

## Hidden Billionaire Chapter 551 - Relieving in Danger

### C551 Relieving in Danger

When Wu Tian woke up again, the whole world was pitch black. It was shaking non-stop as if he was trapped in a dark, sealed cradle, shaking slowly and rhythmically.

After an unknown period of time, he fell into a deep sleep.

When Wu Tian woke up again, he was still shaking in a closed black cradle. However, there was a soft thing beside him.

As the space was pitch black and completely devoid of light, Wu Tian couldn't see anything clearly. He could only extend his hand to feel the soft object beside him.

It was plump, soft, and very comfortable to the touch. Unexpectedly, it was quite elastic. Could it be ...

"You beast, don't touch me!"

A woman's mournful cry suddenly came from the pitch-black space. The sound reverberated non-stop from the 'cradle', one after another.

It seemed like Wu Tian was right, he touched the soft and erect part of the girl just now, no wonder it was so elastic.

"Could it be her?" Wu Tian muttered to himself. He recalled that the girl who was just kidnapped by Zhou Da Qiang was probably the little sister of Lee Qiang, Li Dan, who was lying beside him.

How could I lie with her? What kind of place could this be? How could it be so dark? And what happened just now?

The series of doubts made Wu Tian feel at a loss. He really wanted to know the answers, but the more he wanted to understand everything, the more confused he would be.

"Right, are you alright?" Wu Tian tried touching the girl beside him.

"You scoundrel, don't touch me." His hand had just touched the young girl's neck when he heard Li Dan's shrill and clear cursing.

"Don't misunderstand, I was just thinking ..." Wu Tian wanted to explain, but he didn't know how to explain it.

"Bad guy, don't touch me, I hate you ..." Li Dan's angry curses became louder and louder. Her voice had already become hoarse.

From the looks of it, she did not know Wu Tian's identity and completely treated him as a bad person.

"Did you bring your cell phone?" Wu Tian asked the girl.

"Don't, don't come over ..." Li Dan's voice had a hint of pleading in it, and her voice was slightly trembling.

Wu Tian switched to a kind tone, "I'm not a bad guy, don't be scared."

"There are still good thugs in this world?" Li Dan's body had just been grabbed by Wu Tian. In her heart, the man in front of her was a complete and utter hooligan.

"Don't misunderstand, I'm not a hoodlum. I'm your brother's classmate. My name is Wu Tian." Wu Tian's tone was a lot gentler as he tried his best to act like a good person.

"Wu Tian ..."

Li Dan muttered this name, and she muttered to herself, "I seem to have heard of this name."

"Your brother told me to come and save you."

"Is that so?"

"Right." Wu Tian nodded and continued to explain: "Your brother is out of the city, so he specifically told me to come and save you."

"Thank you, thank you so much this time." Upon hearing that Wu Tian was his brother's classmate, the cowardice in Li Dan's heart instantly disappeared as she opened her mouth to thank him.

"Right, where are we now?" Wu Tian couldn't help but ask.

He didn't know what had happened after he had been knocked out by Lee Fenfaang.

"We fell into a secret compartment on the second floor. I'm not sure where exactly it is." Li Dan's tone was extremely gentle.

"Alright!" Wu Tian didn't pursue the matter further and changed the topic. "How did you get kidnapped by Huang Jinzhou's brother?"

"I work for the Liu Group. The boss asked me to send some documents to Huang Jinzhou, but they kidnapped me for no reason. They wanted to use me to deal with the boss, Liu Jun." Li Dan explained incoherently.

"So that's how it is." Although Li Dan didn't explain it clearly, Wu Tian immediately understood what she meant.

To put it bluntly, Li Dan was a subordinate of Liu Jun. Huang Jinzhou got someone to kidnap Li Dan because he wanted to give Liu Jun a good show of strength.

"Then what should we do now?" Li Dan asked gently.

"Don't worry, I'll think of something." Wu Tian knocked on the wall, then raised his leg and kicked the cabinet hard, causing it to have a big hole.

When they found the exit, Wu Tian quickly took Li Dan and escaped out of the hole.

After coming out, Li Dan tidied up her dress and thanked Wu Tian once again, "Brother Wu, thank you so much for saving me this time."

"No problem, let's quickly get out of here." Wu Tian couldn't be bothered to waste his breath and quickly dragged Li Dan's arm away from this place.

He first sent Li Dan home, then called Lee Qiang.

When Lee Qiang found out that his sister had escaped danger with Wu Tian's help, his heart was especially grateful as he opened his mouth to thank her.

After the call, he went to the hospital to apply the medicine.

His injuries were all caused by Lee Fenfaang. He swore to himself that he would teach this bitch a lesson sooner or later.

Fortunately, his body was covered in superficial wounds. After applying the medicine, he went to the workers' market to buy a set of clean clothes to change into.

Next, he should think of how to deal with this old fox, Huang Jinzhou. Since the old guy took the initiative, then he didn't need to be lenient. He must think of a way to defeat this old thing.

Over the next few days, Wu Tian didn't go anywhere and just stayed in the Aifei Castle Villa to cultivate Alien Fist.

However, the results of the past few days were not good. His cultivation of Alien Fist had encountered a bottleneck and he had not progressed much.

Fortunately, Wu Tian didn't give up. He persisted in his training every day, and was a hundred times more hardworking than usual.

On Saturday afternoon, Loong Yun knocked on his door. "Young Master, there's a banquet I need you to attend."

"What banquet?" Wu Tian wiped off his sweat, walked over and sat on the sofa, then looked up at Loong Yun.

"It was a banquet specially arranged by Cheng Yaotian for you."

"Who is Cheng Yaotian?"

"It's the CEO of Dacheng International, and also a branch under our family." Loong Yun patiently explained, "He had helped Young Master a lot in secret before, which was why he held the banquet. I hope Young Master can attend."

"Where is it?"

"Guluo Villa."

"Alright, I'll be there in a bit." After saying that, Wu Tian turned around and went into the bathroom.

When he walked out of the bathroom and saw Huang Lan in her room, he couldn't help but ask, "Elder Sister Lan, why are you off work so early today?"

"I'll accompany you after work this Saturday." After saying that, Huang Lan wrapped her arms around Wu Tian's arm, "Come, let's go out to eat."

"I don't have time today. I have to go to Gonggong Villa for the banquet."

"Is that so? Why don't I go with you? "

"No problem." With Elder Sister Lan accompanying him, Wu Tian naturally wished for nothing more.

Originally, he wanted Secretary Loong to go with him. Since Elder Sister Lan was fine, it would be good if he brought her along.

"Wait a moment, I'll go change first." Having said so, Huang Lan turned around and went back to her room to change.

Afterwards, the two of them left Eiffel Castle and drove towards Guluo Villa.

## **Hidden Billionaire Chapter 552 - Attend Dinner**

### **C552 Attend Dinner**

Half an hour later, Wu Tian and Huang Lan came to Guluo Villa, this area was a recreational holy land in the outskirts of Jiangnan District, and a large area of ancient maple trees created a unique and beautiful scenery, making this place a gathering area for luxurious villas within the Luzhou.

The Guluo Villa was also wrapped up by the bizarre looking, leafless old Huang Feng. From afar, it looked like an ancient divine lamp, shining with a brilliant light.

The area of the Guluo Villa was very large, and from a glance, it was at least thirty thousand square meters. The exterior of the villa was inlaid with light yellow Stone of Insight, both grand and low key.

Inside the manor, there were large areas of man-made lakes and rockery. There were all kinds of precious trees planted there, as well as large areas of man-made grasslands. It was simply a mythical kingdom.

At the innermost part of the villa was a white castle filled with all kinds of luxury cars. It seemed that tonight's banquet would be held here.

Huang Lan parked the car in front of the villa, and the two of them got out of the car and walked towards the entrance of the villa.

There were eight waiters standing in two rows in front of the villa. They were all dressed in purple, and each of them was more eye-catching than the other. Behind them, there were also people playing music, specifically to welcome the guests.

"Beautiful lady, sir, good evening. Welcome to our Guluo Villa. Please show your invitation card." The waiter walked in front of them, smiling sweetly. Her mouth was as sweet as honey.

For a banquet with such high standards, one simply didn't have the qualifications to attend if one didn't receive an invitation. For a banquet hosted by such an awesome character like Cheng Yaotian, not many people were invited. Most of them were business and political leaders.

"What invitation card?" Wu Tian frowned in confusion.

Secretary Loong had only informed him to attend the banquet and hadn't mentioned the invitation card.

Hearing this, the female receptionist withdrew her smile, looked at Wu Tian carefully with a sullen face, then asked again with a frown, "Sir, you can only attend the banquet after you show your invitation card."

The receptionist thought Wu Tian was joking with her, so she patiently explained. After all, those who were invited were all influential people, and she couldn't afford to offend them.

"I don't have an invitation card." Wu Tian shrugged with a serious expression.

"You don't have an invitation?"

The female receptionist let out a cry of surprise and her expression immediately darkened. The other seven smiling faces behind her also darkened as they stared at Wu Tian with looks of disdain.

People said that women change their faces quickly, and this matter was indeed true. Just a moment ago, they were still smiling brilliantly at him, but in the blink of an eye, their expressions all darkened.

"Since you guys didn't get the invitation card, hurry up and f \* ck off. Otherwise, I'll call the police." The waiter's face turned ugly on the spot, and she mercilessly shouted at them.

When many customers heard this, they all gathered around and began to criticize them, as if they were watching a great joke.

"He's dressed like a beggar, and he still wants to attend the banquet. What a joke."

"I didn't expect that in this era, there would be someone who would swindle food and drink. What a scum."

"Li-jie, I think that kid looks pretty good. Why don't you spend some money to support him ..."

Everyone started talking among themselves as they surrounded Wu Tian and discussed non-stop. Their discussions were filled with a sense of sarcasm.

"Go and call out Cheng Yaotian. He invited me to the banquet." Wu Tian ignored the ridicule from the crowd and said in a commanding tone.

"Who do you think you are? You should know your limits. You don't have the qualifications to ask our boss to meet you." Under the crowd's encouragement, the waiter became even more unrestrained, actually swearing in public.

Wu Tian wiped off the cold sweat from his forehead and sighed in his heart. This waiter was very young, fair and pretty, but she spoke in an uncivilized manner. If he had the time, he would definitely teach her a lesson.

At this moment, wild laughter came from behind him.

The laughter came from Huang Jinzhou. He was walking towards them with a woman in his arms. Finally, he stopped in front of Wu Tian.

Wu Tian really did not expect that Huang Jinzhou would also come to participate in this banquet. The two of them meeting here really made Wu Tian unhappy.

"Do you know what this is? "This is an invitation card ..." Huang Jinzhou took out a gold-plated card and shook it in front of Wu Tian, revealing an extremely despicable face that made people feel disgusted.

With Huang Jinzhou's identity, getting this invitation card wasn't difficult at all.

Before Wu Tian could say anything, Huang Jinzhou asked with a sarcastic tone, "Since you don't have the invitation card, do you want me to bring you in?"

"I don't have an invitation card, but I can still go in. And I can go in before you, do you believe me?" Wu Tian's tone was filled with confidence.

"Alright, let's make a bet, the person who goes in late is a dog." Huang Jinzhou waved the invitation card in his hand and pushed Wu Tian away. Then he strode into the mansion with his girlfriend, "Just wait to be a dog ..."

After walking a few steps, Huang Jinzhou came back. He looked at Huang Lan with disdain, "Miss Huang, do you want me to bring you with me?"

"I don't need it." Huang Lan snorted coldly and turned her face away in disgust.

To tell the truth, she was sick of this disgusting old man.

"Then you should just accompany Wu Tian here to embarrass yourself." After saying that, Huang Jinzhou walked into the mansion with his girlfriend in his arms.

Huang Jinzhou had just taken a few steps when he almost collided with a middle-aged man. Luckily, he had "braked" in time, but the girl in his arms had fallen into the arms of the old man.

Since his woman was taken advantage of by another man, Huang Jinzhou naturally wanted to vent his anger. However, he only cursed half a sentence before stopping.

The old man in front of him was none other than the owner of the Guluo Villa, the CEO of the Large Success International, Cheng Yaotian.

"Sorry, President Cheng, I was blind before, I didn't see it was you." Huang Jinzhou was so frightened that he broke out in a cold sweat. Even his lips were trembling.

"You're the first person who dares to scold me like that." After saying this, Cheng Yaotian waved to the bodyguards behind him.

The two bodyguards walked in front of Huang Jinzhou with tacit understanding, picked him up and threw him outside the mansion. He fell right at Huang Lan's feet.

Seeing Huang Jinzhou in such a sorry state, Huang Lan couldn't help but laugh out loud. If it wasn't for her having to care about her face, she would have kicked him hard a few times.

"Boss Huang, does your fall hurt? Do you want me to help you?" Huang Lan was also gloating. It was clear that she meant the opposite of what she said. Her tone was full of sarcasm.

"You ..." Huang Jinzhou clenched his teeth. His body trembled from anger and his eyes widened.

While everyone was looking at Huang Jinzhou in ridicule, Cheng Yaotian opened his mouth to speak.

"Everyone, thank you for taking the time to attend my dinner. You are all my guests and should be treated well. But today, there is an important guest that I need to personally receive." At this point, Cheng Yaotian turned his gaze to Wu Tian, "His name is Wu Tian, he's my esteemed guest."

Having said so, Cheng Yaotian walked in front of Wu Tian and held his shoulders intimately.

## **Hidden Billionaire Chapter 553 - Distinguished Guests**

### **C553 Distinguished Guests**

Hearing this and seeing this action, everyone was dumbfounded. They didn't expect this young man who wore cheap clothes and didn't have an invitation card would be President Cheng's most respected guest. President Cheng even put his arm around his shoulder in such an intimate manner. Ordinary people did not have such treatment.

One cannot judge a person by his appearance. No one would have thought that this ordinary looking youth would have such a great background.

If they had known earlier, they would have done everything they could to curry favor with him. How could they possibly be watching a joke here?

Those customers who had mocked Wu Tian earlier all felt that there was a sharp sword hanging over their heads. Offending Cheng Yaotian, they would definitely not have a good ending.

At this moment, the most afraid were none other than the several female attendants. They all lowered their heads, and were so scared that cold sweat broke out on their foreheads and their bodies trembled.

If they offended Cheng Yaotian, the consequences would be very serious.

"Guests who have just been rude to my esteemed guest, please leave as soon as possible." Cheng Yaotian swept a glance over everyone and continued, "In addition, several welcoming ladies who have insulted Mr Wu, it's best that you leave the Luzhou as soon as possible. Don't let me make a move."

Although these words were very plain, it was like a life urging incantation. His words shook many people to the point that their hearts tightened, and the atmosphere became very solemn.

"In my opinion, let's just forget about it." Wu Tian's plain words broke the tense atmosphere.

These words made everyone present cast a peculiar gaze at Wu Tian. They never thought that this young man would be so generous. He didn't have any resentment towards the people who had mocked him just now.

"Alright, for Mr Wu's sake, let's just forget about today's matter."

Normally, with Cheng Yaotian's personality, he would never let go of these people who mocked and ridiculed Wu Tian. However, Wu Tian's casual words completely changed President Cheng's attitude. It was evident how important Wu Tian's position was in Cheng Yaotian's heart.

Cheng Yaotian made a gesture to invite him in. Wu Tian was not polite at all. Under everyone's envious eyes, he walked towards the villa.

Huang Lan followed closely behind, as arrogant as a peacock.

When Wu Tian passed by the waiter, he heard the waiter say thank you. Her voice was very low.

Wu Tian slightly turned his head and glanced around. He noticed that the waiter was bowing his head and his face was flushed red.

After entering the villa, Wu Tian sent Cheng Yaotian away and wandered around the villa by himself.

The villa was already packed with guests. They were all very beautiful, especially those women. They were all wearing evening dresses, looking especially attractive.

Wu Tian found a conspicuous seat and sat down, accompanying Sister Lan in drinking and chatting.

The moment he sat down, a beauty walked over.

Finally, Wu Tian's gaze stopped on her fair and pretty face.

Wu Tian hadn't expected the woman to be Su Ruyun, or Police Officer Su to be present at the party.

"Don't keep staring at me with that disgusting look." At this moment, Su Ruyun had already walked up to Wu Tian and reprimanded him with a tone of shame and anger.

"Police Officer Su, then please don't tempt me with your seductive gaze." Wu Tian retorted confidently.

"Nonsense, who seduced you?"

"If you didn't seduce me, why are you blinking at me?"

"I ..." Su Ruyun was a bit speechless. Even normal people would blink. How could this act be considered temptation?

"Look, you're tempting me again." Wu Tian pinched his chin and stared into Su Ruyun's beautiful eyes.

For some reason, he couldn't help but want to tease this woman.

Su Ruyun felt very uncomfortable being stared at by Wu Tian like that. Her eyes blinked faster and faster. She clenched her fist and wanted to hit Wu Tian.

"I don't understand. There are so many men here, why do you have to do this to me?"

Su Ruyun was so angry that she was at a loss for words. She exhaled and simply turned her head to the side, refusing to meet Wu Tian's gaze.

"You're still flirting with me, I'm about to faint because of you ..." Wu Tian shouted in a mystifying manner, as if he was really electrocuted by a high voltage electricity.

"Wu Tian, don't go too far. I didn't even look at you, how did I end up flirting with you again?"

"You didn't use your eyes this time, but your breasts are so powerful that I can't handle them."

Su Ruyun understood the meaning of Wu Tian's words immediately. She was so angry that her teeth were itching. She wasn't this bastard's opponent. If she turned her back on Wu Tian now, this bastard would definitely say that her butt was flirting with him.

Anyway, Wu Tian's mind was always full of dirty and perverted thoughts.

"Despicable, shameless." Su Ruyun cursed a few times in a low voice before she quickly left. Every time she saw Wu Tian, she would get angry. Damn it.

Seeing Su Ruyun's figure disappearing in front of his eyes, Wu Tian secretly praised her, "Her butt is so soft and pretty. I didn't expect Su Ruyun to be so charming."

After waiting for nearly half an hour, before the banquet had even started, Wu Tian was already dazzled by the variety of beauties. He felt a little sleepy, so he stretched his body and went into the washroom.

As soon as Wu Tian entered the washroom, before he could close the door, a pretty girl with thick makeup suddenly barged in.

This is Huang Jinzhou's girlfriend, what does she want to do?

The young girl who walked into the washroom was Huang Jinzhou's female companion. Wu Tian had already met her at the villa's door.

"You found the wrong place, Huang Jinzhou is not here." Wu Tian thought that the young girl came to find Huang Jinzhou, so he kindly reminded her.

The girl did not stop her steps. Instead, she twisted her slim waist and sat beside Wu Tian, "I'm not here to look for Huang Jinzhou. I've already abandoned him."

As the young beauty spoke, she placed her slender arm on Wu Tian's shoulder, revealing a coquettish smile, "I came specifically to look for you. I really didn't expect you to be President Cheng's VIP. You were too impressive just now."

Wu Tian couldn't stop coughing due to the strong perfume smell on the girl's body. He quickly moved her arm away and kept it at a distance as he warned, "Stay away from me, don't dirty my clothes."

"Am I your type?" The young girl stuck out her chest. Her clothes couldn't cover her beautiful breasts at all.

## **Hidden Billionaire Chapter 554 - Makes It Self-defeating**

### **C554 Makes It Self-defeating**

Wu Tian swept his gaze at the girl. He then reached out his hand to touch his nose, and the corner of his mouth curled up into a naughty smile.

"You smell a little bad?"

"Big brother, I used limited edition perfume, you must have smelled it wrong, why don't you smell it again!"

After saying that, the girl suddenly approached Wu Tian, and her white breasts instantly pressed against Wu Tian's chest.

The young girl's red lips were filled with boundless temptation.

He didn't expect this woman to suddenly get so close to him. Wu Tian took a step back and reached out his hand to block the woman's attack.

"Sorry! I'm not interested in women who take the initiative to get close to me! "

After saying that, Wu Tian turned around and left the washroom, returning to the banquet hall. The men and women on the dance floor had already started to move their seductive bodies.

Wu Tian looked back and saw Huang Lan sitting in the corner, waving at him.

Wu Tian looked around the dark corner and walked towards Huang Lan.

At the same time, Wu Tian noticed that Su Ruyun wasn't invited. She sat quietly in the corner, looking at the center of the dance floor.

The girl, who arrived later, saw Wu Tian sitting on the seat beside Huang Lan, and a hint of jealousy appeared on her face.

She walked over, smiling, and held out her hand.

"Big Brother, spending a night with a beauty is very precious. We have already come to such an occasion — how about we dance?"

Wu Tian glanced at the hand that was stretched out in front of him. He then pulled Huang Lan over and hugged her small waist.

"Sorry! I already have a partner! "

The young girl cast a glance at Huang Lan, who was as arrogant as a peacock, and glared fiercely.

"Aren't you Boss Huang's partner? Why are you alone? "

Huang Lan said in a mocking tone. She then pulled Wu Tian down and sat him down, ignoring the young girl's embarrassed face.

At this moment, Su Ruyun also saw Wu Tian. He put his hand on Huang Lan's small waist.

Su Ruyun glared fiercely at Wu Tian and immediately scolded him in a low voice.

"Scum, if you see women, you'll take the initiative to get close to them!"

The moment she finished speaking, she saw Wu Tian look at her. She immediately turned her head to the side.

When the young girl saw that Wu Tian's gaze was attracted by Su Ruyun, she really wanted to jump in anger.

At this moment, a middle-aged man walked towards Su Ruyun.

"Miss, can you dance with me?"

he said, extending his hand in invitation.

Su Ruyun was about to open her mouth to refuse, but when she saw Wu Tian's probing gaze, she immediately stood up and stretched out her hand towards the man.

"Wait a moment!"

Wu Tian's cold voice was heard. The middle-aged man and Lili were stunned for a moment as they looked towards him.

Wu Tian stood up and walked forward as he looked at Su Ruyun with glowing eyes.

"So Police Officer Su can dance?"

Su Ruyun turned around and glared at him.

"What has this got to do with you?"

Su Ruyun immediately walked to the center of the dance floor with the man.

The young girl already knew that Wu Tian's attitude towards Su Ruyun wasn't ordinary. She immediately planned to humiliate Su Ruyun in public.

The girl took out a few marbles from her pocket and rolled them towards Su Ruyun's feet.

Su Ruyun didn't discover this. She stepped on the marble and slipped — the man beside her hadn't had time to react.

Su Ruyun had already fallen backwards onto the ground.

Wu Tian quickly took a step forward and Su Ruyun's soft body instantly fell into his embrace.

"I didn't want to care about you, but you fell!"

After Wu Tian said this, he held Su Ruyun's soft body and spun around. Then, he stood still.

Her soft pink lips were very close to his. The sight of her mouth looking like an alluring cherry, coupled with her shy face, was enough to make him imagine.

Su Ruyun wanted to push him away, but Wu Tian's body was like a mountain that couldn't be pushed away.

An ambiguous scene instantly appeared in front of everyone, startling them so much that they all stopped dancing.

"Wu Tian is so considerate!"

"Why am I not the one keeping a low profile?!"

Wu Tian naturally heard the whispers of the two women who liked handsome men.

When the middle-aged man standing beside Su Ruyun saw the two of them so close to each other, his teeth started to itch with hatred.

However, he knew that Wu Tian was Chen Yaotian's VIP. He did not dare to make a sound, nor did he dare to make any other movements. He had a helpless expression on his face.

The girl not far away stomped her feet in anger.

She originally wanted to embarrass the woman, but she didn't expect Su Ruyun to get close to Wu Tian.

"Let me go!"

Su Ruyun struggled as she lowered her voice, roaring in rage.

"Since you've already thrown yourself into my arms, why don't you dance with me? Your unruly appearance makes me like it even more! "

Wu Tian couldn't help but mock her as he looked at her shy face.

"You ..."

Su Ruyun was so angry that she could only spit out one word. She didn't know what to say.

What happened just now was clearly an accident. This matter couldn't be considered as her taking the initiative to throw herself into his embrace.

As long as she met Wu Tian, bad things would happen one after another. If she was given a choice, she definitely wouldn't want to meet Wu Tian.

"You used your little eyes to seduce me again!"

Wu Tian said as he grabbed her waist and brought her to the center of the dance floor.

The music from the mountains and flowing water began to sound out.

In the middle of the dance floor, a woman turned her head to the side and a man whispered in her ear. This scene attracted everyone's attention.

"I thought Police Officer Su's flirting was unintentional, but I didn't expect you to do it on purpose!"

Seeing Su Ruyun's refusal, Wu Tian intentionally flirted with her in her ear.

Wu Tian's warm breath landed on her neck, making Su Ruyun extremely uncomfortable.

\*

The young girl let out a cold harrumph and prepared to leave, but Huang Lan caught sight of everything that had happened.

"Little girl, don't expect rich people like Wu Tian to like you. You should know your limits. You'd better behave yourself."

Huang Lan mockingly turned around and returned to her seat. Seeing how close Wu Tian and Su Ruyun were, she felt a little uncomfortable.

The girl glared fiercely at Wu Tian. She turned around and walked to the opposite side of the dance floor. When she got closer to Wu Tian's seat, she threw a few marbles at him. The marbles rolled all the way to Wu Tian's feet.

"Let me go!"

Su Ruyun tried to push Wu Tian away once again, but this time, she succeeded.

However, the moment she turned around, she immediately stepped on the marble on the ground and fell into Wu Tian's arms.

Wu Tian and Su Ruyun's positions were reversed. He instantly pulled her into his embrace, his entire body pressing down on her.

The surrounding people were dumbstruck.

Chen Yaotian stood in the corridor of the second floor and watched everything that happened downstairs. The corner of his mouth raised into an exploratory smile.

"This Wu Tian really has some skill in picking up girls!"

He then said to the secretary beside him.

"After the banquet ends, please invite Boss Wu to my office for me!"

After saying that, he turned around and walked towards the office.

The music in the middle of the dance floor suddenly stopped.

Wu Tian brought Su Ruyun back to a dark corner.

Su Ruyun pushed Wu Tian's hand away and returned to her seat. Unknowingly, a glass of juice had already been placed in front of her.

Her mouth was dry. She reached for her goblet, turned her head to one side, and drank most of it.

Wu Tian snickered as he watched.

"Boss Wu, our Director Chen invites you to his office for a chat!"

Wu Tian nodded and followed his secretary up the spiral staircase.

At this moment, Su Ruyun only felt her body heat up and her head start to faint!

## **Hidden Billionaire Chapter 555 - Playing with the Sex Fiend**

### **C555 Playing with the Sex Fiend**

Sensing that something was wrong, Su Ruyun immediately stood up. She lost her balance and almost fell to the ground.

Huang Lan stepped forward to support her.

"Miss Su, are you alright?"

Su Ruyun raised her head to take a look. The person supporting her was the woman who was held by Wu Tian by his waist. She instantly felt extremely disgusted.

She shook Huang Lan off.

"I'm fine!"

She struggled to utter these two words before immediately walking towards the bathroom. She felt her whole body burning, and every step she took was extremely difficult.

At this moment, the middle-aged man that had invited Su Ruyun to dance swiftly followed behind her, sneaking around stealthily.

When she reached the bathroom, Su Ruyun casually washed her face. She still felt that her whole body was burning. She reached out her hand to tug on the collar of her dress.

Still feeling dizzy, she lost her balance and took a step back.

The man that followed her here had a vulgar expression.

He stepped forward and supported Su Ruyun, who was on the verge of collapsing.

"Miss, are you alright?"

At the same time as he asked, a pair of dirty eyes continuously swept over the faintly discernible business line in Su Ruyun's collar.

Su Ruyun forced herself to open her blurry eyes. She looked at the people in front of her, and saw two figures.

She immediately realized that there was definitely something wrong with the glass of wine she had just drunk, but it was too late to pursue the matter.

She was already thankful that she didn't make a fool of herself.

"Can you help me out of here and walk me to my room upstairs?"

The banquet hall was held in the hotel with the largest S City, and the 2nd floor was the presidential suite.

At this moment, the man revealed a vulgar smile.

"No problem, I'll help you up right now!"

After he finished speaking, he helped Su Ruyun up the spiral staircase on the other side, carefully scanning the surroundings, afraid that they would be discovered.

Huang Lan didn't notice this and returned to her seat. She slowly sipped the red wine and waited for Wu Tian to come back.

Wu Tian walked up the spiral staircase. Under the guidance of his secretary, he pushed open the door and entered the luxurious office.

The large office was spotless, with brightly lit French windows and shutters.

The white floor seemed to give off shadows. The computer on the desk and all the other office equipment were there.

When Cheng Yaotian saw Wu Tian enter the office, he immediately stood up to greet him.

"Boss Wu, over there!"

He gestured towards the Italian leather sofa, his respectful expression hard to conceal.

"Don't call me that, it's better to call me Wu Tian!"

Wu Tian did not like to be in the limelight, so he immediately corrected what the other person called him.

"Wu Tian, you are too low-key. You are the only successor to Wu Family to begin with, so there is no need for you to be so low-key."

After Cheng Yaotian finished his speech respectfully, he filled the teacup in front of Wu Tian with tea at regular intervals.

He thought to himself, in today's society, it would be hard to find someone as low-key as Wu Tian.

He took a sip of the tea and slowly put it down.

"To keep a low profile is the foundation of being a person!"

After a pause, he continued.

"Boss Cheng, I wonder why you specifically invited me upstairs?"

"I don't have anything else to do. I would like to trouble you with the matter of the Tianyao Building Company signing a contract with your company's real estate!"

Skylight Construction Company was a company that Cheng Yaotian had just established. It wanted to sign up to enter the Wu Family Real Estate Industry.

However, he had never dared to directly enter the company to bid. After all, the new company he just established didn't have much prestige.

"Boss Cheng, the new bidding is already in progress. There will be a bidding competition soon. You just have to be brave enough to participate!"

Wu Tian's words gave Cheng Yaotian great hope. In any case, the real estate development couldn't be separated from the construction company.

It was the same for anyone, let alone Cheng Yaotian who was more reliable than any other construction company. He was naturally the first to choose.

"Young Master Wu, then I'll thank you again!"

After saying that, Cheng Yaotian stood up and bowed deeply, even though he was the owner of this Spiral Villa.

However, these days, no one would complain about having too much money. He wanted to put the newly formed Skylight Construction Company on the right track.

And if he had the Wu family's multinational company as his background, he would be able to lead the way in this city.

"Then I'll be leaving first. It's still bustling down there!"

Su Ruyun's shy face appeared in Wu Tian's mind. He stood up immediately and said.

The moment he stepped out of the presidential suite, he saw Su Ruyun being helped into the room by the man from before.

Wu Tian immediately hid behind the huge pillar in the corridor. When he saw that Su Ruyun seemed to be different from before, he instantly felt that something was wrong.

He followed the man up to the third floor.

The second floor was the presidential suite, while the third floor was just an ordinary guest room!

The man pushed open the door of room 318 and laid Su Ruyun down on the bed.

He carefully observed the exalted beauty and almost drooled.

He was about to stretch out his hand to see if it was all right when the door to the room was suddenly pushed open from the outside.

"Stop!"

With an angry roar, the man jumped in fright. He quickly took two steps back and pointed at Wu Tian with a face full of anger.

"Who are you?"

"Who I am is not important. The important thing is that you are going to have bad luck today!"

Wu Tian's entire body released a cold aura. His aura, which was as high and mighty as an emperor's, instantly revealed itself.

"You ... Get out! "

When Wu Tian got close to the bed, the man shouted angrily.

No one here dared to interfere with his plans. This brat was still wet behind the ears and had actually followed him to his room!

Wu Tian glanced at the camera that was already installed in the room and smiled in disdain.

"Director Chen, this hobby of yours will eventually cause you to die without a burial ground. Do you understand?"

Wu Tian had already recognized the person in front of him. He was the multinational stock market director of Pei family's real estate group, Chen Hui.

This person had always been crafty and cunning, amassing money and having a lecherous personality. He was no different from Chen Kun.

"Scram!"

Hearing those words, Chen Yun Che, who had been interrupted in his good fortune, instantly became displeased. With a furious roar, he extended his hand and pointed at the door.

"I'm afraid I'm not the one going to scam!"

The moment Wu Tian finished, he grabbed his throat. He waved his palm left and right at him.

A resounding slap resounded throughout the entire room as Chen Yun's head was instantly smashed into a pig's head.

A bloody tooth fell to the ground with a violent cough.

Following that, Chen Yun Che half knelt on the ground and used his hand to cover his face that was in extreme pain!

"So hot!"

At that moment, Su Ruyun's delicate voice came from the bed, causing him to look up.

At this moment, Su Ruyun was pulling at the clothes on her chest, exposing her sexy collarbone. Her chest was faintly discernible and round, making one unable to look away from it.

Wu Tian's pupils contracted slightly, and with a kick on Chen Tianhao's chest, he roared out a single word!

"Scram!"

As if he had received an amnesty, Chen turned and ran out of the presidential suite.

Wu Tian watched as Su Ruyun ripped off her clothes. His blood was boiling, and his mouth was instantly parched.
