of disdain appeared on his face.

After a few taunts, Liang Ming pulled at the shirt on his body, "This set of clothes is custom-made in Italy. I'm afraid I can buy Mr Wu's 10 sets of clothes at the price of one of my sleeves."

"I think no matter how beautiful the dog's clothes are, he's still a beast." Wu Tian chuckled.

"You ..."

Liang Ming was so angry that the corner of his mouth twitched a few times. The smile on his face instantly disappeared.

No matter how foolish he was, he could tell that the kid in front of him was scolding him. Wu Tian called him a beast that knew how to disguise himself.

"Sir Liang, could it be that what I said was wrong?" Wu Tian couldn't help but ask when he saw Liang Min's expression.

"Right."

Liang Ming suppressed his anger and forced a smile. He changed the subject: "I don't know where Mr Wu works?"

"I'm a student at an industrial university, Yueyao and I are alumni."

"So you're a student." Liang Ming smiled contemptuously, and proudly boasted: "I'm the boss of Li Ming Corporation."

Hidden Billionaire Chapter 459 - Lies -

C459 Lies

"I've heard of Liming Corporation. They are mainly responsible for the development and optimization of mobile software." When Wu Tian heard that this brat in front of him was Li Ming's boss, he immediately became interested.

Because Tianmu Technology had recently been working with a group of downstream industrial chain companies, including Li Ming.

Liming has been doing mobile software for several years and has not improved at all, not even as much as many start-ups.

"It seems like Mr Wu knows quite a bit about the technology industry." Liang Ming shook his collar and boasted proudly, "That's right, we are a family with Technology Company. We mainly do the topic and screen of our phones."

"But I heard your company doesn't develop very well."

"Nonsense." Hearing this, Liang Ming hurriedly retorted: "Our Li Ming's profits exceed 100 million a year, and he contributed a few million in taxes to Luzhou."

"Hahaha ..."

Hearing that, Wu Tian raised his head and laughed.

He didn't know much about other companies, but he knew a lot about a small company like Liming.

The day before yesterday, Lee Mu had sent the financial statements of Li Ming and a few Technology Company s to his mailbox, letting him decide on the final cooperation proposal.

Among these companies, Liming has the worst performance, with a net profit of only \$2 million per year, keeping the company running.

However, Li Ming's phone theme and desktop optimization were pretty good, so Wu Tian was considering whether to work with them.

Liang Ming was a bit guilty from the laughter. He frowned and said: "Why are you laughing for no reason?"

"It's nothing. As far as I know, the annual net profit of your LiMing Company does not exceed two million." Wu Tian looked straight into Liang Ming's eyes as if he could see through him.

Liang Ming was slightly surprised, he didn't expect the kid in front of him to know about the profitability of his company.

But even so, he still wouldn't admit it. He loudly refuted, "You are simply lying. Our company earns more than 100 million profits every year."

He had explained the company's situation to Liu Yueyao and her daughter, so he could only grit his teeth and endure.

Anyway, Liu Yueyao and her daughter wouldn't check his account, as long as he let them know that his company was very powerful.

"Your small company has a profit of over 100 million, who would believe that?" Wu Tian was too lazy to argue with Liang Ming, he picked up his teacup and started to taste his tea.

"Alright then." Liang Ming was unwilling to be belittled by others, he put his head close and asked: "Then have you ever heard of Tianmu Technology?"

"I've heard of it."

"His Tianmu Technology is very powerful and has a huge role in the field of Luzhou and technology. I believe you should have heard of the homemade mobile phone system developed by his company, right?"

"I've heard of it."

"To tell you the truth, our company is involved in the development of Tianmu Technology's mobile phone system. It's the first phone system to go public in the country." Having said so, Liang Ming patted his chest and asked Wu Tian, "Now you know how powerful our company is, right?"

"Wait!"

Wu Tian put down his tea cup and turned to look at Liang Ming, "You said that your company is involved with the Tianmu mobile phone system?"

"Of course."

"Then why didn't I know?"

"This is a trade secret, of course you don't know."

"Bah!" Wu Tian spat at the ground and said with disdain, "Business secrets? Why didn't you even blink when you lied?"

"Who's lying? Our company is involved in Tianmu's homemade mobile phone system. If you don't believe me, you can call the boss to see if I'm lying." Liang Ming said it in a serious manner.

As matters stood, he could only say these kinds of lies. In any case, no one knew the boss of Tianmu Technology Company, and no one would actually call to confirm of this matter.

"Ha ha!"

Upon hearing these words, Liu Yueyao, who was sitting at the side, couldn't hold back her laughter any longer and almost spat out the tea in her mouth.

Liang Ming was confused by the sudden laughter. He could not help but ask, "Yueyao, what are you laughing at?"

"Nothing." Liu Yueyao took out a tissue to wipe off the saliva on her mouth. She forced a smile and said, "Young Master Liang, I don't think we need to call."

"Why?"

"Because the boss of Tianmu Technology company is right in front of you."

"In front of me?"

"Right." Liu Yueyao nodded her head vigorously, and pointed at Wu Tian as she introduced him. "He is the big boss of Tianmu Technology Corporation."

"What?"

Liang Ming was shocked. His eyes almost popped out as he said in disbelief: "How could he be the boss of Tianmu Technology Company?"

Even if he was beaten to death, he wouldn't dare believe it. How could this brat in front of him, who had dressed in shabby clothes and had no taste, possibly be the boss of a Tianmu Technology company?

"This is the truth. He is indeed the big boss of Tianmu Technology." Liu Yueyao spoke with a serious tone. She didn't seem to be joking at all.

She didn't have to joke about it, because it wasn't funny at all.

Liang Ming wiped his face, opened his eyes wide, and asked: "You're saying that he is really the boss of Tianmu Technology company?"

"Absolutely." Liu Yueyao nodded affirmatively and added, "If you don't believe me, you can call my father."

"Oh my god!"

Liang Ming swallowed his saliva. Only when he saw Yueyao being so serious did he believe that this brat in front of him was indeed the big boss of Tianmu Technology company.

To think that he was mocking Wu Tian before, even mocking this brat's shabby clothes.

After all this time, this brat wasn't poor, but was the boss of a Technology Company. He controlled a phone's operating system that was worth tens of billions of dollars.

Everyone who had mixed themselves in the field of science and technology knew that Tianmu Corporation was a very powerful company. Not only was it the company that made the most money in Luzhou, it had even taken the lead in developing a homemade mobile phone system.

With the development of the Tianmu Technology, not only was it flourishing in Jiangnan Province, it also had a significant impact on the entire China.

To think that he was mocking Wu Tian a moment ago. When he thought that this fellow was the boss of Tianmu Corporation, he felt so ashamed.

"Mister Liang, since when did your Lieming Company participate in the development of the new system? "How come I don't know anything at all?" Wu Tian asked with a smile.

The laughter was like a slap on Liang Ming's face, causing him to feel pain all over.

For the sake of face, he had just lied in front of the boss of Tianmu Corporation, claiming that he was cooperating with the company to develop the system.

This sort of thing was simply nonsense.

If he knew that the kid in front of him was the boss of Tianmu Technology company, he wouldn't have told such a lie even if he was beaten to death. It was too embarrassing.

Liang Ming was stunned for a long time before an awkward smile appeared on his face, "Boss Wu, I was joking just now."

"Lying is not a good thing. This problem needs to be fixed." Wu Tian reprimanded him like a father.

"Yes, Boss Wu is right, I promise I will change it." After Liang Ming said this, he quickly poured a cup of tea and handed it over to Boss Wu to please him: "Boss Wu, this is the tea that I just brewed, quickly try it."

"The tea is cold."

Wu Tian shook the teacup a few times and then put it on the table.

Liang Ming immediately reacted, smiling as he tried to curry favor with Boss Wu, "Boss Wu, please wait a moment, I will make you some tea."

Hidden Billionaire Chapter 460 - Other Ideas -

C460 Other Ideas

At this time, Liang Ming was no longer as arrogant and domineering as before. He was as obedient as a grandson, hurriedly making tea for Wu Tian.

Wu Tian took the cup and took a sip. He praised with a smile, "Not bad, good tea. I didn't expect that young master Liang knew tea well."

"As long as you like it, I'll make tea for you every day." Liang Ming lowered his body and respectfully and humbly tried to please Wu Tian.

There was no helping it, he had many projects that required him to work with Tianmu Technology. If he did not curry favor with Boss Wu, those partnerships would be for naught.

"I'm not that free."

Wu Tian put his teacup on the table, grabbed Liu Yueyao's arm and tried to ask Liang Ming, "Young Master Liang, what do you think of my girlfriend?"

"Your girlfriend is intelligent, knowledgeable, and kind. She is a perfect match for you." Liang Ming tried to curry favor with him.

"Do you like her?"

"I like her."

"You like my girlfriend?"

"No, I don't like it." Knowing that Liu Yueyao was Wu Tian's girlfriend, Liang Ming did not dare to like her. He quickly waved his hands in fright.

With his current strength, he wouldn't dare snatch a woman from the Tianmu Technology Master, Wu Tian could just casually play him to death.

"You mean you don't like me?" Hearing this, Liu Yueyao's face became even darker.

"I ..."

Liang Ming didn't know how to reply.

Under the circumstances, if he said that he liked her, it would definitely lead to people mistakenly thinking that he had ulterior motives for her. If he said that he didn't like her, it would easily lead to misunderstandings.

No matter how he answered now, he couldn't answer correctly. He thought for a moment, then said, "Boss Wu, I promise to stay away from your girlfriend in the future. I promise I won't have any other thoughts towards her."

"At least you're sensible." Wu Tian was very satisfied with this answer and didn't forget to warn Liang Ming, "If you dare to pester Yueyao again in the future, be careful as I might cause your LiMing Company to disappear from the Luzhou."

"Alright, I promise I won't."

Liang Ming nodded his head like a chick pecking rice grains and promised. At the same time, he picked up the teapot to fill Wu Tian's cup, "Boss Wu, quickly drink your tea while it's still hot."

"I've finished."

Wu Tian drank a few mouthfuls of tea and waved at Liang Ming impatiently. "If there's nothing else, then let's go!"

"Alright."

Liang Ming put down the teapot and got up to leave. After a few steps, he suddenly returned to Wu Tian's side and asked, "Boss Wu, how about working with your company? Can you ..."

"What kind of cooperation?" Wu Tian asked despite knowing the answer.

"It's the cooperation of the industrial chain."

"Let's talk about that later."

"In the future?" Liang Ming's heart tightened as he pleaded in a low voice, "I hope Boss Wu can reward us with a meal and give us a chance to cooperate."

In front of Tianmu Technology, Li Ming Company was just a small shrimp, not even worth mentioning.

"I'll consider it for another three days. I'll give you an answer in three days." Seeing Liang Ming's sincere attitude, Wu Tian decided to give this kid a chance.

The key was that many of the software developed by their company matched the new system, making it much easier to work together.

"I hope Boss Wu will give us a chance." Liang Ming pleaded with Lili, then said, "Yueyao, since I'm friends with your mother, I'd like you to help me out with Boss Wu."

"Don't worry about cooperating." After giving Liang Ming some reassurance, Liu Yueyao changed her tone and asked, "Young Master Liang, what do we do about today's blind date?"

Liang Ming knew how to judge a person's expression. He raised his hand and slapped his own mouth, "I'm just a toad. If I knew you were Boss Wu's girlfriend, I guarantee I wouldn't have thought of anything else."

"The ignorant are innocent. I don't blame you." Liu Yueyao pursed her lips into a smile. "We have an agreement here, but what about my mother?"

"I can tell her that you have a boyfriend. He's a hundred times stronger than me, so I'm not worthy of you at all."

"No." Liu Yueyao shook her head, thought for a while and said to Liang Ming, "Just tell my mom that you don't like me and think I'm not good enough for you."

"This ..." Liang Ming looked at Wu Tian with an inquiring look.

He was worried that if he were to insult Liu Yueyao and offend Boss Wu, it wouldn't be worth it.

"Don't look at him, do as I say." Liu Yueyao then instructed Liang Ming, "Hurry up and call my mom. Tell her that you don't like me and you don't want to meet me again."

"Alright!"

Liang Ming was helpless. He had to reach for his cell phone and call her mother.

After making the call, he smiled and reported to Liu Yueyao, "I've already followed your instructions."

"Alright, it's none of your business. You can leave now." Liu Yueyao waved at Liang Ming in a wonderful mood.

She didn't think that things would go so smoothly, and that she would send Liang Ming away so quickly.

"Boss Wu, Miss Liu, I won't disturb you then. Goodbye." After Liang Ming said his goodbyes, he carefully left the room.

Now, only Wu Tian and Liu Yueyao were left in the room, their arms still locked together.

Liu Yueyao shook her hand and reminded him in a low voice, her face blushing, "Shouldn't you let go of my hand now?"

"You're my girlfriend, it's only right that I hold your hand."

"You really think of me as your girlfriend?"

"That's right, I want you to be my girlfriend. Are you willing?" Wu Tian's head tilted as he looked into Liu Yueyao's eyes in an ambiguous manner.

Liu Yueyao's heart rippled when she was stared at. She slowly lowered her head, biting her lips as she mumbled, "About that, I ..."

She was wondering if she should accept Wu Tian's confession.

Without a doubt, she had already been moved by Wu Tian and was completely mesmerized by him.

But if she agreed to his confession just like that, wouldn't that be too casual of her?

Just as she was hesitating, Wu Tian said: "I'm joking with you, don't take it seriously."

Liu Yueyao retracted her arm in anger and landed a heavy punch on Wu Tian's chest.

This fellow was actually making fun of such a matter. This caused her heart to beat wildly for a long time. After being happy for a long time, she was finally disappointed and disappointed.

It was fortunate that she didn't rush to agree, otherwise she would have been utterly humiliated just now.

Wu Tian cried out in pain, and pretended to be in pain as he held his chest, "Yueyao, I didn't expect you to be so ruthless towards me."

"Bastard, you deserve it even if I beat you to death." Liu Yueyao threw down those words, stood up and stomped out of the room in a huff.

Wu Tian also felt that this joke was a little too excessive. Seeing that this girl was really angry, he hurriedly chased after her. "Yueyao, sorry. I was just teasing you just now. Don't be angry."

"Stay away from me, I don't want to talk to you." Liu Yueyao had never been so angry before, but this time, she was truly angered by Wu Tian.

"Why don't you bite me to vent your anger?"

"Go away." Liu Yueyao pushed away Wu Tian, who was sticking to her side, and continued to walk towards the outside of the Golden Harbour.
