

Hidden Billionaire Chapter 631 - Toying with the Mind

C631 Toying with the Mind

Wu Tian knew very well that whether it was Azure Dragon or Wei Jiaming, the only methods they could use to force others to confess were those. If they asked about the useful items, little girl would most likely be left with only half a life.

As for him, there were other uses for him to keep Yin Rumeng. She was the most important chess piece that attracted Liu Zhendong. How could she use it up here?

"Then what should we do? This bitch is really stubborn. If I don't show her something good, she probably won't say anything. " Azure Dragon even glared at her again, which scared Yin Rumeng so much that her whole body trembled.

Wu Tian thought for a while, then squatted down and moved closer to Yin Rumeng, staring at her.

Yin Rumeng didn't know what he was planning to do. She only felt that Wu Tian's gaze was slowly scanning her body, and she suddenly felt that something was wrong. However, her body was firmly bound by Azure Dragon, so she could only twist it around.

"What are you afraid of? I'm not a rapist, so why would I touch you? " Wu Tian only felt that it was funny. He did like beauties, but that did not mean he liked second-hand goods. What's more, this was Liu Zhendong's woman.

Yin Rumeng felt a sense of relief when she heard Wu Tian, but soon after, she glared again because she saw Wu Tian starting to take off his pants in front of her.

"What are you doing? Didn't you say that you wouldn't touch me? " Yin Rumeng was both shocked and frightened. She desperately wanted to retreat, but her back was already pressed against the wall and there was nowhere for her to retreat to.

"I won't touch it. I just feel that it's a bit uncomfortable to wear this pair of pants. I'll just take it off and wear it again." As Wu Tian spoke, he put the pants back on as if nothing had happened.

However, this Yin Rumeng was scared half to death by his actions earlier.

Azure Dragon couldn't help but laugh. He just felt that this woman was narcissistic. She was someone else's lover, yet she was pretending to be chaste and pretty.

"What the hell are you guys doing?" Yin Rumeng couldn't hold it in any longer, her tears streaming down her face.

"We're not going to do anything, we're just going to stay here with you. Waiting for the time is almost up, then we will do what we need to do. " Wu Tian didn't do anything else. He just sat on the side of Yin Rumeng's bed and looked at her dressing table. Suddenly, he got interested and ran over to rummage through.

Yin Rumeng did not know what he was looking for. She raised her head and tried to look over, but Azure Dragon's strong body blocked her view.

"Don't move, as long as you are honest, we won't harm your life."

"Do you want money? There's a cabinet on my right, and there's cash in the second drawer! " Yin Rumeng said quickly. If these people were going to ask for money, she didn't need to keep it. They would find it sooner or later anyway. It would be better for her to take the initiative and say it out herself. Perhaps, she might even be able to gain some opportunities for herself.

"With just this little money, you can't even send a beggar away. What's more, do you think we are people who are short of money?" Azure Dragon laughed as he spoke. He and Wei Jiaming both felt that it was very funny. Perhaps another person would have listened to her thoughts.

However, Wu Tian was here this time. If it wasn't for the few billion, Wu Tian wouldn't have taken the risk for the sake of money.

"I found that there are a lot of bits in your drawer. Is your cup or C's? Why can't I see it? " Wu Tian muttered as he rummaged around, using his voice to torment Yin Rumeng.

Yin Rumeng also didn't expect this man to go through her underwear and even say such words, making her feel very ashamed.

This feeling was even greater than what she was currently afraid of. She only wanted to find a hole to hide in or hide her face.

However, she was unable to do all of this. She had to endure the mocking expressions from Azure Dragon and Wei Jiaming.

This Wu Tian was simply a devil. He might not torture a person physically, but he could make her wish she was dead.

"Wow, there's so much more. It's silk stockings and underwear. They all match up to your underwear, and you even have sex underwear. You and Liu Zhendong have fun playing together!"

Wu Tian didn't stop. On the contrary, he started to increase his attacks. His words were also more vulgar.

"Let me take a look. Is this your diary? What's the first article? What period of laying eggs? What kind of nonsense is this? Explain to me, what exactly is this writing thing?"

Wu Tian found a notebook from somewhere and opened it with interest. However, he was a bit puzzled by the one on the first page.

"I'm begging you, stop it." Yin Rumeng screamed at the top of her lungs. She really didn't want all of her secrets to be exposed in front of this man.

Although he didn't use any violent methods to rape Yin Rumeng, but he did use this method to make Yin Rumeng feel naked from head to toe, without any secrets.

"If you don't want me to say it, then you can. Answer the question I asked you just now."

"I say, the person that lives with me is called Liu Zhendong, and is the head of the Red Power and prestige group. That's all I know." Yin Rumeng was already on the verge of tears.

"What else do you know?"

Wu Tian nodded. It seemed that the woman's psychological defenses had broken down. She had completely given up on protecting the secret.

All secrets had to stand aside in the face of her private humiliation.

"I really don't know. He never talks about matters within the powers with me. He only complains about a few things often, but I don't understand either." It could be said that Yin Rumeng spoke everything she knew at this time.

Wu Tian was basically sure that what this woman said was all true. The things she knew were about the same.

"Alright, Azure Dragon, let her go."

Azure Dragon was surprised, how could he let go of that, "President Wu, that's not good, right? What if she tells us? "

Wu Tian smiled, he didn't care at all.

"She can do whatever she wants. We're not here to kidnap her."

This time, not only Azure Dragon was surprised, even Yin Rumeng was also a little surprised.

She really didn't understand what the man in front of her was thinking. There was not a single thing that he could do in a normal person's manner.

Azure Dragon had no choice but to let go of Yin Rumeng. Although it was like this, Yin Rumeng didn't dare to move as she looked at Azure Dragon's ferocious face, let alone notify Liu Zhendong. Even if she wanted to, it was actually very simple.

Hidden Billionaire Chapter 632 - Professional Means

C632 Professional Means

Previously, Liu Zhendong left a very hidden button in this room. It was beside the bed. If Yin Rumeng was in any danger or someone from her family broke in, she could use this button to notify Liu Zhendong.

However, now that Yin Rumeng had the opportunity, she didn't want to do this anymore.

She had already leaked Liu Zhendong's news. If he found out, he would probably kill her.

If she didn't do that, Wu Tian wouldn't do anything to her. It wasn't difficult to choose between life and death.

"That ..." Yin Rumeng looked at how Wu Tian and co. seemed to have nothing to do. She never dared to look Wu Tian in the eye. She kept having the feeling that this guy was staring at her.

"What's wrong?" Azure Dragon said in annoyance. He looked like he was going to eat Yin Rumeng up.

"Can I go to the toilet ..." Yin Rumeng said in a low voice. She was afraid that this fellow would give her two slaps at any given moment.

Azure Dragon looked at Wu Tian and asked for his opinion.

"Whatever she wants to do, let her be. We will not restrict her freedom, but there is one thing. You cannot leave this house, because we need you to stay in it." Wu Tian said in a very gentle tone, as if he was talking to an old friend.

Yin Rumeng rushed to the bathroom as if she was being pardoned.

She didn't know why, but she wanted to stay in this small space in order to be at ease.

As long as she saw Wu Tian, she would feel that her entire body was naked and very uncomfortable.

"President Wu, if she ..." Azure Dragon still didn't trust Yin Rumeng. Right now, they were just waiting. It was indeed as Wu Tian said. If they didn't have Yin Rumeng, they definitely wouldn't have been able to do it.

However, if Yin Rumeng revealed the news, then even if the three of them were very powerful, it would be impossible for them to escape if this Liu Zhendong brought a large group of people with him.

"Don't worry, she wouldn't do that. If this girl wanted to leak information, she would have done so a long time ago." Wu Tian was very confident. She was his mistress, and there was no trust between them.

"But why are you so sure of her?" Wei Jiaming was also a bit confused. This was different from what ordinary people did and how they understood things.

Wu Tian chuckled and whispered, "This Liu Zhendong probably won't come back for a while, so we have to cooperate with this woman. First of all, we have to gain her trust and let her know that we won't hurt her."

That was the first point. They did pretty well. Other than Azure Dragon slapping her twice, everything else was fine.

"Thus, our current indulgence towards her is to build trust between her and us. Secondly, it is my control over her." Speaking of that, Wu Tian smiled mysteriously. What he did just now wasn't all without purpose.

These could all be useful later on.

However, Wu Tian couldn't be bothered to explain too much about these theories. Even if they were to listen, they might not be able to understand it.

In short, he used all kinds of ways to destroy Yin Rumeng's psychological defenses and then treat her well. She would feel that Wu Tian was a good person and that she could cooperate with him.

Once Yin Rumeng had such thoughts, Wu Tian would have achieved his goal.

After a while, Yin Rumeng came out of the bathroom. If possible, she hoped that she could stay inside the bathroom forever. However, staying inside for too long would make Azure Dragon and the others feel that something was wrong.

Therefore, for her safety, Yin Rumeng decided to stay in the same room as Wu Tian and the others.

That way, her every move would be monitored by them, and they wouldn't suspect her.

"I'm a bit hungry and I'm about to order takeout. Do you want to eat something?"

Wu Tian suddenly took out his phone and said to Yin Rumeng. She didn't react for a while and thought she had heard wrongly.

It wasn't until Wu Tian repeated it again that Yin Rumeng was sure he was asking her if she had anything to eat.

"I want a stew chicken ..." Yin Rumeng suddenly felt a warm feeling in her heart. In this city, no one had ever cared about what she liked to eat. Wu Tian was the first one.

"Alright, I've already booked it." Wu Tian was very straightforward, and soon, the take-out delivery arrived.

Yin Rumeng was sent out to receive the food. When she saw the big bag, she was stupefied. Although the takeout of the four of them seemed like it was a lot, they actually didn't need many bags.

However, this delivery boy delivered four or five large bags.

It's not just take-out, it's a lot of other stuff. Toothpaste, toothbrushes, even a bunch of flowers.

Yin Rumeng was curious, but she didn't ask. She just carried the things into the bedroom.

"This isn't a place to eat. Come, let's go to the living room." Wu Tian nodded his head in satisfaction as he saw that he had sent everything he wanted.

Other than the food, Wu Tian put the bunch of fresh flowers beside his nose and sniffed them. Then he found a vase and put it in. There were also some daily necessities.

These things were all given to Yin Rumeng by Wu Tian.

"I see that you are running out of these things, especially toothpaste and toothbrushes. You have to change them often or it will be bad for your teeth. Girls loved to be beautiful after all. And this moisturizing essence, I see that you have to be prepared in this room ... "And this ..."

Yin Rumeng could no longer remember what Wu Tian said after that. She just felt that the man in front of her seemed to be her relative. His words were so gentle.

"Why did you do this ..." Yin Rumeng felt it was unbelievable. She already felt that Wu Tian really wouldn't do her any harm.

"It's nothing. You're a girl and should be taken care of by a boy. Also, we have a favor that we hope you can help us with." Wu Tian said to Yin Rumeng with a smile. He already knew that he had achieved complete victory over this girl.

Yin Rumeng nodded as if by some miracle. "Alright, I'll do whatever you want me to do."

Azure Dragon and Wei Jiaming's faces were filled with disbelief. If all of this didn't happen in front of their eyes, they would have thought that it was fake.

Wu Tian had completely conquered Yin Rumeng through his methods.

Hidden Billionaire Chapter 633 - Trap

C633 Trap

Right now, the entire Red Power was in chaos, no one knew what they should do.

Although he said that the Clan Master of the Red Power was not in the S City, he escaped this calamity. However, they had lost three of their big brothers in an instant, and their entire headquarters had been completely destroyed. This painful failure was something that no one in the Red Power could accept.

As the elder brother of the Hall of Might, Liu Zhendong had to carry the banner at this time, when Red Power was in chaos. This time, they were likely to face a large scale reshuffle within the Red Power.

Whoever could grab the opportunity would have the opportunity to compete for the position of Sect Master.

Although the current Sect Master still had quite a bit of strength, there was bound to be people who wanted to impeach him now that there was such a huge problem with his Red Power. The only thing left was for them to consider how they would be able to ascend to the throne.

Unfortunately, Yin Rumeng's phone call came at this moment, which made Liu Zhendong very unhappy.

"I'm not telling you not to call me if you have nothing to do!" Liu Zhendong said in annoyance. If there was nothing important, he would definitely teach this woman a lesson when he got back. She actually dared to disobey him.

"Zhendong, something happened at home. A few people came to look for you and I didn't dare to open the door, but they are still waiting outside. I don't know what to do, so I can only call you." Yin Rumeng sounded like she was crying. It was obvious that she was really worried.

Liu Zhendong immediately frowned when he heard that. Someone actually went to Yin Rumeng's place, that place was something he had never told anyone before. It seemed like they were going there for him, but who were these people, people of Xing Hall? Or was it someone from Yutang?

In terms of relationships, these people all had a grudge with him. At this critical moment, anyone could stab their big brothers in the back twice.

Thinking about this, Liu Zhendong suddenly felt that he was pretty lucky. If he knew about this now, if it was any later, he would have probably fallen into the opponent's trap.

"Sure, wait at home. I'll go take a look." Liu Zhendong quickly hung up the phone. He wondered if he should call a few people to follow him back, but after thinking for a while, he gave up on that idea. He took out a gun from the drawer and hurriedly left the hall with it.

He walked all the way back to where Yin Rumeng lived. Instead of going upstairs, he first climbed to the opposite floor to take a closer look.

Yin Rumeng had said that there was someone at the door, but now there was no one at all. He didn't know if these people had left or not.

Thinking about this, Liu Zhendong hurriedly called Yin Rumeng again to ask about the situation, but Yin Rumeng said she didn't let anyone in. However, she didn't dare to stay near the door, so she didn't know if they had left yet.

After thinking about it, Liu Zhendong suddenly remembered that he had installed a surveillance camera at the entrance. If he looked at the video, he would know who was looking for him.

In that case, it was clear who the culprit was.

He hurried downstairs and upstairs, knocking on Yin Rumeng's door.

"Open the door and let me in."

Yin Rumeng heard the sound and quickly ran over. She opened the door and let Liu Zhendong in.

"F * ck, how could someone find out about this place? Did they see you when you left?"

Liu Zhendong immediately grabbed Yin Rumeng and was about to hit her. Yin Rumeng was so scared that she immediately covered her face and cried.

"I don't know either. I've been listening to you all this time and have never gone out ..."

Liu Zhendong quickly went to the surveillance camera he installed and removed the memory card. He was going to play it in the living room.

Yin Rumeng, who was still sobbing softly, was frightened out of her wits when she saw this scene. She didn't even know that this place had surveillance cameras!

If he saw Wu Tian and the others enter, wouldn't his identity be exposed? Thinking about this, she quickly ran to her bedroom and told Wu Tian about this.

Wu Tian and Azure Dragon immediately knew that their original intention was to take things slowly. Since that was the case, they would make the first move!

The two of them followed Yin Rumeng out of the bedroom. They carefully looked into the living room and saw Liu Zhendong checking the videos inside.

All of a sudden, Liu Zhendong seemed to have heard the commotion over here. He immediately turned around, and a gun appeared in his hand.

"This is bad!" Seeing this, Wu Tian quickly pulled Yin Rumeng back and pushed her away. Then he also quickly fell to the ground.

Fortunately, Azure Dragon's reaction speed was fast enough and he wanted to dodge immediately when he saw that Azure Dragon was about to pull the trigger. However, the speed of a human was still not as fast as a bullet and Azure Dragon's arm was shot.

Wu Tian immediately jumped up from the ground and kicked Liu Zhendong's hand. He first removed his weapon, then a hand grabbed his wrist and twisted forcefully. There was only the sound of cracking, Liu Zhendong's wrist was instantly crippled.

Yin Rumeng quickly picked up Liu Zhendong's gun and stood by the wall with a frightened expression.

After Wu Tian finished taking care of Liu Zhendong, he rushed over to check on Azure Dragon's injuries. A hole was pierced through his arm and blood was flowing out from it. However, as expected of Azure Dragon, he did not scream out loud because of the pain. Instead, he insisted on not making a sound.

"Jiaming, come here and help me!" Wu Tian was in a bit of a fluster when he was doing first aid alone. He quickly called for help. Seeing this, Yin Rumeng also ran to the bathroom to get some towels herself.

"Give me the gun!" Liu Zhendong watched in exasperation as Yin Rumeng went over to help Wu Tian and yelled at her. However, at this time, Yin Rumeng couldn't care less and continued to help Wu Tian.

"Go to hell, you bastard!" Yin Rumeng really couldn't stand the vulgarities and curses coming out of this man's mouth, so she turned around and retorted.

Liu Zhendong suddenly realized that he seemed to have been tricked, this was just a trap.

He was angry and wanted to run away, but he couldn't. Because Wu Tian dislocated his foot just now, he only had his left hand left to move.

The big brother of the Hall of Might was trapped on the sofa like a pig being slaughtered.

Hidden Billionaire Chapter 634 - Pick One of the Two

C634 Pick One of the Two

After a simple bandage, Azure Dragon's wound was finally alright.

At least he wasn't bleeding anymore. Wu Tian turned around and looked at Liu Zhendong in annoyance, his eyes full of murderous intent.

"Who are you people? Are you people from Yutang? and it was even someone from the Xing Hall. F * ck, let me tell you, it's still too early for you to fight with me for the position of sect head! As long as I don't die, even if I can't kill your big brother, I can kill you all! " Although he was already a prisoner, Liu Zhendong's mouth was not idle at all. He really wanted to declare his power, hoping to scare Wu Tian.

But in his heart, he was very clear. To be able to do this, it meant that they didn't care much about him.

"Cut the crap. You must be Liu Zhendong. The one I'm looking for is you. I'll tell you the truth. I was the one who did the thing in your restaurant." Wu Tian acted as if he was responsible for the explosion and looked at the arrogant guy in front of him with disdain.

"You?" Liu Zhendong did not dare to believe it, but it might actually be true. However, he didn't know what kind of conflict he had with this young man. To be frank, he had no enmity with him in the past few days, so why did he come to find him?

"Why, you don't believe it? I don't care, I have already injured a lot of people, and they are all from Red Power. I don't mind harming you one more time. " With that, Wu Tian picked up a knife in the kitchen and gestured to Liu Zhendong.

Liu Zhendong was sweating profusely. Just now, when Wu Tian was fighting with him, Liu Zhendong had already felt that he would not be able to withstand more than a few moves from him.

This guy easily crippled Liu Zhendong. Liu Zhendong was tall and muscular. The position of this big brother was something that he had fought his way up step by step!

"Of course I believe you!" Liu Zhendong quickly agreed. He was afraid that Wu Tian would cut him alive if he was unhappy.

"Since that's the case, I will not hide it anymore. I want you to do something for me. No, I actually want to do something for you." Wu Tian smiled as he looked at the man, then used his knife to gesticulate at the man's neck.

Liu Zhendong's entire body was trembling. He really did not know what this person wanted exactly, and if he was someone from Red Power, then where did his enemy come from?

"What do you mean?"

"It's very simple. Who is the Clan Master of the Red Power now, do you have any thoughts on this position?" Wu Tian was very direct. When he mentioned this Sect Master, he saw Liu Zhendong's expression suddenly change. He immediately knew that this was going to be a good thing.

"Sect Master... Sect Master is Liang Zhenhai, we don't know where he is right now, it's very chaotic inside the gang. "

Liu Zhendong stammered. How could he dare to not say it?

Liu Tie nodded his head and gave Wei Jiaming a look. The guy hurried out the door while Liu Tie continued to interrogate Liu Zhendong.

"I know it's very chaotic. What I want to know now is: Do you have any thoughts about the position of Sect Master?" Wu Tian chuckled as he looked at Liu Zhendong. He had already told Liu Zhendong his hidden message. As for how he would reply, that would depend on whether he had the ambition or not.

If he said he didn't have any thoughts, then Liu Zhendong definitely wouldn't have any. He was thinking about what he should do now. If he disagreed, this evil fiend would definitely kill him to keep his mouth shut. What was the purpose of his words? Could he be Liang Zhenhai's enemy?

Liu Zhendong's heart was already in turmoil, but Wu Tian didn't have the time to listen to his nonsense. Now, Wu Tian wanted an answer.

"I... I have ideas, of course I have ideas! Not just me, even Xing Hall, Yutang and the dead Zhang Huan have thoughts of their own! " Liu Zhendong thought about it and decided to go all out. Right now, his life was more important, so he didn't care about anything else.

"Since it's like this, then it's simple. I'll think of a way to make you get the upper hand, what do you think? "

Liu Zhendong looked at Wu Tian in disbelief. He couldn't figure out what this man was trying to do. Besides, who was he and why would he do such a thing?

"You, who exactly are you? Why are you helping me? Is this beneficial to you?"

It wasn't strange that he would ask Wu Tian that. If he didn't ask anything, Wu Tian would suspect that the guy was up to something.

"Of course it's good for me to help you, so you don't have to worry about it. I wanted to keep your life only for this purpose. At this point, let me be honest with you. My name is Wu Tian, and I'm also the current owner of Wu Group. I will also be the successor of the Wu Family later. "

Now that things had come to this point, there was nothing left for Wu Tian to hide from him. If Liu Zhendong didn't agree, then he definitely wouldn't be able to survive after knowing the inside story.

It could be said that there was no other way out in front of him. He would either live or die. If he survived, he would have to work for Wu Tian.

"You are someone from the Wu Family ..." Liu Zhendong looked at Wu Tian in surprise. However, when he thought about it, he felt that this matter was very reasonable. Their Red Power had just destroyed the company's Wu Group, so it was reasonable that the other party had come to take revenge.

"President Wu, big brother Wu, the company being destroyed this time, really wasn't done by me, it was all done by Zhang Huan's group, I don't know who gave the order, it seems like Zhang Huan and the people from Mecca Company had some connection." At this moment, Liu Zhenzhong seemed to have grasped onto a lifesaving straw. He desperately told everything he knew in hopes that Wu Tian would spare his life out of consideration for this matter.

"I know, but your Red Power is so huge, and will clash with me sooner or later. So you should understand what I mean." The first strike had the advantage. Since Red Power had already begun to attack Wu Tian, if Wu Tian did not have any reaction, then Red Power's next attack would only become bigger and bigger.

"Speak, whatever you want me to do, I'll do. As long as I can become the sect master of Red Power, I'll definitely listen to everything you say." Liu Zhendong

had a flattering look on his face. Now, he finally knew that he was a lucky person. He originally wanted to push Liang Zhenhai down, but now with Wu Tian willing to help him, it was like adding wings to a tiger.

It had to be known that in the internal struggles of Red Power, having and not having a financial backer were two entirely different things.

Hidden Billionaire Chapter 635 - Dignity of the Man

C635 Dignity of the Man

It wasn't a big deal to help him, which was Wu Tian's plan from the beginning.

However, he suddenly felt that he couldn't let Liu Zhendong go that easily.

"Fine, I've agreed to this matter. However, what about the matter of you shooting my brother?" Wu Tian stepped aside, revealing Azure Dragon, who was behind him.

Now, Azure Dragon was much better than before. He stared at Liu Zhendong as if he wanted to swallow him whole.

Liu Zhendong was scared to the point that he quivered all over.

"I was too nervous just now. Bro, I'm sorry." As she spoke, Liu Zhendong kowtowed on the ground a few times. Yin Rumeng had never seen such a posture. It was the first time she saw Liu Zhendong act so cowardly in front of other people.

"An eye for an eye, a tooth for a tooth." Azure Dragon didn't say anything else, he just coldly said that.

Liu Zhendong, on the other hand, was like a sieve. Sweat flowed out of his body like rain and dripped onto the floor.

"Brothers, I really didn't do it on purpose." Liu Zhendong tried his best to beg for mercy. He placed all his hopes on Wu Tian. Perhaps Wu Tian was the only one who could save him at this moment.

"Since my brother has already said so, I can only follow what he said. But don't worry, you will be my brother in the future. If someone bullies you, I will

stand up for you!" As he said that, Wu Tian kicked Liu Zhendong's head, knocking him out.

The next scene was not suitable for children. However, when Liu Zhendong woke up, he found that his body had become very weak. His hands and feet became powerless.

Fortunately, his hands and feet were reattached without any interruption. Only then did he heave a sigh of relief. Liu Zhendong thought he was really done for this time. He would at least lose an arm and a leg.

However, he didn't expect himself to be so lucky as to be able to retrieve his life. He couldn't help but feel lucky on the inside. However, he suddenly felt as if his crotch was bulging ...

Liu Zhendong's face instantly turned pale. He stood up shakily, but found that his legs didn't seem like his own, and didn't listen to him at all.

Besides, near where he was lying, there was a pile of medicine bottles scattered around. On top of the bottles, there was some kind of narcotic drugs written on them, and nearby, there was also a knife with blood stains on it.

All of these things seemed to tell Liu Zhendong that some parts had already fallen off his body. Liu Zhendong was simply unable to accept this fact and immediately fainted.

"President Wu, is this appropriate? Is he going to get infected or something? " Azure Dragon looked worriedly at Wu Tian. They had performed a small operation on Liu Zhendong just now, and to be honest, Azure Dragon never thought that Wu Tian would have such skills. If it was Azure Dragon, he definitely wouldn't have the guts to do it.

"Don't worry, that was just to scare him." Wu Tian smiled and waved his hand. He couldn't stop laughing as he looked at the phone in his hand.

Just now, they used a special method to change Liu Zhendong's penis a little, but it didn't affect his real function. They just inserted some medicine into it to make him stop trying to control his penis for the next three to four years.

And when Wei Jiaming went out, it was Wu Tian who sent him out to buy these anesthesia supplies. Before this operation, Wu Tian had wanted to test it out. It seemed that he had really succeeded this time.

"Alright then." Azure Dragon wiped off the sweat on his forehead. They were too ruthless. For a man, beating him or injuring him, or even killing him, was just being generous. But if you touched his penis, it would be of a different nature altogether. It would be a matter of dignity for a man.

Wu Tian also videotaped the entire operation process. This thing was an important magical equipment he would use to control Liu Zhendong in the future.

The medicine he buried inside was not simple. On one hand, it was not easy to find, and on the other hand, it would greatly improve Liu Zhendong's sex appeal.

This was Wu Tian's little prank, but it was already bad enough.

"That's too cruel. I thought I was ruthless enough. I didn't expect that I was far from being able to compare up to you in this aspect." The more Azure Dragon thought about it, the more he felt his entire body shivering. Luckily he had never gone against Wu Tian before, and fortunately, he didn't have the time to do so. Otherwise, who would be able to withstand the same fate as him?

"President Wu, will this Liu Zhendong really not betray us? Will you leak our news? " Wei Jiaming was a little worried. After all, this Liu Zhendong had been in the underground organization for many years. To him, being two-faced was definitely not a normal thing.

"Don't worry, there's still Yin Rumeng watching him. Even if he had such thoughts, he would still have to turn around and beg me obediently in the end. If that doesn't work out, you can just wait and see."

Wu Tian said confidently. It was almost noon and they had not eaten for most of the day.

Loong Yun also sent a lot of messages to Wu Tian. She didn't know what Wu Tian was doing and was dying of anxiety.

"Send me to the company, then I'll leave Liu Zhendong to you. In short, the more chaotic the Red Power is, the better it is. We don't have to go and control them, as long as they pose no threat to us. " Wu Tian warned carefully. He had no interest in interfering with these matters.

In the end, the underground world could only stay underground. That kind of place was dark and wet, filled with filth. If one wasn't mentally ill, they would only be able to survive in that kind of place. In any case, Wu Tian felt that there was no need to live a good life under the sun.

"President Wu, don't worry."

After Wu Tian returned to the Wu Group Building, Loong Yun was still waiting at the lobby. When she saw Wu Tian come back, she ran over with tears of joy.

"Young master, so you're fine. I thought you were doing something. I heard that there was an explosion somewhere inside the city, so I was worried ..."
As Loong Yun spoke, tears flowed down her cheeks.

Wu Tian quickly went over to wipe her off, smiled and said, "What are you afraid of? Who else can harm me these days? Look at me, I'm very healthy. I have no missing arms or legs. "

Loong Yun wiped her tears and nodded. Then, she slowly said to Wu Tian, "President Wu, Miss Blanche is waiting for you at the office on the roof."
