

Hidden Billionaire Chapter 473 - Mother and Daughter Meeting

C473 Mother and Daughter Meeting

"You ..."

Seeing how determined her daughter was, Lee Guixiang was at a loss for what to do.

She hadn't seen her daughter for a long time. Now she asked her daughter to marry someone else as soon as they met. This really would make her daughter feel repulsed.

But there was no helping it, this time she finally got to know a rich big shot. As long as she could get her daughter to agree to marry that rich man, she would be able to turn the tables around.

She used to be scared of poverty and ran off with a rich man. She never thought that a man would become a pauper after losing money in business.

Right now, if she wanted to turn things around, she could only rely on her daughter.

Her daughter had good conditions, a pretty face, a nice figure, and a smart face. Any man who saw her would fall in love with her.

Now, as long as she could get her daughter to agree to marry Lin Hao, the other party would promise to buy her a car and even give her tens of millions of betrothal gifts.

"You don't have to worry about my marriage. Don't come look for me in the future." After saying that, Lu Xiaomei pulled Lu Dingquan's arm, "Grandpa, let's go."

"Alright, let's go." Lu Dingquan also didn't want his granddaughter to be taken away, so he planned to take her away from this place.

"Wait!" Lee Guixiang did not give up and stepped forward to block Lu Xiaomei's path. "Sofia, can you accompany Mom to have a meal?"

Right now, she only wanted to keep her daughter, contact Lin Hao, and then find a way to make them a pair.

"I just ate. I'm not hungry." Lu Xiaomei's heart ached at the thought of her mother trying to make money out of her.

"Then come sit with me for a while, I beg you." Lee Guixiang stretched out her hand to hold onto her daughter's arm, begging with a pleading tone.

"I ..."

It was because Lu Xiaomei's heart was too soft that she could not find any reason to reject him. In the end, she could only lower her head and acquiesce.

"Come, let's go to the restaurant opposite us." Lee Guixiang held her daughter's arm, preparing to walk towards the restaurant across the way.

Lu Dingquan opened his mouth and swallowed what he was about to say. He followed them and walked to the other side.

Even if he was Mei's grandfather, he had no right to stop the mother and daughter from recognizing each other.

After walking a few steps, Lee Guixiang turned around to look at Wu Tian, who was following behind, "Why are you following us?"

"I ..." Wu Tian choked on those words and didn't know how to explain himself.

Originally, he was worried that Mei would be bullied, so he wanted to follow her and see what was going on. However, this reason was clearly inappropriate.

Besides, it was only his second time meeting Lu Xiaomei's grandfather and Lu Xiaomei. They were not that familiar.

"I asked him to come with us." At this moment, Lu Xiaomei quickly spoke up to help Wu Tian.

"Mei, who is this kid?" Lee Guixiang couldn't help but question her daughter.

"His name is Wu Tian, he's my friend."

"I think that this brat is obviously a toad that wants to eat swan meat. He most likely wants to chase you." Lee Guixiang walked over to Wu Tian and warned him, "Brat, stay away from my daughter. You don't deserve her."

"Auntie ..."

As soon as Wu Tian opened his mouth, he was interrupted by Lee Guixiang. "Can you call me Auntie? Get out of here quickly."

"Don't misunderstand, Mei and I are only ordinary friends." Wu Tian didn't want the woman to misunderstand, so he explained patiently.

"You don't have the right to be an ordinary friend."

"How can I be qualified?"

"Do you see that residential area?" Lee Guixiang raised her hand and pointed at the nearby scenic area, "If you can buy a room there, you'll be qualified to befriend my daughter."

"I didn't expect to have such a high threshold for making friends with your daughter?"

"Cut the crap, can you afford to buy it? "Can you afford it?" Lee Guixiang said a few aggressive words before impatiently waving her hand. "If you can't afford it, then hurry up and get lost. Don't be wrapped around my daughter like a piece of dog skin plaster."

"In that case, I really am qualified to be your daughter's friend." Wu Tian took out the real estate contract from his pocket after saying that.

This is the old house demolition, the project department compensation of a sum of money. He didn't take the money. He added extra money and bought a house here.

Buying a house in the Scenic Spot was not about living here. It was about keeping a root since it was his hometown.

"Oh wow, you really do have a room." Lee Guixiang's eyes nearly popped out of their sockets when she saw the real estate contract.

Who would have thought that this poor looking brat, wearing a cheap outfit, could actually buy a house here.

Although the houses here weren't expensive, for ordinary people, it was still a big expense.

"Then do I have the right to be friends with your daughter now?" Wu Tian put away the real estate contract and asked with a smile.

"Then you can only be friends with my daughter." Lee Guixiang still did not forget to warn him, "Please remember, you will never be worthy of my daughter. Do not have any presumptuous thoughts."

Even if Wu Tian has a suite, he's definitely not rich.

All she wanted now was to find her daughter a particularly rich husband so that she could live a life without worries.

Lu Xiaomei, who was at the side, could not stand it any longer. She reprimanded her mother, "Do you think that only the rich have dignity in your eyes, while the poor have no dignity?"

"The poor don't even have enough to eat, what dignity do they need?" Lee Guixiang said self-righteously.

"You ..."

Lu Xiaomei was so angry that her chest was trembling. She couldn't say a word for a long time.

How could she have a mother like this? She only had money in her eyes.

"Alright, Mei, let's go eat!" Seeing that her daughter was about to get angry, Lee Guixiang didn't say anything more. She held her daughter's arm and walked to the other side of the street.

They arrived at a restaurant not far away from each other. They found a private room and sat down. Lee Guixiang quickly took out her phone and secretly sent a message to Lin Hao after ordering the dishes.

After sending the message, she asked her daughter with concern, "Mei, how have you been recently in school?"

"Not bad." Lu Xiaomei replied indifferently, neither too hot nor too cold.

Even in her dreams, she had wanted to meet her mother. Now that she had actually met her mother, she didn't know what to say.

Ever since she was young and her mother had abandoned her, she felt that their relationship had gradually become distant.

"Mei, look, you've lost weight." Lee Guixiang took out a thousand yuan from her purse and handed it over after saying, "Take this money and buy some food from the school."

"I don't want it." Lu Xiaomei didn't take the money.

She had endured the hardest and most difficult days of her life, but now she didn't need her mother's charity anymore.

"That's true, when you marry Lin Hao, there will be plenty of money, so why would you care about my small amount of money!" Lee Guixiang grinned and kept the cash.

"The reason I'm accompanying you to dinner is not because I want you to arrange a marriage for me." Lu Xiaomei said with a firm tone, "I won't marry the man you spoke of."

"Lin Hao is really handsome. Plus, he is extremely rich and outstanding. You will definitely be happy if you marry him ..."

"I'll find my own happiness. You don't need to worry about it."

"You child." Lee Guixiang rolled her eyes at her daughter and said in a low voice, "You are my daughter, so of course I will be in charge of your life's important matters."

"Like I said, I'm an adult now, so you don't need to worry about my marriage." Lu Xiaomei's tone was firm.

She could compromise on anything else, but she would never agree to this.

As it happened, the waiter was carrying the dishes to the table. Lee Guixiang did not argue any further. She pointed to the dishes on the table and said to her daughter, "Let's not talk about this. Let's eat first!"

"En!" Lu Xiaomei didn't say anything else. She picked up her chopsticks and focused on eating, but her mind was filled with endless thoughts.

Lu Dingquan sat on the side without saying anything and did not eat. Since that was the case, the atmosphere in the room became a bit awkward instead.

Just as they were eating, the room's door was suddenly pushed open, and a handsome young man walked in.

The arrival of the strange man interrupted several people in an instant. Everyone stopped eating and looked at the young man with a puzzled expression.

When she saw the man, Lee Guixiang stood up from her chair and greeted him with a smile, "Young Master Lin, you're finally here."

"I'm sorry, I was stuck in a traffic jam. I came a bit late." Lin Hao smiled as if he was pretending to be a gentleman.

"Come, sit." Lee Guixiang quickly arranged for Lin Hao to take a seat and introduced him to everyone at the same time, "This is Lin Hao, the boss of Hao Yu company that I told you about."

"Auntie Li, I assume this is your daughter, Mei?" Lin Hao turned his head and looked at Lu Xiaomei, his eyes flickering with greed.

He didn't pay much attention to many girls, but this girl was very clean and pretty, which immediately moved his heart.

"Yeah, she's my Mei." Lee Guixiang nodded and urged her daughter, "Hurry, call me Brother Hao."

"..."

Lu Xiaomei didn't say anything. She just glanced at Lin Hao and turned her head to the right, ignoring him.

She wasn't stupid, she had already figured out her mother's intentions. She wanted to get her to be with this rich young master.

"My family's Mei is a little shy." Lee Guixiang chuckled dryly and said to Lin Hao, "She's still young and doesn't understand much, don't mind her."

"It doesn't matter."

Lin Hao magnanimously waved his hand and looked at Lu Dingquan, "If I'm not wrong, this should be Mei's grandfather, right?"

"Yes, he is Mei's grandfather, Lu Dingquan."

"Hello grandpa." Lin Hao acted as if he was familiar with Lu Dingquan and stood up to greet him.

Lu Dingquan took a sip of the wine on the table and said coldly, "My old bones are going to be buried in the dirt soon. What's so good about it?"

"Grandpa is so humorous." Lin Hao smiled embarrassedly. Finally, his gaze landed on Wu Tian, "May I know who this is?"

"Uh, his name is Wu Tian, and he's just an ordinary friend of Mei's. He's an unrelated person, so there's no need to bother with him." Lee Guixiang quickly changed the topic, "Young Master Lin, I heard your company is very big, right?"

"It's not bad. I mainly do decoration business, and I only earn a few tens of millions per year." Lin Hao said modestly. His tone was obviously showing off.

"Oh my god, he's making tens of millions a year. Isn't this a bit too amazing?" Knowing that Lin Hao was so rich, Lee Guixiang was very happy. She said to her daughter, "Look at how promising Xiao Lin is. He can earn tens of millions every year at such a young age."

"This has nothing to do with me." Lu Xiaomei hated her mother's greedy attitude the most, so she couldn't help but respond.

"It doesn't matter." Lee Guixiang leaned her head over and whispered, "If you marry Young Master Lin, you'll be able to live the rest of your life with nothing to worry about."

"I don't want to be like you, doing anything for money." Lu Xiaomei gritted her teeth and refused to back down.

"You ..."

Lee Guixiang gritted her teeth and didn't argue with her daughter. She said in a strong tone, "Anyway, I won't let you date other people. You can only marry Young Master Lin."

"I won't marry him." Lu Xiaomei retorted loudly.

"You ..."

Lee Guixiang still wanted to argue, but she was interrupted by Lin Hao: "Auntie Li, don't be hasty. Mei and I have to take things slowly. We can't be hasty."

"Young Master Lin, this girl is stubborn, don't think too much about it." Lee Guixiang smiled happily, afraid that she would offend Lin Hao.

Right now, Lin Hao was the God of Fortune to her. She could not kick him out.

"Maybe Mei doesn't know me yet." Lin Hao thought for a moment and suggested, "Why don't you let me date Mei for a while. We can talk about marriage after we get to know each other."

"No need."

Before Lee Guixiang could say anything, Lu Xiaomei said, "I already have a boyfriend. I won't be dating you anymore."

"Damned girl, don't talk nonsense." Lee Guixiang glared fiercely at her daughter and asked in a low voice, "Didn't you say before that you don't have a boyfriend?"

"I lied to you. Actually, I already have a boyfriend." At the moment, Lu Xiaomei could only lie to get rid of her mother and Lin Hao.

If she didn't lie, Lin Hao would continue pestering her and he definitely wouldn't let her go so easily.

Even without Lin Hao's pestering, her mother would still introduce her to other rich men and try to find a way to borrow her marriage to earn money.

"Mei, don't think you can deceive me. You're so obedient and sensible, how can you talk about boyfriends?" Lee Guixiang also saw that her daughter was lying.

"I'm not lying, I just have a boyfriend."

"Then tell me, who is your boyfriend?"

"He is ..." Lu Xiaomei was thinking fast. She wanted to find a boy in her class to impersonate her boyfriend.

However, after thinking for a long time, she could not think of a suitable candidate.

Usually, she only dated girls, and did not have any male friends at all. It was such that she had to think for a long time even when she lied.

Luckily, Lu Dingquan had a fast reaction and quickly said, "I know who Mei's boyfriend is."

"Who is it?" Lee Guixiang asked urgently.

"It's Wu Tian." Lu Dingquan came to his senses and used Wu Tian as a shield at the critical moment.

He didn't want Lee Guixiang to force Mei to marry a man she didn't like, so he told her a lie.

Mei heaved a sigh of relief. Luckily, her grandpa reacted quickly, otherwise, she would have been found out as a liar.

"How is that possible? Earlier, you guys said that Wu Tian and Mei were only normal friends. How did they suddenly become lovers?" Lee Guixiang doubted that.

"Mei was too embarrassed to admit it just now, but I was afraid that you would not agree to it, so I helped you lie." Lu Dingquan swallowed, then said, "Actually, Mei has already brought Wu Tian home."

"What?"

Lee Guixiang's face turned even uglier than a pig's liver when she heard this.

She didn't think that her daughter and Wu Tian had already been secretly together.

When she received the news, she immediately became furious and scolded her daughter, "How could you like this kind of poor and tasteless fool? What's so good about being with him? "

"I like him. I want to be with him." Lu Xiaomei replied with a bit of stubbornness, but after she said that, her face turned red for some reason.

This was the first time she had said that she liked boys. Although it was an act, she still felt her heart palpitating.

"I don't agree with you two being together, break up with this brat right now." Lee Guixiang said to her daughter in an commanding tone.

"No, I won't break up with him. I want to be with him for the rest of my life." Lu Xiaomei's tone was firm from start to finish.

Hidden Billionaire Chapter 475 - Priceless Treasure

C475 Priceless Treasure

"You ..."

Lee Guixiang was so angry that her lips were trembling. She could not utter a single word for a long time.

Seeing that she couldn't explain it to her daughter, she pointed her spear at Wu Tian again, "Silly boy, tell me, which part of you is stronger than Young Master Lin? Which part of you is fit for my daughter? "

"I think my skin is thicker than Young Master Lin's." In order to dispel the tense atmosphere, Wu Tian made a face and teased on purpose.

"Bah!"

Lee Guixiang spat on the ground and disdainfully said, "In my eyes, you are a poor scoundrel, not even worthy of my daughter's toes."

"There's no other way. Your daughter likes me."

"You ..." Lee Guixiang almost died of anger when she encountered such a rascal.

She gritted her teeth for a long time before asking aggressively, "Look at you, you're wearing a carpet. What are you going to give my daughter to be happy for?"

"You don't know Mei at all."

Wu Tian glanced at Lu Xiaomei and said seriously, "What your daughter wants is not money or material satisfaction. She needs spiritual comfort, family protection and a relationship. She needs the company of someone who understands her."

Lu Xiaomei's heart trembled slightly when she heard those words, as if she was greatly moved by those words.

She didn't think that this boy who hadn't known her for more than two days would be able to understand her heart even more than his own mother did.

"Stop bullshitting with me. I won't make Mei suffer alongside you anyway." Lee Guixiang didn't care that much. She would never agree to have her daughter with a poor man.

"Auntie, forgive me for speaking bluntly, but you're using the name of happiness for your daughter to satisfy your material needs, right?"

"I ..."

"Mei is your biological daughter. For your own selfish desire, you sacrificed Mei's happiness. Is that okay?"

"Shut up." Lee Guixiang put her hands on her hips and scolded angrily, "You little bastard, it's not your turn to teach me a lesson."

"I'm not teaching you a lesson, I'm just being reasonable."

"What bullsh * t logic is this? Anyway, I don't agree with Mei being with you." Lee Guixiang was probably angry, but now she was yelling like a shrew.

She only wanted to live like a rich person and never cared about her daughter's happiness.

If she really cared about her daughter, she wouldn't have abandoned Mei and ran away with the old man ten years ago.

"If you don't agree, then there's nothing we can do about it. In any case, I'm not going to be separated from Mei in this lifetime." Wu Tian's acting skills were off the charts. At this moment, he looked just like a true lover.

"Bastard, you ..."

Lee Guixiang was about to explode in anger, but she was interrupted by Lin Hao who was beside her: "Auntie Li, don't be angry. I'll deal with this brat."

"Alright, Lil 'Lin, Auntie believes in you. As long as you can chase Wu Tian away, Mei will be yours." Lee Guixiang nodded, forcefully suppressing the rage in her heart.

"Watch me."

Lin Hao pursed his lips and smiled. He then looked up at Wu Tian, "Wu, why don't we talk".

"About what?" Wu Tian also looked at Lin Hao with the same gaze. He wanted to see what ability this brat had.

"Then let me ask you, how long have you been with Mei?"

"Two years." Wu Tian started lying without thinking.

Currently, Lu Xiaomei was only eighteen years old. Two years ago, dating could have been considered normal. If she had been any bit ahead of schedule, she would have been in love a long time ago.

"So you've spent a lot of time and money on Mei these past two years?" The smile on Lin Hao's face was extremely brilliant.

"It's not that I spent money and time for Mei, but that we spent a lot of time together. I'm willing to do anything for Mei." Wu Tian pretended to be passionate.

Looking at his sincere gaze, those who didn't know what was going on would think that the two of them had been lovers for two years.

"First of all, I have to thank you for taking care of Mei for me ..."

"Stop!" Wu Tian interrupted Lin Hao and retorted, "Mei is my woman, I'm not taking care of her for you, I'm taking care of her for myself."

"No matter who you are taking care of, you've wasted your time and youth over the past two years." Saying this, Lin Hao took out a cheque from his pocket and put it on the table, "This is one hundred thousand yuan. As compensation for your two years of youth, I hope that after you accept this money, you leave Mei and don't appear in front of her in the future."

After saying that, the atmosphere in the room became strange.

Lu Dingquan and Lu Xiaomei were both very worried. They were worried that Wu Tian would open his eyes to money and accept the money to become a traitor.

To ordinary people, 100,000 yuan was a large sum of wealth. Even lovers who were more passionate than Jin Jian might betray the temptation of 100,000 yuan.

What's more, Wu Tian and Mei were only faked lovers. When faced with a hundred thousand temptations, they would definitely agree without hesitation.

Just when the grandfather-grandson pair were worrying secretly, Wu Tian pursed his lips into a smile and refused, "Keep your stinky money, I will never leave Mei in this lifetime."

"Hu!"

Hearing this, Lu Dingquan and Lu Xiaomei let out a sigh of relief in their hearts. They never thought that Wu Tian would not be moved by money.

It seemed that they had underestimated Wu Tian. The young man in front of them had a noble character and was different from those who opened their eyes to money.

At this moment, Lu Xiaomei looked at Wu Tian with a deeper meaning.

Lee Guixiang was greatly shocked as she did not expect the kid in front of her to refuse. She could not help but curse, "Is there something wrong with your head? You don't even want a hundred thousand yuan?"

"In your eyes, there is only money. To me, Mei is a priceless treasure." Wu Tian slightly raised his head, his tone was very forceful.

"What a retard, there's still people who don't need money these days." Lee Guixiang coldly disdained.

In her eyes, money was more important than anything else. People like Wu Tian who were numb to money were definitely idiots.

Even Lin Hao was surprised. He didn't expect the guy in front of him, who seemed so poor, to be so dismissive of a hundred thousand yuan.

However, he didn't give up. He took out another cheque from his pocket and threw it on the table. "I will give you another 500,000 yuan. As long as you leave Mei, this 600,000 yuan will be yours."

He steeled his heart and immediately took out six hundred thousand. He believed that the fellow before him would be tempted to take out that sum of money.

"I've said it before, in my heart, Mei is a priceless treasure. No matter how much money you give me, I won't leave her." Wu Tian refused decisively. His tone was still as determined as ever.

Seeing this, a smile appeared on Lu Dingquan's and Lu Xiaomei's face. They couldn't help but secretly praise him.

Lin Hao, on the other hand, lost his patience. He could not help but ask angrily, "How are you willing to leave Mei?"

"I won't leave Mei even if I die."

"You ..." Lin Hao was at a loss for what to do in the face of this kind of stupid kid.

Of course, he couldn't just give up like that. He thought for a moment, then put his mouth close to Lee Guixiang's ear and whispered a few words.

Lee Guixiang nodded in agreement. She purposely pretended to be a busybody to help out, "All of you stop fighting. I'm Mei's mother. Since all of you like Mei, then you should get through me first."

"Auntie Li, could it be that you want to test us?" Lin Hao asked even though he knew the answer. Actually, he was the one who suggested it in the first place.
