

Hidden Billionaire Chapter 735 - Daughter of the Minister of Finance

C735 Daughter of the Minister of Finance

However, in Wu Tian's eyes, his so-called "specialty" was just a bunch of flowery moves.

Before the punch even touched Wu Tian's clothes, Wu Tian had already grabbed his wrist and twisted it slightly, dissolving Wu Tian's fist.

Then at the same time he stepped forward, just with his shoulders. Her ex-boyfriend couldn't stand up anymore and fell backwards from the impact.

He looked just like that, but why did he turn out to be a silver wax spearhead when he actually moved his hand ...

Wu Tian shook his finger and made a contemptuous sound.

In the end, he even made a downward gesture with his hands. It was simply a naked ridicule towards how they targeted Wu Tian just now. Now, Wu Tian was going to return the insult back to them.

The girl who was waving the flag immediately became silent. She looked at her ex-boyfriend with a cold gaze.

Trash was of no use to her. Of course, she would throw it away when she was done using it.

"Just you wait!"

Her ex-boyfriend took out his phone with a curse and made a call.

If he couldn't beat them, then he might as well use more people to bully them.

In short, he had to get back at him for that.

"Go ahead and call for help. If I'm afraid of anything, I wouldn't be surnamed Wu today!"

Wu Tian just went against him. He had nothing to do anyway.

He'd treated it as an extra program, and the pressure he felt during this period of time wasn't small. It would be a relief to teach these two a lesson.

It had to be said that this ex-boyfriend was quite efficient. In less than ten minutes, several luxury cars surrounded them and more than ten people got off.

These people wore one-water suits, and their bodies were bulging. From a glance, one could tell that they were muscular men.

When her ex-boyfriend saw that his helper had arrived, he immediately jumped up from the ground happily and leaned over.

"Cousin, it's him!"

Her ex-boyfriend was pointing fingers at Wu Tian as if he was talking bad about him.

Wu Tian didn't care, he crossed his arms and looked at them leisurely.

"Are you sure?"

The leader of the men in black looked at his little brother doubtfully. Then, he repeated his question a few times, not daring to believe it.

"That's right, that's him! He was the one who hit me just now! And then he bullied Yan'er! He definitely could not let this matter go like this! "Cousin, give him a good beating for me. It would be best if you beat him half to death."

His ex-boyfriend's words were filled with righteous indignation, as if he was promoting justice. He was clearly bullying others, and it sounded like Wu Tian was deliberately bullying him ...

What he didn't expect was that his so-called cousin helper would flip him on the forehead.

Then he kicked him to the ground.

This sudden scene was completely unexpected to everyone.

"What's going on?"

The surrounding crowd were all shocked. There was actually such a move?

"If you want to die, don't hold me back. Do you know who this is? You want me to hit him? I'll beat you half to death first! You guys beat me up, don't leave me any face, I don't have such relatives! "

The muscular man commanded his brothers and beat up the man named Gao Fudong.

Wu Tian didn't know why this was happening, but the more he looked at the muscular man, the more familiar he felt that he was.

The muscular man walked over, embarrassed, and apologized to Wu Tian with a smile.

"President Wu is really embarrassed ..." He did not know who you are, so he offended you here. "

"You are?"

"Don't you remember me? "It's exactly because Boss Cui asked me to help you with some stuff."

When the muscular man said that, Wu Tian suddenly remembered something.

That time, it was the one he borrowed from Cui Yongji, and this muscular man was one of the people in that group.

No wonder he knew him.

"Oh, it's fine, it's fine. Since we're on our own, I won't say anything more. You guys can go back and take care of it yourself, there's no need to trouble Director Cui."

Hearing Wu Tian's words, the muscular man immediately felt relieved.

It was the best choice for him not to get involved with Wu Tian. That way, he wouldn't offend Wu Tian.

"Right, President Wu, you are truly magnanimous ..."

Seeing that Gao Fu Dong was beaten up to the point of screaming, Wu Tian didn't feel happy about it at all. After all, he didn't even have the time to take action yet ...

This guy must have suffered a bit, and probably won't dare to look down on people anymore.

However, there was still Yan'er beside him. How was he going to deal with her?

"Do you know who she is?"

Wu Tian pointed at Yan'er. This girl should not be simple either.

"She is the daughter of the Minister of Finance ..." The muscular man said in a low voice. This kind of thing couldn't be announced out loud. There were so many spectators around.

If they knew how arrogant and despotic Minister of Finance's daughter was outside, then Minister of Finance would probably step down.

"So that's how it is ..."

Wu Tian suddenly realized why he was so cocky and drove such a good car.

"Alright, let's just pretend that this never happened. "Also, take me to the hospital if it's convenient, I just happen to want to go and see how Secretary Loong is doing."

How could the muscular man say no, and he didn't have time to be happy. As long as it could stop Wu Tian from getting angry, he could do anything.

As long as Wu Tian wasn't angry, Director Cui wouldn't be angry and nobody would know about this.

Naturally, he would be able to keep his job as a muscular man.

Yan'er was astonished to see Wu Tian swaggering in front while Cui Yongji's men followed behind with a kind expression.

How could this person have such a great power ...

One had to know that Cui Yongji's subordinates normally looked down on others, and did not even put ordinary officials in their eyes.

Sometimes, his attitude was just average. There had never been such a mischievous smile, fawning on him.

"Just who is this person ..."

Yan'er mumbled to herself. She listened carefully, as if the muscular man was talking about President Wu.

In other words, this China person should be surnamed Wu, and he claimed to be called Wu Tian.

Remembering this, Yan'er drove home in a hurry.

Now that he had his name. Through her father's connections, it should be easier for her to find out who he was.

How could she just let this matter go like that? This man had humiliated her in front of so many people. Yan'er felt that she should get back at him no matter what!

Otherwise, she wouldn't be able to stay here anymore.
