C491 Fortuitous Encounter with Little Man

"No matter how much it is, as long as you dare to bid, I will dare to buy it." Liu Xin raised his head, looking as if he didn't know how high the sky was and how deep the earth was.

"I'm afraid Director Liu doesn't know our company too well." After Wu Tian said this, he turned around and instructed the secretary, "Show the staff member's dividend to Director Liu."

"Yes."

The secretary answered and took a copy of the report from the folder and handed it over.

Taking a look at the report, Liu Xin was flabbergasted. "Your employee's bonus is over 30 million?"

"It's just a season's bonus."

"Is your company's profit so high?"

"Of course." After Wu Tian said this, he instructed the secretary, "Tell Director Liu about the company's three months of profit."

"Yes sir!"

After answering, the secretary smiled at Liu Xin and said, "In the last three months, our company's net profit has exceeded three hundred million yuan."

"Monthly profits exceed 100 million?"

"Yes."

"Your company's profits are that high?!"

"Oh right, Director Liu, this is the latest assessment of our company's mobile phone system from international organizations." Wu Tian took an evaluation form from his secretary and handed it over.

When he finished reading the contents of the evaluation form, Liu Xin exclaimed once again, "Your company's mobile phone system is worth 100 billion?"

"This is the International Standards Organization's assessment. In my opinion, the cellphone system brings more than trillions of dollars upstream and downstream." Wu Tian said confidently.

"My apologies." After knowing that Tianmu Technology Company was so strong, Liu Xin apologized profusely, "I was reckless, and am truly sorry."

"Then how much do you think our Tianmu Technology is worth?"

"Your market capitalization is definitely not less than 100 billion."

"Then does CEO Liu still want to buy it now?"

"How could I dare?" Liu Xin was no longer as domineering as before. He embarrassedly waved his hand and said, "With our company's strength, we're not even qualified to be your lackeys. How could we dare to talk about buying you out?"

"I'm very curious, why does CEO Liu want to buy our company?"

"I'm ashamed of myself." Liu Xin scratched his head in embarrassment as he explained with a smile, "Previously, I made a bet with a friend that I would buy a Technology Company after losing the bet. Coincidentally, I passed by your company, so ..."

"So that's how it is." After knowing the truth, Wu Tian didn't know whether to laugh or cry.

This was the first time he had encountered such a hasty takeover negotiation, and he felt like it was child's play.

"Then I'll take my leave." Having said this, Liu Xin turned around and quickly left.

He had thought that Tian Mu was just a small Technology Company that could be settled with a few tens of millions.

But he never would have thought that the reward for the Tianmu Technology employees would exceed thirty million, and their monthly net profit would also exceed a hundred million.

This wasn't really anything. The key thing was that the structure of the main Tianmu Technology Camp's mobile phone had already been completed, and it would be valued above a hundred billion in the future.

He even shamelessly boasted about buying Tianmu Technology. This was truly ironic.

Looking at Liu Xin's disappearing figure, Lee Mu couldn't help but reveal a smile: "I never thought that the boss of Xinsheng company would be so reckless. Even though I don't know our company's situation, he still dared to come here to discuss a purchase."

"He was really reckless." Wu Tian nodded in approval and stood up from his chair, "I'll be leaving first, I'll leave the company's matters to you."

"Boss Wu, do you want us to have a meal tonight?"

"I don't have time tonight. I'm accompanying Elder Sister Lan to the party." Wu Tian walked a few steps out of the VIP room and suddenly turned around. "I plan to have a party at home. Let's get together then."

"Alright, I will definitely attend Boss Wu's banquet on time."

"I'll let you know when the time comes. I'll be leaving first." After saying this, Wu Tian turned around and quickly left.

When he left the company, he was planning to pick up Elder Sister Lan in his car, but as soon as he went downstairs, he saw a familiar figure.

It was Gu Xiaoman. She was wearing a dress and was shopping with a short-haired girl. The two of them walked into the cafeteria.

Seeing that it was still early, Wu Tian followed her into the dining room and greeted Lili, who was choosing to help herself. "Xiaoman, what a coincidence!"

"Proprietor Wu." Upon seeing it was Wu Tian, Gu Xiaoman was overjoyed. "Why are you here?"

"I was passing and came to say hello to you."

"Have you eaten yet?"

"Not yet."

"That's perfect. Eat with us, we ..." Before Gu Xiaoman could finish her sentence, she was interrupted by the short-haired girl beside her, "Xiaoman, who is this man?"

"He's our Martial Arts Club Guild Leader, Wu Tian." Gu Xiaoman quickly introduced the girl.

"Oh!" The short-haired girl nodded and looked at Wu Tian with disdain and contempt.

After all, Wu Tian was wearing poor clothes and his entire body was covered in cheap clothes. He looked no different from a beggar.

"Oh right, let me introduce you." Gu Xiaoman pointed at the short-haired girl and introduced her to Wu Tian, "She is my former neighbor Aloe."

"Hello, nice to meet you." Out of politeness, Wu Tian extended his right hand towards the girl.

"Hello." Aloe spat out two words in a neither cold nor hot manner, as if she didn't want to shake hands at all.

It was like shaking hands with Wu Tian would make her hands dirty.

"I'll treat you. Let's eat together." As soon as Gu Xiaoman finished speaking, she was pulled to the side by Aloe. "Are we really going to eat with him?" she asked unwillingly.

"Yes!"

"But, I'm worried ..."

"What are you worried about?"

"I'm worried that we'll be seen. How embarrassing would that be!" Aloe was afraid that if people who knew her saw her eating with poor diaosi, she would inevitably be mocked.

"What's so embarrassing about that?" Gu Xiaoman was simpler and didn't understand what she meant.

"I mean ..." Aloe didn't know how to explain it, it wasn't good to be too straightforward.

"Wu Tian is a good person. Let's go, let's go pick out some food first." After saying this, Gu Xiaoman pulled the aloe together to choose her favorite food.

Soon, the three of them sat down.

Aloe didn't say anything. She covered her face with her hands and continued eating her food, afraid that someone would recognize her.

On the other hand, Wu Tian and Gu Xiaoman chatted passionately, treating the aloe as air.

"Xiaoman, how's the situation with Martial Arts Club recently?" Ever since the tenth tournament, Wu Tian hadn't been to Martial Arts Club for a long time.

"The Martial Arts Club is very good."

At the mention of Martial Arts Club, Gu Xiaoman could not help but brag: "Ever since we took first place in the tournament, many teachers and students came to join our Martial Arts Club due to admiration."

"Is that so?"

"Yes." Gu Xiaoman nodded her head vigorously and said with a face full of excitement, "Now that our Martial Arts Club have been reborn, and we have been revitalized from top to bottom, no one will dare to look down on us again."

"That's good. You've worked hard recently. Eat more." Wu Tian gave some of his food to Gu Xiaoman.

"Thank you, Proprietor Wu." Gu Xiaoman was so happy that she couldn't even close her mouth.

It had been a long time since she had dinner with Wu Tian. It felt really good.

Hidden Billionaire Chapter 492 - She Despise the Poor and Love the Rich!

C492 She Despise the Poor and Love the Rich!

Wu Tian and Gu Xiaoman chatted and laughed happily, while Lu Hui sat beside them like an electric light bulb.

As the three of them ate, a round-faced girl came over.

The girl had a round face and was very short. Her buttocks were especially big and she was just like a short winter melon.

"Lu Hui, you're eating here too!" His little sister, Dongguo, walked over and greeted Lu Hui with a smile.

"Yes." Lu Hui gritted her teeth in embarrassment. She was really afraid of what would come next.

She was afraid that someone familiar might see her, but in the end, she still met someone familiar.

"These two are your friends?" His little sister, Dong Gui, looked at Wu Tian and Gu Xiaoman.

"They ..."

Before Lu Hui could explain, she was interrupted by Sister Donggua . "Lu Hui, you're a senior white-collar worker after all. Aren't you ashamed to be with a poor student like me?"

Sister Donggua fanned her nose with her hand, as if she had smelled poverty. She looked at Wu Tian and Gu Xiaoman with disdain and contempt.

"I'm not too familiar with them. I just know them." Lu Hui quickly explained, afraid that others would misunderstand her relationship with these two poor people.

"Then why are you eating with them? Don't you feel sad?"

"I ..." Lu Hui glanced at Gu Xiaoman and Wu Tian. In fact, she also felt ashamed. She also felt that it would be embarrassing to stay with these two.

However, she and Gu Xiaoman had been neighbors in the past, so it wasn't good for them to lose face. That was why she braced herself to eat with the two of them.

"Lu Hui, why don't we eat together? I'll introduce my boyfriend to you." Sister Donggua pulled Lu Hui up from her chair after she finished her sentence and said sarcastically, "I don't want you to lose face together with those poor students."

"This ..."

Lu Hui was still in a dilemma.

After all, she had a good relationship with Gu Xiaoman and she didn't want to get into a relationship with them over this. However, she really didn't want to embarrass herself with them.

"Alright, let's go." Sister Donggua forcefully pulled Lu Hui to a seat at the side and said, "It's too embarrassing for us to be with them. Let's eat together, I'll treat you."

"..."

Gu Xiaoman opened her mouth, but in the end, she didn't say what she wanted to say. It was just that she felt particularly uncomfortable inside.

She didn't think that the neighbors who had good relations with her before would also look down on poor and rich students like her.

"Thank you!"

Lu Hui took a seat at the side and changed the subject. "Dongdong, what is your boyfriend doing?"

"Have you heard of Tianmu Technology?" Sister Donggua asked instead of answering.

"Of course I've heard of it." After answering him, Lu Hui pointed at the office building across the street, "Isn't that Tianmu Technology? The most powerful Technology Company in this area."

"That's right, Tianmu Technology is very famous throughout the entire Luzhou."

"I'm asking your boyfriend, why are you telling me about Tianmu Technology?"

"To tell you the truth, my boyfriend is the director of Tianmu Technology company." Sister Donggua boasted proudly.

"What?" Upon hearing that Dongdong's boyfriend was the Tianmu Technology's director, Lu Hui was extremely shocked. "I really didn't expect that your boyfriend was the Tianmu Technology's director, he's really too awesome."

"Of course." Sister Donggua couldn't hide her excitement as she continued to boast, "Do you know how much my boyfriend earned last month?"

"How much?"

"Twenty-three thousand."

"Oh my god, so high?"

"This is just a salary. Their company's shares are very intense today. My boyfriend received last season's bonus reward ..."

"How much?"

"Five million."

"Oh my god, this is way too high!" When Lu Hui heard that Dongdong's boyfriend got a 5 million contribution, she was extremely envious of Dongdong.

Five million a season, and at this rate they could buy a suite downtown in less than a year.

"I'm telling you, Tianmu Technology is a very profitable place. Right now, there is an employee share bonus. The lowest employee share bonus would be over a hundred thousand!"

"Isn't that even more powerful than Shengshi Group?"

"Of course."

"Dongdong, your boyfriend is so amazing, can you make me go to work at Tianmu Technology?" Lu Hui held onto Sister Donggua 's arm and begged with a flattering tone.

If she could go to Tianmu Technology for work, her shares and salary would exceed three hundred thousand yuan a year, which was quite a decent amount for her.

"That shouldn't be a problem. When my boyfriend comes over later, tell him to find a way to get you to work at Tianmu Technology company." Sister Donggua agreed without hesitation.

"Then when is your boyfriend coming over?"

"He just got off work, he's about to ..." Before Sister Donggua could finish, she waved towards the young man at the entrance of the restaurant: "Yang Tao, this way, come here."

Wu Tian, who was sitting next door, had been listening to the two girls talk. When he heard that Sister Donggua 's boyfriend was the director of Tianmu Technology, he also became a bit interested.

He saw Sister Donggua waving towards the door, and quickly turned his head to look, he immediately recognized the young man that walked in, it was Tianmu Technology Corporation's business department's chief, Yang Tao.

Yang Tao, a young man, was very capable. He was personally promoted by Lee Mu and had made a great contribution to the ecological construction of the mobile phone system.

However, he never expected Yang Tao to have such bad taste, finding a girlfriend like Sister Donggua . Not only is she not very fit, she is also not very good-natured.

"Dongdong ..."

Yang Tao quickly walked over and said apologetically, "I'm sorry for the meeting just now, I've made you wait for a long time."

"It's fine, I just arrived too." Having said so, Sister Donggua pointed at Lu Hui and introduced her, "This is my good sister, Lu Hui. I just happened to meet her."

"Hello, Miss Lu." Yang Tao greeted and sat down next to Sister Donggua .

"Hello, Brother Yang." Lu Hui pulled up her hair and said sweetly: "Brother Yang, I heard that you were a supervisor at Tianmu Technology company?"

"Yes, I'm in the operations department." Yang Tao took a sip of his tea. He acted very polite in front of the beautiful woman.

Lu Hui was indeed a beauty. She had a good figure and a beautiful face. She was much stronger than Dongdong with her big butt.

"I heard that your company's salary is extremely high. Can you get me to work at your company?" Lu Hui tried to curry favor with Yang Tao with a pleading tone.

"This ..."

Just when Yang Tao was thinking about how to respond. Suddenly, his eyes lit up as he looked up at Wu Tian at the next table.

"Boss Wu ..."

Only then did he see Boss Wu, who was sitting at the next table. He quickly stood up and greeted him: "Boss Wu, I didn't expect you to be eating here too."

"Yes, I just happened to bump into my classmate." Wu Tian explained with a smile. Actually, he had a good impression of Yang Tao.

"Since it's such a coincidence, why don't we eat together?" Yang Tao made an inviting gesture, "I'll treat you to dinner. Let's eat together since it's crowded."

Knowing that Boss Wu did not put on airs and did not put on airs in front of the employees, he took the initiative to suggest that they eat together.

Just as he said this, his girlfriend, Sister Donggua , strongly objected, "No, I don't agree that he should eat with us."

Hidden Billionaire Chapter 493 - To be Humiliated

C493 To be Humiliated

"Why don't you agree?" Yang Tao turned around and looked at Dongdong. He frowned and asked with a puzzled expression.

"Look at this brat, he is dressed in shabby clothes with a poor look on his face. It is obvious that he is a poor diaosi with just one look. If I were to eat with him ..." Before she could finish, her mouth was covered.

Never in his wildest dreams did Yang Tao imagine that his girlfriend would say something like that in front of Boss Wu. He was so scared that he quickly covered his girlfriend's mouth and warned, "Don't talk nonsense."

"I'm not wrong."

Sister Donggua pushed Yang Tao's arm away, pointed at Wu Tian and said, "He's a pauper and a diaosi, eating with him will only embarrass us."

*

Yang Tao was furious. He raised his hand and slapped his girlfriend's face and cursed, "I told you to shut up."

"Yang Tao, for a poor bastard, you actually hit me ..."

"He's not a pauper." Yang Tao glared at his girlfriend and pointed at Wu Tian as he introduced, "He's our boss."

"What boss?" Sister Donggua did not seem to understand what he meant as she frowned in puzzlement.

"This is our Tianmu Technology Company's boss, Wu Tian." Yang Tao pointed at Wu Tian and introduced him very seriously.

His tone was very serious, without the slightest hint of a joke.

"You said that he's the boss of Tianmu Technology company?"

"Yes, he's our boss."

"Oh my god!" Sister Donggua covered her mouth and exclaimed in an exaggerated manner.

Never in her wildest dreams would she have thought that the guy in front of her who wore cheap clothes and had a poor appearance was actually the boss of the Tianmu Technology company, the boss of her boyfriend.

If it wasn't for her boyfriend's words, she would have never believed that such a young and poor boy was actually the big boss Tianmu Technology.

She had thought that this brat was a pauper, but she had not expected him to be the rich boss.

Lu Hui was also stunned. She didn't expect Wu Tian, who wore cheap clothes, to be such a rich boss.

Just a moment ago, she looked down on this brat and even felt that eating with this kind of man was very embarrassing.

In the end, she discovered that this kid wasn't poor, but was actually the hidden big boss who controlled such a large clan's Technology Company.

She really couldn't understand how Gu Xiaoman knew such a rich boss.

Actually, even Gu Xiaoman was surprised. She already knew that Wu Tian was rich, but she didn't know that Wu Tian was the boss of Tianmu Technology Corporation.

"Boss Wu, my girlfriend doesn't know anything, don't take it to heart." Yang Tao hurried to apologize to Wu Tian.

"It doesn't matter." Wu Tian magnanimously waved his hand and smiled, "This is all a misunderstanding. It's no big deal."

Because of Yang Tao, he didn't want to care about such a small matter.

The main reason was that Yang Tao's ability was very strong and his character was pretty good. Yang Tao was a talent worth training by the company and Wu Tian couldn't be angry with Yang Tao for the fault of Yang Tao's girlfriend.

"Boss Wu is truly open-minded." After Yang Tao said this, he turned around and whispered to Dongdong, "What are you standing there for? Hurry up and apologize to Boss Wu."

"Oh!"

Sister Donggua came back to her senses and hurried over to Wu Tian, saying pitifully, "I'm sorry, Boss Wu. I was rude earlier. I apologize to you. I hope you can forgive me."

"Never mind, it's no big deal." Wu Tian waved his hand and did not want to continue talking about this matter.

"Boss Wu, this is all my fault, please don't make things difficult for my boyfriend, don't treat him differently ..." Sister Donggua wailed in grievance.

She had finally found a rich and capable boyfriend, and she didn't want her boyfriend to be treated differently by his boss because of this.

*

Yang Tao coughed twice and interrupted his girlfriend. With an apologetic expression, he said to Wu Tian, "Boss Wu, my girlfriend can't talk, I hope you don't take it to heart."

"Right, I don't know how to speak. How about this, I toast Boss Wu, it's a form of apology." Sister Donggua poured a glass of wine to toast Wu Tian.

In the end, her actions were stopped by Yang Tao. Yang Tao reprimanded her softly, "Alright, be quiet. Don't do these meaningless things."

After Yang Tao's words, Sister Donggua quieted down and didn't dare to say anything else.

"Alright."

Wu Tian was worried that the young couple would quarrel over this. He smiled and said, "It's not a big deal. Don't mention it anymore. As long as Yang Tao works properly at the company, I will definitely not make things difficult for him."

"Thank you, Boss Wu." Yang Tao and Dongdong thanked him profusely when they heard his words.

This gave the two of them a peace of mind.

"If you don't mind, let's eat together." Wu Tian pointed to the opposite side and said to the two of them.

"It's our honor to be able to eat with Boss Wu. We won't mind." Having said so, Yang Tao pulled his girlfriend to sit opposite Wu Tian.

"Stop flattering me." Wu Tian rolled his eyes at Yang Tao. He instructed the waiter, "Can you help us get a bottle of white wine?"

"Yes." After the waiter responded, he quickly brought the white wine over.

Yang Tao hurriedly took the wine and poured two cups. He raised his wine cup and said gratefully, "Boss Wu, thank you for your promotion and nurturing. Here is a toast to you."

"Then you have to work hard and not disappoint me and Director Li." After Wu Tian said this, he raised his glass and drained it in one gulp.

After drinking, Yang Tao patted his chest and guaranteed, "Boss Wu, don't worry, I won't let you down."

"That's good." Wu Tian nodded in satisfaction. The moment he raised his head, he saw Lu Hui standing beside him and looking at him.

*

Lu Hui coughed dryly and asked in an almost inaudible voice, "Can I sit and eat with you?"

Previously, she disliked Wu Tian. She saw that Wu Tian was wearing cheap clothes and thought that he was very poor. If she ate with this kid, she was afraid that others would see it and lose face.

After she knew that Wu Tian was the boss of Tianmu Technology company, she changed her attitude from before and wanted to curry favor with Wu Tian on her own accord.

"Xiaoman, what do you think?" Wu Tian didn't agree to her request, but looked up at Gu Xiaoman.

Because Lu Hui's previous actions had disheartened Gu Xiaoman, Wu Tian had left this decision to Xiaoman.

"Big Sister Lu Hui, then sit down and eat together with us." Gu Xiaoman was a kind-hearted person, so she didn't care that much. She got up and pulled Lu Hui to a seat.

"Thank you!"

After Lu Hui sat down, she looked up and glanced at Wu Tian, then leaned her head close to Gu Xiaoman, "Why didn't you tell me before that he's Tianmu Technology Boss?"

"I didn't know that either." Gu Xiaoman shrugged.

"How do you know him?"

"He's our Martial Arts Club Guild Leader."

"Oh!" Lu Hui nodded and leaned her head over to ask in a small voice, "Then does he have a girlfriend?"

"I don't know." This question made Gu Xiaoman feel a little uncomfortable in her heart.

As a girl, she naturally understood Lu Hui's thoughts. She must have had a bad idea because Wu Tian was rich.

"I want to work for Tianmu Corporation, can you help me plead with Boss Wu?" Lu Hui tried to ask.

"This ..."

Gu Xiaoman didn't want to help Lu Hui. She didn't want Lu Hui to be too close to Wu Tian so that they wouldn't have that kind of relationship.

Hidden Billionaire Chapter 494 - Lucky

C494 Lucky

"Sofia, please help me!" Lu Hui pleaded coquettishly, holding Gu Xiaoman's arm.

"Alright!"

Gu Xiaoman's heart was too soft. How could she endure such pleas? She quickly replied, "Then I'll try to help you."

"Thank you, Xiaoman, you're the best." Lu Hui put her head on Gu Xiaoman's arm and rubbed it a few times, looking especially intimate.

"I'll give it a try!"

Gu Xiaoman had the attitude of giving it a try. She smiled and said to Wu Tian: "Proprietor Wu, Lu Hui wants to go to your Tianmu Technology company to work, do you think it'll work?"

Although she asked that question, she actually hoped that Wu Tian would reject it. She didn't want Lu Hui to work with Wu Tian.

As the saying goes, love grows over time. If the two of them were to spend too much time together, it would inevitably cause an unclear relationship to occur.

"Xiaoman, if you want to work at our company, I welcome you. If it's this girl, I'm sorry, but I don't accept it." Wu Tian refused decisively without thinking.

After she heard what Wu Tian said, Gu Xiaoman secretly heaved a sigh of relief. She couldn't help but ask, "Why?"

Lu Hui also waited nervously for the answer. She also wanted to know why Boss Wu wanted Xiaoman and not her.

"Our company doesn't need people with bad character like her." Wu Tian was merciless and gave his answer.

Upon hearing these words, Lu Hui felt as if she were a deflated ball, and she became extremely disappointed.

She had originally wanted to enter the Tianmu Technology, to find a chance to get close to Wu Tian, and find a chance to make Wu Tian fall for her.

It seemed like her dream was completely shattered. Boss Wu had such a terrible impression of her, she would never have another chance in the future.

"Proprietor Wu, actually, Lu Hui ..." Gu Xiaoman still wanted to plead, but before she could finish, she was interrupted by Wu Tian. "Alright, let's eat. Let's not talk about official matters today."

After Wu Tian said this, he gave Xiaoman two pieces of green vegetables.

"Thank you!" Gu Xiaoman smiled sweetly, feeling sweeter than if she had eaten honey.

Seeing this scene, Lu Hui's heart ached. This time, even she couldn't help but feel envious of Gu Xiaoman.

She didn't know why Gu Xiaoman was so lucky to be able to know a big boss like Wu Tian.

After the meal, they went their separate ways. Gu Xiaoman stroked her hair and smiled, "Proprietor Wu, thank you for accompanying me to dinner today."

"We just happened to meet by chance so we decided to have a meal together."

"Then can you send me back to school?" Gu Xiaoman gathered up her courage and asked.

She had never taken the initiative to get close to a boy before, and this was the first time she had asked a boy to take her back to school. At this moment, she was feeling extremely nervous.

"No problem, let's go!" After Wu Tian answered, he pulled Gu Xiaoman towards the parking lot on the other side of the street.

The moment her hand was grabbed, Gu Xiaoman felt as if she was in love. Her heartbeat inexplicably quickened, and her cheeks were a little hot for some inexplicable reason.

Wu Tian drove Gu Xiaoman to school first. Tonight, he needed to accompany Elder Sister Lan to the party. He once again anxiously drove to the Huaxing, Film and TV.

He hadn't expected Elder Sister Lan to be waiting at the company's entrance. She had already changed into a tight dress. Elder Sister Lan looked sexy and charming and flirtatious.

"Elder Sister Lan, get in the car." Wu Tian waved at Elder Sister Lan.

"Brat, why have you only just arrived?" Huang Lan complained before she got into the passenger seat. "Did you go play with another woman again?" she asked doubtfully.

"Ever since I met Elder Sister Lan, I haven't had any feelings for other women. Compared to Elder Sister Lan, the other women are all ugly."

"Don't talk to me like that." Huang Lan rolled her eyes slightly and pointed to the dress she was wearing. "I just bought it. Did it look good?"

"Elder Sister Lan looks pretty good in that dress." Wu Tian nodded in satisfaction. Then, he couldn't help but tease, "If you don't wear any clothes, you'll definitely look even better."

"Fuck, nothing good comes out of a dog's mouth."

"If the dog's mouth could spit out ivory and everyone went off to raise a dog, who would still be working?!"

"You really know how to talk!"

Huang Lan rolled her eyes coquettishly, then her gaze landed on Wu Tian's casual attire, "You accompanied me to the royal ball, are you going to wear such ordinary clothes?"

"That's good. I bought it at the Red Market for 150 yuan."

"Isn't this too shabby?"

"This is called reminiscing about the past."

"Forget it, it's too late for you to buy clothes now, so just wear this." Huang Lan looked at the time and ordered Wu Tian, "Let's go to Golden Hall."

"Ok!"

After Wu Tian answered, he drove away.

As the car sped along, they quickly arrived at the Golden Hall located in the Lemmy Square. This was the highest grade professional banquet hall in Luzhou.

This place was not open to ordinary citizens and was only rented out to large companies or consortia for high-end banquets.

Tonight, a red wine meeting will be held at Golden Hall, sponsored by an international organization. The big shots and famous rookies from all walks of life in Luzhou City are invited to attend.

As a famous singer of Luzhou, Elder Sister Lan had the privilege to attend this year's red wine gathering.

After showing their invitation letters, the two of them entered the hall.

The lobby was luxuriously decorated with all kinds of red wine. There were more than 30 kinds of high-end red wine, and the whole lobby was filled with the rich aroma of wine.

Here, you can taste red wine all over the world, can feel different red wine culture.

The moment the two walked into the hall, they attracted many people's attention. Everyone was shocked by Elder Sister Lan's sexy and beautiful appearance. At the same time, they criticized Wu Tian's cheap clothes.

They didn't expect the famous singer Huang Lan to bring a tasteless brat to the party.

Just when everyone was commenting about Wu Tian's outfit, a big commotion sounded out in the hall.

After some commotion, a young man in a suit and leather shoes walked in. He was the Young Master of Shengshi Group, Shangguan Junjie, the first young master of Luzhou.

Close to ten bodyguards and attendants followed him. Wherever he went, he would be very high-profile and the scene would be very spectacular.

The moment Shangguan Junjie appeared on the stage, the guests all went up to him one by one to curry favor with him. They all wanted to take this opportunity to link up with his Shengshi Group.

Shangguan Junjie acted like he was on top and ignored those people. He looked down on everyone.

Wu Tian pursed his lips and smiled. He turned to Huang Lan and said, "Let's go and chat with Shangguan Junjie."

"You know Shangguan Junjie?" Huang Lan questioned in a low voice.

"Not only do we know each other, we also have a grudge." After Wu Tian said that, he squeezed through the crowd and walked towards Shangguan Junjie.

After passing through the crowd, Wu Tian finally arrived in front of Shangguan Junjie, "Young Master Shangguan, long time no see. How have you been?"

"It's you?"

Upon seeing Wu Tian, Shangguan Junjie's gentleman demeanor instantly disappeared and his entire body was filled with anger.

The moment he saw Wu Tian, he thought of the humiliation he had suffered at Fortune Restaurant.

Last time at Fortune Restaurant, he wanted to spend a lot of money to poach the chef, Shen Xue. However, he was humiliated by Wu Tian and then taken away by the police.

He had always kept this grudge in his heart and had long wanted to find an opportunity to teach Wu Tian a lesson, but he just hadn't had the appropriate opportunity.

"Master Shangguan, why are you looking at me like that?" Wu Tian had a playful smile on his face.

Hidden Billionaire Chapter 495 - Golden Hall

C495 Golden Hall

"I don't want to talk to you." Due to face, it wasn't good for Shangguan Junjie to go crazy in public.

"It doesn't matter if you don't want to talk, I'll accompany Master Shangguan for a drink." Wu Tian took a glass of red wine and walked over while smiling, "Please leave!"

"You don't deserve to drink with me." Shangguan Junjie said coldly, his tone full of anger.

"I did not expect Shangguan Gongzi to be so angry." Wu Tian shook his wine cup and suddenly let go of the glass.

The glass quickly slipped and fell to the ground, smashing into pieces. The red wine in his cup also splashed everywhere, causing Shangguan Junjie to be covered with it.

He was wearing a light suit that had been soaked in wine and looked dirty as if it had been dyed with blood.

"Brat, you're courting death." Shangguan Junjie's eyes turned cold as he stared at Wu Tian.

"Sorry, I didn't mean to." Wu Tian looked like he was apologizing, but he couldn't help but laugh inside.

"You did it on purpose."

"I really didn't mean to."

"You are ..."

"Shangguan Gongzi, you won. You're right, I did it on purpose." After Wu Tian said this, he raised his head and laughed out loud.

"You ..."

Seeing that he was played by this brat, Shangguan Junjie almost died from anger.

He grinded his teeth for a long time before he leaned his head close to Wu Tian and threatened in a low voice, "Don't be happy too early, there will be a day when I will kill you."

"Shangguan Gongzi, do your best. I'll fight to the end." Wu Tian did not back down.

"We'll see." After Shangguan Junjie said this, he led his men to the side hall.

The surrounding guests could not help but point at Wu Tian while discussing about him. They did not expect the boy in front of them was so bold that he dared to go against Master Shangguan. He was simply courting his own death.

This episode did not affect the royal ball at all. Everyone continued to drink and chat, using this to increase their contacts.

Halfway through the party, a foreign girl walked out, followed by a few foreigners pushing a small cart behind her.

The cart was covered by a red silk cloth. They could not see what was inside, but they were sure that it was a treasure.

The foreign girl walked to the podium and smiled at the crowd. "Thank you for attending tonight's reception. I thank you on behalf of the Riis Wine House."

Having said so, she slightly nodded her head and bowed towards the crowd.

Applause rang out.

After she said this, the crowd burst into applause.

The foreign girl pressed her hands together, gesturing for everyone to quiet down. She continued, "In order to express our sincerity, our boss took out this bottle of long-cherished Star of the Sea and presented it to one of the guests."

As these words were spoken, the crowd burst into an uproar.

Most of the people who attended the dinner were here for this bottle of Ocean Star. They all wanted to see the glory of this bottle of red wine.

The original name of the Ocean Star was Rum. It was the most precious winery in France and was said to have been a gift from the King of France to a hero a long time ago.

This bottle of red wine had been stored for a long time and had only recently arrived in China, but the price had already reached an outrageously high price.

"Next, I will uncover the red silk and let the red wine meet with everyone." After saying this, the foreign girl lifted the red silk in front of the crowd.

Everyone widened their eyes as they stared at the bottle of red wine.

This was the legendary King of Red Wine. The packaging bottles were dazzling, the red wine was like a pearl shining brilliantly, and its color was as gorgeous as a ripe grape.

Including Shangguan Junjie, everyone's eyes were filled with greed as they looked at the bottle of red wine. Everyone wanted this bottle of red wine.

Even Huang Lan was no exception. She was also full of desire for this bottle of red wine. For a woman like her who loved red wine, she also wanted to taste the King of Red Wine.

Of course, this was just a thought. She did not dare to dream of obtaining this bottle of priceless red wine.

"Red wine is extremely precious." The foreign girl pointed at the bottle of red wine and said, "This is the only bottle in the entire world. That is to say, only the lucky ones here can get their hands on it ..."

"I bid five million."

Before she could finish her words, someone below the stage shouted out a sky-high price of five million gold for this bottle of Ocean Star.

Following that, someone else raised the bid, "I bid 6 million ..."

"7 million."

"8 million."

"..."

"Eleven million."

The guests below the stage made a spontaneous bid, quickly raising the price to eleven million, all showing a strong desire to buy the Ocean Star.

After a round of bidding, Shangguan Junjie suddenly spoke up: "50 million."

The moment he opened his mouth, the entire venue quieted down. They did not expect that Shangguan Gongzi would go against the rules and directly raise the bid to 50 million.

For many people, 50 million was not a small amount. Spending that much money to buy a bottle of red wine was not worth it.

Furthermore, no one dared to compete with the young master official. In terms of wealth and influence, no one was able to defeat the Shengshi Group.

Seeing that no one bid, Shangguan Junjie was very proud. He walked on the stage and said to the foreign girl: "I won, I won the final bid with 50 million."

Saying that, Shangguan Junjie took out a few checks and handed them over, "This is 50 million, from now on the red wine is mine."

"No!"

The foreign girl didn't even look at the cheque. She smiled and shook her head. "Sir, you are mistaken. We don't intend to sell red wine."

"Then what do you mean?" Shangguan Junjie's eyes flashed and his expression became ugly.

The reason why he came to the party today was to head towards the Star of the Seas. He didn't expect her to not sell red wine.

"Our boss has said that this bottle of red wine is not for sale. We plan to give it to a lucky person present." When the foreign girl spoke, her face squeezed out two large dimples, and her smile was especially sweet.

"Your boss is too courteous. Thank your boss for me." After Shangguan Junjie said this, he reached out to get the bottle of red wine.

In the end, a foreign girl blocked her arm. She awkwardly smiled and said, "Sir, isn't this bottle of red wine for you?"

"If it wasn't me, then who was it?" Shangguan Junjie retracted his arm. He felt both disappointed and incredulous.

In the entire hall, who was more qualified to receive this bottle of red wine than him?

The crowd instantly boiled up, all the guests were surprised, they did not expect that the lucky one was not Shangguan Gongzi.

Be it money, status, family, or power, no one present could compare to Shangguan Junjie.

If even such a powerful figure didn't have the qualifications to receive red wine, then who would have the qualifications?

Under the puzzled gaze of the crowd, a foreign girl announced in front of everyone, "The lucky guy who got the wine for free is our Mr. Wu Tian."

After saying that, everyone's eyes wandered around. They all wanted to know who the lucky guy named Wu Tian was.

"It's me?" Wu Tian was surprised when he pointed at his nose. He didn't expect him to be lucky.

"That's right, you." The foreign girl nodded strongly, pointed at Wu Tian and said, "Come, let's welcome Mr Wu onstage."

After saying that, the foreign girl walked straight to Wu Tian, bent down at 90 degrees and made a "please" gesture.
