

Hidden Billionaire Chapter 5 - Jumping Clown -

C5 Jumping Clown

"All of you shut up!"

Sunn Xiaohao couldn't bear listening any longer. He pointed at the gossiping classmates and shouted, "All you do is gossip. You cowards, what right do you have to talk about others?"

"At the very least, Wu Tian can muster up the courage to do what he wants. As for you guys, other than talking nonsense, what else can you do?"

"Xiaohao is right, we are all classmates. Be kind, unless you want your future children to be born without an anus." Jiang Wan also felt indignant for Wu Tian.

Wang Hong shrank his head. He wasn't planning on intervening.

Since his relationship with Wu Tian was average, there was no need for him to offend Lee Meng for Wu Tian.

He just thought it was a joke.

"Forget it. Dragons do not live on the same level as snakes. You shouldn't bother about them," Wu Tian advised his friends, as he didn't want his roommates to quarrel with these people because of him.

Lee Meng was initially pleased with herself as she watched the show unfold, but she didn't expect Wu Tian to be so calm and even ridicule her for not being good enough.

She was so angry that her face turned red as she said, "Wu Tian, are you even qualified to talk about levels?"

"Someone like you, even after you graduate, would only be fit to work for my boyfriend. You have no ambitions in your life, and you still dare talk about things you will never achieve. If it weren't for the fact that we are in the same class, I wouldn't even bother looking at you with the corner of my eye. You are a toad!"

Lee Meng spoke so loudly that everyone outside the classroom could hear her clearly.

"Lee Meng, don't go too far. Just because Wu Tian can't be bothered with you doesn't mean that he's easy to bully." These words made Sunn Xiaohao's blood boil.

"You think too highly of yourself. You will regret it." Jiang Wan shook his head and sighed.

The students all understood each other, and Jiang Wan knew very well who Lee Meng was. She wanted nothing more than to cling to the rich and powerful.

However, she was blind. Instead of holding onto Wu Tian, this great Buddha, she stepped on him a few times.

He couldn't help but feel that she was rather pitiful.

"I don't care."

Lee Meng did not think so and said with a sneer, "How laughable. For an ignorant loser like Wu Tian, even if I rejected him ten thousand times, I wouldn't blink once."

"You are a frog at the bottom of a well. I think the one who is ignorant is you, Lee Meng." At this moment, a clear voice came from the door before Wu Tian could say anything.

Everyone looked over and saw that it was actually Liu Yueyao from the class next door.

Liu Yueyao was one of the three great beauties recognized by the Luzhou Industry University. Her rank was only inferior to the school beauty Wan Ying. Regardless of her temperament or appearance, she was more powerful than Lee Meng.

Because Wan Ying had a cold demeanor, she never had a good impression of any man.

Therefore, as a third-year beauty, Liu Yueyao, who was ranked second in the entire school, became the hottest goddess in the school.

It was said that those who pursued her could line up from the school building to the school gate.

"Why is she here? She doesn't seem very friendly to Lee Meng. Could it be that Lee Meng offended her?"

"Impossible, the two of them never get involved with each other. They're not even in the same class, so why would Lee Meng offend her?"

"Could it be that she's fighting for Wu Tian? I didn't think that the goddess in my heart would have such a sense of justice."

"Nonsense, how could that be possible? How could Wu Tian allow Liu Yueyao to speak up for him?"

The men in the entire class nearly caused a sensation.

Normally, it would be hard for them to even take a look at Liu Yueyao. They would never have imagined that the goddess would suddenly appear in their class today.

Lee Meng's expression was hideous. "Liu Yueyao, what do you mean with this?"

Wu Tian was also very curious.

He didn't know Liu Yueyao at all. Why would she speak up for him?

"It's nothing. I just thought you were pretty funny." Liu Yueyao caressed her falling hair and smiled indifferently, "I'm afraid you still don't know that the Huiyue Restaurant at the side of the school is my family's, right?"

Hearing this, Lee Meng's expression became even more unsightly, a trace of jealousy appearing in her eyes.

Huiyue Restaurant's fame spread far and wide throughout the entire city, and Liu Yueyao was actually the boss' daughter.

She couldn't afford to offend this kind of rich person.

However, Lee Meng didn't want to lose face either as she braced herself and retorted, "So what? Are you here to show off your wealth?"

"You're too shallow. Showing off my wealth to people like you would only lower my level." Liu Yueyao looked gentle, quiet and beautiful, but her tone was much more imposing than Lee Meng's. She continued, "Last night, someone bought my family's Huiyue Restaurant."

"What does that have to do with me!" Lee Meng became even more confused.

"Of course it has something to do with you, because the buyer is your class' Wu Tian. His level really isn't something a person like you could guess." Liu Yueyao's words were like a bomb that exploded on the ground.

At the same time, the whole class was filled with the hissing sound of someone inhaling cold air.

All eyes were on Wu Tian in an instant.

"Oh my god, this can't be true!"

"Isn't he a poor plebeian? How could he have so much money when he used to be so poor that he would gnaw on steamed buns? "

"We were wrong. Wu Tian is actually a tycoon. Could it be that he was purposely putting on an act?"

"Your faces look ridiculous right now!"

In an instant, the entire classroom was filled with commotion. No one doubted what Liu Yueyao had said because there was no reason for her to lie at all.

Wang Hong was dumbfounded.

He didn't think that the matter of Sunn Xiaohao and Jiang Wan saying that Wu Tian bought the Huiyue Restaurant last night was actually true.

If it wasn't for Liu Yueyao personally revealing this matter, he wouldn't have believed it even if he had been beaten to death.

All of a sudden, Wang Hong's heart was full of regret. He wished he could slap himself hard in the face for running away last night.

Right now, Wu Tian must be hating him in his heart.

Lee Meng, on the other hand, was even more shocked. She fell on her seat, her face ashen as she muttered to herself, "How could this be?"

Liu Yueyao couldn't be bothered to look at Lee Meng's expression anymore. She walked straight into the classroom and stretched out her hand towards Wu Tian. "Wu Tian, thank you for helping my dad obtain the necessary funds in time. My dad specifically asked me to invite you to my house for dinner tomorrow night."

"Ah, alright. Please thank Mr Liu for me." Wu Tian felt a bit awkward. He didn't reach out to shake Liu Yueyao's hand. After all, they weren't familiar with each other.

Liu Yueyao, however, didn't mind at all. She stretched out her hand and casually lifted it up, bringing with it a few strands of fragrant hair, looking extremely coquettish.

"Then I'll pick you up from school tomorrow." With that, she waved at Wu Tian and left the classroom.

It wasn't until she walked out of the room that the crowd was able to react.

"They've never heard of Liu Yueyao being so nice to anyone. That smile is really intoxicating."

"It's over, it's over. Liu Yueyao has fallen in love with Wu Tian. The whole school's men will probably get drunk because of the heartbreak."

"Wu Tian is what you call him, huh? You don't have the qualifications to call him that way. You should call him young master Wu!"

"Young master Wu is so broad-minded. He will definitely forgive me. We're classmates after all."

With Liu Yueyao, Wu Tian immediately became the focus of attention.

Everyone who had been laughing at him a moment ago began flattering him.

Looking at these people, Wu Tian couldn't help but feel a little disgusted.

When he was poor, they used to make fun of him. Now that he had money, they all came to curry favor with him. Human nature is so ugly.

Lee Meng was sullen. At this moment, she had lost all her face.

"Just because you have money, you think you're amazing. Wu Tian, just you wait, I'll definitely teach you a lesson." Lee Meng's heart was filled with resentment.

After the classes at noon ended, Wang Hong quietly walked to Wu Tian's side.

"Young master Wu, we're from the same dorm after all. I've offended you in the past, so I'll sincerely apologize to you," Wang Hong said with a disgusting smile on his face.

"There is no need. You didn't do anything worthy of apologizing." Wu Tian smiled faintly.

"Actually, I have something to ask of you." A hint of joy appeared in Wang Hong's eyes.

"What is it?"

"My dad's been doing a bit of business lately, and he has some problems with money." Wang Hong followed behind Wu Tian with a stooped back and a flattering look on his face as he continued, "Young master Wu, you look like a tycoon. We are in the same dorm, so could you lend some money to my dad?"

Wu Tian suddenly had the urge to laugh.

This guy was really realistic. He ran faster than a rabbit last night and usually spoke ill of him.

He even wanted to borrow money.

"Sorry, my money didn't come from nowhere, so I won't lend it to you." Wu Tian coldly refused as he called Sunn Xiaohao and Jiang Wan over to the cafeteria.

Wang Hong's flattering smile suddenly disappeared.

After the afternoon classes.

After school, Wu Tian, Sunn Xiaohao and Jiang Wan headed to the dormitory building.

It was then that they saw Lee Meng's boyfriend, Zhao Yang, walk around the corner accompanied by three thugs with colourful hair and tattoos on their arms.

Zhao Yang hugged Lee Meng's waist with an arrogant expression.

"Wu Tian, I heard you're rich. Wow, you even dare to bully my woman!"

"I let you go yesterday, but it seems you don't know how to behave."

"You're just a little nouveau riche that doesn't know his limits. It seems I need to personally teach you a lesson."

The thugs made Sunn Xiaohao very nervous; however, he did not step back and instead stood in front of Wu Tian as he said, "What are you doing? We're at school."

Jiang Wan took out his phone and was about to call 110. "I'm going to call the police. Don't act recklessly."

"These two brats are courting death." The three thugs smiled at each other, then walked forward and pushed Sunn Xiaohao and Jiang Wan out of the way.

"You dare call the police? Wu Tian, kneel in front of me today, kowtow three times and I'll let you go." Zhao Yang let go Lee Meng from his arms and walked towards Wu Tian with an evil grin as he continued, "Otherwise, you won't be able to stay in this school anymore."

"Boss, what are you talking to him about? Let me slap him a few times first." One of the thugs was about to attack.

"I want to see who dares to move." At this moment, a sneer sounded out.

Loong Yun, who wearing a business suit and silk stockings on her long legs, had an arrogant expression on her face as she walked over from afar accompanied by four bodyguards in black suits and sunglasses that were as sturdy as a bull.
