

Hidden Billionaire Chapter 496 - Ocean Star

C496 Ocean Star

All of a sudden, everyone's eyes fell on Wu Tian. He instantly became the focus of everyone's attention.

Everyone couldn't help but whisper to each other, guessing what kind of status this Wu Tian had to be able to become the lucky guy in tonight's Red Wine Meet.

At first glance, Wu Tian looked shabby and tasteless, no different from a beggar. How could such a scum of a boy be considered lucky?

Even Huang Lan was very surprised. She did not expect Wu Tian to become the lucky one to get red wine for free.

Under the crowd's bewildered gaze, Wu Tian followed Yang'Er to the stage.

To be honest, he didn't know what was going on. He didn't think that he would become tonight's lucky person for no reason at all.

He originally wanted to accompany Elder Sister Lan to attend the royal ball, so he didn't understand much about the royal ball. He didn't expect that he would become the main focus of the royal ball so easily.

"Mr Wu." After the foreign girl led Wu Tian onto the stage, she carefully took out the bottle of Star of the Sea and passed it to Wu Tian. "From now on, this bottle of red wine is yours."

"Sorry, I'm not interested in this wine." Wu Tian shrugged, he didn't want to get this bottle of Ocean Star.

In the eyes of others, this was a priceless treasure. In his eyes, this was no different from ordinary red wine.

When he said this, the crowd went into an uproar.

No one would have thought that the young man in front of them was so arrogant and did not have any interest in this expensive King of Wine.

"Since this brat isn't interested, then give it to me. I'm especially interested in the Star of the Seas." Shangguan Junjie stepped forward and said to the foreign girl with a smile.

"Sorry, our boss said that this bottle of red wine can only be given to Mr Wu." The foreign girl said in an influent China language.

"You ..."

After he said this, Shangguan Junjie felt embarrassed and questioned, "In your eyes, can I not be compared to a brat like Wu Tian?"

"Sorry, this is what our boss wants."

"Who exactly is your boss?" Shangguan Junjie asked the question that everyone wanted to ask.

He had long since heard of the famous French winery Reese, but the owner of the winery had always been a mystery and no one knew who the owner behind the scenes was.

The reason why he was participating in the royal ball tonight was partly because of the Ocean Star, and secondly, because he wanted to meet the owner of the Riis' winery.

The boss was simply too mysterious. He had always been active in the area of red wine, but he had never revealed himself. His identity was like a mystery.

"No comment." Yang Nü coldly spat out four words and once again handed the bottle of Star of the Seas to Wu Tian, "Mr Wu, please keep it well."

"Wait!"

Shangguan Junjie was unwilling to let the red wine end up in Wu Tian's hands. He immediately said, "I am willing to pay 100 million to buy this bottle of red wine."

"Forget about 100 million, I wouldn't even sell it for 1 billion." After saying that, the foreign girl handed the wine to Wu Tian again, "This is a gift from our boss, please keep it."

With that, she stuffed the red wine into Wu Tian's hands.

"You ..."

Seeing the scene in front of his eyes, Shangguan Junjie clenched his fist in anger. The anger in his heart gradually increased.

This is so annoying, he spent a sky-high price to buy this bottle of red wine, but the other side didn't want to sell it. He never would have thought that the other side would actually want to give the bottle of red wine to Wu Tian for free.

He didn't know what luck this brat had to be able to gain the favor of the owner of the Riis Wine House.

"Thank you!"

Wu Tian could not refuse the bottle of red wine given to him so sincerely. He had no choice but to accept the bottle of red wine. With a smile, he said to Shangguan Junjie, "If Master Shangguan really likes this bottle of red wine, we can make a deal."

"Name your price, how much do you intend to sell this bottle of red wine for?" Shangguan Junjie shook his sleeves and asked boldly.

"I don't want money. As long as Master Shangguan dares to make a noise like a pig, I'll give you the red wine." Wu Tian raised the red wine in his hand and teased with a smile.

The moment those words came out, Shangguan Junjie's face turned hideous and he roared fiercely: "Brat, you are courting death."

"It's fine if you don't want to make this deal, but why are you angry?"

"Kid, remember what I said." Shangguan Junjie moved his head closer and warned fiercely: "I will soon make you beg for death."

His voice was so soft that no one else heard him but Wu Tian.

"Hahaha ..."

After hearing that, Wu Tian raised his head and laughed out loud.

The guests below the stage were confused by his laughter. They didn't understand why Wu Tian was laughing.

Was it because Master Shangguan said something funny just now that made Wu Tian laugh so heartily?

Shangguan Junjie was embarrassed by the laughter and asked in a cold voice, "Brat, what are you laughing at?"

"Just now, Sir Shangguan sounded like a pig, hahaha ..." Wu Tian continued to laugh heartily after saying that.

Since then, everyone was suspicious. Could it be that for the bottle of red wine, Shangguan Gongzi was secretly learning to bark like a pig?

"You're bullshitting." Shangguan Junjie also did not care about his gentleman image. He glared at Wu Tian and shouted loudly. Then, he explained to everyone, "Don't listen to this brat's nonsense. I didn't even imitate a pig."

"I've said it before, as long as Master Shangguan dares to bark like a pig, I will give this bottle of red wine to Master Shangguan." After Wu Tian said this, he handed the red wine over, "From now on, the red wine is yours."

"Scram!"

Shangguan Junjie didn't take the red wine, and continued to argue for himself: "Don't listen to this brat's nonsense, I didn't learn to bark like a pig at all."

He did not take the bottle of red wine. If he took the bottle now, it would be equivalent to admitting that he had just learned to bark like a pig.

"Shangguan Gongzi, you obviously learned to bark like a pig, why don't you admit it?" Wu Tian always had a face full of laughter.

"Kid, don't talk nonsense."

"I'm not spouting nonsense. I have evidence."

"What evidence?"

"Just now, when Sir Shangguan was imitating the call of a pig, I recorded the sound."

"Okay, then open up your recording evidence for everyone to hear."
Shangguan Junjie threw his hands behind his back and waited for Wu Tian to announce the recorded evidence.

He did not imitate a pig and was not worried at all that the kid would play the recording.

"Alright, then let everyone listen to Young Master Shangguan's pig calls." After Wu Tian said this, he took out his phone and opened the recording.

After switching on the recording, the phone rang out with the sound of a pig squealing. It was the scream of a pig before it was slaughtered.

After hearing the pig barks, everyone present couldn't help but laugh out loud. They were all amused by the recording.

Naturally, everyone could tell that this wasn't Shangguan Junjie's voice, but a real pig's howl.

They didn't expect Wu Tian to be so bold as to use this recording to tease Shangguan Gongzi. Even that foreign girl couldn't help pursing her lips in amusement.

"Bastard, you're purposely toying with me." Shangguan Junjie immediately became furious and roared in a flustered and exasperated manner.

"Shangguan Gongzi, you sound like a pig, you sound really pitiful." After Wu Tian said this, his mouth curved into a smile.

"You ..."

Shangguan Junjie stared with his eyes wide open. He was so angry that he couldn't say a word for a long time.

No one would have thought that he, as the great boss of Golden Age, would be toyed with like a monkey by this kid in front of so many people.

Hidden Billionaire Chapter 497 - The Accumulated Resentment Is Already Deep

C497 The Accumulated Resentment Is Already Deep

Shangguan Junjie finally shouted in a low voice after gnashing his teeth for a long time, "Brat, I swear, I will tear you into a thousand pieces to vent the anger in my heart."

He had never been as angry as he was now. His blood-red eyes stared at Wu Tian, and they were like sharp blades filled with killing intent.

"As long as Master Shangguan is interested, I will keep you company until the end." Wu Tian replied without backing down.

"Good kid, let's wait and see." With these words, Shangguan Junjie turned around and quickly left with his people.

After this incident, he could be considered to have a deep grudge with Wu Tian. He swore to himself that he would definitely beat this kid to death.

After Shangguan Junjie left, Wu Tian smiled at the foreign girl and asked, "Beautiful lady, why did you give me such a precious Star of the Seas?"

"Sorry, this is what our boss wants. I don't know either." The foreign girl curled her lips into a smile. The two dimples on her cheeks were especially sweet.

"Who's your boss?"

"It's a secret."

"Why?"

"I am truly sorry. I am only a servant, and am unable to answer your questions. Please do not make things difficult for me." The foreign girl shrugged and said with a helpless smile.

"Alright!" Wu Tian did not press the issue. He waved the bottle of red wine in his hand and said, "Thank you, boss."

"Alright."

The foreign girl nodded and turned to leave with the foreigners.

Looking at the bottle of red wine in his hand, Wu Tian didn't know whether to laugh or to cry. He was a passerby, he never thought that he would become the main character of the party and obtain this bottle of expensive red wine.

Who had given him the wine?

While he was lost in his thoughts, he saw Huang Lan walk over. He smiled and said, "You're really good, playing with Shangguan Junjie like he was a monkey in front of everyone."

"I'm good at being a monkey master." Wu Tian pursed his lips and smiled. He couldn't help but feel proud of himself.

"Just now, Shangguan Junjie's face was the color of a pig's liver. He almost died from anger."

"This is only an appetizer. The good show is yet to come." Wu Tian said as if he was talking to himself.

He knew that the battle with Shangguan Junjie had only just begun. There would definitely be an even more intense frontal confrontation and the final outcome would be decided by the trade war.

"If you go against Shangguan Junjie so blatantly, you might get into trouble." Huang Lan couldn't help but worry as she retracted her smile.

"No, I will deal with it."

"Then be careful."

"Don't worry, everything will be fine." Wu Tian comforted her as he did not want to implicate Elder Sister Lan.

Huang Lan looked down at the bottle in Wu Tian's hand and couldn't help but question, "Why would Boss Reis give you such a precious bottle of red wine for free?"

"I'm not sure either. I don't even know the owner of the Reese winery. I don't know why they gave me the red wine." Wu Tian shrugged, he didn't know what the situation was either.

Huang Lan bitterly smiled. She couldn't help but mutter to herself, "That's weird. You don't know Boss Reese, so why did he give you the Ocean Star?"

"Maybe the owner of the Riis Wine Manor is a beauty, and seeing how handsome I am, he sent me red wine as a show of goodwill ..."

Huang Lan snappily spat and said disdainfully, "You narcissistic brat, you only know how to think of this kind of thing."

Wu Tian laughed dryly and passed the red wine over, "Elder Sister Lan, I'm not interested in that. I'll give it to you."

"You want to give me this red wine?"

"Yes."

"You actually gave me such a precious thing?" Huang Lan was both surprised and happy. Her heart was filled with incomparable excitement and excitement.

For her, this plain red wine was very precious. She didn't expect Wu Tian to give it to her without thinking.

"Not to mention a bottle of red wine, even if Elder Sister Lan wanted anything, I would not be stingy with it." Wu Tian promised confidently.

In front of a woman, he had always been very generous, not to mention that Elder Sister Lan was a woman who had helped him before.

"Good kid, sister will remember what you said. Don't go back on your words when the time comes." Huang Lan took the red wine from Wu Tian's hands and started to study it.

The guests quickly gathered around to inspect the bottle of red wine, commenting on the vintage of the wine's color and taste.

To Huang Lan, who loved wine, this was indeed a treasure. She carefully held it in her hands and examined it, afraid that she would damage it.

"Elder Sister Lan, since you love wine so much, why don't we open it and have a taste?" Wu Tian couldn't help but suggest when he saw Elder Sister Lan's loving look.

"No, I have to keep it, I'll drink it when I get the chance." Huang Lan was reluctant to open the bottle.

"What opportunity?"

"This red wine can only be drunk on important days."

"Alright!" Wu Tian didn't try to force it. Seeing that the party had ended and everyone had dispersed, he suggested to Elder Sister Lan, "It's getting late, let's go home."

"Let's go." Huang Lan nodded and followed Wu Tian out of the hall with the red wine in her arms.

When the two of them reached the door, the foreign girl from before ran over hurriedly, "Mr Wu, please wait."

"What's the matter?" Wu Tian stopped and looked back at the girl.

This girl had blonde hair and blue eyes, and her dimples made her look especially sweet and attractive.

"My boss wants to talk to you."

"Talk to me?"

"Yes."

"What does he want to talk to me about?"

"I'm not sure about that." After saying that, the foreign girl stretched out her hand and made a "please" gesture, "Mr Wu, our boss is on the second floor, please."

"Alright, I'll go see your boss and thank him." After Wu Tian said this, he turned around and ordered Huang Lan, "Elder Sister Lan, wait for me in the car."

"Alright." Huang Lan nodded and left the hotel with the red wine.

Wu Tian followed the foreign woman up to the second floor. He also wanted to see the legendary owner of the Reese winery. He really wanted to know why he was given expensive red wine.

Under the lead of the foreign woman, they arrived at a room.

The foreign woman knocked on the door, then pushed it open and reported, "Boss, the customer has arrived."

There was no response from the room.

After waiting for a few seconds, the girl made a gesture towards Wu Tian to invite him in, "Mr Wu, our boss is inside, please come in!"

"Alright!"

Wu Tian nodded, pushed open the door and walked in.

It was an extremely luxurious suite, one that was even better than the presidential suite in the hotel. All sorts of accessories were perfect.

He smelled a light perfume as he entered the room. It was obvious that the person living in this room was a woman.

He walked into the room and found that it was empty. As he looked around, he saw a sexy, beautiful foreign girl coming out of the bedroom.

"Blanche?"

Wu Tian immediately recognized this girl; she was the owner of Aifei Castle, Blanche.

He didn't think that the owner of the castle would be this woman. No wonder she would gift him a bottle of white wine for no reason.

He remembered that it was this woman who gave him a bottle of high-end white wine before she sent someone to take him to the Aifei Castle.

C498 Mysterious Woman

At that time, Blanche brought Wu Tian to Aifei Castle because she saw Wu Tian's skill and wanted to hire him as a bodyguard.

It just so happened that Blanche was saved by Wu Tian in the face of danger. In order to express her gratitude, Blanche gave the Aifei Castle to Wu Tian as a token of gratitude.

"Are you surprised to see me?" Blanche shook her long black hair and looked at Wu Tian with a smile.

"It was indeed very unexpected." Wu Tian walked over and said with a smile, "I never thought that the mysterious and magical Boss Reese would be you."

"I came to give a party, I didn't expect to meet you here." Blanche straightened her clothes and walked to the sofa to sit down. She smiled and said, "Don't just stand there. Take a seat."

"Thank you, Miss Bu, for the red wine." Wu Tian walked over and sat down in front of the sofa.

"A mere bottle of red wine is nothing."

"Not just the red wine, but also that Aifei Castle Wine House. They are all priceless treasures."

"You saved my life. Not to mention the winery, even the most valuable things are not enough to express my gratitude." Blanche blushed.

She suddenly thought back to the last time in the secret room. At that time, she was unable to move due to the extreme poison and was carried to pee by this China boy.

That was the first time she was touched by a man, and it was also the first time she peed in front of a man. Just thinking about it made her feel ashamed.

"Miss Bu, are you alright?" Wu Tian couldn't help but ask when he saw the girl in front of him suddenly blush.

"I'm fine!"

Blanche quickly shook her head, dispersing the chaotic thoughts in her mind. She changed the subject and asked, "Are you drinking tea or coffee?"

"Whatever."

"Then I'll make you a cup of coffee." Blanche got up and started to make coffee, but her mind was still in a mess.

She had never been upset because of a man before. This was the first time she had felt this way, and the other party was even a China man.

Perhaps it was because this man had touched her body that she felt this difference.

As she was making coffee, she couldn't help but peek up at Wu Tian. She noticed that the boy was also staring at her.

She immediately blushed and lowered her head as she continued to make coffee.

After busying herself for two minutes, she finally made a cup of coffee and brought it over. She pretended to be calm and said, "This is the coffee bean brought from our Char Country. How does it taste like?"

"Not bad, the fragrance is very strong." Wu Tian took a sip of his coffee and commented seriously, "There's a different kind of charm to its fragrance. It's very hierarchical."

"It's good that you like it."

Blanche wiped her hands with a tissue and sat down before saying with a smile, "This is the first time I'm making coffee for someone."

"Then I should feel lucky."

"You are my savior, so it is only right that I do this for you."

"The last time I saved you was just a small matter, there's no need for you to be polite."

"To you, this is a piece of cake, but to me, it's a lifetime's worth of grace." Blanche said in a serious tone.

She was a person who knew how to be grateful. She would never forget Wu Tian's kindness of saving her life.

"Your words make me feel a bit embarrassed." Wu Tian scratched his head in embarrassment and changed the topic: "By the way, Miss Bu, what do you want to talk to me about?"

"Right."

It was only then that Blanche remembered the important matter. She spoke in an fluent China language, "I saw you teasing Shangguan Junjie in the hall just now. Don't tell me there was some hatred between the two of you?"

"It's just a small contradiction." Wu Tian didn't want to explain too much.

The conflict between him and the Shangguan Family, was something he did not want to tell this foreign woman.

"If you want to deal with Shangguan Junjie, I can help you." Blanche offered to help Wu Tian.

"No need."

Wu Tian refused decisively without thinking, "Thank you for Miss Bu's good intentions. I will settle the grudge between him and I. I won't trouble Miss Bu to worry about it."

He knew that this woman called Blanche held a lot of power.

However, he did not want this woman to get involved. He and Shangguan Junjie were internal conflicts within the China people, so he did not need foreigners to participate in the enmity between them.

"It's fine if you don't want to say it." Blanche did not press him further and smiled, "Actually, I also have a grudge with Shangguan Junjie. Last time, it was Shangguan Junjie's father, Shangguan Hongyuan, who got someone to drug me."

"What's the enmity between the two of you?"

"I'm sorry, but I can't tell you this right now." Blanche pursed her lips and smiled, showing an apologetic expression.

"Alright!"

Wu Tian didn't pursue the matter and changed the topic: "I see that you are very mysterious and powerful. I am very curious, who exactly are you?"

"Didn't I tell you before? I'm an Interpol officer."

"No, Interpol would not have such a large power like you, and it would also be impossible for them to have so much money." Saying that, Wu Tian raised the cup of coffee in his hand. "Just a casual cup of coffee of yours, I'm afraid it'll be a month's salary for an ordinary person."

"Good eye."

Blanche nodded in agreement. "You're right, I'm not a criminal police."

"Then who are you?"

"For my safety, this has to be kept secret for the time being."

"Since you don't want to say it, then I won't force you." Wu Tian was curious about this woman's identity, but he didn't continue pursuing the matter.

Obviously, this woman didn't have enough trust in her, so she naturally wouldn't reveal her true identity.

But now, he was even more certain that this woman in front of him was not simple, she was definitely a powerful character.

"Oh yeah, have you heard of Blood Ganoderma Herba?" Blanche suddenly asked.

"Of course I've heard of it." Mentioning the Blood Ganoderma Herba, Wu Tian became excited and could not help but ask: "How do you know about the Blood Ganoderma Herba?"

Blood Ganoderma Herba s were the most precious tonic medicine in the world, and it was a hundred times stronger than the thousand year ginseng and winter insects.

If a person could use Blood Ganoderma Herba s for medicine, not only would they strengthen their body, improve their beauty, but they would also have the effect of prolonging their life.

Wu Tian was looking for Blood Ganoderma Herba. The main reason he looked for this kind of thing was to practice the three sets of fist techniques in the handwritten book.

If he could not find the Blood Ganoderma Herba, he would not be able to practice his fist arts. To him, this was a lifetime's worth of regret.

"The reason I have come to the Luzhou this time, is to find the Blood Ganoderma Herba." Blanche massaged her arm, with the aura of a ruler descending the world, "No matter what, I want to obtain the Blood Ganoderma Herba."

"So you know where it is?"

"Yes, I know where it is."

"Where is it?" Wu Tian couldn't hide his excitement as he asked anxiously.

"I sent people to investigate for half a year, and finally found the location of the Blood Ganoderma Herba." Blanche paused for a moment, then continued, "It's in Eight-Diagram Mountain."

"Eight-Diagram Mountain?"

"Right."

"Are you sure that the Blood Ganoderma Herba is at the Eight-Diagram Mountain?"

"I'm sure." Blanche nodded her head vigorously, and said with certainty: "After my investigation, I was able to confirm that the Blood Ganoderma Herba is in Eight-Diagram Mountain."

"As far as I know, the Eight-Diagram Mountain is located at the back of Mount Lu and is a barren mountain. How could it be possible to hide a Blood Ganoderma Herba?" Wu Tian was skeptical.

Hidden Billionaire Chapter 499 - Achieving Cooperation

C499 Achieving Cooperation

"Don't worry, I'll explain it to you." Blanche mulled over it for a few seconds, then patiently explained: "According to my many investigations, I found out that the secret that happened at Eight-Diagram Mountain a few years ago was related to the Blood Ganoderma Herba."

"What secret?"

"A few years ago, a medicine merchant from the Luzhou obtained a Blood Ganoderma Herba, but in the end, he was chased by many people. In a moment of desperation, he fled to the Eight-Diagram Mountain to hide, never to appear again since then." Blanche swallowed her saliva and continued: "Until later, when that merchant was trapped to death inside the Eight Trigram Formation, the Blood Ganoderma Herba was also trapped inside the Eight-Diagram Mountain."

"Is this news reliable?" Wu Tian was still skeptical of these words.

"Absolutely."

Blanche nodded her head vigorously and said confidently: "I used a lot of money and connections to find the criminal who chased the merchant and confirmed that the Blood Ganoderma Herba is inside the Eight-Diagram Mountain."

"Since you know that the Blood Ganoderma Herba is at the Eight-Diagram Mountain, why didn't you go into the mountains to search for them?"

"I sent people to look for the Blood Ganoderma Herba, but those people ..."

"What's wrong?"

"Those people I sent have not received any news for over two months. I believe they must have been trapped within the Eight-Diagram Mountain and starved to death." Blanche shrugged her shoulders with a helpless look on her face.

"So you're saying that Eight-Diagram Mountain is very dangerous?"

"You are a local, you should know this better than me." Blanche walked to the window with large strides, looked into the distance and spoke as if she was talking to herself, "According to what I know, no one who has entered the Eight-Diagram Mountain will make it out alive."

"Is that so?" Wu Tian also fell into deep thought.

In his impression, Eight-Diagram Mountain were rarely mentioned, even if the locals of the Luzhou didn't know of this place.

However, there was a legend related to Mount Lu, saying that there was a valley of death behind Mount Lu. As long as one entered that valley, no one would be able to leave alive.

This was a very ancient legend. As for whether or not this legend was true, no one knew, because no one had ever tested it.

"I want to work together with you. We will search for the Blood Ganoderma Herba together, and if we can find it, we will split it into two. You half, I half." This was the real reason why she called Wu Tian over.

"You mean we should cooperate to take out Blood Ganoderma Herba s from Eight-Diagram Mountain?"

"Yes."

"With your wealth and power, you are unable to take out the Blood Ganoderma Herba. Do you think it's possible for me?"

"I'm not sure about that." Blanche changed her tone after she finished speaking. "But I think you're different from ordinary people. You're smarter, more cautious, more daring. Plus, you're a local, so maybe you have a better idea."

"It seems that you understand me well." Wu Tian squinted his eyes and looked at Blanche with more vigilance.

"If you don't want to, then pretend I didn't say anything. I'll think of something else."

"Why do you want the Blood Ganoderma Herba so much?"

"My father is seriously ill and needs Blood Ganoderma Herba to guide him with the medicine, so this is especially important to me. No matter what, I want to obtain the Blood Ganoderma Herba." Blanche raised her head and looked out the window, her eyes filled with desire and expectation for the Blood Ganoderma Herba.

"Alright, I'll work with you." After a moment of thought, Wu Tian agreed to work with this woman.

With his current strength, it would not be easy for him to find the Blood Ganoderma Herba from the Eight-Diagram Mountain, and cooperating with the woman in front of him had increased his odds of winning by a few points.

"Great." After receiving the reply, Blanche retracted her gaze and looked at Wu Tian, "I believe with your intelligence, our cooperation should be able to find the Blood Ganoderma Herba soon."

"I can only try my best, but I won't risk my life just for the Blood Ganoderma Herba s." Wu Tian was not afraid of death, but he was not stupid enough to risk his life for the Blood Ganoderma Herba.

Although he wanted the Blood Ganoderma Herba to help him cultivate Alien Fist.

But he did not want to trade with his life, the Blood Ganoderma Herba was not worth it to him, he did not want to die because of it.

"Don't worry about that. You are my savior. I will do everything I can to ensure your safety." She did not want her savior to lose his life.

"Then can you find a way to get a helicopter?"

"No problem." Blanche replied affirmatively without thinking, "I have my own private helicopter in Jiangnan Province, but I need to go through the relevant procedures before flying here. I will be able to finish it by noon tomorrow at the earliest."

"Miss Bu, you sure are rich."

"As long as you can find the Blood Ganoderma Herba, I will give you whatever you want."

"In addition to the helicopter accident, I also need a high power telescope, a long-range drone, and a Eight-Diagram Mountain map ..."

"I already have what you said." Before Wu Tian could finish his words, he was interrupted by Blanche. "We even have a professional expedition team."

"Awesome!"

Wu Tian could not help but be secretly surprised. Blanche must have spent a lot of money to go all out for the Blood Ganoderma Herba.

He thought for a moment, then said to Blanche, "Let's just treat it as an expedition and prepare all the necessary materials. Tomorrow afternoon, we will go to Eight-Diagram Mountain and familiarize ourselves with the terrain, then we can think of a way."

"Ok!"

Blanche nodded. "Alright then. Leave me your contact details and I'll contact you at noon tomorrow."

"Okay, here's my number." Wu Tian took out a name card and handed it over, "It's a deal. Then call me tomorrow when you're ready."

"Alright."

"Then I'll take my leave. Goodbye." After saying goodbye, Wu Tian stood up and walked out of the room.

When he reached the door, he heard Blanche's voice, "I just saw Shangguan Junjie hiding in the parking lot with many bodyguards. I'm afraid they are going to hit you. Do you want me to send someone to protect you?"

"Thank you for your kind intentions. I can handle it myself." After Wu Tian said this, he hurriedly ran outside.

He thought of Elder Sister Lan alone in the car. He was afraid that Shangguan Junjie would make a move on Elder Sister Lan, so he had to get there as soon as possible.

He hurried downstairs and rushed out of Golden Hall as fast as he could. He saw Elder Sister Lan hugging the bottle of red wine, unable to let it go.

Seeing that Elder Sister Lan was fine, Wu Tian felt more at ease. He quickly walked into the car and asked, "Didn't Shangguan Junjie's men come to look for trouble with you?"

"Nope."

This time, Huang Lan kept the red wine and couldn't help but ask, "Why have you been gone for so long? Who was it that just looked for you?"

"Blanche."

"What Blanche?"

"Char Country merchant, was the woman I saved at the Aifei Castle back then. Aifei Castle was also a gift from her." Wu Tian explained.

Huang Lan's frown deepened as she questioned, "Did she also give you this bottle of red wine?"

"That's right, she is the mysterious mistress of this place."

"I really didn't expect this." Huang Lan sighed and asked, "Why did that woman ask you to go there?"

"Talk about cooperation." After saying that, Wu Tian started the car, "Elder Sister Lan, I will explain this to you later. Let's go home today to avoid any danger."

Before he could finish his words, he had already driven away.

He was worried that Shangguan Junjie would bring someone to cause trouble.

Hidden Billionaire Chapter 500 - Shocking Foreign Women

C500 Shocking Foreign Women

"What danger can there be in broad daylight?" Huang Lan frowned, her eyes filled with doubt.

"I just saw Shangguan Junjie bringing a lot of henchmen. They must be after me." Wu Tian explained in a serious tone while driving.

Huang Lan's face darkened, "I knew Shangguan Junjie wouldn't let you go so easily. It's not safe here. Hurry up and drive."

After saying that, she didn't say anything else to avoid affecting Wu Tian's driving.

Right now, he could only hurry home to avoid being besieged by Shangguan Junjie and his men. That would be troublesome.

He had just driven a short distance when a BMW came rushing from the side of the street to block their way.

Wu Tian was very quick, he quickly stepped on the brake to stop the car, and just barely collided with the BMW.

As soon as the car came to a stop, a dozen men in suits surrounded the car from all directions, holding sticks in their hands.

"What should we do?"

Huang Lan's face turned extremely ugly when she saw so many thugs. She tried asking, "Should we call the police now?"

"It's too late to call the police." Wu Tian glanced at those thugs and instructed Huang Lan, "Elder Sister Lan, sit in the car and don't move. Don't get out of the car. I'll deal with those thugs myself."

"But ..."

"Remember, don't get out of the car no matter what happens." Wu Tian instructed again before he pushed open the car door and walked out.

As soon as he got out of the car, a limousine drove by and stopped three meters away from him.

The one sitting in the car was Shangguan Junjie. He didn't get off, he instead rolled down the window and challenged Wu Tian, "Brat, you're going against me. Today is the day you die."

"Master Shangguan, are you barking like a donkey? Why are you shouting so badly?" Wu Tian poked his ears and teased with a mischievous smile.

"Brat, you're about to die yet you still dare to say such rude words? In a bit, I'll make you beg for death!" After Shangguan Junjie said this, he waved his hand and ordered his subordinates, "Go up together, beat this brat to death."

"Yes sir!"

More than a dozen thugs received the order and quickly gathered around Wu Tian.

Huang Lan's heart was burning with anxiety when she saw so many thugs closing in on Wu Tian. For a moment, she didn't know what to do.

On the second floor opposite, Blanche was staring at the lively scene below with blinking eyes.

The foreign woman took a glance downstairs and couldn't help asking in a low voice, "Miss Bu, I've never seen you pay attention to any man before. I wonder what's your relationship with Mr Wu?"

"Wu Tian is my savior. If it wasn't for him saving me last time, my life might have been in danger." Blanche looked downstairs with an expressionless face.

"I didn't expect Mr Wu to be your savior. No wonder Miss Bu treated Mr Wu so courteously."

"Remember, treat Wu Tian well at all times."

"Alright!" After she answered, she could not help but ask: "Last time it was Shangguan Hongyuan who sent people to harm you, should we not kill him ..."

"No need!"

Blanche raised her right hand and said coldly: "Shangguan Hongyuan doesn't have to be in a hurry to deal with it. Our top priority right now is to find the Blood Ganoderma Herba and rush back to help my father treat his illness."

"Alright!" The foreign woman didn't say anything after answering.

When she turned around and looked downstairs, she saw more than ten thugs preparing to attack Wu Tian, so she couldn't help but ask, "Should we help Mr Wu?"

"There's no need to rush. Let's wait first." Blanche was in no hurry to take action.

She planned to look at the situation and send someone to help when Wu Tian was about to collapse.

"Alright!" The foreign woman didn't say anything after answering.

The two of them stood in front of the window and looked down. Seeing more than ten bodyguards rush towards Wu Tian at the same time, the two girls' hearts tightened and they couldn't help but feel worried for this China boy.

They quickly realized that their worries were completely unnecessary.

Wu Tian lowered his body and dodged a few punches before jumping onto the roof.

His right hand rested on the roof of the car, supporting his body to spin at high speeds. At the same time, his two legs rotated at high speeds, continuously kicking at those thugs.

After a series of screams, six or seven thugs fell to the ground.

After he swung his leg and kicked, Wu Tian did a somersault with his bare hands and landed smoothly on the ground. Then, he swung his fist and punched the remaining bodyguards.

His speed was incredibly fast, and his fists were like iron kicks as they ruthlessly smashed towards his opponent. He continuously swung his fists and knocked over four thugs.

He continued his sweep, knocking down another three bodyguards. From this, it could be seen that his kung fu skills were top-notch.

Following that, the more Wu Tian fought, the more courageous he became. He started to attack the opponent even more quickly, it was as if there was a huge battle going on.

In just a short moment, more than a dozen thugs successively fell to the ground with a wail.

Blanche and Yang Niu stared with their eyes wide open and full of interest. They didn't even want to blink their eyelids.

They had seen a lot of battles, but they had never seen such an exciting battle scene. It truly was an eye-opener for them.

After staring at it for a long time, the foreign woman could not help but sigh with emotion: "Miss Bu, I didn't think that the China guy would be so strong, a hundred times stronger than our nation's brave warriors."

"Wu Tian is indeed not a simple man." Blanche nodded in agreement. At this moment, she couldn't help but to have a whole new level of respect for Wu Tian.

"It would be great if we could bring this China man back to our Char Country. Our country needs warriors like him."

"This man is not simple, I'm afraid he won't easily return with us." Having said that, Blanche turned to Yang Niu and instructed, "Get back to business quickly. All the helicopters and expedition teams are ready."

"Alright!" After answering, the girl turned around and left the room.

Blanche turned around and looked out of the window again. Her gaze fell on Wu Tian, and there was a strange look in her eyes.

At this moment, Wu Tian didn't know that he was being watched by Blanche at all. He only focused on dealing with those thugs with all his might.

He spent a great deal of effort and used all of his ultimate moves to finally get rid of all the bodyguards.

Wu Tian shook off the dust on his body, turned around and looked at Shangguan Junjie who was in the car, "Shangguan Gongzi, the trash you raise is only mediocre."

"You ..."

Shangguan Junjie's mouth twitched a few times and he couldn't say a word for a long time.

He didn't expect the kid in front of him to be so strong that he could defeat fifteen of his bodyguards with his bare hands.

His bodyguards were all trained professionally and were not weak at all. They were so vulnerable in front of Wu Tian.

Originally, he wanted to find these thugs to teach Wu Tian a lesson, but in the end, he was beaten up by this brat.

"Master Shangguan, it's your turn now." Wu Tian clenched his fist and walked towards Shangguan Junjie.

"Brat, you're ruthless." Knowing that he was no match for the brat, Shangguan Junjie quickly got his men to drive the car away.

As the saying goes, a wise man doesn't fight when the odds are against him. In the future, he would have plenty of opportunities to teach this fellow a lesson.

"Shangguan Gongzi, you really are a piece of trash." Wu Tian disdained him, and at the same time, gestured in his mirror with disdain.
